---

Luan Loud: Her name is Zephyr Summer and she is a really awesome masker of wind and rainbows.

Tony Jones: Boy she sure is and she has an amazing story too.

Black Vulcan: It's a really awesome one too.

Dazzler: She really told Scoots off and it was funny.

Luz: We were laughing a lot at that.

Lightning Lass: We sure were.

---

Nico: Yep. So, Zephyr, what's the story on how you told off your jealous driven envious older sister, Miranda, and how you and Lincoln told off that old goat, Scoots?

Zephyr Summer: Oh, that's one I'd never forget to this day.

Zephyr Summer pulled up the video as it played on the big screen, and we saw Zephyr Summer and Lincoln standing against Miranda Summer and Scoots, who were really really angry and they were out for blood.

Past Zephyr Summer: I always knew you were nothing but a jealous-crazed, envious, evil, awful bully and heartless monster. We never got along at all even when we were growing up, and you tried so much to break me, but you failed, but after finding out you threatened to kill me and you also teamed up with Scoots in your attempted murder plot, you crossed it, and you've been asking for it for a very long time. You're a dumbbell bimbo with a brain the size of an amoeba and an IQ of a peanut, you're a psychotic envy-driven jealous moron with no respect and love for your own little sister at all, and you have the fashion sense of a bum!

We literally busted out laughing hysterically when she said Miranda had the IQ of a peanut!

Me: (LAUGHING HYSTERICALLY) THAT INSULT STILL CRACKS ME UP TO THIS DAY!

Nico: (LAUGHING HYSTERICALLY) IQ OF A PEANUT?! OH MAN, THAT WAS A GOOD ONE!

Zephyr Summer: But, we were just getting started.

Then, in the video, we saw Zephyr and Lincoln turn to Scoots, and they weren't going to let her get out of this one.

Past Zephyr Summer and Lincoln: And as for you, you're a heartless twisted troublemaking old shrew who has no love or respect for anyone except for herself and enjoys heckling people and ruining their lives for your own sick amusement.

Eli: Amen to that!

We saw that set both Miranda and Scoots off, but before they could get after Lincoln and Zephyr and kill them for telling them off, he and Zephyr used Whirlwind's Rainbow of Dooms and they exploded with it hit them and those two went flying off in different directions. Then, Zephyr and Lincoln kissed as the video ends.

Nico: Damn, your sister really is nothing but bad news, and for her to team up with that old goat, she crossed it big time. So, what happened to Miranda and Scoots after you guys sent them flying?

Lincoln: Oh right, I forgot about that, Miranda was sent flying to the police station where she was eventually sent to prison after Zephyr sent evidence of her many crimes against her and everyone around her including many counts of vandalism, kidnapping, assault, and extortion, and as a result, Miranda was convicted and she was expelled from school and thrown in Juvie.

Varie: And Scoots was sent flying right back to Sunset Canyon, and when I saw her yet again, I called the authorities and Scoots was tied up in a straitjacket and sent right back to The Lansing Maximum Security Nuthouse.

FLASHBACK ENDS

VYPRA AND THE GROUP WERE LAUGHING HARD AT WHAT SHE SAID TO SCOOTS!

Suddenly, the gems and Elements of Harmony embedded in Lincoln's massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds began glowing along with the colored gems embedded in our massive greatswords and then, our massive greatswords fired tendrils which pierced Drej Queen Susquehanna and the Drej and we began absorbing the energy aliens, and our auras flared up and we were getting stronger and stronger. Then, as soon as we were done absorbing Drej Queen Susquehanna and the Drej, Lincoln banished them to The Black Gates forever.

Lincoln: That was for destroying the Earth and killing every last human there, you monsters!

Nico: Their cruelty and hatred for humanity can never be forgiven, and we made sure they paid for all their crimes. Awesome job, gang, we're rid of both Queen Susquehanna and the Drej once and for all.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Justina Nolan.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Justina Nolan?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Justina Nolan of The Legion of The Lincoln-Haters, but we also saw Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Justina Nolan: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE

THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Jenna: This'll make sure the message is clear: we're putting an end to them once and for all.

Suddenly, Jenna's eyes turned neon orange and she was surrounded by a red and white energy aura with stars, lights, and phoenixes, and as she approached Justina Nolan, she left red and white energy, stars, lights, and phoenixes with every step.

Jenna: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Justina Nolan, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Jenna was surrounded by a massive vortex of red and white energy with stars, suns, and lights, and surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a red phoenix with red eyes glaring at Justina Nolan: the red eyes of death. Then, as the vortex faded, Jenna emerged, but she was changed forever.

Jenna grew to 7'5" in height, she has the body of a goddess, she has red and white highlights in the bangs of her long dark brown hair tied in a ponytail, she has neon orange eyes and a red and white energy aura with stars, lights, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with sky blue iris, she has on phoenix earrings with red gems for eyes and holding the Light and Eternity Kanjis in its claws, she also has a dragon with white gems for eyes and holding the Light and Eternity Kanjis in the claws on the bottom of her white dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with white crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Jenna has on her white sleeveless shirt V shape line, red skirt, red socks, white sneakers, she has on large gold metal bands with red gems on her biceps and thighs, and long sleeveless white trenchcoat with stars, lights, and phoenixes on the coattails, and on the back is a phoenix surrounded by lights and stars. Suddenly, Jenna felt a sharp pain on her back, and then, massive dark brown angel wings with red and white tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long dark brown wolf tails with white tips and red markings, Jenna has on her Ring of the Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Jenna's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of red and white energy, stars, lights, and phoenixes, and when it emerged, it transformed into Jenna's Eternal Cosmic Storm Athlete Cheerleader Solar Fury Greatsword of Eternal Cosmic Storm Athlete Cheerleader Solar Fury Phoenix Justice, it's a brand-new massive greatsword with embedded red gems and white etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged red blade, large white dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with red gems embedded in the foreheads, longer midnight black handle, four large red phoenix heads with white gems for eyes and in their mouths and a large red dragon head with a white gem in its mouth below the large phoenix heads for the pommel. Jenna has on her new Bracers of The Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with red gems for eyes and a large white gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below the dragon and phoenix that said, "Jenna, Tough and Talented Athlete, Leader of The Gotham Royal York Cheerleaders, Friend of Lynn Loud, Paula Price, and Margo Roberts, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Justina Nolan of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lights, Stars, and Phoenixes"

Jenna has transformed into SUPER ANGEL-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE SOLAR LIGHT ETERNAL COSMIC SOLAR CHEERLEADER ATHLETE LIGHT DRAGON PHOENIX ANGEL OF DIVINE SOLAR LIGHT ETERNAL COSMIC SOLAR CHEERLEADER ATHLETE LIGHT DRAGON PHOENIX JUSTICE AND DIVINE SOLAR LIGHT ETERNAL COSMIC SOLAR CHEERLEADER ATHLETE LIGHT DRAGON PHOENIX LOVE!

We were amazed by Jenna's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Justina Nolan saw it, she went fucking crazy and she got out her machine gun to fire at Jenna, but Jenna fired a barrage of red and white energy blasts with stars, lights, dragons, and phoenixes at Justina Nolan and it sent her flying into a tree back first, she got back up and she ran at Jenna again with a knife she got out, but she disarmed Justina Nolan by firing light beams which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Me, Nico, and Lincoln: Whoa!

Lynn: Whoa is right, Jenna's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Justina Nolan by using Spotlight's light beams and sent her flying into a tree.

Lincoln: I had absolutely no idea Jenna can also use Spotlight's techniques, that was so awesome! And Justina Nolan has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Jenna: (Divine Godly Cosmic Voice of The Cosmic Athlete Cheerleader Solar Light Dragon Phoenix Angel and Divine Cosmic Athlete Cheerleader Solar Light Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Jenna.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Justina Nolan. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Jenna and Lincoln went after Justina Nolan who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, red and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Justina Nolan and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Jenna attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Justina Nolan got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Jenna, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Justina Nolan's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Justina Nolan by the neck and he tossed her into the air, and Lincoln and Jenna fired a powerful barrage of energy balls with lights, heavenly auras, gold halo rings, stars, quintessence, elemental forces, and mythological animals, and as they hit Justina Nolan, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Justina Nolan's spirit appeared, and she was still incensed with anger and fury.

Justina Nolan: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Justina Nolan. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Justina Nolan's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Justina Nolan: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Jenna and Lincoln holstered their massive greatswords on their backs and powered down, and Jenna's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Justina Nolan. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Jenna: We've taken another one down so far, and now, we got eight more to go. Thanks for helping me destroy Justina Nolan, Linky.

Lincoln: (Smiles Warmly) You're welcome, Jenna.

Suddenly, Jenna wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Jenna's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of

Buffalo and many animals running across the field, along with elemental forces and lights shining down on them and we cheered wildly. Then, Lincoln and Jenna absorbed the lights and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of solar cheerleader justice. Lincoln, Jenna, you two did really awesome in teaching that monster bitch, Justina Nolan, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but we're already approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Gabrielle Reeve, which means you and I are up next, Beatrix.

Beatrix Yates: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Gene-Slammer are you meeting on your rescue tomorrow, Lincoln?

Lincoln: Good question, Nico. Hmm, ooh, I have an idea, how about a Gene-Slammer for Alien Mars.

Selene Arcangela: (Gasps) That's awesome, and there's only one person we know who'd be Gene-Slammed into Alien Mars: Selina Almenara, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic fire powers, immense body heat, and immortality. But, here's the really really surprising part: Selina Almenara's known as an Pyrosapien, an alien from the planet Pyros, a fiery planet in the Virgo Supercluster.

We gasped.

Shanan: I've heard of them, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have red hair, red eyes, and red angel wings. Their true form is really beautiful, they have red sclera and they have red flame tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a red flame two-piece bikini, which is their real outfit, and they also have quite an extremely powerful sexual drive.

Nico: And Lincoln has a Pyrosapien as one of his many Guardian Angels?! Oh, I hope she kept herself under control.

Luna: Don't worry, dude, she controlled herself, especially with me, Leni, and Mom watching her.

Nico: Whew.

Shanan: They do have a powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need.

Selene Emperyous: And for Selina, the one who fit that role was Lincoln.

Mana Mystictree: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing.

Me: And trust me, we've seen it more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, I just know she's going to want to take it much further.

Lincoln: I already know, but I'm ready. Plus, you'll love hearing this part, Nicole: she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them and leaves a burn mark on their backs warning them if they step out of line, they will be burned.

Nicole: Now, that's brutal.

Mirror Master: There. Now, the Titan can be activated.

Metal Sonic: And now, you guys can use it to bring your Earth back.

Korso: Hey, we really owe you guys again.

Marionette Shadow: Don't mention it.

Me: It was our pleasure.

10,000 Volt Ghost: (to Cale) You have no idea how to use it, do you?

Cale: I was hoping you had did.

Hydrax: We'll show you.

Me: Gladly. Here we go.

We activated it and then 3 powerful beams of energy blasted out of the Titan and then the nebula swirled around. We flew out and then we saw a planet form right in front of our very eyes! It was amazing! WE SAW A NEW EARTH BORN! IT FORMED OCEANS, CONTINENTS, LANDSCAPES AND MORE IN MINUTES!

Qin: WHOA!

Laney: INCREDIBLE!

Lola: WOW!

The new Earth was filled with new life and it was full of beautiful lands.

Camie: Wow! This is incredible!

Nico: Boy it sure is! Sam Tucker you are an absolute genius and a treasure of Earth.

Lana: I'll say!

Lily: Wow!

Nico: We did it guys! The Human Race has been saved and we gave them a new home.

Lola: We sure did.

Eli: This was awesome!

Twilight Sparkle: (To the viewers) This was an awesome and epic adventure for us! And it was awesome helping Cale and friends.

Me: It sure was.

Nico: But great job today everyone.

We later went back home and set up a portal to Earth 2.0 and set up monitors in case aliens like the Drej came back. We enjoyed the rest of the day and went to sleep.

THE END.

Camie: It sure has been a while since we were there.

Nico: Boy no kidding there.

Lola: I wonder how things have been.

Himiko: We'll find out soon.

Tsuyu: I hope the Kankers aren't causing problems?

Qin: If they are we're going to know it.

Nico: Yae I want to thank you and Puppetmon and your teams for coming with us.

Yae: It's no problem Nico. This is going to be fun.

Nico: Hanon, what do you like to do in your free time?

Hanon: I like reading stories to sick kids in the Hospital.

Me: That's very charitable.

Qin: It sure is. They love good stories.

Nico: What kind of stories do you ready to them?

Hanon: Stories about many of our adventures. Also some great fairy tales.

Qin: They would love that.

Lola: I agree there.

Nico: I think Poliwag did that before.

Fluttershy: That was a really amazing and fun mission though.

Lana: I'll say! That is awesome!

Nico: That might not have been our Earth. But it's still Earth.

Me: We just made Earth better than ever.

Lola: We sure did. But it was amazing seeing the Titan make an awesome planet to call home.

Nico: That was really awesome!

Varie: Now we have an awesome ship to make another Earth.

Eli: We sure do and it was awesome.

Luan: That was amazing to see it in action like that.

Nico: We killed the Drej too

Me: We sure did. Ultimate payback for destroying Earth.

Lola: That is for sure.

Varie: The Drej were monsters! Also we did not expect the Drej to have attacked the worlds of the Space Empire Zangyack.

Maria: That was a tremendous surprise. The Drej have been nothing but a terrible cancer to many creatures all over the universe.

Lola: Yeah they are pure evil.

Camie: They sure were.

Leeli: But the Drej got what they deserved.

Girl Jordan: Thank goodness.

We arrived in Peach Creek and we saw that the entire neighborhood was COMPLETELY LEVELED! ALL THE HOUSES WERE COMPLETELY DESTROYED! EVERYTHING WAS RIPPED APART AND COMPLETELY TORN ASUNDER! Everything was also on fire!

WE GASPED!

Me: My god!

Lola: What happened here!?

Nico: Looks like a nuke blasted this place!

Camie: Oh man! This is horrible!

Luan: The Kankers! They did this!

Me: Better search for survivors! KIBAL LETS HOWL!

(ThE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I howled! I was ready!

Puppetmon: But Marie and May are with us now.

Me: These are dark versions of them. Evil ones.

Eli: He's right. I sense it. These ones are evil to the core.

Lola: We got to find them and destroy them.

Miku Yuuki: We can't let them get away with this.

Saya Takagi: That is for sure and it will only end in death for them.

Me: Lets not forget that these are the very same monster girls that destroyed all of Atlanta back in 2014.

Lola: Yeah.

Nico: Maybe we should fix the place up too.

Me: Good idea. (SNAPS FINGERS)

I fixed the place up and it was good as new.

Me: There.

Lola: Awesome!

Varie: We better find the Evil Kankers before they cause anymore damage.

Camie: I was just about to say the same thing.

Lily: Yeah those girls are jerks!

Nico: Where are they right now?

Eli: (Concentrates) I sense them 100 meters to the east.

We saw that it was down the lane. Oh boy.

I pulled out a megaphone.

Me: Watch this. (YELLING THROUGH IT) HEY KANKERS! YO MAMA IS SO FUCKING STUPID, THEY HAD TO BURN DOWN THE SCHOOL TO GET HER OUT OF SECOND GRADE!

Qin: WHOA!

Nico: CRUEL!

THEN YELLING WAS HEARD!

Puppetmon: Let's settle this here and now!

Me: YEAH!

Then the Evil Kankers came and they were MASSIVELY PISSED!

Nico: Oh boy.

Lola: Here they come.

Qin: Oh boy.

Evil Lee: WHAT DID YOU SAY ABOUT OUR MOM!?

Me: You heard me!

Xenia; You're going to pay for destroying Peach Creek!?

Nico: Yeah!

Puppetmon: (Echoing) Puppet Pummel!

He smashed the ground with his hammer and blasted the Kankers with a wave of fire and burned them!

Puppetmon: Take that!

Lincoln fired waves of lightning and blasted them and electrocuted them.

Camie fired waves of energy and stars and blasted them.

Lola: And this!

She fired blasts of fire and burned them!

Lana then fired waves of ice and froze the three of them in ice!

Me: Time for these cookies to crumble!

Smashed used my gravity and sent them high into the sky and then dropped them and then smashed them into a million pieces!

Xenia: OH YEAH!

Me: Take that!

Eli: That's it for them.

Nico: Yep.

Eli: And just in time too. I sense that we have Another Butterfingor, Another Twinkier, Another Ghost Pepper Bop Tarts are Another Ribwich, Another Cyber Cat. And Another Puppetmon.

Qin: Whoa! Wair what!?

Eli: The first four are Anthropomorphic Butterfinger Bars, Twinkies, Ghost Pepper Poptarts and Ribwiches.

All of us: (SLURPS) MMM MMMM!

Nico: Let's call their archenemies in.

Camie: We don't know who their archenemies are.

Me: Actually we do. Their archenemies are some of the gene-slammers for the Ultra Beast Pokemon. They have Gabrielle Valentino, Noella Florrence, Gabby Emilio, Ayana Alamosa and Wendy Munroe.

Nico: Ooh! Guzzlord, Celesteele, Pheromosa, Stakataka and Buzzwole.

Me: Bingo.

Lola: Cool!

Nico: Yep.

Maria called them in.

Gabrielle Valentino: We're here guys!

Gabby Emilio: This will be fun and cool.

Nico: There they are!

We saw them.

Me: WHOA! All 7 of them at the same time!

Lola: GEEZ!

Nico: This is gonna be rough!

Qin: Yep.

Me: This will be fun.

Nico: Can we get the names of the first 5 first?

Another Butterfingor: (In a girls voice) I believe that J.D. knows us.

They reverted back and were girls with blue hair, blue eyes and blue clothes and had blue angel wings and blue gems in the middle of their foreheads.

The 5 Girls glowed and the 4 Another Food Villains were separated and Another Poly & Ester were separated to.

Gabby Emilio: This will be awesome!

Gabrielle Valentino: I'm ready for this!

They fired waves of energy and blasted Another Poly & Esther down and it exploded!

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Another Ghost Pepper Bop Tarts fired Ghost Pepper Pop Tarts and the girls ducked and they went into my mouth. I chewed them up and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I then was enveloped in a powerful explosively hot fire aura. Then the girls ate the Another Food Villains and thennn.

MUFFLED EXPLOSIONS!

They exploded in their mouths! They coughed up smoke and spit out the Wonder Ride Books!

They were coughing and gagging!

I picked up the books.

Nico: What are they called?

Me: It's 5 Sapphire Princess Books. The Butterfinger Bar Kingdom, Twinkie Kingdom, Ghost Pepper Pastry Kingdom, Ribwich Kingdom and the Woolies Fashions Attack.

Nico: Cool!

Qin: Yep.

Me: Leni you would absolutely hate the Woolies with a vengeance. They want to steal all the yarn and thread and make all our clothes non-existent.

Leni gasped!

Leni: (GROWLS) THOSE STUPID FASHION WRECKERS!

Nico: All full then?

The girls were coughing and gaging smoke and Gabby Emilio was screaming and belching out fire like a flamethrower!

Maria: UH OH!

Maria gave them water and Gabby had a massive cloud of steam come out of her mouth and the rest were relieved.

Nico: Geez!

Me: When they ate them they exploded in their mouths hence why they're coughing up smoke.

Nico: Oh.

Me: Also thos Ghost Pepper Pop Tarts are the hottest ever pop tarts on the planet.

Nico: Yeah they sure are! Whoa!

Me: Yep. Now for Another Cyber Cat.

Lola: Yep.

Nico: Who are you?

Another Cyber Cat: (In a girls voice) You're going to love this one.

She reverted back and was a girl with green hair, green eyes, had a green emerald jewel in the middle of her forehead and had green angel wings and had green clothes.

Me: (GASP) Estella Emerald!

Nico: Whoa! If I had to guess you're the Emerald Gene-Slammer.

Estella Emerald: (Spanish Accent) That's right and I am from

Colombia.

Nico: Wow!

Me: And Colombia is where some of the Best Emeralds are found.

Estella Emerald: That's right.

Me: Yeah. Emeralds are awesome stones too.

Eli: Yep.

Me: By the way is the Another Puppetmon friendly or hostile?

Estella Emerald: Friendly and you will like this one.

Qin: I have a feeling this will be good.

Hanon: Let's do this!

Lincoln: First lets separate you.

Lincoln fired a wave of light and separated Another Cyber Cat.

Hanon: This will be awesome.

Hanon fired waves of light and blasted down Another Cyber Cat and then..

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Rider Book and it was called The Emerald Princess and the Cybernetic Cat Kingdom.

Me: Fitting.

Qin: This will be good.

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) VULTURES, NATURE'S CRUELEST

MISTAKE!

She summoned Vulture, Evil Aero Man (Mega Man), Astral Drop Hay Lin, Sonoi, Jorgen Von Strangle, Sea Demon, (Megaman Battle Network), Necky (Donkey Kong), Vulture (Ghosts N Goblins) and Vulture Vizier (Legend of Zelda)!

Qin: YEAH!

Lola: Time for Vultures to kill!

Vulture: Now, who's the Another Puppetmon?

Another Puppetmon: (In a girls voice) I believe it's someone J.D. knows.

She reverted back and was a girl with purple hair, purple eyes and had purple angel wings and had a purple gem in the middle of her forehead and had purple clothes.

Me: (GASP) Amy Amethyst!

Amy Amethyst: Awesome to see you again J.D. Can't wait to smash some skulls with my whip and hammer!

Nico: You got that right! And you're the Amethyst Gene-slammer.

Amy Amethyst: Yep.

Kaito: (gets out ToQger gear) Did Swartz promise you anything?

Zocks: (Gets out Kyoryuger gear) Because we can grant it instead.

Kaito got a ToQger Sword and Zocks got a Dino Charge Blaster.

Amy Amethyst: No I bashed his head in with my hammer after he put this ridewatch in me.

Me: OUCH!

Eli: Nice one!

Laney: Yeah!

Me: Well done. Sorry we have to fight like this though.

Amy Amethyst: No worries. Come at me and don't hold back.

She turned into Another Puppetmon!

Sougo: (gets out ToQger Ridewatch) Can you tell us more about yourself?

Geiz: (gets out Dino Charge Ridewatch) Besides your hammer?

Sougo got ToQ1gouArmor while Geiz got DinoChargeRedArmor.

Another Puppetmon: I like working on puppets and I also like to work on dollhouses.

Lola: That is cool!

Sougo: Awesome!

Me: You guys would love her work.

Xenia: Wow!

Nico: Top this! (ACTIVATES PUPPETMON'S RIDEWATCH) (ECHOING) PUPPET PUMMEL!

He smashed the ground and fired a blast of fire and smashed her down.

Nico: And this! (ACTIVATES CYBER CAT'S RIDEWATCH)

He fired waves of energy and smashed her down.

May: And this one! (ACTIVATES KASUMI CLONE AND STONE HEAD'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Maria: This will be fun. (ACTIVATES EVIL PERSEPHONE AND PHANTOM PUPPET MASTER'S RIDEWATCHES)

She fired waves of energy and blasted her down!

Hanon: And this too! (ACTIVATES CYBER CAT'S RIDEWATCH)

She fired waves of energy and blasted her down.

Then Marionette Shadow, Two-Face, Rubber Bandit, Elements Fire Finn, Water Elementor and Nereida de Danann then came.

Nico: Nice team Marionette Shadow!

Qin: Yeah!

Marionette Shadow: Thanks guys!

Me: This will be fun.

Nico: And I see you got one of the Elementors too.

Marionette Shadow: Yep I sure do.

Qin: Yeah!

Water Elementor: This will be so awesome and cool.

Lola: Yep.

Maria: Now, where's the next Gene Slammer?

Then we saw a Volcarona appear.

Qin: Cool! A Volcarona!

Xenia: Awesome!

Volcarona: (In a girls voice) (Japanese Accent) It is a most fun and awesome thing for me.

Qin: Sakura Sakurajima!? WHOA!

Nico: Awesome!

She reverted back and was a girl with orange hair and had orange and black clothes and she had orange and black butterfly wings.

Sakura Sakurajima: This will be most fun and it's good to see you again Qin and you as well Nico. I got this.

She fired a wave of fire and blasted her down and I caught the Ridewatch and purified it.

I brought Amy over.

Qin: YEAH!

Sakura Sakurajima: That was awesome!

Hanon: What's your favorite memory of Nico?

Sakura Sakurajima: My favorite is when me and Nico discovered an amazing blue lava volcano in Thailand.

Nicole: Whoa! Kawah-Ijen in Java is blue lava because of Sulfur. That must be a massive sulfer volcano.

Sakura Sakurajima: It is. We found amazing and beautiful crystal specimens in it and presented them to the world and everyone was amazed by them.

Me: That is really cool.

Lola: Yeah!

Nico: Yep.

Nico and Sakura hugged.

Nico: I've really missed you Sakura.

Sakura Sakurajima: Me too Nico. Me too.

And after the proposal is made, we're also going to hunt down another old enemy of mine: his name is Corbin Sullivan, he's an evil bloodthirsty thug who enjoyed causing so much pain and suffering to everyone around him, and he's also a very dangerous criminal who caused terror to all of Colorado, that was until I stopped him and had him sent to prison seven years ago before I moved to Michigan. But, now years later, Corbin Sullivan's broken out of prison and he wants revenge on me, and it was due to The Legion of The Lincoln-Haters' leader, Brianna Greyson, she was the one who broke him out, and she's already falling into madness after seeing the deaths of some of her gang.

Lincoln: Whoa, we're back in Orchid Bay, and I know what we're going to do here, not only am I going to rescue the fourteen girls here, but we also got trouble. J.D., are you familiar with someone named Corbin Sullivan?

Me: (GASPS) Corbin Sullivan, that bloodthirsty thug's back?! I thought I was rid of him for good.

Varie: Same here.

Nico: J.D., you know about him?

Me: I unfortunately do, Nico. Corbin Sullivan's an evil bloodthirsty thug who enjoyed causing so much pain and suffering to everyone around him, and he's a very dangerous criminal who caused terror to all of Colorado, that was until I stopped him and I had him sent to prison seven years ago before I moved to Michigan, and now years later, we get the word Corbin Sullivan's broken out of prison and he wants revenge on me. How the hell did he break out?!

Lincoln: Anna told me it was due to The Legion of The Lincoln-Haters' leader, Brianna Greyson, she was the one who broke him out, and she's already falling into madness after seeing the deaths of some of her gang.

Tayuya: That fucking monster bitch, I hope you and Lily give her the ass-kicking she deserves.

Randy: Before she does something else to piss you guys off even more.

Lincoln: We just need to be patient, Randy.

Rayman: Lincoln, can we swing by June's house? There's something that I need to do.

Lincoln: Uh, okay.

Nico: Hmm, what is he planning on doing?

We swung by Juniper Lee's house, and we rung the doorbell, and we saw Juniper Lee's parents, along with her paternal grandmother, Jasmine Lee, the former Te Xuan Ze, and we were also greeted by her brothers, Ray Ray and Dennis, and we were also surprised to see June's friends here too.

Me: Whoa, this is quite a gathering.

Nico: Yeah. Something's up to have a gathering of June's family and friends.

Juniper Lee: You said it. Rayman, why's everyone gathered here?

Rayman: So, that I can do this.

Just then, Rayman faced Juniper Lee and he got down on one knee, and we knew what this gesture was: RAYMAN'S GOING TO PROPOSE TO JUNIPER LEE, AND THIS MEANS THAT HE WAS THE ONE WHO INVITED HER FRIENDS AND HER GRANDMOTHER OVER.

Rayman: June, since the day we first met two years ago, I developed feelings of love for you, but I had to wait until the day came to finally tell you the truth, and that day came when we went after that witch, Auntie Roon. But, over time, those feelings have grown, and now, I want to take this one step further.

Then, Rayman took out a small black box he had behind his back, and he opened it, and inside of the box was a beautiful silver ring with a large purple and hot pink gemstone in the center with a dragon and phoenix surrounding the gem and a sash on the gem that said: "Rayman and Juniper Lee, Brave and Strong Heroes United By True Eternal Love". Juniper Lee saw it, and she was stunned.

Rayman: Juniper Lee, will you marry me?

Everyone gasped in surprise, and our jaws also dropped to the floor when we saw it.

---

Ray Ray: You guys keep that up, you're going to catch flies!

Me: So, that's why… !

Lori: He wanted to head over to June's house, so that he can propose to her!

Nico: And right in front of her family and friends! (Tears in his eyes) That really is so awesome!

Lincoln: You said it.

Suddenly, Juniper Lee had tears in her eyes and a smile on her face.

Juniper Lee: Yes, I will, Rayman!

Juniper Lee's parents and grandmother and her friends all had tears in their eyes and a smile on their faces as Rayman then got up and he put the ring on Juniper Lee's finger as they hugged and kissed passionately, and we all cheered wildly.

Jasmine Lee: This is truly a wonderful and truly lovely moment, my granddaughter is going to be married to the legendary Hero of The Glade of Dreams, you all must be so proud of them both.

Me: We sure are.

Ray Ray: Oh, we also got word some mean creep is here.

Nico: That would be Corbin Sullivan.

Rayman: We're not letting him leave here alive. J.D., those crimes that he did, did they warrant him getting sentenced to death?

Me: Yep. So, you know what this means?

Lincoln: Now that he's broken out before he could meet his doom, we have to make sure we do just that.

We headed outside, and suddenly, we were met by Alien Mars, and with Alien Mars is the fourteen girls.

Juniper Lee: Alien Mars? But, how on…?

Alien Mars: (Girl's voice) Sorry about that, but I managed to get the girls away from that thug, and I also made sure to give him a case of butt burn.

Lincoln: (GASPS) That voice, Selina Almenara, I knew it was you.

?: (ENRAGED SCREAM) J.D. KNUDSON!

We heard an enraged scream and we saw who it was heading our way, it was Corbin Sullivan, he was a male with black hair, black eyes full of hate, tanned skin, and dressed in a red prison jumpsuit, and man was he mega pissed off.

Me: I see seven years haven't dulled out your hatred, and nothing's changed in that time including your bad breath and B.O.!

Rayman: If he thinks he can come here to take revenge on you, he's completely sick in the head.

Varie: He's always been sick in the head. I thought we were finally rid of you for good after J.D. got you expelled.

Corbin Sullivan: That was until Brianna Greyson broke me out, and now, I WILL KILL YOU IF IT'S THE LAST THING I EVER DO!

Luna: It's going to be the last thing you do, dude! 'Cause you got a date with The Grim Reaper!

Luna fired a powerful blast of water which hit Corbin Sullivan and drenched him.

Laney: And you clearly needed a shower!

Nico: J.D. was right though, nothing's changed ever since he threw your ass in death row, including your bad breath and B.O.

Sylvester: Well, now that he's clean, we better put him out of his misery.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal

they hit him.

Then, Lincoln fired a blue energy blast which hit Corbin Sullivan, and he was obliterated in a second and sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Nico: WHOA! That energy blast you fired was really powerful!

Lincoln: This is from when we absorbed the Drej and the Drej Queen yesterday, it gave us a massive power and energy increase.

Me: Yeah, that's right, and Rayman made his marriage proposal to June, and we'll be having the wedding very soon.

Rayman: And like with many weddings, our wedding will be at the church at Cloudsdale, and June's bringing her family and friends.

Juniper Lee: And you're bringing your friend, Globox, along with Betilla and the other nymphs, who happen to be in Lincoln's harem, so that means, you're going to be Lincoln's brother-in-law when they get married in the future.

Nicole: She's right on that. But, at least, we're rid of another of Dad's enemies.

Lincoln: You got that right. (To Selina Almenara) And it's so good to see you again, Selina Almenara.

Selina Almenara reverted back to normal, and she's a very beautiful and super sexy girl with long crimson red hair, crimson red eyes, she was tall at 7'0" in height, she has the body of a goddess, and large breasts, fair skin, she has massive and beautiful crimson red angel wings, she's dressed in a sleeveless crimson red crop top, crimson red skirt, necklace with crimson red gem for the pendant, crimson red bridal gloves, crimson red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with flames, aliens, and angels on the coattails and on the back is Alien Mars, and holstered on her back is a massive Alien Mars-themed greatsword with embedded red gems and Alien Mars etched on the 7'0" massive, wide, double-edged crimson red blade, large sky blue dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with crimson red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large crimson red gem on the bottom of the large white angel heads for the pommel.

Selina Almenara: You too, Linky, it's been a long time.

Lincoln went up to Selina Almenara and he hugged her, and Selina Almenara is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selina Almenara: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Nicole: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, Nicole, this is Selina Almenara, Gene-Slammer of Alien Mars, she's my Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic fire powers, immense body heat, and immortality, and like I said yesterday: Selina Almenara's known as an Pyrosapien, an alien from the fiery planet Pyros in the Virgo Supercluster, and they're a really powerful race of warriors who've defended their planet from invaders for countless eons.

Just then, Shanan appeared.

Shanan: Yep, they look human in appearance, but what marks them out is that they have red hair, red eyes, and red angel wings, plus, their true form is really beautiful, they have red sclera and they have red flame tattoos covering their hands and forearms and feet, and the clothes that they have on transforms into a red flame two-piece bikini, which is their real outfit, and they also have quite an extremely powerful sexual drive. Pyrosapiens have a powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also happens to have a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Selina, the one who fit that role was Lincoln.

Luna: And she and Lincoln have also more than once engaged in their fair shares of making out and kissing, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, she's going to want to take it much further, but he's ready for it, and she hates all perverts with the same vengeance as Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them and leaves a burn mark on their backs warning them if they step out of line, they will be burned.

Nicole: Just like what your brother told us yesterday.

Selina Almenara: And I know Lincoln's going to mark me, but before he does, let me show you all my true form.

Suddenly, Selina Almenara transformed into her true form as the sclera of her eyes turned red and she has red flame tattoos covering her hands and forearms and feet, and her clothes morphed into a red flame two-piece bikini, which is her real outfit.

Fabia: So, that's her true form, wow.

May: She looks even more beautiful in her true form.

Suddenly, Selina Almenara went up to Lincoln, and she wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which brought an atomic red blush to Lincoln's face, and he suddenly wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Suddenly, Selina gave Lincoln a passionate kiss on the lips as she moved her arms and placed her hands on Lincoln's massive pecs, and they suddenly engaged in a French kiss. Suddenly, we saw Lincoln's veins glow red and when they were done, Lincoln still had a massive red blush on his face and hearts in his eyes.

Nicole: What was that?

Shanan: I think I know what that was: when Pyrosapiens engage in a passionate make-out with their chosen mate, they give them a special gift: their French kissing resulted from her marking Lincoln as her chosen husband hence the glowing red veins on his body, and that also increased his superhuman physical and mental abilities along with getting a massive power and energy increase, and increased his hyperpuberty along with increasing the effects of Becky Long's Virility serum and the super soldier serum that were in his body, along with his body heat.

Me: (Whistles)

Nico: Oh man.

Lincoln: It's okay, Nico. Now, then, I think it's my turn to mark you.

Suddenly, Lincoln hugged Selina Almenara in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selina Almenara: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selina Almenara's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Selina Almenara: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selina Almenara.

Selina Almenara had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw who they were, he immediately recognized them. The fourteen girls are Saki Hanahara, Youko Himenokouji, Mio Kuroha, and Sariko Aya from Zgirls, Utau Hoshina, Rima Mashiro, Yaya Yuiki, and Lulu de Morcerf Yamamoto from Shugo Chara!, and Kyouko Inaba, Yukime, Ritsuko Takahashi, Miki Hosokawa, Noriko Nakajima, and Izuna Hazuki from Hell Teacher Nube.

Lincoln: Oh wow, it's Saki Hanahara, Youko Himenokouji, Mio Kuroha, and Sariko Aya from Zgirls, Utau Hoshina, Rima Mashiro, Yaya Yuiki, and Lulu de Morcerf Yamamoto from Shugo Chara!, and Kyouko Inaba, Yukime, Ritsuko Takahashi, Miki Hosokawa, Noriko Nakajima, and Izuna Hazuki from Hell Teacher Nube.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Saki Hanahara: Yes, we're okay, thanks to you.

Then, when Saki Hanahara and the other thirteen girls saw who it was that saved them from Corbin Sullivan, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His

Saki Hanahara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Saki Hanahara: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Saki Hanahara, Youko Himenokouji, Mio Kuroha, Sariko Aya, Utau Hoshina, Rima Mashiro, Yaya Yuiki, Lulu de Morcerf Yamamoto, Kyouko Inaba, Yukime, Ritsuko Takahashi, Miki Hosokawa, Noriko Nakajima, and Izuna Hazuki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were surprised to hear Rayman has proposed to Juniper Lee which she accepted and they also cheered, and they were shocked to find out the villain we went after was another old enemy of mine named Corbin Sullivan, a bloodthirsty thug and very dangerous who enjoyed causing so much pain and suffering to everyone around him and caused terror to all of Colorado, that was until I stopped him and had him sent to prison seven years ago before I moved to Michigan. But, seven years later, Corbin Sullivan broke out of prison and he wanted revenge on me, and this was due to The Legion of The Lincoln-Haters' leader, Brianna Greyson, who was the one who broke him out, and she's already falling into madness after seeing the deaths of some of her gang.

But, when Lincoln showed what we did in brutally beating that asshole thug into the ground and then Lincoln finishing him off by firing a very powerful energy blast that obliterated that thug and sent him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Selina Almenara have a lot of catching up to do, now that she's back in town.

Maria: Looks like we got another wedding coming up soon, and we got rid of another old enemy from J.D.'s past.

Lincoln: Yeah, you said it.

Nico: We're happy Rayman and June are getting married soon, and I was surprised to hear that he's the one who called all of her friends and family together for that moment.

Me: He planned this all along, that's why he said he wanted to stop at June's house, so that way, he can make sure everyone there heard his marriage proposal to June.

Juniper Lee: I admit I was stunned, but he did want to take that next step, and it paid off.

Eli: Hope Ray Ray can keep himself out of trouble while the wedding takes place.

Rayman: I'll keep him out of trouble, along with Dennis.

Juniper Lee: Yeah, we'll make sure they behave themselves at the wedding. Besides, Rayman had to more than once teach Dennis a lesson in what it means to be a responsible older sibling.

Lori: Don't tell me he…?

Juniper Lee: Yeah, he was like you when you still had Dark Lori inside you, and Rayman resorted to using wrestling moves on Dennis, and he always came out on top, and Dennis complained that he didn't have any limbs. But, when Rayman took off his coat, Dennis went pale when he saw Rayman had limbs and a neck, which was a result of his transformations.

Nicole: (Snickers) I would've thought Dennis would use magic on him, but Rayman being an expert on magic himself outsmarted him.

Juniper Lee: Ah Mah was impressed, and she had quite a laugh when she saw the match.

Lincoln: Looks like Dennis had gotten a serious lesson in treating his siblings with respect.

After destroying Corbin Sullivan, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selina Almenara saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selina Almenara: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter

as well.

Selina Almenara: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Selina Almenara: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Selina, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Selina Almenara: I do have a video of one memory, it was with me and Lincoln at Lake Huron.

Selina Almenara pulled up a video and it played on the screen, and it showed Lincoln in large orange swim briefs and Selina in her true form and wearing her red flame two-piece bikini, and they were enjoying a day of fun.

?: TTTTTTWWWWWWEEEEERRRRRPPPPPP!

BBBBBBBBBBUUUUUURRRRRRRRRPPPPPPPPP!

Past Selina Almenara: What the heck was that?!

Past Lincoln: Ugh, I'd recognized that shriek and loud belch from anywhere, it's Lori and Lynn, and it sounds like they're on the rampage again!

Selina and Lincoln got up from the sand, and they saw Lori and Lynn come out with red eyes of hate and Lynn was foaming at the mouth, and Lori had a knife in her hand.

Past Lincoln: This again, you two! Looks like I need to knock you two down again!

Past Selina Almenara: No, Linky, I got this.

Selina Almenara fired two powerful red fire blasts which hit and knock out Lori and Lynn, and then, she fired red energy blasts which tied them up, and she kicked them so hard, she sent them flying back to The Loud House.

Past Lincoln: Whoa, now that was so awesome!

Past Selina Almenara: No one's messing with my man, especially not that control freak windbag and that superstitious, aggressive, belching, farting, smelly gym-bag.

Selina and Lincoln kissed as the video ends.

Nico: Whoa, so you kicked Lori and Lynn's hides and burned them, that was so awesome!

Luna: They messed with the fire alien chick, and they went down hard.

Me: And Lincoln told us of what Lori and Lynn tried to do, and as a result, they got grounded for ten weeks, and Selina personally threw Lori into a cage in her room and she threw Lynn into a container in her room. Lynn roared with anger and banged on the door trying to get out, but she gave Lynn the finger and that caused her to roar again and beat her chest like a gorilla.

Nico: Dang! And those insults she flung at Lori and Lynn really stung.

Laney: They sure did, and she was right to fling those insults at Lori and Lynn, we were getting tired of Lori's control freak attitude along with Lynn's violent and aggressive nature. Someone other than Lincoln needed to put those two in their place or it was going to get ugly.

We got a shower, and then, Lincoln, Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen are heading to Aquarium Park.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Gabrielle Reeve has sent some thugs to kill them.

Shinobaroness Peacock: Wow, so this is Aquarium Park, it truly is beautiful!

Lincoln: It sure is, Shinobaroness Peacock, and it's perfect for our first date. Shall we?

Lincoln, Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Gabrielle Reeve's hired thugs coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen, and they hugged the girls in their abnormally massive and powerful muscular arms, and Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Aquarium Park, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen are now in your harem.

Alexis: Just like when Syrus fell in love with Dark Magician Girl. You know, I wouldn't be surprised if any of the female Duel Monsters we know have also wound up falling in love with Lincoln.

Tania: Same here.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Shinobaroness Peacock, Amazoness Empress, Dragon Core Hexer, and Teardrop the Rikka Queen, now he's really going to get it.

Lincoln: And we also had a run-in with Gabrielle Reeve's hired thugs, but I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Gabrielle Reeve scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and we're continuing to drive Brianna Greyson insane with rage, but come the day we get after her, she'll suffer for everything she's done before we end her for good.

* * *

We were watching TV and then Hokuto Dan came.

Pumpkin Cake: Hey, Hokuto. Where are you going?

Hokuto Dan: I've been hired as security for the museum.

Pound Cake: Why?

Hokuto Dan: The owners think there's gonna be a break in.

Me: We better go too just to provide some extra support too.

Nico: I was just about to say the same thing.

Hokuto Dan: Lets go then guys.

We went to the museum.

---

We arrived at the museum.

Cold Forecast: Here we are.

Me: I always love coming to the museum.

Twilight Sparkle: Me too.

We went in.

Nico: The Museum is always awesome.

Laney: It sure is.

Lisa Loud: And I admire coming here too.

Nico: Where's the thing that's supposed to be the target?

Hokuto Dan: Over here.

We followed him and saw a beautiful painting of a familiar face.

Me: Wow that's the painting of Haruka. I remember seeing this painting.

Nico: It sure is awesome.

Lola: It's beautiful.

Nico: It sure is.

Qin: Haruka looks great in a painting.

Camie: She sure does.

Lola: Yeah.

Eddy: Let me go to the bathroom.

Luan: Sure that's a good idea?

Eddy: Relax, babe. What can possibly happen while I'm doing my business.

Me: When you got to go you got to go.

Eddy went to the bathroom.

I snapped some photos of the painting and it was awesome.

Nico: I'd like to see someone steal this while we're all here!

Me: With us guarding it, it will be like trying to get passed all the security of 100,000,000 Fort Knox's.

Nico: Yep.

Then I saw a figure camouflaged in the wall and I used a magnet blast and pulled him to us.

Me: Nice try.

It was a random thief blended into the wall.

Nico: Okay. That was a random thief.

Me: You were right though Hokuto.

Qin: Nice catch though.

We stood back on guard.

Eddy came back.

Eddy: Hey guys. What I miss?

Me: Random thief caught. I busted him.

Eddy: Oh. Okay.

Nico: Seriously, who would be fucking stupid to try and steal this painting in front of us.

Me: Yeah you would have to have a death wish to steal this painting.

Nico: Yep.

Qin: I agree.

Suddenly, the power in the museum went out.

Me: Uh oh!

People screamed and I used Light Kirby's light power to send a flare to light it and then I caught someone trying to steal the painting!

Me: AHA! Caught ya red handed!

Then I recognized her and it was Mizuho Ijuin! She was dressed in a black cat suit like catwoman and she was really stealthy and craftt

Me: (GASP) (In my head) That's Mizuho Ijuin! I remember her! And I feel really bad for her because she lost her boyfriend.

Eli: Mizuho Ijuin?

Mizuho Ijuin: Team Loud Phoenix Storm?

Me: Your cat suit is amazing. Like a true cat burglar.

Catwoman: Except you're not true cat burglar like me.

Hokuto Dan: Ok. Put down the painting nice and slow.

Mizuho Ijuin: Oh, I'll put it down. (does just that) Just so I can knock you unconscious! (Throws a punch at him)

I grabbed her arm.

Me: Mizuho listen. Do you think stealing the painting of our friend Haruka will bring your boyfriend back? Do you think it will help you?

Kagakuki: Unlike the others, and the first time, I really do think I'm in control of this. Now, we don't have to fight. Just let me get my painting and you guys can go find your next Gene Slammer.

Hokuto Dan: I have a better idea. DynaRed!

He turned into DYNARED!

Me: Sorry Mizuho but we don't back out of fights! Especially when we have friends with us. (SNAPS FINGERS)

I teleported the Donbrothers to us!

Taro: Kagakuki!? Oh man!

Tsubasa: Mizuho! Not again!

Kagakuki: (to Tsubasa) Why don't you help me on this, Tsubasa? You did before.

Taro: Tsubasa, no matter what you choose, you'll always be our companion.

Tsubasa: And I choose to fight for good.

Me: He already redeemed himself. But you can do so now!

I fired a beam of light and separated her from Kagakuki!

Mizuho: (GROANS) What happened?

Me: Ugly story. But how would you like to be a Donbrother instead of a criminal?

Mizuho: I would like that.

Me: Awesome.

Kagakuki attacked us with 5-color explosive attacks.

I fired a blast of energy and the blasts collided and exploded with incredible power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted everything all over! The museum was protected in a force field.

Nico: WHOA! What a warzone!

Lola: YEAH!

Taro: This is awesome!

Nico: YEAH!

Me: This guy has one nasty explosive personaiity!

Kagakuki: Because MY ART IS AN EXPLOSION!

Me: Hey that line is only for Deidara! And he was more fucked up than you!

Mizuho: Lets see what I can do.

She fired waves of flower disks and slashed Kagakuki all over the place!

Me: WHOA! That was awesome!

Kagakuki fired explosive projectiles from her hands at Hokuto.

He dodged them and I fired energy blasts and they hit the explosive projectiles and massive fiery explosions blasted out!

KRABBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOMMMM!

KRABBBBBOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMMMM!

Fires erupted out all over the place and blasted everything all over.

Qin: WHOA! Whoa! This is epic!

Lola: YEAH!

Kagakuki then fired more explosive energy blasts!

Me: STRONG AS A TREE!

I formed an earth sword and formed a tree wall and the blasts hit it and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then fired numerous waves of explosive fruits and blasted him all over the place in fiery explosions!

KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMMM!

Nico: WHOA! That was awesome!

Hokuto charged at him. He then rammed him down and blasted him all over!

Me: EVERCHANGING AS THE WIND!

I got a tornado sword and fired a wave of wind and blew him around in a cyclone!

Lola fired a blast of fire and burned him in it! Kagakuki fell to the ground and smashed into it!

SMASH!

Tsubasa: Avatar Change!

He turned into the Black In Space Ranger!

Tsubasa fired wave of energy and blasted him all over the place!

Me: YEAH!

Cybertron Scourge: This is getting explosive!

Nico: Boy it sure is!

BUT THEN KAGAKUKI EXPLODED INTO A BALLISTIC RAGE! HE THEN FIRED NUMEROUS WAVES OF EXPLOSIVE ENERGY AT US AND I FIRED NUMEROUS BLASTS AND THE BLASTS ALL COLLIDED AND EXPLODED ALL OVER THE PLACE WITH INFERNAL FURY!

KRABBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOMMMMM! KRABBBBBBOOOOOOMMMM!
KRABBBBBOOOOOOOMMMMM! KRABBBBBBOOOOMMMMM!
KRABBBOOOOOOMMMM!

KRABBBBBBBOOOOOOOOOMMMMM! KRABBBBBBOOOOOOOMMMM! KRABBBBBBOOOOOOOOMMMM! KRABBBBBBBOOOOOOOOOOMMMMM! KRABBBBBOOOOOOOOMMMM! KRABBOOOOMMM! KRABBOOOMM!

FIRES WERE BREAKING OUT ALL OVER THE PLACE AND MASSIVE TOWERING WALLS OF FLAMES WERE BURSTING OUT!

We absorbed a lot of fire and I fired waves of energy and blasted him all over the place.

Me: WHOA! HE IS REALLY MAD NOW!

Nico: Knew he had an explosive temper!

Me: Me too!

Qin: YEAH!

I fired waves of energy and the blasts hit him as fiery explosions blasted him all over!

Eli: Take that bomb boy!

He got up and was enraged!

Me: Come on you explosive son of a bitch!

Maria: You need to cool off!

But then Kagakuki WENT ALL OUT! HE FIRED A MASSIVE AND UNBELIEVABLE FULL SCALE EXPLOSIVE ASSAULT! HE FIRED LASERS, ENERGY BLASTS AND ENERGY BALLS AT ALL OF US AT AN INCREDIBLE RATE! HUGE MASSIVE AND POWERFUL FIERY EXPLOSIONS BLASTED EVERYTHING ALL AROUND US AT AN INDISCRIMINATE RATE WITH INCREDIBLE AND BRUTAL SAVAGERY AND FURY! EVERYTHING AROUND US WAS GOING UP IN FLAMES AS EVERYTHING WAS ERUPTING INTO A MASSIVE RAGING INFERNO!

IT WAS TONS AND TONS OF MASSIVE FIERY EXPLOSIONS AFTER THE OTHER!

But then he stopped and everything was burning and on fire!

WE WERE COMPLETELY UNSCATHED AS HE SAW US ALL PROTECTED IN A FORCE FIELD MADE BY NICO!

Me: GEEZ!

Nico: Cute. My turn.

Nico fired a massive barrage of energy blasts and blasted him all over!

Me: YEAH!

Qin: Boy this guy really is trying to destroy everything!

But then a Hydreigon came!

Me: Whoa a Hydreigon!

Qin: Cool!

Hydreigon: (In a girls voice) Take this you freak!

She fired a massive energy wave and it hit Kagakuki and exploded!

Me: WHOA!

Nico: Alice Hartman! WHOA!

Qin: Awesome!

Hydreigon: We can catch up later guys! Hurry before he destroys everything!

Swoop: No need to tell me Swoop twice!

Kagakuki: YOU WILL NOT DO SO TO ME SO EASILY!

Then he started to glow in an ominous red!

Me: (GASP) OH NO! He's turning his life force into energy! He's making himself into a bomb! He's going to try and blow himself up and take us with him!

Kagakuki: This will be my ultimate piece of art. This time I'm going to detonate myself.

Me: You're fucking insane!

Kagakuki: In death I shall become art itself! No one's seen an explosion like this! One that shall leave behind a scar on the very Earth itself! And then I'll receive more admiration for my art than anyone has ever seen before!

Me: You'll blow yourself up for nothing! We can't die that easily!

Kagakuki: But while I'm being admired you and all of this pathetic city will be dead!

Me: WHAT!? ARE YOU OUT OF YOUR FUCKING MIND!?

Kagakuki: This explosion will cover 3,000 miles and you can't run away from this!

Me: YOU'RE OUT OF YOUR FUCKING MIND! YOU'RE GOING TO DESTROY THE ENTIRE PLANET!

BUT HE WASN'T BLUFFING AND DIDN'T CARE ONE BIT!

Kagakuki: Tremble! Be afraid! Recoil in despair! Cower in awe! And cry your heart out, because my art…

Me: Is an explosion! Yeah yeah yeah! I've heard it a million times! Burn in hell!

I then formed a force field around him and contained him and hurled him into the sky.

He then detonated harmlessly! HE EXPLODED WITH UNBELIEVABLE POWER!

***SUPER MASSIVE UNBELIEVABLY POWERFUL FIERY EXPLOSION OF UNIMAGINABLE POWER!***

THE EXPLOSION WAS SO MASSIVE, SO POWERFUL AND SO DEVASTATING THAT IT SHOOK THE ENTIRETY OF THE CITY TO THE VERY CORE!

When it was done the explosion faded into nothing and was gone. I caught the gear.

Me: GEEZ!

Qin: WHOA!

Lola: THAT WAS CLOSE!

Nico: WHOA! That was too close for comfort!

Me: First time we've had a Hitotsuki blow himself up like that!

Sononi: (to Mizuho) FYI, Tsubasa is MINE.

Tsubasa: Say what?

Mizuho: I knew he was dating you Sononi.

Tsubasa: I remember that.

I went over to them.

Me: Are you all okay?

Taro: Thanks to you J.D.

Nico: Boy this was explosive!

Me: Boy Deidara and Kagakuki would make an awesome demolition duo.

Nico: That they would.

Fu: In the M.O.E. With RTN Deidara and him.

Me: Yep.

Maria: And the painting's fine.

Me: Thank goodness.

We fixed the city.

Me: Boy that was one explosive battle.

Lola: Yeah.

Hydreigon reverted back and Alice Hartman was a girl with blond hair and blue eyes and had black clothes and had red angel wings.

Alice Hartman: Boy that was awesome though.

Mizuho: It sure was! Thanks for saving my painting guys.

Me: No problem.

Haruka: I do look nice in that, huh?

Me: You sure do Haruka.

Qin: I'll say.

Nico: That is for sure.

Alice Hartman: I agree there.

May: Yep. What is your favorite memory with Nico?

Alice Hartman: Where me and Nico were bashing and pulverizing the people of South Park.

Me: WHOA! Man I hate that show! Eric Cartman and his friends were a bunch of stupid fucked up sociopathic douchebags.

Nico: They sure were! South Park is gone forever now. (To the viewers) Sorry South Park Fans.

Me: It's for the best.

Nico and Alice hugged.

Nico: I've missed you Alice.

Alice Hartman: Me too Nico. Me too.

Tsuyoshi: So, what do we do with the painting?

Me: We'll keep it safe in the museum.

We decided to use the very same security measures for the Declaration of Independence in the National Archives like in National Treasure.

Taro: Very clever.

Me: Yep. Thanks for helping us again Taro.

Taro: Anytime guys and Mizuho will make an awesome addition to the Donbrothers.

Me: Yes she will.

They teleported back to Japan.

Elena: I hope that catsuit of hers isn't tight.

Me: Me too.

Nico: Now lets get ready for our next mission.

We went back to the estate.

We were getting ready.

Me: I hope our next mission will be awesome and fun.

Lola: Me too.

Qin: Yeah.

The previous group came.

Vypra: We saw the massive battle you guys had! That was amazing!

Me: WHEW! Boy it sure was! That was incredibly explosive!

Nico: Boy it sure was!

Lola: That was the most explosive Hitotsuki battle ever.

Xenia: Yeah it sure was!

Vypra: Can me, Dai Gui, General Schwarz, Zavok, Evil Seed, Mirror Master, Metal Sonic, Marionette Shadow, 10,000 Volt Ghost, and Hydrax go with you guys?

Nico: Yes you all sure can.

Sunset Shimmer came and she was dripping sweat like crazy and had running track clothes on.

Sunset Shimmer: Hey guys. What did I miss?

Me: A Lot Sunset.

Vypra: You exercising Sunset?

Me: Oh Sunset is training really hard for the upcoming Gotham Royal York Triathlon next week. She is my partner for the event and I set it all up to be fun and awesome.

Lily: Cool!

Nico: Good luck to that you two.

Me: Thanks. But we'll worry about it later.

Nico: How long is the Triathlon?

Me: It goes all around some of the major buildings, the rest stop is Lynn's table for lunch and rehydration, and the finish line is at the base of the World Tree Estate.

I showed a map of the route. The last part of the route is where the battles for it will take place. The first part of the route is for an awesome obstacle course and the second part is rescues of a hazardous obstacle course and the rest stop is Lynn's Table and the last part is a special battle.

Nico: COOL!

Qin: That is going to be an awesome one!

Sunset Shimmer: But I'm really looking forward to it.

Nico: Yeah!

Junk Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: You'll like this one! Cobalion, Virizion, Terrakion and Keldeo.

Me: Cool! The Legendary Swords of Justice themselves.

Qin: That is gonna be cool!

Lola: Yeah!

Nico: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was self-proclaimed Master of Fear, Professor Screweyes, and he's planning on putting Rex and his friends into his circus. When we saw it, we all knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got a huge emergency, Nico. I just had a vision, and I saw who it is that we're going to confront today: it's self-proclaimed Master of Fear, Professor Screweyes, and he's planning on putting Rex and his friends into his circus.

We gasped in shock.

Me: That paranoid monster from We're Back: A Dinosaur Story is causing trouble by trying to put Max and his friends into his circus?!

He's going down big time.

Nico: You bet he is, we'll show him what real fear is all about.

Lincoln: We already taught that lesson to Jonathan Crane A.K.A. Scarecrow, and he paid the price for it and got sent to The Black Gates yesterday, and now, we're going to make Screweyes experience real fear.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Gabrielle Reeve of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Gabrielle Reeve of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Beatrix Yates: While you and I deal with Gabrielle Reeve and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Gabrielle will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we're off to meet Max and his friends and put a stop to Professor Screweyes once and for all.

Lincoln: That self-proclaimed Master of Fear is about to get a dose of real fear, and once we get done with Professor Screweyes, you're next, Gabrielle Reeve.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Beatrix Yates: No way are we forgiving you for any of your actions, Gabrielle Reeve, you better be ready to pay the price for your foul misdeeds right after we destroy Professor Screweyes.

Nico: First we'll watch the movie We're Back! A Dinosaur Story and then we'll figure out where to go from there.

Me: Good idea.

Lola: I'll get us the popcorn.

Me: Okay.

We went and got ready.

Nico: Actually I'm going for Not just Cobalion, Virizion, Terrakion and Keldeo. But I'm also going to go for Tornadus, Thundurus, Landorus, Zekrom, Reshiram and Kyurem.

We gasped!

Me: WHOA! Three sets of Legendary Pokemon in one day!

Nico: That's right. The Swords of Justice on my rescue, The Forces of Nature on Matau's Final Mission and the Tao Trio on the time before the mission.

Lola: Wow!

Littlefoot: Is Rex anything like me?

General Schwarz: Well, how about you just watch with us?

Littlefoot: Okay.

We got to watching the movie.

---

In present-day New York City, an Eastern bluebird named Buster runs away from his siblings and he meets an intelligent orange Tyrannosaurus named Rex, who is playing golf. He explains to Buster that he was once a ravaging dinosaur, and proceeds to tell his personal story.

A long time ago, Rex was chasing a small Thescelosaurus. Then, A scientist, Captain Neweyes, wants children of the present day to see real dinosaurs from the Mesozoic era. He and his alien assistant Vorb go back in time to collect dinosaurs, give them the cereal 'Brain Grain' to bestow them sentience, and send them to the present day. The dinosaurs Neweyes has collected include an orange Tyrannosaurus rex named Rex, a blue Triceratops named Woog, a purple Pteranodon named Elsa, and a green Parasaurolophus/ Saurolophus hybrid named Dweeb. Neweyes welcomes them aboard his ship, explains his plan to take them to Dr. Julia Bleeb, who will guide them to the Museum of Natural History, and warns them to avoid Professor Screweyes, his nefarious twin brother who causes mischief after having lost his left eye to a crow, several years ago.

Neweyes drops the dinosaurs in the Hudson River in the year 1993 AD, but they are unable to meet up with Dr. Bleeb. They encounter two children willing to help them find the museum - a boy named Louie, who is running away to join the circus, and a girl named Cecilia. To avoid being noticed as real dinosaurs, they pretend to be themselves as animatronics in the Macy's Thanksgiving Day Parade. The illusion falls apart, however, when Rex accidentally deflates an Alamosaurus balloon after performing a musical number during the parade thus blowing their cover. The citizens panic, causing the dinosaurs to flee to Central Park while being pursued by the police and the army.

Meanwhile, Louie and Cecilia meet Professor Screweyes, who is running the horror-themed "Eccentric Circus". Unaware of Screweyes' dark nature, the children sign a contract to perform in his troupe. When the dinosaurs arrive to save Louie and Cecilia, Screweyes devolves the children into mindless chimpanzees using "Brain Drain", pills that are the polar opposite of Brain Grain. The dinosaurs consume the pills, which cause them to lose their intelligence and revert to their natural forms, in exchange for Screweyes restoring Louie and Cecilia to humans and releasing them. The next morning, a clown named Stubbs, who works for Professor Screweyes, informs the two kids about Screweyes' plan to exploit the dinosaurs for their scare potential.

That night, Louie and Cecilia sneak into the circus, where the dinosaurs perform their terrifying act - Screweyes hypnotizing Rex - before the trick is hindered by a crow turning on flares. Rex grabs and prepares to eat Screweyes, but Louie steps in and talks the Tyrannosaurus out of his vengeance. His and Cecilia's impassioned pleas and loving touch restore the dinosaurs' sentience. Stubbs resigns from Professor Screweyes' employment, and Captain Neweyes arrives in his ship to lift the kids and the dinosaurs out of the circus, leaving Screweyes to be devoured by crows, while the crow (that possibly ate his eye), takes the screw, and blows the magic away from the screw. The next day, the dinosaurs spend the rest of their lives in the museum, fulfilling Neweyes' plan, while Louie and Cecilia reconcile with their respective parents and become a couple.

Rex returns Buster to his family, ignoring his brothers' taunts while hugging his mom, and Rex tells him to remember his story, as he leaves for the museum.

We were laughing our socks off and it was funny and awesome.

When it was done we were cheering wildly!

Nico: That was awesome!

Qin: Love that movie!

Camie: Me too! What does it say about Screweyes?

Me: Lets see.

I pulled up his info.

---

Professor Screweyes, also simply known as Screweyes, is the main antagonist of the 1993 animated film We're Back: A Dinosaur's Story, which is based on the 1987 children's book of the same name by Hudson Talbott. He is the evil twin brother of Captain Neweyes and the founder of a scary modern-day traveling carnival known as the Eccentric Circus (also known as Professor Screweyes' Eccentric Circus). This self-proclaimed "Master of Fear" is also the inventor of Brain Drain, a drug which has the opposite effect of the Brain Grain and it drains the intelligence of, and devolves, anyone who uses it, and of the Fright Radio, a radio-like device that is the opposite of the Wish Radio and it transmits the signal, soundwaves, and imagery of all people and creatures through nerves, chaos, paranoia, and (most of all) fear.

He was voiced by the late Kenneth Mars, who also played Vultor in The Adventures of the American Rabbit and Sweet William from Fievel's American Tails.

Screweyes' name comes from the screw that replaces his left eye. In a deleted scene, he explains that he lost his left eye as a child when he was snoozing by a berry bush, and after a berry fell upon his eye, a crow pecked for the fruit, while at the same time, taking his eye. Ever since then, Screweyes decided that the world around him never made any sense and therefore acts accordingly to life's senseless ways by using fear to get his way. Because of his incident, he had a fear of crows, and uses this as his act. This way, even while he fears the crows, they are still under his control.

In the film, the two child protagonists named Louie and Cecilia wish to join his circus not knowing the evil behind it. They eventually find it in Central Park and meet Professor Screweyes. With some manipulation, he gets the children to sign a contract in their own blood (similar to Dolores Umbridge). The dinosaurs arrive to try and save the kids, but they find out that they are too late. Screweyes is initially frightened by the dinosaurs, but when he sees that they are tame and civilized due to his brother's Brain Grain, he is delighted. He thinks that they will be the perfect attraction for his horror circus. He demonstrates his power of hypnosis and the power of his invention, the Brain Drain, on the children, and turns them into dimwitted chimpanzees.

Rex tries to threaten Screweyes to make him change the children back, but Screweyes refuses and cites that the dinosaurs are powerless to scare anything due to taking the Brain Grain. However, Screweyes makes a deal with the dinosaurs; if they take the Brain Drain and become the main attraction in his circus, he will destroy the contract and revert the children back to their normal selves. Otherwise, he'd use them as the Wild Children of Hellzapoppin to scare people in the sideshow. The dinosaurs reluctantly accept his offer to sacrifice themselves for the children and are turned back into their natural wild selves.

When the children awake the next morning and see the dinosaurs, now wild again, caged and chained up behind Screweyes' stage, they form a plan to sneak into Screweyes' circus and rescue them.

After several frightening shows of realistic holograms, lights, and people in suits, Screweyes personally introduces his "main attraction". The dinosaurs are rolled in, chained up on a large cart. Screweyes orders his minions to remove to the devolved Rex's chains around his ankles and hypnotizes him to do his bidding. He orders it to take giant steps which terrifies the audience. Screweyes laughs and arrogantly claims that he has no fear, since he is the self-proclaimed "Master of Fear".

But soon after he says this, a crow flies into the control room and, presumably testing Screweyes' boast, pushes the flares button, which causes the bright lights to break Rex free of Screweyes' hypnotic control, and the devolved Rex, enraged that he has been manipulated, attacks the suddenly frightened Professor and threatens to eat him. However, Rex is stopped by Louie, who is able to revert him back to his human-like state by pleading to his true nature and non-verbally declaring that love is greater than the power of fear. This same effort reverts the rest of the dinosaurs back to their human-like states.

Screweyes is shocked and furious when the audience is not scared but happy and to see his brain drain worn off. His brother, Captain Neweyes, then arrived to take the dinosaurs and the children home. Screweyes' clown named Stubbs arrives to resign from his employ and humiliated Screweyes in the process.

Neweyes offers Screweyes a chance to come with him on his aircraft and reform, but he refuses. At that, Neweyes flies away with the dinosaurs and children.

With both the audience and act gone, Screweyes is left alone in the darkness with only the crows for company. He admits out loud that he (without anyone to frighten) is just a lonely and frightened old man with no real control of fear. And without that control, Screweyes was consumed by his own fear as the crows frenzy around him, devouring him. After the crows flew away, all that is left is the screw from his left eye. Just then the crow that both turned on the flares, and who possibly also took Screweyes' real eye when he was a child, blows away the dark spell on the screw, and takes it with him.

---

When it was done everyone was shocked!

Nico: So he wants to use the dinosaurs in his circus! That is awful!

Lola: No kidding!

Eli: Not on my watch!

Camie: And he lost his eye when a crow pecked it out? That must've hurt!

Nico: Ouch! No fucking lie!

Snaptrap: Let's get going.

Nico: I agree. Lets go!

We were off to New York City.

We went and got ready. Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to meet Max and his friends and deal with Professor Screweyes, and after we get done with him, Beatrix Yates and Lincoln are going to destroy Gabrielle Reeve of The Legion of The Lincoln Haters.

---

We arrived in New York City.

Mirror Master: Good old New York.

Me: Always awesome coming here.

Sailor Equestria: I can't wait to start shopping! I love coming here because this city has everything.

Me: They don't call New York City the Big Apple for nothing.

Juniper Montage: Now, let's not get too carried away

Nico: Besides, we're have plenty of time for fun after we complete our mission.

Xenia: I agree.

Vypra: But it's always fun coming here.

Lola: Yeah.

Emily Lenior Tzeentch: I agree. Also June, Rayman, Congratulations to you two for getting engaged.

CLANG!

Vypra's jaw dropped to the ground and I picked it up.

Me: Vypra don't do that. You're gonna catch flies. But yeah during Lincoln's rescue earlier today Rayman and Juniper Lee got engaged. Threw us for a loop.

Nico: It sure did.

Lincoln: It sure did.

Nico: What about Marcus?

Juniper Lee: He and I will only be friends

Me: That's okay June. Besides you and Rayman have 2 tremendously big responsibilities.

Natilee: Yep and they are to maintain the balance between the Physical and Spiritual planes as well as protect the Glade of Dreams.

Nico: That is true and awesome.

Juniper Lee: But I'm so happy.

Me: We all are.

Poromon: When's the wedding?

Juniper Lee: We're hoping before the Donbrothers Mission.

Me: That works.

Lola: I like it.

Nico: That's in 2 weeks.

Qin: Plenty of time.

Camie: Yep.

Marionette Shadow: And how did you guys like my team?

Me: It was really awesome Marionette Shadow.

Chloe: Looks like mom and her team are next on the rescues.

Qin: Yep they sure are.

Nico: And it will be awesome.

Me: Yep. Wouldn't it be funny if we meet Professor Screweyes is like…

Professor Screweyes: (Offscreen) I HATE THOSE DINOSAURS!

Me: Whoa. Like that.

We then saw a bunch of dinosaurs! We saw Rex and his friends!

Nico: You must be Rex.

Rex: Wow! Team Loud Phoenix Storm it's an honor to meet you guys,

Woog: Boy you guys are awesome! We love all your awesome adventures.

Elsa: Yeah they are awesome and fun.

Me: We get that a lot.

Littlefoot: It's awesome meeting fellow dinosaurs here.

Dweeb: Same here to you Littlefoot.

Maria: How's your day been today?

Rex: We just escaped from Professor Screweyes.

Me: That explains why he yelled that.

Dweeb: Why did he yell like that?

Me: That was very a very iconic line used by Sonic's archnemesis Dr. Ivo Robotnik. Every time Sonic ruined his plans Dr. Robotnik would yell (Imitating Dr. Ivo Robotnik) I HATE THAT HEDGEHOG!

We laughed!

Sonic: (LAUGHS) That is too true there.

Lola: Yeah that is for sure.

Rex: (LAUGHS) That is funny and awesome.

Elsa: Yeah it sure is.

Weather Vane: Rex, you might be a T Rex. But you have a good heart.

Rex: I'm glad you think so and I do have a good heart. Just like all my friends.

Qin: All of you are awesome.

Aylene C.: That is for sure and it's awesome.

Nico: Yeah it's awesome!

Fu: You got that right.

Hydrax: Also, dinosaurs don't fit In A circus.

Me: No they don't.

Qin: Only clowns should be in circuses.

Grounder: I like circuses. Lets go be in one.

BLANG!

Scratch hit Grounder on the head!

Grounder: OUCH!

Scratch: We're not gonna be in the circus you dingbot! We're going to stop it!

Jackie Chan Finn: I don't know what Screweyes is thinking. Dinosaurs like you are too big for the circus!

Me: You got that right. And I think it's time for us to crash the circus.

Qin: You got that right. I got this.

She pulled out an awesome pumpkin and melon cannon.

Qin: My pumpkin-melon hurling cannon. I built it myself.

10,000 Volt Ghost: When did you make that?

Qin: I've had a lot of free time on my hands. I finished it yesterday.

Nico: Nice!

Lola: That is awesome.

Qin: Yep and it's ready to fire.

Nico: Awesome.

Qin: Yeah I've been a bit of a tinkerer.

Flash Man: Where's Screweyes right now?

Rex: In that tent over there.

We saw a tent in Central Park.

Me: Clever and close.

Metal Sonic: My scanners are picking him up in that tent.

Nico: Perfect.

Qin: Time to blast him.

Nico: You got that right.

Eli: Oh yeah.

Rumble: Go ahead and blast him now, Qin! We'll do our entrance after that!

Qin: You got it!

Nico: This will be interesting to see.

Qin went up to the tent.

Screweyes: (GROWLS) I HATE THOSE DINOSAURS!

Qin: HEY SCREWEYES!

He saw her!

Qin: Your mother is an ugly nail-eyed freak and you smell like melons and pumpkins! FIRE IN THE HOLE!

SHE FIRED!

BANG!

Then KRASPLAT!

Pumpkins and Watermelons splatted him all over his face and body and smashed him into the ground!

Qin: YES! It works!

Then the spirits of dinosaurs appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and we came out!

Me: Professor Screweyes you're under arrest!

Nico: And Qin's cannon really is awesome and it works!

Qin: It sure does!

Screweyes: (chuckles) Team Loud Phoenix Storm, I presume. Oh, I know what your fear is. And how to exploit them!

Pennywise the Dancing Clown suddenly appeared.

Evil Seed: Remember, this isn't real. This is all a part of Screweyes' Eccentric Circus.

Me: Nice try Screweyes!

I turned on my Sharingan and saw that Pennywise was a fake and it was Screweyes and I went at him and smashed him down and I then took his fear projector.

Me: Hmm. You know this would be useful.

I integrated it into my device.

Me: By the way you need some nails to go with those screws of yours.

Screweyes: Okay. Let's see if you expected this then!

A bunny appeared.

Manterror: A bunny? Seriously, you're gonna have to do better then-

Thr bunny took out a chainsaw!

Me: Nice try.

I snapped my fingers and it vanished.

I turned off the fear projector.

Qin: Yeah!

Nico: Also the real Pennywise was given the Black Gates.

Eli: And your days of abusing Dinosaurs are over forever!

Me: And that Bunny is in our frenemies in the M.O.E.

Screweyes: Impossible. The level of my circus right now is enough to drive a man insane. What even are all of you?!

Zavok: People who have fought things much more scarier then you.

Me: Also we're people that you don't want to fuck around with!

Qin: We have seen things that are trillions of times more frightening than what you throw at us!

Nico: That's for sure!

Lola: You're just a pathetic baby nightmare spewer!

Nico: What?

Lola: It was the best I could think of.

Buzzerbeak patted Lola on the back.

Lola: Thanks Buzzerbeak.

He put on Eustace's Mask!

Dai Gui: OOOGA BOOGA BOOGA!

He screamed so powerfully that his screws in his screws in his eye popped out!

Then Electro, Moonstone, Scorcher, Spymaster, Evil Lyn, Hydros, Leap Frog, Dark Spicer, Avalanche, and Tri Klops appeared.

Nico: Electro, Moonstone, Scorcher, Spymaster, Evil Lyn, Hydros, Leap Frog, Dark Spicer, Avalanche, and Tri Klops.

Electro: After killing Scarecrow yesterday, Screweyes shouldn't be a problem.

Moonstone: Wasn't expecting a chainsaw wielding bunny though.

Nico: Me neither. That was something I thought of as a young one a long time ago.

Me: Really? Wow!

Scorcher: (to Nico) We heard you went to Peach Creek.

Nico: We sure did.

Spymaster: I hope you had Jawbreakers there.

Nico: We we're too caught up in the rescue for that unfortunately.

Dark Spicer: (to Nico) Here's your warning: Your ass is about to be kicked!

Nico: Bite my big fat fucking ass!

Me: HEY! That's my line! I twisted Bender's line with that.

Lola: Funny.

?: Boy that is great.

A figure came out and it was MELTATRON from episode 6 of Beast Morphers!

---

Meltatron was created by Scrozzle when he infected an acid tank in the Cyber Dimension. He, along with Roxy, were tasked with retrieving Slicerdrone. He was later tasked with destroying the Rangers while they were trapped in the hangar. But Ravi was able to throw Devon out of the shutting door, allowing him to escape. Devon and Cruise later attempted to use the Racer Zord to free the other Rangers but were interrupted when Meltadrone put their plan of rescue to a halt. While Devon fought against Meltadrone, Zoey and Ravi were able to obliterate his extinguisher after three shots from Zoey's Beast-X Blaster and destroy Meltatron with their Beast-X Cannons. Afterwards both Slicerdrone and Meltadrone were finally destroyed by the newly formed Beast-X Megazord

---

Devon: Meltatron!

Meltatron: Been a while rangers!

Me: I remember you! You were made from an Acid Tank and you were tasked with retrieving Slicerdrone and destroy the rangers while they were trapped in a hangar.

He turned into a Yautja and it had spikes all over and scary wings.

Heatsight: Meet Heatsight!

Joan Bolton: You have a Yautja form?!

Heatsight: I met one before today. Long story.

Shanan: WHOA! A Yautja hybrid! That is awesome!

Heatsight charged at Joan and she jumped away.

Me: Bet he can see the invisible.

I went invisible.

Heatsight: I can see you J.D.

He had Infrared vision and saw me.

Heatsight: I see you.

Me: Wow!

I was visible.

He reverted back.

Dark Spicer: And this too!

He then Turned into a ball of energy and then he formed into a Red Drej!

Plasmadark: I call this one… Plasmadark!

Me: Whoa! A Red Drej!

Shanan: WOW! A Drej Hybrid!

Chloe Bolton: You scanned one of the Drej, didn't you?

Plasmadark: I sure did! (charges at her)

Selina Almenara pulled up a video and it played on the screen, and it showed Lincoln in large orange swim briefs and Selina in her true form and wearing her red flame two-piece bikini, and they were enjoying a day of fun.

?: TTTTTTTWWWWWWEEEEERRRRRRPPPPPPP!

Past Selina Almenara: What the heck was that?!

Past Lincoln: Ugh, I'd recognized that shriek and loud belch from anywhere, it's Lori and Lynn, and it sounds like they're on the rampage again!

Selina and Lincoln got up from the sand, and they saw Lori and Lynn come out with red eyes of hate and Lynn was foaming at the mouth, and Lori had a knife in her hand.

Nico: Dang! And those insults she flung at Lori and Lynn really stung.

Laney: They sure did, and she was right to fling those insults at Lori and Lynn, we were getting tired of Lori's control freak attitude along with Lynn's violent and aggressive nature. Someone other than Lincoln needed to put those two in their place or it was going to get ugly.

He was drooling like an idiot!

Screweyes: (Stupid talk)

WHAT A MORON!

Qin: It works!

Lincoln fired a blast of Scarecrow's Fear Gas at Professor Screweyes, and it made his worst nightmare come to life: he was left alone in the darkness with only the crows for company as it shows that he's just a lonely and frightened old man with no real control of fear, and without that control, Screweyes was too stupid to realize that he was being consumed by his own fear as the crows frenzy around him, devouring him.

Nico: Whoa, so that was his fear: having no real control of fear.

After the crows flew away, all that is left is the screw from his left eye. Just then, the crow that both turned on the flares, and who possibly also took Screweyes' real eye when he was a child, blows away the dark spell on the screw, and takes it with him, and Screweyes was sent to The Black Gates, and I fired a powerful energy blast that obliterated Screweyes' Brain Drain pills for good.

Lincoln: Good riddance, you good-for-nothing fear crazed screwball.

Nico: You brought this all on yourself, Screweyes. Awesome job, gang, we got rid of that psycho once and for all.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Gabrielle Reeve.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Gabrielle Reeve?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Gabrielle Reeve of The Legion of The Lincoln-Haters, but we also saw Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and

Brianna Greyson, who's already falling into madness heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Gabrielle Reeve: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Beatrix Yates: This'll make sure the message is clear: we're putting an end to them once and for all.

Suddenly, Beatrix Yates' eyes turned neon orange and she was surrounded by a teal and white energy aura with stars, lights, and phoenixes, and as she approached Gabrielle Reeve, she left teal and white energy, stars, lights, and phoenixes with every step.

Beatrix Yates: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Gabrielle Reeve, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Beatrix Yates was surrounded by a massive vortex of teal and white energy with stars, suns, and lights, and surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a blue phoenix with red eyes glaring at Gabrielle Reeve: the red eyes of death. Then, as the vortex faded, Beatrix Yates emerged, but she was changed forever.

Beatrix Yates grew to 7'5" in height, she has the body of a goddess, she has teal and white highlights in the bangs of her long black hair tied in a ponytail, she has neon teal eyes and a teal and white energy aura with stars, lights, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with teal iris, she has on phoenix earrings with teal gems for eyes and holding the Light and Eternity Kanjis in its claws, she also has a dragon with white gems for eyes and holding the Light and Eternity Kanjis in the claws on the bottom of her white dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with white crystal links from her merged Crystal Necklace of the Buddha and teal gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Beatrix Yates has on a white sleeveless shirt, blue shorts with two yellow buttons, teal sweater tied around her shoulders, teal headband, dark teal slip-on shoes, she has on large gold metal bands with teal gems on her biceps and thighs, and long sleeveless white trenchcoat with stars, lights, and phoenixes on the coattails, and on the back is a phoenix surrounded by lights and stars. Suddenly, Beatrix Yates felt a sharp pain on her back, and then, massive black angel wings with teal and white tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with white tips and teal markings, Beatrix Yates has on her Ring of the Phoenix with teal gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Beatrix Yates' newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of teal and white energy, stars, lights, and phoenixes, and when it emerged, it transformed into Beatrix Yates' Eternal Cosmic Storm Athlete Solar Fury Greatsword of Eternal Cosmic Storm Athlete Solar Fury Phoenix Justice, it's a brand-new massive greatsword with embedded teal gems and white etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged teal blade, large white dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with teal gems embedded in the foreheads, longer midnight black handle, four large teal phoenix heads with white gems for eyes and in their mouths and a large teal dragon head with a white gem in its mouth below the large phoenix heads for the pommel. Beatrix Yates has on her new Bracers of The Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with red gems for eyes and a large white gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a teal kanji below the dragon and phoenix that said, "Beatrix Yates, Tough and Talented Athlete, Awesome Soccer Player, Loving Older Sister of Belle, Bumper Junior, and Beau Yates, Loving Older Daughter of Jancey and Bumper Yates, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Gabrielle Reeve of The Legion of The

Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lights, Stars, and Phoenixes"

Beatrix Yates has transformed into SUPER ANGEL-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE SOLAR LIGHT ETERNAL COSMIC SOLAR SOCCER ATHLETE LIGHT DRAGON PHOENIX ANGEL OF DIVINE SOLAR LIGHT ETERNAL COSMIC SOLAR SOCCER ATHLETE LIGHT DRAGON PHOENIX JUSTICE AND DIVINE SOLAR LIGHT ETERNAL COSMIC SOLAR SOCCER ATHLETE LIGHT DRAGON PHOENIX LOVE!

We were amazed by Beatrix Yates' Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Gabrielle Reeve saw it, she went fucking crazy and she got out her machine gun to fire at Beatrix Yates, but Beatrix Yates fired a barrage of teal and white energy blasts with stars, lights, dragons, and phoenixes at Gabrielle Reeve and it sent her flying into a tree back first, she got back up and she ran at Beatrix Yates again with a knife she got out, but she disarmed Gabrielle Reeve by firing light beams which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Whoa is right, Beatrix Yates has transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial

Xelnaga form, and she disarmed Gabrielle Reeve and sent her flying into a tree.

Lincoln: Gabrielle Reeve has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Beatrix Yates: (Divine Godly Cosmic Voice of The Cosmic Athlete Soccer Solar Light Dragon Phoenix Angel and Divine Cosmic Athlete Soccer Solar Light Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Beatrix Yates.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Gabrielle Reeve. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Beatrix Yates and Lincoln went after Justina Nolan who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, teal and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Gabrielle Reeve and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Beatrix attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Gabrielle Reeve got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Beatrix Yates, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Gabrielle Reeve's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Gabrielle Reeve by the neck and he tossed her into the air, and Lincoln and Beatrix Yates fired a powerful barrage of energy balls with lights, heavenly auras, gold halo rings, stars, quintessence, elemental forces, and mythological animals, and as they hit Gabrielle Reeve, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Gabrielle Reeve's spirit appeared, and she was still incensed with anger and fury.

Gabrielle Reeve: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Gabrielle Reeve. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Gabrielle Reeve's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Gabrielle Reeve: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Beatrix Yates and Lincoln holstered their massive greatswords on their backs and powered down, and Beatrix Yates' new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Gabrielle Reeve. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FUCKING FREAK! KILL HIM! KILL THE FUCKER! LEAVE NONE OF THEM ALIVE! (LAUGHING INSANELY)

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: (ENRAGED SCREECHING) This isn't over, Lincoln Loud!

Then, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Beatrix Yates: We've taken another one down so far, and now, we got seven more to go. Thanks for helping me destroy Gabrielle Reeve, Linky.

Lincoln: (Smiles Warmly) You're welcome, Beatrix.

Suddenly, Beatrix Yates wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Beatrix Yates's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lights shining down on them and we cheered wildly. Then, Lincoln and Beatrix Yates absorbed the lights and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of solar athlete justice. Lincoln, Beatrix, you two did really awesome in teaching that monster bitch, Gabrielle Reeve, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but we're already approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Elena Archer, which means you and I are up next, Belle.

Belle Yates: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Alien Gene-Slammer are you meeting on your rescue tomorrow, Lincoln?

Lincoln: Good question, Nico, how about a Gene-Slammer for Alien Hunter.

Selina Almenara: (Gasps) That's awesome, Linky and there's only one person we know who'd be Gene-Slammed into Alien Hunter: Marina Kaimana, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic water powers, and immortality. But, here's the really surprising part: Marina Kaimana's known as a Hydrosapien, an alien from the planet Hydros, an ocean planet in the Virgo Supercluster.

We gasped.

Shanan: I've heard of them, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have aqua hair, aqua blue eyes, and aqua blue angel wings. Their true form is really beautiful, they have aqua blue sclera and they have aqua blue wave tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a aqua blue ocean wave-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, they also have quite an extremely powerful sexual drive.

Nico: And Lincoln also has a Hydrosapien as one of his many Guardian Angels?! Oh, I hope she kept herself under control.

Luna: Don't worry, dude, she, like Selina, has controlled herself, especially with me, Leni, and Mom watching her.

Nico: Whew.

Shanan: And like the Pyrosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate would also has a kind heart, brave, bold, noble, courageous, and who always helps those in need.

Selene Emperyous: And for Marina, the one who fit that role was Lincoln.

Mana Mystictree: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing.

Me: And trust me, we've seen it more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, I just know she's going to want to take it much further.

Lincoln: I already know, but I'm ready. Plus, you'll love hearing this part, Nicole: she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of water at them, and she also makes her threats clear as the ocean, if she sees any single person trying to peek at her, she'll have them swept out to sea.

Nicole: Now, that's brutal.

Luna: And if she dares to find out someone's hurting our bro, she'll send them to her home planet to be brutally massacred, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Selina Almenara: Same with me, if any of them stepped out of line, I'll send them to Pyros, and they will be burned to death in a split second by my people or by the planet's fiery atmosphere.

Evil Lyn: What do you think Screweyes is seeing right now?

Hydros: My guess? Probably us as terrifying monsters.

Qin: No he's too dumb and stupid to be afraid of anything thanks to my new Braindead Drool Monkey Ray.

Nico: That is genius Qin!

Lisa Loud: Very impressive.

Leap Frog: Either way, he's spending the rest of his life in jail.

Avalanche (to Rex): How would you and your friends like to stay in a Jurassic place of ours?

Rex: Really? Tell me more

Tri Klops: With pleasure!

Me: Yeah you will love it.

We told them all about Paleozoic World and they will love it.

Elsa: Awesome!

Rex: We accept.

Me: Awesome!

Nico: But great job today everyone.

Aylene Carter: (To the viewers) Hope you loved us kicking some mad scientist butt.

Me: We did.

We went back home and got Rex and friends settled in and then we went back home and then enjoyed the rest of the day and went to

sleep.

But, we're not going to take that lying down, just like with Morag, Joyce Crandall is going to be taken down for good and she's getting The Black Gates where she will never hurt anyone or destroy another town for her selfish greed ever again.

Lincoln: Uh oh, we're here in The Uranus Prison, and I know what we're going to do here, not only am I going to rescue the six girls here, but we also got news from the Warden: Joyce Crandall, the heartless greedy bitch who tried to flood Royal Woods and got fired long ago, has finally lost her mind thanks to her combined hatred of me and my family, along with seeing her dreams of flooding and destroying Royal Woods to create another Great Lake for her tourist attraction and getting hit with The Mammon's Infernal Greed

Vengeance Curse after we took her down last year, and she's on the rampage in The Uranus Prison. But, we're not going to take that lying down, just like with Morag, Joyce Crandall is going to be taken down for good and she's getting The Black Gates where she will never hurt anyone or destroy another town for her selfish greed ever again.

Laney: That heartless home-destroying greedy harpy, now she's gone way too far! We should've killed her last year.

Lincoln: But, where's the fun in that? Besides, I wanted to see her mind destroyed forever with the combination of both her hatred of me and the family, along with seeing her dreams of flooding and destroying Royal Woods to create another Great Lake for her tourist attraction and getting hit with The Mammon's Infernal Greed Vengeance Curse after we took her down last year.

Nico: So, you waited until she finally snapped big time, so we can put her out of her misery? (Smirks) Nice one.

Me: Yeah, I got to admit that was a smart move. Now, we can give her The Black Gates, just like what you did to Morag, Lincoln.

Lincoln: Exactly, plus, I also got it broadcasted to our resident jerks at Dad's restaurant, specifically Flip who's done a lot of dirty schemes and crimes and all to satisfy his greed and desire for money.

Eli: Nice.

Rarity: They always say that patience is a virtue. Say, June, how did Rayman teach Dennis a lesson whenever he made those snide insults at you?

Juniper Lee: (Snickers) That still cracked me up to this day.

Rayman: Me too.

Rayman made a viewing mirror of that event two days ago.

Juniper Lee: Well, two days ago, Rayman was talking with both my parents and Ah Mah about what he had planned, but then, he felt a disturbance and he ran to the living room where he ran into me and Ray Ray of course making fun of Dennis again. But, when Dennis called me a buttface, I was about to call him a hairless wonder, that was until Rayman tapped Dennis on the shoulder and he had a look in his eyes, and I knew it was going to get ugly.

Past Rayman: You and me, backyard, now!

Past Ray Ray: Oh man! Oh, this is going to be so awesome!

Me: Uh oh, when he heard that snide insult from Dennis' mouth, he took offense, didn't he?

Juniper Lee: Yep, it was going to get ugly big time, and by then, we were at the backyard, and Dennis had out his wand.

Past Dennis: This'll be easy to fight someone who has no limbs.

Past Rayman: (Smirks) Heh, that's what you think because I'm not the same as I was two years ago.

Suddenly, Rayman took off his long long-sleeved white trenchcoat showing he had really muscled arms, legs underneath his long dark purple pants, and a neck.

Juniper Lee: And when he saw Rayman had both really muscled arms, legs, and a neck, Dennis went white as a ghost, Ray Ray, Monroe, and I almost burst out laughing.

Past Jasmine Lee: Oh, this should be a good match!

Dennis was about to fire blasts of magic from his wand, but Rayman fired an energy fist which took his wand and gave it to Jasmine Lee.

Past Dennis: Hey!

Past Juniper Lee: He wants to settle it fist to fist, so no using your magic wand. Besides, he's also an expert on magic, Hairless Wonder.

Past Jasmine Lee: Fair's fair, Dennis, you have to play by the rules.

Past Dennis: Okay, Ah Mah.

Past Rayman: Alright, then, bring it on!

Dennis ran at Rayman, but being a natural-born fighter, Rayman used a clothesliner on him, and he'd followed with a roundhouse kick.

Past Ray Ray: Aw man, he used a clothesliner and roundhouse kick. AWESOME!

Past Juniper Lee: Just one clothesliner and roundhouse kick, and already, he has Dennis on the ropes.

Finally, Rayman used a cobra clutch on Dennis and pinned him to the ground.

Past Rayman: You want to tap out, now's your chance.

Dennis tapped out, and Rayman got off and helped him up.

Past Jasmine Lee: Looks like Rayman won the match and taught Dennis a lesson.

Past Rayman: Now, are you going to try not to insult your sister? I don't want to have to teach you another lesson.

Past Dennis: Okay, I promise not to make any snide insults to my little sister.

But, he had his fingers crossed, and June smirked.

Past Juniper Lee: Rayman, he had his fingers crossed!

Past Rayman: He what?!

When June took out his hand and saw his fingers were crossed, Dennis freaked out and he ran with Rayman running after him.

Past Rayman: Dennis, you get back here and take your lumps like a man!

We laughed as the viewing window vanished.

Nico: Oh man, Rayman really laid quite the smackdown on your older brother.

Juniper Lee: He never ceases to amaze me, and he really taught him a lesson.

Me: And when you saw Dennis had his fingers crossed, you pulled a Lola on him.

Lola: Really slick, and it was so funny seeing Rayman chase after Dennis like that and yelling for him to take his lumps like a man.

Rayman: Luckily, he swore not to cause any trouble until the day of our wedding, and Monroe is also going to keep an eye on him and Ray Ray. Now then, let's go and teach that greedy harpy a lesson she will carry with her to her grave.

We travelled through the Uranus Prison, and it was a mess thanks to Joyce Crandall's very ugly and very nasty rampage. Suddenly, we saw Alien Hunter appear before us and with it are the six girls.

Rarity: My word, that's Alien Hunter.

Alien Hunter: (Girl's voice) Sorry about that, but I managed to get the girls away from that psychotic crazy bitch, and I also drenched her before we ran.

Lincoln: (Gasps) That voice, Marina Kaimana, I knew it was you.

?: (ENRAGED SCREAM) YOU LOUDS WILL ALL PAY FOR RUINING MY TOURIST ATTRACTION!

Suddenly, we saw our target: Joyce Crandall, and she has now officially lost her mind thanks to her combined hatred of Lincoln Loud and the Loud Family, along with seeing her dreams of flooding and destroying Royal Woods to create another Great Lake for her tourist attraction and getting hit with The Mammon's Infernal Greed Vengeance Curse after she was taken down last year.

Rarity: My word, you really made her lose her marbles, Linky.

Sylvester: All the better to put this monster down once and for all.

Then, Lincoln fired a blue energy blast which hit Joyce Crandall, and she was obliterated forever and she was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Warden: Thanks for getting rid of her, Lincoln. She went completely insane and she went on a violent rampage mongrelizing the other inmates and she even badly injured some of the guards.

Lincoln: We'll make sure they're tended to, Warden.

Varie healed the injured guards, and we tended to any injured inmates who also got hurt by Joyce Crandall on her violent rampage, and then, we all went back home, and just in time too, we soon heard Flip's bellowing voice swearing revenge on us.

Me, Nico, Eli, and Qin: Yeah, fuck you too, you mutant cheapskate!

Lori: Flip's such a total blowhard.

Luna: He's lucky we're not killing him, we killed him once, but now, he's getting humiliated for the rest of his miserable life.

Lincoln: And we're already making his life a total misery by humiliating him and the other jerks in the process. But, Joyce Crandall was worse than Flip: she wanted to destroy our home and turn it into another Great Lake for her tourist attraction and to line her pockets, so yeah, she was one jerk who needed to be forgotten for good.

Me: And you made sure of that, Lincoln.

Lincoln: I sure did.

Nico: And you were right to say she's just like Morag: she was absolutely insane, psychopathic, evil, heartless, selfish, and greedy, and she deserved to get sent to The Black Gates for what she tried to do, and I can guess she's done this to so many other innocent people.

Lincoln: If she did, then, she deserves this big time. (To Marina Kaimana) And it's so good to see you again, Marina Kaimana.

Marina Kaimana reverted back to normal, and she's a very beautiful and super sexy girl with long aqua blue hair, aqua blue eyes, she was tall at 7'0" in height, she has the body of a goddess, and large breasts, fair skin, she has massive and beautiful aqua blue angel wings, she's dressed in a sleeveless aqua blue crop top, crimson red skirt, necklace with aqua blue gem for the pendant, aqua blue bridal gloves, aqua blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with water, ocean waves, aliens, and angels on the coattails and on the back is Alien Hunter, and holstered on her back is a massive Alien Hunter-themed greatsword with embedded blue gems and Alien Mars etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with aqua blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large aqua blue gem on the bottom of the large white angel heads for the pommel.

Marina Kaimana: You too, Linky, it's been a long time.

Lincoln went up to Marina Kaimana and he hugged her, and Marina Kaimana is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marina Kaimana: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Nicole: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, Nicole, this is Marina Kaimana, Gene-Slammer of Alien Hunter, she's my Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic water powers, and immortality, and like I told you all yesterday: Marina Kaimana's known as a Hydrosapien, an alien from the planet Hydros, an ocean planet in the Virgo Supercluster, and like the Pyrosapiens, the Hydrosapiens are a really powerful race of warriors who have defended their planet from invaders for countless eons.

Just then, Shanan appeared.

Shanan: Yep, they look human in appearance, but what marks them out is that they have aqua hair, aqua blue eyes, and aqua blue angel wings. Their true form is really beautiful, they have aqua blue sclera and they have aqua blue wave tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a aqua blue ocean wave-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, they also have quite an extremely powerful sexual drive, and like the Pyrosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Marina, the one who fit that role was Lincoln.

Luna: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, we just know she's going to want to take it much further, but he's ready. Plus, she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of water at them, and she also makes her threats clear as the ocean, if she sees any single person trying to peek at her, she'll have them swept out to sea, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred and swept out into the tides, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Nicole: Just like what your brother told us yesterday.

Marina Kaimana: And I know Lincoln's going to mark me, but before he does, let me show you all my true form.

Suddenly, Marina Kaimana transformed into her true form as the sclera of her eyes turned aqua blue and she has aqua blue ocean wave tattoos covering her hands and forearms and feet, and her clothes morphed into a aqua blue ocean wave two-piece bikini, which is her real outfit.

Fabia: So, that's her true form, wow.

May: She looks even more beautiful in her true form.

Suddenly, Marina Kaimana went up to Lincoln, and she wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which brought an atomic red blush to Lincoln's face, and he suddenly wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Suddenly, Marina gave Lincoln a passionate kiss on the lips as she moved her arms and placed her hands on Lincoln's massive pecs, and they suddenly engaged in a French kiss. Suddenly, we saw Lincoln's veins glow aqua blue and when they were done, Lincoln still had a massive red blush on his face and hearts in his eyes.

Nicole: What was that?

Shanan: I think I know what it was: like with Pyrosapiens, when Hydrosapiens engage in a passionate make-out with their chosen mate, they give them a special gift: their French kissing resulted from her marking Lincoln as her chosen husband hence the glowing aqua blue veins on his body, and that also increased his superhuman physical and mental abilities along with getting a massive power and energy increase, and increased his hyperpuberty along with increasing the effects of Becky Long's Virility serum and the super soldier serum that were in his body, along with his body heat.

Me: (Whistles)

Nico: Oh man.

Lincoln: It's okay, Nico. Now, then, I think it's my turn to mark you, Marina.

Suddenly, Lincoln hugged Marina Kaimana in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marina Kaimana: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marina Kaimana's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Marina Kaimana: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marina Kaimana.

Marina Kaimana had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Chitose Odu, Kasumi Yoshino, Milly, Natsuko Suwa, Satomi Kawanakajima, and Yuki Hanei from Binary Pot.

Lincoln: Oh wow, it's Chitose Odu, Kasumi Yoshino, Milly, Natsuko Suwa, Satomi Kawanakajima, and Yuki Hanei from Binary Pot.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chitose Odu: Yes, we're okay, thanks to you.

Then, when Chitose Odu and the other five girls saw who it was that saved them from Joyce Crandall, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of

Chitose Odu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Chitose Odu: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chitose Odu, Kasumi Yoshino, Milly, Natsuko Suwa, Satomi Kawanakajima, and Yuki Hanei with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental

Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Lincoln's old enemy, Joyce Crandall, the heartless greedy bitch who tried to flood Royal Woods and got fired long ago, and thanks to her combined hatred of Lincoln and the Loud Family, along with seeing her dreams of flooding and destroying Royal Woods in order to create another Great Lake for her tourist attraction and getting hit with The Mammon's Infernal Greed Vengeance Curse after we'd taken her down long ago, she had lost her mind and went on a violent rampage in The Uranus Prison.

But, when Lincoln showed what we did in brutally beating that heartless greedy town-destroying bitch into the ground and Lincoln finishing her off by firing a very powerful energy blast that obliterated her and sent her to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Marina Kaimana have a lot of catching up to do, now that she's back in town.

Maria: Hah, she finally got what she deserved for her crimes.

Lincoln: You're right about that.

Nico: And we made sure to televise the death of Joyce Crandall, and it made Flip go insane.

Me: We all heard his bellow and did we absolutely piss him off.

Eli: If he dares to attack us again, he's going to suffer a lot worse.

---

After finally getting rid of Joyce Crandall and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marina Kaimana saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marina Kaimana: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Marina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Marina Kaimana: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Marina Kaimana: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Marina, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Marina Kaimana: I do have a video of one memory, it was with me and Lincoln at Lake Michigan.

Marina Kaimana pulled up a video and it played on the screen, and it showed Lincoln in a large orange speedo and Marina in her true form and wearing her aqua blue ocean wave two-piece bikini, and they were enjoying a day of fun.

?:
LLLLLLLLLOOOOOOOOOOOOOOOUUUUUUUUUUUUDDDDDDDDDDD

Past Marina Kaimana: What the heck was that?!

Past Lincoln: Ugh, I'd recognized that bellow of rage and the stench of an unwashed cheapskate from anywhere, it's Flip, and it sounds like he's on the rampage again!

Marina and Lincoln got up from the sand, and they saw Flip come out with red eyes of hate and he was foaming at the mouth, and he had a knife in his hand.

Past Lincoln: This again, you mutant cheapskate! Looks like I need to knock you down again!

Past Marina Kaimana: No, Linky, I got this.

Flip bellowed like a mad bull and came charging at them, but Marina Kaimana fired two powerful water waves which hit Flip, and sent him flying right back to the prison he busted out of.

Past Lincoln: Whoa, now that was so awesome!

Past Marina Kaimana: No one's messing with my man, especially not the stupid, greedy, hairy, smelly, three butt-cheeked mutant cheapskate of Royal Woods.

Marina Kaimana and Lincoln kissed as the video ends.

Nico: Whoa, so you kicked Flip's mutant hide and sent him flying back to prison, that was awesome!

Luna: That mutant messed with the water alien chick, and he went down hard.

Me: And Lincoln told us of what Flip tried to do, and we wanted his head for what he tried to do, and I cursed at Flip calling him a ton of profanities and curses.

Nico: Damn!

Laney: We were lucky to cover Lily's ears so she couldn't hear any of his profanities and curses, and we had to wash his mouth out with soap.

Sumner: You got that right.

Sakura Knudson: Jeez, I never knew you had quite a foul mouth, J.D.

Me: Unfortunately, I do, and I was so mad at that mutant, he deserved it big time.

We got a shower, and then, Lincoln, Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Elena Archer has sent some thugs to kill them.

Elemental HERO Burstinatrix: Wow, so this is Sirena Beach, it truly is beautiful!

Lincoln: It sure is, Burstinatrix, and it's perfect for our first date. Shall we?

Lincoln, Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Elena Archer's hired thugs coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau, and they hugged the girls in their abnormally massive and powerful muscular arms, and Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau are now in your harem.

Alexis: Looks like two of Jaden's Elemental HEROs have joined his harem, and Caitlin and Monica, the two Gene-Slammers of Burstinatrix and Lady Heat, really approve of it.

Monica Anniston: We sure do.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Elemental HERO Burstinatrix, Elemental HERO Lady Heat, Kiwi Magician Girl, Chocolate Magician Girl, Apple Magician Girl, Lemon Magician Girl, Minty Zaki, Adorabeezle Winterpop, and Snowanna Rainbeau, now he's really going to get it.

Lincoln: And we also had a run-in with Elena Archer's hired thugs, but I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Elena Archer scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and we're continuing to drive Brianna Greyson insane with rage, but come the day we get after her, she'll suffer for everything she's done before we end her for good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Elena Archer of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Elena Archer of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Belle Yates: While you and I deal with Elena Archer and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Elena Archer will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we may not have a mission today, but we still need to put a stop to that monster bitch, Elena Archer.

Lincoln: Yeah, as long as she's still alive, she remains an extremely dangerous threat to everyone all around her, so we need to get rid of her once and for all and that'll drive the other monster bitches extremely insane with anger and rage and send them running for their lives.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Belle Yates: No way are we forgiving you for any of your actions, Elena Archer, you better be ready to pay the price for your foul misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to destroy Elena Archer of The Legion of The Lincoln Haters.

We arrived at the park to hunt down Elena Archer of The Legion of The Lincoln Haters.

Me: Alright, we've arrived at the park, now where's that monster bitch?

Nico: She'll be here very soon. We just need to hear that banshee's scream.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Elena Archer?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Elena Archer of The Legion of The Lincoln-Haters, but we also saw Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson, who's already falling into madness heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Elena Archer: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Belle Yates: This'll make sure the message is clear: we're putting an end to them once and for all.

Suddenly, Belle Yates' eyes turned neon orange and she was surrounded by a pink and white energy aura with stars, lights, and phoenixes, and as she approached Elena Archer, she left pink and white energy, stars, lights, and phoenixes with every step.

Belle Yates: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Elena Archer, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Belle Yates was surrounded by a massive vortex of pink and white energy with stars, suns, and lights, and surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a pink phoenix with red eyes glaring at Elena Archer: the red eyes of death. Then, as the vortex faded, Belle Yates emerged, but she was changed forever.

Belle Yates grew to 7'5" in height, she has the body of a goddess, she has pink and white highlights in the bangs of her long brown hair tied in a ponytail and she no longer has braces, she has neon pink eyes and a pink and white energy aura with stars, lights, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Light and Eternity Kanjis in its claws, she also has a dragon with white gems for eyes and holding the Light and Eternity Kanjis in the claws on the bottom of her white dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with white crystal links from her merged Crystal Necklace of the Buddha and teal gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Belle

Yates has on a white long-sleeved shirt, tan cargo shorts, pink sweater tied around her shoulders, white shoes, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with music notes, stars, lights, and phoenixes on the coattails, and on the back is a phoenix surrounded by lights and stars. Suddenly, Beatrix Yates felt a sharp pain on her back, and then, massive brown angel wings with pink and white tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long brown wolf tails with white tips and pink markings, Belle Yates has on her Ring of the Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Belle Yates' newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of pink and white energy, stars, lights, music notes, and phoenixes, and when it emerged, it transformed into Belle Yates' Eternal Cosmic Storm Music Solar Fury Greatsword of Eternal Cosmic Storm Musician Solar Fury Phoenix Justice, it's a brand-new massive greatsword with embedded pink gems and white etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged pink blade, large white dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with pink gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with white gems for eyes and in their mouths and a large pink dragon head with a white gem in its mouth below the large phoenix heads for the pommel. Belle Yates has on her new Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large white gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the dragon and phoenix that said, "Belle Yates, Talented Musician, Loving Younger Sister of Beatrix, Bumper Junior, and Beau Yates, Loving Younger Daughter of Jancey and Bumper Yates, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Elena Archer of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lights, Music, Stars, and Phoenixes"

We were amazed by Belle Yates' Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Elena Archer saw it, she went fucking crazy and she got out her machine gun to fire at Belle Yates, but Belle Yates fired a barrage of pink and white energy blasts with stars, lights, music notes, dragons, and phoenixes at Elena Archer and it sent her flying into a tree back first, she got back up and she ran at Belle Yates again with a knife she got out, but she disarmed Elena Archer by firing light beams which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Whoa is right, Belle Yates has transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Elena Archer and sent her flying into a tree.

Lincoln: Elena Archer has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Belle Yates: (Divine Godly Cosmic Voice of The Cosmic Classic Music Solar Light Dragon Phoenix Angel and Divine Cosmic Classic Music Solar Light Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Belle Yates.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Elena Archer. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Belle Yates and Lincoln went after Elena Archer who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, pink and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Elena Archer and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Belle attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Elena Archer got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Belle Yates, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Elena Archer's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Elena Archer by the neck and he tossed her into the air, and Lincoln and Belle Yates fired a powerful barrage of energy balls with lights, heavenly auras, music notes, gold halo rings, stars, quintessence, elemental forces, and mythological animals, and as they hit Elena Archer, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Elena Archer's spirit appeared, and she was still incensed with anger and fury.

Elena Archer: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Elena Archer. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Elena Archer's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Elena Archer: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Belle Yates and Lincoln holstered their massive greatswords on their backs and powered down, and Belle Yates' new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Elena Archer. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FUCKING FREAK! KILL HIM! KILL THE FUCKER! LEAVE NONE OF THEM ALIVE! (LAUGHING INSANELY)

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: (ENRAGED SCREECHING) This isn't over, Lincoln Loud!

Then, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Belle Yates: We've taken another one down so far, and now, we got six more to go. Thanks for helping me destroy Elena Archer, Linky.

Lincoln: (Smiles Warmly) You're welcome, Belle.

Suddenly, Belle Yates wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Belle Yates's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lights shining down on them and we cheered wildly. Then, Lincoln and Belle Yates absorbed the lights and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of solar musical justice. Lincoln, Belle, you two did really awesome in teaching that monster bitch, Elena Archer, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but we're already fast approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Catherine Mason, which means you, Lewa, and I are up next, Ms. DiMartino.

Ms. DiMartino: Yes, we'll make her pay for all of her crimes in full.

Lewa: Right after we help Valiant on my special day.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Alien Gene-Slammer are you meeting on your rescue tomorrow, Lincoln?

Lincoln: Good question, Nico, how about a Gene-Slammer for Alien Mother.

Selina Almenara: (Gasps) That's awesome, Linky and there's only one person we know who'd be Gene-Slammed into Alien Mother: Adreana Metrodora, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic dark powers, and immortality. But, here's the really surprising part: Adreana Metrodora's known as a Umbrasapien, an alien from the planet Umbras, a planet of eternal darkness in the Virgo Supercluster.

We gasped.

Shanan: I've heard of them, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have dark purple hair, pink eyes, and dark purple angel wings. Their true form is really beautiful, they have dark purple sclera and they have dark purple tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a dark purple and black-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens and Hydrosapiens, they also have quite an extremely powerful sexual drive.

Nico: And Lincoln also has an Umbrasapien as one of his many Guardian Angels?! Oh, I hope she kept herself under control.

Luna: Don't worry, dude, she, like Selina and Marina, has controlled herself, especially with me, Leni, and Mom watching her.

Nico: Whew.

Shanan: And just like the Pyrosapiens and Hydrosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need.

Selene Emperyous: And for Adreana, the one who fit that role was Lincoln.

Mana Mystictree: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing.

Me: And trust me, we've seen it more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, I just know she's going to want to take it much further.

Lincoln: I already know, but I'm ready. Plus, you'll love hearing this part, Nicole: she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll drown them in eternal darkness.

Nicole: Now, that's brutal: dark vengeance towards perverts.

Luna: And if she dares to find out someone's hurting our bro, she'll send them to her home planet to be brutally massacred, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Selina Almenara: I've seen how brutal the Umbrasapien Race are when it comes to dealing with evil villains.

---

Later it was time for Matau's final mission.

Me: This will be fun.

William: Anyone else want to go with Matau? Besides Nate and Tony Jones?

Lewa: Yeah that's my big mission.

Blu: Wow!

Me: We're going to Normundy and we're going to take down a falcon that is like the Nazis. It's going to be like what my Grandfather went through during World War II.

Blu: Wow! That is amazing! I know you can do it guys.

Me: Thanks.

Blu: So, Poromon. What are your favorite hobbies?

Poromon: You'll know some of them during Matau's big day.

Red: Yeah it sure will. You will love being launched like that.

Chuck: It sure is fun.

We were off and our search was on.

Matau: Anything?

We were watching the radar.

Lola: This is so awesome.

Laney: You guys did an amazing job building this helicopter.

Linda: You sure did.

Me: Thanks guys. We have lots of awesome talents.

Nico: Not to toot my own horn but yeah.

Me: Fitting.

We got to landing.

Me: Lets land.

We landed.

We got out.

Me: That was awesome. Well done Poromon.

Poromon: Thanks.

Nico: I see some Marmosets up ahead. You and Choujinki's archenemy should defeat them together to make up for this!

Eli: But Choujinki doesn't have an Archenemy.

Me: Actually he now does. I picked the Swords of Justice Gene-slammers as the archenemies of Hell's Gate Prisoner Emboss, Combined Combatant, Universe 666 Super Warumono World and Choujinki.

Nico: Cool!

Lola: Yeah!

Emily Athos: No Another Choujinki? Why did you guys call me then?

Nico: Look there!

We saw a bunch of Marmosets.

Me: We defeated Another Choujinki early.

Poromon: I got launched and blasted her down. Sorry.

Emily Athos: Aw it's all right Poromon. You did great.

Poromon: Thanks.

Emily fired waves of wind and energy and blasted the Marmosets all over.

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and blasted them!

The Marmosets ran.

Nico: Hilda, do you have a connection to the Jetman?

Lola: Yep.

She appeared.

Celica D'Artagnan: You rang?

Nico: Whoa that was fast.

Eli: Yep.

We heard bushes rustling.

Nico: There she is!

Me: Wait that's not her.

We went and got closer and we saw a girl with Neon red hair and neon red clothes and red angel wings.

Me: (GASP) Connie Crocoite!

We went over and looked her over.

Me: Oh man.

Connie Crocoite: (Groans weakly)

Nico: She looks horrible.

I felt her head and she had a blistering hot fever.

Me: Holy shit she is burning up!

Nico: Looks like she outlived her usefulness to Another Emboss

Me: I'll get the medical transport here.

Nico: Okay.

I called Varie and Robo Lori and in 2 minutes they got to our location.

Nico: Whoa that was fast.

Varie and Robo Lori got out and picked her up and put her on a gurney.

Varie: We'll give her the serum Ransik took.

Me: Great.

She and Robo Lori went and put her in and they went back to the estate.

I then sensed something.

I fired an energy blast and it hit a rock and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

A figure came out and it was ANOTHER EMBOSS!

Me: Another Emboss!

Nico: (gets out Marionette Shadow and Puppetmon's Ridewatches) There are no strings on me!

Nico activated it and fired waves of strings and made her dance like a chicken.

Me: (LAUGHS) Funny!

Celica D'Artagnan: Now for this!

She fired a wave of energy and blasted her down and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

I caught the Wonder Ride Book and it was called The Amazonite Princess and the Venomous Sorcerer Snake.

Me: Fitting.

I gasped and saw that the girl who turned into him was one with neon aqua blue hair and had blue eyes and had blue clothes and blue angel wings.

Me: Maria Amazonite!

I went over and picked her up.

Nico: So it wasn't Connie?!

Me: No it wasn't. She was bitten by her.

Eli: She was a victim in the wrong place at the wrong time.

Nico: Oh.

Me: Yeah.

Eli: Another Nanonanoda next.

Me: Better call in Jessica Heirleins.

Eli: Yeah.

Jessica flew in.

Jessica Heirleins: Here I am!

Cleo Kyanite: Awesome to see you again J.D.

Me: You too. Lets separate you and defeat this monster you were turned into.

I fired a wave of light and separated her from him.

Tony Jones: (gets out May Kanker's Amazon Weapon) Let's do this!

Tony had a hammer.

Jessica Heirleins: Lets do it!

She got her Amazon weapon out and it was a wing sword!

They fired waves of energy and blasted Another Nanonanoda down!

We did so.

Eria: We're ready for this.

Eli: Awesome.

Laney: Let them come all at once.

Nico: Good idea. Get it done quickly.

Then they all came.

Nico: Another Evil Jewel Man, Another Combined Combatant and Another Universe 666 Super Warumono World!

Me: Whoa!

Matau: Better break out the big guns! Time to go Hordika!

HE WENT HORDIKA!

Me: Oh yeah!

Abigail Porthos: This is gonna be fun!

Eria: It sure will!

Nate: And this! (Brings out Hot Rodney's Amazon Weapon)

Nate's weapon was rocket skates!

Me: Nice!

Blu: (gets out Jailbird Monster's Amazon Weapon) Let's see what this does!

He got out a whip and it was imbued with Jailbird Monster's power.

Nico: This is gonna be good.

Abigail Porthos: I'm ready for this one.

Nymph: Same with me.

Me: Girls I know from Cooking, Science and Gym Classes.

Finn Fire Opal: Yeah it's a long story.

Me: Yep.

Eli: Cool.

Me: Sorry we have to fight like this girls.

Tanya Tanzanite: No worries.

I fired a wave of light and separated their anothers.

Nico: Nice!

Lori: Lets turn these Anothers into human pretzels!

We fired waves of energy and elements and blasted them and I caught their Wonder Ride Books. One was called The Chrysocolla Princess and the Kingdom of the Jewels of Doom, The second was called The Tanzanite Princess and the Kingdom of the Footsoldiers of 45+ Years of Evil and the 3rd one was called The Fire Opal Princess and the 45 Worlds of Rangers.

Emerald Tornado: We have a lot of them. But our favorites are in Science Class.

Sarah Pelee: We hated this one evil girl that was a queen bee jerk that made everyone miserable and we struck her with lightning and paralyzed her permanent.

Me: Nice.

Nico hugged them.

Nico: I've really missed you girls.

Sarah Pelee: We did too Nico.

Me: Awesome.

Blu: Matau, ever since I met you, I've seen you as a big brother.

Matau: Oh Blu.

He pet him and Blu nuzzled him.

Me: Aww.

But then I got a call on my phone.

Me: WHAT THE!? Guys! Sapphire Nautilus is in labor!

Nico: OH MAN! We got to get home and get her to the hospital!

Blu: Better hurry guys!

Me: Right!

Blu: Hey, Red. Keep kicking ass out there, okay?

Red: That you can count on!

Blu: Yeah.

We went back home!

We arrived and got Sapphire ready and loaded her into Ratchet and headed to the hospital!

We got to the hospital and dashed in and got Sapphire into the Delivery room and then we waited. I had a Shadow Clone in there with her.

May: How did the mission go?

Me: Really awesome May.

We told them everything and it was awesome.

May: WHOA! That is awesome.

Lola: It sure was.

May: Amore, for your first mission, Sunny Bridges and 3 Rabbids should go with you.

Princess Amore: Awesome. Looking forward to it.

Musa: Same here.

Me: I hope we don't battle Another Villains this time.

Poromon: Is Sapphire going to be okay?

Me: She will be okay.

Nico: Oh boy.

Qin: Yeah.

Poliwag: Who's going to be the father?

Me: I will Poliwag. I promised that I will be a much better father than her so-called dad.

Qin: Very noble and awesome.

Xenia: Yeah.

Sapphire Nautilus: J.D. KNUDSON THIS IS ALL YOUR FAULT! IF YOU GET ME PREGNANT AGAIN I WILL TEAR OFF YOUR MANHOOD AND MAKE YOU PEE INSIDE YOUR STOMACH AND THEN I WILL RIP OUT YOUR HEART AND EAT IT AND THEN I WILL SHOVE YOUR BRAIN SO FAR DOWN YOUR THROAT THAT YOU WILL POOP IT OUT YOUR BUTT!

WE GULPED IN FRIGHT!

Me: (GULPS)!

Nico: Good thing you DIDN'T get her pregnant here.

Me: That is for sure. But that was still scary.

Lola: Yeah.

Qin: True.

LOUD FART TOOT!

I farted in Nico's face by accident.

Nico: (GAGGING) EW!

Me: Sorry. Chili dog farts.

Nico: Oh yeah.

Poliwag: And it's a good thing you can heal.

Me: Yep.

The screaming stopped.

Nico: I think she is done.

Eli: Yep.

Poromon: Are the babies out?

Then the door opened and then Sapphire came out and she was in a wheelchair and had a beautiful girl with blue hair and had beautiful blue eyes.

Me: Oh Sapphire she is beautiful and really adorable.

Nico: She sure is.

Lily: And she is so cute.

Sapphire Nautilus: She sure is.

Bianca Nautilus: Aww she sure is.

Mrs. Nautilus: Oh I love her already.

Poliwag: What are you calling her?

Sapphire Nautilus: Oceanus. Oceanus Nautilus.

Qin: That's a beautiful name.

She held her hands out to Lily.

Lily: Aww. Can I hold her?

Sapphire Nautilus: Sure.

She held her and Oceanus hugged Lily.

Lily: Aww. Oceanus I will be your guardian angel and it will be filled with love and joy.

Me: Aww.

All of us: Awww.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Meloetta and Genesect next.

Me: Ooh Meloetta will be awesome.

Xenia: And Genosect will be interesting.

Lola: Yeah.

Camie: It sure will.

We went back home and put Sapphire in her rocking chair.

Me: If you need anything just let us know.

Sapphire: I will.

Nico: So, what do you guys want to do for the rest of the day?

Me: Oh Lisa is going to have a Slumber Party.

Lisa Simpson: I already invited my friends over.

Me: All right.

Lisa Simpson: Yes!

Me: This will be fun for them. We haven't had one for any of us.

Nico: Yeah it sure will.

Poromon: Me and the mascots will participate too!

Me: Ooh okay.

Nico: No beer okay?

Poromon: Aww man.

Lincoln: Lisa is so lucky.

Nico: Lincoln how come I never saw you have a sleepover?

Me: I was about…

Lincoln: Now, I know what you're thinking. Lincoln how come you never had a sleepover? Let me explain. See, sleepovers in the Loud House have not always gone so well."

[Flashback to Lynn and her friends having a sleepover in the living room. Lynn is dribbling a soccer ball and her friends are cheering for her. But at the moment, the ball flies out the window and breaks it.]

Lynn Sr.: "AAHHHH! Lynn Jr.!"

[Second flashback to Leni and her friends having a sleepover in the living room. They're using hairdryers to blow dry their hair.]

Leni: "Okay, we're done with the blow dry bar, time to curl!"

[She holds up a curling iron, looks at the power supply filled with wires and cables, and plugs in her curling iron, causing a neighborhood-wide blackout.]

Lynn Sr.: "Leni Loud!"

[Third flashback to Luna in the living room where she's smashing things with her electric guitar with her friends surrounding her.]

Luna: [in a British accent] "GOODNIGHT, LIVING ROOM!" [smashes her guitar on the coffee table.]

Lynn Sr.: "What the darn heck?!"

Chunk: "Hey buddy! I don't see you on the list!"

[Lynn Sr. is seen kicked out of the house.]

Lynn Sr.: "Luna Loud!"

[Back to the present]

Lincoln: [To the viewers] "Thanks to my sisters, sleepovers were banned in the Loud House.

Nico: Geez.

Me: That explains why. But I've slept over at the Loud House numerous times before and Mr. Lynn and Ms. Rita didn't complain about that.

Nico: Really?

Me: Yeah I always brought my sleeping bag whenever I hung out with Lincoln.

Nico: Cool.

The doorbell rang.

Me: I'll get that.

I went and answered it and in came Lisa's friends.

Me: Hey girls.

Janie: Are we too late?

Me: Nope Lisa's slumber party is about to start.

Alex Whitney: Thanks J.D.

Me: Anytime.

Later me and Nico were watching TV and then the doorbell rang.

Me: Oh that must be the pizzas I got for the girls and the mascots.

Nico: Okay.

I went over and opened the door and in came Bobby.

Bobby Santiago: Hey J.D.

Me: Hola Bobby.

He had 10 boxes of pizzas.

Me: This will feed them.

I gave him the money.

Bobby Santiago: Gracias J.D.

Me: Denada amigo.

I went to their room and knocked on it and went in.

Me: Got some pizzas for you girls.

Lisa Simpson: Thanks J.D.

Janie: Boy we're hungry.

Me: More than enough for you all.

I sat them down and went back to Nico.

Lisa Simpson: Lets play truth or dare!

Girls: TRUTH OR DARE! TRUTH OR DARE!

Alex Whitney: I'll take dare!

Janie: I dare you to Kiss Nico!

Girls: EW!

Me and Nico were watching TV.

The doorbell rang again.

Me: Oh I'll get it.

I went over and opened it and there was no one there?

Me: What the?

Then a portal appeared and out came RESHIRAM, ZEKRAM AND KYUREM!

Me: Whoa! The legendary Tao Pokemon!

Nico: Cool!

Zekram: (In a girls voice) Sorry to drop in like this.

Reshiram: (In a girls voice) Yeah we have a habit of showing up in a portal.

Kyurem: (In a girls voice) It's fun.

Nico: Yin Yolei, Zina Zinnia and Beatrice Tao!

Me: Wow!

They reverted back. Yin was a girl with black hair and blue eyes eyes and had a white Kimono on and black angel wings. Zina was a girl with white hair, blue eyes and an all black kimono and white angel wings and Beatrice was a girl with purple hair, purple eyes, pink and purple clothes and purple angel wings.

Beatrice Tao: Great to see you again Nico and an honor to meet you J.D.

Me: Same here.

Yin Yolei: I hope we aren't interrupting anything?

Me: Well Lisa Simpson and her friends are having a Slumber Party and we were watching TV.

Maria: Favorite memories of Nico?

Beatrice Tao: Our favorites are when we turned a mean queen bee girl into a fat nerd that eats pizza. We have powerful reality warping powers and we can do anything with them.

Me: Wow! When you have that kind of power that means you can literally do anything.

Nico: Yep. It was awesome and funny. They made her the total laughingstock of the school.

May: Nice.

Nico hugged the girls.

Nico: I missed you girls.

Yin Yolei: We missed you too Nico.

May: I'll get you girls settled in.

Zina Zinnia: Sure May.

They went and followed May.

Me and Nico were watching TV some more.

Alex Whitney: Hey, Nico.

Nico: Huh?

Then she ran over to him.

Nico: Uh oh!

She jumped onto him and kissed him full on the mouth!

SMOOCH!

Nico: Hey!

Me: (LAUGHS) Truth or dare! That is awesome. Also the same thing happened to me.

Nico: Really?

Me: Yeah. Jayme had one of her friends kiss me and they jinxed me.

Alex Whitney: That is funny.

Nico: Wow.

Poromon: My turn!

Lisa Simpson: Hit me with your best shot!

Poromon: Lisa I dare you to give Eli a tickle attack.

Lisa Simpson: I'll do it!

Eli was in his room.

Eli: Uh oh.

Arrietty: What is it?

Eli: I sense a disturbance in the Force. Someone is coming for me to tickle me.

Arrietty: Uh oh. You better hide.

Lisa Simpson: Too late!

Eli: I'm not scared of you!

Lisa Simpson: You should be!

Eli held them in place with the Force!

Eli: You'll never take me alive!

Eli ran fast.

He then ran and hid under the sofa.

Me: Huh?

I looked under the sofa.

Me: Eli?

Eli: Shh.

Me: Uh oh. (Whispering) Hiding from Lisa and the girls.

Eli: (Nods)

Me: Got it.

Lisa and the girls came.

Lisa Simpson: Have you seen Eli, J.D.?

Me: I think he went to the M.O.E. HQ.

Lisa Simpson: Lets get him girls!

They went there.

Me: You can come out Eli. I sent them on a wild goose chase.

Eli: Thanks bro.

Me: No problem. Want to watch Itchy and Scratchy?

Eli: Sure.

We got to watching.

I called Vypra and told them to prank Lisa and friends with a tickle attack.

Manaphy: Wait. It's my turn!

Poromon: Okay.

Manaphy then thought up a silly prank on Maria.

She then put a whoopee cushion on her chair and Maria came and sat down and then…

LOUD FART!

Maria: WHOA!

The mascots laughed!

Manaphy: Sorry, Maria!

Maria: (LAUGHS) That was funny! You guys got me.

Manaphy: (LAUGHS) That was funny.

Poliwag: My turn now!

Poliwag drank a whole bottle of Soda.

Lisa and friends came back and they saw Eli!

Lisa Simpson: Get him!

Poliwag got up to the girls and then…

LOUD BELCH!

He belched in their faces.

Lisa Simpson: (LAUGHS) Nice one!

Janie: (LAUGHS) That was funny!

Alex Whitney: (LAUGHS) So funny!

Me: (LAUGHS) He got you girls!

Eli: So did I!

Eli then used the Force and tickled the girls!

Horsea: Me next! Me next!

Horsea then snuck into Luan's room and she was reading a book and then she fell asleep and then felt something.

Horsea: Hey Luan. Look.

She showed Luan a mirror and saw that Horsea had drawn a mustache with a monocle on her face!

Luan: (LAUGHS) Boy you sure DREW that one on me! (LAUGHS) Get it?

Eddy and the mascots laughed!

Eddy: (LAUGHS) That was a good one! (LAUGHS) Boy Horsea sure surprised you there!

Luan: (LAUGHS) She sure did!

Ash: At least it wasn't a Jigglypuff this time.

Nico: True.

Luan: (LAUGHS) That is true.

Qin: Yeah.

Me: Yeah.

King Kai: (Telepathically to us) Nico, everyone, can you hear me?

Me: King Kai is there something wrong?

King Kai: Hey, everyone. Just want to inform you that tomorrow, there won't be any Hitotsuki attacks.

Me: Aw darn. Well at least it will give us a tiny break from that. Thanks King Kai.

King Kai: You're welcome.

Lisa Simpson: This has been the best sleepover ever.

Me: Glad you girls had fun. Sorry about the wild goose chase.

Lisa Simpson: No worries. But you made this really fun.

Me: Happy to provide. We got a big day tomorrow. Lets head to sleep.

Nico: Good idea.

We got ready for bed and went to sleep.

---

Meanwhile in Normandy, Valiant and his troop were getting ready for our arrival and it was going to be awesome as fun.

Valiant: Boy I can't wait for everyone to get here and help us take down Von Talon.

Mercury: It sure will be fun chaps.

Bugsy: I'm really excited for this too.

Valiant: Lets make this a memorable day for us tomorrow.

They got ready and saluted and the screen froze.

The next match-up in The War Against The Legion of The Lincoln-Haters is Ms. Rosa DiMartino, Lewa, and Lincoln VS. Catherine Mason

For Lincoln's rescue tomorrow, Lincoln and his group are heading to China, but we also got some bad news: we got an old enemy from Lori Loud's past running loose and is causing havoc. Her name is Helena Morgana, she's a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until Lori defeated her and with help from Lincoln and his Guardian Angels, exposed her for the nasty and really mean bitch that she is, and she was expelled, and before she was taken away, she swore she'd have her revenge on Lori. Now, five years later, she's broken out of prison and she's out for blood, but we're not going to let that bitch get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before Lincoln puts a lethal curse on her: if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever.

And we're going to meet the next Alien Gene-Slammer, her name is Adreana Metrodora, Gene-Slammer of Alien Mother, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic dark powers, and immortality. But, here's the really surprising part: Adreana Metrodora's known as a Umbrasapien, an alien from the planet Umbras, a planet of eternal darkness in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have dark purple hair, pink eyes, and dark purple angel wings. Their true form is really beautiful, they have dark purple sclera and they have dark purple tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a dark purple and black-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens and Hydrosapiens, they also have quite an extremely powerful sexual drive, and just like the Pyrosapiens and Hydrosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Adreana, the one who fit that role was Lincoln. Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, she's going to want to take it much further, but Lincoln's ready. Plus, she hates perverts with the same vengeance as Nicole, and she doesn't need to use any sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll drown them in eternal darkness, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Get ready for a battle that will be like from World War II as we meet Valiant and friends and help them destroy the evil Nazi Falcon, Von

Talon and make him pay for his crimes.

See you next time

We got word that the Empty Head Society is at it again.

Me: Those dumb Empty Head Society imbeciles.

Qin: Yeah they are dumber than a bunch of moronic traffic cones.

Lola: Yeah they have no brains at all.

Lana: Hence why they are called the Empty Head Society.

Me: Because they are brainless buttfaced stooges.

Eli: No kidding. What a bunch of freaks.

Nico: Come on guys don't call them names. They may be stupid but they are M.O.E. Members.

Lola: You're right.

Akiza: They may be stupid but they are funny.

Qin: They sure are.

Nico: Akiza, I want to thank you, Robo Roxy, and your teams for coming today.

Akiza: No problem Nico. It's awesome that we're going to help you out too.

Clara St. Clarice: It's going to be good and fun.

Camie: It sure is.

Nico: Clara, remember when you first met Lincoln?

Clara St. Clarice: I sure do. We met in a castle over in the other side of Royal Woods and it was a scary and awesome adventure.

Lola: That was awesome.

Lucy Loud: It sure was. I liked it.

Nico: That is awesome.

Camie: Cool.

Eli: I agree there.

Nico: And now, you're part of Lincoln's harem.

Clara St. Clarice: I sure am and I'm also in the Goths of Darkness.

Brittney: That is for sure and it's awesome.

Camie: Yeah.

Zuria: We're proud of that.

Lola: Yep.

Tsuyu: That is for sure.

Me: Yep.

Nico: Boy that Slumber Party was fun and awesome.

Qin: It sure was.

May: Yep.

Nico: I can't believe Alex kissed me!

Me: It was part of Truth or Dare Nico.

Nico: I know.

Qin: Still that was funny.

Lola: Yeah it sure was.

Eli: The girls were trying to tickle me!

Maria: (laughs) Horsea sure was funny!

Me: She drew a mustache and monocle on Luan as she was sleeping.

Maria: And I got a whoopee cushion put under me.

Lola: (LAUGHS) That was funny.

Maria: Boy it sure was! (LAUGHS) (LOUD FART!) WHOA! (BLUSHES)

Qin: (LAUGHS) Sorry. Just my latest invention.

She pulled out a ray gun and it was orange and had a bunch of settings.

Qin: This is the Fart-Combobulator Ray.

Maria: That is cool.

Me: Wow!

Nico: We should have sleepovers more often.

Me: Good idea.

Qin: I agree there.

Lola: Yeah they are fun.

Nico: Yes they are.

Then We heard a crash!

WE SAW A MASSIVE MULTI-BOAT PILE UP!

We gasped!

Me: WHOA!

Nico: Looks like the fun is beginning!

Me: A bunch of empty-head buttface fun!

the Ice Cream King, and the Empty Head Society club members ride down the road in their mini boats. The townspeople scream and run away in fear. Lou hops onto his hot dog stand and rides away in it like a horse. An old lady hides into her house and zips her door shut just as the Empty Head Society ride pass. The scene changes to the bowling alley. A bowler goes to make a strike with his bowling ball.]

Incidental EHS3: Hey, mister. You dropped your ball. [swings his hockey stick and hits the ball like a puck, crashing it into the bowler's face]

[The two Empty Head Society club members create havoc in the bowling ally by flinging bowling balls at the bowlers. The scene cuts to Larry doing his workout on the treadmill at his gym.]

Incidental EHS9: Keep running. I'll pace you.

[Larry tries to run away, but the treadmill was moving too fast. He then gets crushed by the blobfish club member's mini boat. The scene changes to one of the club members painting happy faces on the traffic light.]

Incidental EHS6: These lights could use a smile.

[This action causes a major pile-up in the middle of the intersection and all the drivers complain. One Empty Head Society club member plows through the sidewalk with a lawnmower.]

We saw destruction all over caused by a bunch of brainless buttfaces.

Nico: We need to stop this!

Me: Lets kick some empty head butt!

We went at them.

The Empty Heads were screaming as we were bashing and smashing and pulverizing their empty buttfaced brains out of their skulls.

We were bashing their skulls in.

POW BLAM SMASH WHAM SMASH BANG!

secs agoWe were pulverizing the Empty Head Members left and right and bashing them all into pulp.

Nico grabbed one and gave him a nuclear wedgie.

Eli then poked one in his eyes and Qin fired her Fart Combobulator ray and it was set in explosive diarrhea.

LOUD EXPLOSIVE WET FART!

I bashed an Empty Head member in his face with a bowling ball.

Camie kicked one in the crotch and Zuria bashed him all over like a punching bag!

Robo Roxy: Tronics!

She summoned numerous Tronics and they really smashed up the Empty Heads.

Tsuyu and Sirius squished one with an anvil.

Lola fired a blast of fire and burned one.

Lincoln: This will give you a NASTY Lobotomy!

Lincoln fired a wave of lightning and electrocuted all the Empty Heads and burned them with billions of volts of electricity!

Lisa bashed the Ice Cream King on his head with a huge mallet!

Pinkie Pie blasted them with her Party Cannon.

We were Punching and smashing and bashing them all over the place with indiscriminate fury!

But then!

KRABLAM!

We bashed them all over and sent them flying and smashed them into the ground!

Nico: Had enough?

They groaned.

Me: I think they did.

Qin: Bunch of morons.

The Empty Heads really were thrashed into pulp!

Nico: Boy they are going to be feeling that one.

Me: What a bunch of brainless moronic buttfaces.

Then a Paddy Wagon from the M.O.E. Home Asylum For Really Stupid Imbeciles came.

Man: Come on you guys. Time to go back home.

They were too beat up to even run away.

They were loaded into the Paddy Wagon and it drove off.

Nico: Time to fix this mess.

Me: Uhh Sandy did that already.

We saw that Sandy did it.

Nico: Wow that was quick.

Lola: Yep.

Nico: Thanks Sandy.

Sandy Cheeks: No problem guys!

Me: Hey Nico you want to hear some opinions about Evil Squidward?

Nico: Sure.

Me: Watch this.

I opened a viewing room and Evil Squidward was listening and we were broadcasting what we say about him.

Me: He's a passive-aggressive narcissist with a gigantic ego. He literally believes himself to be better than everybody else in Bikini Bottom despite having no evidence to back it up. He openly insults customers who did nothing to him, just because he doesn't agree with their eating habits. He brags about being a brilliant artist and musician when literally everyone he's ever met-even SpongeBob, who worships him-agrees that he's terrible at it. He acts like Spongebob and Patrick are out to intentionally annoy him when it's obvious they aren't self aware enough to realize their actions. He's never even attempted to patiently explain to them that he's not interested in hanging out with them. He's an outright animal abuser who shows contempt for other people's pets. He's an insecure asshole for pretending to hate Krabby Patties because he couldn't stand admitting that he was wrong about something, and because he wanted to make SpongeBob sad. He constantly complains about working at The Krusty Krab and believes he's too important to be working there, but whenever he's threatened with firing he immediately backs down. He also never makes any effort to gain employable skills or look for another job. When SpongeBob became homeless, he started celebrating and refused to let him stay with him for only one night. When Squidward lost everything, he took advantage of Spongebob and forced him to be his personal housemaid. He can't take criticism. He committed identity theft just so he could steal some of Squilliam's spotlight. He abused Mr Krabs in Krusty Towers when it was Patrick, who was putting him through all that pain, and actively started hanging out with him and Spongebob just to increase Mr. Krabs's misery. Squidward is just a terrible person.

EVIL SQUIDWARD SCREAMED AND ROARED IN ABSOLUTE RAGE FROM HIS CELL IN INFERNO ISLAND!

Nico: Speaking of Krabby Patties, anyone want any?

Me: I'm game.

Qin: Me too.

We went to the Krusty Krab.

We arrived.

Nico: GOOD MORNING KRUSTY CREW!

SpongeBob: Hey guys!

Mr. Krabs: Ahoy there lads!

SpongeBob: You all hungry?

Me: We sure are.

We ordered some Krabby Patties and got them and they were tasty and awesome.

Nico: Man, I love these!

Eli: (EATING) Yummy and delicious.

Zuria: (Eating) Mmm! I'll say.

Patrick: I'm already here.

Mr. Krabs: So am I.

Nico: Awesome.

Lola: Yep. Better call in Retrax and Elise Schwarzer.

Nico: Yep.

Lola: Yeah.

Nico: And Uncle Grandpa, Leni, and The Three Stooges as Ponies

Leni: I'm totes already here.

The Three Stooges then came.

Moe, Curly and Larry: (In acapella) Hello… Hello… Hello…

Moe: We're here guys.

Me: Awesome.

But then…

CRASH!

Uncle Grandpa's RV crashed into the wall and then Uncle Grandpa came out.

Uncle Grandpa: Good Morning!

Nico: Morning, Uncle Grandpa!

Uncle Grandpa: Hey guys. Looks like you need our help with this.

Me: Yep we sure do.

Moe: I have a feeling it's going to be good.

Curly: What's good about it?

SLAP!

Moe slapped Curly across his face.

Moe: Shut up you baboon.

Nico: There they are!

We saw a bunch of figures and they were ANOTHER EMPTY HEAD SOCIETY, PED, CLAMPDOWN, HEATSEEKER, EVIL CLAYFACE AND ROBO ROXY!

Me: Whoa! They all came at once!

Nico: WICKED!

Me: We'll face the five of them before Another Robo-Roxy all at once.

Nico: Okay.

Me: This is gonna be awesome.

Nico: We need to find out who they are first.

They reverted back and we saw that they were girls with blue hair, blue eyes, blue clothes and blue angel wings and had the kanji for Swift on their foreheads.

Me: (GASP) The Sonic Sisters!

Sonia Sonic: Awesome to see you again J.D.

Me: Guys meet Sonia, Sally, Sakura, Sunny and Sammy Sonic. They are 5 Quintuplets and they are all the gene-slammers of Sonic the Hedgehog.

Qin: WHOA!

Xenia: You girls must be really fast.

Sammy Sonic: We sure are. We are also Freedom Fighters.

Nico: That is awesome!

Qin: YEAH!

Nico: Who doesn't love Sonic?!

Sunny Sonic: Sonic is our hero and being gene-slammed with him is awesome. We have his awesome super speed and we love chili dogs.

Camie: That is so awesome.

Lola: We were on a planet of Chili Dogs yesterday and it was awesome.

Varie: Sonic and Tails loved it.

Me: Yep.

Sally Sonic: That is awesome.

Me: Yep.

Mr. Krabs: Mr. Squidward, watch the register. This will only take 5 minutes!

Squidward: Aye aye sir!

Mr. Krabs: That is amazing that ye girls are gene-slammers of Sonic.

Sonia Sonic: It's awesome.

Me: Yep.

Nico: Do you girls fight people like Dr. Ivo Robotnik?

Sonia Sonic: Oh yeah. Just yesterday we thrashed a mad scientist named Dr. Hino Schlinkenkoffer and he was a mad genetics scientist.

Me: WHOA!

Nicole: Wait I've heard of him! He was booted out of the scientific community for his inhumane experiments. He cross-breeds animals and uses them as weapons of destruction. They cut his funding and tried to pull the plug but he escaped.

Sakura Sonic: Yep. But we stopped him and got him sent to the Saturn Insane Asylum Arkham Asylum section.

Me: Wow! You girls did us a big favor.

Retrax: Sorry we have to fight you girls.

Sonia Sonic: No worries.

Me: Also is the Another Robo Roxy friendly or hostile?

Sally Sonic: Friendly and you guys will be finding this one interesting.

Me: I have a feeling it will be awesome.

Retrax: It sure will. Lets get it on! Retrax, TERRORIZE!

He transformed!

Girl Jordan: First lets separate you guys.

Sally Sonic: Okay.

Girl Jordan: Lets do it!

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

They fired waves of energy and separated them from their Anothers.

Me: Awesome!

Sakura Sonic: This is gonna be awesome!

Lola: Lets get them!

We fired waves of energy and blasted the 5 Anothers and they

exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books and they were called The Sonic Princesses and the Stupid Idiot Cult, The Transformers of Crabs and Worms and the Flamethrower and the Clay Monster

Maria: Time to call in the cavalry.

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) MARIONETTE DARK 6!

She summoned Marionette Shadow, Two-Face, Rubber Bandit, Elements Fire Finn, Water Elementor and Nereida de Danann!

Nico: YEAH!

Marionette Shadow: I'm ready for this.

Eli: We all are.

Then Another Robo Roxy was up.

Nico: Now, who are you?

Another Robo-Roxy: I think J.D. knows me.

Then she reverted back and was a girl with red hair and had rose red angel wings and had red clothes and also had the Signer Mark for the Left Front Claw!

Me: (GASP)!

Akiza: (GASP) Rose!

Rose Izinski: Akiza!?

Akiza: ROSE!

She and Rose hugged.

Akiza: Rose I thought I would never see you again!

Rose Izinski: Me too Akiza!

Me: You two know each other?

Akiza: We sure do. She is my little sister.

Robo Roxy: Wow! Awesome to meet you.

Akiza: We haven't seen each other for 10 years. The reason we never saw each other for over 10 years is because Rose had a terrible disease that was destroying her skeleton. So the doctors did an amazing procedure that replaced every single bone on her body with cybernetics.

Me: Wow!

Eli: That is amazing!

Me: Me and Rose met when we were in High School. I had no idea that Akiza was your sister.

Rose Izinski: You never asked.

Me: Oh.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jet Sword.

Rose Izinski: Just to reunite with my sister.

Me: Well we already did that just a couple of minutes ago.

Laney: We sure did.

Me: Yeah.

Rose Izinski: That's true. But I'm glad to be reunited with Akiza.

Me: I take it you heard about your sisters achievements?

Rose Izinski: I sure did and I'm so proud of her.

Akiza: It was a rocky start but it was awesome.

Lola: It's true.

Sougo: (gets out Mighty Morphin Ridewatch) And don't worry about Sayer.

Geiz: (gets out Jetman Ridewatch) He's been taken care of.

Sougo got MightyMorphinTyrannoArmor while Geiz got RedHawkArmor.

Me: Yep he is dead. We banished him to the Black Gates.

Rose Izinski: Good riddance! I hated that freak.

Me: So did pretty much everyone else in Neo Domino City.

Misty Tredwell: Yeah he killed my brother and J.D. brought him back to life for me.

Me: I sure did.

Rose Izinski: Wow! How did you do that?

Me: I resurrected him with a snap of my fingers. I have the power to do anything.

Rose Izinski: Wow! That is amazing!

Me: Yep.

Rose Izinski: Wow! Lets dance!

She turned into Another Robo Roxy!

Nico: (gets out Robo Roxy's Ridewatch) See if you can access Robo Roxy's Armored form. Me (gets out Robo Roxy's Ridewatch): See if you can access Robo Roxy's Armored form.

Another Robo-Roxy turned into her Armored form!

Me: WHOA! Awesome!

Nico: How about some reinforcements! TRONICS!

He summoned Tronics!

Nico activated Robo-Roxy's Ridewatch and they fired waves of energy and blasted her all over!

Nico: Time for some clay fun! (ACTIVATES EVIL CLAYFACE'S RIDEWATCH)

He turned his arm into a sword and his other arm into a hammer and then he smashed her all over the place!

May: (gets out Terminus' Ridewatch) Don't forget me!

May activated it and fired waves of energy and blasted her down!

May: YEAH!

Qin: Take that!

May: (gets out Dorodoros's Ridewatch) Now for this!

May activated it and fired more energy waves and blasted her all over.

Qin: OH YEAH!

Maria: YEAH! My turn! (ACTIVATES VEXXA'S RIDEWATCH)

She fired waves of energy and blasted her down.

Maria: Top this too! (ACTIVATES PALM TREE BOUMA'S RIDEWATCH)

She fired a bunch of coconuts and they hit her and bashed Another Robo-Roxy all over.

BONK BONK BONK BONK!

Patrick: (LAUGHS) THAT GUY GOT HIT ON THE HEAD WITH A BUNCH OF COCONUTS!

Clara St. Clarice: My turn!

She activated Evil Clayface's ridewatch and turned into Rolf with the Hat of Discipline.

Clara: (Imitating Rolf) You must be punished.

Another Robo Roxy: What is that thing?

Clara: The Hat of Discipline. DO YOU LIVE IN A CAVE!?

KRABLANG!

She squished her flatter than a pancake!

Nico: (LAUGHS) FUNNY!

Then Number 7, Live Action Sentinel Prime, Konako Haizono, NES Mechagodzilla, Don and The Squidward Robot came!

Nico: Nice Team Number 7!

Number 7: Thanks Nico!

Eddy: (LAUGHS) That means it's Lumpy's turn next.

Qin: Yep.

Lola: Awesome!

Then we saw a Meloetta fly in.

Me: Whoa! A Meloetta.

Nico: Cool!

Maria: Awesome!

Squidward: (to the Squidward Robot) Like looking at myself in a robotic mirror

Me: Sure feels like it.

Meloetta: (In a girls voice) This is gonna be so awesome and fun.

Nico: Gabrielle Vickingston! Wow!

Meloetta: Awesome to see you again Nico.

She reverted back and was a mermaid with blue hair and had blue eyes and had a blue tail and had blue angel wings.

Gabrielle Vickingston: I got this.

She fired a wave of energy and smashed down Another Robo Roxy and I caught the Ridewatch and purified it and I brought over Rose.

Nico: That was Awesome!

Maria: It sure was!

Me: Yeah!

Clara St. Clarice: What's your favorite memory of Nico?

Gabrielle Vickingston: My favorite is when me and Nico went underwater and blasted a nasty bunch of merman bandits.

Eli: Wait you mean the Bandits of Anti-Triton?

Gabrielle Vickingston: That's rightt! How did you know that?

Eli: Me and Ariel battled those jerks before.

Me: Wow that is crazy! But cool!

Eli: Yep.

Gabrielle Vickingston: That's right.

Nico and Gabrielle hugged.

Nico: I've really missed you.

Gabrielle Vickingston: Me too Nico. Me too.

We paid for our meal and went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Sakura Knudson, Stellar, Stardust, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Ed Cowart and his harem, Ets and his harem, Gage the Hegehog, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Cherry Hunter, Cammy, Milan Flare, Yoko, Wakko, Poison, Pyrrha Alexandra, Alice, Mimi Kitagami, Dot, Haneru Tobitatsu, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, Juniper Lee, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, The Kamen Riders, Izuku and his friends, The Goths of Darkness, Sebastian Mendez, Darren Arcangela, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Sylvester, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, Sapphire, Emerald, Chester, A.J., Sanjay, Elmer, Chloe Carmichael, Tootie, Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, The Lion Guard, Marinette and her friends, Sabrina Spellman, Sophie Casterwill, Jinora, and Venus McFlytrap are heading to China, and not only is Lincoln going to rescue the five girls here, but we also got some bad news: we got an old enemy from Lori Loud's past running loose and is causing havoc.

That girl's name is Helena Morgana, she's a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until Lori defeated her and with help from Lincoln and his Guardian Angels, exposed her for the nasty and really mean bitch that she is, and she was expelled. But, before she was taken away, she swore she'd have her revenge on Lori. Now, five years later, she's broken out of prison and she's out for blood, but we're not going to let that bitch get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before Lincoln puts a lethal curse on her: if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever.

Lincoln: Whoa, we're here in China, and I know what we're going to do here, not only am I going to rescue the five girls here, but we also got some bad news: an old enemy has come back, and it's not one of my old enemies. Lori, I hate to say it, but, she's back.

Lori: (Gasps) Oh no, not her!

Nico: Who?

Lincoln: Helena Morgana.

Me: Oh, I remember her all too well.

Lori: Same here, she's the meanest and nastiest monster bully who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until I defeated her and with help from Lincoln and his Guardian Angels, exposed her for who she really is, and she got expelled. This was five years ago and right around the same time Brianna Greyson and her bitch herd got expelled as well. But, before Helena was taken away, she swore she'd have her revenge on me.

Lincoln: And now, five years later, she's broken out of prison and she's out for Lori's blood, but we're not going to let her get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before I put a lethal curse on her: if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever.

Luna: She's in every way like Amy McKale, she was extremely cruel, excessively sadistic, and evil to the bone, and even worse, those two once teamed up and caused a ton of havoc on the school and it was after Amy broke out of prison yet again.

Luan: It was absolute madness, they caused tons of damage and destruction to the school and they'd beaten up and brutally injured the students and teachers, that was until Selene Arcangela, along with Selene Emperyous and her sisters, pummeled the two of them into the dirt, and not only did Amy McKale get sent back to prison, but Helena got hit with a three month suspension by Principal Rivers.

Leni: We couldn't stand her, but what could anyone do? She was also extremely violent and she was just as, if not, even worse than Amy McKale.

Nico: So, we got another Amy McKale-style situation, but this is one from Lori's past.

Lincoln: Right.

Juniper Lee: Hope someone's got a straitjacket or some rope for that animal, 'cause she'll try to get loose after we take her down.

Suddenly, we saw Alien Mother appear before us and with it are the five girls.

Draculaura: (Transylvanian Accent) Wow, that's Alien Mother.

Alien Mother: (Girl's voice) Sorry about the scare, but I was able to get the girls away from that evil bloodthirsty bitch before she could kill them to slake her thirst for blood.

Lincoln: (Gasps) That voice, Adreana Metrodora, I knew it was you.

?: (ENRAGED SCREAM) LORI LOUD, YOU, YOUR BROTHER, AND THE WHORES ARE GOING TO DIE FOR RUINING MY REIGN, YOU STUPID BITCH!

We then saw our target heading our way, it was Helena Morgana, a girl with wild brown hair, black eyes full of hatred and insanity, and she has on an orange prison jumpsuit, and she was completely insane.

Lori: Helena, looks like five years haven't been kind to you at all.

Helena Morgana: I WILL RIP YOUR FUCKING HEAD OFF!

Then, Juniper Lee and Rayman tied Helena Morgana up in a straitjacket and rope, and Lincoln gave her The Titania's Blood Rose Blossom Vengeance Curse and had her beamed to The Uranus Prison where she will die soon. We cheered as we holstered our weapons and powered down.

Lincoln: Helena made a big mistake breaking out to get revenge on Lori, now she won't try that again: she'll soon die due to The Titania's Blood Rose Blossom Vengeance Curse. (To Adreana Metrodora) And it's so good to see you again, Adreana Metrodora.

Adreana Metrodora reverted back to normal, and she's a very beautiful and super sexy girl with long dark purple hair, pink eyes, she was tall at 7'0" in height, she has the body of a goddess, and large breasts, fair skin, she has massive and beautiful dark purple angel wings, she's dressed in a sleeveless dark purple crop top, purple skirt, necklace with purple gem for the pendant, dark purple bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with darkness, aliens, and angels on the coattails and on the back is Alien Mother, and holstered on her back is a massive Alien Mother-themed greatsword with embedded purple gems and Alien Mother etched on the 7'0" massive, wide, double-edged aqua blue blade, large dark purple dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with aqua dark purple gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark purple gem on the bottom of the large white angel heads for the pommel.

Adreana Metrodora: You too, Linky, it's been a long time.

Lincoln went up to Adreana Metrodora and he hugged her, and Adreana Metrodora is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adreana Metrodora: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a

tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Nicole: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, Nicole, this is Adreana Metrodora, Gene-Slammer of Alien Mother, she's my Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic dark powers, and immortality. But, here's the really surprising part: Adreana Metrodora's known as a Umbrasapien, an alien from the planet Umbras, a planet of eternal darkness in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons.

Just then, Shanan appeared.

Shanan: Yep, they look human in appearance, but what marks them out is that they have dark purple hair, pink eyes, and dark purple angel wings. Their true form is really beautiful, they have dark purple sclera and they have dark purple tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a dark purple and black-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens and Hydrosapiens, they also have quite an extremely powerful sexual drive, and just like the Pyrosapiens and Hydrosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Adreana, the one who fit that role was Lincoln.

Luna: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, she's going to want to take it much further, but Lincoln's ready. Plus, she hates perverts with the same vengeance as Nicole, and she doesn't need to use any sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll drown them in eternal darkness, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Nicole: Just like what your brother told us yesterday.

Adreana Metrodora: And I know Lincoln's going to mark me, but before he does, let me show you all my true form.

Suddenly, Adreana Metrodora transformed into her true form as the sclera of her eyes turned dark purple and she has dark purple tattoos covering her hands and forearms and feet, and her clothes morphed into a dark purple and black two-piece bikini, which is her real outfit.

Fabia: So, that's her true form, wow.

May: She looks even more beautiful in her true form.

Suddenly, Adreana Metrodora went up to Lincoln, and her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which brought an atomic red blush to Lincoln's face, and he suddenly wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Suddenly, Adreana gave Lincoln a passionate kiss on the lips as she moved her arms and placed her hands on Lincoln's massive pecs, and they suddenly engaged in a French kiss. Suddenly, we saw Lincoln's veins glow dark purple and when they were done, Lincoln still had a massive red blush on his face and hearts in his eyes.

Nicole: What was that?

Shanan: I think I know what it was: like with Pyrosapiens and Hydrosapiens, when Umbrasapiens engage in a passionate make-out with their chosen mate, they give them a special gift: their French kissing resulted from her marking Lincoln as her chosen husband hence the glowing dark purple veins on his body, and that also increased his superhuman physical and mental abilities along with getting a massive power and energy increase, and increased his hyperpuberty along with increasing the effects of Becky Long's Virility serum and the super soldier serum that were in his body, along with his body heat.

Me: (Whistles)

Nico: Oh man.

Lincoln: It's okay, Nico. Now, then, I think it's my turn to mark you, Adreana.

Suddenly, Lincoln hugged Adreana Metrodora in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Adreana Metrodora: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Adreana Metrodora's neck with dark purple gems on the gold lightning bolts and dark purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Adreana Metrodora: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adreana Metrodora.

Adreana Metrodora had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Mafuyu Yoshimiya, Kaya Aihara, Hisui Kojou, Tsumugi Tosaka, and Kirie Minamino from Ingoku no Houkago.

Lincoln: Oh wow, it's Mafuyu Yoshimiya, Kaya Aihara, Hisui Kojou, Tsumugi Tosaka, and Kirie Minamino from Ingoku no Houkago.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mafuyu Yoshimiya: Yes, we're okay, thanks to you.

Then, when Mafuyu Yoshimiya and the other four girls saw who it was that saved them from Helena Morgana, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal

Mafuyu Yoshimiya: Oh wow, you're Lincoln Loud of Team Loud

Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Mafuyu Yoshimiya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mafuyu Yoshimiya, Kaya Aihara, Hisui Kojou, Tsumugi Tosaka, and Kirie Minamino with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was an old enemy from Lori Loud's past running loose named Helena Morgana, a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until five years ago when Lori defeated her and with help from Lincoln and his Guardian Angels, exposed her for who she is and was expelled, but before she was taken away, she swore she'd have her revenge on Lori. Now, five years later, she broke out of prison and was out for Lori's blood.

But, when Lincoln showed what we all did in beating that bitch down and Juniper Lee and Rayman tying her up in a straitjacket and rope and Lincoln giving her The Titania's Blood Rose Blossom Curse which'll kill her very soon, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Adreana Metrodora have a lot of catching up to do, now that she's back in town.

Maria: Damn, I wasn't expecting an old enemy of Lori's to show up.

Lincoln: Same here, looks like I'm not the only one in the Loud Family who's made a lot of enemies.

Luna: You got that right. If any more of our old bloodthirsty enemies from our past show up to get revenge on us, well, you know they are so getting a major beatdown.

Nico: Yeah, we've taken down much worse: Tyler Corso, Belle Muldoon, Nate Krenshikov, The Black Daffodils, and Ophelia Shroud for starters.

Me: Don't forget Hawk, Hank, and Abigail Sanchez.

Eli: And in the end, they got The Black Gates for their crimes.

---

After getting rid of Helena Morgana and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adreana Metrodora saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Adreana Metrodora: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Adreana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Adreana Metrodora: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Adreana Metrodora: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Adreana, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Adreana Metrodora: I do have a video of one memory, it was with me and Lincoln at our secret hot springs.

Adreana Metrodora pulled up a video and it played on the screen, and it showed Lincoln in a large orange speedo and Adreana in her true form and wearing her dark purple and black two-piece bikini, and they were enjoying a day of fun in the hot springs.

?: LINCOLN! I'M GOING TO KILL YOU FOR DEFYING ME!

Past Adreana Metrodora: What the heck was that?!

Past Lincoln: Ugh, I'd recognized that scream from anywhere, it's Lola, and it sounds like she's on the rampage again!

Adreana and Lincoln got up from the hot springs and were in their towels, and they saw Lola come out with red eyes of hate and she has a red face and her teeth were turned into sharp fangs, and she was roaring with rage.

Past Lincoln: This again, Lola! This is getting old really fast! Now, you leave me no choice!

Past Adreana Metrodora: No, Linky, I got this.

Lola screeched like a madwoman and came charging at them, but Adreana Metrodora fired two powerful blasts of darkness which hit Lola, and knocked her down and out, and she was tied up by Lincoln firing two red energy blasts from his massive white angel wings. Luna's arm came out and grabbed Lola and dragged her back to The Loud House to her doom.

Past Lola: YOU WILL PAY! YOU HEAR ME, PAY!

Past Lincoln: Whoa, now that was so awesome!

Past Adreana Metrodora: No one's messing with my man, especially not that two-faced, pink-wearing, snooty, snobby, blackmailing pageant demon.

Adreana Metrodora and Lincoln went back to the hot springs pool as they removed the towels and she swam up to Lincoln and placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, so you kicked Lola's hide and Lincoln tied her up only for her to get dragged back to The Loud House by Luna, that was awesome!

Luna: That little monster messed with the darkness alien chick, and she went down hard.

Me: And Lincoln told us of what Lola tried to do, and the rest of his sisters wanted her head on a pike.

Nico: Damn!

Laney: But, Lincoln and I stopped us, and we left it to Mom and Dad who grounded Lola for fifteen weeks, and this was because she ordered Lincoln to be doing nothing but her bidding and being a miserable sad sack for her to abuse and kill. We were that close to having her head on a pike, that evil sociopathic blackmailing rampaging demon!

We got a shower, and then, Lincoln, Dora, Forsythia, Jessica, Penelope, and Moria are heading to Oval Beach in Saugatuck, Michigan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Dora, Forsythia, Jessica, Penelope, and Moria were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Dora, Forsythia, Jessica, Penelope, and Moria had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Catherine Mason has sent some thugs to kill them.

Forsythia: Wow, so this is Oval Beach, it truly is beautiful!

Lincoln: It sure is, Forsythia, and it's perfect for our first date before Lewa's big mission. Shall we?

Lincoln, Dora, Forsythia, Jessica, Penelope, and Moria dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Dora, Forsythia, Jessica, Penelope, and Moria got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw the hired thugs of Catherine Mason coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Dora, Forsythia, Jessica, Penelope, and Moria, and they hugged the girls in their abnormally massive and powerful muscular arms, and Dora, Forsythia, Jessica, Penelope, and Moria placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Oval Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Dora, Forsythia, Jessica, Penelope, and Moria with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Dora, Forsythia, Jessica, Penelope, and Moria are now in your harem.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Dora, Forsythia, Jessica, Penelope, and Moria, now he's really going to get it.

Lincoln: And we also had a run-in with Catherine Mason's hired thugs, but I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Catherine Mason scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and we're continuing to drive Brianna Greyson insane with rage, but come the day we get after her, she'll suffer for everything she's done before we end her for good.

* * *

We were in the park and Poliwag was practicing.

Granny Smith: Poliwag, why don't you show us how you've been practicing your Bubblebeam?

Poliwag: Sure Granny Smith.

Poliwag spun his tail like a helicopter and fired Bubblebeam blasts from above and blasted the water of the lake all over.

Me: Wow! Awesome Aerial Attack and Flanking Maneuvers.

Qin: They sure are.

Nico: Very well thought up.

Poliwag: Thanks Nico. Thanks guys.

Unfortunately, one of the Bubblebeam attacks accidentally hit a baby stroller.

Me: Uh oh! RUNAWAY STROLLER!

Poromon: LETS GO SAVE HIM!

The Mascots went after the baby! A WOMAN SCREAMED!

Applejack: Okay, all we have to do is catch up to the stroller. Should be easy, right?

Me: Lets go! (WHISTLES)

I called my Rapidash and got on and we were off!

Me: HYAH!

We were off!

We went at the stroller!

Manaphy: A construction site? Should be easy.

Me: Not just a construction site!

We saw that it was a DEMOLITION ZONE!

Me: They're blasting!

Nico: UH OH!

Horsea: Well, this is gonna be explosive.

Me: Mascots hop on!

They hopped on to me.

Me: I got an idea.

I formed a lasso and then spun it around and then threw it and then it grabbed the stroller and I pulled and it came to us and Nico stopped it and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion and the whole building that it blasted came crashing down and we saved the baby just in time!

Applejack: YEEHAW! That was fine roping!

Poromon: Aww, look at the baby.

Me: That was a close one.

He was trying to catch a butterfly.

Horsea: (looks around) Um… guys?

We saw explosives around us! Then we saw that the baby was near a detonator.

Poromon: Listen, we don't want any trouble!

The baby looked at us.

Poliwag: We just want to return you to your mother.

Horsea: Your mommy!

Poromon: So back away from that detonator and no one gets hurt!

The baby cheered obliviously and continued reaching for the butterfly, unknowingly pushing down on the detonator.

Manaphy: Well, fuck.

The baby pushed down on the detonator fully.

WE BRACED OURSELVES FOR THE BLAST! But thankfully the detonator wasn't connected to any bombs.

Me: Oh not connected. WHEW!

I went over and picked him up.

Me: You need to be careful little one. You would going to be hurt.

Horsea: (smells something) What's that smell?!

Me: Oh looks like he needs his diaper changed.

I brought out me portable diaper changing station and changed his diaper and threw the dirty diaper away and then cleaned him up and gave him a new diaper and he was changed.

Me: There.

Sakura Knudson: Boy bro you sure know a lot about parenting.

Me: Lots of experiences. Lets get this little guy back to his mother.

We went back to the park.

Hun Gurr: A baby in a demolition site! That was very dangerous!

Me: You're not kidding.

We got back to the park.

Mother: My baby!

I gave him to her.

Mother: Oh thank you J.D. You and the mascots saved my little Harry's life.

Me: We all did actually. We're glad he's going to be okay.

Poromon: Yeah.

Me: We changed his diaper too so he is going to be fine.

Poliwag: He nearly killed us!

Lincoln: Poliwag, it was YOUR Bubblebeam that hit the stroller in the first place.

Me: Lincoln that was an accident.

Poliwag: Yeah I didn't mean to hit it.

Mother: It's okay Poliwag. Just try not to hit my stroller next time.

Poliwag: I won't.

Mother: Good.

Nico: That was a still a close one.

?: Aw man I missed that whole thing.

We saw a Genesect.

Me: Whoa a Genesect.

Nico: Cool!

Genesect: (In a girls voice) That was so awesome though.

Nico: Zoe Paleozoic! Wow!

She reverted back and was a girl with purple hair, purple eyes, had purple angel wings and had purple clothes on.

Zoe Paleozoic: I'm just glad the baby is safe.

Nico: Me too.

Qin: Awesome to see you again Zoe.

Zoe Paleozoic: Same here Qin.

Snarl: What you Zoe's favorite memory of Nico?

Zoe Paleozoic: Well I have a lot of them. But my favorite is when me and Nico found Carboniferous fossils in Eastern Russia and they were amazing. I have lived for over 450 million years and saw many fossils.

Me: Wait you lived for over 450 million years?

Zoe Paleozoic: I sure have and it was because I was hit by cosmic radiation that gave me immortality and invincibility. I was accidentally sent back in time to 450 million years ago and I got hit by cosmic radiation that did that to me.

All of us: WOW!

Nicole: That is incredible!

Lola: It sure is.

Camie: Yeah!

Nico and Zoe hugged.

Nico: I've really missed you Zoe.

Zoe Paleozoic: Me too Nico. Me too.

Volcana: A construction site would've been a lot safer for that baby.

May: No, it wouldn't have been!

Me: I agree. But right now we shouldn't argue.

Nico: J.D. is right. We need to get ready for Lewa's big day mission today.

Lewa: Yeah this will be fun!

Xenia: It sure will!

Sakura Knudson: I agree there!

Lola: Yeah!

Nico: Lets head home and get ready.

We went back to the estate and got ready. We got weapons ready for war and more.

We had guns, bazookas, knives, machine guns and more.

Me: (To the viewers) Boy we're really going into war aren't we? Well this is going to be like what happened back in World War II except here we are 79 years later.

Nico: That's right.

We were ready for action.

The previous group came.

Spymaster: Can me, Electro, Moonstone, Scorcher, Evil Lyn, Hydros, Leap Frog, Dark Spicer, Avalanche, and Tri Klops go with you guys?

Nico: Yes you all can come with us and this will be so awesome and fun.

Qin: It sure will.

Lola: I can't wait to kick some butt!

Nico: Me too.

Solar Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm hoping for Chesnaught, Delphox and Greninja next.

Qin: Whoa! Those three will be awesome.

Me: Especially the Greninja. That one will be fast and awesome.

Lola: It sure will.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Catherine Mason of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Catherine Mason of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Lewa: While you, Ms. DiMartino, and I deal with Catherine Mason and put an end to her for good, Lincoln.

Lincoln: Right, Lewa. But, we also got to watch it though, Catherine Mason will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to meet with Valiant and his friends.

Lincoln: And we're going to destroy that evil Nazi Falcon, Von Talon, and make him pay for his crimes in blood, and once we get done destroying Von Talon, you're next, Catherine Mason.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Ms. DiMartino: No way are we forgiving you for any of your actions, Catherine Mason, you better be ready to pay the price for your foul misdeeds after we destroy Von Talon.

Lewa: Hang in there, Valiant, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to help Valiant and his friends destroy Von Talon, and after we got through with Von Talon, it would soon be the turn of Catherine Mason of The Legion of The Lincoln Haters to meet her fate with The Grim Reaper and The Black Gates.

We were off to Normandy!

---

We arrived in Normandy. We were at the village of Arromanches-les-Bains.

Moonstone: Is this it?

Me: Yep. Welcome to Normandy.

Nico: This is it guys.

Me: Yep. 79 years ago at this very area on June 6th, 1944 was the site of D-Day.

Nico: Yep.

Lewa: So awesome.

Me: Yep. That was one of the most decisive battles during World War II.

Moonstone: Wow that is amazing.

Then we saw Valiant and friends.

Kraven: (Russian Accent) Hello, Comrade Valiant!

Valiant: Hey guys! You all made it!

Lewa: We sure did!

Victoria: We're glad you all came too.

Nico: Wouldn't miss this for anything.

Hydros: Can we talk more at your base?

Valiant: Sure.

We followed them to his base.

Qin: This is going to be awesome.

Lola: It sure is.

We arrived and it was a great base like always.

Bugsy: Hey guys!

Me: Hey Bugsy!

Heckyl: This is a nice base

Valiant: Thanks. It's home.

Lola: It's awesome.

Varie: It sure is.

Dark Spicer: You guys are several of the pigeons who we really like.

Nico: That's right.

Valiant: That is really cool and awesome.

Qin: It sure is.

Lola: We all think that is cool.

Camie: We all think that is really awesome ourselves.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to Valiant and his friends) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Cindersaur: We apologize for this.

Valiant: (LAUGHS) Hey that is really cute Poromon.

Poromon: Thanks.

Valiant: But Pigeons can't drink beer unfortunately.

Qin: Yeah.

Poromon: Darn.

Gypsy: In the future, you COULD open a liquor store.

Tri Klops: Seriously?!

Me: Oh boy.

Nico: Yeah.

Jamesdean5842: That would be a bad idea.

Valiant: So, what's Gotham Royal York like?

Me: Really awesome.

We told them what it's like and it is a really awesome place.

Qin: It's a great city and loaded with many things and more.

Nico: There's even a park.

Me: Yep. It's a beautiful park.

Qin: It sure is.

Lola: We all hang out there to relax.

Lana: It's fun and great.

Xenia: And the flowers are beautiful.

Valiant: That is amazing.

Horsea: But there's lots of not so nice things there. LIKE THE BLOOD AND HONEY MOVIE! (Shows trailer close to Valiant's face) LOOK AT IT!

Ghuul: I knew this was coming.

Me: Oh for fucks sake!

UGH! ROUNDY SPINNY THING MAGISWORD.

I calmed her down.

Valiant: What was that about?

Me: We saw the trailer for this dark version of Winnie The Pooh called Winnie The Pooh Blood and Honey and it shows Pooh and Piglet as feral psychotic serial killers. Terrible movie.

Valiant: What about the other 100 Acre Wood animals?

Avalanche: They aren't available for Public Domain yet.

Gypsy: Makes sense. Rabbit's a herbivore anyway.

Me: Trust me guys, you don't want to know.

Valiant: i see.

Xenia: Yeah.

Lola: It's crazy.

Jack Spicer: We want to thank you guys for helping out against Freakzekiel.

Ezekiel: Yeah we really owe you for that one eh.

Me: Sorry you had to see me eat his heart.

Valiant: No worries. But good riddance there.

Lola: Yeah that's another Sore Loser gone.

Qin: Yep.

Lana: Yeah.

Leap Frog: So, have things been peaceful here since then?

Valiant: So far. But Von Talon is coming.

Me: Can you tell everyone about him?

Valiant: I sure can.

He did so.

In May 1944, 5 years since the declaration of World War II, three Royal Homing Pigeon Service war pigeons are flying across the English Channel with the White Cliffs of Dover in sight, carrying vital messages to Great Britain. Despite the poor weather conditions, the pigeons have nearly reached their destination. However, they are suddenly ambushed and attacked by a villainous German enemy falcon named General Von Talon and his two henchmen Cufflingk and Underlingk; two of the pigeons are instantly killed, yet the third, Mercury, is taken as a prisoner of war.

Although Mercury is captured, he resists interrogating to Von Talon where the messages were meant to be departed. So Von Talon and his goons resort to torture in order to get Mercury to crack the location. First, they try blasting him with Werner Bruggemann's Da Jodel Rudel playing over the intercom, but despite the loud annoying yodeling, Mercury still does not crack. Von Talon then injects Mercury with a truth serum. While Mercury tells the truth, he still refuses to actually tell them what they want to know, and instead babbles on and on, annoying them until he accidentally reveals the location: Saint-Pierre.

In France, the war pigeons come under attack by Underlingk and Cufflingk, resulting in Bugsy and the message being captured. Von

Talon takes the message from Bugsy and decides to cage him up and eat him later. The troops follow Bugsy to the falcon's bunker, where Valiant takes advantage of his small size and sneaks into the bunker through the gun barrel, retrieves the message, and frees Bugsy and Mercury. Unfortunately, the falcons are alert and give chase. As Gutsy and the others fend off Underlingk and Cufflingk, Valiant flies to London to deliver the message followed closely by Von Talon.

After a climactic chase by the falcon, Valiant hides in the cottage where he lives, where he is attacked by Von Talon again. With the help of Elsa and Felix, Valiant finally defeats Von Talon by getting a giant hook caught on his medals, leaving him to be beaten senseless by the water wheel. It is unknown what happened to Von Talon after this but it can be assume that he got executed because his crimes.

When he was done we were shocked!

Me: This guy is Anti-God!

Lola: He sure is!

Nico: He is a monster!

Chef Pepperjack: Lunch is ready!

We got spicy burgers and chili and more.

Me: Oh boy!

Qin: Yummy.

We were eating awesome chili and burgers, burritos and more.

Evil Lyn: Do you like the food?

Valiant: Delicious!

Me: It sure is. (BURPS FIRE) Oh pardon me.

Nico: No worries. We love super spicy food.

Camie: We sure do.

Qin: It's awesome. (BURPS FIRE)

Xenia: It sure is awesome.

Heat Man: It's hot enough for me as well

Me: Always love good spice.

Nico: Hey J.D. I dare you to eat this whole jar of these.

He pulled out a jar of MOONSCAR ISLAND PEPPERS!

Qin: UH OH!

Me: I'll do it!

Everyone gasped!

I opened the jar and then I dumped the whole thing down my throat.

I swallowed it.

Valiant: Are you crazy?!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

I was engulfed in a massive fiery fire aura and my muscles grew slightly and I got stronger from the fire!

Me: Now THAT was some AWESOME HEAT!

Chef Pepperjack: (LAUGHS) OOOWEE! That was great spice!

Valiant: J.D. you are one AWESOME spice demon.

Me: Yep.

Valiant: Are you okay?

Me: Never better.

Qin: That was awesome.

Shaggy: Like yeah! J.D. is the ultimate spice demon. He eats EVERYTHING spicy.

Lola: He sure does.

Valiant: (LAUGHS) That is an awesome iron mouth and stomach you have there.

Qin: (LAUGHS) It sure is.

Scorcher: That was as hot as me!

Nico: It sure was.

Me: Yep.

Qin: Awesome.

Lola: Never underestimate the power of J.D. the Ultimate Spicy Demon.

Lana: That is for sure.

Laney: Oh yeah!

Valiant: So, has your mouth cooled off?

Me: Yes it has.

Nico: He cools down fast after absorbing the fire.

Qin: Yeah.

Camie: But that is funny though.

Me: Now that the fun and meal is done, it's time for action.

Nico: Anyway, how about we start off with the usual battles?

Valiant: All right then.

Me: Lets do it.

Qin: Cool.

Lana: Okay.

We went outside.

Maria: Here they come.

She called them in.

Then Captain Cold, Major Disaster, Common Cold, Man Ray, Cluemaster, Mysterio, Cantwell, Brain Freezer, P'andor, and Baron Mordo appeared.

Nico: Captain Cold, Major Disaster, Common Cold, Man Ray, Cluemaster, Mysterio, Cantwell, Brain Freezer, P'andor, and Baron Mordo.

CantwellL (to Lisa Simpson) How was your sleepoveer?

Lisa: It was good!

Me: They had a lot of fun.

Captain Cold: (laughs) Especially when Alex kissed Nico?

Nico: That was unexpected.

Me: It was a dare for Truth or Dare.

Major Disaster: Either way, you guys probably had fun.

Nico: Yep

Common Cold: (to Nico) We're sorry about the Empty Head Society.

Nico: No worries. It was funny though.

Man Ray: But at least you got to hang out in good old Bikini Bottom.

Me: Yeah that was true.

Stingrage then appeared.

Me: Stingrage. Awesome.

Stingrage: Yep. It will be fun.

Lola: Yep.

Stingrage: So, no Hitotsuki today, huh?

William: I think I probably know the reason for it.

Me: Yeah and it's Lewa's big mission.

Qin: Yeah.

We got the battles underway.

Qin, Vixen, Theo Martin, Lily Chillman, R.J., Dominic, Sunset Shimmer, Pipsqueak, Fire Skylanders, Volcana and Torch Man VS Captain Cold, Evil Blizzard Man, Mophead (Sailor Moon), Boba Fett, Praxina, and Mephisto- Nico's rescues on a Chili Dog Planet and in Bikini Bottom

---

Captain Cold was first.

Captain Cold: (to Qin) Nico's rescue yesterday was on a Chili Dog Planet. And his rescue today was in Bikini Bottom.

Qin: The Chili Dog planet was really awesome and man did Sonic and Tails love it! There was enough chili dogs for them to feast on forever!

Vixen: There sure was and it was awesome and delicious.

Theo Martin: It sure was. The chili was awesome.

Lily Chillman: It sure was.

R.J.: Boy I'll say!

Dominic: That is an awesome planet. It's like we were on Coney Island and had chili dogs all the time.

Sunset Shimmer: It sure was awesome! Everyone loves good chili dogs.

---

Common Cold was next.

Common Cold: (to Robin) Lincoln's rescues were as awesome as always. He defeated enemies from his past.

Robin: He sure did and it was so awesome. Yesterday they faced Joyce Crandall.

Common Cold: That greedy land developer that tried to turn Royal Woods into a 6th Great Lake!?

Robin: That's right and Lori faced an enemy from her past too and her name is Helena Morgana and she had REALLY NASTY PROBLEMS!

Common Cold: What happened?

Robin: I'll tell you both stories.

FLASHBACKS

(Yesterday)

Lincoln: Uh oh, we're here in The Uranus Prison, and I know what we're going to do here, not only am I going to rescue the six girls here, but we also got news from the Warden: Joyce Crandall, the heartless greedy bitch who tried to flood Royal Woods and got fired long ago, has finally lost her mind thanks to her combined hatred of me and my family, along with seeing her dreams of flooding and destroying Royal Woods to create another Great Lake for her tourist attraction and getting hit with The Mammon's Infernal Greed Vengeance Curse after we took her down last year, and she's on the rampage in The Uranus Prison. But, we're not going to take that lying down, just like with Morag, Joyce Crandall is going to be taken down for good and she's getting The Black Gates where she will never hurt anyone or destroy another town for her selfish greed ever again.

Laney: That heartless home-destroying greedy harpy, now she's gone way too far! We should've killed her last year.

Lincoln: But, where's the fun in that? Besides, I wanted to see her mind destroyed forever with the combination of both her hatred of me and the family, along with seeing her dreams of flooding and destroying Royal Woods to create another Great Lake for her tourist attraction and getting hit with The Mammon's Infernal Greed Vengeance Curse after we took her down last year.

Nico: So, you waited until she finally snapped big time, so we can put her out of her misery? (Smirks) Nice one.

Me: Yeah, I got to admit that was a smart move. Now, we can give her The Black Gates, just like what you did to Morag, Lincoln.

Lincoln: Exactly, plus, I also got it broadcasted to our resident jerks at Dad's restaurant, specifically Flip who's done a lot of dirty schemes and crimes and all to satisfy his greed and desire for money.

Eli: Nice.

Rarity: They always say that patience is a virtue. Say, June, how did Rayman teach Dennis a lesson whenever he made those snide insults at you?

Juniper Lee: (Snickers) That still cracked me up to this day.

Rayman: Me too.

Rayman made a viewing mirror of that event two days ago.

Juniper Lee: Well, two days ago, Rayman was talking with both my parents and Ah Mah about what he had planned, but then, he felt a disturbance and he ran to the living room where he ran into me and Ray Ray of course making fun of Dennis again. But, when Dennis called me a buttface, I was about to call him a hairless wonder, that was until Rayman tapped Dennis on the shoulder and he had a look in his eyes, and I knew it was going to get ugly.

Past Rayman: You and me, backyard, now!

Past Ray Ray: Oh man! Oh, this is going to be so awesome!

Me: Uh oh, when he heard that snide insult from Dennis' mouth, he took offense, didn't he?

Juniper Lee: Yep, it was going to get ugly big time, and by then, we were at the backyard, and Dennis had out his wand.

Past Dennis: This'll be easy to fight someone who has no limbs.

Past Rayman: (Smirks) Heh, that's what you think because I'm not the same as I was two years ago.

Suddenly, Rayman took off his long long-sleeved white trenchcoat showing he had really muscled arms, legs underneath his long dark purple pants, and a neck.

Juniper Lee: And when he saw Rayman had both really muscled arms, legs, and a neck, Dennis went white as a ghost, Ray Ray, Monroe, and I almost burst out laughing.

Past Jasmine Lee: Oh, this should be a good match!

Dennis was about to fire blasts of magic from his wand, but Rayman fired an energy fist which took his wand and gave it to Jasmine Lee.

Past Dennis: Hey!

Past Juniper Lee: He wants to settle it fist to fist, so no using your magic wand. Besides, he's also an expert on magic, Hairless

Wonder.

Past Jasmine Lee: Fair's fair, Dennis, you have to play by the rules.

Past Dennis: Okay, Ah Mah.

Past Rayman: Alright, then, bring it on!

Dennis ran at Rayman, but being a natural-born fighter, Rayman used a clothesliner on him, and he'd followed with a roundhouse kick.

Past Ray Ray: Aw man, he used a clothesliner and roundhouse kick. AWESOME!

Past Juniper Lee: Just one clothesliner and roundhouse kick, and already, he has Dennis on the ropes.

Finally, Rayman used a cobra clutch on Dennis and pinned him to the ground.

Past Rayman: You want to tap out, now's your chance.

Dennis tapped out, and Rayman got off and helped him up.

Past Jasmine Lee: Looks like Rayman won the match and taught Dennis a lesson.

Past Rayman: Now, are you going to try not to insult your sister? I don't want to have to teach you another lesson.

Past Dennis: Okay, I promise not to make any snide insults to my little sister.

But, he had his fingers crossed, and June smirked.

Past Juniper Lee: Rayman, he had his fingers crossed!

Past Rayman: He what?!

When June took out his hand and saw his fingers were crossed, Dennis freaked out and he ran with Rayman running after him.

Past Rayman: Dennis, you get back here and take your lumps like a man!

We laughed as the viewing window vanished.

Nico: Oh man, Rayman really laid quite the smackdown on your older brother.

Juniper Lee: He never ceases to amaze me, and he really taught him a lesson.

Me: And when you saw Dennis had his fingers crossed, you pulled a Lola on him.

Lola: Really slick, and it was so funny seeing Rayman chase after Dennis like that and yelling for him to take his lumps like a man.

Rayman: Luckily, he swore not to cause any trouble until the day of our wedding, and Monroe is also going to keep an eye on him and Ray Ray. Now then, let's go and teach that greedy harpy a lesson she will carry with her to her grave.

We travelled through the Uranus Prison, and it was a mess thanks to Joyce Crandall's very ugly and very nasty rampage. Suddenly, we saw Alien Hunter appear before us and with it are the six girls.

Rarity: My word, that's Alien Hunter.

Alien Hunter: (Girl's voice) Sorry about that, but I managed to get the girls away from that psychotic crazy bitch, and I also drenched her before we ran.

Lincoln: (Gasps) That voice, Marina Kaimana, I knew it was you.

?: (ENRAGED SCREAM) YOU LOUDS WILL ALL PAY FOR RUINING MY TOURIST ATTRACTION!

Suddenly, we saw our target: Joyce Crandall, and she has now officially lost her mind thanks to her combined hatred of Lincoln Loud and the Loud Family, along with seeing her dreams of flooding and destroying Royal Woods to create another Great Lake for her tourist attraction and getting hit with The Mammon's Infernal Greed

Vengeance Curse after she was taken down last year.

Rarity: My word, you really made her lose her marbles, Linky.

Sylvester: All the better to put this monster down once and for all.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Cowart, Ets, Ken, Nico, Nicole, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after Joyce Crandall, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a blue energy blast which hit Joyce Crandall, and she was obliterated forever and she was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Warden: Thanks for getting rid of her, Lincoln. She went completely insane and she went on a violent rampage mongrelizing the other inmates and she even badly injured some of the guards.

Lincoln: We'll make sure they're tended to, Warden.

Varie healed the injured guards, and we tended to any injured inmates who also got hurt by Joyce Crandall on her violent rampage, and then, we all went back home, and just in time too, we soon heard Flip's bellowing voice swearing revenge on us.

Me, Nico, Eli, and Qin: Yeah, fuck you too, you mutant cheapskate!

Lori: Flip's such a total blowhard.

Luna: He's lucky we're not killing him, we killed him once, but now, he's getting humiliated for the rest of his miserable life.

Lincoln: And we're already making his life a total misery by humiliating him and the other jerks in the process. But, Joyce Crandall was worse than Flip: she wanted to destroy our home and turn it into another Great Lake for her tourist attraction and to line her pockets, so yeah, she was one jerk who needed to be forgotten for good.

Me: And you made sure of that, Lincoln.

Lincoln: I sure did.

Nico: And you were right to say she's just like Morag: she was absolutely insane, psychopathic, evil, heartless, selfish, and greedy, and she deserved to get sent to The Black Gates for what she tried to do, and I can guess she's done this to so many other innocent people.

(TODAY)

Lincoln: Whoa, we're here in China, and I know what we're going to do here, not only am I going to rescue the five girls here, but we also got some bad news: an old enemy has come back, and it's not one of my old enemies. Lori, I hate to say it, but, she's back.

Lori: (Gasps) Oh no, not her!

Nico: Who?

Lincoln: Helena Morgana.

Me: Oh, I remember her all too well.

Lori: Same here, she's the meanest and nastiest monster bully who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until I defeated her and with help from Lincoln and his Guardian Angels, exposed her for who she really is, and she got expelled. This was five years ago and right around the same time Brianna Greyson and her bitch herd got expelled as well. But, before Helena was taken away, she swore she'd have her revenge on me.

Lincoln: And now, five years later, she's broken out of prison and she's out for Lori's blood, but we're not going to let her get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before I put a lethal curse on her: if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever.

Luna: She's in every way like Amy McKale, she was extremely cruel, excessively sadistic, and evil to the bone, and even worse, those two once teamed up and caused a ton of havoc on the school and it was after Amy broke out of prison yet again.

Luan: It was absolute madness, they caused tons of damage and destruction to the school and they'd beaten up and brutally injured the students and teachers, that was until Selene Arcangela, along with Selene Emperyous and her sisters, pummeled the two of them into the dirt, and not only did Amy McKale get sent back to prison, but Helena got hit with a three month suspension by Principal Rivers.

Leni: We couldn't stand her, but what could anyone do? She was also extremely violent and she was just as, if not, even worse than Amy McKale.

Nico: So, we got another Amy McKale-style situation, but this is one from Lori's past.

Lincoln: Right.

Juniper Lee: Hope someone's got a straitjacket or some rope for that animal, 'cause she'll try to get loose after we take her down.

Suddenly, we saw Alien Mother appear before us and with it are the five girls.

Draculaura: (Transylvanian Accent) Wow, that's Alien Mother.

Alien Mother: (Girl's voice) Sorry about the scare, but I was able to get the girls away from that evil bloodthirsty bitch before she could kill them to slake her thirst for blood.

Lincoln: (Gasps) That voice, Adreana Metrodora, I knew it was you.

?: (ENRAGED SCREAM) LORI LOUD, YOU, YOUR BROTHER, AND THE WHORES ARE GOING TO DIE FOR RUINING MY REIGN, YOU STUPID BITCH!

We then saw our target heading our way, it was Helena Morgana, a girl with wild brown hair, black eyes full of hatred and insanity, and she has on an orange prison jumpsuit, and she was completely insane.

Lori: Helena, looks like five years haven't been kind to you at all.

Helena Morgana: I WILL RIP YOUR FUCKING HEAD OFF!

Sylvester: Okay, buster, you asked for it.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: No one threatens my sister and gets away with it. Let's turn that bloodthirsty bitch into a human pretzel!

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel-Demon Hound-Harmony Celestial Eternal Xelnaga Stellar Blood-

Then, Juniper Lee and Rayman tied Helena Morgana up in a straitjacket and rope, and Lincoln gave her The Titania's Blood Rose Blossom Vengeance Curse and had her beamed to The Uranus Prison where she will die soon. We cheered as we holstered our weapons and powered down.

FLASHBACKS END

When they were done Common Cold and the group were shocked!

Common Cold: (SNEEZES!) WOW! That is amazing!

Beard Deer: That is really awesome!

Dark Magician Girl: It sure is and I am glad that we have seen the last of Joyce Crandall!

Apple Magician Girl: Yeah she was a monster and a menace to the entire Uranus Prison.

Lemon Magician Girl: And Helena Morgan was cursed with the Titania's Blood Rose Blossom Vengeance Curse and she will be dead and banished to the Black Gates in a few days.

Naomi Yumiko: That is for sure. I hope she likes the Black Gates.

White Walker. Frostwrath and Algata agreed.

Twilight Sparkle: I'm glad those monsters are getting what's coming to them.

Starshine Sparkle: Same here. Joyce Crandall would have killed thousands of innocent people had she done her plan.

Spyro: And all this to build a lake for her mother.

Common Cold: Yeah no kidding! (SNEEZES!)

Robin: Bless you.

Common Cold: Thank you. Lets do it!

Robin and team used fusions for Timaeus and the Magicians and their rider cards and they got awesome new dragons and weapons and they fired waves of magic and energy and smashed them down.

## Gali, Sailor Saturn, Destiny the Whale Shark, Dory, Nemo, Bailey, Rarity, Sweetie Belle, Water Skylanders, Rico the Robot and Heckyl VS Man Ray, Swamp Witch, Evil Skarr, Scythe 2.0, Pinface, and Mandy the Merciless - Meeting Gene-slammers for Alien Hunter and Alien Mother

Man Ray was next.

Man Ray: (to Gali) I heard you guys met Gene-slammers for Alien Hunter and Alien Mother. What are their names?

Gali: Their names are Marina Kaimana and Adreana Metrodora. One is for Water and the other is for Darkness.

Sailor Saturn: They are both elemental Aliens called Hydrosapiens and Umbrasapiens.

Destiny: I think they are amazing. The Elemental Aliens are awesome.

Dory: They sure are. Who are they again?

CURSE THAT SHORT TERM MEMORY LOSS.

Nemo: They have awesome powers and their stories are awesome too.

Bailey: Awooo they sure are amazing.

(YESTERDAY)

Nico: Yep. So, Marina, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Marina Kaimana: I do have a video of one memory, it was with me and Lincoln at Lake Michigan.

Marina Kaimana pulled up a video and it played on the screen, and it showed Lincoln in a large orange speedo and Marina in her true form and wearing her aqua blue ocean wave two-piece bikini, and they were enjoying a day of fun.

?: LLLLLLLLLOOOOOOOOOOOOOOUUUUUUUUUUUUUDDDDDDDDDDD

Past Marina Kaimana: What the heck was that?!

Past Lincoln: Ugh, I'd recognized that bellow of rage and the stench of an unwashed cheapskate from anywhere, it's Flip, and it sounds like he's on the rampage again!

Marina and Lincoln got up from the sand, and they saw Flip come out with red eyes of hate and he was foaming at the mouth, and he had a knife in his hand.

Past Lincoln: This again, you mutant cheapskate! Looks like I need to knock you down again!

Past Marina Kaimana: No, Linky, I got this.

Flip bellowed like a mad bull and came charging at them, but Marina

Kaimana fired two powerful water waves which hit Flip, and sent him flying right back to the prison he busted out of.

Past Lincoln: Whoa, now that was so awesome!

Past Marina Kaimana: No one's messing with my man, especially not the stupid, greedy, hairy, smelly, three butt-cheeked mutant cheapskate of Royal Woods.

Marina Kaimana and Lincoln kissed as the video ends.

Nico: Whoa, so you kicked Flip's mutant hide and sent him flying back to prison, that was awesome!

Luna: That mutant messed with the water alien chick, and he went down hard.

Me: And Lincoln told us of what Flip tried to do, and we wanted his head for what he tried to do, and I cursed at Flip calling him a ton of profanities and curses.

Nico: Damn!

Laney: We were lucky to cover Lily's ears so she couldn't hear any of his profanities and curses, and we had to wash his mouth out with soap.

Sumner: You got that right.

Sakura Knudson: Jeez, I never knew you had quite a foul mouth, J.D.

Me: Unfortunately, I do, and I was so mad at that mutant, he deserved it big time.

(TODAY)

Nico: Yep. So, Adreana, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Adreana Metrodora: I do have a video of one memory, it was with me and Lincoln at our secret hot springs.

Adreana Metrodora pulled up a video and it played on the screen, and it showed Lincoln in a large orange speedo and Adreana in her true form and wearing her dark purple and black two-piece bikini, and they were enjoying a day of fun in the hot springs.

?: LINCOLN! I'M GOING TO KILL YOU FOR DEFYING ME!

Past Adreana Metrodora: What the heck was that?!

Past Lincoln: Ugh, I'd recognized that scream from anywhere, it's Lola, and it sounds like she's on the rampage again!

Adreana and Lincoln got up from the hot springs and were in their towels, and they saw Lola come out with red eyes of hate and she has a red face and her teeth were turned into sharp fangs, and she was roaring with rage.

Past Lincoln: This again, Lola! This is getting old really fast! Now, you leave me no choice!

Past Adreana Metrodora: No, Linky, I got this.

Lola screeched like a madwoman and came charging at them, but Adreana Metrodora fired two powerful blasts of darkness which hit Lola, and knocked her down and out, and she was tied up by Lincoln firing two red energy blasts from his massive white angel wings. Luna's arm came out and grabbed Lola and dragged her back to The Loud House to her doom.

Past Lola: YOU WILL PAY! YOU HEAR ME, PAY!

Past Lincoln: Whoa, now that was so awesome!

Past Adreana Metrodora: No one's messing with my man, especially not that two-faced, pink-wearing, snooty, snobby, blackmailing pageant demon.

Adreana Metrodora and Lincoln went back to the hot springs pool as they removed the towels and she swam up to Lincoln and placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, so you kicked Lola's hide and Lincoln tied her up only for her to get dragged back to The Loud House by Luna, that was awesome!

Luna: That little monster messed with the darkness alien chick, and she went down hard.

Me: And Lincoln told us of what Lola tried to do, and the rest of his sisters wanted her head on a pike.

Nico: Damn!

Laney: But, Lincoln and I stopped us, and we left it to Mom and Dad who grounded Lola for fifteen weeks, and this was because she ordered Lincoln to be doing nothing but her bidding and being a miserable sad sack for her to abuse and kill. We were that close to having her head on a pike, that evil sociopathic blackmailing rampaging demon!

FLASHBACKS END

Man Ray: Wow that is really amazing! They really smashed Flip and Lola all over huh?

Rarity: They most certainly did darlings and it was really good.

Sweetie Belle: That is for sure and it was amazing.

Gill Grunt: It was really awesome too.

Man Ray: I agree there. Lets do it!

Gali and team used fusions for Hermos and the Ocean Dragon Lord monsters and their rider cards and they got awesome weapons and they fired waves of water, ice and jewels and smashed them down.

Everyone in the audience began sharing their energy with the Valiant and his friends. And soon, Valiant found the strength to get up.

Valiant: You Nazis will never win the war. Not while I draw breath!

Tsukasa brings out his magenta belt and slaps it on his waist.

Tsukasa: Henshin!

With that, Tsukasa inserts his card into a slot on the driver and then pushes the sides in, twisting the device 90 degrees, obscuring the card slot.

Neo Decadriver: Kamen Ride! Decade!

As the pronouncement is made, Tsukasa's familiar pink and black suit is formed by nine blurry images of it consolidating onto him before the barcode pattern forms across the helmet's green eyes, generating the magenta hue the suit is known for.

Daiki: Time to follow suit.

With that, Daiki pulls out a card bearing an image of his Rider suit's head and his gun. Daiki slides the card into a gap in the side before extending the barrel out forward, revealing the back of the card)

Neo Diendriver: Kamen Ride!

Daiki: Henshin! (Pulls the trigger)

Diendriver: Diend!

As the trigger is pulled, Daiki is surrounded by red, green, and blue copies of his armor, over which stands a blue barcode like symbol. Eventually, the armor copies consolidate onto him, at which point the barcode applies itself to Daiki's head, giving the blue color to the rest of the armor.

Maria: (TURNS DIAL) PUPPET MASTER 6!

She summoned Puppetmon, Cyber Cat, Kasumi Clone, Stone Head, Stone Head, Evil Persephone and Phantom Puppet Master along with all the Puppet Villains and the Stone Villains!

Megaforce Rangers: LEGENDARY RANGER MODE! HYPERJET SQUAD!

The Megaforce Rangers turned into the Jetman!

Lewa: Alright, that is it, I've had it up to hear with you to last an eternity, Von Talon.

Suddenly, Lewa's sky blue eyes turned neon sky blue, and he was surrounded by a sky blue and green energy aura with winds, Air Toa, and phoenixes, and as he approached Von Talon, he left sky blue and green energy, winds, Air Toa, and phoenixes with every step.

Lewa: You really make me sick, Von Talon, what you and your Nazi henchmen have done can never be forgive, you have committed the same magnitude of crimes as the Nazis and Hitler himself, and for what you've done in trying to kill Valiant and his friends, that is an unforgivable crime that can't go on any further. As the Toa Mata of Air, I refuse to let you live a single second further, you will pay for hurting my brothers and sisters with your own blood.

Suddenly, Lewa was surrounded by a massive vortex of sky blue and green energy with winds and phoenixes, there are Air Toa and a Toa Mata and a phoenix flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Von Talon: the red eyes of death. Then, as the vortex faded, Lewa emerged, but he was changed forever.

Lewa grew to 7'5" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin, and green chin hair, he has long green hair going down to the bottom of his neck with sky blue highlights in the bangs of his hair, he has neon sky blue eyes and a sky blue and green energy aura with winds, Air Toa, and phoenixes surrounding him, he has a Toa Mata of Air with the Wind Kanji in its hands emblazoned on his forehead, he has phoenix earrings with green gems for eyes and the Wind and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with green gems embedded in the gold gust links and green crystal links and a green Air Toa-shaped Element of Harmony and on the bottom of The Element of Harmony is a phoenix with green gems for eyes and holding the Wind and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Lewa's wider and more muscular back is a phoenix and a Toa Mata of Air, and they're surrounded by winds. Suddenly, Lewa felt a sharp pain on his now wider and more muscular back, and then, massive green angel wings with sky blue and green tips on the feathers sprouted out of his now wider and more muscular back. Lewa has on a pair of large black pants with wind gusts on the legs, black ankle-high leather combat boots, large gold metal bands with green gems on his massive biceps and thighs, Lewa has on a Ring of the Phoenix with large green gem and heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand and orbiting around his legs are nine large green orbs.

Suddenly, Lewa's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of green and sky blue energy with winds, Air Toa, and phoenixes, and it also merged with his Wind Sword, and when it emerged, it's transformed into Lewa's Air Toa Greatsword of Flaming Justice, it's a brand-new large greatsword with the symbol of the Air Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged green blade, green Air Toa heads for the crossguard, large sky blue gem embedded in the rainguard, longer black handle, and massive fire-colored gem with surrounding angel wings for the pommel. Lewa has on his new large gold cuff Bracelets of the Champions of The Universe with green gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Air Toa head with sky blue gems for eyes and a large green gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his left hip and Eater of Sins revolver holstered on his right hip. There's a green kanji below the Air Toa and the

phoenix that said, "Lewa, Light-Hearted and Clever Toa Mata of Air and Member of the Toa Nuva, Brother and Teammate of Tahu, Vakama, Onewa, Whenua, Matau, Nokama, Nuju, Pohatu, Onua, Gali, Kopaka, and Takanuva, Loving Brother of Valiant and Friends and Many, Archenemy of Kitty, Destroyer of Tetridax and The Bohrok-Kal, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Wind, Air Toa, and Phoenixes"

レワ、気さくで賢い 空気 の トア・マタ であり、トア・ヌーバ の メンバーであり、タフ、バカマ、おねわ、時雨、マタウ、野釜、ぬじゅ、ポハツ、オヌア、ガリ、コパカ、タカヌバ の兄弟でありチームメイトです。 勇者と友と多く、キティの大敵、テトリダックスとボロックカルの破壊者、悪の破壊者とスレイヤー、混乱した、殺人的、無慈悲、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、風のマスター、エア・トーアとフェニックス

Lewa has transformed into SUPER ANGEL-AIR TOA-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA AIR TOA HURRICANE WINDSTORM TOA MATA ANGEL OF DIVINE AIR TOA HURRICANE WIND TOA MATA BROTHERHOOD BRAVERY JUSTICE AND DIVINE AIR TOA HURRICANE TOA MATA BROTHERHOOD BRAVERY WILL!

We were amazed by Lewa's Super Angel-Air Toa-Phoenix-Harmony Celestial Eternal Xelnaga transformation, but when Von Talon saw it, he went mad with rage and charged at Lewa to kill him, but Lewa fired a powerful barrage of green and sky blue energy, winds, Air Toa, and phoenixes at Von Talon, and they exploded as they hit him, and he was blown back into a tree, and this pissed the Nazi Falcon off big time.

Valiant: Wow, so that's…?!

Lewa: (Divine Echoing Cosmic Voice of The Hurricane Air Toa and Divine Air Toa Hurricane Wind Toa Mata Brotherhood Bravery Will) This is my Phase 1 transformation, Valiant, to take down Vol Talon. My Phase 2 transformation is coming up soon, and it's against a group of old enemies from Lincoln's past.

Lincoln explained to Valiant and his friends of The Legion of The Lincoln Haters, and when he was all done, they were horrified.

Valiant: Jeez, they're extremely worse than Von Talon.

Lincoln: Von Talon wanted genocide and world domination, Brianna Greyson and her gang not only wanted me dead, but they also wanted world destruction and genocide of everyone connected to me.

Me: In other words, they're extremely insane and dangerously evil monster bitches.

Nico: Yep, so far, Lincoln and several members of his harem have killed Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, and Elena Archer.

Eli: Now, we're going to destroy Catherine Mason, who's coming here, and all that's left are Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson, the leader of The Legion of The Lincoln Haters.

Maria: And from what we heard and saw from her deteriorating condition, she's one completely and absolutely insane monster bitch.

Lincoln: All of them are, and we know evil and insanity when we see it from a mile away.

Me: Von Talon, the Nazis all paid for their crimes just like you will and what they all did back over 80 years ago was completely unforgivable and they killed millions of innocent people in their beliefs of hate and evil! Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Catherine Mason.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Catherine Mason?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Catherine Mason of The Legion of The Lincoln-Haters, but we also saw Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson, who's already falling into madness heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Catherine Mason: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Suddenly, Lewa's sky blue eyes turned neon sky blue, and he was surrounded by a sky blue and green energy aura with winds, Air Toa, and phoenixes, and as he approached Catherine Mason, he left sky blue and green energy, winds, Air Toa, and phoenixes with every step.

Lewa: You really are just like what Lincoln said you are, Catherine Mason: pure evil, remorseless, black-hearted, sadistic, and absolutely ruthless, you deserved that punishment that my brother gave you five years ago, but to find out you broke out to get revenge on him five years later, I cannot let that go on any longer. As the Toa Mata of Air, I refuse to let you live a single second further, you will pay for hurting my brothers and sisters with your own blood.

Suddenly, Lewa was surrounded by a massive vortex of sky blue and green energy with winds and phoenixes, there are Air Toa and a Toa Mata and a phoenix flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Catherine Mason: the red eyes of death. Then, as the vortex faded, Lewa emerged, but he was changed forever.

Lewa grew from 7'5" to 7'9" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retained his eight-pack abs, tanned skin, and green chin hair, he has long green hair going down to the bottom of his neck with sky blue highlights in the bangs of his hair, he has neon sky blue eyes and a sky blue and green energy aura with winds, Air Toa, and phoenixes surrounding him and Third Eye with green iris, he has a Toa Mata of Air with the Wind Kanji in its hands emblazoned on his forehead, he has phoenix earrings with green gems for eyes and the Wind, Xelnaga, and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with green gems embedded in the gold gust links and green crystal links and a green Air Toa-shaped Element of Harmony and on the bottom of The Element of Harmony is a phoenix with green gems for eyes and holding the Wind, Xelnaga, and Eternity Kanjis in its claws for the pendant on his bare chest and green version of He-Man's chest harness with sky blue gems on the crisscross green straps and large circular chest piece with the symbol of the Air Toa on it, Lewa has on a pair of large black pants with wind gusts on the legs, black ankle-high leather combat boots, large gold metal bands with green gems on his massive biceps and thighs, and tattooed on Lewa's wider and more muscular back is a phoenix and a Toa Mata of Air, and they're surrounded by winds. Suddenly, Lewa felt a sharp pain on his now wider and more muscular back, and then, massive green angel wings with sky blue and green tips on the feathers sprouted out of his now wider and more muscular back. Lewa has on a Ring of the Phoenix with large green gem and heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand and orbiting around his legs are ten large green orbs.

Suddenly, Lewa's massive Air Toa Greatsword of Hurricane Justice and all the greatswords and swords along with his Wind Sword began merging together, and they were suddenly surrounded by a massive kaleidoscope of green and sky blue energy with winds, Air Toa, and phoenixes, and when it emerged, it's transformed into Lewa's Eternal Hurricane Air Toa Greatsword of Hurricane Air Toa Justice, it's a brand-new massive greatsword with embedded sky blue gems and the symbol of the Air Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'3" massive, wide, double-edged green blade, large green Air Toa heads for the crossguard, large white angelic faces built into both sides of the hilt and large green gems embedded in the foreheads, longer midnight black handle, four large green Air Toa heads with sky blue gems for eyes and large green dragon with sky blue gem in its mouth on the bottom of the Air Toa heads for the pommel. Lewa has on his brand-new large gold Bracers of the Champions of The Universe with green gems on his wrists and Dragon Ball Bracelet on his left wrist, his new large gold Belt of Elemental Bravery with a golden Air Toa head with sky blue gems for eyes and a large green gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his left hip and Eater of Sins revolver holstered on his right hip. There's a green kanji below the Air Toa and the phoenix that said, "Lewa, Light-Hearted and Clever Toa Mata of Air and Member of the Toa Nuva, Brother and Teammate of Tahu, Vakama, Onewa, Whenua, Matau, Nokama, Nuju, Pohatu, Onua, Gali, Kopaka, and Takanuva, Loving Brother of Valiant and Friends and Many, Archenemy of Kitty, Destroyer of Tetridax and The Bohrok-Kal, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Wind, Air Toa, and Phoenixes"

Lewa has transformed into SUPER ANGEL-AIR TOA-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA AIR TOA HURRICANE WINDSTORM TOA MATA ANGEL OF DIVINE AIR TOA HURRICANE WIND TOA MATA BROTHERHOOD BRAVERY JUSTICE AND DIVINE AIR TOA HURRICANE TOA MATA BROTHERHOOD BRAVERY WILL!

We were amazed by Lewa's Super Angel-Air Toa-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, but when Catherine Mason saw it, she went fucking crazy and she got out her machine gun to fire at Lewa to kill him, but Lewa fired a powerful barrage of green and sky blue energy, winds, Air Toa, and phoenixes at Catherine Mason, and it sent her flying into a tree back first, she got back up and she ran at Lewa again with a knife she got out, but he disarmed Catherine Mason by firing winds which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Valiant: Wow, so that's…?!

Lewa: (Divine Echoing Cosmic Voice of The Hurricane Air Toa and Divine Air Toa Hurricane Wind Toa Mata Brotherhood Bravery Will) Yep, this is my Phase 2 transformation, Valiant, for this maniac.

Ms. DiMartino: Yep, and now, it's my turn to transform and make this monster pay.

Suddenly, Ms. DiMartino's eyes turned neon pink and she was surrounded by a pink, red, and white energy aura with stars, flames, lights, and phoenixes, and as she approached Catherine Mason, she left pink, red, and white energy, stars, flames, lights, and phoenixes with every step.

Ms. DiMartino: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Elena Archer, and the same goes with the rest of the cabronas inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Ms. DiMartino was surrounded by a massive vortex of pink, red, and white energy with stars, flames, suns, and lights, and surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a pink phoenix with red eyes glaring at Catherine Mason: the red eyes of death. Then, as the vortex faded, Ms. DiMartino emerged, but she was changed forever.

Ms. DiMartino grew to 7'5" in height, she has the voluptuous body of a goddess, she has pink, red, and white highlights in the bangs of her long dark brown hair going down to her waist, she has neon pink eyes and a pink, red, and white energy aura with stars, flames, lights, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with red iris, she has on phoenix earrings with pink gems for eyes and holding the Light, Fire, and Eternity Kanjis in its claws, she also has a dragon with white gems for eyes and holding the Light, Fire, and Eternity Kanjis in the claws on the bottom of her white dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Ms. DiMartino has on a pink buttoned shirt with white collar with the sleeves rolled up, red skirt, black high heel shoes, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with stars, flames, lights, and phoenixes on the coattails, and on the back is a phoenix surrounded by lights, flames, and stars. Suddenly, Ms. DiMartino felt a sharp pain on her back, and then, massive dark brown angel wings with pink and red tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long dark brown wolf tails with red tips and pink markings, Ms. DiMartino has on her Ring of the Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Ms. DiMartino's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of pink, red, and white energy, stars, lights, flames, and phoenixes, and when it emerged, it transformed into Ms. DiMartino's Eternal Cosmic Storm Latin Fire Solar Fury Greatsword of Eternal Cosmic Storm Latin Fire Solar Fury Phoenix Justice, it's a brand-new massive greatsword with embedded pink gems and white etchings and a dragon and phoenix etched on the 7'4" massive, wide, double-edged red blade, large pink dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with red gems embedded in the foreheads, longer midnight black handle, four large red phoenix heads with white gems for eyes and in their mouths and a large pink dragon head with a white gem in its mouth below the large phoenix heads for the pommel. Ms. DiMartino has on her new Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large white gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the dragon and phoenix that said, "Miss Rosa DiMartino, Super Attractive and Smoking Hot Substitute Teacher of Gotham Royal York High School, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Catherine Mason of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lights, Fire, Stars, and Phoenixes"

We were amazed by Ms. DiMartino's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Catherine Mason saw it, she went fucking crazy and she pointed her machine gun again, this time, to fire at Ms. DiMartino, but Ms. DiMartino fired a barrage of pink, red, and white energy blasts with stars, lights, flames, dragons, and phoenixes at Catherine Mason and it sent her flying into a tree back first, she got back up and she ran at Ms. DiMartino again with a knife she got out, but she disarmed Catherine Mason by firing light beams and fire blasts which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Nicole: Incredible, Ms. DiMartino's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she really put the hurt on that monster bitch. (Sees Me, Nico, Eli, and the rest of the guys covering our eyes) Uh, Dad, you and the others are going to miss out on seeing the action.

Me: And get out asses kicked by Lincoln so hard we won't sit down for two months if we so much as look at Ms. DiMartino?! No freaking way!

Qin: Ugh. Nicole, you better tape the fight for your dad and the others.

May: Already on it.

Lincoln: In any case, Catherine Mason has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Ms. DiMartino: (Divine Godly Cosmic Voice of The Cosmic Latin Fire Solar Light Dragon Phoenix Angel and Divine Cosmic Latin Fire Solar Light Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Lewa and Ms. DiMartino.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Catherine Mason. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Ms. DiMartino, Lincoln, and Lewa went after Catherine Mason who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, pink, red, and white energy, green and sky blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Catherine Mason and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he, Lewa, and Ms. DiMartino attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Catherine Mason got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Ms. DiMartino, Lewa, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Catherine Mason's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Catherine Mason by the neck and he tossed her into the air, and Lincoln, Ms. DiMartino, and Lewa fired a powerful barrage of energy balls with lights, flames, winds, heavenly auras, gold halo rings, stars, quintessence, elemental forces, and mythological animals, and as they hit Catherine Mason, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Catherine Mason's spirit appeared, and she was still incensed with anger and fury.

Catherine Mason: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Catherine Mason. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Catherine Mason's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Catherine Mason: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Ms. DiMartino, Lewa, and Lincoln holstered their massive greatswords on their backs and powered down, and

Ms. DiMartino's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent and Lewa's new body, clothes, weapons, jewelry, Third Eye, and massive green angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Catherine Mason. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FUCKING FREAK! KILL HIM! KILL THE FUCKER! LEAVE NONE OF THEM ALIVE! (LAUGHING INSANELY)

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: (ENRAGED SCREECHING) This isn't over, Lincoln Loud!

Then, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Juniper Lee: What a bunch of wusses.

Ms. DiMartino: We've taken another one down so far, and now, we got five more to go. Thanks for helping me destroy Catherine Mason, Linky carino, you too, Lewa.

Lincoln: (Smiles Warmly) You're welcome, Ms. DiMartino.

Lewa: Happy to help, Ms. DiMartino.

Lewa came back to us, and suddenly, Ms. DiMartino wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ms. DiMartino's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, flames, and lights shining down on them and we cheered wildly. Then, Lincoln and Ms. DiMartino absorbed the flames and lights and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of triple solar hurricane fire justice. Lincoln, Ms. DiMartino, Lewa, you three did really awesome in teaching that monster bitch, Catherine Mason, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but we're already fast approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Camila Henley, which means you and I are up next, Gabby.

Gabby: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Alien Gene-Slammer are you meeting on your rescue tomorrow, Lincoln?

Lincoln: Good question, Nico, how about a Gene-Slammer for Alien Skull.

Selina Almenara: (Gasps) That's awesome, Linky and there's only one person we know who'd be Gene-Slammed into Alien Skull: Lenora Wicherek, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic wind powers, and immortality. But, here's the really surprising part: Lenora Wicherek's known as a Aerosapien, an alien from the planet Aeros, a planet of eternally fierce winds in the Virgo Supercluster.

We gasped.

Shanan: I've heard of them, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have emerald green hair, green eyes, and green angel wings. Their true form is really beautiful, they have emerald green sclera and they have green wind tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a green wind-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, Hydrosapiens, and Umbrasapiens, they also have quite an extremely powerful sexual drive.

Nico: And Lincoln also has an Aerosapien as one of his many Guardian Angels?! Oh, I hope she kept herself under control.

Luna: Don't worry, dude, she, like Selina, Marina, and Adreana, has controlled herself, especially with me, Leni, and Mom watching her.

Nico: Whew.

Shanan: And just like the Pyrosapiens, Hydrosapiens, and Umbrasapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need.

Selene Emperyous: And for Lenora, the one who fit that role was Lincoln.

Mana Mystictree: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing.

Me: And trust me, we've seen it more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, I just know she's going to want to take it much further.

Lincoln: I already know, but I'm ready. Plus, you'll love hearing this part, Nicole: she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll slice them to shreds with wind gusts and scatter them to the winds.

Nicole: Oof, now that's just really brutal.

Luna: And if she dares to find out someone's hurting our bro, she'll send them to her home planet to be brutally massacred and scattered to the winds, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Selina Almenara: I've seen how brutal the Aerosapiens are when it comes to dealing with evil villains.

Taro: Avatar Change!

He turned into Magiranger Red!

They blasted the 2 minions and knocked them down.

Lyra: What do you guys want to do now?

We arrived back.

Lyra: Is it?

Nico: It's done. Von Talon is no more.

Me: Good riddance.

Cluemaster: And with that, the war from so long ago comes to a close.

Me: After 79 years.

Mysterio: With the Nazis losing.

Me: Yep.

Brain Freezer: (to the Donbrothers) You guys helped too.

Aylene C.: They sure did.

Taro: Indeed we did.

Me: Thanks

Valiant: We'll see you guys in two days and on the big day.

Taro: We look forward to it.

Valiant tried to give Taro a high five but ends up tumbling to the ground.

P'andor: You okay?

Valiant: I'm fine.

Taro: (helps Valiant up) Let me help you up.

Valiant: Thanks.

Baron Mordo: Well, that was a little awkward.

Me: Just be careful.

Nico: Yeah. But this was awesome! Great job today everyone.

Me: It sure was awesome.

Lewa: (To the viewers) World War II may have ended 78 years ago but this was an awesome and epic battle.

Qin: It sure was.

We went back home and got Valiant and team settled in and we enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Egypt, and but we also got some bad news: we got an old enemy from Leni Loud's past running loose and is causing havoc. Her name is Cambria Marcos, she's a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until Leni defeated her and with help from Lincoln and his Guardian Angels, exposed her for the nasty and really mean bitch that she is, and she was expelled, and before she was taken away, she swore she'd have her revenge on Leni. Now, five years later, she's broken out of prison and she's out for blood, but we're not going to let that bitch get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before Lincoln puts The Titania's Blood Rose Blossom Vengeance Curse on her, and if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever. And we're going to meet the next Alien Gene-Slammer, her name is Lenora Wicherek, Gene-Slammer of Alien Skull, Lenora Wicherek, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic wind powers, and immortality. But, here's the really surprising part: Lenora Wicherek's known as a Aerosapien, an alien from the planet Aeros, a planet of eternally fierce winds in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have emerald green hair, green eyes, and green angel wings. Their true form is really beautiful, they have emerald green sclera and they have green wind tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a green wind-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, Hydrosapiens, and Umbrasapiens, they also have quite an extremely powerful sexual drive, and just like the Pyrosapiens, Hydrosapiens, and Umbrasapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Lenora, the one who fit that role was Lincoln. Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, she's going to want to take it much further, but he's ready. Plus, she hates perverts with the same vengeance as Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll slice them to shreds with wind gusts and scatter them to the winds, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred and scattered to the winds, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

This chapter is for where we face Valeena of Super Robot Monkey Team HyperForce Go.

---

It was in the early morning hours at around 3:12 AM and in the Crystal Brighthouse Sunny, Izzy, Pipp and Zipp were asleep.

[dramatic music plays]

Something floated pasted them.

[ponies softly snore]

Pipp Petals: [giggles in her sleep]… Hm? [shrieks] [continually screams]

PIPP SAW THE FIGURE AND SCREAMED IN FRIGHT!

I then woke up after I heard the scream!

Me: (GASP) UH OH!

I went and got up and went to investigate!

The girls in the Crystal Brighthouse were stiring.

Sunny Starscout: Huh…?

Pipp Petals: Wake up! WAKE! UP! Gho-o-o-ost!

IT WAS A GHOST!

Sunny Starscout: Uh… [panicked screaming]

Pipp Petals: [panicked screaming]

They saw the GHOST AND WERE RUNNING AROUND!

Sunny Starscout: No! No no no no no no no!

Zipp Storm: Hm… [panicked scream]

[various screams]

Zipp Storm: [terrified panting]

I then busted in!

Me: HIYAH! A ghost!

Sunny Starscout: Hey! Hold on…

[light switches on]

It was actually just a bedsheet floating by magic.

Zipp Storm: [gasps] [giggles awkwardly] Easy ponies, it's a bedsheet.

Me: Oh the old bedsheet ghost trick.

Izzy Moonbow: [smacks lips in her sleep]

It was actually Izzy using her magic in her sleep. OOPS!

Pipp Petals: Yeah! My bedsheet! Thanks, Izzy. [inhales] I am like, so super traumatized right now. I'll be lucky to get any sleep.

Me: Oops False Alarm. You girls okay?

Sunny Starscout: Yeah we're fine.

Pipp Petals: I was really scared.

Me: Well it was one of the oldest haunting tricks ever in the book. Try and get some more sleep girls.

Sunny Starscout: [yawns] Just shut your eyes, count pegasheep, and-

Izzy Moonbow: [snores] Glitter glitter glitter glitter glitter glitter… [mumbles between snores]

Me: Night girls.

I flew back

Pipp Petals: [grumbles]

Zipp Storm: [groans]

Sunny Starscout: [groans]

I flew back and went to sleep.

In the early morning hours at 3:20 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of Fucson, Arizona. But, they were no ordinary three figures, they were Amethyst, daughter of Lincoln's future wife, Charmcaster. Meadowlark, adopted daughter of Lincoln's future wife, Glamrock Ballora. and Red Rose, daughter of Lincoln's future wife, Baroness Von Bon Bon. Lincoln woke up from the dream, but he wasn't the only one, Charmcaster, Glamrock Ballora, Clover Bloom Loud, Baroness Von Bon Bon, Cala Mia, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Charmcaster: And not only that, it also means that we found out where our kids are at.

Baroness Von Bon Bon: And the question is, Where?

Me: they're at Tucson, Arizona.

Nico: Out on the streets of Tucson, Arizona? That's not good at all.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Charmcaster, Glamrock Ballora, Clover Bloom Loud, Baroness Von Bon Bon, Cala Mia, Me, and Nico were heading to Tucson, Arizona. Lincoln saw a 11-year-old girl who has fair skin, long brown hair with silver streaks in a high ponytail, and purple eyes with gothic "Eye of Horus" styled eye makeup. She was also wearing two purple earrings on each ear, and gold bracelet with amethyst gem. She wears a white blouse with short sleeve, a black sleeveless jacket, amethyst skirt, white high socks, and black Mary Jane flats. A 15-year-old girl who has lilac purple skin, blonde hair with light yellow streaks in a low ponytail, and blue eyes. She wore a dark yellow scarf with teal spots, dark pink blazer, black shirt, an pink colored capri pants, and black ballet flats. A 13-year-old girl who has short crimson rose hair, tan skin, and blue eyes with a piece slice off. She is wearing a long sleeve red shirt, black pants with brown boots, she is wearing a red scarf on her neck, with a black hairband with red rose on it, and has a red lollipop necklace on her neck. Lincoln saw who they are, they were Amethyst, Meadowlark, and Red Rose.

Lincoln: Excuse me, are you Amethyst, Meadowlark, and Red Rose?

Meadowlark: Indeed we are.

Amethyst: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Charmcaster, Glamrock Ballora, and Baroness Von Bon Bon came out, and when Amethyst, Meadowlark, and Red Rose saw them, they were stunned.

Red Rose: Mother?

Baroness Von Bon Bon: I'm here, my little rose.

Amethyst, Meadowlark, and Red Rose, ran up to Charmcaster, Glamrock Ballora, and Baroness Von Bon Bon, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, Clover Bloom Loud and Cala Mia.

Lincoln: And there's something you should know, Charmcaster, Ballora, Baroness, your mothers are one of my many future wives.

Amethyst, Meadowlark, and Red Rose: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Amethyst, Meadowlark, and Red Rose with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Amethyst, Meadowlark, and Red Rose to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Charmcaster, Glamrock Ballora, and Baroness Von Bon Bon with their kids, and Amethyst, Meadowlark, and Red Rose now has a loving, strong, brave, and caring father in their life.

Later we woke up for breakfast.

[rooster crows]

Izzy Moonbow: [singsong] Haa! This is how a unicorn sings, first thing in the morning. Oo-ooh! [hums]

[hairspray cap pops open]

[hairspray sprays]

Izzy Moonbow: Yeah! [hums] Ooh! [hums] Oh! [hums] Ah! Mmm! [hums] Yes. [hums] Oh! Ha-ha-ha, hmm-hmm… Oo-ooh! Morning! Don't you just love waking up to a new morning? It is just so new and morningy-y-y! [hums]

Zipp Storm: Waking up? We didn't sleep!

Pipp Petals: Uhh… Was that my tiara?

[hairspray puffs]

[peanut butter oozes]

Pipp Petals: Ugh

Zipp Storm: Everything's ruined!

Later Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the

Sunny and friends were already there.

Me: Morning girls.

Nico: Morning. Whoa you look really tired.

Me: Uh oh did Izzy's snoring keep you up?

Pipp Petals: (YAWNS) It sure did.

Eli: I'm sorry guys.

Me: Now you guys know how my mom feels. My dad snores loudly enough to wake up a whole graveyard.

Lola: Yeah no kidding.

Ed: (LAUGHS) I snore just as loudly.

Eddy: (LAUGHS) You got that right Lumpy. And you sleepwalk too.

Ed: (LAUGHS) Yeah.

Nico: Ed, I want to thank you, Number 7, and your teams for coming

Ed: No problem Nico. If only we had a sack of potatoes.

Eddy: Shut up Ed.

Qin: That's funny.

Lori Jimenez: That is funny and awesome.

Camie: Yep.

Nico: Lori, I hope you and Thunderblast have been behaving with each other.

Lori Jimenez: We have been.

Camie: What does he mean by that?

Me: Lori and Thunderblast hated each other for a while.

Qin: Yeah it's a crazy story.

Me: We met Lori Jimenez and Thunderblast inside Monstro and they both hated each other for a while.

Camie: Oh boy.

Nico: And we mean hated each other on a personal level. Not like how Autobots used to hate Decepticons.

Camie: What reason?

Nico: Thunderblast always poked fun at Lori.

Camie: Yikes.

Nico: No kidding.

Sunny Starscout: (YAWNS) That is rough.

Lola: It was.

Nico: All this was back before I was appointed as Leader of the Decepticons.

Qin: That's right I wasn't there for that. But that's cool.

Nico: Speaking of war, yesterday was excellent as usual

Me: Yes it was. Now we can officially say that all the Toa Nuva have done their ambassador missions.

Xenia: That's for sure.

Lola: Yep!

Misty Brightdawn: That was so awesome.

Lola: It sure was!

Ed: Yeah it was!

Me: Lewa's mission was amazing.

Nico: It sure was.

Laney: That was so fun and awesome though.

Misty Tredwell: Yeah it was so fun and cool.

Nico: It took a long time. But it was worth it

Me: Yeah it sure was.

Lola: The Toa Nuva had about a year and a half to complete their missions. And Matau's turn is in June.

Lana: Yes it is.

Nico: Yep. And after that, all the Toa Metru will have had all their missions done.

Lola: They sure will.

Maria: How are Valiant and his friends liking Gotham Royal York?

Me: They are loving it.

Lana: I give them great food and awesome bird seed. Also I tasked them to watch Sergio.

Me: Good that rainbow colored feather duster needs to be kept under watch 24/7.

Qin: I agree there.

Nico: (LAUGHS) Rainbow-Colored Feather Duster that's funny.

Me: Yeah it sure is. But it's true.

Nico: Yep.

LolaL Yeah.

Nico: Izzy, you snored loudly?

Izzy Moonbow: Yeah I can't help it. Sorry about that.

Me: No worries.

Izzy Moonbow: But I didn't know I did that with my magic. Sorry about that.

Lola: No worries.

Me: The old bedsheet ghost trick is one of the oldest known scare tricks in the book.

Qin: It sure is.

Hitch Trailblazer: Yeah but I'm glad it wasn't a real ghost.

Me: No kidding there.

Nico: You girls probably should get some rest.

Me: I agree.

Me, Eli and Nico put Zipp, Sunny and Pipp in their beds.

Qin: Aww.

We then went outside and I put a silencing barrier up to make it nice and quiet for them.

Me: There we go.

Eli: Yeah.

Nico: There. They should be sleeping nicely now.

Me: Yep.

Then Dr. Robotnik came and he looked frantic and scared!

Me: Dr. Robotnik!?

Eli: What's eating him?

Dr. Ivo Robotnik: HELP ME! SAVE ME!

Me: What's the matter?

Dr. Ivo Robotnik: SHE'S COMING TO SMASH ME! SHE'S COMING TO SMASH ME! SAVE ME! (CRYING)

?: GET BACK HERE YOU NO GOODNIK SON OF MINE!

We then saw MAMMA ROBOTNIK! She looked Like Dr. Robotnik in a dress!

Me: Dr. Robotnik's mother!?

Qin: Oh boy. I heard she is worse than him and is also insane!

---

Mrs. Robotnik, better known as Momma Robotnik, is the overarching antagonist of the animated series Adventures of Sonic the Hedgehog and the fowel and aggressive mother of Dr. Robotnik. She is arguably one of the most evil villains in the series, even surpassing her mad scientist son.

She is voiced by Kathleen Barr.

Momma Robotnik is the large, grotesque, intimidating, and genuinely insane mother of the infamous Dr. Robotnik that she spends much of her time locked up in what can only be assumed is a psychiatric ward but sometimes escapes and wreaks havoc in the crazy world Sonic and Tails inhabit.

Momma Robotnik is so insane that she even scares her own son and although just as comedic as the others in the show she was definitely wicked, in fact she showed little care even for her son and was actually fairly abusive towards him - her only true goal in life seems to be to destroy Mobius and make everyone miserable.

Momma Robotnik is also notable for having a large mustache just like her son - despite being a woman.

She is kept in an asylum called the Mobius Home for Really Bizarre Mothers, though she escapes from time to time. Her insanity is enough to scare even Robotnik himself.

Originally a one-shot gag character for the episode "Momma Robotnik's Birthday", she found her way into the regular recurring cast about halfway through the series coming back for "Momma Robotnik Returns", "Zoobotnik", "The Last Resort", and "Sonic is Running".

---

Nico: What seems to be the problem?

Dr. Robotnik: My momma wants to kill me!

Mamma Robotnik: YOU NO GOOD BADNIK! I WILL BASH YOUR HEAD IN!

Varie: OH NO YOU WON'T !

Varie went over to her and looked her square in the eye and glared at Mamma Robotnik and they both growled ferociously and real fire blurned in the background!

Me: I heard from Sonic that Dr. Robotnik's mother is 100 times more rotten than he is.

Lola: And that she was admitted to a nuthouse.

Me: The Mobius Home for Really Bizarre Mothers is what I think it was.

Lola: Yep.

Nico: Kick her ass!

Mamma Robotnik: YOU GOT SOMETHING TO SAY TO ME YOU AQUA HAIRED BIMBO!?

Varie: YEAH YOU ROTTEN MUSTACHED BITCH! YOU ARE THE WORST MOTHER EVER!

THEY GROWLED FEROCIOUSLY AND FIRE EXPLODED OUT ALL OVER!

Varie: YOU FREAKISH BUTTFREAK!

Mamma Robotnik: YOU BIMBO BUTTKISSER!

ME: CATFIGHT!

THEY THEN GOT INTO A FEROCIOUS CATFIGHT!

POW!

Varie punched Mamma Robotnik in her face and gave her a black eye!

WHAM!

Mamma Robotnik then bashed her in her face and knocked out some of her teeth!

THEY WERE REALLY TEARING EACH OTHER APART!

Varie jumped and flew at her!

POW!

She smashed her into the ground with a powerful punch to Mamma Robotniik's face!

WA-POW!

Mamma Robotnik punched punched Varie in the face and knocked out some of her teeth!

CRAKOW!

Varie kicked her in her face and bashed Mamma Robotnik's teeth out with incredible force.

BLARGA-FLARGA!

Varie kicked her in the stomach and punched her in her face!

THEY GOT INTO A BRUTAL FIGHT CLOUD!

Nico: I hope the noise doesn't wake Sunny up.

Me: Don't worry the Silencing Barrier I put up blocks all noises from getting in.

Varie dealt Mamma Robotnik a deadly Roundhouse kick in the face! It was one brutal fight and Varie and Mamma Robotnik were still going at it!

POW WHAM SMASH BLAM BOOF WHOMP! CRUNCH! SMASH CRACK WHOMP THOT THWACK KATOW ZONK WHAM!

THEY WERE REALLY BEATING EACH OTHER UP!

Me: GEEZ!

Lola: This is brutal!

Camie: No kidding!

Nico: Eli, sense for Swartz's creations.

Eli: Right.

Eli concentrated.

Eli: Whoa found them! We have Another Dr. Warpnik, Another Scratch, Another Grounder, Another Mamma Robotnik, Another Edgar the Bug, Another Bubbles The Cat, Another Live Action Sentinal Prime and Another Number 7.

Nico: Whoa this will be interesting.

Lola: Yeah.

Nico: Varie, might want to wrap it up! (DOINK)!

We saw Varie and Mamma Robotnik beaten up REALLY BAD!

Me: GEEZ!

We went over and we were healing her up.

Me: Boy you both really did a number on each other.

CRACK!

Varie reset her nose.

Varie: GAAAHH! That is an understatement.

Laney: Dr. Robotnik your mother is one rotten to the core psycho.

Dr. Ivo Robotnik: Indeed she is.

Then an psych ward paddy wagon came and they caught Mamma Robotnik in a net and loaded her up.

Me: That was fast.

Nico: Who's first?

Me: Another Dr. Warpnik.

Dr. Ivo Robotnik: So Another of my wacko cousin Dr. Warpnik. This will be interesting.

Lola: It sure will be.

Nico: Better call in Holly Volvenstein first.

Maria: Right.

In a swirl of rock came Holly Volvenstein!

Holly Volvenstein: I'm here guys.

Nico: Yeah!

Qin: Yeah this will be fun.

Holly Volvenstein: I can't wait to sock it to that fish-fondling fruitcake!

Nico: There she is!

We saw a figure and it was a dark version of Dr. Warpnik! It was ANOTHER WARPNIK!

Me: Another Dr. Warpnik.

Camie: I hope this one isn't as screwed up as he is.

Lola: Yeah no kidding.

Xenia: Yeah.

Nico: And you are?

Another Dr. Warpnik: (In a girls voice) I believe that J.D. knows me.

She reverted back and was a girl with pink hair and pink and and yellow clothes and had pink angel wings.

Me: (GASP!) Sally Salmon A.K.A. Sailor Salmo!

Nico: The Sailor Soldier of a planet of Salmon? Wow!

Sailor Salmo: That's right. It's a planet where Salmon fillets are all over the place.

Me: Boy that would be a fishy planet.

Holly Volvenstein: That would be an awesome planet that Samon Shakekisutanchin would love and this is fitting too since Dr. Warpnik was banished to the Warp of Confusion and it was full of fish.

Sailor Salmo: That is amazing.

Holly: Sorry we have to do this.

Girl Jordan: I have a feeling that when we separate you it's going to be really crazy.

Leeli: Same with me.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and Sailor Salmo was separated from Another Dr. Warpnik!

Me: There he is!

Another Warpnik was laughing like a crazy fucked up lunatic!

Qin: This guy is crazy!

Holly Volvenstein: Now there's the fucked up lunatic laughter I know.

Nico: Go get him!

Another Dr. Warpnik: I'm GOING TO SMASH YOUR FACE IN!

Holly Volvenstein: Bring it on you fish fondling fruitcake!

Holly formed a hammer of rock and bashed his face in with it!

KRASMASH!

Another Dr. Warpnik got up and laughed like a screwed up madman! (EVEN THOUGH HE LITERALLY IS A MADMAN)

Holly Volvenstein: Take that you fishsucker!

Another Dr. Warpnik went at her and she ducked and kicked at him and then BASHED HIM IN HIS FACE!

Nico: Keep going!

Holly then bashed him on his foot and he screamed like a little girl and then…

KRABLANG!

She bashed him on his face and smashed him into the ground and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I caught the Wonder Ride Book and it was called The Salmon Sailor Soldier and The Castle of The Mad Scientist.

Me: Fitting.

Qin: Yep.

Me: Another Scratch and Grounder next.

Qin: Oh boy.

Nico: Better call Thundercracker and Skywarp

Me: Yep.

Nico did so.

Thundercracker: Ready for action!

Skywarp: Oh yeah!

Nico: Yep this will be good.

Maria: There they are!

We saw dark versions of Scratch and Grounder! They were ANOTHER SCRATCH & GROUNDER!

Me: Another Scratch & Grounder!

Qin: Oh boy.

Dr. Ivo Robotnik: I hope they aren't like those two dingbots I made.

Qin: Oh boy.

Skywarp: Who are you 2?

Another Scratch: (In a girls voice) Someone that Nico knows.

Another Grounder: (In a girls voice) And Someone that J.D. knows.

They reverted back and Another Scratch was a girl with blue hair and blue clothes and blue eyes and she had blue angel wings. Another Grounder was a girl with red hair and had red clothes and red eyes and had red angel wings.

Me: (GASP)! Taleia Anubis!

Nico: Sakuya Takahashi!

Eli: WHOA!

Sakuya Takahashi: The Greninja Gene-slammer is also Another Scratch.

Qin: That is crazy!

Eli: No kidding!

Taleia Anubis: And also I'm the gene-slammer for Sphinx Taleia.

Me: Wow!

Thundercracker: Can we ask for your favorite memory of Nico when this is done?

Sakuya Takahashi: Yes you can.

Qin: Boy the gene-slammer for Greninja is Another Scratch. That is cool.

Lola: It sure is.

Xenia: I think that's awesome too.

Skywarp: Our blasters are ready to fire. Just need to wait for them to be separated.

Lincoln: Okay.

Lincoln fired waves of light and separated the Anothers from Sakuya and Taleia and then Skywarp and Thundercracker fired laser blasts and the Another Scratch and Grounder exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books. They were called The Greninja Princess and the Castle of the Robot Rooster and The Sphinx Princess and the Kingdom of the Dumb Robot.

Me: Nice.

Qin: This will be good.

Lola: Yeah.

Sakuya Takahashi then started taking off her clothes to reveal her leotard. It was aqua blue.

Maria: Nice Leotard.

Sakuya Takahashi: Thanks.

She turned into a Greninja!

Me: YEAH!

Nico: This will be a fast one!

Greninja: But I'm ready!

Nico: Who's next?

Me: Oh god! Another Mamma Robotnik.

Qin: Who is going to face her?

Lola: The Sonic Sisters.

Me: That's true.

Bonnie Terrez: I have a feeling this will bring the darkness from the light.

Nico: Nice.

The Sonic Sisters came!

ZOOM ZOOM ZOOM ZOOM ZOOM!

They arrived.

Me: That is fast.

Sally Sonic: Hey, guys!

Qin: Hey girls!

Xenia: This is going to be awesome.

Sally Sonic: Good god! Varie what happened to you?

Varie: Your archenemy did this to me!

Sonia Sonic: Geez! You two got into one helluva catfight.

Nico: And now, the Another version of her is here.

We saw a dark version of Mamma Robotnik! It was ANOTHER MAMMA ROBOTNIK!

Me: Another Mamma Robotnik!

Nico: (GULPS) Oh boy.

Another Mamma Robotnik: (SPEAKING IN FARTS)

Nico: Um… who are you?

Shanan: I know that language! That's Flatula!

Me: Mr. Snuff?

It reverted back and it was Mr. Snuff!

Nico: Our Old friend Mr. Snuff.

Lola: That is awesome!

Vice: I'm confused.

Me: We met him at the Monstressor Spaceport in the world of Treasure Planet in 34,000 years from now.

Nico: He's a Flatulite. He speaks only in farts.

Qin: Yeah he sure does.

Vice: He sure is funny.

Vypra appeared.

Vypra: I see you guys met. Mr. Snuff.

Nico: We sure did. He's now Another Mamma Robotnik.

Vypra: I see.

Sally Sonic: Sorry we have to fight

Mr. Snuff: (SPEAKING IN FARTS)

Sally Sonic: I don't understand.

Me: This will help.

I gave them translators and they put them in their ears and turned them on.

Mr. Snuff: No worries guys. Also I said while I was transformed as Another Mamma Robotnik that it's good to see you guys again.

Me: You too Mr. Snuff. Its been a while.

Nico: It has been a while.

Lincoln fired a wave of light and separated him.

Me: There.

Sally Sonic: To quote the real Sonic: Now we'll show you!

Sonia Sonic: Lets speed keed!

ZOOM!

They ran fast and bashed her all over.

Mr. Snuff: YEAH GET HER GIRLS!

And then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

I caught the Wonder Ride Book and it was called The Flatulance Alien and the Sonic Girls and the MAD MOTHER FROM HELL.

Me: Fitting and awesome.

Lola: Yeah!

Nico: Who's next?

Me: God help us on this one. Another Edgar The Bug.

Qin: Oh boy.

Lola: Yuck.

Camie: Yeah.

Me: I hope this one didn't eat Agent J this time.

Qin: Better call in Duck Dodgers.

Maria did so.

Duck Dodgers: Duck Dodgers to the rescue!

Me: This looks like a job for DUCK DODGERS IN THE 24TH AND A HALF CENTURY!

Duck Dodgers: YEAH! Nicely said.

Nico: There she is!

We saw a dark version of EDGAR THE BUG! It was ANOTHER EDGAR THE BUG!

Me: That is one UG-LY Bug!

Fu: I hate this bug!

Qin: Me too!

Another Edgar the Bug: (In a girls voice) (GROAN) I don't feel so good.

Me: (GASP) That voice!

But then she threw up and vomited up a girl that had green hair and was in a green bikini and had green eyes and green angel wings and she was thrown up onto Nico!

SPLAT!

She was covered in slime and gross slop!

Me: OH SICK!

Lola: That is disgusting!

Nico: YUCK! Wait. Lila Lilly!?

Lila Lilly: (SPITS) OH YUCK!

Nico: Oh man!

Me: Geez!

Nico: (To Another Edgar the Bug) Who are you?!

Another Edgar The Bug: That was a nasty case of indigestion.

She reverted back and was a girl with Yellow Hair and Yellow Eyes and Yellow Butterfly Wings and Yellow clothes.

Me: Sunny Beauregard! Wow!

Nico: You know her?

Me: She's a girl I know from music class and she is a great dancer.

Nico: Cool.

Nico: How about we separate you?

Sunny Beauregard: Good Idea.

Lincoln did so and we saw Another Edgar the Bug in Edgar's skin.

Me: You better come with us quietly and step away from your busted ass vehicle and put your hands on your fucking head!

Another Edgar the Bug: Oh I, I see. Put my hands… on… my head?

Me: Did I stutter when I said that?

He put his hands on his head.

Another Edgar the Bug: Like this?

HE THEN RIPPED HIS SKIN OFF AND REVEALED AN UGLY

BLACK VERSION OF HIS BUG FORM!

Me: WHAT THE FUCK!

I then got a grenade ready.

Me: Say Ah motherfucker!

Me and Duck Dodgers threw grenades and they went into his mouth and he swallowed them!

Nico: Fire in the hole!

We ducked and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded and blood and guts and limbs splattered all over and blood drenched May and Nico!

Me: OH SICK!

May: (SPITS)

Nico: WHY DOES THIS ALWAYS HAPPEN TO ME!

I got the Wonder Ride Book and it was called The Duck from 2350 and The Bug Terrorist.

Me: Nice.

Maria: Let me wash you two off.

Maria did so.

Nico: That was gross. Thanks Maria.

Me: Another Live Action Sentinel Prime next.

Qin: Yep.

Nico: What's that vehicle over there?

Me: It looks like a Rosenbauer Panther Airport Fire Engine.

Qin: Yep.

We saw it pull up.

Live Action Sentinel Prime: So that's what I turned myself into.

Nico: It sure is.

Another Live Action Sentinel Prime: (In a girls voice) Sorry to drive up to you all.

Nico: (GASP) That voice.

TRANSFORMER CHANGE SOUND!

She transformed and was ANOTHER LIVE ACTION SENTINEL PRIME!

Nico: WHOA!

She then reverted back and it was a girl with red hair and she had red eyes and red clothes and had the Autobot Symbol emblazoned in the middle of her forehead and she also had the symbols of the Decepticons, Maximals, Predacons, Minicons, Vehicons and all the factions of Cybertron on her skirt.

Nico: (GASP) Gina Cybertron!

Gina Cybertron: Yep.

Me: Wait are you the gene-slammer for…

Gina Cybertron: I sure am. I am the gene-slammer for all the transformers of Cybertron.

We gasped!

Me: That is amazing!

Nico: We actually have a Cybertronian Gene Slammer

Me: Not one for ALL of them. This is incredible.

Gina Cybertron: It's because of this.

She showed that she had a SPARK for her heart. But her human heart is inside it!

Qin: Whoa your heart is also a spark!.

Nico: That explains it.

Lola: I hope that's not Starscream's spark.

Nico: It probably came with the Gene Slamming process.

Me: Yeah.

Lori Jimenez: That is cool that you can turn into any transformer like that.

Gina Cybertron: It sure is.

Lori Jimenez: I know. Sorry we have to fight like this.

Me: By the way we forgot to ask but is the Another Number 7 friendly or hostile?

Gina Cybertron: Friendly and you will like her.

Me: Okay.

Lori Jimenez: Let's do this!

She turned into ANOTHER LIVE ACTION SENTINEL PRIME!

Lori Jimenez: Lets do it!

Lincoln fired waves of light and separated her and Lori fired waves of energy from her star saber and smashed Another Live Action Sentinel Prime and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Cybertronian Princess and The Traitor of The Autobots!

Me: Awesome.

Nico: He left his vehicle mode behind.

Me: We can use that for us just in case.

Qin: Yeah good idea.

Sunny Starscout, Pipp Petals and Zipp Storm then came.

Sunny Starscout: (YAWNS) Hey guys. Did we miss anything?

Nico: Nothing much.

Me: Just a lot of fun battles.

Qin: Yep.

Lola: And were they fun.

Me: Now all that's left is Another Number 7.

Ed: I'm the ice cream man.

Eddy: Shut Up Ed

Nico: There she is!

We saw a figure and it was a dark version of Number 7! It was ANOTHER NUMBER 7!

Me: Another Number 7!

Lola: Whoa boy.

Another Number 7: I have a feeling this will be fun.

Me: Hillary Crankcase? Wow!

She reverted back and was a girl with orange hair and had orange clothes and orange eyes.

Hillary Crankcase: Awesome to see you again J.D.

Me: Same here. Hillary is a cyborg and she was made this way by a mad scientist that I stopped and she was given awesome powers as a result.

Kaito: (Gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead.

Kaito got a Dino Thunder Staff and Zocks got an Omega Blaster.

Hillary Crankcase: Just to destroy all mad scientists.

Me: Well we have most of them over in the Saturn Insane Asylum.

Qin: Yeah you can blast all of them into dust to your hearts content there.

Hillary Crankcase: Awesome!

Lola: Yep.

Me: Sorry we have to fight like this.

Hillary Crankcase: No worries.

Sougo: (gets out Dino Thunder Riderwatch) But you're already too late to help us kill the Paradigm Brothers.

Geiz: (gets out SPD Ridewatch) As of the war against Opaline, they were dealt with.

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor.

Hillary Crankcase: No worries. They aren't my main target. ALL The mad scientists in general are.

She turned into Another Number 7

Nico: Time for 7 Times the pain.

Nico activated it and got missile blasters and he fired and blasted her all over.

Nico: YEAH! Now this. (ACTIVATES LIVE ACTION SENTINEL PRIME'S RIDEWATCH)

He fired waves of energy and blasted her all over.

May: Now for this one. (ACTIVATES KONAKO HAIZONO'S RIDEWATCH)

May fired waves of energy and smashed her all over.

May: And top this one. (ACTIVATES NES MECHAGODZILLA'S RIDEWATCH)

She fired laser blasts and smashed her all over.

Maria: And this one. (ACTIVATES DON AND SQUIDWARD ROBOT'S RIDEWATCHES)

She fired waves of energy and blasted her all over the place.

Lori Jimenez: I'm ready for this.

She activated Live Action Sentinel Prime's ridewatch and fired waves of energy and smashed her down.

Then Xaldin, Yost Whirlwind, Dracula (The Simpsons), Ghost of Witch McCoy, Chick Hicks and Bee Blader came.

Nico; Nice team Xaldin!

Xaldin: Thanks Nico!

Lola: Cool!

Me: Yeah!

Camie: This is gonna be awesome.

Greninja: I'm already here. So, how about we end this now?

Nico: Go for it!

Edzilla: ED SMASH BAD ROBOT IMPOSTER!

He blasted down Another Number 7.

Greninja ran fast and blasted down Another Number 7 and she was back to normal! I caught the ridewatch and purified it and I brought Hilary over and Sakuya reverted back.

Qin: That was awesome!

Sakuya Takahashi: Now you guys can ask.

Lori Jimenez: What's your favorite memory of Nico?

Sakuya Takahashi: When me and Nico went to a Queen Bee Girls reform school and swiped all their food and replaced it with chum and they had no idea what they were eating. They thre up all over the place and turned their cafeteria into a swimming pool.

Me: Nice!

Lincoln: That is awesome!

Qin: Yep.

Nico and Sakuya hugged.

Nico: I've really missed you.

Sakuya: Me too Nico. Me too.

We later went back home.

That girl's name is Cambria Marcos, she's a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until Leni defeated her and with help from Lincoln and his Guardian Angels, exposed her for the nasty and really mean bitch that she is, and she was expelled, and before she was taken away, she swore she'd have her revenge on Leni. Now, five years later, she's broken out of prison and she's out for blood, but we're not going to let that bitch get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before Lincoln puts The Titania's Blood Rose Blossom Vengeance Curse on her, and if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever.

Lincoln: Whoa, we're here in Egypt, and I know what we're going to do here, not only am I going to rescue the six girls here, but we also got some bad news: an old enemy has come back, and it's not one of my old enemies. Leni, I hate to say it, but, she's back.

Leni: (Gasps) Oh no, not her!

Nico: Who?

Lincoln: Cambria Marcos.

Me: Oh, I remember her all too well.

Leni: And I wish I hadn't, she's a really mean and really nasty monster who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until I defeated her and with help from Lincoln and his Guardian Angels, exposed her for who she really is, and she was expelled, and she got expelled. This was five years ago and right around the same time Brianna Greyson and her bitch herd got expelled as well. But, before Cambria got taken away, she swore she'd break out to get revenge on me.

Lincoln: And now, five years later, she's broken out of prison and she's out for Leni's blood, but we're not going to let that bitch get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before I put The Titania's Blood Rose Blossom Vengeance Curse on her, and if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever.

Homer: Say, that curse you put on Helena Morgana, isn't it going to kill her soon?

Just as Homer said it, Lincoln made a one-way window into Helena Morgana's cell, and we saw a pool of blood on the floor a result of the curse's effects, and it was also time. Suddenly, we saw the blood rose tattoos on Helena Morgana glowing, and finally, we saw the blood rose tattoo on her chest finally open up and bloom, and we saw in the center of it is a skull: the final and fatal stage of the Titania's Blood Rose Blossom Vengeance Curse. Then, real blood roses grew out of the blood rose tattoos on her legs, arms, hands, feet, and stomach and they bloomed, and she screamed with really agonizing pain as her body was being destroyed from the inside out, and then, she was cocooned inside a blood rose, and as the blood rose opened up, all that was left of Helena Morgana was her skeleton. Then, her spirit was sent to The Black Gates.

Lori: Good riddance, you bitch.

Nico: I would've thought it'd take a few days, but…

Lincoln: I knew she had no remorse at all, and she'd one day break out again by causing a riot. So, I put a little twist to the Titania's Blood Rose Blossom Vengeance Curse: if she even thought about one day breaking out again by causing a riot, the curse will take her life sooner than she thinks, and she'd get The Black Gates a little bit earlier than expected.

Me: Nice one, Lincoln.

Nico: Ah nuts, I should've asked you ever since the day that war started to put that curse on Brianna Greyson, but have the curse move up in stages as you killed every single member of the members of The Legion of The Lincoln Haters, that way, she'd experience the pain and suffering.

Lincoln: (Smirks) Actually, I did do just that since the war started. You'll see for yourself when we get after Camila Henley.

Suddenly, we saw Alien Skull appear before us, and with it are the six girls.

Nico: Cool, that's Alien Skull, wicked.

Alien Skull: (Girl's voice) Sorry about the scare, but I was able to get the girls away from that evil bloodthirsty bitch before she could kill them to slake her thirst for blood.

Lincoln: (Gasps) That voice, Lenora Wicherek, I knew it was you.

?: (ENRAGED SCREAM) LENI LOUD, YOU, YOUR BROTHER, AND THE WHORES ARE GOING TO DIE FOR RUINING MY REIGN, YOU STUPID BITCH!

We then saw our target heading our way, it was Cambria Marcos, a girl with wild brown hair, black eyes full of hatred and insanity, and she has on an orange prison jumpsuit, and she was completely insane.

Leni: (Gasps) Cambria, looks like five years haven't been kind to you at all.

Cambria Marcos: I WILL RIP YOUR FUCKING HEAD OFF!

Sylvester: Okay, buster, you asked for it.

Then, Juniper Lee and Rayman tied Cambria Marcos up in a straitjacket and rope, and Lincoln gave her The Titania's Blood Rose Blossom Vengeance Curse and had her beamed to The Uranus Prison where she will die soon. We cheered as we holstered our weapons and powered down.

Lincoln: Cambria made a big mistake breaking out to get revenge on you, Leni, now she won't try that again: she'll soon die due to The Titania's Blood Rose Blossom Curse. (To Lenora Wicherek) And it's so good to see you again, Lenora Wicherek.

Lenora Wicherek reverted back to normal, and she's a very beautiful and super sexy girl with long emerald green hair, green eyes, she was tall at 7'0" in height, she has the body of a goddess, and large breasts, fair skin, she has massive and beautiful emerald green angel wings, she's dressed in a sleeveless green crop top, green skirt, necklace with emerald gem for the pendant, green bridal gloves, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with winds, aliens, and angels on the coattails and on the back is Alien Skull, and holstered on her back is a massive Alien Skull-themed greatsword with embedded emerald gems and Alien Skull etched on the 7'0" massive, wide, double-edged green blade, large green dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with emerald green gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large emerald green gem on the bottom of the large white angel heads for the pommel.

Lenora Wicherek: You too, Linky, it's been a long time.

Lincoln went up to Lenora Wicherek and he hugged her, and Lenora Wicherek is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lenora Wicherek: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Nicole: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, Nicole, this is Lenora Wicherek, Gene-Slammer of Alien Skull, she's my Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic wind powers, and immortality. But, here's the really surprising part: Lenora Wicherek's known as a Aerosapien, an alien from the planet Aeros, a planet of eternally fierce winds in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons.

Just then, Shanan appeared.

Shanan: Yep, they look human in appearance, but what marks them out is that they have green hair, green eyes, and emerald green angel wings. Their true form is really beautiful, they have green sclera and they have green wind tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a green wind-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, Hydrosapiens, and Umbrasapiens, they also have quite an extremely powerful sexual drive, and just like the Pyrosapiens, Hydrosapiens, and Umbrasapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for

Lenora, the one who fit that role was Lincoln.

Luna: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, she's going to want to take it much further, but Lincoln's ready. Plus, she hates perverts with the same vengeance as Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll slice them to shreds with wind gusts and scatter them to the winds, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred and scattered to the winds, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Nicole: Just like what Lincoln and Shanan told us yesterday.

Lenora Wicherek: And I know Lincoln's going to mark me, but before he does, let me show you all my true form.

Suddenly, Leona Wicherek transformed into her true form as the sclera of her eyes turned green and she has green wind tattoos covering her hands and forearms and feet, and her clothes morphed into a green wind-themed two-piece bikini, which is her real outfit.

Fabia: So, that's her true form, wow.

May: She looks even more beautiful in her true form.

Suddenly, Lenora Wicherek went up to Lincoln, and her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which brought an atomic red blush to Lincoln's face, and he suddenly wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Suddenly, Lenora Wicherek gave Lincoln a passionate kiss on the lips as she moved her arms and placed her hands on Lincoln's massive pecs, and they suddenly engaged in a French kiss. Suddenly, we saw Lincoln's veins glow green and when they were done, Lincoln still had a massive red blush on his face and hearts in his eyes.

Nicole: Uh oh, I think I know what that was, right, sis?

Shanan: That's exactly right, Nicole: like with Pyrosapiens, Hydrosapiens, and Umbrasapiens, when Aerosapiens engage in a passionate make-out with their chosen mate, they give them a special gift: their French kissing resulted from her marking Lincoln as her chosen husband hence the glowing green veins on Lincoln's body, and that also increased his superhuman physical and mental abilities along with getting a massive power and energy increase, and increased his hyperpuberty along with increasing the effects of Becky Long's Virility serum and the super soldier serum he drank, along with his body heat.

Me: (Whistles)

Nico: Oh man.

Lincoln: It's okay, Nico. Now, then, I think it's my turn to mark you, Lenora.

Suddenly, Lincoln hugged Lenora Wicherek in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lenora Wicherek: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Lenora Wicherek's neck with emerald green gems on the gold lightning bolts and emerald green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Lenora Wicherek: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lenora Wicherek.

Lenora Wicherek had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Akari Nukumori, Misaki Shiragiku, and Shiho Satomura from Abnormal Arousal and Akeno Onodera, Mimi Shimamiya, and Seri Asashina from Abnormal Lovers.

Lincoln: Oh wow, it's Akari Nukumori, Misaki Shiragiku, and Shiho Satomura from Abnormal Arousal and Akeno Onodera, Mimi Shimamiya, and Seri Asashina from Abnormal Lovers.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akari Nukumori: Yes, we're okay, thanks to you.

Then, when Akari Nukumori and the other five girls saw who it was that saved them from Cambria Marcos, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a

Akari Nukumori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Akari Nukumori: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akari Nukumori, Misaki Shiragiku, Shiho Satomura, Akeno Onodera, Mimi Shimamiya, and Seri Asashina with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was an old enemy from Leni Loud's past running loose named Cambria Marcos, a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until five years ago when Leni defeated her and with help from Lincoln and his Guardian Angels, exposed her for who she is and was expelled, but before she was taken away, she swore she'd have her revenge on Lori. Now, five years later, she broke out of prison and was out for Leni's blood.

But, when Lincoln showed what we all did in beating that bitch down and Juniper Lee and Rayman tying her up in a straitjacket and rope and Lincoln giving her The Titania's Blood Rose Blossom Curse which'll kill her very soon, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Lenora Wicherek have a lot of catching up to do, now that she's back in town.

Maria: Damn, I certainly wasn't expecting that bitch to show up. But, you guys took her down in the same way you took down Helena Morgana yesterday.

Lincoln: And gave her The Titania's Blood Rose Blossom Vengeance Curse, which'll take her life soon.

Nico: And we saw it take Helena Morgana's life already, we thought it was going to be for a few days, but Lincoln thought ahead and hastened it.

Me: He was right though, she wasn't going to quit until she had Lori's head, so she needed to go once and for all, and the same is going to be said for Cambria Marcos.

Selina Almenara: Yep, and we've met up with another of The Elemental Aliens: Lenora Wicherek, Gene-Slammer of Alien Skull and a Aerosapien.

Robin: That's Fire, Water, Darkness, and Wind covered, now all that's left are Light and Earth.

Starfire: That's right, and I should've said this earlier, but my people and I have known a lot about the Pyrosapiens, Hydrosapiens, Umbrasapiens, and Aerosapiens, they're indeed everything Shanan has said about them, and they're among the galaxy's fiercest warriors, and they've fought against some of the fiercest and dangerous races for countless eons, but they've also held respect for The Saiyan race before Frieza turned them to darkness.

Lincoln: Is that true?

Vegeta: Yes, it is, Lincoln. We've known about them for eons, but we had respect for each of the Elemental races for their skills in combat and their reputations as mighty warriors.

Me: Wow.

Nico: That's right, and they've hated Frieza for eons as well, but the Elemental Aliens knew just how dangerous Frieza really is and what he's done. But, when they heard the news of that monster's death, they were indeed relieved to hear it, and they honored the fallen warriors who fought against Frieza, and among them were The Saiyans.

After getting rid of Cambria Marcos and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lenora Wicherek saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lenora Wicherek: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lenora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lenora Wicherek: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Lenora Wicherek: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Lenora, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Lenora Wicherek: I do have a video of one memory, it was with me and Lincoln at Lake Superior

Lenora Wicherek pulled up a video and it played on the screen, and it showed Lincoln in his large orange speedo and Lenora in her true form and wearing her green two-piece bikini, and they were enjoying a day of fun in Lake Superior.

?: LINCOLN! I'M GOING TO KILL YOU FOR RUINING EVERY LAST ONE OF MY EXPERIMENTS, YOU HAIRLESS APE!

Past Lenora Wicherek: What the heck was that?!

Past Lincoln: I'd recognized that scream of vengeance from anywhere, it's Lisa, and it sounds like she's on the rampage again and she's still out for blood after what the rest of the Guardian Angels and I have done in ruining her attempts to kill me with her "experiments"!

Lenora and Lincoln got up from the sand, and they saw Lisa come out with red eyes of hate and she had a scalpel in her hand, and she was now out for blood.

Past Lincoln: This again, Lisa! You know, this is getting old really fast, now, you've left me no choice!

Past Lenora Wicherek: No, Linky, I got this.

Lisa screeched like a madwoman and came charging at them with her scalpel raised in the air, but Lenora Wicherek fired two powerful blasts of wind which hit Lisa, disarmed her, and she was knocked down and out, and she was tied up by Lincoln firing two red energy blasts from his massive white angel wings. Suddenly, Gohan and Krillin came out and grabbed Lisa.

Gohan: Sorry about that, Lincoln, but Luna messaged us to go after your sister, and in case you're about to ask, she's with Sully, Mazzy, and Sam at band practice.

Lincoln: Okay. Thanks, guys.

Krillin: Let's get her back home and let her parents deal with her.

Then, Gohan and Krillin dragged her back to The Loud House to her doom.

Past Lisa: YOU WILL PAY FOR THIS, YOU HAIRLESS HOMOSAPIENS! DO YOU HEAR ME, YOU'LL PAY!

Past Lincoln: Whoa, now that was so awesome!

Past Lenora Wicherek: No one's messing with my man, especially not that cold, heartless, unfeeling, emotionless, mad scientist and so-called prodigy.

Lenora Wicherek and Lincoln went back to their spot as Lincoln lied on the sand and Lenora lied on top of Lincoln, then, she placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, Lenora, you kicked Lisa's hide and Lincoln tied her up only for her to get dragged back to The Loud House by Gohan and Krillin, that was awesome!

Luna: That little heartless mad scientist monster messed with the wind alien chick, and she went down hard.

Me: And Gohan and Krillin told us of what Lisa tried to do to Lincoln, and when they were done, the rest of the sisters wanted her head on a pike.

Nico: Damn!

Gohan: But, we stopped them from doing so, and we left it to Mr. and Mrs. Loud who grounded Lisa for fifteen weeks, and we let Lily grab Lisa and toss her in a cage in her room, and Lisa swore that she would get her revenge on us, but Lily changed into her Warden Lily outfit and she hit Lisa's cage with a mallet again.

Lily: Yep, and I told her to "shut up, inmate".

Alexis: I knew the rest of Tania's monsters would join his harem soon enough.

Tania: And can you blame them when they saw him: really tall, handsome, extremely muscular, really trained in battle, they were already on him in a split second.

Sully: Same with the entire Python Nu Kappa Sorority, and when they saw Lincoln turn into Lincoln the Nocturnal, they went wild with love and in a split second, he was literally covered from head to toe in lipstick marks.

Naomi Jackson: And when we also found out he's also a good kisser, we already found our man, right, sisters?

The others agreed.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Camila Henley's hired thugs, but I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Camila Henley scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and we're continuing to drive Brianna Greyson insane with rage, but come the day we get after her, she'll suffer for everything she's done before we end her for good.

---

Later it was time for Princess Amore's first ever ambassador mission.

Me: Princess Amore you're going to love your series of Ambassador missions. You're going to be the ambassador of Ever After High.

Princess Amore: Wow! That is cool!

Brittney: And I'll be going with you guys on these missions. I did a lot of volunteer work there and got along great with the students there. The school is a place for the daughters of the great Fairy Tale villains and heroes to attend so they can get Happily Ever Afters of their own.

Qin: That is really cool!

Lola: I think it's awesome!

William: Anyone else want to go with Amore? Besides Sunny Bridges and 3 Rabbids?

Twilight Sparkle: Me and my friends, Flurry Heart, Cadance, Princess Celestia and Princess Luna will go.

Me: All right.

Lola: Boy this will be awesome.

Nico: It sure will. Ready to go princess?

Princess Amore: I sure am.

Nico: Lets go.

Nico opened a portal and we were off to Ever After High.

---

We arrived.

Me: WOW!

Brittney: This is it guys.

Eli: It's magnificent.

Me: It sure is.

Nico: Wow! So this is Ever After High.

Brittney: Yep. You guys are going to love it. Let me show you around.

We walked around.

---

Ever After High is a school founded in 1812 by Milton and Giles Grimm, also known as the Brothers Grimm. Ever After High is a castle in the Land of Ever After, situated on a hill in the centre of a valley and below it is the Village of Book End, where students go shopping and hang out. In the Valley below Ever After High there are pastures, forests and mountains ranging out to all the fairytale kingdoms, one such place is called the Enchanted Forest. The school itself is filled with large tall trees that are part of the fabric of the building. The trees, as well as adding aesthetic appeal to the detail and design of the school, also add a structural element to the building as support for windows and walls. This can be seen in the Castleteria and Library.

Both of the Brother's Grimm were headmasters of the school until Giles learned it was possible to morph destinies into one's own, but

Milton was not happy with his idea. Therefore, Milton cursed Giles with a babbling spell and locked him directly under the library, in The Vault of Lost Tales. Only a few students, Madeline Hatter, Raven Queen, Apple White, Ashlynn Ella, Briar Beauty, C.A. Cupid and Holly O'Hair know of his existence. Very few students (includes Maddie since she can speak Riddlish) understand Giles but he is able to communicate to those who are in need of his assistance. Ever After High remains as mysterious grounds whether or not students have a choice and all that is unclear after Raven Queen's stunt that she pulled on Legacy Day where she closed her book. Pre-determined destinies are now questionable.

The students at Ever After High consist of the children of many fairy tale characters and creatures, whom the school prepares for their destiny to take their parents' roles within the stories, lest all of them cease to exist.

There is tight security at Ever After high, with night guards, All The King's Horses and All The King's Men and monstrous black night briars, which grow hundred foot each night and fizzle into shadows and wilt back into the ground at first sunlight. These night briars originally only grew during the Beauty Sleep Festival, but Headmaster Grimm increased the security at the school nightly, ever since The Evil Queen's rampage.

Special festivals are held at the school in honour of the Royal Tales.

Thronecoming celebrates all stories, and the past generation of fairy tales. Taking place at the same time of the Bookball Championship, it consists of a float parade depicting the stories, then the dance, where a Thronecoming King and Queen are elected.

The Beauty Sleep Festival is held in honour of Sleeping Beauty. All students are excused from classes to prepare. During the festival, a sleeping spell is cast over the school which lasts for two days.

The Spring Cleaning Festival is held in honour of Cinderella. All students clean the campus of Ever After High, then a ball is held until midnight.

The Apple Festival is held in honour of Snow White. The only known details of the festival are a wholesale baking of apple-flavoured desserts, leaving the whole school smelling of cinnamon and nutmeg.

The Little Mermaid Festival is a beach party, taking place each summer at Looking Glass Beach. There is swimming, beach volleyball and a clam dig.

The Spring Festival is a fun-fest spellabrating spring.

Brittney: Raven! Girls!

She went over and hugged them.

Apple White: Oh they are so cute.

Me: They sure are but they are not the brightest lightbulbs in the closet if you know what I mean.

Duchess Swan: Oh they are idiotic?

Eddy: Yeah they sure are. But they are funny.

Me: Oh I'm sorry. Girls this is Eddy and his awesome friends.

Eddy: Awesome to meet you girls. I'm Eddy.

Edd: Greetings. I'm Edd but with 2 D's. Everyone calls me Double D.

One of the Rabbids tried licking Apple's dress.

Apple White: Hey!

Me: See what I mean? They are cute but they are idiots.

Eddy: Yeah.

Eddy picked them up.

Eddy: Her dress is not to eat.

Nico: Wanna show us around?

Cerise Hood: Sure.

Brittney: We have so much to see.

Raven Queen: We should also tell you more about ourselves too.

Brittney: Yeah they have some amazing stories.

Nico: We'll have to hear them as we go along.

We walked around.

Jimmy: I really like it here!

Sarah: (to Kevin and Eddy) And you two said fairy tales were all a load of baloney.

Eddy: Okay, so we were wrong.

Rolf went wide eyed after that.

Me: It's a really awesome school.

Raven Queen: It sure is. I should tell you that I am the daughter of the Evil Queen that Snow White faced.

We gasped.

Me: I hope it's not the one that we faced that she knows.

Raven Queen: No it's different.

She told us about her.

---

The Evil Queen is the main antagonist from Snow White and the Seven Dwarfs and the main antagonist of Ever After High. She is currently in a mirror prison for the crime of overstepping her story's boundaries and trying to take over all of the kingdoms in Ever After High. She famously disrupted Sleeping Beauty's story and invaded Wonderland. She is the mother of Raven Queen.

In "A Tale of Two Tales", she was voiced by Kate Higgins. However, since "Thronecoming", she was voiced by Wendee Lee.

Milton infuriatingly interrogates her in his office as the public is aware that the Storybook of Legends is a fake, with the real one stolen and hidden by her. In the large Storybook of Legends from Heritage Hall, she is in her witch form, prompting Raven to eat the poison apple.

From behind the mirror, the Evil Queen pushes a book off a shelf to lead Raven down her path of evil. She also aids Courtly Jester in conquering Wonderland by giving her a spell book.

July 16, 2013: Evil Queen makes her book debut in "Raven Queen's Story".

November 2, 2014: Evil Queen makes her cartoon debut in "Thronecoming".

Here, the Evil Queen turns Raven's puppy into a bone rat. She further grooms her daughter to follow in her footsteps by bringing her into her war meetings and teaching her about potions. The Evil Queen encroaches on Sleeping Beauty's story and invades Wonderland. With great effort, she is captured and imprisoned.

The Evil Queen has a conversation with Raven Queen from prison via mirror. The Evil Queen has a conversation with Raven Queen from prison via mirror. Milton Grimm asks Raven Queen if the Evil Queen's existence is still secret.

---

When she was done we were shocked.

Me: Whoa that is scary.

Nico: I think we just found our main target for the big day for Princess Amore.

Princess Amore: Yeah.

Nico: Yep.

Amore: This version is just going to prison. The one we've faced before is more evil.

Me: Yeah Queen Grimhilde was her name and she wanted nothing more than to kill Snow White.

Eli: Yeah.

Apple White: That's horrible! As the daughter of Snow White, I can't believe that she is that evil!

Me: No kidding there.

Duchess Swan: I hope you guys go Black Swan on her.

Me: Oh you can be sure of that. Also Duchess I love the Swan Lake play. My friend Ophelia Laurence the Nightmare Horse Gene-slammer has Medic of the Drive Kamen Rider Villains as her archenemy. And she dresses up like Black Swan from Swan Lake. She told me it makes her as graceful and beautiful.

Duchess Swan: That is amazing.

Nico: It sure is.

Eli: We all think Medic looks great. But the Evil Queen was awful.

Nico: And the one we've faced is responsible for the creations of at least two Twisted Snow Whites.

Me: Yeah no kidding.

Lizzie Hearts: Wow! That is crazy! Off with her head!

Me: (LAUGHS) I wish we could kill Evil Queen here but we can't. Also Lizzie your mother the Queen of Hearts, the one we faced was a ruthless tyrant and she wanted Alice's head cut off.

Nico: Yeah.

We got to sitting down.

Me: Girls we have quite a story to tell you and it's about our teammate Alice Liddell. She has a much darker and terrible story than the Alice that we met where we battled the Queen of Hearts.

Cerise Hood: What happened to her?

Me: Well it's not pretty.

I pulled a box of tissues for them and told them everything and it was shocking, horrifying and tragic.

When I was done everyone was shocked and horrified and Lizzie Hearts bursted into tears and so did Madeline Hatter!

Madeline Hatter: (CRYING) THAT IS SO SAD!

HONNNNKK!

She blew her nose.

Me: Yeah. Alice's life was a living nightmare.

Eli: Yeah.

Twilight Sparkle: But the Queen of Hearts was terrible.

Lizzie: The Queen of Hearts was never that evil!

Me: Not the one you know but the one we met was that evil.

Eli: Yeah. Also there's Ariel from the Little Mermaid. She's my sister.

Raven Queen: Ariel is our sister Eli!? That's amazing.

Me: She and Eli are not related by blood but they have had a very powerful sisterly bond for a long time. Eli before he came to our universe has the power to breathe underwater.

Raven Queen: Wow that is amazing.

Amore: And then there's my backstory.

Me: Her backstory is just as dark.

She told everyone her story.

---

Princess Amore is a female unicorn Crystal Pony who appears in the IDW comics' My Little Pony: FIENDship is Magic Issue #1 and whose name appears in Little, Brown and Company's The Journal of the Two Sisters. She is the first "Crystal Princess"/"queen" and ruler of the Crystal Empire before the rise of King Sombra.

Princess Amore makes a more prominent appearance in King Sombra's origin story in My Little Pony: FIENDship is Magic Issue #1. When a young Sombra and his friend Radiant Hope see visions of their futures in the Crystal Heart, Amore appears before them. She senses Sombra's fears about his future and tells him that he has the power to change it.

Years later, when a matured Sombra embraces his dark destiny and steals the Crystal Heart, Amore appears before him again. Having known of his true nature all along, Amore tells him it's not too late to choose his own destiny. Sombra, enraged that Amore knowingly caused him years of pain with the tradition of the Crystal Faire, turns her into a black crystal statue, shatters her into pieces, and scatters her pieces across the world.

Radiant Hope mentions Amore in My Little Pony: Friendship is Magic Issue #36 when she notes Princess Cadance's resemblance to the late princess. In My Little Pony: Friendship is Magic Issue #37, Sombra reveals that Amore can be restored to life if her shattered statue form is rebuilt. He subsequently embarks on a journey across Equestria with Hope to recover the princess's scattered fragments.

In chapter 3 of the My Little Pony Annual 2017, Shining Armor learns of a collection of spells and magical relics that Amore sealed away in the caverns underneath the Crystal Empire. He discovers an enchantment bearing Amore's image guarding said collection, and the enchantment allows Shining Armor access to the chamber when he proves himself.

---

When she was done everyone was shocked and horrified!

Raven Queen: King Sombra killed you!?

Apple White: But why!?

Me: Power. His heart was black as night.

Nico: He was pure evil incarnate.

Twilight: But now he's gone.

Me: Permanently. We banished him to the Black Gates.

Raven Queen: The Black Gates?

Me: It's the deadliest technique we have in our arsenal.

I told them what they do and how it completely erases them from existence forever with absolutely no hope of reviving them or bringing them back to life. They are completely erased from existence forever.

Raven Queen: Wow! That is a deadly technique.

Eli: It sure is.

Brittney: We only use it on the worst of the worst of our enemies. Those that are beyond all hope of redemption and have nothing but total darkness in their hearts and deserve only death.

Raven Queen: Wow! That is amazing.

Apple White: Also, we know that Eddy's Dark Side doesn't have long to live from hearing the news. How long does he have?

Eddy: About 2 more tries before I'm finally able to blow his fucking brains out.

Me: Yes but that is thanks to the curse that Nico put on him and he will get the Black Gates and his final day is with the Dragon Knight Kamen Riders.

Nico: Yep.

Raven Queen: Good.

Me: But it's good that you girls were warned about Dark Eddy beforehand.

Madeline Hatter: Yeah we have have seen all your adventures. Brittney told us about them in video calls that she was sending in her spells.

Brittney: We always kept in touch and they are awesome.

Me: By the way girls do you know anyone here that is definitely worthy of getting the Black Gates. Can you think of anyone?

Apple White: Can't think of any. But there are still plenty of people causing trouble here.

Me: Like who?

Apple White: Well there's the Daughter of the Joker Card, Courtly Jester.

Lizzie Hearts: She is someone I once hung out with. But she grew mad with power.

Me: Whoa. At least she is not like the Joker that Batman faced right?

Lizzie Hearts: No she's not like that thank goodness. She is crazy but not THAT Crazy.

Eli: That's a relief.

Me: But she will definitely be a good member for the M.O.E.

Nico: Where is she right now?

Eli: I think she's right there!

Eli fired a blast of Force Lightning and it hit a bush and a figure came out and it was COURTLY JESTER!

Me: Whoa! She looks just like one of those court jesters that we had back over 1,000 years ago.

Eli: Yeah back in the Medieval Era.

Lizzie Hearts: That's right.

Courtly Jester: Is that any way to treat an old friend?

Lizzie Hearts: You need to stop all this maniacal pranking Jester.

Eli: Yeah we don't want you to wind up like what would have happened to Luan!

Me: That's right! Or the Joker and you don't want that on your conscience now do you? The Joker killed over 2,000 people because of his insane ways and all that!

Nico: Yeah that's for sure! And look where that got him!

Rainbow Dash: He got shot to death by Stacey!

Me: That's right!

Rainbow Dash: And it was awesome!

Courtly Jester: Really?

Eddy: Besides you know what his pranks did?

Courtly Jester: What?

Eddy grabbed her hand and then used a lightning joy buzzer on her and electrocuted her.

He let go.

Eddy: That.

Courtly Jester: Oh, it's on now!

Rolf: ROLF WILL RELEASE HIS RAGE NOW!

POW BLAM! (COW MOO)

CRASH!

She was sent crashing into a wall!

Eli: OUCH!

Nico: Yikes.

Nico: (gets out Number 7 and Robo Roxy's Ridewatches) Let's get this party started!

Nico activated them and fired waves of energy and blasted her down.

Eli: YEAH! How about this for a tickle?

Eli used the Force and tickled her all over the place.

Courtly Jester was laughing hysterically.

Me: (LAUGHS) She sure is ticklish.

Edzilla: ED SMASH JESTER!

SMASH SMASH SMASH!

He smashed and pulverized her all over!

Me: YEAH! (Senses Something) Nice try you sneak!

I fired a my blaster and blasted a window in the castle and then out of an explosion crashing onto the ground was DARK EDDY!

SMASH!

He was flatter than a pancake!

He got up.

Dark Eddy: (Dazed and stupid) Granddad you ran another stop sign.

Eddy: Only got 1 more try after this, asshole.

Dark Eddy: That and today is all I'll ever need! (fires at Apple White)

Eli deflected the blast back with his lightsaber and it hit him.

Eli: Nice try!

Me: Hey Dark Eddy.

I got in his face.

Me: Have a good laugh on you.

I held up my hand and blew a green powder in his face and he was coughing. THEN HE LAUGHED AND STARTED LAUGHING LIKE A

FUCKED UP LUNATIC AND HE HAD THE GRIN OF THE JOKER ON HIM AS HE WAS LAUGHING UNCONTROLLABLY!

Me: The Joker may be gone but his laughing poison has been really useful for us.

Nico: Eddy, I got an idea.

Eddy: What?

Nico tossed Evil Bomb Man's Hyper Bomb at Dark Eddy. Eddy got the hint and fired at it.

He blasted it and then..

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted Dark Eddy back into the Book of Vile Darkness dimension.

Me: 23 down and 1 more to go.

Nico: Now for our laughing friend.

Me: We have some awesome fairy tales of our own girls. Watch this.

I pulled out my Eternal Phoenix Wonder Ride Book.

Me: (Reads Verse) "The Eternal Phoenix flew through the voids of space and found a dead desert planet. She flew down to the planet and while soaring through the skies she brought beautiful new life and water to the parched dead world and she brought the joy and beautiful power of nature and love to it for the first time in eons."

Then a phoenix flew and new life grew all over and the castle was covered in trees and plants and more!

Raven Queen: WOW!

Cerise Hood: That is so amazing!

Apple White: WHOA! How did you do that!?

Me: The Wonder Ride Books have the power to do anything. When you read a verse from them everything they say literally happens.

Nico: Yep.

Madeline Hatter: That is so amazing!

Eli: It sure is.

Amore: (gets out SkekSil's Ride Book) I honestly just got this today.

She pulled out her Ride Book and it was called The Chamberlain of The Dark Crystal - SkekSil.

Me: That's based on the Chamberlain of The Dark Crystal.

Apple Bloom: The one from Jim Hansen!? Whoa!

Me: Yep. He will never be forgotten.

Starlight Glimmer: No he won't.

Amore: Lets see what it can do. (Reads Verse) "The First Sun climbed to the sky and Shined down on the Crystal and beams of energy shined into the eyes of its lords and gave them new life and power through the Crystal's power. Granting them stronger energy and youth."

Then the Dark Crystal appeared and a beam of sunlight fired onto the crystal and fired a beam of purple light into Amore's eyes and then the crystal's negative energy caused her aura to explode out as she got immensely more powerful!

Me: WHOA! That is powerful!

Apple White: Whoa that is amazing!

Eli: It sure is.

Me: Plenty more where that came from.

Sunny Bridges: (gets out Lady WiFi's Ridebook) I hope the Wifi here is good.

Lady WiFi's book was called The Internet Vigilante - Lady WiFi.

Sunny Bridges: (Reads Verse) Tracking the signal of the evils of Queen Bee monsters, Lady WiFi made it her mission to find those wretched beings that call themselves human beings and they will pay for their crimes. Lady WiFi fired beams of energy and burned any Queen Bee that got in her way."

Energy blasts hit Courtly Jester and blasted her down.

Apple White: Those are perfect here!

Nico: They sure are. And many more where those all came from.

Eli: Yep.

Nico: It's awesome.

Apple White: Boy it sure is!

Nico: Yep.

Apple White: Let me get some shots in!

Apple White fired waves of light and blasted her all over.

Me: Apple you and the girls will love this.

I gave them their own legend items.

Apple White: WOW! Our own Wonder Ride Books.

Nico: Yep.

Apple White: Lets see what they can do.

Her Wonder Ride Book was called The Swamps of Mad Scientist Dr. Viper.

Apple White: (Reads Verse) "Flying in and patrolling the skies came the flying acid spitters of the mad scientist Dr. Viper and they fired acid at their target and made sure they didn't get close their creator."

Flying in was Dr. Viper's plant creatures and they spewed acid and burned holes in the ground and Courtly Jester was down.

Courtly Jester: GEEZ!

Apple White: I'll make sure to use that again in the future.

Me: Good idea. Also specifically you girls have some of the SWAT Kats enemies from Universe 666.

Raven Queen: Universe 666?

Me: It's a really long and complicated story.

Eli: Yeah.

Nico: And a crazy one.

Amore: Basically, that world is one where good is bad and bad is good.

Nico: And WE were the bad guys.

Me: Yeah.

Raven Queen: Oh man.

Madeline Hatter: Lets see what mine can do.

Her Wonder Ride Book was called Rex Shard The Crystal Golem.

Madeline Hatter: (Reads Verse) "With his new power over crystals and jewels, Rex Shard put his hand on the ground and spread jewels and crystals all over and within seconds he turned everything into a crystal forest and turned everything into crystals and jewels."

Then she put her hand on the ground and almost instantly she turned the entire castle and everything in it minus some things into gorgeous and beautiful crystal and more!

Me: WHOA!

Eli: WOW!

Nico: (WHISTLE) That is awesome!

Brittney: You know it looks better that way.

Nico: It'll probably be back to normal next mission.

Brittney: It might. But my sister Nicole would love this.

Rarity: It sure is amazing this way darlings and the crystals from this would be perfect for my new fashion lines.

Apple White: Wow. Rarity makes awesome clothes?

Me: You should see what she makes Apple. Her clothes are the envy of everyone we know all over the city. She adorns her fashions with magnificent jewels and sequins and glitter that literally sparkles in the sun and it's something out of awesome royalty.

Nico: It's true.

Apple White: Wow!

Raven Queen: That is cool!

Ashlynn Ella: That is really amazing. I would love to see what those are like.

Cerise Wolf: You would love them Ashlynn.

But then a Delphox came!

Me: Whoa a Delphox!

Nico: Awesome!

Raven Queen: Whose Delphox is that?

Delphox: (In a girls voice) Oh I don't belong to anyone.

Raven Queen: It talks!

Nico: That voice! Serenity Sellington? Whoa!

Me: She's a Gene-slammer for Delphox. Team Rocket's handiwork.

Applejack: Yeah it's a crazy story y'all.

Fluttershy: But we have met numerous people and friends that have been gene-slammed.

Apple White: That's crazy!

Me: It sure as hell is. But Team Rocket made our friends and loved ones better than ever by giving them the powers of creatures and friends that we know and love.

Nico: It's true.

Pinkie Pie: Lots of our friends think it's amazing.

Eli: Yep.

Delphox: But I got this.

She fired a wave of fire and blasted Courtly Jester down and Eli and Rainbow Dash ran and tied her up.

Delphox reverted back and she was a girl with neon orange hair and had red eyes and yellow clothes and had red fox ears and had orange fire angel wings and had a fox tail.

Serenity Sellington: That was awesome. Also yes I am a fox girl. And I like it.

Apple White: That is cool!

Sunny Bridges: What's your favorite memory of Nico?

Serenity Sellington: My favorite is when me and Nico busted a massive diamond smuggling operation in Georgia.

Me: Wait you mean the Great Diamond Smuggling Cartel Roundup was done by you two!? I watched that all over the news and that spread like wildfire! They caught smugglers trying to smuggle $523,934,567,644,999,545,555,555,555,000 in diamonds onto the worlds black market. Those smugglers all got sent to federal prison for eternity.

Nico: Yep.

Serenity Sellington: Yep. That was fun.

Apple White: Wow! That is amazing!

Sunny Bridges: It sure is!

Nico and Serenity hugged.

Nico: I've really missed you.

Serenity Sellington: Me too Nico. Me too.

* * *

We later came back.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything and it was awesome.

Lola: WHOA! That is awesome.

Nico: Yep.

May: Next time, SkekSil and Cheese should go with you guys.

Me: Cool! I don't know how Vypra was able to bring the SkekSis into her ranks but that will be interesting to hear about.

Qin: It sure will be.

Lola: Yep.

* * *

Later we were watching TV.

Nico: Boy Dr. Robotnik is really scared of his own mother isn't he?

Sonic: Yeah he sure is.

Qin: It's hard to imagine she is much more rotten than he is and she is that crazy!

Lola: No kidding! Mobius's most dangerous criminal is scared of his own mother.

Qin: Yeah she is what we call a monster.

Yoda: Nico, in the kitchen, you should see.

Nico: Oh on my way Master Yoda.

Nico went over and saw the mascots and they had NUMEROUS kinds of different foods.

Nico: Whoa look at all this guys.

We saw what they were eating.

Me: Boy you guys must be hungry.

Chiro: What are you guys doing?!

Poromon: We're having an eating contest of many kinds of foods.

Me: Boy you guys have everything. Sausage Wellington, Spaghetti, Ulti-meatum's, Ribwiches, Macaroni and Cheese with hot dogs, Chili Dogs, Chicken Parmesan Sandwiches, smoked sausages, turkey, and more. (SLURPS) It all looks so awesome.

Poliwag: Yeah it sure is.

Manaphy: And we're hungry.

Lynn Sr.: It was their idea and I made it all for them.

Lynn Sr. came out covered in ingredients messes.

Me: Boy Mr. Lynn you're a mess. You really spent a lot of time cooking didn't you.

Lynn Sr.: You're not kidding there J.D.

Poromon ate some food.

Poromon: MMM! (Eating Sausage Wellington) MMM! Delicious!

They were eating and eating and eating and eating.

Slinkman: Eat it, eat it, eat it! Mascots Mascots Mascots! Oh you're doing good!

They were eating like crazy and loving it all.

Poliwag: (EATING) MMM So good!

Manaphy: (EATING) YUMMY!

Manaphy ate some food.

She was really hungry and so was Horsea.

They were really scarfing it down.

Qin: Boy look at them eat!

Manaphy: Finished!

They were finished and Manaphy finished first.

Manaphy: Boy that was awesome!

Me: Boy you guys were hungry.

Lynn Sr.: I'll say! Did you guys like it?

Manaphy: Oh yes me likey. (LOUD BELCH!)

Poliwag: Who finished second?

Me: All three of you did.

Poromon: Wow!

Qin: Yeah you guys did great.

Nico: You sure did.

Red Alert: That was awesome though guys.

Thundercracker: But you guys didn't even share with us!

Me: It was for them Thundercracker.

Nico: Besides, we hardly ever see some of the mascots funny shenanigans that often.

Thundercracker: You're right on that.

Qin: Besides it's fun.

?: Too bad I didn't get a chance to see any of it.

We turned and saw a Chesnaught.

Me: Hey a Chesnaught.

Qin: Cool!

Chesnaught: (In a girls voice) That must've been an awesome and fun contest.

Nico: Meadow Vexxa!? Whoa!

She reverted back and was a girl with green hair, green eyes and had the symbol of the grass Pokemon Z-Stone in the middle of her forehead and she had green clothes and green angel wings.

Meadow Vexxa: That must've been awesome.

Silverbolt: What's your favorite memory of Nico?

Meadow Vexxa: When me and Nico made an awesome fruit orchard of many awesome and amazing fruit trees.

Nico: Meadow lives on a farm that makes amazing fruits and she makes many kinds of them.

Sunny Starscout: Just like how we do in our garden.

Lola: That is awesome.

Me: You guys should taste some of the fruits that Sunny makes in the garden. It's really tasty, juicy and flavorful.

Nico: Wow.

Nico and Meadow hugged.

Nico: I've missed you.

Meadow Vexxa: Me too Nico. Me too.

Red Lantern Ratchet: (to the mascots) Are your bellies all bloated?

Poromon: (Groans)

Horsea: Yes they are.

Qin: They are stuffed.

Lola: They sure are.

Nico: Yep.

Camie: Boy they are stuffed and full.

Varie: Yep.

Sunset Shimmer: That was a lot of food she was eating.

Sunset Shimmer gulped down raw eggs and a protein shake.

Lynn: Boy Sunset Shimmer is really training hard for the triathlon.

Qin: She sure is.

The previous group came.

Major Disaster: Can me, Captain Cold, Common Cold, Man Ray, Cluemaster, Mysterio, Cantwell, Brain Freezer, P'andor, and Baron Mordo go with you guys?

Nico: Yes you all can go with guys.

Lola: We always have a lot of fun too.

Qin: Yep.

Camie: I have a feeling our mission is gonna be awesome.

Indigo Zap: Nico, which Gene Slammers do you think you'll meet next?

Nico: Diggersby and Talonflame next.

Me: Ooh! Talonflame is one of my favorites. She is going to be as powerful as the Phoenix.

Qin: She sure is.

Lola: Yeah this will be awesome for you.

Camie: I'm looking forward to that one.

Nico: Me too.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront today: it was Valeena of The Skeleton King's minions. When we all saw it, we knew it meant trouble.

Nico: Whoa, Lincoln, what's up?

Lincoln: Nico, where's Chiro and his team? There's some news I got to share with them and everyone.

Just then, Chiro and his team arrived.

Chiro: We're here, Lincoln, what's the news?

Lincoln: Chiro, I just had a vision of who we're going to confront today: it's Valeena of The Skeleton King's minions.

Chiro gasped.

Chiro: Valeena, but how, The Skeleton King killed her with an energy blast that vaporized her, which I tried to prevent.

Lincoln: Well, you're not going to like how she was brought back, I also saw a Dark Orb inside of her, and I saw the one person who brought her back: it was Brianna Greyson, she's now absolutely lost her mind.

Me: That monster bitch!

Nico: Ooh, now she's really lost her mind big time.

Lincoln: And I've been thinking, we can get her to join The Masters of Evil. Think about it, when she brought back The Skeleton King, she expected to be rewarded, but like Chiro said, he double-crossed her and killed her. So, this could be a second chance at life for her.

Nico: Good idea, Lincoln. But, first, we got to get rid of the Dark Orb that brought her back.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Camila Henley of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Camila Henley of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Gabby: While you and I deal with Camila Henley and put an end to her for good, Lincoln.

Lincoln: Right, Gabby. But, we also got to watch it though, Camila Henley will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to take down Valeena.

Lincoln: And destroy the Dark Orb that brought her back thanks to Brianna Greyson and send her to The Masters of Evil, and once we get done battling Valeena, you're next, Camila Henley.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past, and you just stepped in deep shit now, Brianna Greyson, you're going to lose more than just your mind when you and the rest of your bitch pack show up.

Gabby: No way are we forgiving you for any of your actions, Camila Henley, you better be ready to pay the price for your foul misdeeds after we take down Valeena.

Nico: Lets go guys!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to battle and take down Valeena, and after we got through taking down Valeena and sending her to The Masters of Evil, it would soon be the turn of Camila Henley of The Legion of The Lincoln Haters to meet her fate with The Grim Reaper and The Black Gates.

We were going to face her on the newly terraformed Planet Venus.

We were flying through space.

Man Ray: First, let's head to Shuggazoom City.

Me: Good idea.

We flew to the Shuggazoom City Station right next to the Ringworld.

Nico: It won't be long. We'll go to the Ringworld.

Julie Carolina: Yeah. I wonder how everyone is doing down there.

Eli: We'll find out soon.

Yagura: How about we head inside the Super Robot?

Chiro: Good idea. This IS a bad guy of me and my team after all.

Me: Yep.

We flew down to Shuggazoom City and went into the Super Robot.

Me: Been a while since we were in the Super Robot.

Qin: Feels like forever.

Nico: Ever since the final day of the 20 Days of Darkness.

Eli: Yeah.

Mysterio: I should summon some Heartless Robots for this.

Nico: Good idea.

Me: How about Darkball Heartless?

Mysterio: Good choice.

He summoned a bunch of Darkball Heartless robots.

Qin: Awesome.

Sora: It sure is.

Tricloid was carrying the mascots.

Tricloid: (groans) I think you guys gained some weight from eating all that food!

Poromon: ARE YOU CALLING US FAT!?

Manaphy: YEAH! We are not fat!

We were in Chiro's room.

Chiro: Home sweet home.

Nico: You guys must be happy to be back here.

Nova: We sure are.

Mandarin: It sure has been a while.

Me: Boy it feels like forever huh?

Chiro: It sure has been a while.

Beast Boy: It sure has. I think it's so cool though.

Eli: Me too.

T.J.: You mentioned Ringworld, right? Does that mean the Reds and Blue are gonna be helping us?

Nico: We moved Ringworld over to Earth while Julie's missions were going on. That way it would be easy to get to when we go there in the future.

Me: Yeah when we went there the first time it was in front of a planet lightyears from Earth. So we brought it closer to us.

Nico: Yep.

T.J.: Oh I get it.

Me: But I know what you mean T.J. If they want to help us out on certain missions they are more than welcome to.

Lola: Yeah.

Nico: Now lets get to the reason why we are here.

Undermine: Valeena. What do you guys got on her?

Chiro: Well you guys are going to not like this.

We were told about her.

---

Valeena, sometimes spelled as Valina, better known as the Skull Sorceress and the Skull Witch, is a diabolical witch with a lich-like physical appearance fitting her evil nature, who is a loyal disciple of the malevolent Skeleton King and one of two secondary antagonists (alongside Mandarin) of Super Robot Monkey Team Hyperforce Go!. She is the opening-turned background antagonist of season 3 and the main antagonist of season 4.

She was voiced by Hynden Walch, who voiced Harley Quinn in The Batman and Blackfire in Teen Titans.

Valina was once a member of the Skeletal Circle, a secret cult of Shuggazoom citizens who worshiped the Skeleton King. The group's leaders, Ma and Pa Sheenko, were her loving yet somewhat critical parents who chose her to accept the Skeleton King's power. The Skeleton King's influence saw her fit to rule the Savage Lands, which is a large, hidden jungle which lied in a series of caves beneath the surface of Shuggazoom.

When the Monkey Team and Jinmay attempted to rescue Chiro from the Skeleton King's jungle hidden beneath the badlands, Valeena attempted to kidnap Jinmay, and the rescued Chiro and the rest of the Monkey Team chased after her. She then summoned one of the Dark Ones that was fused with the head and essence of the Skeleton King, atop the Dark Ones' forgotten pyramidal temple within the Savage Lands in an attempt to destroy the Monkey Team. When the Dark One was injured by Antauri, she lost her power, and was defeated by Chiro. She was tossed into a vat of formless ooze as the savage lands and the jungle beneath it were destroyed.

Valeena returned only to wind up trapped in a medallion which comes under Mandarin's possession in the same episode. When Mandarin abused her power to create the Monkey Team's worst fears, she trapped him and wanted to use the Skeleton King's skull to resurrect him.

Valeena and Mandarin did, finally, resurrect the Skeleton King at last, but instead of being rewarded by her master, he killed her with a powerful energy blast that reduced her to ashes (though Chiro tried to prevent this, but she was foolish enough not to listen).

* * *

When he was done we were shocked!

Me: WHOA!

Nico: Boy NOW it's a REALLY good thing we destroyed the Skeleton King. He double-crossed her and killed her! After everything she did for him to bring him back!

Me: What a motherfucking monster! Now I'm REALLY glad we destroyed the Skeleton King.

Lola: Me too.

Mandarin: No kidding.

Brittney: And she was made the way she was by a Satanic Cult? That is dangerous.

Bonnie Terrez: Yeah it's messing with evil forces no one can even fathom.

Lola: That is horrible.

Antauri: She will make a good member of the M.O.E. For you guys.

Eli: I agree there. Vypra will be a much better boss for her.

Brain Freezer: Chiro, I know you failed to save her before. Consider this a second try.

Aylene C.: I agree Chiro. Now you have a chance to make up for it and get a second chance.

Chiro: Thanks guys and I know I can save her.

Me: Just like how I got to save Smile Sumida.

Nico: Right I remember you did that J.D.

Lisa Loud: Indeed. That was some unfinished business there on Flora's ambassador missions.

Aruto: It sure was.

Mushi: Oh, we'll save her alright. Even if we have to beat her with a holy whip to do it!

Me: Since she was made this way because of Satanic Magic, it will be perfect for it.

Lola: I agree.

Qin: Yeah I agree too.

Chiro: Lets head to the planet Venus to face her then.

Baron Mordo: First, Eli should sense if the Reds and Blues are nearby.

Eli: Right.

Eli concentrated.

Eli: Nothing.

Me: I will give them a call if we need them.

Xenia: Yeah.

Terrorsaur: (pats Julie on the back) Sorry, Julie.

Julie Carolina: No worries. We still have plenty of time before my big day mission.

Qin: Yeah we got lots of time till then.

Nico: Yep.

Xenia: It will be fun though.

P'andor: (Russian Accent) Right now, we can't wait for them. We're headed to Venus like we said.

Me: I agree.

Nico: Right. Lets go!

We were off to Venus.

Ratbat: I see Venus now.

Me: Yep.

We arrived at the newly terraformed Venus.

Me: Here we are.

Lori: (GASP) This is literally Venus? What happened!?

Girl Jordan: Leeli's song somehow magically terraformed it and made it like Earth.

Leeli: Yeah it's true.

Nico: We were absolutely shocked and amazed when we saw that.

Izuku: Boy that is so awesome and amazing!

Me: We were absolutely amazed ourselves. Venus went from a scorching hot planet that had a temperature of 900˚Fahrenheit and had a Carbon Dioxide Rich atmosphere, sulfuric acid rain and clouds to this.

Nico: Yep.

Qin: That was awesome and amazing.

Cantwell: It sure is!

Me: Now we have 2 awesome terraformed planets. Mars and Venus have both been terraformed.

We flew down to the planet and landed.

Cantwell: Oh wow!

Lola: Coming here was an amazing shock for us when we saw this.

William: And that was when we were unwitting pawns in the Noto Generals plans.

Cluemaster: I bet Nico didn't enjoy accusing you guys.

Nico: Of course I didn't! But I was willing to do whatever it took to keep innocents safe from the Hitotsuki threat. You understand, right?

Me: Yeah you were just being cautious and doing what you thought was necessary.

May: Yeah we don't blame you.

Eli: Besides it was all part of the Noto Generals plans.

Me: They fucking played us for a bunch of fools!

Qin: Yeah!

Me: But at least they won't hurt anyone else.

Spinister: You think Pluto's next in line to be terraformed?

Me: That is highly unlikely.

Qin: Yeah Pluto is too far away for that to happen.

Lisa Loud: I most agree on that one. At 3.9 billion miles away from our parent star and with temperatures of -387˚Fahrenheit it will be absolutely impossible for Terraforming to take place.

Nico: Lisa is right on that one.

Qin: Yeah.

Me: I'm hoping some of the moons around the Gas Giant Planets will be terraformed next.

Common Cold: Is Valeena near? (SNEEZES)

Me: Bless you.

Common Cold: Thank you.

I gave him my handkerchief and he blew into it and he was better.

Common Cold: Ahh. Thanks.

Eli: Lets see. (Concentrates) Found her. 45 klicks to the west.

Me: That's right there.

We saw that we were next to the foot of the 2nd highest mountain in the solar system, MAXWELL MONTES!

Nico: Wow! Maxwell Montes!

Eli: What a mountain!

Twilight Sparkle: Wow!

Camie: How tall is Maxwell Montes?

Me: It said 37,795 feet high.

Camie: Wow! That's almost 10,000 feet more than Mount Everest.

Qin: Yeah!

Lola: That is awesome.

Nico: Lets get going guys.

Azula: Entrance time!

Nico: Yep.

We flew at the mountain.

Valeena was really FUMING!

Valeena: When I find the Skeleton King, I will kill him for killing me! After EVERYTHING I did for him, he killed me!

But little did she know that he is already destroyed. Then the spirits of the planets appeared and they swirled around her and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and we appeared in front of her.

Me: Valeena the Skull Witch, I presume?

Valeena: And who are you all?

Me: Team Loud Phoenix Storm.

Valeena: You must've killed Skeleton King before I could! You'll pay for stealing my kill!

Captain Cold: Because he was helping fucking Opaline!

Me: Opaline hired him and we destroyed him. Also I blew up his ship with the Superlaser.

Nico: That's right.

Me: Also you deserve a much better boss than the Skeleton King.

Vypra is more suited for you.

Lincoln: Wait guys! I sense a Dark Orb inside her! Brianna Grayson put it in her.

Me: I feel it too.

Eli: Damn those Legion of Lincoln Haters!

Qin: YEAH!

Then Heat Wave, Stinky Butt, Titanium Toenail, Melter, Po Kong, Touch and Go, Dark Turtles, U Foes, Abra Kadabra, and Larxene appeared.

Nico: Heat Wave, Stinky Butt, Titanium Toenail, Melter, Po Kong, Touch and Go, Dark Turtles, U Foes, Abra Kadabra, and Larxene.

Heatwave: So the Legion of Lincoln Haters put a Dark Orb in her?

Stinky Butt: They're getting more unstable by the minute!

Me: Yeah those bitches are nothing but trouble!

Titanium Toenail: But you guys can still free her.

Vapor: Just don't kill her.

Me: That you can count on.

Melter: (to Nico) We heard Izzy's snoring kept Sunny and the others up.

Nico: Yeah it sure did.

Po Kong: Are they okay now?

Me: Yeah they just needed a little nap.

Qin: Yep.

Then General Schwarz came!

Me: General Schwarz? But you already had your turn.

General Schwarz: I know that but it's my turn for the Ranger battle.

Me: Oh I get it.

General Schwarz: There's no rule against me being in Ranger battles as well.

Me: No there isn't. But it'll be fun.

Qin: Yeah it sure will.

Laney: It always is fun.

Ink Rose: I can live with that.

We got the battles underway.

Heat Wave was first.

Heat Wave: (to Taranee) Nico's Rescue was in Maretime Bay. Sheesh, Izzy's snoring kept Sunny, Zipp and Pipp up, didn't it?

Taranee: Boy it sure did and Izzy was snoring so loud that it could wake the dead.

Hiita: Yeah no kidding there. Now Sunny, Pipp and Zipp know how J.D.'s mom felt when she puts up with his dads snoring.

Krystal Flemmington: Yeah J.D.'s dad snores loud enough to wake the dead in a graveyard.

Lea: That is crazy loud snoring.

Shiho: Tell that to Ed too. He snores just as loud too.

Sci-Twi: That is crazy and funny though.

Sunset Shimmer: It sure is. I think it's funny

Stinky Butt: Geez! I saw that! She really did a number on her.

Daniella King: We sure did and it was awesome.

Leeli: It sure was and we were amazed too.

---

Melter was next.

Melter: (to Aquaman) I heard you guys met a Gene-slammer for

Alien Skull. What's her name?

Aquaman: Her name is Lenora Wicherek and she is amazing at what she does.

Snow White: She most sure is amazing.

Daisuke: She is a creature that is called an Aerosapien and they are creatures of wind.

Gyro Man: They are really awesome too.

Pie Pie Mermaid: It sure is.

---

Nico: Yep. So, Lenora, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Lenora Wicherek: I do have a video of one memory, it was with me and Lincoln at Lake Superior

Lenora Wicherek pulled up a video and it played on the screen, and it showed Lincoln in his large orange speedo and Lenora in her true form and wearing her green two-piece bikini, and they were enjoying a day of fun in Lake Superior.

?: LINCOLN! I'M GOING TO KILL YOU FOR RUINING EVERY LAST ONE OF MY EXPERIMENTS, YOU HAIRLESS APE!

Past Lenora Wicherek: What the heck was that?!

Past Lincoln: I'd recognized that scream of vengeance from anywhere, it's Lisa, and it sounds like she's on the rampage again and she's still out for blood after what the rest of the Guardian Angels and I have done in ruining her attempts to kill me with her "experiments"!

Lenora and Lincoln got up from the sand, and they saw Lisa come out with red eyes of hate and she had a scalpel in her hand, and she was now out for blood.

Past Lincoln: This again, Lisa! You know, this is getting old really fast, now, you've left me no choice!

Past Lenora Wicherek: No, Linky, I got this.

Lisa screeched like a madwoman and came charging at them with her scalpel raised in the air, but Lenora Wicherek fired two powerful blasts of wind which hit Lisa, disarmed her, and she was knocked down and out, and she was tied up by Lincoln firing two red energy blasts from his massive white angel wings. Suddenly, Gohan and Krillin came out and grabbed Lisa.

Gohan: Sorry about that, Lincoln, but Luna messaged us to go after your sister, and in case you're about to ask, she's with Sully, Mazzy, and Sam at band practice.

Lincoln: Okay. Thanks, guys.

Krillin: Let's get her back home and let her parents deal with her.

Then, Gohan and Krillin dragged her back to The Loud House to her doom.

Past Lisa: YOU WILL PAY FOR THIS, YOU HAIRLESS HOMOSAPIENS! DO YOU HEAR ME, YOU'LL PAY!

Past Lincoln: Whoa, now that was so awesome!

Past Lenora Wicherek: No one's messing with my man, especially not that cold, heartless, unfeeling, emotionless, mad scientist and so-called prodigy.

Lenora Wicherek and Lincoln went back to their spot as Lincoln lied on the sand and Lenora lied on top of Lincoln, then, she placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, Lenora, you kicked Lisa's hide and Lincoln tied her up only for her to get dragged back to The Loud House by Gohan and Krillin, that was awesome!

Luna: That little heartless mad scientist monster messed with the wind alien chick, and she went down hard.

Me: And Gohan and Krillin told us of what Lisa tried to do to Lincoln, and when they were done, the rest of the sisters wanted her head on a pike.

Nico: Damn!

Gohan: But, we stopped them from doing so, and we left it to Mr. and Mrs. Loud who grounded Lisa for fifteen weeks, and we let Lily grab Lisa and toss her in a cage in her room, and Lisa swore that she would get her revenge on us, but Lily changed into her Warden Lily outfit and she hit Lisa's cage with a mallet again.

Lily: Yep, and I told her to "shut up, inmate".

FLASHBACK ENDS

Melter: GEEZ! That is amazing that Lenora did that to Lisa. Boy and it's awesome that Gohan and Krillin helped Lincoln too.

Ironclad: Kinda convenient that she left out the part where Skeleton King was helping Opaline.

Syd: Yeah no kidding. She had no idea that he was helping Opaline because Valeena was dead long before that.

Virgo: That was horrible that Skeleton King did that to her.

Lime: You're not kidding there!

Po: Yeah what an honorless monster.

Mantis: I'm glad that Skeleton was destroyed.

Monkey: Me too. He was a monster.

Starlight Glimmer: He had no love for anyone and he would kill anyone. Including his own minions.

Abra Kadabra: (to Hawkeye) Valeena will be going into our ranks. Rest assured that we'll keep her in line.

Hawkeye: I know you will. After how she was double crossed by the Skeleton King the last time there is no way we're going to let her go through that again.

Larxene was next.

Larxene: (to Volcana) Valeena deserves a better boss than the Skeleton King. And that's Vypra.

Volcana: I agree there too. The Skeleton King only used her as a pawn in his diabolical plans to destroy the universe.

Nanael: Yeah and now that he is gone she will be perfect for Vypra.

Camie: Valeena was just used as a patsy in all this.

Himiko: She needs a better boss.

Tsuyu: And that is Vypra.

Kaoruku: I agree there too.

Princess Celestia: Vypra will be perfect for her instead of the Skeleton King.

King Solar: She sure will.

Solar Eclipsa: Yeah no kidding there.

The blasts all hit her and smashed her down.

Mr. Go: There. That did it.

Dark Leo: She's not dead.

Dark Don: Just subdued.

Vector: Thank goodness.

Abra Kadabra: Let's get that Dark Orb out of her.

Larxene: Before something else happens.

Lincoln: Hold still, this is going to hurt.

Lincoln went invisible and went into Valeena's body, and he came out a second later and with The Dark Orb in his hand. Then, he threw it into the air and we fired energy blasts at it and destroyed it, and due to the blue auras protecting us, the shards weren't able to enter us and they were destroyed and we'd gained a massive power boost.

Valeena: Ugh. W-what happened?

Chiro: Valeena, are you finally back to normal?

Valeena: Yes. But, how am I back?

Chiro explained that Valeena came back thanks to Brianna Greyson who was now completely out of her mind and used a Dark Orb, and she'd implanted it in her and forced her to do her bidding and all for her own personal revenge.

Valeena: I will rip that monster to shreds for this!

Lincoln: Leave that one to us, you should head for The Masters of Evil's HQ, once Brianna finds out I freed you, she'll soon be out for more blood.

Lincoln made a portal to The Masters of Evil HQ, Valeena entered it, and it closed as soon as she went through.

Nico: Alright, awesome job, gang, we took down Valeena, freed her from The Dark Orb and Brianna Greyson's vengeance-crazed bidding, and she's now a member of The Masters of Evil.

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Camila Henley.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Camila Henley?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Camila Henley of The Legion of The Lincoln-Haters, but we also saw Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson, who's already falling into madness heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with

her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Camila Henley: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads and ruining my constant desires for revenge… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Gabby: Yes, but this'll make sure they finally get our point.

Suddenly, Gabby's eyes turned neon yellow and she was surrounded by a yellow and white energy aura with stars, suns, lights, and phoenixes, and as she approached Camila Henley, she left yellow and white energy, stars, suns, lights, and phoenixes with

every step.

Gabby: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Camila Henley, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Gabby was surrounded by a massive vortex of yellow and white energy with stars, suns, and lights, and surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a yellow phoenix with red eyes glaring at Camila Henley: the red eyes of death. Then, as the vortex faded, Gabby emerged, but she was changed forever.

Gabby grew to 7'5" in height, she has the voluptuous body of a goddess, she has yellow and white highlights in the bangs of her long dark brown hair, she has neon yellow eyes and a yellow and white energy aura with stars, suns, lights, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with yellow iris, she has on phoenix earrings with yellow gems for eyes and holding the Light and Eternity Kanjis in its claws, she also has a dragon with white gems for eyes and holding the Light and Eternity Kanjis in the claws on the bottom of her yellow dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Gabby has on a yellow long-sleeved sweater with white collar, dark blue skirt, black slip-on shoes, she has on large gold metal bands with yellow gems on her biceps and thighs, and long sleeveless white trenchcoat with stars, suns, lights, and phoenixes on the coattails, and on the back is a phoenix and dragon surrounded by lights, suns, and stars. Suddenly, Gabby felt a sharp pain on her back, and then, massive dark brown angel wings with yellow and white tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long dark brown wolf tails with yellow tips and white markings, Gabby has on her Ring of the Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Gabby's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of yellow and white energy, stars, lights, suns, and phoenixes, and when it emerged, it transformed into Gabby's Eternal Cosmic Storm Solar Sun Fury Greatsword of Eternal Cosmic Solar Sun Fury Phoenix Justice, it's a brand-new massive greatsword with embedded yellow gems and white etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged yellow blade, large yellow dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with yellow gems embedded in the foreheads, longer midnight black handle, four large yellow phoenix heads with white gems for eyes and in their mouths and a large yellow dragon head with a white gem in its mouth below the large phoenix heads for the pommel. Gabby has on her new Bracers of The Champions of The Universe with yellow gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with yellow gems for eyes and a large white gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the dragon and phoenix that said, "Gabby, Best Friend of Girl Jordan and Many, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Catherine Mason of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lights, Suns, Stars, and Phoenixes"

We were amazed by Gabby's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Camila Henley saw it, she went fucking crazy and she got out her machine gun to fire at Gabby, but Gabby fired a barrage of yellow and white energy blasts with stars, lights, suns, dragons, and phoenixes at Camila Henley and it sent her flying into a tree back first, she got back up and she ran at Gabby again with a knife she got out, but she disarmed Camila Henley by firing light beams and suns which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Girl Jordan: WHOA!

Nico: That's really bright!

Me: You said it, Gabby's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she really put the hurt on that monster bitch.

Lincoln: Camila Henley has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Gabby: (Divine Godly Cosmic Voice of The Cosmic Sun Solar Light

Dragon Phoenix Angel and Divine Cosmic Sun Solar Light Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Gabby.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Camila Henley. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Gabby and Lincoln went after Camila Henley who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, yellow and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons,

Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Camila Henley and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Gabby attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Camila Henley got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Gabby, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Camila Henley's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Camila Henley by the neck and he tossed her into the air, and Lincoln and Gabby fired a powerful barrage of energy balls with lights, suns, heavenly auras, gold halo rings, stars, quintessence, elemental forces, and mythological animals, and as they hit Camila Henley, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Camila Henley's spirit appeared, and she was still incensed with anger and fury.

Camila Henley: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Camila Henley. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Camila Henley's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and she was found guilty for her crimes, and she was fading away from existence.

Camila Henley: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Gabby and Lincoln holstered their massive greatswords on their backs and powered down, and Gabby's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Catherine Mason. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FUCKING FREAK! KILL HIM! KILL THE FUCKER! LEAVE NONE OF THEM ALIVE! (LAUGHING INSANELY)

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: (ENRAGED SCREECHING) This isn't over, Lincoln Loud!

Then, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and

Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Juniper Lee: What a bunch of wusses.

Gabby: We've taken another one down so far, and now, we got four more to go. Thanks for helping me destroy Camila Henley, Linky.

Lincoln: (Smiles Warmly) You're welcome, Gabby.

Suddenly, Gabby wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gabby's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, suns, and lights shining down on them and we cheered wildly. Then, Lincoln and Gabby absorbed the suns and lights and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of solar sun justice. Lincoln, Gabby, you two did really awesome in teaching that monster bitch, Camila Henley, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but we're already fast approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Caitlin Hudson, which means you and I are up next, Joy.

Joy: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Alien Gene-Slammer are you meeting on your rescue tomorrow, Lincoln?

Lincoln: Good question, Nico, how about a Gene-Slammer for Alien Overlord.

Selina Almenara: (Gasps) That's awesome, Linky and there's only one person we know who'd be Gene-Slammed into Alien Overlord: Arianna Metrodora, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic dark powers, and immortality, and like her older sister, Adreana Metrodora, Arianna is known as a Umbrasapien, an alien from the planet Umbras, a planet of eternal darkness in the Virgo Supercluster.

We gasped.

Shanan: And like I said, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have dark purple hair, pink eyes, and dark purple angel wings. Their true form is really beautiful, they have dark purple sclera and they have dark purple tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a dark purple and black-themed two-piece bikini, which is their real outfit, and they also have quite an extremely powerful sexual drive.

Nico: Oh, I hope she kept herself under control.

Luna: Don't worry, dude, she controlled herself, especially with me, Leni, and Mom watching her.

Nico: Whew.

Adreana Metrodora: And with me watching her, she kept her control.

Shanan: And she like her sister, has a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need.

Selene Emperyous: And for Arianna, the one who fit that role was Lincoln.

Mana Mystictree: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing.

Me: And trust me, we've seen it more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, I just know she's going to want to take it much further.

Lincoln: I already know, but I'm ready. Plus, you'll love hearing this part, Nicole: she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll drown them in eternal darkness.

Nicole: Now, that's brutal: dark vengeance towards perverts.

Luna: And if she dares to find out someone's hurting our bro, she'll send them to her home planet to be brutally massacred, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Selina Almenara: I've seen how brutal the Umbrasapien Race are when it comes to dealing with evil villains.

Me: That's that.

Qin: Yep.

Lola: Valeena will be perfect under the M.O.E.

Xenia: The Skeleton King is never going to torment her again.

Chiro: That's for sure.

Nico: Yep. Great job today everyone.

Chiro: Thanks Nico. (To the viewers) Now the Skeleton King is truly a forgotten memory.

Qin: That's for sure.

We went back home to Earth and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Fiesta de los Muertos, one of the many worlds of The Glade of Dreams, but we also got bad news: we got an old enemy from Luna Loud's past running loose and is causing havoc. Her name is Maria

Rivera, she's a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until Luna defeated her and with help from Lincoln and his Guardian Angels, exposed her for the nasty and really mean bitch that she is, and she was expelled, and before she was taken away, she swore she'd have her revenge on Luna. Now, five years later, she's broken out of prison and she's out for blood, but we're not going to let that bitch get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before Lincoln puts The Titania's Blood Rose Blossom Vengeance Curse on her, and if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever. And we're going to meet the next Alien Gene-Slammer, her name is Arianna Metrodora, Gene-Slammer of Alien Overlord and younger sister of Adreana Metrodora, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic dark powers, and immortality, and like her older sister, Adreana Metrodora, Arianna is known as a Umbrasapien, an alien from the planet Umbras, a planet of eternal darkness in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have dark purple hair, pink eyes, and dark purple angel wings. Their true form is really beautiful, they have dark purple sclera and they have dark purple tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a dark purple and black-themed two-piece bikini, which is their real outfit, and they also have quite an extremely powerful sexual drive, and she like her older sister, has a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Arianna, the one who fit that role was Lincoln. Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, she's going to want to take it much further, but Lincoln's ready. Plus, she hates perverts with the same vengeance as Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll drown them in eternal darkness, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Me: Ahh! This is the life!

Qin: Boy you said it!

Nico: I love relaxing on the beach and it's so much fun.

Sakura Knudson: It sure is awesome. Look at everyone and all the Pokemon and more having fun.

Qin: Yeah.

Carly Atlas: If we're lucky maybe Team Skull won't attack.

Camie: Yeah. But this is the life.

Lola: It sure is.

Everyone was having fun and they were surfing, tanning, building sandcastles in the sand, playing volleyball, digging for buried treasure and more.

Beast Boy: Boy this is so fun.

Tara: It sure is and I love it.

Xenia: Me too guys.

Nico: Beast Boy, I want to thank you, Xaldin, and your teams for coming.

Beast Boy: No problem Nico. I brought Tara and her team along with me because they want to have some fun too.

Nico: No problem. No rule against having family with you.

Tara: Thanks Nico. It's awesome.

Chiro: It's awesome too. I love it.

Qin: We all do Chiro and it's awesome having you with us too.

Rapunzel: It sure is awesome. I think it's fun too.

Lola: It sure is.

Rin Nohara: We always have a fun time at the beach.

Eli: We sure do.

May: Hey Nico can you rub some sunscreen on my back?

Nico: Sure May.

He put some on his hands and did so to May.

May: Ahh. Oh yeah.

Misty Tredwell: Can you do so with me J.D.?

Me: Sure Misty.

I did so with her.

Me: Boy it's always so beautiful here in the Maldives.

Tara: Ahh. Beast Boy can you rub some on my back too?

Beast Boy: Sure Tara.

Beast Boy did the same.

Brynja: (Icelandic Accent) It's so beautiful here. Especially after everything that happened.

Lincoln: I agree Brynja.

Sissi Delmas: It's so awesome.

Rainbow Dash and Applejack were surfing.

Applejack: YEEHAW!

Rainbow Dash: This is so awesome!

Varie came out and she had a huge treasure chest with her.

Varie: Boy look at the treasure I found.

Saya Takagi: Wow! That is amazing Varie.

Rei Miyamoto: It sure is.

Varie opened it and in it was a massive fortune in rubies!

Saeko: Wow! It's all in rubies!

Nicole: That is an awesome find mom.

Varie: It sure is.

Nico: Boy this is so much fun.

Qin: It sure is.

Nico: J.D. can I ask you a question?

Me: Sure.

Nico: When did you first discover that you had the power to absorb negative energy from hatred?

Me: Boy I haven't been asked that in a long time. It was 10 years ago when I was in elementary school.

* * *

Me: (VOICEOVER) I was locked in battle with an evil kid that made numerous kids lives a living nightmare. That kids name was Ethan Duncan and he was bad news.

Ethan was a really nasty thug kid and he had black hair that looked like James Dean's and was in punkish clothes.

Young me: You make me sick Ethan!

Ethan Duncan: Well you make me even sicker! WHY DO YOU ALWAYS HAVE TO MEDDLE IN MY BUSINESS!?

Young me: BECAUSE THIS IS MY BUSINESS!

I punched him in the face and knocked him down.

Young Sakura Knudson: You can do it J.D.! TEAR HIM APART!

KROW!

I kicked him in the face so hard and broke his nose!

Young me: Had enough!?

Ethan Duncan: (GROWLS)

Me: (Voiceover) That's when I discovered the power

Ethan Duncan: I HATE YOU SO MUCH J.D.!

Then I started glowing in a powerful red aura and it turned blue.

Young Me: What the?! What was that!? Why do I suddenly feel so strong and so powerful?

Ethan then went at me and I punched him square in the face so hard that his eyes flew out and he was screaming in pain!

Young Sakura Knudson: Whoa! Bro you really did a number on him! What happened!?

Young Me: I don't know! He said he hated me and then I suddenly felt this massive surge of strength and power.

Young Allie: I think his hatred made you stronger!

Young me: Whoa!

Young Sakura Knudson: Wow! You get stronger by absorbing dark energy.

Young Me: No. I get stronger by absorbing Negative Energy.

Me: (Voiceover) That's when I discovered my power to get stronger by absorbing Negative Energy from negative emotions. But the strongest of them all was hatred and it makes me stronger.

FLASHBACK ENDS

Nico: WOW! That is amazing!

Lola: Yeah it sure is!

Nico: Rapunzel, Lola was the first of us to meet you.

Rapunzel: That's right and it was awesome.

Lola: And that was so cool.

Eli: That is cool that Lola met Rapunzel earlier.

Qin: It sure was.

Me: Gothel called Lola ugly and she exploded and burned her all over.

Rapunzel: That was amazing to see.

Camie: Wow!

Me: Yeah it sure was amazing. Scary too.

Lola: I'll never forget that day.

Me: Yeah. That was awesome.

Nico: And now Gothel is a forgotten memory.

Lola: Yep she sure is.

Nico: Yep. Chiro yesterday's mission was so fun.

Chiro: It sure was.

Qin: Now Valeena is in the M.O.E.

Me: I can't believe the Skeleton King did that to her. He killed her without so much as a thank you!

Chiro: He's a bad guy. What did you expect?

Me: Well yeah. But in the end the Skeleton King got what he deserved.

Camie: A one way trip to the Black Gates for all eternity.

Nico: Yep. Now Valeena has a much better boss and that's Vypra.

Lola: Yep.

Varie: That is for sure.

Misty Tredwell: She'll be much happier with Vypra than that slime ball Skeleton King.

Miku Yuuki: That is for sure and it will be good.

Chiro: It makes up for me not being able to save her before.

Tara: That's true. It sure does.

Rapunzel: But we're glad she is saved now.

Lola: Yep.

Lincoln: And the worst part is we found out that the Legion of Lincoln Haters made her evil again by putting a dark orb in her.

Lola: They sure did.

Leni: Those girls are totes nothing but trouble.

Qin: Yeah they sure are.

Nico: I didn't expect Tara's team to come with us as well

Beast Boy: Tara and me wanted to have some relaxing time too so I had her and her team come with.

Chiro: Yeah it will be fun.

Rapunzel: Besides we always have fun on this.

Tara: I wanted to go with since Beast Boy and I are family now.

Nico: Fair enough.

Miku Yuuki: That's true.

Sissi Delma: That is fair but yeah.

Maria: Too bad Horsea isn't here with us

Nico: I know. But she and the Mascots are helping out back home.

Qin: Yeah.

Nico: But coming to the beach is always fun.

Varie: It sure is.

Twilight Sparkle: It always sure is fun.

Sunset Shimmer: After all that training, I could use a rest for this.

Me: We're all really rooting for you Sunset.

Fluttershy: We're going to be excited seeing how you and J.D. will do in this.

Pinkie Pie: You bet we are!

Nico: Good luck today

Sunset Shimmer: Thanks Nico.

Me: We never did a Triathlon before so this will be fun.

Nico: It sure will. That explains why you were running so strongly on the treadmills.

Lola: Yeah.

Me: Yep. To get our muscles and hearts going.

Qin: Yep.

Lana: They were really going at it while listening to Hearts on Fire by Eric Church.

Lola: It was awesome.

Varie: Wow!

Misty Tredwell: I know that Sunset and J.D. will win this.

Nico: We'll be watching from the Floating bleachers.

Lana: Me and Eli built them for events like this.

Nico: Cool.

Eli: This will be awesome.

Nico: Has Lynn done a Triathalon before?

Lana: She has and she loved it.

Qin: That's cool.

Rainbow Dash: I did a Triathlon myself and won.

Me: I remember that Sakura Avalon did one and the Loop Card made things hard for her and her friends.

Nico: That is crazy.

Qin: Yeah. So some of us have experiences with stuff like this.

Leni: That is totes amazing.

Camie: It sure is.

Nico: I hope you both win.

Me: Thanks Nico. This will be so fun.

Sunset Shimmer: It sure will.

Qin: I'm really looking forward to seeing this.

Xenia: So am I.

Lola: Me too.

Nico: Yep.

Eli: I know you can do it bro! You and Sunset will surely win.

Me: Thanks Eli.

Nico: Boy this will be awesome. Usually triathlons involve swimming, biking and running. But this is going to be a fun one.

Me: Yep. We're going to cover 50 miles around the city like this.

Qin: Boy you guys are gonna be really sore after all this.

Nico: No shit!

Xenia: Yeah.

Nico: Eli, sense for Swartz's creations.

Eli: Right.

He concentrated and found them.

Eli: WHOA! We got dragons in this one! We have Another Tiamat (1983), Another Red Chromatic Dragon, Another Blue Chromatic Dragon, Another Green Chromatic Dragon, Another White Chromatic Dragon, Another Black Chromatic Dragon, Another Yost

Whirlwind and Another Xaldin.

We gasped.

Me: WHOA! All dragons this time.

Nico: Yeah!

Reggie Hjorleifsstræti: (Icelandic Accent) Boy no kidding! I'm up first for Another Tiamat.

Nico: Good thing you are always with us Reggie.

Xenia: Yeah.

Me: This is going to be good.

We heard a roar.

Henry (D&D): I did not hear that.

We heard another roar.

Henry (D&D): I didn't hear that either!

We then saw a dark figure and it was a DARK VERSION OF TIAMAT 1983! It was ANOTHER TIAMAT 1983!

Nico: And there she is!

Me: WHOA!

We got ready!

She landed by us.

Qin: WHOA!

Me: Wow! Brings back memories doesn't it Sheila.

Sheila (D&D 1983): Yeah it sure does!

Bobby (D&D 1983): It sure will be cool.

Reggie Hjorleifsstræti: It sure will be.

Nico: Who are you?

Another Tiamat (D&D 1983): (In 5 Girls Voices in unison) We are girls that J.D. knows.

Me: (GASP) Wait those voices!

They reverted back and we saw 5 girls! They each had clothes and hair matching and corresponding to the elements of each of the Tiamat's 5 dragon powers and elements.

Me: (GASP) The Tiamat Sisters!

Nico: WHOA!

Tiana: Awesome to meet you guys. I'm Tiana Tiamat of Fire. I'm for Red.

Tina: I'm Tina Tiamat of Lightning. I'm for Blue.

Tanya: I'm Tanya Tiamat of Poison Gas. I'm for Green.

Tessa: I'm Tessa Tiamat of Ice. I'm for White.

Toniya: And I'm Toniya Tiamat of Acid. I'm for Black.

Nico: Wow! Awesome to meet you girls.

Tiana: Same here. We are also the gene-slammers of the Chromatic Dragons and also we have the power to merge and form into the Tiamat.

Me: That is amazing!

Qin: Wow! That is so cool!

Laney: Wow!

Sheila (D&D 1983): That is cool that you girls can do that.

Qin: It sure is.

Tiana Tiamat: We all are amazed about this.

Xenia: Boy no kidding.

Reggie Hjorleifsstræti: Swartz made a really awesome one. Tiamat is the legendary 5-headed dragon of Mesopotamian Myth and that's what I am too. I'm a 5-Headed Dragon Gene-slammer and I have the powers of fire, water, earth, wind and darkness.

Tina Tiamat: That is really amazing!

Tanya Tiamat: Wow! Tiamat VS Tiamat.

Nico: That is very fitting and awesome.

Me: Like a clash of the titans except one is one person and the other is 5 separate people that can turn into 5 dragons and merge into 1.

Nico: It's going to be awesome.

Me: Not to mention that 5-Headed Dragon is one of the most powerful Duel Monsters ever with 5,000 ATK Power.

Tiana Tiamat: That is amazing!

Qin: It sure is.

Lola: Yeah!

Reggie Hjorleifsstræti: That's right. Sorry we have to fight like this girls.

Toniya Tiamat: No worries.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Tessa Tiamat: They are all friendly and they have amazing powers over the elements we havel.

Me: This will be interesting to see.

Reggie: Let's do it!

Girl Jordan: Lets separate you all first.

Tiana Tiamat: Okay then.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

The 5 of them glowed and they were separated and Another Tiamat was free!

Me: Lets get her!

I fired a blast of fire and blasted her all over and

Lincoln and Lana fired waves of lightning and ice and blasted her all over.

Reggie fired waves of water and rock and blasted her.

The Tiamat sisters fired waves of Acid, Fire, Lightning and ice and blasted her all over.

Another Tiamat fired waves of fire and lightning and massive fiery explosions blasted off all over.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOMMM!

Nico: WOOHOO! GET HER!

Qin: YEAH!

Reggie fired waves of wind and blew her around in a tornado and fired waves of fire and burned her

Nico: Look at her go!

Eli: Yeah!

They then fired a combo blast and then…

EXTREMELY MASSIVE FIERY EXPLOSION!

She exploded! I caught the Wonder Ride Book and it was a big one! It was called The Sisters of The Tiamat and the Fury of The Tiamat of Eberron!

Nico: Fitting.

Lola: Yeah!

Me: Now for the Another Chromatic Dragons.

Laney: I picked archenemies for them. Camille Draconia, Nina Thundarra, Kimiko Lindsborg, Mina Nefertiti and Vina Emiko.

Me: Whoa the last of the Ultra Beast Pokemon Gene-slammers.

Qin: Yeah!

Nico: Who's first?

Laney: Camille Draconia.

Me: The Naganadel gene-slammer.

Qin: Wow.

Laney: She has the Red Chromatic Dragon.

Nico: Wow!

Camille came.

Camille Draconia: I'm here!

Nico: Awesome Camille.

Camille Draconia; Were you guys here at the beach?

Qin: We sure were.

Camille Draconia: Glad you guys are all having a lot of fun.

Lola: We sure are.

Nico: There she is!

We saw the ANOTHER RED CHROMATIC DRAGON! It was a Red Dragon with a dark aura around it.

Qin: Whoa!

Camille Draconia: Boy this is awesome!

Another Red Chromatic Dragon: (In a young girls voice) Camille!

Camille Draconia: (GASP) That voice!

She reverted back and was a little girl with purple hair and red eyes and had glasses and had purple clothes.

Camille Draconia: (GASP) Emily!

She and Emily went and hugged each other.

Camille Draconia: My dearest little sister! I thought I would never see you again!

Emily Draconia: Me too sis!

Nico: Little Emily. Boy you have grown a lot since we saw each other.

Emily Draconia: It has been a while Nico.

Camille Draconia: But I'm really sorry we have to fight like this.

Emily Draconia: I know.

Camille Draconia jumped back and Lincoln fired a beam of light and separated her from Another Red Chromatic Dragon!

Camille fired a blast of energy and blasted the dragon down and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

I caught the Wonder Ride Book and it was called The Naganadel Princess and the Red Dragon Kingdom.

Nico: Next!

Me: Another Blue, Green, White and Black Chromatic Dragons.

Eli: Whoa!

Nico: Better call in Nina Thundarra, Kimiko Lindsborg, Mina Nefertiti and Vina Emiko.

Qin: Yep.

Maria: This will be awesome.

Maria called them in and they appeared.

Nina Thundarra: Hey guys!

Kimiko Lindsborg: Hope we're not bothering anything.

Me: Nope. You all made it.

Qin: Yep.

Nico: There they are!

Then we saw ANOTHER BLUE, GREEN, WHITE AND BLACK CHROMATIC DRAGONS!

Me: WHOA!

Camie: Another Blue, Green, White and Black Chromatic Dragons!

Qin: This is going to be rough.

Nina Thundarra: Yeah.

Another White Dragon: (In a girls voice) Sorry you have to see us like this. (In Another Girls Voice) But it's crazy.

Nico: Wait 2 Voices!?

They reverted back and the Blue Dragon was a girl with blue hair and purple eyes and blue clothes, the green dragon was a girl with green hair, green eyes and green clothes, the black dragon was a girl with black hair, blue eyes and purple clothes and the White Dragon was two girls and they both had blue hair and yellow clothes and blue eyes and we saw that they were both conjoined at the hip!

Nico: Whoa! They are both siamese twins!

Me: Rhonda Aoi, Gina Verde, Lola Noir and Veronica and Vicky Shiro! Wow!

Rhonda Aoi: Awesome to see you again J.D.

Gina Verde: Same here.

Lola Noir: It's great to see you all here too.

Veronica Shiro: Yeah.

Nico: Two of you were fused into one?!

Me: No Nico they were born that way. Siamese Twins. They were conjoined at the hip.

Qin: Yeah we have seen that many times before.

Nico: Right I remember.

Me: See?

I gave him a pair of X-Ray goggles and he saw that they were attached at the hip and they can easily be separated.

Nico: That's an easy thing to fix.

Me: Veronica and Vicky were two girls that were mocked and bullied for all the time because they were stuck together.

Nico: Ouch.

Me: Yeah. But girls I'm sorry that Swartz did this to you! He had a lot of fucking gall to turn 2 Siamese Twin girls into Anothers.

Veronica Shiro: I know. But we have ice powers because of it now.

Vicky Shiro: It's awesome.

Me: Well after we free you we can separate you. We have some of the best doctors on the team for that.

Nico: But right now, we have to do this.

Lincoln: Leave that to me.

Me: Veronica, Vicky, how in the world was Swartz able to turn you both into Another White Dragon like that?

Veronica Shiro: That's what we were wondering ourselves as well.

Nico: We'll have to worry about that later.

Lincoln fired beams of light and separated their Anothers from them and we fired waves of elements and blasted them down and they exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught their Wonder Ride Books.

Me: Neat.

They came over to us.

Nico: Who's next?

Me: Another Yost Whirlwind.

Qin: Oh boy.

Me: This one is going to blow us away.

Lola: Yeah.

Nico: Wait. Is that a tornado?

We saw it.

Me: Uh oh.

We saw it come and it formed into ANOTHER YOST WHIRLWIND!

Me: WHOA! Another Yost Whirlwind.

Lola: Yikes.

Nico: And you are?

Another Yost Whirlwind: (In a girls Voice) WHOA! I feel really dizzy.

She reverted back and it was a girl with aqua blue hair and blue clothes and she had spirals in her eyes and that showed that she was really dizzy.

Me: Callie Whirlwis! Whoa!

I went over and held onto her and she was really dizzy.

Me: Boy you really made yourself dizzy there.

Callie Whirlwis: WHOA That was rough.

Me: Whirlwind's powers are like that of a tornado.

Callie Whirlwis: I'll be okay.

Rapunzel: Sorry we have to fight like this. (gets out frying pan) But it won't take long.

Me: Yeah.

Lincoln: I got this.

Lincoln fired a wave of light and got her separated.

Rapunzel then ran and then…

KRABLANG!

She bashed him down with a frying pan and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded! I caught the Wonder Ride Book and it was called The Golden Sun Princess of the Sun and the Tornado Kingdom.

Nico: Wow.

Maria: Time for backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) DINOSAUR MASTERS!

She summoned Robo Roxy, King Gojulus (Mega Man), Terminus, Dorodoros, Vexxa, Palm Tree Bouma, Fly Trap Monster (Battle Fever J), Lovely (Kirby), Evil Clayface and Burn Dinorex (Mega Man X).

Nico: YEAH!

Robo Roxy: This will be fun.

Qin: It sure will.

Nico: Wait. Another Tornado?

Me: Not another tornado. Another Xaldin!

We saw the tornado and then it disappeared and in front of us was

ANOTHER XALDIN! It looked like Xaldin dressed in a sea foam green version of Xemna's clothes.

Xaldin: Wow! I must say I look awesome in sea foam green clothes.

Me: You are the Whirlwind Lancer and you represent the Elemental Force of Wind. So that is very awesome and fitting for you.

Xaldin: That is too true.

Nico: Yep.

Another Xaldin: (In a girls voice) I think it's cool too.

Me: That voice!

She reverted back and was a girl with sea foam green hair and had the kanji for Wind in the middle of her Forehead and she had a pitch black skirt and black shirt that had the kanji for Whirlwind Lancer of Wind on it and had sea foam green pants and black boots and a sea foam green vest and she had sea foam green angel wings and in her hand was one of Xaldin's spears.

Me: (GASP!) Xinnia Xaldin!

Xinnia Xaldin: Awesome to see you again J.D.

Me: Same here.

Nico: Are you the…

Xinnia Xaldin: Yes and I'm the Gene-slammer of Xaldin.

We gasped!

Me: That is crazy! Gene-slammers of all the members of Organization XIII!? How in the world is that possible!?

Xinnia Xaldin: The Remnants of Team Rocket found the dried blood of the deceased members of Organization XIII during the 20 Days of Darkness and gene-slammed 14 of us with the genes of Organization XIII.

We were shocked yet amazed!

Lola: Wow that is crazy and cool!

Me: Boy after all the trouble they gave us during that time I did not expect this!

Kaito: (gets out Fiveman gear) Did Swartz promise you anything?

Zocks: (gets out Turboranger gear) Because we can grant it instead.

Kaito got out a Fiveman Sword and Zocks got a Turboranger sword.

Xinnia Xaldin: Just to challenge Xaldin to a one on one battle.

Me: Well it looks like you're going to get your wish. Whirlwind Lancer VS Whirlwind Lancer.

Xaldin: That is gonna be awesome.

Qin: Boy this will be a clash of the Tornadoes!

Nico: It sure will!

Sougo: (Gets out Fiveman Ridewatch) By all means, the original Xaldin can join in as well.

Geiz: (gets out Japanese Turbo Ridewatch) After all, you DO want to fight him, right?

Sougo got FiveRedArmor while Geiz got JapaneseTurboRedArmor.

Xinnia Xaldin: I sure do.

Me: All right then! Let the BATTLE OF THE HURRICANES BEGIN!

Xaldin had 6 tornadoes form around him and he summoned his spears!

Xinnia Xaldin: May I say that it is going to be an honor to face the Whirlwind Lancer himself.

Xaldin: I'll try not to disappoint you.

Xinnia and Xaldin went at each other and they clashed ferociously and powerful blasts of wind blasted all over and they clashed with the fury and force of a million tornadoes! We saw them blast and hit each other all over and blew each other all over and then they flew into the air and blasted all over with intense wind blasts and wind dragon blasts and they were really showing the intense fury of wind.

Me: WHOA!

Nico: Look at them go!

Me: They are evenly matched!

Leni: This is totes amazing!

Qin: WOW!

Me: It's like watching 2 Hurricanes duke it out!

Qin: No kidding!

They were really going at it!

Xinnia went at Xaldin with the full force of a Category 5 Hurricane and Xaldin went at her the same way and then they collided and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We ducked in a force field I made and covered and then a massive explosive wind blasted everything all over!

Nico: WHOA! WHAT POWER!

Eli: That is amazing!

Qin: Wind is an incredibly powerful force!

Me: Boy Xiao Fung is missing out on a great battle!

Nico: (gets out Xaldin's Ridewatch) Let's get in there!

Me: Lets have them feel the power of the Wind!

Me and Nico activated Xaldin's Ridewatch's and we got his spears and flew up to them Xinnia turned into Another Xaldin and we fired waves of wind and smashed her down.

Me: I think you and Xinnia had your fun Xaldin.

Xaldin: (PANTING) You're right.

Me: That was amazing!

We landed!

Nico: Time for more Wind. (ACTIVATES YOST WHIRLWIND'S RIDEWATCH)

He fired a tornado and blasted her all over.

May: (gets out Dracula (The Simpsons's) Ridewatch) (TRANSYLVANIAN ACCENT) I want to suck your blood!

May activated it and hissed. She fired waves of darkness and smashed her down!

Qin: OH YEAH!

May: I HATE THE HATFIELDS! (ACTIVATES GHOST OF WITCH MCCOY'S RIDEWATCH)

She fired waves of energy and smashed her down!

Maria: Time to burn rubber! (ACTIVATES CHICK HICKS' RIDEWATCH)

She used her water and formed herself into a car and she honked and then smashed down Another Xaldin!

Maria: ROADKILL! Now for this. (ACTIVATES BEE BLADER'S RIDEWATCH)

She fired waves of energy and smashed her down!

Rapunzel: I'm going to bash your head in!

She pulled out a frying pan and then…

BLANG! BLANG SMASH WHAM! BLAM!

Another Xaldin was bashed all over and smashed down!

Me: OOH! That is going to leave a mark!

Nico: OUCH!

Rapunzel: (ACTIVATES YOST WHIRLWIND'S RIDEWATCH)

She fired waves of wind and smashed her down!

Then Xiao Fung, Evil Wing Man, Yost Shocker, Princess Ophiuchus, Fatality and Mylene Farrow came.

Me: Xiao Fung!

Nico: Nice team!

Xiao Fung: Thanks Nico!

Qin: That is funny! J.D. mentioned you and now here you are.

Xiao Fung: What did I miss out on?

Me: An amazing battle of the wind between Xaldin and Another Xaldin.

Qin: Yeah.

Xiao Fung: Aw man.

Xaldin: I'll tell you all about it later.

Xiao Fung: Okay.

Maria: Where's the next Gene Slammer?

Nico: No idea.

Then we saw a Talonflame!

Me: WHOA! A Talonflame!

Xenia: Cool!

Nico: Yeah!

Talonflame: (In a girls voice) This is gonna be a battle that fans the flames.

Nico: Mandy Floyd! Wow!

Qin: Wow! The awesome angel of fire herself

She landed and reverted back and was a girl with neon orange hair and had orange eyes and had the kanji of fire in the middle of her forehead and she had fire angel wings and had phoenix tail feathers and she had a powerful sword of pure fire and she had orange clothes.

Mandy Floyd: This will be awesome and fun.

She fired a blast of fire and smashed down Another Xaldin and she was down and I caught the Ridewatch and purified it and brought Xinnia over.

Rapunzel: What's your favorite memory of Nico?

Mandy Floyd: When me and Nico gave our resident Queen Bee bitch a dangerously red hot foot. I poured flaming embers into her shoes and she put them on and burned herself.

Me: YIKES!

Qin: Ouch! I remember that! That was funny!

Varie: Nice!

Lola: Yeah!

Nico and Mandy hugged.

Nico: I've really missed you.

Mandy Floyd: Me too Nico. Me too.

We went back home

That girl's name is Maria Rivera, she's a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until Luna defeated her and with help from Lincoln and his Guardian Angels, exposed her for the nasty and really mean bitch that she is, and she was expelled, and before she was taken away, she swore she'd have her revenge on Luna. Now, five years later, she's broken out of prison and she's out for blood, but we're not going to let that bitch get away with it, we're taking her down and sending her to The Uranus Prison for good, but not before Lincoln puts The Titania's Blood Rose Blossom Vengeance Curse on her, and if she tries to break out again, the curse will take her life and she'll be banished to The Black Gates forever.

Lincoln: Whoa, where are we?

Rayman: (Gasps) I think I know where we are: we're here in Fiesta de los Muertos, one of the wild and crazy worlds here in The Glade of Dreams.

Ronnie Anne: Wild and crazy is right, but this place is so awesome, and it's inspired by Dia de los Muertos. Abuela and everyone in the family have got to come here one day.

Lincoln: Same with us, and I know what we're going to do here, not only am I going to rescue the four girls here, but we also got some bad news: an old enemy has come back, and it's not one of my old enemies. Luna, I hate to say it, but, she's back.

Luna: (Gasps) Oh no, not her!

Nico: Who?

Lincoln: Maria Rivera.

Me: Oh, I remember her all too well.

Luna: And I wish I hadn't, dudes, she's a really mean and really nasty monster who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until I defeated her and with help from Lincoln and his Guardian Angels, exposed her for who she really is, and she was expelled, and she got expelled. This was five years ago and right around the same time Brianna Greyson and her bitch herd got expelled as well. But, before Maria got taken away, she swore she'd break out to get revenge on me.

Lincoln: And now, five years later, she's broken out of prison and she's out for your blood, Luna, but we're not going to let that bitch get away with it, we're going to kill her once and for all.

Just then, Lincoln made a one-way window into Cambria Marcos' cell, and we saw a pool of blood on the floor a result of the curse's effects, and it was also time. Suddenly, we saw the blood rose tattoos on her body begin to glow, and finally, we saw the blood rose tattoo on her chest finally open up and bloom, and we saw in the center of it is a skull: the final and fatal stage of the Titania's Blood Rose Blossom Vengeance Curse. Then, real blood roses grew out of the blood rose tattoos on her legs, arms, hands, feet, and stomach and they bloomed, and she screamed with really agonizing pain as her body was being destroyed from the inside out, and then, she was cocooned inside a blood rose, and as the blood rose opened up, all that was left was her skeleton. Then, her spirit was sent to The Black Gates.

Lincoln: Good riddance.

Nico: So, Cambria Marcos had gotten the very same fate as Helena Morgana.

Drakus: I just hope that after this, there won't be anymore old enemies of your sisters' past running loose, Lincoln.

Lincoln's sisters panicked at what Drakus just said and they hid behind Lincoln in fright.

Qin: Dude!

Kevin Reynolds: Never say those kinds of words! That's considered jinxing someone! Can somebody please slap him in the back of the head?

Then, Sebastian Mendez slapped him in the back of the head.

Drakus: Hey, what'd I do?!

Sebastian Mendez: Drakus, you're lucky I don't resort to beating you up in yet another Pesto Rant.

Lincoln: He's right about that, Drakus, and some of my sisters did make a lot of enemies over the years same with me, and they all got expelled around the same time I got Brianna Greyson and her group expelled five years ago. I'm starting to think there's another one out there who's also causing trouble for us.

Selene Arcangela: You're right, and it's someone who possesses the same heart of darkness as that monster bitch, Brianna, and the rest of her monster bitch herd, and who also harbors that very same level of hatred, but it's not just at Lincoln, but also, on Drakus. (Thinking) If it's who I think it is, then that queen bee monster bitch is going to be put down in the same way we're going to put down that monster bitch, Brianna Greyson.

Suddenly, we saw a very beautiful and super sexy girl, she's tall at 7'0" in height, with long crimson red hair, crimson red eyes, fangs, crimson red wolf ears on her head, crimson red angel wings, nine massive fox tails and a crimson red wolf tail and dressed in crimson red clothes and she also had on a long white sleeveless trenchcoat, along with Alien Overlord and Constellar Pleiades, and with these three are the four girls.

Nico: Whoa, Alien Overlord, Constellar Pleiades, and a girl with long crimson red hair, crimson red eyes, fangs, crimson red wolf ears on her head, crimson red angel wings, nine massive fox tails, and a crimson red wolf tail and dressed in crimson red clothes.

Alien Overlord: (Girl's voice) Oops, sorry about the scare.

Constellar Pleiades: (Five girls' voices) But, we got the girls away from that crazy bitch.

Wolf-Earred Girl: and she's still out for Luna's head.

Lincoln: (Gasps) And I'd recognize the voices from Alien Overlord and Constellar Pleiades, along with the girl with wolf ears, wolf tail, red angel wings, and nine fox tails from anywhere, I knew it was you, Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades.

?: (ENRAGED SCREAM) LUNA LOUD, YOU, YOUR BROTHER, AND THE WHORES ARE GOING TO DIE FOR RUINING MY REIGN, YOU STUPID BITCH!

We then saw our target heading our way, it was Maria Rivera, a girl with wild black hair, black eyes full of hatred and insanity, and she has on an orange prison jumpsuit, and she was completely insane.

Luna: (Gasps) Maria, looks like five years haven't been kind to you at all, dude.

Maria Rivera: I WILL RIP YOUR FUCKING HEAD OFF!

Ashley Lupus Foxina: You too, Linky.

Arianna Metrodora: You bet, it's been such a long time.

Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades: But, now we're finally back.

Lincoln went up to Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope

Pleiades and he hugged each of them, and Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Ashley Lupus Foxina: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know these nine sexy hot mamas?

Lincoln: Indeed I do, J.D., the first girl is Ashley Lupus Foxina, she's my Guardian Angel and a very powerful Wolf Hanyou-Kitsune Hybrid from Denver, Colorado, and no, she has no relation to Melanie Lupus or Xina Lupus, but she was born to a werewolf father and a female nine-tailed fox on the night of a red moon, earning her the moniker among the werewolf clans of Denver, "Ashley of The Red Moon". As she grew, Ashley gained the immense powers and the strengths of both her werewolf father and female kitsune mom, along with getting crimson red wolf ears on her head, crimson red wolf tail, crimson red angel wings, and nine fox tails in the process, and she earned a very powerful reputation for taking down Colorado's most dangerous thugs and criminals both in Denver and the whole of Colorado. When she moved to Royal Woods, Michigan years later, her very reputation followed her as she pummeled a ton of bikers who were causing trouble at the Biker Bar, and she fell in love with me when we first met, and she knew that I'm a very powerful Alpha Vampire-Werewolf Hybrid. One time, she saved me from a coalition formed by Lynn, Flip, Chandler, Artie, Trent, Pablo, Anderson, Scoots, Hawk, and Hank, who were out to kill me, and she pummeled those jerks hard and she sent them Flip, Chandler, Artie, Trent, Pablo, Anderson, Scoots, Hawk, and Hank into a dumpster where they got hauled away to jail and smelling like a dumpster, and then, she pummeled Lynn hard into the ground and sent her running away on all fours back to The Loud House like the four-legged monstrosity she is, but she would not get far, she got hogtied by Luna, Gohan, and Krillin and they dragged back to The Loud House, and when Ashley and I told Mom and Dad of Lynn's huge stunt in forming a coalition of herself, Chandler, Artie, Trent, Pablo, Anderson, Scoots, Flip, Hawk, and Hank to kill Lincoln yet again, they grounded her smelly butt for twelve weeks.

Gohan: Yeah, Lynn was so furious, she swore revenge, but Lincoln grabbed her by the collar of her jersey and he said if he ever saw Lynn trying to hurt or kill Ashley, he would hunt her down like the animal that she is, and when Ashley saw his eyes turn red, she fell even more in love with him upon discovering his secret.

Luna: Then, Lincoln threw Lynn in a metal container, and as usual, Lynn roared and pounded on the door trying to get out, but Ashley flipped her the bird in the window, and that made Lynn lose it as she roared like an animal and beat her chest like a gorilla. As a token of thanks for saving him, he took her to a beach at night, and that's when Ashley saw Lincoln turn into his werewolf form, and he told her everything, and she told him her story, and finally, they kissed underneath the full moon. Ashley gets along great with me, Leni, Laney, Lucy, Lana, and Lily, but she made sure to also keep an eye on Lori, Lola, Lisa, and Luan, especially Lynn because Lincoln told her of what they've done to him in the past.

Nico: Whoa, that's really really awesome, and J.D., did you ever know about any werewolf clans in Denver when you lived there?

Me: Carmen told me about them, but she swore for me to keep that a secret from any rival werewolf clans.

Rudina Adalwulf: Yeah, they were quadruple-plus bad news, but Ashley stopped them long ago and saved the Denver Werewolf Clans, and her dad and mom knew she loved Lincoln, her dad was also surprised to see Lincoln turn into a werewolf, and he even had to win in a wrestling match against him in that form.

Ashley Lupus Foxina: Dad was really impressed by how strong he was, so much so that Lincoln had earned his respect along with my mom's through the only way a male werewolf knows how, and it's through a fight.

Me: Yeah, Werewolf Against Werewolf, and Lincoln won by body-slamming her dad into the ground and pinning him down.

Nico: Wow.

Lincoln: The second girl is Arianna Metrodora, Gene-Slammer of Alien Overlord and younger sister of Adreana Metrodora, she's my

Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic dark powers, and immortality, and like her older sister, Adreana Metrodora, Arianna is known as a Umbrasapien, an alien from the planet Umbras, a planet of eternal darkness in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have dark purple hair, pink eyes, and dark purple angel wings. Their true form is really beautiful, they have dark purple sclera and they have dark purple tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a dark purple and black-themed two-piece bikini, which is their real outfit, and they also have quite an extremely powerful sexual drive, and she like her older sister, has a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Arianna, the one who fit that role was me. Plus, she and I have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with me getting my entire face covered in kisses, my face red with passion, steam whistling from my ears, and hearts in my eyes. But now that I've been getting older, she's going to want to take it much further, but I'm ready. Plus, she hates perverts with the same vengeance as Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of darkness at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll drown them in eternal darkness, and if she dares to find out someone's hurting me, she'll send them to her home planet to be brutally massacred, and that threat's been sent to Flip, Scoots, and the rest of my enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Adreana Metrodora: Exactly what I was about to tell them.

Lincoln: And finally, the seven girls are Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades, The Pleiades Sisters and Gene-Slammer of Constellar Pleiades, they're my

Guardian Angels from Michigan that hate Scoots and Flip with a vengeance and they want to kill them both for how they treated me.

Me: That's really awesome.

Nico: And you might be late for that, we killed Scoots last year and sent her butt to The Black Gates and Flip's now being used as humiliation fodder for all eternity at Lynn's Table.

Electra Pleiades: Aw, I wanted them both of them to die.

Alcyone Pleiades: Now, now, Electra, the good thing is Scoots is gone for good, but Flip, we can deal with humiliating him for eternity.

Lincoln: My thoughts exactly, Alcyone.

Arianna Metrodora: And I know Lincoln's going to mark me just like he did with Adreana, but before he does, let me show you all my true form.

Suddenly, Arianna Metrodora transformed into her true form as the sclera of her eyes turned dark purple and she has dark purple tattoos covering her hands and forearms and feet, and her clothes morphed into a dark purple and black two-piece bikini, which is her real outfit.

Fabia: So, that's her true form, wow.

May: She looks even more beautiful in her true form.

Suddenly, Arianna Metrodora went up to Lincoln, and her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which brought an atomic red blush to Lincoln's face, and he suddenly wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Suddenly, Arianna gave Lincoln a passionate kiss on the lips as she moved her arms and placed her hands on Lincoln's massive pecs, and they suddenly engaged in a French kiss. Suddenly, we saw Lincoln's veins glow dark purple and when they were done, Lincoln still had a massive red blush on his face and hearts in his eyes.

Shanan: She's marked him just like her older sister.

Lincoln: Yep, and now, then, I think it's my turn to mark you, Arianna.

Suddenly, Lincoln hugged Arianna Metrodora in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to Ashley Lupus Foxina and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And finally, Lincoln went up to The Pleiades Sisters and he hugged each of them in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Arianna Metrodora: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with nine Elemental Thunderbird Chokers of Eternal Love on their necks.

Ashley Lupus Foxina: ((Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades.

Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades had a smile on their faces and tears in their eyes as they suddenly jumped Lincoln and they covered him in kisses on his face, massive body, and eight-pack abs, and we all chuckled. Then, as soon as they were done with their kissing, Lincoln had a massive atomic red blush on his face, steam whistling from his ears, and hearts in his eyes.

May: Wow, they certainly missed you a lot, Lincoln.

Lincoln then got up after regaining his senses from their kissing attack, and then, we went up to the four girls, and when Lincoln saw who they were, he immediately recognized them. The four girls are Momoka Orihime, Asahina Chocolat, Kurea Kyougoku, and Mafuyu Sakaki from Babumi!

Lincoln: Oh wow, it's Momoka Orihime, Asahina Chocolat, Kurea Kyougoku, and Mafuyu Sakaki from Babumi!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Momoka Orihime: Yes, we're okay, thanks to you.

Then, when Momoka Orihime and the other three girls saw who it was that saved them from Maria Rivera, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil,

Momoka Orihime: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Momoka Orihime: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Momoka Orihime, Asahina Chocolat, Kurea Kyougoku, and Mafuyu Sakaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was an old enemy from Luna Loud's past running loose named Maria Rivera, a really mean and nasty bitch who enjoyed torturing and physically maiming the students and teachers because they got in her way: in other words, she did this to the students and the teachers because she has a really nasty thirst for blood. That was until five years ago when Luna defeated her and with help from Lincoln and his Guardian Angels, exposed her for who she is and was expelled, but before she was taken away, she swore she'd have her revenge on Luna. Now, five years later, she broke out of prison and was out for Luna's blood.

But, when Lincoln showed what we all did in beating that bitch down and Juniper Lee and Rayman tying her up in energy ropes and Lincoln killing her and banishing her to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln, Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades have a lot of catching up to do, now that they're back in town.

Maria: Damn, I certainly wasn't expecting that bitch to show up. But, you guys took her down once and for all.

Lincoln: And gave her The Black Gates after I killed her.

Me: She wasn't going to quit until she had Luna's head, so she needed to go once and for all.

Nico: Lincoln really made sure of that when he slashed off her head.

* * *

After getting rid of Maria Rivera and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ashley Lupus Foxina, Arianna Metrodora, and Alcyone, Maia, Electra, Taygeta, Merope, Pleione and Sterope Pleiades saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Ashley Lupus Foxina: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Arianna Metrodora: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Alcyone Pleiades: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Ashley Lupus Foxina: Ooh, I do have one, and it also shows that I marked Lincoln and it also gave him some extra gifts.

Ashley Lupus Foxina pulled up the clip and pulled up a video and it played on the screen, and it showed Lincoln in his large orange speedo and Ashley in a crimson red two-piece bikini, and they were enjoying a day of fun in Lake Superior underneath the full moon.

Past Ashley Lupus Foxina: It sure is a beautiful night tonight.

Past Lincoln: It sure is.

Past Ashley Lupus Foxina: Lincoln, there's something I want to give you.

Suddenly, Ashley Lupus Foxina lied on top of Lincoln, then, she placed her hand on his chest and she slowly bit him, and we knew what it was: she marked him. Suddenly, we saw large white wolf ears grow on top of his head and ten extra massive and long white wolf tails grow and spread out, and now, he has eleven massive and long white wolf tails. Then, she then slowly unlatched her fangs from his neck as his neck healed and the puncture marks sealed up, and she also kissed the spot where she bit him. Lincoln looked in his reflection in the water and he saw what happened as a result and he was stunned.

Past Lincoln: Whoa. So, this was…?

Past Ashley Lupus Foxina: Yes, that was my gift to you.

Then, Ashley Lupus Foxina and Lincoln went back to their spot as Lincoln lied on the sand and Ashley lied on top of Lincoln, then, she placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, so he…

Ashley Lupus Foxina: Yep, he got those large white wolf ears and ten massive and long extra white wolf tails due to me marking him, and I soon found out Lori, Lynn, Lola, Lisa, and Luan conspired and put weakening chips on him to weaken their brother, so he could get killed during the early days of the team.

We gasped, and I pulled up a clip and it showed what Ashley told us, and we were horrified and really pissed off.

Nico: THOSE GODFORSAKEN BLACKHEARTED BITCHES!

Me: If I'd known they were behind that, I'd have killed them until nothing was left of those animals!

Lincoln: I can't believe those five could do this, but I shouldn't act so surprised, they'd tried to kill me too many times in the past, but their plan forever failed as the chips were destroyed for good when I underwent many transformations.

Me: That's for sure.

Arianna Metrodora: What a bunch of filthy bitches! Alright, I also have a video of one memory, and it's of my date with Lincoln at Gus' Games and Grub.

Arianna Metrodora pulled up a video and it played on the screen, and it showed Lincoln and Arianna having fun and playing the games there.

?: I WILL LITERALLY TURN INTO A HUMAN PRETZEL FOR DEFYING ME, YOU FUCKING LITTLE TWERP!

Past Arianna Metrodora: What the heck was that?!

Past Lincoln: Ugh, I'd recognize that scream of vengeance from anywhere, it's Lori, and it sounds like she's on the rampage again and she's still out for blood after what the rest of the Guardian Angels and I have done in ruining her attempts to kill me!

Arianna and Lincoln stood their ground, and they saw Lori burst in with red eyes of hate and she had a knife in her hand, and she was now out for blood.

Past Lincoln: This again, Lori! You know, this is getting old really fast, now, you've left me no choice!

Past Arianna Metrodora: No, Linky, I got this.

Lori shrieked like a banshee and came charging at them with her knife raised in the air, but Arianna Metrodora fired two powerful blasts of darkness which hit Lori, disarmed her, and she was knocked down and out, and she was tied up by Lincoln firing two red energy blasts from his massive white angel wings. Suddenly, Gohan and Krillin came out and grabbed Lori.

Gohan: Looks like we got here just in time to see you guys take down Lori.

Lincoln: You sure did, thanks, guys.

Krillin: Now, let's get her back home and let her parents deal with her. You two go back to having fun.

Gohan: Alright, Control Freak, you're coming back with us.

Then, Gohan and Krillin dragged Lori back to The Loud House to her doom.

Past Lori: YOU WILL PAY FOR THIS, YOU WORTHLESS WASTE OF FUCKING SPACE! DO YOU HEAR ME, YOU AND YOUR ENTIRE FUCKING HAREM, YOU WILL ALL PAY!

Then, Gohan knocked her out by bonking her head with a mallet.

Past Lincoln: Whoa, now that was so awesome!

Past Arianna Metrodora: No one's messing with my man, especially not that stupid control freak bitch.

Arianna Metrodora and Lincoln went back to having fun, then, she placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, Arianna, you kicked Lori's ass and Lincoln tied her up only for her to get dragged back to The Loud House by Gohan and Krillin, that was awesome!

Luna: That control freak messed with the darkness alien chick, and she went down hard.

Me: And Gohan and Krillin told us of what Lori tried to do to Lincoln and Arianna, and when they were done, the rest of the sisters wanted her head on a pike.

Nico: Damn!

Gohan: But, we stopped them from doing so, and we left it to Mr. and Mrs. Loud who grounded Lori for sixteen weeks, and we grabbed Lori and tossed her in a cage in her room, and Lori swore that she would get her revenge on us, but Lily changed into her Warden Lily outfit and she hit Lisa's cage with a mallet again.

Lily: Yep, and I told her to "shut up, inmate".

Krillin: And we should've told you guys this, but we were recruited by Luna as part of a squad that she'd formed. See, she was getting tired of Lori, Lynn, Lola, Lisa, and Luan trying to kill Lincoln and his harem and Guardian Angels and she didn't want Lincoln, his harem, and Guardian Angels getting put in danger by those five, so she recruited us as part of a squad she formed called The Defenders of The White-Haired Angel Hero, and she trained us in everything she knew about how she apprehended the five heartless siblings, and she trained us every day in practice drills.

Gohan: And her training paid off completely, and we were ready for our first mission. Our first one was taking down Lynn whom we found out she tried to kill Lincoln again after she'd lost yet another baseball game. We pounced on Lynn and pummeled her, and then, we tied her up, and we dragged her back to The Loud House where she got grounded and thrown in her cage again.

Luna: Yep, and I was so proud of them.

Lynn Sr.: We eventually found out from them about Luna's training school, and I was so proud of her.

Rita: Lynn couldn't stop crying when he saw it, but when Lori, Lynn, Lola, Lisa, and Luan found out, they went ballistic and tried to kill her, but Lincoln blasted them with lightning and told them to get away from his Guardian, and he sent them running for their lives back to their rooms.

Nico: Whew, I can already guess that absolutely pissed off Lori, Lynn, Lola, Lisa, and Luan!

Maria: Oh, it did, big time.

Alcyone Pleiades: We never took our eyes off those five bitches even when me and my sisters were dealing with Flip and Scoots. This one time, my sisters and I were walking home with Lincoln from school after we'd dealt with Lynn who was on the rampage again, when suddenly, Scoots and Flip came charging at us and they were out to kill Lincoln again.

Maia Pleiades: But, we blasted them by firing dark blue energy blasts and stars at them, and they sent those two flying into a dumpster, where they got carted off back to prison and the nuthouse.

Me: Fucked-up old goat and stupid murderous mutant cheapskate, I should've let them kill Flip and Scoots all those years ago.

Nico: But, what's done is done, Scoots is in The Black Gates, and Flip's now humiliation fodder.

We got a shower, and then, Lincoln, Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress are heading to Aquatic Ruin Zone.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Caitlin Hudson has sent some thugs to kill them.

Fuyumi Todoroki: Wow, so this is Aquatic Ruin Zone, it truly is beautiful!

Lincoln: It sure is, Fuyumi, and it's perfect for our first date before the triathlon, and we're all rooting for Sunset Shimmer. Shall we?

Lincoln, Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw the hired thugs of Caitlin Hudson coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress, and they hugged the girls in their abnormally massive and powerful muscular arms, and Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Aquatic Ruin Zone, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress are now in your harem.

Alexis: I knew the last of Tania's monsters would join his harem soon enough.

Tania: And can you blame them when they saw him: really tall, handsome, extremely muscular, really trained in battle, they were already on him in a split second.

Shoto Todoroki: And now, my sister is now part of Lincoln's harem.

Fuyumi Todoroki: And when I also found out he's also a good kisser, I already found my man.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Tuesday X, Fuyumi Todoroki, Amazoness Princess, Amazoness Scouts, Mystical Elf, Cosmo Queen, and Kanan the Swordmistress, now he's really going to get it.

Lincoln: And we also had a run-in with Caitlin Hudson's hired thugs, but I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Caitlin Hudson scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and we're continuing to drive Brianna Greyson insane with rage, but come the day we get after her, she'll suffer for everything she's done before we end her for good.

---

Narrator: The City of Gotham Royal York… is having another beautiful sunny day!

(Dissolve to the girls at the beach, stretched out on chairs. They wear swimsuits and sunglasses with frames in their respective colors.)

Narrator: And the Powerpuff Girls are soaking it all up. At the beach!

(On the end of this, pull back slowly to reveal a considerable crowd gathered around them. These onlookers murmur among themselves; none, however, pay any attention to the Professor, who is lounging on a fourth chair nearby and sunning himself.)

Girl: Can you really fly?

Fat woman: Have you always been so cool?

Boy: Who are you gonna beat up next? (The Professor sits up; two young women look his way.)

Professor: Hey! Any questions for me? (chuckling) You know, I invented the Powerpuff Girls. (The pair give him an irritated glance.)

Fat woman: They're so awesome!

(Another woman cries out, either from excitement or sunstroke, and faints. Behind her, a lifeguard stands up at his platform and shouts in fear; zoom in on him. He points at the sun, which seems rather brighter than normal. The increasing glare whitens the view.)

Lifeguard: What is that?

UH OH!

Fainting woman: It's heading straight for us! (The girls only sigh in a rather bored manner.)

Blossom: Time for the old super vision.

(Beams shoot skyward from her eyes. Cut to her perspective and zoom in-it is the surface of the sun, greatly magnified, with a bright spot growing. Pull back from the girls as the Professor leans over to them. All three are now standing for a better look, and normal color has returned.)

Professor: Girls, what is it?

Blossom: Looks like some kinda sun flare. (He shrieks in fear.)

Professor: A SOLAR FLARE IS HEADING STRAIGHT FOR US!

(The entire beach is thrown into commotion; people scatter in all directions. Close-up of Buttercup, who tips her shades and laughs a bit.)

Buttercup: Amateurs. (Pull back to frame all three.)

Blossom: Let's rock this thing, girls! (They prepare to take off, but the next line stops them.)

Professor: (from o.c.) Girls, you forgot your sunscreen!

(Now Blossom lowers her sunglasses to throw a funny look in his direction.)

Blossom: Professor, we're kinda in a hurry.

Bubbles: Yeah, we're cool.

Buttercup: And, uh, sunscreen is for nerds.

(Cut to him. He is merrily slathering the stuff onto his chest and has already daubed his nose. Buttercup's words bring him up short; pull back as the two young women who were near his chair laugh and point at him. However, he soon smiles again and addresses them.)

Professor: Oh, do you girls also wear sunscreen? Did you know that it was invented by a scientist? (Pause; the women laugh some more, and one points.)

Young woman: Nerd!

(Outer space. The girls-still in swimwear and shades-have assembled to sort out the problem. Light from the o.c. flare washes over them.)

Blossom: All right, ladies, let's see what we've got here.

Bubbles: Looks like a big one.

Buttercup: Yep.

Blossom: Nothing a little Atomic Twister can't handle.

(They join hands to form a circle and begin to spin around its center. As they speed up, their images blend together into a three-color ring. Pull back to frame part of the sun and the flare, which is near the girls; the ring has now become a small tornado, and the flare is pulled into it after a moment. Snap to white, with the girls' shadowed outlines appearing within it-the blinding radiance washes out all color. They have broken the Atomic Twister formation and turned their heads to avoid the main glare, which subsides to leave them again floating in space. However, their skin has turned bright red-full-body sunburn. Blossom ducks out of the way so her sisters can trade a high five. The next two lines are delivered simultaneously.)

Bubbles: Yeah!

Buttercup: All right!

Blossom, Bubbles: We did it again!

Blossom: Now let's go soak up some of that glory.

(Overhead view of the beach. The crowd has gathered again and is cheering the girls' success. Blossom is first to descend into view, her back to the camera; cut to a close-up as her sisters come down on either side. All three are waving to the onlookers and do not notice immediately when the cheers degenerate into full-blown laughter. Blossom finally gets wise and lowers her sunglasses a bit, revealing that the skin covered by them has not been burned. Buttercup and Bubbles each have theirs off and are just as surprised; their faces are in the same condition.)

Bubbles: What are they laughing at? (They look at each other and gasp in shock; the laughter stops.)

Buttercup: We're sunburned!

(Pull back to a long shot of the girls, then cut to the lifeguard, who is now lounging atop his platform. He laughs a bit.)

Lifeguard: Amateurs.

The girls then came back.

Me: Hey girls. Have a… (GASP) GEEZ! You girls REALLY CRISPY!

Nico: What happened!?

Blossom: (In a lot of pain) We're sunburned.

Me: More like overcooked! You girls look like you were locked in a tanning bed for over an hour.

We brought them over to the sofa and got them to lay down.

Bubbles: (from inside) It hurts so bad. (Inside, they are lying on their bed, still in swimsuits.)

Blossom: The sunburn or the humiliation?

Bubbles: Both. (A tear falls; they all groan.)

Buttercup: And the worst part is, there was nothing we could have done to prevent it.

Me: Boy you girls are really overcooked.

Nico: That is a really bad 3rd Degree Sunburn.

Qin: Ouch.

Varie: Yikes

Connor McKnight: Well, guys. I'm off to my job.

Rose: Okay. Have fun.

Me: Have a good day. We'll catch up later.

Connor McKnight: Okay.

He left.

Nico: Before we go catch up to Connor, we have to help the girls first.

Me: Good idea.

Laney: Boy I haven't seen a sunburn this bad in a while.

Me: Did you forget to put on sunscreen girls?

Blossom: (In pain) Actually there was a solar flare heading at us and we did the atomic twister and blasted it away. But in doing so we got sunburned.

Bubbles: (In pain) Yeah.

Buttercup: (In pain) It hurts so much.

Me: Ouch.

Nico: No kidding.

Me: The space scanners did pick up a really big solar flare coming. I didn't know you girls would jump in and stop it.

Qin: Yeah.

Maria: Let me cool you girls off.

Blossom: Okay.

She cooled them off in a ball of water and it was really having steam come off them.

Qin: Boy they are really hot.

They were put on the sofa.

Me: That help?

Blossom: A little.

Me: I'll be right back.

I went to the bathroom and went and got some Aloe Vera gel.

Me: This always helps whenever I got sunburned.

Blossom: Aloe Vera?

Me: Yep.

Maria: Let me help some more

Me: Okay.

Maria opened the jar of gel and put it on them and rubbed it in.

The girls stand up, wiping themselves clean. Now all the effort is gone from their voices-they have found relief at last.

Buttercup: Not bad at all!

Blossom: This stuff really works!

Bubbles: I feel tingly! (Cracks start to spread on Buttercup's face.)

We gasped!

Buttercup: What… what's happening? (Ditto for Bubbles' whole body; a piece falls from her face, revealing healthy skin.)

Bubbles: We're… breaking!

Professor: (laughing) Oh, you are not. You're peeling.

Me: It's all right girls. It's natural. That means your skin is healing.

(On the end of this, cut to Blossom; her skin has also split, and her arm peels like a banana. During this line, cut to Buttercup, who has a strip of skin coming off her side. Extreme close-up: she pulls it free, and a few drops of fluid fall from it.)

Nico: Yuck.

I gave them a trash can and they put their peeled skin in.

Me: There you go girls.

Qin: How do you feel?

Blossom: Much better.

Linka: Didn't that happen to you too Double D?

Edd: It most certainly did Linka. I forgot my sunscreen and I was really burned all over from the sun.

Linka: Ouch.

May: No more unhealthy skin?

They looked over themselves and found none.

Bubbles: Nope.

Buttercup: We're clear.

Me: Good.

Nico: Let's catch up to Connor.

Me: Good idea.

We went down to the planet.

* * *

We were walking and we saw everything being set up for the Triathlon.

Lily: Boy everything is being all set up for the Triathlon.

Nico: Yep and I'm really excited.

Me: Me too. Me and Sunset have been training intensely hard for this.

Nico: I'm really excited for that.

Me: Yep.

Nico: Now, if only Connor specified where he works now.

Me: Oh he told us that he's working at some office building.

Nico: Question is which one?

Lola: Yeah.

Lisa Loud: I believe he said the Nagai Industries.

Me: Nagai? That name is… (GASP) Oh my god! I remember him! He had a really nasty foul disposition!

Nico: Oh god! Connor is in for an abusive job position.

Nagai: Oh yeah!? And what are you going to do about it!?

Me: BEAT YOUR FACE IN AND SMASH YOUR BRAINS ALL OVER THE STREET!

Nico: Yeah you jerkwad! You need serious anger management therapy!

Eli: And you need it pronto!

Me: Or I will drag you there kicking and screaming like a little baby if I have to!

SMASH!

I dropped him onto the ground!

Connor: You know, I really am going as fast as I can. But if all you wanna do is yell at me, then I think this job isn't for me.

Nagai: (chuckles) Oh, you don't get to quit that easily.

Me: Uh oh

With that, he was surrounded by an anergy circle with the Abaranger logo and turned into Bakuryuuki from episode 29 of Donbrothers!

---

At an unnamed black company, a manager named Nagai is screaming abusively at his employees to work faster. His constant impatience and desire for the world to keep up with him turns him into the Abaranger Hitotsuki, Bakuryuuki. He absorbs an employee who couldn't open the door for him fast enough and storms off. Then, Bakuryuuki rampages around the city, frustrated that everyone around him is moving too slowly despite the civilians fleeing from him. Bakuryuuki absorbs some people who were relaxing in the park for "being lazy".

Haruka, Tsuyoshi and Shinichi teleport in, surrounding Bakuryuuki and startling him, the group are more surprised when Murasame helps them with Jiro alongside him. Bakuryuuki uses a projected construct of the Abaranger emblem to try and crush the Rangers, with Shinichi wishing Taro was with the team as this Hitotsuki is tough to fight without him. As the Donbrothers still struggle with Bakuryuuki and Murasame is forced to withdraw as his body has run out of energy. He goes inside the Ninjarksword and flies off…

As they fight him, Taro returns, observing the chaos of his companions being chased by Shinichi or fighting Bakuryuuki and tries to Avatar Change, only to discover that he is so low on power he cannot transform. Haruka and Tsuyoshi manage to knock away the Ninjarksword from Shinichi, which lands next to Taro. Shinichi pleads a curious Taro not to touch the sword but he picks it up. The aura tries to possess Taro, but it inadvertently recharges him and he resists its influence as he becomes Don Momotaro again. Taro then tries out the Ninjarksword, using a powerful attack to finish Bakuryuuki in a single blow.

Bakuryuuki becomes Bakuryuuking and after Taro disposes of the Ninjarksword when it tries to possess him again, the team becomes Toradora Onitaijin when Bakuryuuking proves to be too fast for Don Onitaijin and Toradragonjin. After crippling the Hitotsuki's legs with arrows, they finish off Bakuryuuking with a peach variant of the DonBros Fantasia.

---

We gasped!

Me: WHOA! Bakuryuuki the Dino Thunder Hitotsuki! I knew it!

Nico: Uh oh!

Me: And I remember this guy too! He was EXTREMELY PISSED OFF That all his workers were going so slow!

Nico: No shit!

Xenia: Yeah!

Me: Wait lets not battle in here! Lets go outside.

Bakuryuuki: Good idea.

We went outside.

Me: Much better.

Bakuryuuki: I will teach you how go faster! (runs fast at Connor)

Connor: I know how to do that!

Connor used his own super speed to grab Bakuryuuki, run fast with him him back inside, and slam his face into the printer, making printer copies of Bakuryuuki's face in the process. He then came back out and threw him into a fire hydrant!

Nico: Time for a long overdue BUTTKICKING!

Me: Nagai, welcome to the corner of pain and suffering! (CRACKS KNUCKLES)

Connor: You got that right!

He got ready!

Connor: Dino Thunder! Power up! HA!

He transformed and he was ready!

Me: Time to bring in some awesome help! (SNAPS FINGERS)

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready!

Me: YEAH!

Lola: Time to kick this freaks butt!

Bakuryuuki: (sees his workers fleeing) Where do you think you're going?!

He absorbed several of them inside him to enhance his own strength and durability.

Me: I don't think so!

I snapped my fingers and teleported them back out and they ran.

Me: Get out of here guys! This is gonna be ugly!

I went and kicked Bakuryuuki and bashed him down and Fired a fireball blast and it hit him and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down!

Bakuryuuki enhanced the strength of his leg and tried to kick Connor.

But he ducked and kicked him back and I teleported and kicked him in the back and Nico slashed him in the chest.

Me: Time for some Mystic Force Power!

I used the MagiRanger gear!

Me: Taste the Element of Fire!

I got a sword of fire and fired fire blasts and blasted him all over and then I slashed him all over.

Me: YEAH!

Nico: Also here's this.

Nico used the Abaranger Zenkai Gear and got Trent's quill.

Nico drew an anvil above him and dropped it on him.

CLANG!

OUCH!

Bakuryuuki enhanced his own strength and threw a gasoline truck at us.

Me: INCOMING!

Eli used the Force and threw the truck back and it slammed into Bakuryuuki and exploded in a massive explosion and a ball of fire!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was really going to feel that one!

Me: Lets see.

I looked at the Dragon Knight Card I had for Lord Drakkon.

Me: Now is a good time to see what this can do.

I activated it. I got a Lord Drakkon Dragon Energy Sword!

Me: WHOA!

Nico: WOW! That is cool!

Me: Boy it sure is!

I jumped and slashed Bakuryuuki and fired energy blades at him and blasted him all over.

Eli: WHOA! That is awesome!

Bakuryuuki generated the Dino Thunder Logo.

Nico: Is that the Dino Thunder Logo.

Taro: Get down!

Taro pushed Nico out of the way as the Dino Thunder Logo came alive and tried attacking us.

I fired a wave of energy and it hit the logo and exploded! Destroying

it!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Taro: WHOA!

Nico: Thanks J.D.!

Me: Watching your back boss.

Taro: Avatar Change!

He turned into the Red Ninja Steel Ranger!

Qin: Oh yeah!

Nico fired energy waves and blasted him all over.

Connor: Super Dino Mode!

He roared and went SUPER!

Nico: YEAH!

We went at him and bashed and smashed him.

Me: YEAH! Hey Bakuryuuki you are a slow week old sack of escargot!

Bakuryuuki: WHAT THE FUCK DID YOU CALL ME!?

Me: You heard me! You are so fucking slow that it would take you 100 years to get from your bedroom to the kitchen!

Grimlock: (transforms into T Rex mode) Me Grimlock kick butt!

Grimlock tail whipped Bakuryuuki.

He bashed him down.

Grimlock fired waves of energy and blasted him all over.

Nico: YEAH!

G1 Slipstream: (turns into jet mode) Good thing you can't fly!

She fired a missile at Bakuryuuki.

It hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down.

Qin: Nice!

Me: Sniff on this one!

I used Stinky Butt's Avatar Gear.

LOUD FART!

I fired a massive fart into Bakuryuuki and he gagged and coughed!

Nico used Firefly's heat lasers on the fart.

It ignited it and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Qin: NICE!

Varie: That was awesome!

But then a Diggersby came.

Me: Whoa a Diggersby!

Lola: Aww its adorable.

Haruka: Look at the cute bunny!

Me: That's a Diggersby.

Diggersby: (In a girls voice) And I'm more than just a Diggersby!

Nico: Wendy Lepus! WHOA!

She fired waves of energy and blasted Bakuryuuki all over.

Me: Time for some chili dog mayhem!

Sonic: This will be awesome!

I fired a wave of chili dogs and they flew into Bakuryuuki's mouth and he was being filled up to the brink!

Bakuryuuki: (GROANS) (BURPS)

Sonic: He got a taste of Chili Dog retribution! My favorite.

Eddy: Too bad they just got wasted.

Me: Oh I have a feeling they didn't.

Nico: Lets finish him!

Taro: Lets!

Donbrothers, Me, Nico, Lyra and the Knights of the Friendship Table: SOLAR SYSTEM OF MAGIC FRIENDSHIP!

We formed a Solar System and they had the cutie marks of all of us and we fired waves of energy and the blasts all hit Bakuryuuki and he exploded!

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Abaranger Gear.

Me: OH YEAH! Bakuryuuki you have failed this city.

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Twilight Sparkle: Knights of the Friendship Table…

Knights of the Friendship Table: FRIENDSHIP IS MAGIC!

Nagai was down.

Nagai: (GROANS) (LOUD FART)

Me: EW! Chili dog farts.

(LOUD FARTING)

Me: Geez he is going to be feeling that.

Nagai then disappeared.

Me: He is going to have one NASTY case of gas from that.

Wendy Lepus reverted back and she was a girl with purple hair and had brown clothes and had purple eyes.

Wendy Lepus: That was so awesome.

Air Raid: What's your favorite memory of Nico?

Wendy Lepus: When me and Nico made a queen bee bully we hate eat enough beans to make an entire army fart and she was really farting so bad that they expelled her.

Nico: Yep.

Qin: That was funny!

Lola: Yeah!

Nico and Wendy hugged.

Nico: I've missed you Wendy.

Wendy Lepus: Me too Nico.

Taro: That was awesome.

Haruka: Good luck today, Sunset!

Sunset Shimmer: Thanks guys.

They went back to Japan.

Me: It will be fun and awesome.

Nico: Yep.

Connor: You know, I think I'll stick to soccer and Power Ranger stuff.

Livewire: That's probably for the best.

Me: Good idea.

Qin: I agree there.

Nico: Now it's time to get ready for the triathlon.

We went back to the estate and got ready.

Then the previous group came.

Larxene: Can me, Heat Wave, Stinky Butt, Titanium Toenail, Melter, Po Kong, Touch and Go, Dark Turtles, U Foes, and Abra Kadabra go with you guys?

X Ray: Sorry about your job, Connor.

Connor: No worries. Being a Power Ranger is far more important.

Nico: And yes you all can come with us.

Qin: This will be awesome.

Marie Kanker Loud: Nico, which Gene Slammers do you think you'll meet next?

Vapor: There will be 3, right?

Nico: Yes. Vivillon, Pyroar and Florges.

Qin: Ooh! This will be awesome.

Sunset Shimmer came in, and she was dressed in athletic clothes.

Lincoln: It's finally time, you ready, Sunset?

Sunset Shimmer: I sure am, Linky.

Me: We're both really ready for this.

Nico: Yep.

Just then, Sunset Shimmer and Lincoln's kids came in and they had banners cheering their mom on.

Phoenix Shimmer: Just a little something Dad and all of us were working on.

Sunset Shimmer: Aw, that really is so supportive.

Me: We all made banners to root and cheer you on, Sunset.

Nico: This is going to be one awesome triathlon you're going to participate in.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront today: it was a group of queen bee girls out to kill us. When we all saw it, we knew it meant trouble.

Nico: Whoa, Lincoln, what's up?

Lincoln: Nico, everyone, we got an emergency. I had a vision of who we're going to confront today: it's a group of queen bee girls out to kill us. They found out about the President's law and they're mega pissed off that we've been arresting their fellow queen bees and throwing them in The Charon Reform School.

We gasped.

Me: Those bitches have finally come together, and now, they're out to kill us all. They'll fail in the end and you're going to have quite a field day turning all those Queen Bee bitches into gold statues and sending them away to prison for good, Lincoln.

Lincoln: I sure am, but I'm not letting any of those queen bee bitches get away with this, they will all pay for their crimes.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Caitlin Hudson of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Caitlin Hudson of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Joy: While you and I deal with Caitlin Hudson and put an end to her for good, Lincoln.

Lincoln: Right, Joy. But, we also got to watch it though, Caitlin Hudson will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to cheer Sunset Shimmer on in the triathlon.

Lincoln: And take down the evil queen bee girls out to kill us for revenge, and once we get done with those bitches, you're next, Caitlin Hudson.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past, and you just stepped in deep shit now, Brianna Greyson, you're going to lose more than just your mind when you and the rest of your bitch pack show up.

Joy: No way are we forgiving you for any of your actions, Caitlin Hudson, you better be ready to pay the price for your foul misdeeds after we take down those queen bee bitches.

Lincoln put up a rainbow energy field around The World Tree Estate and we head off to cheer Sunset Shimmer as she participates in the fun triathlon and battle the evil queen bee girls out to kill us for revenge, and after we got through taking down those queen bee bitches, it would soon be the turn of Caitlin Hudson of The Legion of The Lincoln Haters to meet her fate with The Grim Reaper and The Black Gates.

We were off to the high school for the start of the Triathlon.

---

We were at the starting line for the triathlon. Me and Sunset were getting ready.

Me: (STRETCHING) This will be so fun.

Sunset Shimmer: Yeah it sure will be.

Nico: Good luck guys.

Stinky Butt: And nice job use my Avatar Gear.

Ironclad: (laughs) Was it stinky?

Me: (GRUNT) Oh yeah! (LAUGHS) It was.

Lola: This will be so fun.

Mewtwo: I wonder how Sunset would do playing soccer.

Nico: Good question Mewtwo.

Me: You ready for this Sunset?

Sunset Shimmer: I always am.

Me: Yep.

The Call to Post bugle sounded.

Me: Time for the race to start.

Sunset Shimmer: Yep. Here we go.

Melter: Oh man. It's about to start!

Dark Mikey: Go, Sunset!

Varie: Go J.D.!

We were ready for action.

Me: Okay we can do this Sunset.

Sunset Shimmer: I know we can.

Referee: Racers take your marks!

He held up a starting pistol!

Referee: GET SET!

We were ready.

BANG!

WE WERE OFF!

Nico: GO GUYS GO!

We were running fast and me and Sunset were really running and leaving the other athletes in the dust!

Tomahawk Man: They're in the lead!

Dark Don: But for how long?

Nico: Lets get a better view.

Nico activated a button and the bleachers rose and they hovered above the city and were watching us.

Me and Sunset were really running. Then we got to the park.

Me: (Panting) You're doing really great Sunset!

Sunset Shimmer: (Panting) Thanks J.D.!

Nico: Here comes the obstacle course in the park.

Eli: This is gonna be good.

Me and Sunset jumped through a ring of fire and we ran through tires, jumped over hurdles, crawled through barrels, and more.

Qin: Wow look at them go!

Xenia: They are doing really well.

Then we jumped over a pool of jellyfish and they were surging with electricity!

Nico: WHOA! (GULPS)

Me and Sunset jumped over but some runners didn't get lucky! The Lemmings came.

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They loaded them on a gurney and took them to the infirmary.

Mr. Touch: Want some popcorn, Mr. Go?

Mr. Go: Certainly, Mr. Touch.

He gave him some.

Me and Sunset came to a bunch of Bear Traps.

Me: Bear traps!

Sunset Shimmer: Lets do it!

Me and Sunset weaved and dodged them as they snapped.

SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP!

Nico: GEEZ!

Eli: WHOA! Nice one!

SCREAMING WAS HEARD AND SOME OF THE ATHLETES GOT HURT FROM THEM!

Varie and the Medical corps helped get them out of the traps.

Me and Sunset came to a Fruit Grenade field. Instead of bombs they are fruit bombs. They explode fruit thankfully.

We dodged them.

SPLAT SPLAT SPLAT SPLAT!

Others weren't lucky.

Nico: Boy that was awesome!

We climbed over monkey bars, swung on ropes crawled under barbed wire in the mud.

Dark Raph: Too bad there's no asskicking here!

Dust Man: (sees something) I think you might get your wish.

Me and Sunset saw a bunch of wooden criminal boards that looked real!

Me: Final obstacle for round one.

Sunset Shimmer: Lets do it!

Me and Sunset SMASHED THROUGH them and reduced them to splinters!

Nico: WHOA!

Qin: That was awesome!

Lola: YEAH!

Nico: They're coming into the slums of the city. That place is a cesspool of criminals.

Vector: Dust Man might be onto something. Remember what Lincoln sensed?

Lincoln: Yeah but the Queen Bee Girls aren't coming till the third round. This is the next obstacle course with rescues and they will fight criminals of all kinds here.

Vector: Oh right. But at least the third part is where all of us come in.

Qin: Yep.

Lola: That is going to be fun.

Me and Sunset were doing awesome parkour style jumping off buildings and we landed and Jokerz came out.

Jokerz Member: YOUR MONEY OR A PIE!

Me: How about your fucking life!

I slashed his head off and he fell to the ground with blood pouring out and his head landed in a pie!

Concrete Man: I am NOT eating that pie.

Nico: Me neither!

Me and Sunset jumped over barbed wire and then muggers came.

Mugger: Gimme your money!

Me and Sunset plowed through them like rampaging bulls and smashed them into the buildings!

Qin: WOO! YEAH!

Eli: TAKE THAT!

We jumped over huge stinky brine pools!

Me: P.U.! Brine pools!

Sunset Shimmer: That is a stinky one!

Then more Jokerz came.

Jokerz Girl: Lets make their lives hell!

Me: Bring it on bitch!

Sunset Shimmer: Yeah!

Me and Sunset fired waves of fire and burned them and we plowed through them and they were reduced to ashes upon impact!

Nico: OH YEAH! TEAR THEM APART!

May: They are almost out of the slums.

Eli: Just have to get by the last obstacle there. The Quicksand Bog of Peril.

Me and Sunset were running more.

Me: Whoa a Quicksand bog!

Sunset Shimmer: Looks like we're going for a swing.

Me and Sunset grabbed ropes.

We swung.

?: HELP!

I saw a girl sinking in the quicksand and it was a girl with blond hair and she had orange clothes.

Me: (GASP) Alice Marvin from Pumpkin Scissors!

Sunset Shimmer: Rescue her fast!

Me: Right.

I swung and rescued her and pulled her out.

Me: YEAH!

Alice Marvin: WHOA! Thanks!

Me: You're welcome Alice.

Nico: That was close!

Abra Kadabra: Maybe those Queen Bee girls aren't coming after all.

Lincoln: Oh they will come. They will come.

Me and Sunset got to Lynn's Table.

Nico: Lunch break for them.

Me and Sunset were sweating like crazy and we were having a meal.

Me: WHEW!

Everyone came in.

Sissi Delmas: So far so good, guys!

Me: (PANTING) Yeah no kidding.

Sunset Shimmer: It's so awesome!

Twilight Sparkle: Boy it sure is! You're both doing great for your first ever triathlon.

Me: We sure are.

We got to eating and drinking a lot of water.

---

French Narrator: (French Accent) A good rest and meal later.

---

Me and Sunset came out.

Nico: Okay guys. The third part of the Triathlon is there.

We saw that it was a straight shot to the estate.

Me: It's too easy.

Lincoln: Be ready for anything guys. When you start running down that street the queen bee bitches are going to be coming at us from all sides. So be ready.

Me: Right!

Sunset Shimmer: Thanks Lincoln.

Dark Leo: Go back out there, you two!

Me: You don't have to tell us twice!

Me and Sunset resumed running and we went down the street.

Me: This is it Sunset. No turning back now!

Sunset Shimmer: No there isn't!

Nico: Stand ready guys!

Me and Sunset were running and then we heard a WAR CHARGE HORN!

Me: A war horn!

Sunset Shimmer: Uh oh!

We looked up ahead and we saw THOUSANDS OF EVIL QUEEN BEE GIRLS! AND THEY ALL WERE OVERFLOWING WITH INTENSE HATRED AND RAGE WITH EYES GLOWING RED AND FILLED WITH PURE EVIL!

Nico: UH OH! ENTRANCE TIME GUYS! LETS GO!

Everyone flew at them!

Wolfgang: (Australian Accent) Entrance time, mates!

Everyone flew at them.

Just as the Queen Bee girls started running the spirits of the sports came and they swirled around the girls and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off from above the girls and then a phoenix cry was heard! Everyone came out!

Nico: OKAY YOU BITCHES! TIME FOR SOME PAYBACK!

May fired waves of icicles and stabbed many of the girls in their legs and kicked their faces in and Eli fired waves of Force Lightning and electrocuted them all over!

Nico: What's wrong bitches!? Cats got your fucking tongues!

Queen Bee girl: YOU RUINED OUR LIVES!

Nico: You brought all that on yourselves for being complete bitches!

Eli: YEAH!

Me and Sunset ran passed them and we plowed through many of them and smashed them down.

Me: Sorry bitches we don't have time to play!

Sunset Shimmer: Yeah!

We ran passed them towards the estate!

Queen Bee Girl: AFTER THEM! KILL THEM!

Everyone stepped in front of them!

Nico: You'll have to goo through us you bitch!

Po Kong: You think you can come and ruin J.D. and Sunset's moment?! I'm about to show you why that was a bad idea!

Po Kong blasted them all over and smashed them into the ground.

Lola fired waves of fire and blasted them down!

Xenia fired an arrow and skewered a girl through her leg!

Fluttershy whistled and called the Great Lakes City Alley Cats and they mauled the girls all over the place!

Ronnie Anne: (LAUGHS) Yeah! Take that you bratty girls!

Qin: YEAH!

Nora Valkyrie bashed the Queen Bee girls heads in with her hammer!

Nora Valkyrie: No pancakes for you in prison!

Lana: YEAH!

Armada Starscream: You bitches are gonna lose!

Alexis Thi Dang: Big time!

Queen Bee Girl: OH YEAH!?

Nico: YEAH!

Nico fired waves of energy and blasted the girls all over.

Titanium Toenail: Hey, save some for me!

He fired his toenails and slashed the Queen Bee Girls all over.

Qin fired balls of fire and burned them.

Chazz fired waves of fire and blasted them all over.

Varie and Twilight Sparkle blasted and slashed them.

Camie and Tsuyu and Sirius blasted and bashed them.

Nico: Better be ready girls because I'm going to rip your molars right out of your pretty little mouths!

Queen Bee Girl: I would like to see you try jerk!

Nico: I don't have to try.

Nico used Magneto's powers and lifted them up and then…

SQUELCH!

HE RIPPED THEIR TEETH RIGHT OUT OF THEIR MOUTHS!

Eli: OOOH! That is gonna really hurt!

Slash Man: I may not be Wolverine. But I can still slice you to ribbons!

SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

He slashed them all over.

Nicole: WELCOME TO YOUR WORST NIGHTMARE!

Her eyes glowed red and she banished many of the girls to the MALEVOLENT INSANITY DIMENSION!

Heat Wave: Burn baby burn!

He fired waves of fire and burned them all over.

Qin: Take that!

Lincoln fired waves of lightning and electrocuted them.

Nico: HEY BITCHES! CHEW ON THESE!

Nico pulled pulled out the mushrooms he had leftover from the 20 Days of Darkness and shoved them down a girls throat and then she screamed in a horrible way! SHE HAD A HORRIBLE NIGHTMARE!

May: You still had those mushrooms!?

Nico: Had to get rid of them somehow!

Then Weather Wizard, Sportsmaster, Springfield Bullies, Motor Ed, Whirlwind, Koragg, Living Laser, Bonz, KGBeast, and See More appeared.

Nico: Weather Wizard, Sportsmaster, Springfield Bullies, Motor Ed, Whirlwind, Koragg, Living Laser, Bonz, KGBeast, and See More.

Nico: It sure is.

Nico: Just Another Chromatic Dragons and Another Tiamat.

Eli: It was awesome.

Badpipes came.

Nico: Badpipes! Back for another Round?

Badpipes: I sure am.

Nico: Cool.

Badpipes: Guess J.D. and Sunset won't be battling today, huh?

Nico: Nope so we arranged to have Pepperdance and May battle in their places.

Qin: Neat.

Badpipes: Cool!

They got the battles underway.

Sam S.L.: It was really awesome and fun! We faced Luna's enemy Maria Riviera and she was a monster we hate!

Autumn Blaze: Yeah she was a really nasty one!

Sam and team used fusions for Hermos and the Cyber Dragon Monsters and their rider cards and they got awesome weapons and they fired waves of energy and fire and smashed them down.

Yang, Zipp Storm, J.P., Cyber Dragon, Number 17: Leviathan Dragon, Meteor Black Dragon, Rarity, Sweetie Belle, Water Skylanders, Knight Man and Tomahawk Man VS Motor Ed, Roller Ghoster, Serpentina, Universe 666 Nega-Chin, Bomberman Gang, and Carrie Beff - Meeting a gene-slammer for Alien Overlord

Motor Ed was next.

Motor Ed: (to Yang) I heard you dudes met a gene-slammer for Alien Overlord. What's the dudette's name?

Yang: Her name is Arianna Meteodora and she is an Umbrasapien.

Zipp Storm: She is an awesome guardian angel for Lincoln.

J.P.: She sure is. And her story is awesome too.

The dragons agreed.

Nico: Yep. So, girls, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Ashley Lupus Foxina: Ooh, I do have one, and it also shows that I marked Lincoln and it also gave him some extra gifts.

Ashley Lupus Foxina pulled up the clip and pulled up a video and it played on the screen, and it showed Lincoln in his large orange speedo and Ashley in a crimson red two-piece bikini, and they were enjoying a day of fun in Lake Superior underneath the full moon.

Past Ashley Lupus Foxina: It sure is a beautiful night tonight.

Past Lincoln: It sure is.

Past Ashley Lupus Foxina: Lincoln, there's something I want to give you.

Suddenly, Ashley Lupus Foxina lied on top of Lincoln, then, she placed her hand on his chest and she slowly bit him, and we knew what it was: she marked him. Suddenly, we saw large white wolf ears grow on top of his head and ten extra massive and long white wolf tails grow and spread out, and now, he has eleven massive and long white wolf tails. Then, she then slowly unlatched her fangs from his neck as his neck healed and the puncture marks sealed up, and she also kissed the spot where she bit him. Lincoln looked in his reflection in the water and he saw what happened as a result and he was stunned.

Past Lincoln: Whoa. So, this was…?

Past Ashley Lupus Foxina: Yes, that was my gift to you.

Then, Ashley Lupus Foxina and Lincoln went back to their spot as Lincoln lied on the sand and Ashley lied on top of Lincoln, then, she placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, so he…

Ashley Lupus Foxina: Yep, he got those large white wolf ears and ten massive and long extra white wolf tails due to me marking him, and I soon found out Lori, Lynn, Lola, Lisa, and Luan conspired and put weakening chips on him to weaken their brother, so he could get killed during the early days of the team.

We gasped, and I pulled up a clip and it showed what Ashley told us, and we were horrified and really pissed off.

Nico: THOSE GODFORSAKEN BLACKHEARTED BITCHES!

Me: If I'd known they were behind that, I'd have killed them until nothing was left of those animals!

Lincoln: I can't believe those five could do this, but I shouldn't act so surprised, they'd tried to kill me too many times in the past, but their plan forever failed as the chips were destroyed for good when I underwent many transformations.

Me: That's for sure.

Arianna Metrodora: What a bunch of filthy bitches! Alright, I also have a video of one memory, and it's of my date with Lincoln at Gus' Games and Grub.

Arianna Metrodora pulled up a video and it played on the screen, and it showed Lincoln and Arianna having fun and playing the games there.

?: I WILL LITERALLY TURN INTO A HUMAN PRETZEL FOR DEFYING ME, YOU FUCKING LITTLE TWERP!

Past Arianna Metrodora: What the heck was that?!

Past Lincoln: Ugh, I'd recognize that scream of vengeance from anywhere, it's Lori, and it sounds like she's on the rampage again and she's still out for blood after what the rest of the Guardian Angels and I have done in ruining her attempts to kill me!

Arianna and Lincoln stood their ground, and they saw Lori burst in with red eyes of hate and she had a knife in her hand, and she was now out for blood.

Past Lincoln: This again, Lori! You know, this is getting old really fast, now, you've left me no choice!

Past Arianna Metrodora: No, Linky, I got this.

Lori shrieked like a banshee and came charging at them with her knife raised in the air, but Arianna Metrodora fired two powerful blasts of darkness which hit Lori, disarmed her, and she was knocked down and out, and she was tied up by Lincoln firing two red energy blasts from his massive white angel wings. Suddenly, Gohan and Krillin came out and grabbed Lori.

Gohan: Looks like we got here just in time to see you guys take down Lori.

Lincoln: You sure did, thanks, guys.

Krillin: Now, let's get her back home and let her parents deal with her. You two go back to having fun.

Gohan: Alright, Control Freak, you're coming back with us.

Then, Gohan and Krillin dragged Lori back to The Loud House to her doom.

Past Lori: YOU WILL PAY FOR THIS, YOU WORTHLESS WASTE OF FUCKING SPACE! DO YOU HEAR ME, YOU AND YOUR ENTIRE FUCKING HAREM, YOU WILL ALL PAY!

Then, Gohan knocked her out by bonking her head with a mallet.

Past Lincoln: Whoa, now that was so awesome!

Past Arianna Metrodora: No one's messing with my man, especially not that stupid control freak bitch.

Arianna Metrodora and Lincoln went back to having fun, then, she placed her hand on his chest and they kissed as the video ends.

Nico: Whoa, Arianna, you kicked Lori's ass and Lincoln tied her up only for her to get dragged back to The Loud House by Gohan and Krillin, that was awesome!

Luna: That control freak messed with the darkness alien chick, and she went down hard.

Me: And Gohan and Krillin told us of what Lori tried to do to Lincoln and Arianna, and when they were done, the rest of the sisters wanted her head on a pike.

Nico: Damn!

Gohan: But, we stopped them from doing so, and we left it to Mr. and Mrs. Loud who grounded Lori for sixteen weeks, and we grabbed Lori and tossed her in a cage in her room, and Lori swore that she would get her revenge on us, but Lily changed into her Warden Lily outfit and she hit Lisa's cage with a mallet again.

Lily: Yep, and I told her to "shut up, inmate".

Krillin: And we should've told you guys this, but we were recruited by Luna as part of a squad that she'd formed. See, she was getting tired of Lori, Lynn, Lola, Lisa, and Luan trying to kill Lincoln and his harem and Guardian Angels and she didn't want Lincoln, his harem, and Guardian Angels getting put in danger by those five, so she recruited us as part of a squad she formed called The Defenders of The White-Haired Angel Hero, and she trained us in everything she knew about how she apprehended the five heartless siblings, and she trained us every day in practice drills.

Gohan: And her training paid off completely, and we were ready for our first mission. Our first one was taking down Lynn whom we found out she tried to kill Lincoln again after she'd lost yet another baseball game. We pounced on Lynn and pummeled her, and then, we tied her up, and we dragged her back to The Loud House where she got grounded and thrown in her cage again.

Luna: Yep, and I was so proud of them.

Lynn Sr.: We eventually found out from them about Luna's training school, and I was so proud of her.

Rita: Lynn couldn't stop crying when he saw it, but when Lori, Lynn, Lola, Lisa, and Luan found out, they went ballistic and tried to kill her, but Lincoln blasted them with lightning and told them to get away from his Guardian, and he sent them running for their lives back to their rooms.

Nico: Whew, I can already guess that absolutely pissed off Lori, Lynn, Lola, Lisa, and Luan!

Maria: Oh, it did, big time.

Alcyone Pleiades: We never took our eyes off those five bitches even when me and my sisters were dealing with Flip and Scoots. This one time, my sisters and I were walking home with Lincoln from school after we'd dealt with Lynn who was on the rampage again, when suddenly, Scoots and Flip came charging at us and they were out to kill Lincoln again.

Maia Pleiades: But, we blasted them by firing dark blue energy blasts and stars at them, and they sent those two flying into a dumpster, where they got carted off back to prison and the nuthouse.

Me: Fucked-up old goat and stupid murderous mutant cheapskate, I should've let them kill Flip and Scoots all those years ago.

Nico: But, what's done is done, Scoots is in The Black Gates, and Flip's now humiliation fodder.

The queen bees came charging right at us in a murderous fury and extremely murderous rage.

Lincoln: You're right, it's going to be the last thing you all ever do because every last one of you will be joining your fellow queen bees as gold statues for eternity.

Lincoln spread his massive white angel wings and he was surrounded by gold energy, and his white angel wings fired a massive barrage of gold energy, and they hit the charging queen bees, and all of them were turned into gold statues for eternity.

Nico: Adios and good riddance, bitches!

Nico beamed all of them to The Charon Prison for Queen Bees where they'll stay there for eternity.

Sunset Shimmer: That was an awesome job well done, Linky.

Sunset Shimmer went up to Lincoln and kissed him on the lips and he returned it.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Caitlin Hudson.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Caitlin Hudson?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Caitlin Hudson of The Legion of The Lincoln-Haters, but we also saw Ava Parker, Alana Cameron, and Brianna Greyson, who's already falling into madness heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Caitlin Hudson: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads and ruining my constant desires for revenge… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Joy: Yes, but this'll make sure they finally get our point.

Suddenly, Joy's eyes turned neon pink and she was surrounded by a pink and white energy aura with stars, water, ocean waves, and phoenixes, and as she approached Caitlin Hudson, she left pink and white energy, stars, water, ocean waves, and phoenixes with every step.

Joy: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Caitlin Hudson, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Joy was surrounded by a massive vortex of pink and white energy with stars, water, ocean waves, and lights, and surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a pink phoenix with red eyes glaring at Caitlin Hudson: the red eyes of death. Then, as the vortex faded, Joy emerged, but she was changed forever.

Joy grew to 7'5" in height, she has the body of a goddess, she has pink and purple highlights in the bangs of her long black hair put in pigtails, she has neon pink eyes and a pink and white energy aura with stars, water, ocean waves, lights, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Water and Eternity Kanjis in its claws, she also has a dragon with pink gems for eyes and holding the Water and Eternity Kanjis in the claws on the bottom of her yellow dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Joy has on a long-sleeved pink sweater, purple skirt, pink socks, dark purple slip-on shoes, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with stars, water, ocean waves, and phoenixes on the coattails, and on the back is a phoenix and dragon surrounded by water, ocean waves, and stars. Suddenly, Joy felt a sharp pain on her back, and then, massive black angel wings with pink and purple tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with pink tips and purple markings, Joy has on her Ring of the Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Joy's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of yellow and white energy, stars, water, ocean waves, and phoenixes, and when it emerged, it transformed into Gabby's Eternal Cosmic Storm Oceanic Maelstrom Fury Greatsword of Eternal Cosmic Oceanic Maelstrom Phoenix Justice, it's a brand-new massive greatsword with embedded purple gems and pink etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged purple blade, large pink dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with purple gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with purple gems for eyes and in their mouths and a large purple dragon head with a pink gem in its mouth below the large phoenix heads for the pommel. Joy has on her new Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the dragon and phoenix that said, "Joy, Best Friend of Girl Jordan and Many, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Caitlin Hudson of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Ocean Waves, Stars, and Phoenixes"

OCEANIC MAELSTROM ETERNAL COSMIC OCEANIC MAELSTROM STAR DRAGON PHOENIX LOVE!

We were amazed by Joy's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Caitlin Hudson saw it, she went fucking crazy and she got out her machine gun to fire at Joy, but Joy fired a barrage of pink and white energy blasts with stars, water, ocean waves, dragons, and phoenixes at Caitlin Hudson and it sent her flying into a tree back first, she got back up and she ran at Joy again with a knife she got out, but she disarmed Caitlin Hudson by firing water blasts which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Girl Jordan: WHOA!

Nico: That's really awesome!

Me: You said it, Joy's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she really put the hurt on that monster bitch.

Lincoln: Caitlin Hudson has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Joy: (Divine Godly Cosmic Voice of The Cosmic Oceanic Maelstrom Star Dragon Phoenix Angel and Divine Cosmic Oceanic Maelstrom Star Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal

Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Joy.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Caitlin Hudson. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Joy and Lincoln went after Caitlin Hudson who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, pink and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Caitlin Hudson and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Joy attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Caitlin Hudson got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Joy, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Caitlin Hudson's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Caitlin Hudson by the neck and he tossed her into the air, and Lincoln and Joy fired a powerful barrage of energy balls with water, ocean waves, stars, quintessence, elemental forces, and mythological animals, and as they hit Caitlin Hudson, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Caitlin Hudson's spirit appeared, and she was still incensed with anger and fury.

Caitlin Hudson: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Caitlin Hudson. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Caitlin Hudson's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and she was found guilty for her crimes, and she was fading away from existence.

Caitlin Hudson: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Joy and Lincoln holstered their massive greatswords on their backs and powered down, and Joy's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Caitlin Hudson. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FUCKING FREAK! KILL HIM! KILL THE FUCKER! LEAVE NONE OF THEM ALIVE! (LAUGHING INSANELY)

Ava Parker, Alana Cameron, and Brianna Greyson ran at Lincoln with knives drawn, only for them to get disarmed and pushed back by Zhang Liao.

Zhang Liao: This fight is over. Now, if you and your friends have any pride left, you will leave right now, Brianna.

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: (ENRAGED SCREECHING) This isn't over, Lincoln Loud! And mark my words, you will also pay for getting in our way, Zhang Liao.

Then, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Juniper Lee: What a bunch of wusses.

Joy: We've taken another one down so far, and now, we got three more to go. Thanks for helping me destroy Caitlin Hudson, Linky.

Lincoln: (Smiles Warmly) You're welcome, Joy.

Suddenly, Joy wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Joy's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, ocean waves, and water behind them and we cheered wildly. Then, Lincoln and Joy absorbed the water and ocean waves and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of maelstrom justice. Lincoln, Joy, you two did really awesome in teaching that monster bitch, Caitlin Hudson, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but we're already fast approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Ava Parker, which means you and I are up next, Rachel.

Rachel: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off, and now because of what Zhang Liao had done in pushing them back and sending them running, now she's already threatened Wei in her state of insanity.

Lincoln: She's already losing it one after another, and to now make threats at The Three Kingdoms, that's something I will never tolerate, and now, I'll see to it that Brianna will suffer even more before she dies.

Nico: You got that right, Lincoln. So, which Alien Gene-Slammer are you meeting on your rescue tomorrow?

Lincoln: Good question, Nico. Oh, I have an idea, how about a Gene-Slammer for Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster.

Selina Almenara: (Gasps) That's awesome, Linky, and there's only one person we know who'd be Gene-Slammed into Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster: Roxanne Lucius, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic light powers, and immortality, and here's the really really surprising part: Roxanne Lucius' known as a Lumasapien, an alien from the planet Lucius, a planet of eternal light in the Virgo Supercluster.

We gasped.

Shanan: I've heard of them, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have white hair, golden yellow eyes, and white angel wings. Their true form is really beautiful, they have gold yellow sclera and they have yellow sun tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a yellow sun-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, Hydrosapiens, Umbrasapiens, and Aerosapiens, they also have quite an extremely powerful sexual drive.

Nico: And Lincoln also has an Lumasapien as one of his many Guardian Angels?! Oh, I hope she kept herself under control.

Luna: Don't worry, dude, she, like Selina, Marina, Adreana, Lenora, and Arianna, has controlled herself, especially with me, Leni, and Mom watching her.

Nico: Whew.

Shanan: And just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, and Aerosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need.

Selene Emperyous: And for Roxanne, the one who fit that role was Lincoln.

Mana Mystictree: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing.

Me: And trust me, we've seen it more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, I just know she's going to want to take it much further.

Lincoln: I already know, but I'm ready. Plus, you'll love hearing this part, Nicole: she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of light at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll incinerate them and scatter their ashes to the wind.

Nicole: Oof, now that's just really brutal.

Luna: And if she dares to find out someone's hurting our bro, she'll send them to her home planet to be brutally massacred and incinerated and their ashes scattered to the winds, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Selina Almenara: I've seen how brutal Lumasapiens are when it comes to dealing with evil villains.

Koragg: Congratulations on winning, J.D.

Living Laser: Sunset deserves some congratulations too.

Me: We both crossed the finish line at the same time. So it was really awesome.

Sunset Shimmer: But great job dealing with those girls.

Bonz: And those bitches got what they deserve.

KGBeast: Serves them right for trying to disrupt this.

Me: Yep.

See More: So… what's the prize?

Me and Sunset held up an awesome and cool Trophy in the shape of Gotham Royal York and it was made of emerald crystal and it had jewels in it.

Nico: Cool!

Xenia: Awesome race!

Me: And we got checks for $100,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000

Nico: WHOA! That's a lot of money.

Xenia: Yeah!

Nico: Great job guys and great job today everyone. We had a really awesome day.

Eli: We sure did.

Lola: (To the viewers) Races are fun but not when people interrupt them.

Me: Nope.

We went back to the estate and me and Sunset were resting our legs and we enjoyed the rest of the day and went to sleep.

And we're going to meet a Vivillon gene-slammer named Vivian Papillon and she is a rainbow elemental fairy and she has elemental powers.

The next match-up in The War Against The Legion of The Lincoln-Haters is Rachel and Lincoln VS. Ava Parker

For Lincoln's rescue tomorrow, Lincoln and his group are heading to El Paso, Texas, and we got major-league bad news: an evil and deranged girl named Layla Manson is running loose, she may seem sweet and demure, but that hides the true Layla Manson: she's a heartless, remorseless, evil, sadistic, deranged monster with an utter disregard for all life and with oceans of innocent blood on her hand and who desires to see the world burn and to see all heroes and villains honorable and dishonorable die along with all life on Earth and the universes beyond, and she wants to kill Team Loud Phoenix Storm, Lincoln in particular. See, for years, Layla Manson had terrorized Carthage by causing arsons, property damage, assaulting people, robbing banks, and even worse, killing innocent people, and she also terrorized the school system, this Queen Bee monster bullied and tortured the students and teachers, and not even the cops could even stop her. Plus, no one was able to stand up to them at all because she's also the daughter of Charles

Manson, and she's been on the watch list of The FBI for multiple counts of violent assaults and bank robberies across the country for years, along with multiple counts of rape, murder, drug trafficking, fraud, and money laundering. But, her reign of terror eventually came to an end thanks to Drakus, who stood up to her, and thanks to the additional help from the X-Squad, Layla Manson was expelled for her crimes long ago and sent to prison, and she swore she'd get their revenge on Drakus for getting her expelled, and she saw that Lincoln would be tough to kill. Now, years later, she's broken out of prison, and they want revenge on Drakus for getting them expelled. But, Drakus, the X-Squad, and Team Loud Phoenix Storm aren't going to let her do so, and she crossed the line when she killed innocent people during her rampage throughout Carthage: in other words, she crossed The Moral Event Horizon Line, and has absolute zero remorse for the crimes she committed and for the lives she's taken. So, we're not letting this bitch get away with her bloodsoaked revenge, and after we get her on her last legs, Drakus is going to be given the pleasure of pulling pieces of Layla Manson's flesh off with super red hot pincers tomorrow on Lincoln's rescue, and even rip out her tongue, gouge out her eyes, and tear out her teeth, before he sends her to The Black Gates for good. And we're going to meet the next Alien Gene-Slammer, her name is Roxanne Lucius, Gene-Slammer of Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster: Roxanne Lucius, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic light powers, and immortality, and here's the really really surprising part: Roxanne Lucius' known as a Lumasapien, an alien from the planet Lucius, a planet of eternal light in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have white hair, golden yellow eyes, and white angel wings. Their true form is really beautiful, they have gold yellow sclera and they have yellow sun tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a yellow sun-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, Hydrosapiens, Umbrasapiens, and Aerosapiens, they also have quite an extremely powerful sexual drive, and just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, and

Aerosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Roxanne, the one who fit that role was Lincoln, and she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, he knows she's going to want to take it much further, but he's ready. Plus, she hates perverts with the same vengeance as Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of light at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll incinerate them and scatter their ashes to the wind, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred and incinerated and their ashes scattered to the winds, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

This will be a strange one as we meet a Bizarro clone of Nico and this will be a crazy one. Nicozarro is his name and this will be a really crazy one.

See you next time.

Me: (Inhales) Ahh! It's so beautiful out here.

Qin: Boy it sure is and it's a gorgeous day!

Fluttershy: It's so magical out here. I love the tranquility of nature.

Fluttershy was loving it and talking to the birds and animals.

Qin: It's so awesome out here.

Toru: It sure is.

Tsuyu: I'll say.

Nico: Yeah it sure is.

Xiao Fung: I agree there too.

Nico: Ulrich, I want to thank you, Xiao Fung, and your teams for coming.

Ulrich: No problem Nico. I am excited for this one.

Brynja: (Icelandic Accent) It's awesome having you with us Ulrich.

Ulrich: It sure is Brynja.

Sissi: We're all excited for this.

Nico: Blossomforth, what do you like to do in your free time?

Blossomforth: Well that is a really good question. I like working in my family's flower shop. We plant flowers on the ground and it's great.

Qin: That's awesome Blossomforth.

Xenia: It sure is.

Sunset Shimmer: I think that's a great job for you.

Blossomforth: It sure is. Even though I help with the clouds and the weather it's fun.

Nico: That's cool.

Lola: Yep.

Nico: Nothing wrong with doing both.

Me: No there isn't.

Blossomforth: That's true and I'm happy for it.

Me: Me too.

Varie: Yeah.

Camie: Boy yesterday was a really awesome and great race.

Sunset Shimmer: Boy it sure was!

Me: Man we had a lot of fun. We never ran that much before.

Lola: That was really awesome!

Nico: You and Sunset should be proud, J.D.

Me: Oh we are.

Sunset Shimmer: We sure did an awesome race.

Me: You got that right! High Five.

CLAP!

Me and Sunset Shimmer and I high five!

Me: We make an awesome team Sunset.

Lincoln: You sure do.

Rainbow Dash: That was so awesome though!

Nico: Yeah!

Camie: That was one of the most fun races ever.

Nico: Those Queen Bee bitches tried to ruin it!

Eli: They sure did but at least we made sure that they were stopped.

Lola: Yeah no kidding.

Xenia: Thank goodness.

Camie: They just can't take a hint.

Varie: Those bitches.

Nico: No kidding. But I'm glad they are back in prison where they belong.

Sissi: They sure deserve to be locked up forever.

Nico: And you guys won a good prize.

Me: Yep. And the best part is that all that training me and Sunset did really paid off.

Sunset Shimmer: It sure did.

Qin: That was so fun!

Sunny Starscout: I thought it was awesome how you 2 did.

Zipp Storm: And it was awesome going through all those obstacle courses.

Camie: Those were fun and thrashing those criminals was awesome!

Lola: Yeah it was!

Nico: Hang on. I don't think we're alone here.

Me: What makes you say that?

Nico: Listen.

We heard something and it sounded like someone crying.

Me: Sounds like someone crying.

Qin: It's coming from there.

We went over and in a clearing we saw a girl and she had blond hair and had green clothes that were torn up and she had a baby bump and no shoes. The birds and animals were comforting her. She was crying really hard.

Me: (GASP) Oh my god Emily Zhuqiao!

We went over and she lifted her face and saw me.

Me: Emily are you okay?

Emily Zhuqiao: (Sniffles) J.D.? Is that you?

Me: Yeah it's me.

Her eyes welled up with tears and they she hugged me and cried hard and was wailing hard!

Qin: Oh man.

Nico: What happened?

Me: It's okay Em. It's okay.

Laney: She is really a mess.

Varie looked her over.

Varie: Someone really beat her up bad. These injuries are terrible.

Nico: To all the animals who comforted her, you can come with us.

Fluttershy: They will love that.

Me: Emily calm down now. Calm down.

Nico: What happened to you?

Varie was healing her up.

Varie: Who did this to you?

Emily Zhuqiao: (Sniffles) My evil stepbrother. He has always hated me since the day his mother married my dad. And he did something really horrible. He killed my dad and he… he… HE RAPED ME!

WE GASPED!

I comforted her.

Nico then was growling with rage!

May: Uhh Nico are you okay?

Nico: THAT SON OF A BITCH!

Applejack: Why that dirty monster rotten apple!

Me: Kill that asshole Nico.

Nico teleported to Emily's house and came back with him!

Me: Ryan Zhuqiao you are in big trouble.

Camie: You are going to pay for your crimes.

Nico got out a crowbar and started beating him with it.

Lola came and she got out a frying pan and was bashing him all over with it!

BLANG BANG SMASH WHAM BLANG BANG SMASH WHAM!

They bashed his brains and smashed his skull in!

Nico then ripped his manhood off!

RIP!

HE SCREAMED IN PAIN!

Eli: TORTURE THAT SON OF A BITCH!

Nico: You know what? I'm ending him now.

Nico then fired a wave of radiation at him and like with Sarah Connor in her nightmare he bursted into flames and screamed in excruciating pain as he was burning and then Nico fired a shockwave blast and blasted him until he was nothing but a skeleton! HE WAS NOTHING BUT BONES!

Qin: GEEZ!

Lola: BRUTAL!

Varie: YIKES!

Me: Fitting for him.

Emily hugged me.

Emily Zhuqiao: Thank you.

Sakura Knudson: Boy Nico REALLY HATES Rapists with a vengeance.

Nico: I don't just hate them. I ABSOLUTELY DESPISE AND LOATHE THEM and they all deserve the worst forms of torture EVER.

May: YOU SAID IT!

Nico: Alright, Eli. You can sense for Swartz's creations now.

Eli: All right. We have Another Marluxia, Another Universe 666 Live Action Megatron, Another Tomura Shigaraki, Another Dabi, Another

M.O.E. Himiko, Another Evil Wing Man and Another Xiao Fung.

Me: Whoa! This will be interesting.

Fluttershy: It sure will be.

Lola: Yeah!

Laney: I have a feeling the Another Marluxia is the gene-slammer for Marluxia. Better call in Layla Williams.

Maria: I'll call in Layla then.

Maria did so.

Layla came.

Layla Williams: Oh hey guys.

Me: Hey Layla.

Layla Williams: Didn't you guys do Another Marluxia already?

Me: We did but this is a gene-slammer for Marluxia that was made into Another Marluxia.

Layla Williams: That sounds a little redundant don't you think?

Me: It sure does.

We saw a huge flower popped out.

Nico: There she is.

We saw it bloom and out came ANOTHER MARLUXIA 2! But she had a pink coat like Xemnas.

Layla Williams: Boy this will be interesting. And the pink coat looks so much better on you than a black one.

Qin: Yeah.

Another Marluxia 2: (In a girls voice) That is a true statement.

Me: That voice!

She reverted back and was a girl with pink hair and pink eyes and had a pink and black clothes and she had pink angel wings and had the kanji for Flower in the middle of her forehead and on her skirt was the kanji for Graceful Assassin of Flowers. She had Marluxia's scythe in her hand.

Me: (GASP) Maggie Marluxia!

Layla Williams: Wow! That is awesome!

Maggie Marluxia: Awesome to see you again J.D.

Me: Same here.

Layla Williams: I hope this is the last Another Marluxia.

Maggie Marluxia: Don't worry I am. But there are Anothers for each member of Organization XIII. Including Xion.

Me: Whoa! This will be awesome.

Layla Williams: I know I asked this before but did Swartz promise you anything?

Maggie Marluxia: Just to challenge Marluxia to a one on one battle.

Me: I think that can definitely be arranged.

Laney: It sure can.

Layla Williams: Let's do it!

Maggie Marluxia: Lets.

She turned into Another Marluxia and Layla and Another Marluxia clashed and flowers bloomed all over the place. Then Layla fired an energy blast and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Flower

Princess and the Flowers of Kingdom Number XI.

Qin: Fitting.

I brought over Maggie.

Nico: One down.

Qin: 6 to go.

Nico: Who's next?

Me: Another Live Action Universe 666 Megatron.

Nico: Oh boy.

Lola: This one is going to be tough.

Qin: Yep.

Me: Better call in Amy Rose.

Qin: Yep.

Maria did so.

Amy Rose: Here I am!

Maria: Ready to bash some heads in?

Amy Rose: Always ready! FOR SONIC'S LOVE!

Zuria: Sa what?

Nicole: For years Amy Rose has always had a huge crush on Sonic.

Zuria: I see.

Nico: Is that a jet?

We saw a Cyhertron Jet coming.

Me: Whoa!

Nico: There it is!

We saw a dark version of Universe 666 Live Action Megatron!

Me: Whoa! Another Universe 666 Live Action Megatron.

May: I did not expect you to be Another Megatron!

Qin: Yeah!

Nico: Drew, you listen good. May's MY wife. So whatever shit you have planned involving her, drop it! I already had to put down one rapist today!

Me: Yeah!

Drew: Whoa whoa whoa! Chill! I'm not here for that.

Me: Oh yeah? Then what are you here for?

May: Drew, I'm sorry. Whatever thing you thought was romance between us can only be described as friendship. I'm married to Nico now.

Amy Rose: Yeah, my hammer might not be the Star Saber. But it still packs a punch!

Drew: I know that May and congratulations on that. But I'm here because I realize now that I had been nothing but a jerk to you. Jorgen came to me a while back and he showed me the future you guys saw with Nico and Qin and J.D. being president and all that. And I realize now what a fool I was to be so arrogant and stupid. And me Marrying May and treating her like that! I can't believe I would ever treat you like that!

Me: That was a pretty big wake up call for you there.

Qin: Yeah.

Drew: And May I'm so sorry about everything I said and did to you.

May: (smiles) Thank you, Drew. Apology accepted.

Nico saw Jorgen giving him a thumbs up while winking at him.

Nico smiled.

Maria: How would you like to join the Redemption Squad, Drew?

Drew: I would like that. But first get rid of this Another form.

Me: That we can do.

Amy Rose: One shall stand. And one shall fall!

Me: And it's NOT GOING TO BE Another Megatron!

Nico: I don't know. Maybe separating you isn't necessary.

Girl Jordan: Nico!

Nico: Okay okay!

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Drew glowed and he was separated from him.

Me: AWESOME! Amy lets use a combo.

Amy Rose: You got it!

Me: JETSTORM, SONAR, RUNWAY! POWER LINK!

Out came the Air Minicons and they formed THE STAR SABER!

Me: STAR SABER!

Me and Amy: STAR HAMMER FLASH!

Me and Amy slashed and bashed Another Megatron and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Me: YEAH!

I caught the Wonder Ride Book and it was called The Pokemon Trainer and the Evil Lord of Cybertron.

Me: Awesome!

Nico: Who's next?

Me: We have Another Tomura Shigaraki, Another Dabi, Another M.O.E. Himiko, Another Evil Wing Man and Another Xiao Fung.

Qin: Whoa!

Me: I've always wanted to have another crack at Tomura. Now I can banish this one to the black gates

Sunset Shimmer: I'll call in torch.

She did so.

Torch: You rang?

Sunset Shimmer: Perfect Torch. We have Another Tomura here.

Torch: Oh boy.

Nico: Yeah.

Torch: The one that's my archenemy has been behaving himself well. But I don't mind fighting this one.

Nico: I see Another Tomura right now!

We saw a figure and it was ANOTHER TOMURA!

Me: WHOA!

Camie: Uh oh. Brings back memories.

Tsuyu: It sure does.

Another Tomura: (In a girls voice) Been a long time Camie, Tsuyu, Sirius, guys.

Sirius: That voice!

She reverted back and to our shock it was a girl with black hair and blue clothes.

Tsuyu: (GASP) Hana Shimura!

Qin: Wait is that!?

Sirius: Oh my god! Tomura's sister is back!

Hana Shimura: DON'T YOU DARE SPEAK THAT NAME AGAIN!

Me: Wait I remember hearing this from Himiko. Tomura killed you!

Hana Shimura: Yeah he did! AND I WILL NEVER FORGIVE THAT MOTHERFUCKING FOOL! I HATE HIM!

Me: (GROWLS) This was all a mistake! Looking back I should have just killed Tomura and banished him to the Black Gates.

Torch: He HAS been behaving himself since last year. But you can forgive him on your own time.

Hana Shimura: I DON'T CARE! J.D. KILL THAT MONSTER TOMURA FOR ME!

Torch: I'll do you one better. We'll separate you from this version of him and then I'll help you kill this one.

Me: That suggestion works.

Hana Shimura: Good.

Lincoln fired a blast of light and separated him from her.

Me: Awesome. He's mine.

I went over to him.

Me: Your reign ends now Tomura.

I went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (Divine Godly Voice) **You killed countless people and now I'm going to kill you!**

I teleported and kicked him high into the sky and dealt him a massive ferocious flurry of punches! Then I kicked him into the ground.

Me: It's over Tomura!

Another Tomura: It's never over till I say!

He went to grab for me but I grabbed his arm and to my shock I burned his arm and he screamed in excruciating pain as his whole arm disintegrated into dust!

Another Tomura: WHAT THE FUCK DID YOU DO!

Me: **I turned your own quirk against you!**

Torch: Fire it up!

She fired a blast of fire and burned him all over.

Me: **This is for all those you killed!**

Hana then used her quirk called Thorn to form a sword of bramble vines and then she stabbed him right through his black heart!

Hana Shimura: TAKE MY THORNS THROUGH YOUR BLACK HEART! TAKE IT! TAKE IT STRAIGHT TO THE BLACK GATES YOU SICKENING PIECE OF MOTHERFUCKING FUCKING TRASH!

Torch: Nice, Hana! Now get back! It's only fair that I finish this!

Hana did so.

Torch fired a powerful incinerating blast of fire and burned him into ashes!

His spirit came.

Me: **You have survived for far too long. Now it ends.**

I gave him the black gates and he was erased from existence forever!

I picked up the Wonder Ride Book and it was called The Plant Hero and the Decay Tyrant.

Me: **Fitting.**

Nico: Yep.

I powered down.

Me: Good riddance. Another Dabi next.

Zack Taylor then appeared.

Zack Taylor: Hey, guys.

Nico: Awesome timing Zack.

Lola: Yeah.

Nico: There he is!

We saw a figure come out and it was a dark version of Dabi! It was ANOTHER DABI!

Lola: Whoa! Another Dabi!

Nico: This one is going to be hot!

Lola: Yeah!

Himiko: Oh boy.

Lola: Yeah.

Another Dabi: (In a girls voice) Been a long time Himiko.

Himiko: (GASP) That voice!

She reverted back and was a girl with red hair and had a yellow shirt and blue skirt and had fire angel wings.

Himiko: (GASP) Hitoki Mihotori!

Nico: Whoa!

Hitoki: I heard you guys killed All For One.

Me: That's right.

Tsuyu: Its been a long time Hitoki. You're looking great.

Hitoki: Same here.

Me: What does your Quirk do?

Hitoki: I have a Quirk called Phoenix. My Quirk heals me from any injury and my tears heal people too.

Me: That's amazing.

Qin: Wow!

Me: Then you can fly with your wings right?

Hitoki: I don't know. I never tried it.

Me: Well we can easily teach you.

Zack Taylor: Even if it's an Another version of Dabi, I feel slight hesitation on fighting him since he had a rough childhood. But… I know I shouldn't hold back. So… It's Morphin time!

THUNDERCLAP!

Zack: MASTODON!

He transformed and was ready!

Lincoln: Lets separate you first.

Lincoln fired a beam of light and separated her and Me and Zack fired energy blasts and Another Dabi exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

I caught the Wonder Ride Book and it was called The Phoenix Hero and the Tragic Blue Fire Prince.

Me: Fitting.

Nico: Yep.

Me: Now for Another M.O.E. Himiko.

Nico: Oh boy.

Lola: Yikes.

Xenia: This is gonna be rough.

Vida Rocca came.

Vida Rocca: Hey, guys!

Me: Glad you could make it Vida.

Qin: Yep.

Me: Another M.O.E. Himiko next.

Qin: Yep.

We saw a figure and it was ANOTHER M.O.E. HIMIKO TOGA!

Vida: There you are!

Himiko: Whoa! It's like I'm looking at myself in the mirror!

Xenia: It sure does.

Another M.O.E. Himiko: Its been a long time Himiko my sister.

Himiko: (GASP) That voice!

She reverted back and it was a girl that looked like a little version of Himiko! Except her hair was let down and she had blue eyes and had a blue shirt and shorts.

Himiko: (GASP) Sakiko!

She went and hugged her little sister for the first time in 6 years!

Sakiko: Himiko I missed you!

Himiko: Oh sis I missed you too!

Nico: Her little sister. Wow.

Sakiko: I am so glad you're here sis! But what happened to you?

Himiko: It's a really crazy story sis.

Nicole: Her old quirk that she had was to blame for it.

Nicole went over to her.

Nicole: When we first met Himiko we found out a lot of crazy things. Her Quirk, Transform was a dangerously unstable one.

Fiona Hernandez: It was slowly destroying her and she needed blood in order to survive. If she didn't get it she would have died in a few hours. So me and my sisters cured her and gave her a new quirk called Elementia.

Marie Hernandez: It's true.

Nicole: We told your mom and dad about how her quirk was destroying her and how they didn't give her the proper medical treatment for it. So we saved her and she is on the Redemption Squad.

Sakiko: That is amazing!

Himiko: I reconciled with mom and dad and we invite them over on the holidays.

Sakiko: That's great sis! Whenever I would ask mom and dad about you they would just say I have no daughter Himiko but now I'm glad you're back.

Nico: We are too.

Me: What is your quirk if I might ask Sakiko?

Sakiko: I have this.

She touched the ground and then crystals grew in seconds!

Qin: WHOA!

Lola: Wow! Crystal Manipulation.

Sakiko: Yep. It's called Crystal.

Nico: That is cool.

Himiko: We have to free you from this dark version of me now.

Sakiko: Okay.

Himiko jumped back.

Vida: Magical Source, Mystic Force!

GALWIT MYSTO RANGER!

She turned into MYSTIC PINK!

Vida: EVERCHANGING AS THE WIND! PINK MYSTIC RANGER!

Qin: Yeah!

Lincoln fired a beam of light and it separated Another M.O.E. Himiko from her!

Sakiko jumped back to us.

Fiona Hernandez and Vida fired a massive blast of fire and wind and incinerated her and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded!

I caught the Wonder Ride Book and it was called The Crystal Hero and the Insane Bloodsucking Leach.

Me: Fitting.

Vida: Checkmate!

Fiona Hernandez: That was awesome!

Nico: Blossomforth, you're up next.

Blossomforth: This will be fun and cool.

Qin: It sure will.

Hitoki: I heard rumors spreading like wildfire that you guys killed All for One. Is that true?

Me: Yep it all sure is.

Xenia: We killed him,

Nico: Yep.

Hitoki: Wow! That is amazing!

Sakiko: It sure is!I

Blossomforth: I see Another Wing Man!

We saw a figure in the sky and it was ANOTHER EVIL WING MAN!

Me: Whoa!

It landed in front of us.

Me: WHOA!

Eli: Another Wing Man.

Qin: This one is going to be awesome.

Blossomforth: I see Another Wing Man!

Another Wing Man: I believe that J.D. knows me.

She reverted back and was a girl with orange hair and had blue clothes and angel wings that were black but had 4 rings around them. They were swirling with the elemental forces of Fire, Water, Earth and Wind.

Me: (GASP) Elaine Elementa!

Nico: WHOA! Your wings have the 4 elements in them. But how?

Elaine Elementa: That's thanks to the people of Element City.

Me: Element City!? That is where we're going in a few weeks.

Eli: The new Disney movie Elemental.

Elaine Elementa: Wow! You guys are going to love it. As to how this happened, I was hurt and landed there and the 4 elements gave me incredible power by imbuing me with the powers of all 4 elements and in doing so it gave me these wings and the powers of the elements.

Lola: That is amazing!

Xenia: Wow!

Blossomforth: Is Another Xiao Fung hostile or friendly?

Me: Oh right the mandatory question.

Elaine Elementa: Friendly and she has a bit of a gas problem. You'll see why soon.

Nico: Oh boy.

Eli: This will be good.

Blossomforth: Let's do this!

Lincoln: After this.

Lincoln fired a blast of light and separated him from her.

Elaine Elementa: Whoa! Now it's fun!

Elaine and Blossomforth blasted him with fire blasts and they hit him and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

I caught the Wonder Ride Book and it was called The Elemental Angel and the Wing Robots.

Me: Nice

Ulrich: I see Another Xiao Fung.

Me: Oh boy.

We saw it come out and it was a dark version of him. It was ANOTHER XIAO FUNG!

Xiao Fung: Whoa! Like looking at myself in the mirror.

Qin: Yeah.

Lola: This will be a windy one.

Ulrich: Who are you?

Another Xiao Fung: (In a girls voice) I believe that J.D. knows me.

She reverted back and was a girl with purple hair and purple eyes and had purple Chinese clothes and she had the kanji for Wind in the middle of her forehead.

Me: (GASP) Chun-Li Xiao Fung!

Chun-Li Xiao Fung: Awesome to see you again J.D.

But then…

SUPER LONG LOUD BELCH!

She fired a massive belch of wind and blew me into the air.

I flew down.

Me: I see what you mean.

Nico: Yeah.

Zocks: (gets out Donbrothers gear) Did Swartz promise you anything?

Kaito: Because we can grant it instead. Zenkaiju gear!

Kaito donned his Zenkaiju armor and Zocks got a Donbrothers Sword.

Chun-Li Xiao Fung: No he was kind of in a hurry.

Sakura Knudson: Your burps would have caused a tremendous amount of damage.

Chun-Li Xiao Fung: Yep.

Me: Wow! That is potent. Sorry we have to fight like this.

Chun-Lu Xiao Fung: No worries.

She turned into Another Xiao Fung.

Sougo: (Gets out Zenkaiger Ridwewatch) This reminds me of when Ratso asked Xiao Fung about whether meant wind as in breaking wind.

Geiz: (Gets out Donbrothers Ridewatch) Ratso told us himself.

Xiao Fung (laughs): I remember that!

Sougo got ZenkaigerArmor while Geiz got DonMomotaroArmor.

Me: That is crazy though.

Lola: Yeah no kidding.

Another Xiao Fung: Yeah it sure is crazy.

We were ready!

Nico: Time to blow you away! (ACTIVATES XIAO FUNG'S RIDEWATCH)

He fired a wave of wind and blew her down!

Nico: Now this too! (ACTIVATES EVIL WING MAN'S RIDEWATCH)

He grew wings and fired waves of energy and smashed her down.

May: Now this! (ACTIVATES YOST SHOCKER'S RIDEWATCH)

She fired waves of lightning and smashed her down!

May: And this! (ACTIVATES PRINCESS OPHIUCHUS RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: YEAH! Now this! (ACTIVATES FATALITY'S RIDEWATCH)

She fired a wave of energy and smashed her down.

Maria: Time for this! (ACTIVATES MYLENE FARROW'S RIDEWATCH)

She fired waves of energy and smashed them!

Me: Oh yeah!

Blossomforth: Now this too! (ACTIVATES EVIL WING MAN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Then Mammoth, Cyclops (Hercules), Miner 49er, Bandit Keith, Universe 666 Sartorius and Gitai came.

Nico: Nice team Mammoth!

Mammoth: Thanks Nico.

Eli: Awesome!

Xiao Fung: I actually do remember that.

Nico: That is awesome and funny.

Qin: Nice.

Then a Vivillon came.

Me: Ooh a Vivillon.

Qin: Wow!

Maria: The next Gene Slammer, I presume?

Vivillon: (In a girls voice) That's right.

Nico: (GASP) Vivian Papillon!? Whoa!

Vivillon: Yep. Awesome to see you again Nico.

Vivian reverted back and she was a girl with rainbow hair and had blue eyes and purple clothes and rainbow butterfly wings.

Vivian Papillon: I got this.

She fired a wave of fire and smashed down Another Xiao Fung and I caught the Ridewatch and purified it and brought Chun-Li over.

Blossomforth: What's your favorite memory of Nico?

Vivian Papillon: When me and Nico were in my family's greenhouse and we were raising beautiful butterflies. Me and my family are butterfly rangers. We do it all.

Nico: Yep.

Me: That is awesome.

Lola: Yeah it sure is.

Nico and Vivian hugged.

Nico: I've really missed you.

Vivian Papillon: Me too Nico. Me too.

I went over to Emily Zhuqiao.

Me: Are you going to be okay Emily?

Emily Zhuqiao: I got nothing left of me now. Just this baby. I don't have anywhere to go now.

Me: You can live with us now. I will help raise this baby and make it a good person and not the person your evil brother would want it to be.

Emily smiled at me and hugged me.

It appears an evil and deranged girl named Layla Manson is running loose, she may seem sweet and demure, but that hides the true Layla Manson: she's a heartless, remorseless, evil, sadistic, deranged monster with an utter disregard for all life and with oceans of innocent blood on her hand and who desires to see the world burn and to see all heroes and villains honorable and dishonorable die along with all life on Earth and the universes beyond, and she wants to kill Team Loud Phoenix Storm, Lincoln in particular. See, for years, Layla Manson terrorized Carthage by causing arsons, property damage, assaulting people, robbing banks, and even worse, killing innocent people, and she also terrorized the school system, this Queen Bee monster bullied and tortured the students and teachers, and not even the cops could even stop her.

Plus, no one was able to stand up to them at all because she's also the daughter of Charles Manson, and she's been on the watch list of The FBI for multiple counts of violent assaults and bank robberies across the country for years, along with multiple counts of rape, murder, drug trafficking, fraud, and money laundering. But, her reign of terror eventually came to an end thanks to Drakus, who stood up to her, and thanks to the additional help from the X-Squad, Layla Manson was expelled for her crimes long ago and sent to prison, and she swore she'd get revenge on Drakus for getting her expelled, and Lincoln is now way too tough to kill. Now, years later, she's broken out of prison, and the bitch wants revenge on Drakus for getting her expelled. But, we aren't going to let her do so, and she crossed the line when she killed innocent people during her rampage throughout Carthage: in other words, she crossed The Moral Event Horizon Line, and has absolute zero remorse for the crimes she committed and for the lives she's taken. So, we're not letting this bitch get away with her bloodsoaked revenge, and after we get her on her last legs, Drakus is going to be given the pleasure of pulling pieces of Layla Manson's flesh off with super red hot pincers, rip out her tongue, gouge out her eyes, and tear out her teeth, before he sends her to The Black Gates for good.

Lincoln: Whoa, we're here in El Paso, Texas, and I know what we're going to do here, not only am I going to rescue the six girls here, but we also got major-league bad news. Drakus, you're not going to like it, but are you familiar with Layla Manson?

Drakus and The X-Squad freaked out upon hearing that name.

X-Squad Cell: What?!

Drakus: That deranged monster bitch has escaped?! I thought I'd never see her again.

Me: Drakus, what can you tell us about her?

Drakus: You're not going to like it, and I got a picture of her.

Drakus took out a picture of her, she's a girl with white hair, blue eyes, white coat, black sweater, black pants, and dark blue knee-high high-heeled boots.

Nico: That's her, she looks like a sweet and demure girl.

Drakus: That's just a cover that hides the true Layla Manson: the true Layla Manson is a heartless, remorseless, evil, sadistic, deranged monster with an utter disregard for all life and with oceans of innocent blood on her hand and who desires to see the world burn and to see all heroes and villains honorable and dishonorable die along with all life on Earth and the universes beyond, and she wants to kill Team Loud Phoenix Storm, Lincoln in particular. Nico: We aren't going to let her do so.

Drakus: And she'd crossed the line when she killed innocent people during her rampage throughout Carthage: in other words, she crossed The Moral Event Horizon Line, and has absolute zero remorse for the crimes she committed and for the lives she's taken.

Lincoln: So, we're not letting this bitch get away with her bloodsoaked revenge, and after we get her on her last legs, Drakus, you're going to be given the pleasure of pulling pieces of Layla Manson's flesh off with super red hot pincers, rip out her tongue, gouge out her eyes, and tear out her teeth, before sending her to The Black Gates for good, and I want to thank your team for joining us, Ezra.

Ezra Scarlett: You're welcome, Lincoln.

Suddenly, we saw Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster appear before us, and with them are the six girls.

Nico: Whoa, Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster, I can guess it's six girls.

Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster: (Girl's voice) Nope, it's only one, but I also got the six girls away from that bloodthirsty monster.

Lincoln: (Gasps) That voice, Roxanne Lucius, I knew it was you.

?: (ENRAGED BANSHEE SHRIEK) DRAKUS! I WILL FUCKING KILL YOU FOR RUINING MY LIFE!

We then saw our target, Layla Manson, and boy, was she absolutely pissed off.

Drakus: The only one who's going to die here is you, bitch!

Sylvester: Okay, buster, you asked for it.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Drakus proceeded to chain her to a cross, and then, he began pulling pieces of Layla Manson's flesh off with super red hot pincers, ripped out her tongue, gouged out her eyes, and he even tore out her teeth, and we were really horrified and stunned by what Drakus had done to her!

Nico: Damn, oh, now that was just brutal! Drakus, I know you're brutal, but this is way too brutal even for us.

Sebastian Mendez: This is like a scene from The Dark Ages in Medieval Europe. Lincoln, please send her to The Black Gates before any of us start hurling!

Lincoln: (Shudders) Gladly.

After Drakus was done, he fired a blast of black fire at her and he sent Layla Manson to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Layla Manson, the daughter of Charles Manson, was gone forever.

Lincoln: Well, that was just disgusting, but in either case, we're rid of Layla Manson for good. (To Roxanne Lucius) And it's so good to see you again, Layla Manson.

Roxanne Lucius reverted back to normal, and she's a very beautiful and super sexy girl with long white hair, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess, and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a sleeveless golden yellow top, golden yellow skirt, necklace with blue gem for the pendant, white bridal gloves, golden yellow knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with light, suns, aliens, and angels on the coattails and on the back is Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster, and holstered on her back is a massive Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster-themed greatsword with embedded golden yellow gems and Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster etched on the 7'0" massive, wide, double-edged white blade, large golden yellow dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with golden yellow gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large golden yellow gem on the bottom of the large white angel heads for the pommel.

Roxanne Lucius: You too, Linky, it's been such a long time.

Lincoln went up to Roxanne Lucius and he hugged her, and Roxanne Lucius is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Roxanne Lucius: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Roxanne Lucius, Gene-Slammer of Alien Ammonite, Alien Dog, Alien Grey, Alien Kid, Alien Shocktrooper M-Frame, and Alien Stealthbuster, she's my Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic light powers, and immortality, and here's the really really surprising part: Roxanne Lucius' known as a Lumasapien, an alien from the planet Lucius, a planet of eternal light in the Virgo Supercluster.

Then, Shanan appeared.

Shanan: Yep, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have white hair, golden yellow eyes, and white angel wings. Their true form is really beautiful, they have gold yellow sclera and they have yellow sun tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a yellow sun-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, Hydrosapiens, Umbrasapiens, and Aerosapiens, they also have quite an extremely powerful sexual drive, and just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, and Aerosapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Roxanne, the one who fit that role was Lincoln.

Luna: And she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, he knew she's going to want to take it much further, but he's ready.

Shanan: Plus, she hates perverts with the same vengeance as you, Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of light at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll incinerate them and scatter their ashes to the wind, and if she dares to find out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred and incinerated and their ashes scattered to the winds, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Nicole: Yeesh.

Roxanne Lucius: And I know Lincoln's going to mark me just like he did with Adreana, but before he does, let me show you all my true form.

Suddenly, Roxanne Lucius transformed into her true form as the sclera of her eyes turned golden yellow and she has yellow sun tattoos covering her hands and forearms and feet, and her clothes morphed into a golden yellow sun-themed two-piece bikini, which is her real outfit.

Fabia: So, that's her true form, wow.

May: She looks even more beautiful in her true form.

Suddenly, Roxanne Lucius went up to Lincoln, and her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which brought an atomic red blush to Lincoln's face, and he suddenly wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Suddenly, Roxanne gave Lincoln a passionate kiss on the lips as she moved her arms and placed her hands on Lincoln's massive pecs, and they suddenly engaged in a French kiss. Suddenly, we saw Lincoln's veins glow golden yellow and when they were done, Lincoln still had a massive red blush on his face and hearts in his eyes.

Shanan: She's marked him, I knew it.

Lincoln: Yep, and now, then, I think it's my turn to mark you, Roxanne.

Suddenly, Lincoln hugged Roxanne Lucius in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Roxanne Lucius: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Roxanne Lucius' neck with golden yellow gems on the gold lightning bolts and golden yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Roxanne Lucius: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Roxanne Lucius.

Roxanne Lucius had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Cathrine, Charlotte, Emma, Mylene, Rosalie, and Sophie from Wind of Ebenbourg.

Lincoln: Oh wow, it's Cathrine, Charlotte, Emma, Mylene, Rosalie, and Sophie from Wind of Ebenbourg.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Cathrine: Yes, we're okay, thanks to you.

Cathrine: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Cathrine: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cathrine, Charlotte, Emma, Mylene, Rosalie, and Sophie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Layla Manson, an old enemy of Drakus and daughter of infamous cult leader, Charles Manson, who broke out to get revenge on Drakus for sending her to prison after he ended her reign of terror years ago.

But, when Lincoln showed what happened such as all of us giving that monster the beatdown of her miserable life and finally Drakus pulling pieces of Layla Manson's flesh off with super red hot pincers, ripping out her tongue, gouging out her eyes, and tearing out her teeth and then we sent her soul to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Roxanne Lucius have a lot of catching up to do, now that she's back in town.

Maria: Oh damn, now that was just absolutely bloody and brutal! And we had no idea that bitch is also the daughter of that monster, Charles Manson.

Lincoln: We were stunned ourselves, but either way, she deserved to die for her crimes, and she was indeed just like Brianna Greyson and her herd.

Me: Yep, she was an insane monster.

Nico: Big time, and I had no idea Drakus had to deal with someone like Layla Manson, but he like Lincoln with Brianna Greyson and her bitch herd, Drakus stood up to Layla Manson and got her sent to prison after he got her expelled.

Drakus: Only for her to break out years later for revenge, but that really felt good to deal that kind of torture and payback on that bitch by pulling out her flesh, ripping out her tongue, gouging out her eyes, and ripping out her teeth.

Then, Sebastian Mendez bonked him on the head.

Sebastian Mendez: You're sick, Drakus.

After getting rid of Layla Manson and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Roxanne Lucius saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Roxanne Lucius: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Roxanne, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Roxanne Lucius: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Roxanne Lucius: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Roxanne, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Roxanne Lucius: Ooh, I do have one, and it's from when Lincoln and I were doing some homework in The Loud House, which we know is a notorious homework prevention zone.

Roxanne Lucius pulled up the clip and pulled up a video and it played on the screen, and it showed Lincoln and Roxanne doing homework in his room.

?: BBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUURRRRRRRRRR

Past Roxanne Lucius: What the heck was that?! (Sniffs) Ugh, and why does it smell like a gym bag?

Lincoln: Ugh, I'd recognize that loud belch and the smell of a gym bag from anywhere, it's Lynn, and it sounds like she's on the rampage again and she's still out for blood after what the rest of the Guardian Angels and I have done in ruining her attempts to kill me!

Roxanne and Lincoln stood their ground, and they saw Lynn burst in with red eyes of hate and she had a knife in her hand, and she was now out for blood.

Past Lincoln: This again, Lynn! (Eyes turn blood red) You know, I'm getting sick and tired of you and your numerous attempts to kill me in the past, and now, I'm going to do to you what I should've done long ago, and give you the thrashing of your miserable life, you farting, belching smelly gym-bag!

Nico: Uh oh, she's stepped in deep shit now!

Past Roxanne Lucius: No, Linky, I got this.

Lynn let out a loud belch again and came charging at them like a bull with her knife raised in the air, but Roxanne fired two powerful blasts of light which hit Lynn, disarmed her, and she was sent flying out of Lincoln's room. Lynn got up and was about to charge at them again, but Gohan and Krillin came out and they roughed up Lynn and tied her up with nylon rope.

Past Lincoln: Awesome takedown, guys.

Past Gohan: Thanks, Lincoln, and you can also thank Luna for teaching us.

Past Lincoln: I had a feeling Luna was the one behind this.

Past Krillin: Now, let's get Lynn downstairs to face her doom.

Past Gohan: Right. Let's go, Gym Bag.

Then, Gohan and Krillin dragged Lynn downstairs to her doom.

Past Lynn: YOU WILL PAY FOR THIS, STINKOLN! DO YOU HEAR ME, YOU AND YOUR ENTIRE FUCKING HAREM, YOU WILL ALL PAY!

Lincoln sensed Lynn was about to let out a stinky fart and escape, so she can get after Lincoln and Roxanne again.

Past Lincoln: (GASPS) SHE'S GOING TO LET OUT A FART AND KNOCK YOU TWO OUT! HURRY, KNOCK HER OUT WITH A MALLET!

Then, Gohan knocked her out by bonking her head with a mallet, and they continued on.

Past Lincoln: Whew, now that was close!

Past Roxanne Lucius: No one's messing with my man, especially not that hard-headed, stubborn, overly aggressive, belching, farting, smelly jockstrap!

Roxanne Lucius and Lincoln went back to his room to finish their homework, but not before she placed her hand on his chest and they kissed as the video ends.

Nico: Man, Roxanne, you kicked Lynn's ass and Gohan and Krillin tied that wild animal up, that was awesome!

Luna: That belching farting gym bag messed with the light alien chick, and she went down hard.

Me: And we heard the commotion from upstairs and Gohan and Krillin told us of what Lynn tried to do to Lincoln and Roxanne, and when they were done, the rest of the sisters wanted her head on a pike.

Nico: Damn!

Lincoln: But, I cooled everyone down, and Lynn got her just desserts as she got grounded for twelve weeks and I personally threw her in a metal container. Lynn roared and pounded on the door again to get out, but Roxanne flipped her the bird through the window, and that caused Lynn to roar and beat her chest like a gorilla again.

Me: She was really wild and crazy, and someone needed to keep that animal in check before she even tried anything dumb again.

We got a shower, and then, Lincoln, Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko are heading to Orange Ocean.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Ava Parker has sent some thugs to kill them.

Aquarian Alessa: Wow, so this is Orange Ocean, it truly is beautiful!

Lincoln: It sure is, Aquarian Alessa, and it's perfect for our first date. Shall we?

Lincoln, Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw the hired thugs of Ava Parker coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos

Goddess, and Divine Grace - Northwemko, and they hugged the girls in their abnormally massive and powerful muscular arms, and Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko are now in your harem.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Aquarian Alessa, Cataclysmic Circumpolar Chilblainia, Chaos Goddess, and Divine Grace - Northwemko, now he's really going to get it.

Lincoln: And we also had a run-in with Ava Parker's hired thugs, but I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Ava Parker scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and we're continuing to drive Brianna Greyson insane with rage, but come the day we get after her, she'll suffer for everything she's done before we end her for good.

---

Later it was time for Princess Amore's 2nd mission.

William: Anyone else want to go with Amore? Besides SkekSil and Cheese?

Sunny Starscout: Me and my friends will go.

Apple Bloom: And so will me and the crusaders.

Sweetie Belle: It will be good.

Ariel: Me and the Princesses will go too.

Nico: Awesome.

Eli: That is awesome.

Nico: Yep. Lets go.

Brittney: Here we go.

We were off to Ever After High.

We arrived.

Me: Here we are guys.

Ariel: Wow! So this is Ever After High.

Eli: Yep. It's awesome.

Snow White: It's amazing and cool.

Cinderella: It sure is.

Amore: Girls, meet my archenemy.

SkekSil: SkekSil the Chamberlain of the Skeksis.

They introduced themselves.

Apple White: Wow! It's awesome to meet you all.

Snow White: And it's awesome to meet my daughter here.

Apple White: Same here mom. (Laughs) Not used to seeing another version of my mom.

Snow White: No worries.

Apple Bloom: But it's awesome to meet you all too.

Amore: And this is Cheese.

Cheese: Yes-a.

Me: He is an imaginary friend and he has a brain the size of an amoeba. He is a total idiot.

Eli: But he is really funny.

Cheese: I like chocolate milk.

Apple White: Here's some chocolate milk.

Nico: That's not a good idea.

Cheese drank the milk and immediate spat it out at Apple White.

Cheese: No! Chocolate milk!

Apple White: That's what I gave you.

Me: He talks differently.

I gave him a box of apple juice.

Cheese: I like chocolate milk!

He sucked it all.

Me: He's lactose intolerant. Apple juice is what he likes.

Eli: Yep.

Apple Bloom: Yeah.

Apple White: Guys, meet my REAL mom.

We saw the Ever After High Snow White!

---

Snow White is a character in Ever After High, and Apple White's mom, appearing in the movie Dragon Games. She was voiced by Cindy Robinson

Snow White goes to work and checks on her daughter's statistics but realizes that her popularity has gone down. She calls Apple as soon as she gets to her office. She notices how triggered Apple is acting regarding her social status, so she assures Apple that she will do something about it. She tries to pressure Apple into making

Raven evil.

After recognizing Mira Shards as the evil queen when she saw her on Blondie's MirrorCast show announcing the return of dragons to Ever After High, Snow White visits the school for an assembly, proclaiming to reinstate the Dragon Games. She has already renovated the land into a new Dragon Games arena, to everyone's amazement. However, she claims that it was all Apple's idea in order to boost her popularity. Apple objects to lying, but Snow White encourages Apple to do what is necessary to get her happily ever after back on track.

Mira is one to protest about buying popularity, to which Snow counters that she's heard Mira is a great dragon rider. Snow immediately recognizes Mira due to her striking resemblance to a certain evil villain. Mira turns back into her true form and receives a temporary pardon from Snow White to play the dragon games. Luckily, Snow White has backup: she possesses the Booking Glass mirror which she tries using to capture the Evil Queen after the Evil Queen cast a spell on Nevermore, causing the dragon to spew uncontrollable fire, but her booking glass is mysteriously not working.

The Evil Queen reveals that she has switched the mirrors, unbeknownst to her that Daring Charming now possesses the booking glass, and she smashes the mirror she believes to be the real one. When the Evil Queen takes over the school, she keeps Snow White in a cell and turns her into a snake. When Raven frees Snow by shattering the booking glass, she returns back to normal. Snow White shares a reunion hug with Apple.

Snow White (EAH): Team Loud Phoenix Storm it's an honor and Brittney its been a long time.

Brittney: Same to you Snow White.

Sunny Starscout: It's awesome to meet the Snow White here.

Snow White: It sure is.

Snow White (EAH): It's an honor to meet another version of me.

Snow White: Same here.

Me: It's like looking at yourself in the mirror.

Eli: It sure is.

Apple Bloom: It sure is amazing though.

Scootaloo: It sure is.

Apple White: My mom used to be a villain. Did you know that?

Me: No we didn't.

Nico: How exactly did she used to be a villain?

Snow White (EAH): I was a narcissistic girl and I wanted Apple to make Raven Evil. But I realized what a fool I was.

Nico: Oh. that's good.

Amore: What's important is that you learned from your mistakes.

Snow White (EAH): That's true.

Nico: Yeah.

Eli: That's for sure.

Nico: But you'll be happy to know that our version of Evil Queen has been dealt with

Me: Yep. Queen Grimhilde was killed by us.

Eli: That's right.

Applejack: We took care of her permanently.

Eli: We sure did.

Amore: Has there been any trouble since last visit?

Raven Queen: Kitty Cheshire's mother the Cheshire Cat is causing problems.

Brittney: Oh yeah she is a tricky one. She is cunning and crafty.

Eli: What can you tell us about her?

Brittney: Well you know she is the Cheshire Cat.

She revealed everything.

---

The Cheshire Cat finds Alistair and Bunny wandering under Wonderland. She uses this opportunity to trick them into a repeating route and switches the Storybook of Legends with a riddle book to teach Kitty a lesson. At the Spring Fairest, she finds her daughter pulling boring, preschool pranks on other people. She shows disappointment in Kitty and advises her to go big. She is flattered when Kitty aspires to make her proud one day. After the Cheshire Cat's switching plan works, she fades out. She watches with her daughter pleasantly as her plan falls into action. She answers to Kitty's call and would only give out information if Kitty beats her in a game. After being beaten, she's glad that her daughter's thinking like a Cheshire. Before leaving, the Cheshire Cat tells the Wonderlandians how to break the curse.

---

When she was done we were shocked.

Me: She's going to be a tricky one.

Nico: The Cheshire Cat we know doesn't really take sides.

Fluttershy: No in fact the Cheshire Cat is adorable too.

Eli: That is for sure.

Me: But it is awesome how he appears like that as a smile that is like the moon.

Nico: But somehow, I don't think this version will be the same

Me: Nope. But she will be just as tricky.

Nico: Yep.

Eli: We got to figure out a way to get her to hold still if we want a clear shot at her.

Pipp Petals: Yeah I agree there.

Misty Brightdawn: It won't be easy.

Nico: First, we need to lure her out in the open.

Me: Anyone have any ideas?

Eli: Yeah.

Raven Queen: Hmm. Lets see.

We got to thinking.

Amore: I got it! We'll use the song that brought out the Cheshire Cat in Alice in Wonderland.

Alice: Why that's a good idea.

Eli: It sure is.

Me: Go for it.

Amore: (Singing Divinely)

Twas Brillig

And the slithy toves

Did gyre and gimble in the wabe

All mimsy were the borogoves

And the mome raths outgrabe

Parts of the Wonderland forest lit up with rainbow lights.

Nico: Whoa.

Me: There!

We saw a crescent smile and it was CHESHIRE CAT!

We saw her appear.

Cheshire Cat: That was great singing there.

Nico: Thanks. And you know that we lured you here, right?

Cheshire Cat: I take it you want me to stop making trouble am I right Nicolas?

Nico: That's right.

Brittney: Been a while Cheshire.

Cheshire Cat: It has been a long time Brittney. You have grown into a great woman of darkness.

Brittney: Darkness is what I can do.

Cheshire Cat: At least I'll be able to take out at least some of you!

SkekSil: Mmhmmmmm! You're more then welcome to try! (charges at her)

He fired waves of darkness and smashed her down.

Sunny Starscout: Taste this.

She fired magic blasts and blasted her down.

Me: Oh yeah!

Nico: (gets out Xiao Fung and Xaldin's Ridewatches) Time to blow you away!

He activated them and fired waves of wind and smashed her into a tree.

Me: YEAH!

Cheshire Cat vanished.

Nico: Nice try!

Nico activated Cheese Monster's ridewatch and fired waves of cheese and then drenched her and exposed her.

Me: Say Cheese!

Eli: Nice try kitty cat.

Nico then licked some of the cheese.

Nico: Cheesy.

Me: You want chili dogs to go with that?

I fired waves of chili dogs and drenched her all over with them.

Raven Queen: Ahh I love the smell of Chili Dogs in the morning.

Me: So does Sonic.

Sunny Starscout: You got that right.

Cheshire Cat: Gross!

Me: If you don't like chili dogs, how about Salmon!

I fired waves of salmon and fish and drenched her.

Misty Brightdawn: There's something Fishy about you!

We laughed!

Izzy Moonbow: (LAUGHS) That was a good one Misty!

Nico: (gets out Cheshire's Ridewatch) Time for a taste of your own medicine!

Nico got claws and slashed her all over.

Me: Hey Cheshire you want to hear the most annoying sound in the world?

Cheshire Cat: What is it?

Me: (STUPID SCREAMING)

IT DROVE HER CRAZY!

EVERYONE LAUGHED HYSTERICALLY!

Pinkie Pie: (LAUGHS) THAT WAS FUNNY!

Nico: (gets out Echo Echo's Ridewatch) And now here's the world's loudest sound!

Nico activated it and fired a REALLY LOUD SONIC SCREAM!

Me: HOLY SHIT THAT IS LOUD!

Rarity: It sure is darlings!

Me: NICO! YOUR SCREAMING IS TOO LOUD! YOU'RE DISRUPTING (Nico Stops screaming) THE FABRIC OF SUBURBAN LIVING! (Realizes he stopped) (SMACK!)

I closed my mouth.

Me: (Nervous chuckle) Sorry.

Nico: (gets out Yenaldoshi's Ridewatch) Don't confuse this for Blitzwolfer's Ridewatch.

Nico activated it and fired sonic howl blasts and they smashed her down.

Then we saw a Pyroar appear.

Me: Cool a Pyroar!

Cinderella: Awesome!

Belle: That is a neat one.

Apple White: Who are you?

Pyroar: (In a girls voice) I believe Nico knows who I am.

Nico: Leona Felonius!? Whoa!

Me: You know her?

Nico: Yep. And believe it or not she is a girl that I found in Africa that was literally raised by lions.

Eli: WHOA! Simba is going to be shocked to see this.

Pyroar fired waves of fire and smashed Cheshire Cat down.

Nico: Feline vs feline!

Me: YEAH! Boy I heard of being raised by wolves or gorillas but NEVER Lions.

Nico: That is awesome huh.

Me: Yep.

Misty Brightdawn: That is amazing isn't it.

Fluttershy: I think it's cool.

Twilight Sparkle and Eli fired waves of magic and smashed Cheshire down.

Amore: Lets finish this.

Amore fired waves of energy and blasted her all over and we knocked her down and tied her up.

Me: There.

Leona reverted back and she was a girl with red hair and had red eyes and red and orange clothes.

Nico: That was awesome.

Leona Felonius roared like a lion!

Eli: (ROARS)

Me: YEAH! Boy Simba and Nala and friends are not going to believe this.

Apple White: What's your favorite memory of Nico?

Leona Felonius: When Nico found me and helped me learn how to be human.

Nico: It was not an easy process but I did everything I could and taught her so much.

Me: How in the world did you wind up in the Serengeti like that?

Leona Felonius: I was an orphan baby that was in a plane crash and Lions found me and raised me as one of their own. They became my family.

Me: That is amazing.

Nico: Yeah.

Nico and Leona hugged.

Nico: I've missed you.

Leona nuzzled his chest and purred like a cat.

Leona Felonius: Me too Nico.

---

We later came back.

May: Hey guys. How did it go?

Me: Number 2 done.

I told everyone everything.

Lola: Wow! That is awesome!

Simba: Boy it sure was and Leona it's so awesome to have you with us.

Nala: We are honored to have you with us.

Leona Felonius: Same here Simba and Nala.

May: Next time, Leonardo and Aurico should go with you guys.

Me: Good idea May.

Amore: I agree there.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Ava Parker of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Ava Parker of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Alana Cameron and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Rachel: While you and I deal with Ava Parker and put an end to her for good, Lincoln.

Lincoln: Right, Rachel. But, we also got to watch it though, Ava Parker will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, I've got a feeling that today's mission is going to be quite a crazy one.

Lincoln: We've dealt with crazier missions before, but we better be ready for what awaits us, and once we get done with this crazy mission, you're next, Ava Parker.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past, and you just stepped in deep shit now, Brianna Greyson, you're going to lose more than just your mind when you and the rest of your bitch pack show up.

Rachel: No way are we forgiving you for any of your actions, Ava Parker, you better be ready to pay the price for your foul misdeeds after we take down those queen bee bitches.

Lincoln put up a rainbow energy field around The World Tree Estate and we head off for our next mission, and after we got through with this crazy mission, it would soon be the turn of Ava Parker of The Legion of The Lincoln Haters to meet her fate with The Grim Reaper and The Black Gates.

---

A young boy clings to an electrical tower, too afraid to climb down. Suddenly, what appeared to be Nico flew towards him.

"Nico": It's okay. Jump down. I'll catch you!

Young boy: What? I'll fall!

"Nico": I'll catch you!

He fell and "Nico" caught him.

"Nico": All right. Who wants to explain what you were doing up there?

Boy 1: They dared me.

Boy 2: We didn't think you'd do it.

"Nico": I know it's tough to turn down a dare but sometimes being brave means using your head not doing something dangerous because others pressure you.

Boy 1: You're right, Nico. I'll be smarter next time.

"Nico": Good.

Boy 1: Thank you.

Nico, me and Jorgen were looking for the next Gene Slammer.

Nico: I actually didn't expect you to show Drew that alternate future, Jorgen.

Me: Boy me neither Jorgen.

Jorgen: (Arnold Schwarzenegger Accent) Nico, I know Drew has been arrogant in the past. But he's not like Paul. So he still had a chance to turn his life around. I was just the one to make sure that happened.

Me: That's true and I'm glad you helped him out like that.

Jorgen: I'm glad I did too.

The others caught up to "Nico" after he just knocked out a bank robber.

Kerry Meel: (kisses "Nico" on the cheek) Nice job, Nico!

"Nico" (calmly keeps her off) Sorry. But I'm a married man.

Kerry looked hurt at this. And so did the rest of his harem.

May: Nico, what are you talking about? Kerry's a part of your harem, remember?

"Nico": (chuckles) Don't be silly, babe. As far as I'm concerned, you're the only girl for me.

Saffron Masala: (Hindu Accent) But do you remember the rest of us?

"Nico": Of course I do, Saffron. Why wouldn't I?

May then got an idea.

May: Nico, how about you and I go on a date later?

"Nico": Sure. Anywhere you want to go?

May: Lynn's Table sound good?

"Nico": It sure is.

Eli: (In his head) Something is very fishy. I sense that this is not the Nico we know. I better relay this to bro.

Eli sent a telepathic message to me.

Nico: Okay. The next Gene Slammer must be here somewhere.

Me: Lets keep looking.

Eli: (Telepathically to me) Bro we got something screwy going on. We have someone here that looks like Nico and is just as strong and is saving people all over. He then said that he is only into May and he dissed his harem.

Me: (Telepathically to Eli) What!? How can that be!? Nico is right here with me and we're looking for the next gene-slammer. He can't be in two places at once. I think we may have an imposter with you guys. Keep him occupied and we'll be right over in a few minutes. Don't let him know we're on to him.

Eli: Roger bro.

?: Hey over here.

We saw a Blue Florges.

Me: Cool a Florges.

Nico: Ooh pretty.

Florges: (In a girls voice) I sure am.

Nico: (GASP) Columbine Rosevelt! Wow!

She reverted back and was a girl with blue hair and had a columbine flower tattoo in the middle of her forehead and she had blue clothes and a columbine flower on her skirt and had blue angel wings.

Columbine Rosevelt: Awesome to see you again Nico.

Nico: Same here.

Me: I like your name. Columbine is the state flower of Colorado and that's where I'm from.

Columbine Rosevelt: Cool!

Nico: (sees another me flying overhead) Um… you guys are seeing this, right?

Me: I sure am.

Columbine Rosevelt: I actually saw him just a few minutes ago and I sensed that it wasn't you Nico.

Me: Eli relayed a telepathic message to me telling me about that guy that looks like you.

Columbine Rosevelt: Good. I'm glad he did.

Nico: Yeah.

Velvet Sky: (to Nico's harem) Girls, calm down. There's probably a reasonable explanation!

Luan: Of course there is! The whole leadership position finally went to Nico's head! I knew it was gonna happen!

Lincoln: Whoa whoa whoa whoa Luan don't jump to conclusions like that.

Eli: That's because that guy was not our Nico!

Luan: He wasn't!?

May: Who was that then?

Eli: I sensed something unusual about him. Our Nico would never treat his harem like that. Nico has been with J.D. the entire time looking for the next gene-slammer so that guy we saw that looks like him was an imposter.

Varie: Are you sure Eli!?

Eli: The Force told me he was.

Me and Nico came back.

Me: Hey guys.

Eddy pointed his blaster at Nico

Nico: Easy, guys. It's me!

Skywarp: (points blaster at Nico) Oh yeah? Prove it!

Eli: Stand down guys that is the Nico we know.

Me: It's okay guys this is the Nico we know. I was with him the entire time to back him up.

Skywarp: Wait he is the Nico we know then who was it we talked to just a few minutes ago?

Columbine Rosevelt: I honestly don't know.

Qin: Columbine!

Columbine: Qin!

They hugged.

Columbine Rosevelt: It's awesome to see you.

Qin: Same here.

Skydive: What's your favorite memory of Nico?

Columbine Rosevelt: Where me and Nico made awesome flowers for my family's flowers shop and we sold Columbines to a man from Colorado.

Ino: You have a flower shop too? That is awesome.

Columbine Rosevelt: Yep. It's a good one.

Qin: I remember seeing it. It's cool.

Me: Nice.

Nico and Columbine hugged.

Nico: I've really missed you.

Columbine Rosevelt: Same here Nico.

Laney: I'm guessing Pangoro and Gogoat next right?

Nico: Yep.

Luna Loud: (to Maria Mysterio) You're gonna have to cast your spell again, dude. I think the stress of the missions is getting to us again.

Nico: No. Maria Mysterio's plan is working perfectly. Because me, J.D., and Jorgen saw the imposter flying past us.

Luna Loud: Oh, good. We're not going crazy.

Agitos: Perhaps it's a Shadow Clone gone rogue.

Naruto: No I had a dream about that and it was nuts.

Me: I remember that dream bro. That is crazy.

Qin: Yeah.

Me: What did this clone look like?

May: Well he looked like Nico except he had a big chin.

The previous group came.

Koragg: Can me, Weather Wizard, Sportsmaster, Springfield Bullies, Motor Ed, Whirlwind, Living Laser, Bonz, KGBeast, and See More go with you guys?

Dolph: And what's this about a Nico clone?

Me: There's some kind of Nico copycat out there.

Qin: We saw him.

Me: And me and Nico saw him flying over us.

Lola: Weird.

Nico: Anyway to answer your question yes you all can come with.

Sportsmaster: Great.

Nico: Okay. I don't know who this other me is. But I'm gonna find out! (flies off)

Me: Not without us you don't!

We flew off with him.

Miranda (W.I.T.C.H): Seriously? What happened to never fighting alone?

Kearney: Well, how would you feel if there was a copycat of you?

We were off to find this Nico copycat.

The clone of Nico was flying when suddenly, he saw patches of white skin on his hands. And that's when Nico tapped him on the shoulder.

Nico: Excuse me. I know you're a busy guy. But I'm just dying to get your autograph.

Nico clone: Okay. Who the fuck are you? What's the game?

Nico: There's no point keeping up the act with me. The question is: Who the fuck are YOU?

Nico clone: Let me guess. This is a distraction. To keep me busy.

Nico: Well, if you say so. But I should warn you. Your makeup's starting to rub off.

The Nico clone gasped as he saw that the white skin was spreading even to his face.

Nico: This- This is a trick. How the fuck are you doing this? ANSWER ME!

He then punched Nico into a building.

I caught him and me and the entire team gasped!

Me: WHAT IN THE 9 FUCKING LEVELS OF HELL!

May: I don't believe it! There is a copycat!

Camie: What is that guy!?

Me: Okay you imposter who are you!?

Eli: YEAH! And why do you look like Nico!?

Sportsmaster threw an exploding hockey puck at the Nico clone. It exploded and knocked him down.

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMMM!

Sportsmaster: Whoever you are, you don't look so good.

But that's when the Nico clone got up. Only now, he had entirely white skin and his clothes looked darker.

Me: WHOA!

Nico Clone: LEAVE ME ALONE! (punches Sportsmaster and flies off)

Nico: Guys, we need to head back to the estate and process what the Hell we just saw.

Me: I agree. I'm starting to get a headache.

Nico: Me too.

We went back home.

---

The Nico clone flew to a laboratory and went inside.

Nico Clone: I… have… problem.

Will Harangue stepped out of the shadows.

Will Harangue: My friend, I would call that an understatement.

Nico: Can you fix me?

Will Harangue: I can. Soon my plan to destroy Ben will come.

Nico Clone: But he looked like me. I no understand.

Will Harangue: It's all right. Calm down.

Nico Clone: How? How could he? I'm Nico Chan. Me. (holds head in pain) Me!

Will Harangue: What's happening to him? Why isn't he following my orders?

Dr. Chadwick: I warned you. The Saiyan DNA was unlike anything we'd cloned before. It must be breaking down. I say we abort Activate the auto-destruct. Get rid of them all while we can.

Will Harangue: We're not scrapping the project for one glitch. Take this opportunity to learn, doctor Study him for the sake of the others. Only use the auto destruct if there's no other option (to Nico clone) Come. Let's look you over.

Nico Clone: What going on? Me am Nico Chan

Will Harangue: Yes. Yes, of course you are.

Dr. Chadwick: At least his programmed memories are holding. Although the damage has clearly affected some parts of his brain.

Sir Morton: (chuckles) No kidding.

Will Harangue: Very interesting. Somehow his original affected him. But I can't let that be deterred from my plan.

The Nico clone gasped as he saw his reflection and held his head in pain.

Nico Clone: (confused) What… am… me?

Sir Morton: (smirks) Nicozarro. That's what you am.

Dr. Chadwick: Sir Morton!

Sir Morton: Oh, come on! He's a clone of Nico but he's a Bizarro version of him. It fits!

Nicozarro: Nicozarro? That not my name!

Sir Morton: (laughs) If the shoe fits, pal.

Nicozarro: No. Me am Nico Chan. Me am hero. Me show you! (flies through the roof)

Will Harangue: (to Sir Morton) You know that's coming out of your pay, right?

Sir Morton: Yes sir.

Will Harangue: Oh dear.

* * *

Nicozarro flew around and saw a wrecking ball demolishing a building.

Nicozarro: There! Me save building!

Nicozarro grabbed the wrecking ball and threw it, with the driver falling out to safety. It was heading towards a park.

Galaxy Man: (sees this) Nico! We got incoming!

Nico: What the!

I flew and caught the Wrecking Ball.

Me: Looks like the Imposter is getting stupid. No offense Nico.

Nico: None taken. Lets go see what he is doing.

Motor Ed: (sees a wedding going in) Don't ask me. He just catches them. Seriously!

Me: Lets go!

We went and faced him.

Me: HEY!

Nico: You're putting people's lives at risk!

Nicozarro saw a drawbridge closing with a ship nearby.

Nicozarro: Me fix bridge. That prove me Nico Chan!

Nicozarro went to the drawbridge and held it in place.

Lasher: Oh no. The ship can't stop in time!

Me: I got it!

I flew and stopped the ship and Nico punched his Bizarro clone's face and kicked him into the sky.

Nico: This guy may be me but I bet he can't do this!

He went Super Saiyan 3!

Nicozarro: No! You am no Nico Chan! Me am Nico Chan. You leave me alone! (flies off)

Nico: Oh, so now I'm ruining HIS day?

Bonz: At least the ship is safe.

Nico: But he is not getting away.

Nico teleported in front of Nicozarro!

Nico: You are not going anywhere! Not till I get some answers!

We flew and surrounded him.

Me: That's right bud!

Superman: Wait. This seems familiar.

Maria: It does?

Acid Man: Are you referring to the creation of Bizarro?

Me: Wait Kal are you saying that this is a Bizarro version of Nico!?

Superman: Yeah he is! I recognize his tone. He is a Bizarro version of Nico!

Nicozarro: (sees May) Stay back, May. Me protect you!

See More: Sorry. But he's Nico's girl! One of them anyway.

Nico: No one touches May and my harem but me!

Nico teleported and punched his clone in the stomach and kicked him in his face and smashed him all over.

Nicozarro: Me am Nico Chan.

Giganta: (sighs) I'm sorry. But you're not Nico Chan. You're just a clone of him.

Nico: Yeah and there is room in this universe for only ONE Nico Chan and that's me!

Me: Yeah bub!

Eli: You may be a Bizarro version of Nico but you will never be the original.

Nicozarro: No. Me am Nico Chan. Me!

Nico: Hey, you might not be me. But you can still do good.

Nicozarro: Me AM doing good!

KGBeast: (Russian Accent) You were trying to fix a bridge that didn't need fixing and stopping the demolition of a building. Excuse me for being skeptical.

Me: That building was supposed to be coming down and also that drawbridge was opening for that ship you numbskull!

Ultra Humanite: You may look… different. But you can still be on the side of good like Nico is. After all, you must have a good heart like Nico, right?

Nicozarro: Yes. Me want to be good.

Laney: Good.

Nicozarro: How do me start?

Living Laser: You can start by telling us who created you. Just give us some details and we'll figure it out from there.

Nicozarro: Harangue. Will Harangue.

We gasped!

Me: Wait Will Harangue. Ben wasn't he that news reporter that always was trying to get the people to turn against you and also called you a threat?

Ben: Yeah he was!

Eli: What can you tell us about him?

Ben: Well he has launched a terrible smear campaign against me ever since I revealed who I was to the public and has always tried to view me as a threat to humanity.

He told us about him.

---

Will Harangue is a character in Ben 10: Ultimate Alien who first appeared in the episode "Fame". He is a loud-voiced television newscaster who hosts his own show, Harangue Nation (as his last name implies). Firmly convinced that Ben Tennyson is a threat to humanity, Will has launched a smear campaign against him and constantly tries to denounce him including turning the public against him as such.

Will Harangue debuted in the first episode of Ben 10: Ultimate Alien, stating in his program that Ben Tennyson is a threat and wanted Bellwood's population to turn against him right after Jimmy Jones revealed Ben's secret identity to the world. His declarations on TV put Ben in a bad mood and cause him to be worried about going to school, thinking that his classmates might hate him. However, when he finally goes, his classmates prove to be more grateful than Harangue (especially JT and Cash), much to Ben's surprise.

Will reappeared as the main antagonist in Video Games, where, with the help of Oliver Thompson, he tricks Ben into showing all his aliens' moves for what he think to be a video game, but actually serves to create a spider-like giant robot (referred as "The Stalker") able to counter all of Ben's aliens. He then uses the robot to try to assassinate Ben, even succeeding in defeating him at one point (though he chose to not destroy him immediately because he wanted his public to see Ben's death). The Stalker is eventually destroyed by Nanomech, who had not been scanned because of his size. Way Big then crushed its remains in front of Harangue and "accidentally" dropped it on the anchorman's car. Due to the Stalker's failure, Harangue fired Oliver. To avoid being arrested for attempted murder and vandalism, Harangue later used the footage as more proof of the violence Ben was capable of, angrily referring to the destruction of his vintage car as an act of juvenile delinquency.

Harangue also made an appearance in "Hero Time", working alongside the so-called superhero Captain Nemesis trying to get bad footage of Ben. When Overlord was arrested, he tried to back up Overlord by blaming Ben saying that Overlord did bad things to stop "The Menace of Ben Tennyson".

In "Eye of the Beholder", Harangue makes a cameo appearance on TV. However, his words are clouded by Ben's thoughts.

Will appeared again in "The Big Story" when Jimmy Jones reports that Ben (really Clone Ben) is working for a giant plant monster. Although he acknowledges him for providing photos of Ben as aliens, he does not seem to take him seriously.

Harangue appears on the Burger Shack television briefly seen in "Double or Nothing".

In "The Mother of All Vreedles", Will reported a meteor.

Will Harangue reappeared in "The Frogs Of War: Part 1", when Undertown was exposed to the public because of the residents fleeing Earth due to the incoming Incursean Empire, he uses this discovery to once again make Ben look like a villain.

In "The Frogs Of War: Part 2", after the Incurseans have successfully conquered Earth, with the help of Dr. Psychobos's Way Bads, Will congratulated them on defeating Ben and becoming Earth's new "benevolent" overlords, showing his collaboration with the invaders.

In "Return to Forever, it is revealed that Will's collaboration with the Incursean's had damaged his reputation and his viewership, despite him making a five part special report to explain how he "sabotaged" the invasions.

In order to bolster his reputation and his fanbase, Will secretly worked with Joseph Chadwick and the remnants of the Forever Knights to scan alien DNA to create a device, the Highbreed Pulse Generator, which Harangue thought would turn all the aliens on Earth to humans, but in reality, it would destroy them.

After the Forever Knights remnants were stopped, Jury Rigg used the device to permanently change Harangue's DNA into a tentacled alien as payback for all the media harassment he gave to Ben, which he discovered to his shock when he woke up the next morning.

In The Vengers, Will reported about the Vengers' exploits, making his ratings rise even higher. In reality, however, they also doubled as a city-wide smear campaign against Ben in order to boost the credibility of the Vengers, with himself being an unofficial secret partner. After the people realized that the Vengers became what they had always been, super-villains, he betrayed them immediately in an attempt to keep his ratings as high as they were before. He tried to smear both Ben and Billy's team to cover up the fact that Billy had Harangue edit footage of the Vengers' battle with Tennyson to discredit the latter further, all in a semi-vain effort to save face.

Will Harangue appears in one of the commercials for Cosmic Destruction blaming Evil Way Big's (Albedo's) attack on earth on Ben stating "Ben Tennyson has brought upon us the Apocalypse" and providing screen shots of the damage that directly wreaks upon the environment to further enhance his campaign against Ben which was leaked to him by Captain Nemesis. Shockingly he attempts to use the opportunity to sell his book titled Ben 10: Threat or Menace?

---

When he was done we were shocked!

Qin: WHOA!

Me: Peter does this ring any bells?

Spiderman: Yeah he's in every way like my old boss J. Jonah Jameson except he is 100 times worse.

Nico: He tried to kill Ben!? That is horrible!

Gabriel: Who else is with him?

Nicozarro: Sir Morton and Dr. Chadwick.

Driscoll gasped!

Driscoll: (British Accent) Joseph Chadwick too!? Oh not good!

Me: Isn't he the Forever Knights Architect and the current king?

Driscoll: Yes he is. And Sir Morton is Chadwick's henchman. Like an Igor of sorts.

He told us about them

---

Joseph Chadwick is the chief architect in charge of alien technology for the Forever Knights. He is currently the Forever King.

He is voiced by Tim Curry, who also played It, Hexxus, Ben Ravencroft, Big Bayou, Evil Manta, Maestro Forte, Kilokahn, Drake, Dr. Frank-N-Furter, and Emperor Palpatine.

David Kaye voiced him in "An American Ben-wolf in London", who also voiced Ultron, Megatron, Sesshomaru, Treize Khushrenada, Recoome in Ocean dub Dragon Ball Z, and Professor Ramone De La Porta.

Joseph Chadwick first appeared in the episode "Pet Project", retelling the events of "Be-Knighted" to the Forever Knights. He then shows them an Anterrean Obliterator he had invented in order to travel to the Dragon's homeworld and defeat the entire species.

Unfortunately, its controls are too complicated for humans to handle operating. So instead, Joseph has Sir Morton kidnap Ship in order to use him an Anterrean Obliterator. He also inserts an inhibitor chip that allows him control over Ship turning his green stripes to red. He makes Ship attack Ben's Team when they arrive to rescue him, but Julie manages to appeal to Ship's inner self and frees him from the chip's control.

The ship then betrays and attacks the Forever Knights, causing the entire castle to collapse as he and the team escape. While Sir Morton and his men managed to escape the collapsing building, Joseph Chadwick was caught in the cave-in but was also able to survive.

Joseph Chadwick returns in "Return to Forever" as the new Forever King. He also allied himself with Will Harangue, promising to boost up the reporter's ratings on TV once more in exchange for a hideout in Undertown. There, they began collecting DNA samples of every citizen in Undertown and added it to the Highbreed Pulse Generator, a device the Highbreed used to use to obliterate other species due to their racism (Chadwick lied to Harangue saying the Generator alters DNA and will make the Undertown aliens humans).

After a failed attempt at capturing Jimmy Jones, Chadwick modifies the DNA scanner so that it also scans Omnitrix aliens and revert Ben human. After acquiring most of the Omnitrix DNA, Chadwick has Ben and Rook captured and tied up in their hideout. Jimmy comes to their rescue and, during an essaying battle, knocks Chadwick unconscious with a pipe.

Joseph reappeared in "American Werewolf in London", where he and his men capture Wes Green as well as getting his hands on the last vial of Dr. Jekyll's formula. After drinking the potion, Chadwick grows into a Godzilla-like alien hybrid in order to remove Excalibur from the stone but he fails to do so. He becomes enraged and causes a flooding to occur, prompting the Forever Knights to make a temporary truce with Ben's Team in order to escape the flood. At the end of the episode, the now mutated Joseph Chadwick emerged from the river dragging along the damaged Forever Ninja (who accidentally shot himself with Rook's Proto-Tool due to holding it backward).

Joseph Chadwick was mentioned by Dr. Animo in "Animo Crackers" during the latter's constant bragging over his attempts to take over the world.

Sir Morton

Sir Morton is one of the few remnants of the Forever Knights in Ben 10: Omniverse and the henchman of Joseph Chadwick. He serves as a minor antagonist in season 2 of Ben 10: Alien Force and in season 4 and 5 of Ben 10: Omniverse.

In Alien Force, Sir Morton wears a blue-patterned knight armor with a visor. He face is shown through that visor. In Omniverse, Sir Morton's armor is more grayish and his face is never shown.

Sir Morton first appeared in Pet Project, where he was hired by Joseph Chadwick to capture Ship in order to modify him into an Anterrean Obliterator so that the knights can travel to the Dragon's home world. The objective was proven to be a success and Chadwick adds a mind-control chip that allows him to control Ship. When Ben's Team broke in to rescue Ship, Sir Morton and his men fought them until Julie manages to break the chip's influence and Ship regained control of himself. Ship charged against the Forever Knights instead and aided the team to escape as well as causing the entire building to collapse in the process. However, Sir Morton survived and managed to escape.

Sir Morton reappears in the episode "Return to Forever", having somehow survived the battle against Diagon's Esoterica alongside his former employer Joseph Chadwick, the rebuilt Forever Ninja robot and two unnamed twin knights with masks in which one of them represents sadness and the other represents happiness. Sir Morton was sent by Chadwick to capture Jimmy Jones, but Ben and Rook were able to rescue him beforehand. Despite his failure, Joseph gives Sir Morton a DNA scanner they used to scan most of the aliens in Undertown. Joseph modified it so that it can also scan Ben's Omnitrix aliens and revert Ben back to human every time he transforms. Using the scanner, Morton was able to gather DNA samples of most of Ben's transformations (including Echo Echo, Amphibian, Swampfire and Humoungousaure). Rook eventually destroyed the scanner, but the Forever Knights already had everything they needed and escaped before the Highbreed Pulse Generator activates.

In "Bengeance is Mine", Sir Morton and the Forever Ninja were battling Ben and Rook in Undertown until Water Hazard accidentally engulfed Pakmar's sponges with water and destroyed his store in the process.

Sir Morton appears again in "American Werewolf in London", where he, the twin knights, the Ninja and Joseph Chadwick kidnapped Wes Green and got their hands on the final vial of Dr. Jekyll's serum in order to locate Excalibur. They were seen fighting Ben Rook and Kai in the cemetery when they found out where the team would look. After capturing them as well and finally locating the sword, King Chadwick drinks the serum and grows into a Godzilla-like alien hybrid but finds himself unable to pull off the sword. In a fit of rage, Chadwick starts rampaging out of control and accidentally caused the entire room to flood. It is unknown if Sir Morton survived the cave-in.

---

When he was done we were shocked and horrified!

We gasped!

Nico: WHOA!

Me: So we got a Xenophobic Propagandist and 2 of the Forever Knights who are working for him!?

Nico: That's insane!

Whirlwind: We're throwing Harangue in jail. Sir George, you decide what to do with Chadwick and Sir Morton.

Me: They obviously don't know that you were brought back courtesy of me in the Dream World.

Sir George: That is right and being the first ever Forever Knight they will listen and obey me. So I will have them put in the Redemption Squad and the Masters of Evil.

Nico: Fair enough.

Ratbat: I'll race you guys there! (Flies off)

Me: Ratbat wait!

Ratbat stopped.

Nico: We don't know where he is.

Nicozarro: Me lead you.

Nico: Okay.

We arrived at the abandoned Explosives factory which was located outside of the city..

Jimbo: Is this it?

Nicozarro: Yes.

Me: The Royal Woods Ammunition and Explosives Factory. This place has been abandoned for years.

Nico: Wow. Picked a really bad place for a hideout.

Qin: He sure did.

Nico: Entrance time!

We went at the building.

Will Harangue was looking around.

Will Harangue: I hope our clone is okay.

Then the spirits of the Bizarro's appeared and then they swirled around him and the 2 Forever Knights and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and then we came in.

Nico: The jig is up Harangue!

Me: Will Harangue, you're under arrest for attempted genocide, attempted murder, slander and treason!

Sir George: And Chadwick and Morton cease this madness at once!

Chadwick: (GASP) Sir George!? You're alive!? But we heard you were destroyed by Dagon!

Me: He was brought back thanks to me.

Cybertron Sideways: How the Hell did you even clone Nico?!

Will Harangue: Okay. Might as well tell you. Remember when Oogie Boogie beat Nico up?

May: How can we forget?

Me: Yeah why?

Will Harangue: Well, back then, he actually bled. Dr. Chadwick collected a few drops from the ground and from that humble beginning, we have this.

May: Your own army of Nico Chan clones

Will Harangue: All programmed to answer to me. And to destroy Ben Tennyson. A charming image, except for this- (gestures to Nicozarro)-technical difficulty.

Me: You're a monster Harangue! You're really playing with fire!

Laney: Yeah!

Timon: Boy does this guy need a hobby. What a mook!

Nicozarro: So, me am not Nico Chan after all?

Weather Wizard: Afraid not.

Will Harangue: (to Nicozarro) Sorry, my friend, but you am toast. (to Ben) It's a shame, really. I really was looking forward to seeing him beat you to dust.

Ben: Lot of good that will do!

Qin: You make me sick Harangue! You don't care about anyone!

Lola: Yeah!

Me: What the fuck is your problem Harangue!? What has Ben done to you to warrant so much hate from you!?

Will Harangue: Since it's too late to save the others, we should clean house. Engage the auto-destruct.

Chadwick and Sir Morton looked at each other.

Will Harangue: Didn't you hear me? I said engage the auto destruct!

The two of them then went over to us.

Chadwick: Apologies, Harangue. But with Sir George returned, we are duty bound to serve him once more.

Sir Morton: Even if it does mean ditching old grudges.

Kevin Levin: Hey, don't get smart with me. You still owe me for the damages you caused to my car that one time!

Me: Answer my goddamn question Harangue!

Will Harangue: Because he is a motherfucking monster! He thinks he is a fucking hero but he is nothing but a charlatan! True heroes are thouse like Vilgax and Albedo! They are better than everyone! Ben is a menace to Earth and wants to destroy us!

Me: What kind of fucked up world do you live in!?

Sir George: (to Chadwick and Sir Morton) You two have made the right decision.

Nico: Yes.

Me: Harangue you have no love for anyone but yourself!

Will Harangue: I WAS GIVING THE PEOPLE WHAT THEY WANT!

What he didn't know though was that he was being recorded by Luan with a hidden camera button.

Will Harangue: I TOLD EVERYONE ALL THOSE LIES BECAUSE PEOPLE ARE STUPID GULLIBLE MOTHERFUCKING PIECES OF SHIT ASSWIPES! BEN DID NOT DESERVE ALL THAT FAME AND FORTUNE! I DID! I WANTED TO MAKE HIM SUFFER AND FIND WAYS TO KILL HIM EVEN IF IT MEANT DESTROYING THE ENTIRE HUMAN RACE IN THE PROCESS!

EVERYONE THAT WAS WATCHING GASPED!

Will Harangue: I HATE BEN AND I WANTED TO MAKE HIM AN OUTCAST AND A MONSTER BECAUSE HE DOESN'T DESERVE ANY FORM OF HAPPINESS EVER! HE IS A WORTHLESS PILE OF SHIT AND DESERVES ONLY PAIN AND TORTURE AND DEATH! I HATE HIM!

Ben's aura flared up with incredible force!

HE JUST SEALED HIS FATE!

Nico: You're right about one thing. Albedo HAS become a true hero. And that's more then you'll ever be!

Me: And another thing, you just told the entire world your goals.

Luan showed the camera button she had!

The color on Harangue's face drained! HE KNEW HE WAS BUSTED!

Then Bizarro, Roman, Carly, Devack, Misty Tredwell, Kalin, Greiger, Rex, U-Foes and Kangor came.

Nico: Bizarro, Roman, Carly, Devack, Misty Tredwell, Kalin, Greiger, Rex, U-Foes and Kangor.

Bizarro: It not like deja vu all over again.

Nico: No. No, it is not.

Roman Goodwin: Well, at least he's not a pure evil version of you.

Nico: That's true.

Carly Atlas: I guess his date with May isn't gonna happen.

Me: No it still will and this time Nico is going to treat ALL of his girls to dinner.

Devack: (to Emily Zhuqiao) Are you okay, Emily?

Emily Zhuqiao: I'm starting to be.

Nico: She went through hell.

Misty Tredwell: You need anything, you let us know, okay?

Emily Zhuqiao: I will.

Gaburio Then came.

Me: Gaburio. My what big teeth you have.

Gaburio: Very funny.

Me: Back for another round?

Gaburio: I sure am.

Me: Cool cool.

Gaburio: Hey, can I come on that date of yours?

William: You better not eat all the food!

Gaburio: I promise not to.

Me: Good.

Qin: Yep.

We got the battles underway.

Gabby Eunice: I think it's amazing myself.

Kale: It sure is.

Caulifla: You should have seen what happened.

Gine: And her story is awesome too.

Jimmy Neutron: It was a good one.

---

Nico: Yep. So, Roxanne, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Roxanne Lucius: Ooh, I do have one, and it's from when Lincoln and I were doing some homework in The Loud House, which we know is a notorious homework prevention zone.

Roxanne Lucius pulled up the clip and pulled up a video and it played on the screen, and it showed Lincoln and Roxanne doing homework in his room.

?:
BBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUURRRRRRRRRR

Past Roxanne Lucius: What the heck was that?! (Sniffs) Ugh, and why does it smell like a gym bag?

Lincoln: Ugh, I'd recognize that loud belch and the smell of a gym bag from anywhere, it's Lynn, and it sounds like she's on the rampage again and she's still out for blood after what the rest of the Guardian Angels and I have done in ruining her attempts to kill me!

Roxanne and Lincoln stood their ground, and they saw Lynn burst in with red eyes of hate and she had a knife in her hand, and she was now out for blood.

Past Lincoln: This again, Lynn! (Eyes turn blood red) You know, I'm getting sick and tired of you and your numerous attempts to kill me in the past, and now, I'm going to do to you what I should've done long ago, and give you the thrashing of your miserable life, you farting, belching smelly gym-bag!

Nico: Uh oh, she's stepped in deep shit now!

Past Roxanne Lucius: No, Linky, I got this.

Lynn let out a loud belch again and came charging at them like a bull with her knife raised in the air, but Roxanne fired two powerful blasts of light which hit Lynn, disarmed her, and she was sent flying out of Lincoln's room. Lynn got up and was about to charge at them again, but Gohan and Krillin came out and they roughed up Lynn and tied her up with nylon rope.

Past Lincoln: Awesome takedown, guys.

Past Gohan: Thanks, Lincoln, and you can also thank Luna for teaching us.

Past Lincoln: I had a feeling Luna was the one behind this.

Past Krillin: Now, let's get Lynn downstairs to face her doom.

Past Gohan: Right. Let's go, Gym Bag.

Then, Gohan and Krillin dragged Lynn downstairs to her doom.

Past Lynn: YOU WILL PAY FOR THIS, STINKOLN! DO YOU HEAR ME, YOU AND YOUR ENTIRE FUCKING HAREM, YOU WILL ALL PAY!

Lincoln sensed Lynn was about to let out a stinky fart and escape, so she can get after Lincoln and Roxanne again.

Past Lincoln: (GASPS) SHE'S GOING TO LET OUT A FART AND KNOCK YOU TWO OUT! HURRY, KNOCK HER OUT WITH A MALLET!

Then, Gohan knocked her out by bonking her head with a mallet, and they continued on.

Past Lincoln: Whew, now that was close!

Past Roxanne Lucius: No one's messing with my man, especially not that hard-headed, stubborn, overly aggressive, belching, farting, smelly jockstrap!

Roxanne Lucius and Lincoln went back to his room to finish their homework, but not before she placed her hand on his chest and they kissed as the video ends.

Nico: Man, Roxanne, you kicked Lynn's ass and Gohan and Krillin tied that wild animal up, that was awesome!

Luna: That belching farting gym bag messed with the light alien chick, and she went down hard.

Me: And we heard the commotion from upstairs and Gohan and Krillin told us of what Lynn tried to do to Lincoln and Roxanne, and when they were done, the rest of the sisters wanted her head on a pike.

Nico: Damn!

Lincoln: But, I cooled everyone down, and Lynn got her just desserts as she got grounded for twelve weeks and I personally threw her in a metal container. Lynn roared and pounded on the door again to get out, but Roxanne flipped her the bird through the window, and that caused Lynn to roar and beat her chest like a gorilla again.

Me: She was really wild and crazy, and someone needed to keep that animal in check before she even tried anything dumb again.

Lana made a block of ice and Nico put it on his head.

Nico: Thanks, Lana. But still, awesome job, gang.

Me: Harangue is done for.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Ava Parker.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Ava Parker?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Ava Parker of The Legion of The Lincoln-Haters, but we also saw Alana Cameron and Brianna Greyson, who's already falling into madness heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Alana Cameron and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Ava Parker: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads and ruining my constant desires for revenge… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Alana Cameron and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Rachel: Yes, but this'll make sure they finally get our point.

Suddenly, Rachel's eyes turned neon sea foam green and she was surrounded by a sea foam green and white energy aura with stars, water, ocean waves, and phoenixes, and as she approached Ava Parker, she left sea foam green and white energy, stars, water, ocean waves, and phoenixes with every step.

Rachel: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Ava Parker, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Rachel was surrounded by a massive vortex of sea foam green and white energy with stars, water, ocean waves, and lights, and surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a sea foam green phoenix with red eyes glaring at Ava Parker: the red eyes of death. Then, as the vortex faded, Rachel emerged, but she was changed forever.

Rachel grew to 7'5" in height, she has the body of a goddess, she has sea foam green highlights in the bangs of her long black hair, she has neon pink eyes and a sea foam green and white energy aura with stars, water, ocean waves, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with sea foam green iris, she has on phoenix earrings with sea foam green gems for eyes and holding the Water and Eternity Kanjis in its claws, she also has a dragon with sea foam green gems for eyes and holding the Water and Eternity Kanjis in the claws on the bottom of her sea foam green dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with sea foam green crystal links from her merged Crystal Necklace of the Buddha and sea foam green gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Rachel has on a short-sleeved sea foam green shirt, dark blue skirt, white socks, black slip-on shoes, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with stars, water, ocean waves, and phoenixes on the coattails, and on the back is a phoenix and dragon surrounded by water, ocean waves, and stars. Suddenly, Rachel felt a sharp pain on her back, and then, massive black angel wings with sea foam green tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with sea foam green tips and sea foam green markings, Rachel has on her Ring of the Phoenix with sea foam green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rachel's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of sea foam green and white energy, stars, water, ocean waves, and phoenixes, and when it emerged, it transformed into Rachel's Eternal Cosmic Storm Oceanic Maelstrom Fury Greatsword of Eternal Cosmic Oceanic Maelstrom Phoenix Justice, it's a brand-new massive greatsword with embedded sea foam green gems and black etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged sea foam green blade, large sea foam green dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with sea foam green gems embedded in the foreheads, longer midnight black handle, four large sea foam green phoenix heads with sea foam green gems for eyes and in their mouths and a large sea foam green dragon head with a pink gem in its mouth below the large phoenix heads for the pommel. Rachel has on her new Bracers of The Champions of The Universe with sea foam green gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with sea foam green gems for eyes and a large sea foam green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sea foam green kanji below the dragon and phoenix that said, "Rachel, Best Friend of Girl Jordan and Many, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And

The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Ava Parker of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Ocean Waves, Stars, and Phoenixes"

Rachel has transformed into SUPER ANGEL-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE OCEANIC MAELSTROM ETERNAL COSMIC OCEANIC MAELSTROM STAR DRAGON PHOENIX ANGEL OF DIVINE OCEANIC MAELSTROM ETERNAL COSMIC OCEANIC MAELSTROM STAR DRAGON PHOENIX JUSTICE AND DIVINE OCEANIC MAELSTROM ETERNAL COSMIC OCEANIC MAELSTROM STAR DRAGON PHOENIX LOVE!

We were amazed by Rachel's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ava Parker saw it, she went fucking crazy and she got out her machine gun to fire at Rachel, but Rachel fired a barrage of sea foam green and white energy blasts with stars, water, ocean waves, dragons, and phoenixes at Ava Parker and it sent her flying into a tree back first, she got back up and she ran at Rachel again with a knife she got out, but she disarmed Ava Parker by firing water blasts which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Girl Jordan: WHOA!

Nico: That's really awesome!

Me: You said it, Rachel's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she really put the hurt on that monster bitch.

Lincoln: Ava Parker has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Rachel: (Divine Godly Cosmic Voice of The Cosmic Oceanic Maelstrom Star Dragon Phoenix Angel and Divine Cosmic Oceanic Maelstrom Star Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Rachel.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Ava Parker. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Rachel and Lincoln went after Ava Parker who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, sea foam green and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ava Parker and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Rachel attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Ava Parker got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Rachel, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Ava Parker's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Ava Parker by the neck and he tossed her into the air, and Lincoln and Rachel fired a powerful barrage of energy balls with water, ocean waves, stars, quintessence, elemental forces, and mythological animals, and as they hit Ava Parker, they exploded with incredible power and she was killed in the explosions, and that angered the rest of Alana Cameron and Brianna Parker. Then, Ava Parker's spirit appeared, and she was still incensed with anger and fury.

Ava Parker: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Ava Parker. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Ava Parker's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and she was found guilty for her crimes, and she was fading away from existence.

Ava Parker: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Rachel and Lincoln holstered their massive greatswords on their backs and powered down, and Rachel's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Alana Cameron and Brianna Greyson inside went down, and they ran up to the dead remains of Ava Parker. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FUCKING FREAK! KILL HIM! KILL THE FUCKER! LEAVE NONE OF THEM ALIVE! (LAUGHING INSANELY)

Alana Cameron and Brianna Greyson ran at Lincoln with knives drawn, only for them to get disarmed and pushed back by Lincoln who fired rainbow fire blasts at them.

Lincoln: If you and Alana don't want to lose any of your arms or legs, leave right now, Brianna.

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: (ENRAGED SCREECHING) This isn't over, Lincoln Loud!

Then, Alana Cameron and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Juniper Lee: What a bunch of wusses.

Rachel: We've taken another one down so far, and now, we got two more to go. Thanks for helping me destroy Ava Parker, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rachel.

Suddenly, Rachel wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rachel's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, ocean waves, and water behind them and we cheered wildly. Then, Lincoln and Rachel absorbed the water and ocean waves and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of maelstrom justice. Lincoln, Rachel, you two did really awesome in teaching that monster bitch, Ava Parker, a lesson and pissing off the last two monster bitches.

Lincoln: Thanks, Nico, but we're already fast approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Alana Cameron, which means you and I are up next, Sadie.

Sadie: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, now that I've driven Brianna Greyson far deeper into madness, she and Alana Cameron are bound to send even more armies of hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off, and now because of what you just did in sending them running, now they're so out for blood.

Lincoln: She's already losing it one after another, and that's exactly what I wanted to see, and soon, the last thing she'll ever see is her own life running out and her blood being spilled on the ground.

Nico: You got that right, Lincoln. So, which Alien Gene-Slammer are you meeting on your rescue tomorrow?

Lincoln: Good question, Nico. Oh, I have an idea, how about a Gene-Slammer for Alien Shocktrooper and Alien Infiltrator.

Selina Almenara: (Gasps) That's awesome, Linky, and there's only one person we know who'd be Gene-Slammed into Alien Shocktrooper and Alien Infiltrator: Margaret Desroches, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic earth and lava powers, and immortality, and here's the really really surprising part: Margaret Desroches' known as a Geosapien, an alien from the planet Geos, a planet similar to Earth in the Virgo Supercluster.

We gasped.

Shanan: I've heard of them, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have brown hair, orange eyes, and brown angel wings. Their true form is really beautiful, they have orange sclera and they have orange earth tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a orange earth-themed two-piece bikini, which is their real outfit, and like the Pyrosapiens, Hydrosapiens, Umbrasapiens, Aerosapiens, and Lumasapiens, they also have quite an extremely powerful sexual drive.

Nico: And Lincoln also has an Geosapien as one of his many Guardian Angels?! Oh, I hope she kept herself under control.

Luna: Don't worry, dude, she, like Selina, Marina, Adreana, Lenora, Arianna, and Roxanne, has controlled herself, especially with me, Leni, and Mom watching her.

Nico: Whew.

Shanan: And just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, Aerosapiens, and Lumasapiens, they have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need.

Selene Emperyous: And for Margaret, the one who fit that role was Lincoln.

Mana Mystictree: Plus, she and Lincoln have more than once engaged in their fair shares of making out and kissing.

Me: And trust me, we've seen it more than once, and it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, I just know she's going to want to take it much further.

Lincoln: I already know, but I'm ready. Plus, you'll love hearing this part, Nicole: she hates perverts with the same vengeance as you, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of earth at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll bury them underneath tons of earth or throw them in a volcano.

Nicole: Oof, now that's just really brutal.

Luna: And if she dares to find out someone's hurting our bro, she'll send them to her home planet to be brutally massacred and buried underneath the earth, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Selina Almenara: I've seen how brutal Geosapiens are when it comes to dealing with evil villains.

Will Harangue: (weakly) Do it. Finish me!

Rath grabbed Harangue by the collar. It looked like he was about to stab him to death. But then, he smirked and then threw Harangue to the ground, knocking him out.

Kalin: You didn't kill him?

Rath turned back into Ben.

Ben: Nah. Compared to guys like Vilgax and Aggregor, he's not worth it.

Greiger: Good. He can rot in prison.

Me: Yep.

Nicozarro: Me have to go now.

Rex Goodwin: What do you mean?

Vector: You may have been created by a villain but you proved to be a hero.

Nicozarro: But me am not Nico Chan. Me travel world. Find purpose.

Vapor: We understand.

Nicozarro turned to leave but looked at us with a smile.

Nicozarro: But if need me, I be there. After all, what friends for, right? (flies off)

Me: Yeah.

Nico: You think he's gonna be alright?

Kangor: Of course he will, Mon. After all, he came from good stock.

We went back home and Harangue was arrested and almost immediately he was fired from his job.

Will Harangue was found guilty of Attempted Genocide, Attempted Murder, numerous counts of slander and treason. He was sentenced to 10 eternity sentences in prison and he was cursed with Eternal Life without eternal youth and he was now a 500 year old man for all eternity and he was also ordered to pay $526 Nonagintillion to Ben Tennyson and family and he also had all his assets seized. In less than 1 hour he went from one of the worlds most beloved celebrity news reporters to the world and the universes most hated pariah! Protesters and rioters burned down his entire mansion and called him a monster worse than Peter Griffin.

We enjoyed the rest of the day and went to sleep.

The next match-up in The War Against The Legion of The Lincoln-Haters is Sadie and Lincoln VS. Alana Cameron

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Xia Kou, and we got bad news: that deranged monster bitch, Brianna Greyson, went to Xia Kou and formed an alliance with Huang Zu, the cowardly scoundrel and enemy of the Sun Family of Wu, along with the powerhungry Yuan Shu in yet another attempt to get revenge on Lincoln. But, her latest revenge plan is about to be foiled because Lincoln's going to rip Huang Zu to shreds because during the battle for Jing Province in the world of Dynasty Warriors, that cowardly scoundrel used an archer unit in an ambush that killed Sun Jian and he's also going to see to it that Yuan Shu is also punished for using The Imperial Seal to proclaim himself Emperor and throwing the land even further into chaos. And we're going to meet the next Alien Gene-Slammer, her name is Margaret Desroches, Gene-Slammer of Alien Shocktrooper and Alien Infiltrator, she's Lincoln's Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic earth and lava powers, and immortality, and here's the really really surprising part: Margaret Desroches' known as a Geosapien, an alien from the planet Geos, a planet similar to Earth in the Virgo Supercluster, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have brown hair, orange eyes, and brown angel wings. Their true form is really beautiful, they have orange sclera and they have orange earth tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a orange earth-themed two-piece bikini, which is their real outfit, and just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, Aerosapiens, and Lumasapiens, Geosapiens also have quite an extremely powerful sexual drive, and just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, Aerosapiens, and Lumasapiens, Geosapiens have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Margaret, the one who fit that role was Lincoln, and she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, he knows she's going to want to take it much further, but he's more than ready, and she hates perverts with the same vengeance as Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of earth at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll bury them underneath tons of earth or throw them in a volcano, and if she finds out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred and buried underneath the earth, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Get ready for a battle of hulking proportions as we battle the Totally Spies villain Ulrich Wernerstein and we're going to teach that muscle-bound behemoth not to make other people hulking and strong without their consent.

See you next time.

Me: This is gonna be a really awesome one.

Lola: I can't wait to squish some bugs.

Camie: Me too!

Sora Phaaze: This will be one that will be remembered.

Lola: Yeah!

Lana: We'll make those ugly bugs pay.

Hunter: (German Accent) Oh ja ja! We sure will und it will be good.

Boy Lynn: Boy it sure will.

Nico: Boy Lynn, I want to thank you, Mammoth, and your teams for coming today.

Boy Lynn: No problem Nico. This will be fun.

Huanglongmon: It sure will be awesome.

Tsuyu: Yeah it will!

Nico: Huanglongmon, what are your thoughts on Poromon?

Huanglongmon: He's an awesome little guy. And he knows how to make all of you happy.

Qin: That is true. He sure does.

Lola: I think he is awesome. Same with all the mmascots.

Huanglongmon: That is for sure.

Lana: I'll say.

Nico: And he's been with me since my childhood.

Me: Yep.

Poromon: That's right Nico.

Qin: Yeah!

Xenia: That is so awesome. Powerful bonds through it all.

Me: Yep.

Varie: Yesterday's Mission was goddamn crazy!

Lola: Yeah! Harangue made a Bizarro clone of Nico!? What the heck was he even thinking!?

Maria: You think Nicozarro will be okay?

Nico: He is me cloned. He will be just fine.

Qin: Yeah.

Nico: But it was awesome meeting him.

Laney: And he helped us take down Harangue.

Camie: That is for sure.

May: Makes me wonder if we'll ever see him again.

Nico: I have a feeling we will.

Lola: Yeah.

Camie: It will be at the right time.

Varie: Yeah.

Me: But now Harangue is in prison forever. Cursed as an old man for all eternity.

Xenia: That's for sure.

Albedo: Harangue actually IS right about me being a true hero. He's just wrong about me being better than all of you. I feel that would've fit my former teammates in Team Buktu.

Me: That's true. Harangue is wrong about everything. Ben is not the monster. HE WAS.

Qin: That's for sure. He tried to kill everyone. He tried to kill Ben mostly.

Lola: And all because he said he doesn't deserve any happiness!

Me: What kind of fucked up world did he live in!?

Varie: No idea.

Camie: Either way he is dead to us.

Lola: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We arrived at the Klendathu System.

We arrived at Fleet Station Ticonderoga.

Me: Fleet Station Ticonderoga.

We arrived and saw ships and more exploding.

Me: Looks like they just got back from the failed battle of Klendathu.

Camie: Yeah.

Nico: Open channels.

Lisa did so.

Lisa Loud: Channels open.

Nico: This is the starship U.S.S. Valorous Phoenix, Captain Nicolas Chan of Team Loud Phoenix Storm commanding.

Commander: Nico good to see you again.

Nico: Glad to arrive. Requesting permission to come aboard.

Commander: Granted. We could really use your help.

Nico: Okay.

We docked and boarded.

We went on board and we saw thousands of men and women viciously dismembered and mangled up. Limbs were missing from them and they were torn apart.

Me: My god! What the fuck happened!?

Twilight: I think I'm gonna be sick.

Nico: Boy they really got mangled up big time.

Rainbow Dash: No kidding.

Eli: The bugs did all this.

We saw the casualties.

Me: Holy shit! 308,563 dead or missing!

Nico: No shit.

Eli: These guys weren't just killed they were massacred.

Dizzy Flores came.

Dizzy Flores: Hey guys!

Me: Dizzy thank God you're all right.

Nico: What happened here?

Dizzy Flores: The Battle with Klendathu. It was a complete failure.

She told us all about it.

---

The Battle of Klendathu refers to the invasion of Federation Forces on the Bug homeworld Klendathu. The attack was a complete defeat, resulting in heavy casualties for the United Citizen Federation.

In response to the Meteor Attack on Buenos Aires, the Federation Council convened in Geneva where Sky Marshal Dienes announced plans for an offensive against Klendathu, which was identified as the Arachnid home world and source of the Meteor attack.

The staging point for the attack on Klendathu was Battlestation Ticonderoga, located deep within the Arachnid Quarantine Zone. Multiple Mobile Infantry Divisions and Federation Fleet assets were committed to the offensive.

Fleet was expected to gain air superiority early on with minimal resistance as the only known Arachnid anti-air/orbital capabilities in the form of Plasma Bugs were believed to respond with random and light fires in support of the Arachnid ground forces. This would allow the Fleet to position directly over the deployment zones allowing for rapid Mobile Infantry deployments to the surface.

Once on the ground the Mobile Infantry would establish a beachhead, and destroy any Arachnid resistance encountered while Fleet complete a lodgement of ground forces and supplies to Klendathu. This rapid assault on the surface combined with close air support provided by TAC fighters would provide the numbers and fire-power required to counter the numerical advantage of the Arachnids before they could even begin to mobilise against the Federation Armed Forces. These factors would allow both Fleet and Mobile Infantry to dominate the surface against any Arachnid response.

The offensive began with the arrival of the Fleet in the Klendathu System, consisting primarily of Corvette Transports and support craft. Corvette Transports launched TAC fighter squadrons while deploying entire Mobile Infantry Divisions via DR-4 Viking dropships to the planets surface.

Plasma Bugs from the surface of Klendathu fired their first initial salvos of anti-ship fire within minutes during the troop deployments from orbit. The Corvette Transport; Rodger Young had completed thirty five percent of it's Mobile Infantry deployment by the time the Plasma Bugs had opened fire on the Fleet. As predicted by Military Intelligence the Bug Plasma did in fact appear to be random and light, the first salvos coming within close proximity to fleet ships, but with no recorded hits or causalities sustained by Fleet, allowed Mobile Infantry deployment to continue unimpeded.

However, moments later once the Corvette Transports started to complete their troop deployments, Plasma Bug Batteries began sustained and accurate anti-ship fire, causing catastrophic damage to the Fleet. In one incident. damage sustained by a Corvette Transport caused the ship to veer off course and collide with another Corvette Transport, causing the Rodger Young to make an evasive manoeuvre to avoid collision before being hit by bug plasma towards the nose and bridge of the ship. Despite these damages, the ship would survive the battle intact.

During the chaos in high orbit, the first wave of Mobile Infantry units reached the surface within minutes of deployment, although some DR-Viking dropships were lost due to Plasma Bug fire the majority of the deployments were successful, with thousands of infantry securing the drop-zones and advancing outward, with no initial resistance met. Various sporadic skirmishes would begin to occur as Mobile Infantry companies would encounter and destroy Plasma Bugs and Bug Holes with the use of Tactical Oxygen Nukes and engage isolated groups of Warrior Bugs with rife fire.

As the Mobile Infantry continued to advance and extend their perimeter around the primary landing zones, small skirmishes against Arachnid ground forces would begin to escalate in to large scale engagements as it was discovered that the Arachnids had in fact already mobilised in greater numbers than anticipated.

Mobile Infantry units attempted to repel the Arachnids, fighting in lined formations with rifle fire. However due to the damage being sustained by Fleet in orbit from continued Plasma Bug fire, the infantry on the ground were left without sufficient close air support to counter the Arachnid numerical superiority, and because of this, ground forces were unable to prevent or repel the Arachnids from advancing directly in to Mobile Infantry positions. This resulted in Mobile Infantry units being forced to engage Warrior Bugs in close quarters combat, with troopers being fatally wounded or outright killed by stabbing and/or dismemberment.

Within the first thirty minutes of the battle, the Mobile Infantry divisions, unable to gain ground against the Arachnids, and sustaining heavy casualties, had lost the initiative. It was no longer possible for the Mobile Infantry to deny the Arachnids the ability to mobilise within the area of operations or even maintain security of the landing zones. In addition to this, due to the amount of damage still being sustained by the Fleet, there was no ability to provide the necessary close air support to troopers on the surface in order to bombard and destroy the high concentrations of Warrior Bugs assaulting the Mobile Infantry positions.

With no other option, the Federation Armed Forces issued a general retreat. All Mobile Infantry divisions were ordered to fall back back to the landing zones for extraction. The retreat quickly became disorganised as retreating infantry units were continuously perused by Warrior Bugs, with many troopers killed attempting to cover the retreat of other units or attempting to rescue other troopers.

During the retreat, the Mobile Infantry unit; Roughnecks 2-0 managed to facilitate in the rescue of multiple troopers that may have otherwise been killed in battle. It is unknown if other units performed similar actions or with such success.

Eventually, all surviving Mobile Infantry units were extracted from the surface and transported back to the remaining Corvette Transports in orbit, leaving the surface area of operations in complete Arachnid control. Fleet remnants then retreated to Battlestation Ticonderoga, leaving no remaining Terran Armed Forces in the system and effectively ending the offensive on Klendathu.

After the surviving Mobile Infantry troopers were recovered by dropships and brought back aboard the Corvette Transports, the remaining ships in the fleet retreated to Fleet Battlestation Ticonderoga. Many of the ships that participated in the battle were non-operational and had to be towed to safety. The Terran Navy was cut to ribbons when so many of its ships were massed in Klendathu's lower orbit, limiting the operational deployment of Federation forces in Arachnids space for some time.

Well over 300,000 ground troops were killed in the battle, with 100,000 killed in the first hour alone. By any measure, the battle was an unmitigated disaster. Apart from material losses, the psychological effect of the disaster drastically damaged morale across the Federation. Strategically, with so many ships and soldiers lost in one fell swoop, there was no way surviving Federal Military forces could effectively combat the inherent numerical superiority of Arachnid forces, which began swarming Federation holdings in all directions.

Sky Marshal Dienes resigned in shame after the disaster, and was succeeded by Sky Marshal Tehat Meru. Maru's leadership outlined a new grand strategy of using surviving forces to clear out the planets outlying Klendathu one at a time, which were less heavily populated by the Arachnids. This would follow the classic routine of heavy aerial bombing runs by TAC Fighters, followed by sending in the Mobile Infantry to mop up the survivors and clear out subterranean Bug holes. At the same time, this would provide more opportunities to observe and research the Arachnids to examine them for tactical weaknesses.

We were shocked, horrified and grossed out beyond all works.

Me: My god!

Lola: 100,000 dead in that short of an amount of time!? That's horrible!

Twilight Sparkle then threw up!

Twilight Sparkle: (LOUD VOMITING)

Lincoln comforted her.

Me: I'm sorry this happened Dizzy.

Dizzy Flores: The important thing is many of us are okay.

Me: Most of you are.

Xenia: Yeah guys have all been torn to pieces.

Lola: No kidding!

Nico: Well, let's get to work.

Me: We came to heal you all.

We went and got to work.

We used our powers and healed them all over and regrew their limbs and more.

Nico: There we go!

Brittney: Awesome.

I saw Johnny Rico in a tank and he was being healed up in it. He had a really nasty wound on his leg.

Me: Geez! A bug stabbed him through his leg.

Dizzy Flores: I know.

I went over.

Me: Johnny thank goodness.

Johnny saw me.

Me: (Telepathically to him) You took a really nasty bug stab to your leg. At least you're okay.

Johnny Rico: (Telepathically to me) J.D.! Yeah I know. How many people made it out?

Me: Besides you, over 308,000 dead or missing. We healed up everyone that lost limbs and all that. We're doing the best we can to do so. But you'll be better shortly.

Johnny Rico: Good. J.D. if you see Xander kick him in the balls for me.

Me: With pleasure.

We left and tended to more wounded.

Dizzy Flores: Thanks for coming guys.

Me: Anytime Dizzy.

Nico: We also have other problems.

Me: First thing we're going to do is blow up this entire planetary system.

Dizzy Flores: How are you going to do that?

Me: It will be perfect to test out my newest weapon.

Nico: What is it?

I pulled out a tiny glass container and in it was a glowing red pulsating ball of energy.

Nico: What is that?

Me: A Subatomic Supernova Bomb. It possesses the power to make a star go supernova with the power of 20 Supernova Explosions.

Nico: WHOA! That is powerful!

Me: Yep. That little glowing ball inside this carries enough power to make a star explode with that much power.

Dizzy Flores: How does it work?

Me: I just throw this right into the star of a system and then BOOM! It explodes with that much power.

Nico: WHOA! That is incredible!

Me: Me and Lisa made this for this situation and it would be perfect to test it on this.

Lola: WOW!

Xenia: Yeah! That is amazing!

Nico: Let's get back a safe distance.

Me: Good idea.

Nico: Nathaniel have all of the Fleet Station return here and put the station inside the ship. This is gonna be big.

Nathaniel: Roger that.

Me: Okay.

Nico: This will be awesome.

Me: Yep. When I throw this into the Yellow Sun of the system we got to fly out of here FAR and FAST. It's going to be big.

Laney: Oh boy.

Twilight Sparkle: This will be huge.

We got the station loaded in the ship.

Me: All loaded in.

Nico: Do it!

I went out.

Me: HERE COMES THE WINDUP! AND THE PITCH!

I threw it right at the yellow star!

I flew back and went in.

Nico: Lets go! Warp drive engage!

We engaged the warp drive and zoomed out of there!

ZOOOM!

When we were at a safe distance away…

***SUPER UNBELIEVABLE ULTRA MEGA SUPERNOVA EXPLOSION OF UNIMAGINABLE POWER!***

THE ENTIRE SYSTEM EXPLODED WITH THAT MUCH POWER AND BLEW IT COMPLETELY TO SMITHEREEENS! We saw the explosion and it blew the entire system into OBLIVION!

We were amazed and shocked!

Nico: WHOA!

Camie: Unbelievable!

Sakura Knudson: That is incredible!

Laney: WOW!

Varie: WOW!

Huanglongmon: That was awesome!

Dizzy Flores: Wow!

Nico: Scans show that the entire Klendathu system is gone!

Dizzy Flores: It's over guys! THE BUGS ARE ALL DESTROYED!

THE SOLDIERS ALL CHEERED!

Nico: Boy that was amazing!

Qin: Yeah it was!

Nico: Your weapon worked perfectly J.D. Well done!

Isabel: That's my grandpa!

Dizzy Flores: That was awesome guys!

Xenia: Yeah!

Nico: Eli, sense for Swartz's creations.

Eli: Right.

Eli concentrated.

Eli: Whoa! We have Another Evil Roxas, Metroid Hatcher, Grenchler, Flaahgra, Thardus, Omega Pirate, Cyclops and Mammoth.

Nico: Wow!

Shanan: Creatures from Tallon IV, Aether and Phaaze in that batch.

Sora Phaaze: Yeah this will be fun.

Nico: Who's first?

Me: Another Evil Roxas.

Nico: Edith Norris then shall come first.

Qin: Yep.

Maria: I'll call her in.

Nico: Lets head to the training arena first.

Me: Okay.

We did so and when we got there Maria called her in.

A portal appeared and then..

KRASPLAT!

A blob of slime came out and smashed onto the ground and reformed and in came Edith Norris.

Edith Norris: Yo.

Nico: Awesome timing Edith.

Edith Norris: Thanks. This will be fun.

Nico: I got eyes on Evil Roxas!

We saw a figure come out and it was ANOTHER EVIL ROXAS! But he had a yellow coat on instead of a black one.

Qin: Whoa! Yellow looks awesome on Roxas.

Nico: It sure does.

Lola: Yeah!

Luan: That is ENLIGHTENING! (LAUGHS TO RIMSHOT)

We laughed at her Joke.

Me: (LAUGHS) That was awesome.

Eddy: (LAUGHS) That was a good one!

Nico: But seriously, who are you?

Luan: Aw Nico I was going to say that!

Nico: Sorry Luan.

Another Evil Roxas: (In a girls voice) That was still a funny joke.

Me: That voice!

She reverted back and it was a girl with blond hair and had blue eyes and had the kanji for Light in the middle of her forehead and she had yellow and black clothes and had yellow angel wings and had the Oblivion Keyblade in her right hand and the Oathkeeper Keyblade on her left hip. She had the Kanji for Key of Destiny of Light on her skirt.

Me: (GASP) Rhonda Roxas!

Nico: Whoa! Then that must mean that you're the gene-slammer of Roxas.

Rhonda Roxas: That's right. I sure am.

Roxas: Wow! A gene-slammer of me! That is so cool!

Rhonda Roxas: It sure is.

Edith Norris: Sorry we have to do this.

Rhonda Roxas: No worries.

Me: By the way are the other Anothers friendly or Hostile?

Rhonda Roxas: Friendly and they are all really interesting.

Camie: This will be awesome.

Edith Norris: It sure will.

Girl Jordan and Leeli held hands.

Girl Jordan: Lets do it Leeli.

Leeli: You got it.

(YURGEN'S TUNE PLAYS)

Sea dragons were singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Rhonda Roxas was glowing and then Another Evil Roxas separated from her.

Edith Norris: Awesome!

Qin: YEAH!

Edith turned into her Polymorph form.

Edith Norris: (GURGLING VOICE) TIME FOR SOME BUTTKICKING GOOP STYLE!

She then covered Another Evil Roxas with her slime.

KRASPLAT!

YUCK!

Sakura Knudson: Oh sick!

Me: Polymorphs have different flavors added to them.

Nico: Yeah when Ben turned into Goop he tastes like Kiwi Fruit.

Sakura Knudson: Really? Wow!

Me: Dark's Goop form tastes like Black Licorice!

Nico: Go ahead and finish this!

Edith Norris: With pleasure!

She fired waves of slime and drenched him and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I caught the Wonder Ride Book and it was called The Key of Light's

Destiny and The Light of XIII.

Me: Awesome title.

Laney: Nice.

Me: Another Metroid Hatcher next.

Nico: Who do we call for this?

Me: Adreana Metrodora, Tiamat Sisters, Meadow Vexxa, Serenity Sellington and Columbine Rosevelt for these.

Nico: COOL!

Qin: Yeah!

Eli: They will all come at once. The Anothers.

Nico: Perfect.

Maria: I'll call them in.

Maria did so and then in elemental vortexes came Adreana Metrodora, Tiamat Sisters, Meadow Vexxa, Serenity Sellington and Columbine Rosevelt.

Tiana Tiamat: We're here.

Serenity Sellington: Awesome.

Then out came Metroid Hatcher, Grenchler, Flaahgra, Thardus, and Omega Pirate!

Nico: There they are! Except the Another Cyclops and Another Mammoth.

Me: Oh boy!

Qin: Geez!

Nico: And you are?

Another Thardus: (In a girls voice) All these are one in the same.

Me: Wait that voice!

They merged and reverted back and she was a girl with Teal Green Hair and she had blue eyes and had blue clothes.

Me: (GASP) Anna Rollands!

Anna Rollands: Awesome to see you again J.D.

Sakura Knudson: ANNA!

Anna Rollands: Sakura! Oh my god!

They went and hugged.

Sakura Knudson: I thought I would never see you again after all these years!

Anna Rollands: Me too Sakura.

Sakura Knudson: Anna was my best friend. Before I was kidnapped by Swartz and taken in as his student we were like sisters and we even helped J.D. with so many of his goals.

Nico: That is cool!

Xenia: I'll say!

Tiana Tiamat: We need to seperate you so your mind isn't stretched too thin.

Anna Rollands: I agree. I'll tell you more about me after those Anothers are done.

Nico: Okay.

Lincoln fired a beam of light and separated her from them.

Nico: Awesome!

Me: Get them girls!

Tiana Tiamat: It would be our pleasure!

They fired waves of energy and elements and blasted all of them and they exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught a huge Wonder Ride Book and it was called The Creatures of Metroid.

Me: Fitting.

Nico: Yep. Another Cyclops next.

We heard the ground shake.

Nico: You guys felt that, right?

Me: Yep.

BOOM.

We felt that.

BOOM. BOOM! BOOM!

Eli: Anybody hear that? It's a um… (BOOM) It's an impact tremor that's what it is. I'm fairly alarmed here.

Then a huge figure came out and it was ANOTHER CYCLOPS!

Me: WHOA!

Huanglongmon: That one is of Titanic Proportions!

Nico: Um… hi?

Another Cyclops: (In a girls voice) Been a long time Nico.

Nico: (GASP) That voice!

She reverted back and was a girl with Rainbow Hair and an aqua blue shirt and she had an aqua blue skirt that had the kanji for the

Cataclysmic Prophecy of the Shamouti Titans and she had black pants and she had rainbow angel wings.

Nico: (GASP) Gina Shamouti!

Melody (Pokemon): Wait Gina Shamouti the Avatar of Shamouti Island!?

Gina Shamouti: That's right. Awesome meet you Melody.

Melody (Pokemon): Same here.

Huanglongmon: Apologies that we have to fight like this.

Gina Shamouti: No worries.

Lincoln: Lets do this first.

He fired a beam of light and separated Another Cyclops!

Huanglongmon: Now that's more like it!

He fired a beam of energy and the blast hit Another Cyclops and then…

EXTREMELY MASSIVE EXPLOSION!

He exploded with devastating force and I caught the Wonder Ride Book and it was called The Island Bird Princess and The Titan of Greece.

Me: Nice.

Maria: Time for backup! (TURNS DIAL) WINDS OF FURY 6!

She summoned Xaldin, Yost Whirlwind, Dracula (Simpsons), Ghost of Witch McCoy, Chick Hicks and Bee Blade!

Me: YEAH!

Nico: This will be good.

Lola: Yep.

Nico: There's the Another Mammoth!

We saw her.

Qin: WHOA!

Mammoth: Whoa! Like looking at yourself in the mirror!

Xenia: It sure does.

Another Mammoth: (In a girls voice) It does feel that way doesn't it.

Nico: That voice.

She reverted back and it was a girl with blond hair and she was in a blue bikini and she was REALLY MUSCULAR! Like BODY BUILDER MUSCULAR!

Me: WHOA! You are RIPPED!

Nico: Carmen Vennez! Whoa! You weren't like this before!

Carmen Vennez: I was eating these.

She gave me a Bulky Bar.

Me: A Bulky Bar? How did this make you into that?

Carmen Vennez: I don't know! I was eating one and then next thing I knew I was this muscular! I look awesome!

Me: We'll have to run some tests on this Bulky Bar when we get back.

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead.

Kaito got a Dino Thunder Sword and Zocks got an SPD Blaster.

Carmen Vennez: Just to find whoever made these bars and kill them.

Me: That we can do. But whoever did this will likely go to jail.

Nico: Yeah I agree there. I'll tear off his manhood for this!

Sougo: (gets out Dino Thunder Ridewatch) You just gave us something to investigate,

Geiz: (gets out SPD Ridewatch) But other than that, can you tell us more about yourself?

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor.

Carmen Vennez: I sure can. I am a swimsuit model and I wanted to model swimsuits. I was soaking up some rays and then I ate what looked like a chocolate bar and then THIS happened to me. Then I got kidnapped by Swartz.

Me: We'll have to look into these bars and see what's up. But something is telling me that it's soon to be a dead man.

Qin: Yep.

Nico: Sorry we have to fight like this Carmen.

Carmen Vennez: No worries Nico.

She turned into ANOTHER MAMMOTH!

Me: First this. FIRE STYLE NINJA ART: FIRE RUN!

I fired a wave of fire and formed a ring of fire around her!

Gitai: Nice one!

Me: Just for starters.

Nico: (gets out Mammoth's Ridewatch) Only fair I match your strength.

Nico activated it and punched her all over and smashed her down.

Nico: Time for some strength! (ACTIVATES CYCLOPS RIDEWATCH)

Nico fired waves of energy and smashed her down.

May: I see gold in your future! (ACTIVATES MINER 49ER'S RIDEWATCH)

She fired waves of energy and smashed her down.

May: And here it comes! (ACTIVATES BANDIT KEITH'S RIDEWATCH)

She fired waves of energy and blasted her down.

Maria: Time for you to see the light! (ACTIVATES UNIVERSE 666 SARTORIUS'S RIDEWATCH)

She fired light blasts and smashed her down.

Maria: Now for this too! (ACTIVATES GITAI'S RIDEWATCH) EARTH STYLE NINJA ART: THOUSAND SPHERE OF GRAVES!

Maria lifted up a MASSIVE HUGE ROCK and smashed it onto her!

KRASMASH!

OUCH!

Huanglongmon: And this too! (ACTIVATES CYCLOPS RIDEWATCH)

He fired waves of energy and smashed her down!

Then Onyx, Brutus, Fault Zone, Boomtower, Universe 666 Thanos and Doctor Diablos came!

Nico: Whoa nice team Onyx!

Onyx: Thanks Nico!

Me: Awesome!

Nico: Yeah!

Qin: This will be fun.

Nico: After this, I'll have to get Lisa to analyze this

Lisa Loud: I'm on it Nico.

Then a Pangoro appeared!

Me: Whoa A Pangoro!

Maria: I think the next gene-slammer came.

Pangoro: (In a girls voice) (Chinese Accent) I sure did.

Nico: Zanna Li!? Whoa!

She reverted back and was a girl with black hair and blue eyes and had a brown Chinese outfit on.

Zanna Li: It's good to see you again Nico. I got this.

She fired a wave of energy and smashed own Another Mammoth and I caught the ridewatch and Purified it and brought Carmen over.

Nico: YEAH!

Zanna Li: That was so fun.

Lisa Loud: I have the results. These protein bars are ordinary protein bars. But they are also made with super concentrated anabolic steroids and they instantly bulk people up to hulking proportions and make you increasingly durable, faster and give you superhuman strength. But they make you increasingly violent and short tempered.

Me: These bars are dangerous!

Nico: Yeah!

Carmen Vennez: So that's how I got so muscular.

Nico: Just be glad you ate one. 10 would make your muscles as big as the Hulk.

Me: No kidding.

Hulk: Hulk would not like bars like this.

Zanna Li: Whoever made these bars is in a lot of hot water.

Nico: Big time.

Huanglongmon: What's your favorite memory of Nico?

Zanna Li: When me and Nico took on a corrupt business in Shanghai run by my evil uncle.

Nico: I remember that. We blew that entire company into dust and got her evil uncle thrown in prison for smuggling diamonds on the black market.

Qin: I remember that too!

Laney: Wow! That is awesome.

Xenia: Yeah!

Nico and Zanna hugged.

Nico: I've really missed you.

Zanna Li: Me too Nico.

Dizzy Flores: But thanks for helping us guys.

Me: Anytime Dizzy. Now we have officially seen the last of the Arachnids.

We went back home.

But, her latest revenge plan is about to be foiled because Lincoln's going to rip Huang Zu to shreds because during the battle for Jing Province in the world of Dynasty Warriors, that cowardly scoundrel used an archer unit in an ambush that killed Sun Jian and he's also going to see to it that Yuan Shu is also punished for using The Imperial Seal to proclaim himself Emperor and throwing the land even further into chaos.

Lincoln: Whoa, we're here in Xia Kou, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got bad news: earlier today, that deranged monster bitch, Brianna Greyson, went to Xia Kou earlier and formed an alliance with Huang Zu, the cowardly scoundrel and enemy of the Sun Family of Wu, along with the powerhungry Yuan Shu in yet another attempt to get revenge on me.

Sun Quan: That's exactly what our scouts had reported, for her to forge an alliance with two of our worst enemies, her sanity is already deteriorating further and she's becoming even more unstable.

Me: That's right.

Selene Arcangela: But, her latest revenge plan is about to be foiled because Lincoln's going to rip Huang Zu to shreds.

Nicole: That's right, because if I remember right, during the battle for Jing Province, that cowardly scoundrel used an archer unit in an ambush that killed Sun Jian.

Sun Jian: That's exactly right, Nicole. But, that's not going to happen again, Huang Zu shall be slain here and now.

Sun Shang Xiang: Right, Father, and Lincoln's also going to see to it that Yuan Shu is also punished for using The Imperial Seal to proclaim himself Emperor and throwing the land even further into chaos.

Nico: And since Emperor Xian had issued an edict to slay him, this is something that can't be ignored.

Eli: So, we got two dangerous foes to deal with: Huang Zu in his main camp, and Yuan Shu who's out there waiting to kill us.

Lincoln: Yes. But, we're not going to let those two get away with this, we're going to put an end to the two of them for good.

Panda King: That's correct. So, what's the plan, Lincoln?

Lincoln: Huang Zu's a weakling, but he's cunning. He's going to try and launch a naval attack on us, and he'll also have traps set up for us as soon as we start the advance. So, Ling Tong, Gan Ning, I need you two to take down the enemy forces before they set sail.

Ling Tong: Alright, consider it done.

Lynn: You sure we can trust the two to get the job done? Lu Meng told us those two once hated each other.

Lian Shi: It was due to Gan Ning killing Ling Tong's father long ago, but Ling Tong's let go of the past.

Lincoln: That's right. Now, we need to take care of Huang Zu's traps.

Sun Ce: Leave that to me, Shang Xiang, and Quan, Lincoln.

Zhou Yu: Looks like we've already received our assignments. Now, then, Lincoln, it's time to give the order to advance.

Lincoln: Right. Everyone, prepare to advance. Huang Zu, Yuan Shu, you shall pay the price for your crimes against the land!

We started our advance, and as Lincoln instructed, Ling Tong and Gan Ning took down the naval unit before they could set sail, and Sun Ce, Sun Shang Xiang, and Sun Quan took down the officers in charge of the traps.

Zhou Yu: That should take care of Huang Zu's traps and naval assault. Now, to get after Yuan Shu.

Yuan Shao: I don't know if I should even say this, but during the battle at Si Shui Gate, Yuan Shu deliberately stopped sending supplies to Sun Jian, and they were almost routed by Hua Xiong.

Me: He did what?!

Lincoln: It was because of jealousy and envy that he did this, and now, that gives us another reason to slay him. I thank you for telling us this vital piece of information, Yuan Shao.

Yuan Shao: You're welcome, and I also have to thank you, Lincoln. Somehow, because of you, I had decided to let go of my pride and desire for glory, and I repaired my friendship with Cao Cao.

Lori: But, how was that possible?

Nicole: Looks like Lincoln's plan had far-reaching results such as Yuan Shao changing his ways and repairing his childhood friendship with Cao Cao. Universe 666 Lincoln was right, Lincoln was also chosen by The Elements of Harmony, and he took some huge steps: the first is uniting The Three Kingdoms and the second is uniting the Warlords and Warriors of Japan.

Guo Jia: Along with removing Dong Zhuo, Lu Bu, and Hisahide Matsunaga.

We headed for Yuan Shu's camp, and he was already planning to leave.

Lincoln: Leaving so soon, Yuan Shu?

Yuan Shu: You! You've ruined everything! If you hadn't shown up, the land would've finally been mine!

Liu Bei: Your delusions of imperial grandeur must end here and now, Yuan Shu!

Yuan Shao: Indeed. To think I considered you my kinsman, and I wasn't blind to what happened at Si Shui Gate, I knew you deliberately stopped sending supplies to Sun Jian and all because of your envy and jealousy.

Lincoln: That's something I can't stand about you, Yuan Shu: you wanted to use The Imperial Seal to proclaim yourself Emperor, but in my eyes, I see you for who you really are: a greedy, powerhungry, treacherous insignificant worm whose crimes can never be forgiven!

The sheer authority and fury in Lincoln's voice had Yuan Shu quaking in his boots.

Yuan Shu: Bah, I have no time to deal with any of you! Huang Zu, I leave this to you!

Suddenly, Lincoln fired a blast of rainbow fire at Yuan Shu, which incinerated him before he had the chance to flee and he sent his spirit to The Black Gates forever.

Zhang He: Your words were indeed true, Lincoln. Yuan Shu's greed, treachery, and lust for power had indeed proven to be his downfall, and as such, he needed to die the death of a coward.

Luna: Now, there's only one coward left to get rid of: Huang Zu.

Lincoln: Right, Luna. (Deep Sapphire Eyes turn blood red) Get ready, Huang Zu, now it's your turn to meet your fate.

We then headed for Huang Zu's camp.

Lincoln: This is it, now we just have to get rid of Huang Zu and end Brianna Greyson's last attempt at revenge.

Nico: Let's drive that conniving monster bitch even more insane than she already is right now!

Suddenly, we saw Alien Shocktrooper and Alien Infiltrator arrive, and with them are the four girls.

Sun Jian: Alien Shocktrooper and Alien Infiltrator, and if I'm not mistaken, you're none other than Margaret Desroches, one of Lincoln's Guardian Angels and the Geosapien he mentioned yesterday.

Alien Shocktrooper and Alien Infiltrator: (Girl's voice) I might've known Lincoln told you all about me, and yes, you're correct, Master Sun Jian. Now, we need to hurry, Huang Zu might be planning to run, but he's also got archers hidden somewhere around his camp.

Lincoln: Right, Margaret.

We headed inside, and there in front of us is the very scoundrel whom The Sun Family despises for his cowardly nature: Huang Zu.

Sun Jian: We've been waiting for this very moment.

Sun Ce: You have no one left to help you anymore.

Sun Shang Xiang: And now, you're all alone.

Sylvester: No one's going to say a kind word at your funeral.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal

Now, go join your cohort, Yuan Shu, in Hell forever!

Lincoln held out his left hand, and his Dragon Ball Bracelet glowed and seven red negative energy beams fired out and formed into a massive red energy ball, which he condensed to the size of his body.

Me: This is it.

Nico: Now, Huang Zu's life is finally over, and The Sun Family's honor shall be avenged.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NEGATIVE KARMA BALL!

Lincoln fired the energy ball at Huang Zu, and it exploded with incredible power and the explosion had killed him, and Huang Zu was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Sun Jian: Well done, Lincoln.

Sun Ce: That was some pretty impressive leadership you displayed.

Me: This was just like back at Hu Lao Gate and at Okehazama.

Nico: I was about to say it, J.D. Lincoln, you really displayed some amazing leadership along with use of tactics and strategy, and because of it, Yuan Shu and Huang Zu are dead and gone for good.

Lincoln: And we made sure the last bit of trouble in The Three Kingdoms has been brought to an end for good. (To Margaret Desroches) And it's so good to see you again, Margaret Desroches.

Margaret Desroches reverted back to normal, and she's a very beautiful and super sexy girl with long brown hair, brown eyes, she was tall at 7'0" in height, she has the body of a goddess, and large breasts, fair skin, she has massive and beautiful brown angel wings, she's dressed in a sleeveless orange midriff top, orange skirt, necklace with blue gem for the pendant, orange bridal gloves, orange knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, lava, aliens, and angels on the coattails and on the back is Alien Shocktrooper and Alien Infiltrator, and holstered on her back is a massive Alien Shocktrooper and Alien Infiltrator-themed greatsword with embedded brown gems and Alien Shocktrooper and Alien Infiltrator etched on the 7'0" massive, wide, double-edged orange blade, large orange dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with orange gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large orange gem on the bottom of the large white angel heads for the pommel.

Margaret Desroches: You too, Linky, it's been such a long time.

Lincoln went up to Margaret Desroches and he hugged her, and Margaret Desroches is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire

Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Margaret Desroches: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Margaret Desroches, Gene-Slammer of Alien Shocktrooper and Alien Infiltrator, she's my Guardian Angel and one super sexy and super beautiful girl who's also a very strong and powerful warrior and tactician with incredibly strong cosmic earth and lava powers, and immortality, and here's the really really surprising part: Margaret Desroches' known as a Geosapien, an alien from the planet Geos, a planet similar to Earth in the Virgo Supercluster.

Then, Shanan appeared.

Shanan: Yep, they're a really powerful race of warriors who've defended their planet from invaders for countless eons, they look human in appearance, but what marks them out is that they have brown hair, orange eyes, and brown angel wings. Their true form is really beautiful, they have orange sclera and they have orange earth tattoos covering their hands and forearms and feet, and the clothes they have on transforms into a orange earth-themed two-piece bikini, which is their real outfit, and just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, Aerosapiens, and Lumasapiens, Geosapiens also have quite an extremely powerful sexual drive, and just like the Pyrosapiens, Hydrosapiens, Umbrasapiens, Aerosapiens, and Lumasapiens, Geosapiens have a very powerful desire find a mate who is not only very strong, powerful, and very intelligent, but that mate also has a kind heart, brave, bold, noble, courageous, and who always helps those in need, and for Margaret, the one who fit that role was Lincoln.

Luna: And she and Lincoln have more than once engaged in their fair shares of making out and kissing, and more than once, it always ends with Lincoln getting his entire face covered in kisses, his face red with passion, steam whistling from his ears, and hearts in his eyes. But now that Lincoln's gotten older, he knows she's going to want to take it much further, but he's more than ready.

Shanan: Plus, she hates perverts with the same vengeance as you, Nicole, and she doesn't need to use sexual wiles to rat them out, she can sense it by looking into their auras, and when she finds that out, she unleashes pure hell upon them by firing waves of earth at them, and she also makes her threats clear, if she sees any single person trying to peek at her, she'll bury them underneath tons of earth or throw them in a volcano, and if she finds out someone's hurting Lincoln, she'll send them to her home planet to be brutally massacred and buried underneath the earth, and that threat's been sent to Flip, Scoots, and the rest of Lincoln's enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan if they stepped out of line.

Nicole: Yeesh, getting buried underneath tons of earth or getting thrown into a volcano, those are two really brutal punishments.

Margaret Desroches: And I know Lincoln's going to mark me, but before he does, let me show you all my true form.

Suddenly, Margaret Desroches transformed into her true form as the sclera of her eyes turned orange and she has orange tattoos covering her hands and forearms and feet, and her clothes morphed into an orange earth-themed two-piece bikini, which is her real outfit.

Fabia: So, that's her true form, wow.

May: She looks even more beautiful in her true form.

Suddenly, Margaret Desroches went up to Lincoln, and her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which brought an atomic red blush to Lincoln's face, and he suddenly wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Suddenly, Margaret Desroches gave Lincoln a passionate kiss on the lips as she moved her arms and placed her hands on Lincoln's massive pecs, and they suddenly engaged in a French kiss. Suddenly, we saw Lincoln's veins glow orange and when they were done, Lincoln still had a massive red blush on his face and hearts in his eyes.

Shanan: She's marked him, I knew it.

Lincoln: Yep, and now, then, I think it's my turn to mark you, Margaret.

Suddenly, Lincoln hugged Margaret Desroches in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Margaret Desroches: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Margaret Desroches' neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Margaret Desroches: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Margaret Desroches.

Margaret Desroches had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw who they were, he immediately recognized them. The four girls are Mayu Nagaya, Remi Aoki, Saya Kanzaki, and Tisato Nagaya from Bishoku.

Lincoln: Oh wow, it's Mayu Nagaya, Remi Aoki, Saya Kanzaki, and Tisato Nagaya from Bishoku.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mayu Nagaya: Yes, we're okay, thanks to you.

Mayu Nagaya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Mayu Nagaya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mayu Nagaya, Remi Aoki, Saya Kanzaki, and Tisato Nagaya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went after were Huang Zu, the cowardly scoundrel and enemy of the Sun Family of Wu, along with the powerhungry Yuan Shu, who formed an alliance with that deranged monster bitch, Brianna Greyson, who went to Xia Kou earlier today in yet another attempt to get revenge on Lincoln.

But, when Lincoln showed what happened such as him displaying his leadership skills by killing the officers in charge of the traps Huang Zu had laid out and stopping the naval assault, and then, killing Yuan Shu and sending him to The Black Gates, and finally us laying the beatdown on Huang Zu, and Lincoln finishing him off by sending Huang Zu to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Margaret Desroches have a lot of catching up to do, now that she's back in town.

Maria: Man, that was one awesome battle you guys fought, and we're rid of Huang Zu and Yuan Shu for good.

Lincoln: You said it, what Huang Zu did could never be forgiven.

Sun Jian: And Yuan Shu trying to use The Imperial Seal in an attempt to proclaim himself Emperor was an act of treason that warranted his execution.

Me: Which was something Lincoln had done: by killing Yuan Shu for his treachery and Huang Zu for what he'd done in your world, Master Sun Jian.

Nico: You said it.

---

After getting rid of Huang Zu and Yuan Shu and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Margaret Desroches saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces,

hearts in her eyes, and her nose was bleeding.

Margaret Desroches: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Margaret, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Margaret Desroches: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Margaret Desroches: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Margaret, what memories did you have with Lincoln, and did you have to get rough with any of his enemies along with Lori, Lynn, Lola, Lisa, and Luan?

Margaret Desroches: Ooh, I do have one. Remember what happened whenever Patchy declares it a Packing Day and Lynn turns into a four-legged wild animal and announces her arrival by letting out those loud belches? Well, we decided to use that against Lori, Lynn, Lola, Lisa, and Luan.

Margaret Desroches pulled up a video and it played on the screen, and it shows Margaret and Lincoln eating pizza at Gus' Games and Grub, along with the rest of his Guardian Angels.

Past Lincoln: As always, Gus makes awesome pizza!

Past Margaret Desroches: He sure does.

Suddenly, Lincoln's stomach groaned, and suddenly… !

BBBBBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRR

LINCOLN LET OUT A VERY MONSTROUS BELCH FAR LOUDER THAN LYNN'S WHEN PACKING DAY WAS DECLARED AND WHEN SHE GOES ON HER VIOLENT RAMPAGES!

Nico: Dang, Lincoln, that was one really monstrous belch, even more louder than Lynn's whenever a Packing Day is declared or when she goes on her rampages.

Me: We heard it from The Loud House, and man, that was loud!

Past Selene Arcangela: Dang, Lincoln.

Past Nicholette Torrington: Yeah, that belch you let out way more monstrous than Lynn's loud belches when Packing Day is declared or when she goes on a rampage again. (GASPS) Ooh, everyone, I have an idea.

Lincoln and his Guardian Angels gathered to listen in on Nicholette's plan. Then, the scene changes to Lori, Lynn, Lola, Lisa, and Luan, who are still out to kill Lincoln, but unknown to them, they were being watched from within the bushes.

Past Nicholette Torrington: Yeah, that's right, Lori, you and the others keep on trying to find Linky, but you're walking straight into our trap.

Suddenly, Lori, Lynn, Lola, Lisa, and Luan heard some rustling.

Past Lisa: Where is that hairless ape?! We want his head on a pike!

BBBBBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUUURRRR

That monstrously loud belch caused Lori, Lola, Lisa, and Luan to panic as memories of the Packing Day Wars came back.

Past Lori: Lynn, you better not be on the rampage again, save it for when we go after the twerp!

Past Lynn: That wasn't me, Lori! Get off my case!

Past Lola: We're not alone, are we?!

Suddenly, something peeked through the bushes, and the sound of heavy breathing was heard, but the figure ducked back into the bush, but it wouldn't stay quiet for long.

BBBBBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUUURRRR

Another monstrously loud belch was heard, and that got Lori, Lola, Lisa, and Luan in another panic.

Past Luan: Oh, I don't like this, it's not even Packing Day but we're already in fear for our lives.

Suddenly, they saw something heading their way.

Past Lori: (SHRIEKS) SNOWBALLS! INCOMING!

Lori, Lynn, Lola, Lisa, and Luan got hit hard with a barrage of snowballs, and then, total chaos.

Past Lisa: EVERY BI-PEDAL HUMAN FOR THEMSELVES!

Lori, Lynn, Lola, Lisa, and Luan ran away like headless chickens, and they hid behind a fence. Then, Lola peeked out, and Lincoln came out, but he looked like Lynn in Full Beast Mode. He was sniffing the air trying to find them, and then, he took a pizza slice he was saving and he scarfed it down.

Past Lola: (GASPS) It was Lincoln, he's the one who let out those monstrously loud belches!

Past Lynn: And he's refueling! WHAT ARE WE GOING TO DO?!

Past Lori: Get a grip, Lynn! There's only one of him!

Suddenly, a finger poked Luan on the shoulder, and they saw Lincoln standing menacingly over them and with a grin on his face, and panic was on their faces.

Past Lori: RUNNNNNN!

Lori, Lynn, Lola, Lisa, and Luan ran for their lives with Lincoln chasing them on all fours, they went over a fence Nicholette built, and Lincoln crashed through it. Then, they went over the other fence and ran away, and Lincoln crashed through it, and he roared and beat his chest like a gorilla. Lori looked over her shoulder.

Past Lori: We lost him.

They stopped.

Past Lynn: We're safe.

Past Lola: (Sees something) Uh, what's that?!

Then, they saw something rushing right at them, it was a shockwave of earth.

Past Lori, Lynn, Lola, Lisa, and Luan: (SCREAMING) WE'RE TRAPPED!

Then, three massive and long white wolf tails burst out of the mound and grabbed Luan, Lisa, and Lola, and dragged them away into a bush as the three of them screaming for their lives.

Past Lynn: He's got Luan, Lisa, and Lola! What do we do?!

Past Lori: RUN FOR YOUR LIFE!

Lori and Lynn ran for their lives only to reach a dead end: a blind alley thanks to going through a dark portal Nicholette opened up, and then, they saw Lincoln's shadow looming over them.

Past Lori: We're through running, let's get him!

Past Lynn: Yeah! WE'RE NOT SCARED OF YOU, STINKOLN! LET'S SEE WHAT YOU GOT!

Suddenly, Lincoln took in a deep breath, and then, he let out a loud and monstrous roar, and the gale force winds were so powerful, it sent Lori and Lynn flying back-first into the wall. They got up, but it's too late, they already peed their pants in fright. Then, Lincoln tied them up and his other Guardian Angels appeared.

Past Nicholette Torrington: Looks like we foiled your little attack, Lori. Shall we let you all in on a little secret: we set this whole thing up as our trap, and we were the ones who let Lincoln run wild, it was the only way to get you bitches to confess your attempted attack on Lincoln. You get all that, Luna?

Then, Luna came out with a camera, along with Leni, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita. This shocked Lori, Lynn, Lola, Lisa, and Luan: they fell for Nicholette's trap, but their shock gave back into fury.

Past Lori: GET ME OUT OF THIS RIGHT NOW OR I'M GOING TO TURN YOU INTO A GOTH PRETZEL, YOU DARK MAGIC-USING SACK OF GARBANZO BEANS!

Past Lincoln: AH, SHADDUP!

Lincoln bonked Lori, Lynn, Lola, Lisa, and Luan on the head with a mallet, and the rest of the family dragged them back to The Loud House to face their doom.

Then, Margaret and Lincoln kissed as the video ended, and as soon as the video did, everyone burst out laughing hysterically.

Nico: (LAUGHING HYSTERICALLY) OH, OH MAN, NOW THAT'S WHAT I CALL MONSTROUS PAYBACK!

Me: I was still cracking up to this day, Lincoln let out those monstrously loud belches and got Lori, Lola, Lisa, and Luan panicking like crazy.

Varie: And it ended with them confessing their crimes when they went through a portal Nicholette had made, and it sent them to an alley.

Lynn: We went into full panic mode that day, and I was shocked to find out I wasn't the only one who could make those monstrous belches.

Lori: We were literally stunned to find that out too, and Nicholette had a plan made as soon as she'd found out we were going on the attack again.

Nicholette Torrington: Yep, we called this Operation: Monstrous Payback, and Lincoln made himself go into Full Beast Mode, and man, did he really go wild by letting out those monstrous belches, chasing them on all fours, and crashing through fences I made and him roaring like an animal and pounding his chest like a gorilla, and driving them crazy with fear.

Lincoln: All that training I'd went through really paid off, and I wasn't going to let those five get away with their murderous schemes, so I had to turn into the same kind of monster Lynn turns into instead of just going werewolf on them.

Nico: Remind me never to get you mad, Lincoln.

We got a shower, and then, Lincoln, Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Alana Cameron has sent some muscle-bound thugs to kill them.

Yuna Hajiki: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Yuna, and it's perfect for our first date. Shall we?

Lincoln, Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw the hulking muscle-bound hired thugs of Alana Cameron coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever. Then, he saw a strange wrapper on the ground and took it in order to do an analysis of it.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite, and they hugged the girls in their abnormally massive and powerful muscular arms, and Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite are now in your harem.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Yuna Hajiki, Valkyrie Brunhilde, Valkyrie Chariot, Valkyrie Dritte, Valkyrie Erda, Valkyrie Erste, Valkyrie Funfte, Valkyrie Sechste, Valkyrie Sigurn, Valkyrie Vierte, and Valkyrie Zweite, now he's really going to get it.

Lincoln: And we also had a run-in with some hulking muscle-bound hired thugs no doubt sent by that monster bitch, Alana Cameron, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Alana Cameron scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and we're continuing to drive Brianna Greyson insane with rage, but come the day we get after her, she'll suffer for everything she's done before we end her for good.

* * *

We were watching TV.

Alex came in.

Alex: Hey guys! Check me out.

We saw Alex come in and SHE WAS REALLY RIPPED! She looked like a really buff bodybuilder!

Me: WHOA! Alex you ARE RIPPED!

Lincoln: WHOA! (FLEXES MUSCLES) You and me are going to make awesome muscles together!

Nico: WHOA! We're surrounded with muscles!

Me: (Imitating Arnold Schwarzenegger) This team is going to really pump (CLAP) Us up!

We laughed!

Nico: YEAH!

Blitz (Road Rovers): (Arnold Schwarzenegger Accent) Oh this team is going to be perfect and handsome ja.

Jin (Flashman): Hey, guys. I got us lunch reservations to a cool restaurant.

Razer: That's nice. What's the name?

Jin: Sonic and Tails and the Sonic Sisters will love it. It's called the Iron Hot Dog. It's an all you can eat chili dog buffet restaurant.

Sonic, Tails and friends and the Sonic Sisters drooled like waterfalls!

Sonia Sonic: (SLURPS) OH BOY!

Sonic: BOY Do I love good chili dogs!

Qin: Me too!

Nico: What are we waiting for! Lets go!

We were off.

---

We arrived.

T Bone: Is this the place?

Jin: It sure is.

Me: Oh boy! I am starving.

Sonic: This place reminds me of Wienerville on Mobius and they made the best chili dogs around.

Tails: They sure did.

Me: Lets go get some grub.

We went in and got an awesome table.

We then went and got awesome chili dogs by the truck load.

We got to eating.

Sonic: Oh man. This is so tasty!

Tails: Oh boy!

We got to eating chili dogs by the lots!

We were hungry.

Sonic: MMM!

Tails: Boy these are great!

Lynn Sr.: Boy it sure is guys.

We were eating lots of them.

Nico: Hey, what's that guy doing?

We saw a man in a Hawaiian shirt and I recognized him. He was eating spicy chili dogs.

Me: (In my head) That's Koyama! I remember him and I love his style. (Out Loud) That's Koyama and I remember he is a spice demon in training.

Nico: Neat. You two would get along great J.D.

Me: Just what I was thinking.

I went over to him.

Me: Boy you sure love food spicy don't you Koyama.

Koyama: J.D. Knudson the ultimate spice demon! It's an honor to meet you.

Me: Same here to you Koyama. Boy you sure do love things spicy huh?

Koyama: I sure do.

Me: What's the hottest you've ever had?

Koyama: Carolina Reaper hot sauce covered burritos with the sauce on and in it

Me: Nice!

Jin: Hey, buddy. You're disturbing the other customers.

Koyama: Sorry. These are the hottest ever.

Me: You're eating Dragons Breath Pepper Chili Dogs. Those are the hottest ever.

Koyama: Oh that explains why I'm screaming a lot.

Me: How about you and I have a contest where we eat the mildest to the hottest?

Koyama: You're on and it's an honor to challenge you J.D.

Me: Awesome.

We were sitting at the table and facing each other.

We were eating chili dogs covered in hot sauces from mild to super hot.

Nico: Boy this guy is tough.

Qin: He sure is and I like it.

Xenia: He has what it takes to be a true spice demon.

Camie: Yep.

Me: Now for the hottest ever item.

I pulled out two jars of Moonscar Island Peppers.

Me: We drink and eat these jars of Moonscar Island Peppers.

EVERYONE GASPED!

Tayuya: This is gonna be fucking insane!

Lola: NO KIDDING!

Lori: This will literally kill them!

Lucy Loud: I'll be sure to say something nice at your funerals.

Nico: (Whispers) Guys, I know what's coming. So, get ready to throw food when I give the signal.

They nodded.

Me: Ready Koyama?

Koyama: Ready.

Me: One…

Koyama: Two…

Me and Koyama: THREE!

Me and Koyama guzzled and ate the peppers and juice and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I exploded into intense fire and KOYAMA WAS SCREAMING LIKE A BANSHEE AND RUNNING AROUND LIKE A CHICKEN WITH

ITS HEAD CUT OFF! FIRE EXPLODED OUT OF HIS MOUTH! Maria put him out with water!

Nico: WHOA!

Lori: That was literally amazing!

Everyone cheered for me!

Koyama: WOW! You are a true spice master J.D.!

Me: So are you Koyama! You did great!

Nico: So, I take it you've learned a lesson about disturbing customers?

Koyama: I have. But I can't help it. Now that the contest is over, I need more spicy food. MORE OF IT!

Me: UH OH!

With that, he was surrounded by an energy circle with the Flashman logo and tunred into Choushinseiki from Episode 30 of Donbrothers!

---

Koyama (小山) is a man who turns into a prism/supernova-themed Hitotsuki called Choushinseiki (超新星鬼 lit. Supernova Demon), possessing a Flashman Avataro Gear, out of his desire to eat more spicy food. He later evolves into Choushinseiking (超新星鬼ング Chōshinseikingu).

At a hibachi restaurant, Koyama asks for more hot chili sauce after he empties the bottle. The waiter advises against the customer's request as the sauce he already put on his meat is enough and having more cannot be good for him. Koyama says he is fine and loves really spicy food, snatching away the waiter's bottle and smothering all of the hot chili pepper sauce onto his grilled meat, eating it. He still isn't satisfied as the sauce lacks the intense heat he desires, wanting more hot and spicy food and the aura of Choushinseiki soon begins to take over him.

Koyama then changed into Chouseishinki and he starts devouring humans or "spicy food " as he perceives it. The Donbrothers arrive via teleport, though a frustrated Haruka says they have no time to fight the Hitotsuki as she is worried about her aunt. The team blasts Chouseishinki until he fires rainbow colored shooting stars, knocking them down. Inu Brother arrives and blasts the stars, delivering the message while he is there. This distracts the team and Chouseishinki gets away, with Haruka too focused on her aunt and breaking away from the team to rescue Yuriko on her own.

At the mansion, Jiro is busy handling Chouseishinki nearby. Sonoza uses a devastating attack with the Ninjarksword and the two Noto then escape. Jiro finishes off Chouseishinki with the Lightning Dragon Flash, excited he defeated a Hitotsuki again on his own as Taro gives him a score of 65 points out of 100.

Just as Chouseishinki becomes Chouseishinking, Taro orders them to focus and combine into Don Onitaijin and Jiro becomes Toradragonjin. Chouseishinking throws a miniature sun at the two robots and they barely manage to repel it. With such power, Taro orders everyone to combine into Toradora Onitaijin and they quickly dispatch Chouseishinking with an equestrian variant of the DonBros Fantasia.

Koyama: WOW! This is awesome!

Nico: Don Capsaicia! That is awesome!

Laney: And very fitting!

Xenia: Yeah it is!

Nico: Have some hot wings, sucker!

Nico threw several hot wings at him but all he did was devour them at a rapid pace.

Me: WHOA!

Chouseishinki: MMM! Give me some more.

Me: I love his appetite!

Koyama: Lets see how he likes this! PEPPER FIRESTORM BLAST!

He fired a wave of peppers and fire and Chouseishinki ate them. THEN…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

HE BURSTED INTO INTENSE FLAMES!

Me: OH YEAH!

Nico: Not even he can handle the heat from that!

Haruka: that was awesome!

Lola: YEAH!

Chouseishinki: J.D. how are you so awesome with eating so much awesome spicy food?

Me: Awesome tastes and awesome love for the spiciest foods in the universe. I love spicy food as much as you do.

Chouseishinki: You have awesome tastes.

Chouseishinki emitted a dazzling flash meteor from his chest at us.

I fired a wave of energy and the blasts collided and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: That was awesome!

I teleported and kicked Chouseishinki in his back.

Then he formed a Dazzling Flash Sword and I formed a fire sword and clashed with him and sparks flew all over.

Nico: YEAH!

ZAP ZAP ZAP ZAP!

We were really going at it like with the Jedi and the Sith!

I jumped back.

Chouseishinki generated cosmic energy beams from his head

He fired them and Nico fired waves of energy and the blasts collided and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Razor: Lets get him T-Bone!

T-Bone: You got it buddy!

Razor: Matchhead missiles! Fire!

They fired Matchhead Missiles and they lit on fire and they hit Chouuseishinki and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Qin: That was awesome!

Ben turned into XLR8 and tried hitting him at superspeed but he countered with several fighting poses.

Me: Ben he moves as fast as light so not even your speed at 500 miles per hour can face him.

Xenia Ulysses: Maybe this can!

ZOOM!

Her speed was MORE than enough to smash him down as she punched him square in the face with devastating force and smashed Chouseishinki into a fire hydrant!

Nico: YEAH! Way to go Xenia!

Qin: That was fast!

Me: Not even Chouseishinki is a match for the speed of an Evolved Kineceleran.

Qin: At 5,000 miles per hour.

He can consumed several civilians by inhaling them in with his mouth.

Chouseishinki: Lip smacking good!

Me: YUCK! I bet they don't taste like chicken!

I snapped my fingers and teleported them out of him.

Me: Try something else.

I fired waves of blood sausages and they went into his mouth and he ate them and swallowed them.

Homer: Have some creole!

He fired waves of creole foods and they went into his mouth!

Koyama: Boy he sure is hungry.

Nico: He has as big an appetite as me.

Me: You know the gross thing? I ate Freakzekiel's heart and that tasted like grass and bat guano!

Nico: SICK!

Eli: Sniff on this!

Eli pulled out a jar of garlic and ate it and swallowed!

ALARM KLAXON!

Eli pointed his butt at him and then…

SUPER LOUD GARLIC FART!

Choushinseiki coughed and gagged and he choked!

Nico: WHEW! That is

Choushinseiki generated five meteor stars. One was red, one was pink, one was green, one was yellow, and one was blue. They were fired at us.

Me, Nico, Eli, Nunnally and C.C. Fired energy blasts and and the blasts collided with the meteors and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH!

Xenia: Take that!

By combining yellow and blue energy from each arm, Choushinseiki creates a giant supernova-based star and fired it at us.

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEE HAAAAAAAAAAAAAAA!

I fired a Kamehameha Wave and the blast sent the Supernova Star up into the sky where it exploded harmlessly!

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: WHOA! That was powerful!

Nico: NO kidding!

Me: I got an idea! Hey Choushinseiki how about a cold one!

Poromon: YEAH!

Poromon then took out some beer and shoved the beer down Choushinseiki's throat!

Eli: UH OH!

Jamesdean5842: Boy this is gonna be a crazy idea!

He turned into a drunk dork!

Choushinseiki was drunk now.

Choushinseiki: (Slurred Speech) Hey buddy you ready for some (Hic) Fun! (BARNEY BELCH)

We laughed!

Me: That is funny!

Barney Gumble: Welcome to the drunk club! (BELCH)

We laughed!

Haruka: Avatar Change!

She turned into MYSTIC FORCE YELLOW!

Haruka: Feel the lightning!

She fired waves of lightning and smashed him all over.

But then…

KRASMASH!

A Gogoat SMASHED Choushinseiki down from behind with a powerful bash to the back!

Me: Whoa a Gogoat!

Nico: COOL!

Gogoat: (In a Girls Voice) Take that you stupid!

Nico: Colleen Swissberg!? WHOA!

Qin: Cool!

Me: Lets finish him off!

Taro: (to Dante) Congratulations on becoming a Donbrother.

Dante: Thanks.

Dante fired waves of yellow fire and blasted Choushinseiki all over.

Shinichi: But just don't rip off my Haikus, okay?

Dante: I won't.

Qin: This will be good.

Xenia fired waves of arrows and skewered Choushinseiki.

Acid Storm ran at Choushinseiki.

Acid Storm smashed him down.

Me: YEAH!

Gogoat: Take that!

Me: Now to finish this.

Nico: Lets finish him!

Taro: Lets!

Donbrothers, Me, Nico, Dante, Lyra and the Knights of the Friendship Table: SOLAR SYSTEM OF MAGIC FRIENDSHIP!

We formed a Solar System and they had the cutie marks of all of us and we fired waves of energy and the blasts all hit Choushinseiki and he exploded!

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

He was gone! I caught the Flashman Gear!

Me: YEAH! Choushinseiki You have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Nico: YEAH!

Twilight Sparkle: Knights of the Friendship Table…

Knights of the Friendship Table: Friendship is Magic!

Nico: That was awesome!

Acid Storm: That was spicy!

Me: It sure was!

Gogoat reverted back and she was a girl with green hair and green clothes and she had blue eyes and blue shoes.

Colleen Swissberg: That was so awesome!

Qin: Yeah it was!

Me: Yeah!

Slingshot: What's your favorite memory of Nico?

Colleen Swissberg: When me and Nico went to my family's cheese making factory and me and Nico ate all the cheese there and it was funny.

We laughed!

Nico: (LAUGHS) Yeah that was awesome cheese eating venture.

Nico and Colleen hugged.

Nico: I've missed you.

Colleen Swissberg: Me too Nico. Me too.

Me: Thanks for helping us again Taro.

Taro: Anytime J.D.

The Donbrothers teleported back.

We went back to the restaurant and saw the candy bar still intact.

Teresa: Good. No one ate the candy bar while the fight was happening.

Me: Thank goodness.

We payed for the meal and went back home.

But just as we were walking back home a fire hydrant opened up and a chute pulled us all in!

Me: WHOA! LOOKS LIKE IT'S TIME FOR A W.O.O.H.P. MISSION!

Stacy: WEEEE!

Nico: BEEN A WHILE SINCE THIS HAPPENED TO US!

We then crash landed in Jerry's office!

Jerry Lewis: Hello everyone.

Me: Hello Jerry. Its been a while.

Jerry Lewis: It has been a while.

Poromon then stopped his fall and flew into the office.

Jerry Lewis: Okay, I'm pretty sure that's cheating.

Poromon: Hey, fair's fair.

Ben turned into Goop and landed on the couch.

Jerry Lewis: Seriously?! That's a new couch!

Goop: Hey, you're the one who WOOHPED us.

Me: Okay that's enough guys.

Nico: That's funny though.

Qin: Yeah.

Me: Anyway what's the sitch Jerry?

Jerry Lewis: You might recognize this man.

We saw Ulrich Wernerstein!

Ulrich Wernerstein is the villain of the episode "The Incredible Bulk". He is a retired Mr. Planet (1977) and after years of obscurity, he made the Bulky Bar to make his competition go berserk. He was ultimately defeated by his own creation when Alex consumed many Bulky Bars and attacked him.

Me: Whoa! Ulrich Wernerstein! I've heard of him. He was the Retired Mr. Planet of 1977.

Jerry Lewis: That's right and I see that he got to your friends Carmen and of course Alex.

Sam Simpson: I knew this was his work.

Me: Wait he did this to Alex before?

Sam Simpson: He sure did.

Nico: Oh man!

Eli: Not good.

Nico: So, we got another one of your old enemies running loose, girls.

Sam Simpson: Yeah. He made a lot of bodybuilders go berserk with his bars to try and take over the world and destroy all gyms everywhere.

Qin: Shit!

Me: GEEZ!

Nico: Yep.

Me: And our mission is to stop him.

Jerry Lewis: Exactly. We assume that he is trying to finish what he started in the past. Your mission is to stop him from doing so.

Me: Affirmative. We're on our way.

The previous group came.

Bizarro: Can me, Roman, Carly, Devack, Misty Tredwell, Kalin, Greiger, Rex, U-Foes and Kangor not go with you guys?

Vapor: And I didn't expect Koyama to become a Donbrother.

Nico: It was really fitting for him. And to answer Bizarro's question no you can't come with.

Vapor: Translation yes we can.

Nico: Yeah.

Me: Boy I can't remember the last time we went after one of Sam, Clover and Alex's enemies.

Nico: It has been a while.

Diana Lombard: Last time this happened, Macker came back with his dumb clone project, and Lincoln got rid of those clones and he, Sam, Clover, and Alex gave that monster the beatdown of his life and sent him to The Black Gates, I hope what they got for Ulrich Wernerstein is just as painful, but one that lands him in jail.

Sam Simpson: We already have a plan to throw him back in jail, Diana.

Lincoln: That's right.

Nico: And I have a plan to beat Ulrich.

Me: Lay it on us.

Nico: It's still in the developing stage. But I think I have a good idea.

Carly Atlas: But how did Alex get muscular again anyway?!

Me: These.

I showed a Bulky Bar.

Me: Alex ate one of these. And so did Carmen. They got super ripped as a result. We found out that these bars are infused with super concentrated Anabolic Steroids.

Misty Tredwell: RIGHT! I remember that!

Carly Atlas: Geez! I remember too. But that still doesn't explain it.

Alex: Oh I accidentally ate one in the gym that got put into my workout gear.

Me: Oops.

Xenia: No worries.

Nico: My plan is to use these bars against Ulrich.

Me: Oh I get it! Beat him at his own game. Fight fire with fiire.

Nico: Bingo.

Me: Well I'll partake in that too.

I pulled out a package of Venom Slappers.

Bai Tza: Might as well get Carmen and Alex back to normal first.

Lisa Loud: Luckily I did make the antidote for this.

She pulled out a green liquid.

Alex: Thanks Lisa.

She injected them with it and they shrunk down and were back to normal size.

Alex: Ahh. That is better.

Carmen Vennez: That is much better.

Qin: Thank goodness.

Misty Tredwell: Jerry, can you give us the gadgets for this mission?

Jerry Lewis: Coming your way.

For the girls they got Catsuit, Compowder, 20,000 volts Electroshock Powder Puff, Homing Beacon Band-Aid, Jet aircraft, Telescope, Jetpack Backpack, Oxygen Enhanced Gum and Super Sticky Lip Gloss and the guys got other stuff.

Me: Perfect.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure

was in the vision: the figure was Alana Cameron of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Alana Cameron of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap her in a force field.

Sadie: While you and I deal with Alana Parker and put an end to her for good, Lincoln.

Lincoln: Right, Sadie. But, we also got to watch it though, Alana Cameron will no doubt have her machine guns with her.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to take down Ulrich Wernerstein.

Lincoln: We'll teach that muscle-bound behemoth not to make other people hulking and strong without their consent, and once we get done taking down Ulrich, you're next, Alana Cameron.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past, and you just stepped in deep shit now, Brianna Greyson, you're going to lose more than just your mind when you also show up.

Sadie: No way are we forgiving you for any of your actions, Alana Cameron, you better be ready to pay the price for your foul misdeeds after we take down Ulrich Wernerstein.

We were on our way.

Lincoln put up a rainbow energy field around The World Tree Estate and we head off for our next mission, and that's to take down Ulrich Wernerstein, and once we get done taking that muscle-bound behemoth down, it would soon be the turn of Alana Cameron of The Legion of The Lincoln Haters to meet her fate with The Grim Reaper and The Black Gates.

Shego: Now we just need to know where to find him.

Sam Simpson: He's in his mountain castle in the Alps.

Me: Lets see.

I did a satellite scan and found it in the Alps and it was a beautiful mountain mansion.

Me: Whoa nice place.

Xenia: It sure is.

Me: Perfect for an Arnold Schwarzenegger lookalike.

Misty Tredwell: Yep.

Ironclad: You think he's as tough as me right now.

Greiger: If he ate many of those bars, he probably is.

Me: We'll see about that.

Nico: That is for sure.

Lola: Yep.

Nico: This will be fun.

Clayface: Alright, let's prep the WOOHP Jet for takeoff.

Me: Right.

I pulled out the capsule for the WOOHP Jet and pressed the button and threw it and then…

BBBBBOOOOOOOOOOOOOOOOOMMMMMM!

It appeared and was ready!

Nico: Nice!

Xenia: Awesome!

Me: Bulma really thinks of everything.

Lola: Yep.

We got it ready and we were off.

Zuria: What does WOOHP stand for?

Me: The **W** orld **O** rganization **O** f **H** uman **P** rotection. It's an organization like the CIA, the FBI, INTERPOL, Scotland Yard and all the major law enforcement agencies of the world.

Lincoln: And their duty is to bring the most dangerous criminals of the world to justice.

X Ray: J.D. and the others met them in 2019.

Vector: They've been good friends ever since.

Lincoln: Thanks to me actually.

Me: We met Sam, Clover and Alex in Colombia when we were on the Ridonculous Race.

Nico: I remember that.

Camie: That is cool!

Sonic: It sure is.

Sonia Sonic: I think it's awesome.

Sunny Starscout: Boy that is amazing.

Me: It sure is.

Nico: Yep.

Me: Ever since then we helped Sam, Clover and Alex defeat some of their most dangerous and evil enemies.

Nico: Yep.

Demona: Personally, I've found mixed nuts bars to be more healthy

Me: Me too.

Jared: I eat only fruits and vegetables.

Me: My son has ALWAYS been a really healthy one.

Nicole: That's my big bro.

Qin: Yep.

Lynn: I don't need protein bars to get me buffed up. I eat raw eggs and protein shakes.

Kangor: (Jamaican Accent) I think you should keep doing that, mon

Lynn: I sure will.

Crag: And me and the boys always eat steak and eggs and we love our beef.

Luna: You sure do dudes.

Me: Yep.

Zuria: What was your favorite mission with the girls?

Mary: I've always liked the one where we defeated Inga Bittersweet.

Alex: (GROANS) I was so fat from all those cookies.

Mary: But those cookies were really delicious.

Camie: What was that like?

Me: You could say it was a mission where we literally indulged Mary's Sweet Tooth.

Rhino: Carmen posed a Girl Scout cookie seller.

Me: Yep.

Carmen Hunnicutt: I looked really cute as a girl scout.

Me: Here's what happened.

I went over what happened in chapter 733.

---

It starts at the Gotham Royal York Police Station. Me, Nico, Syd and Sydney were bringing in 3 more criminals.

Sheila: Hey guys.

Me: Morning Sheila. Just caught 3 more asshole muggers trying to rob a woman in the streets.

Sheila: Oh yeah. We've been after these guys for a while. Great job.

We dropped them on the floor and then an explosion bursted through the wall of the station. Out of the dust came a gene-slammer that was half human, half crocodile.

Me: Whoa!

Snapjaw: Afternoon guys. The name's Snapjaw! I used to be Naomi Orlimar.

Sheila was shocked. She knows Naomi.

Sheila: Naomi? What happened to you!?

Me: She's half human, half crocodile. Without a doubt this is the work of Dr. Shitface Paradigm.

Sheila: But Dr. Paradigm is dead and he specialized in Ocean Creatures.

Me: No, this is the work of his brother Dr. Roland Paradigm and he specializes in gene-slamming with Land Animals.

Sheila: I didn't know that Dr. Paradigm had some siblings.

Me: Stacy came to that discovery when she saw that her friend Nicole Pottor was turned into half cheetah. We also have a strong feeling that there's another member of Dr. Luther Paradigm's family that specializes in animals from the air.

Sheila: That is unusual.

Sydney: It's also pure evil and they are ruining the laws of nature.

Me: Yeah.

Snapjaw: I will turn you all into lunchmeat!

Me: Not on our watch you overgrown leather purse! Sheila, I'm going to transform you into your mutant form so you can subdue Naomi. I know it's something you don't want to have happen, but we have no choice.

Sheila: I understand J.D. Okay.

Me: It's gonna hurt Sheila. But I can give you the ability to transform into your mutant form at will.

Sheila: I'd like that J.D. I'm ready.

Me: Okay. Here goes.

I snapped my fingers and Sheila was in a lot of pain.

Sheila (holds her stomach in pain): I forgot how much this hurts!

Sheila fell down to all fours. Much to her horror, her feet and hands changed into spider feet, ripping apart her sneakers.

Sheila: Well, time for me to mutate again (her breasts vanish) Well, there go my breasts!

Her body expanded into a spider monster body, removing her neck and ripping away her police uniform. Her buttons flew off her uniform as it was tearing. Sheila was a spider monster with a human head and blue underwear right now.

Sheila: Never thought I'd be happy to become a monster again!

With that, Sheila's biue underwear ripped off. Sheila's brown hair fell out as she grew more eyes, her teeth sharpened, and she gained a spider monster head. A spider monster stood where Sheila stood just a few minutes ago and it roared.

Sheila jumped and pinned Snapjaw down.

Me: Syd, Nico, pin down Snapjaw. I'm going to change them back.

Nico: But I can't cover my eyes if I'm doing that.

Me: Leave that to me!

Nico: Okay.

Snapjaw: Let go of me!

Nico: Not a chance Naomi! We're here to help you.

I grew an octopus tentacle and covered Nico's eyes.

Nico: Clever. Thanks.

Me: No problem. Here we go. Everyone cover your eyes.

I snapped my fingers and then Sheila and Naomi changed back. Naomi had black hair and she was an oriental girl. Sheila was turned back but she was unclothed. She got up.

Sheila (covers her naked body): Can you guys please get me a towel to wear?

Me: Hold on Sheila.

I pulled out a robe for her and she put it on.

Sheila: Thanks J.D.

Me: No problem. Lets get you and Naomi back to the estate.

Sheila: Good idea.

Me: I'm sorry you all had to see this.

Officer Paul: No worries J.D. But great job.

Me: Thanks Officer Paul. If we have anymore bad guys for you, you'll know.

Officer Paul: Will do.

We left the station and went back to the estate carrying an unconscious Naomi.

Back at the estate, Mary and John were playing pool.

Mary: 8 ball in the corner pocket.

Mary hit the cue ball and it knocked the 8 ball into said pocket.

John: Nice shot Mary.

Mary: Thanks John.

The door opened and in we came.

Naomi was awake and she wearing a green robe.

Me: We'll get you guys some new clothes.

John: What happened to them J.D.?

Me: Naomi Orlimar here became a land Gene-Slammer called Snapjaw. She became this way because of Land-Slammer Paradigm.

Clint: That guy is a monster!

Bobby B.: Yeah. He needs to be destroyed for good.

Me: We will kill him when the time comes. But for now lets get Naomi and Sheila here some new clothes.

I handed Sheila a towel and she put it on.

Maria: Okay. Lets head up to Leni's room.

Sheila: I hope I can find some better clothes for me.

A bunch of boys were looking at Sheila and doing cat calls and saying perverse things.

Sheila turned her head into her spider form. It turned into a big ugly mouth with razor sharp teeth and roared ferociously at them and it caused the boys to turn yellow with fear and they ran out of there like frightened chickens! Sheila's head reverted back.

Me: (GULP) That was terrifying.

Sheila: I know. But it serves them right.

Nico: No kidding.

Sheila: Lets get me some new clothes.

Me: Leni is a genius when it comes to fashions.

Sheila: At least it'll be better than the clothes I once had in the underground city.

* * *

Sheila: (Narrating) When I was trapped there with everyone I had a tattered green dress and green shoes. I was a total prisoner until I was cured.

Sheila then transformed into her horrific spider monster form and her clothes were shredded apart.

FLASHBACK ENDS

Me: That's awful Sheila. But don't worry. We'll get you all set.

We went into Leni's Room and we were getting everything ready. Later Naomi and Sheila were looking at themselves in the mirror. Naomi had a green t-shirt with a crocodile on it. She had sleeveless trench coat with crocodile scales and the kanji for Crocodile Enforcer on it. ワニエンフォーサ She also had blue jeans on and brown shows. Sheila had a black shirt with a spider on it and she had a black sleeveless trench coat with the kanji for Spider Assassin on it. クモアサシン She also had black pants and brown shoes.

Naomi: I look amazing!

Me: You two look incredible.

Shelia: Thanks J.D. Leni is an awesome fashion designer.

Me: Leni is an amazing fashion designer. She made me my fire trench coat. I also have this on my back.

I had the kanji for Phoenix Firestorm on the back. フェニックスファイアストーム

Sydney: That's an awesome name. Phoenix Firestorm is perfect for you.

Me: Thanks Sydney. Question Sheila. What were you doing before you were turned into a monster by the Shredder?

Sheila: I was walking home from the grocery store. I was abducted by the Shredder and his Foot Ninjas and then everything went black after that.

Me: (Growls) I'm glad we killed the Shredder and sent him and his Foot Clan fuckers straight to Hell where they belong.

Maria: I am too. The Shredder was an absolute monster.

Me: Naomi how did you become a Land Gene-Slammer?

Naomi: Well it was last night.

---

Naomi: I was done with my day of work at the police station. I had just gotten home and then I felt a tranquilizer dart hit me. At first I thought it was nothing. But then I was in excruciating pain. I thought it was just a stomach bug. So I went to bed. Then the next morning I woke up as a half human, half crocodile gene-slammer. But I had no control over myself. I was being controlled some how.

FLASHBACK ENDS

Me: Ronald Paradigm used a mind control serum on you. And me giving you the ability to change at will got rid of it.

Naomi: It sure did.

Me: We will kill him and send him off to Hell with his brother. I promise you.

Later in the living room we were watching TV and playing video games. Lincoln and Nicole P. were playing racing games. Suddenly the buzzing of a fly was heard.

Laney: Uh oh! A fly is in the house!

Edd got a flyswatter!

Edd: Okay. We're safe. Everyone stay calm. I've got it under control.

Lori: Where is that stupid fly!?

Eddy: "It's on Ed!

Ed: Get it off, Eddy, get it!" [Eddy hits Ed.]

Eddy: [slapping Edd on the back] Bingo! Gah. This guy's quick! [grabbing the flyswatter] I got it I got it! [Ed hits him with a newspaper.] Ow!

Ed: [swatting at the air] "Prepare to meet your doom, buzz-bug with wings that flies!"

Lola: [bringing the flyswatter down on Ed's head] There it is! (SMACK!) Hey, get back here! [knocking Edd and Eddy over] Look out. It's too fast! There it goes! I got him! I see him! I got him! I see him! I got him!"

[The fly zooms into Lola's mouth.]

Lola: (No Sound)

Ed: What? I can't hear you, Lola. [coming to the obvious solution] MY EARS ARE BROKEN!

Edd: It seems the fly has lodged itself in Lola's voice box. Disabling her ability to talk.

Eddy: This reminds me of the time that happened to me. I had a fly get stuck in my voice box and I lost my voice.

Lori: That literally is not good.

Luan: That stinks. That is something that no one can Buzz about. (Laughs to rimshot) Get it?

Most of us laughed while everyone else groaned.

Me: (Laughs) That was a good one Luan!

Danny (turns his hand intangtible): Hold still, Lola. I'll have that bug out in no time.

Lola complied and Danny stuck his hand into her neck and pulled out the insect.

Danny: Got it.

Lola coughed and gagged hard. Laney got her some water and Lola drank it.

Lola: Ah. Thank you Laney and Danny. That was really clever though.

Lisa: Indeed it was.

Maria came in and she had a box full of cookies.

Maria: Hey guys. Would any of you want some cookies?

Me: No thanks Maria, but thanks for offering.

Mary: I'll have one.

Nico: Same.

Mary tried one and it was extremely tasty.

Mary: Wow! These cookies are delicious!

Nico: Mmm! Boy I'll say. Whoever made these did a really good job.

Mary's brown aura flared up and she then suddenly underwent a massive power increase! We felt her energy skyrocketing at an astronomical level.

Me: Holy mackerel! Mary what are those cookies doing to you!?

Mary: I don't know but they are much more powerful than when I ate a whole huge box full of chocolate!

Alex: (Offscreen) I hope they don't turn you into like how I have become.

We turned and we gasped as we saw that Alex was now fat and obese.

Me: Alex what happened to you!?

Lori: Yeah you were literally skinny as a toothpick yesterday.

Me: And now you've really let yourself go! What happened!?

Alex: It's because of Inga Bittersweet.

Me: Inga Bittersweet? Who's she?

Sam (TS): She's a former girl scout that wants to punish the world for being kicked out of the girl scouts.

Me: It sounds like you have a bad history with her. Lets see here.

I went to the computer and looked up her profile.

---

Inga Bittersweet was formerly a Happy Girl (a parody of the Girl Scouts) as a child. However, she was expelled from her troop because she ate the cookies instead of selling them like she was supposed to do. With that, she then spent the next 20 years planning her revenge.

She developed a highly concentrated sugar extract and used the formula in her own brand of cookies called Passion Patties (a parody of the Girl Scout cookie), and anyone who ate them was instantly addicted to them. The extract was also fattening enough to cause obesity within a day (judging from Shirley Rogers, Jerry Lewis and Clover's change in appearance). Dr. Bittersweet soon used her Passion Patties to dominate the cookie market.

The cookie craze quickly caught the attention of Jerry, who sent Samantha, Alexandra, and Clover to investigate and stop her scheme. During the infiltration of her production factory, she caught them and hooked them up to an automatic feeding machine to sumo size them. As she gloated about her imminent victory, Clover (who ate the cookies and had become sumo sized) managed to sneak a homing device onto Inga, which led the spies to her Arctic storage facility.

The girls tracked her down and defeated her by forcing her to drink a vial of her sugar extract. She inflated to Clover's size in seconds, and the girls left her to eat the cookies until Jerry arrived.

---

Me: She got kicked out of the girl scouts for eating all of their cookies!?

Mary: That's really stupid. I do love girl scout cookies but even I have my limits and know how to control myself.

Lana: Me, Lola and Laney are Bluebell Scouts and we sell cookies also. But we also have our limits as well.

Lola: You said it.

Laney: I know.

Me: We need to find out what's in these cookies.

Gru: I have an idea. We can have Agnes, Carmen, Margo, and Edith pose as Girl Scouts and sell my cookie bots to Bittersweet. That way, we can get a close look on what the cookies are made of.

Me: That's a great idea Gru. Proceed.

Gru: Okay.

Carmen, Margo, Agnes and Edith dressed up as Girl Scouts and went to Inga's house.

At Inga's house in Helena in Montana, Carmen, Margo, Agnes and Edith were at the house of Inga Bittersweet. Carmen rang the doorbell and Inga answered it.

Inga: (European Accent) Ja?

Carmen: Would you like to buy some cookies?

Inga: Oh my what adorable girl scouts. I'll go get my wallet. How about you all come on in while I do so?

Carmen: Thank you ma'am.

They went in and sat at the table. The cookie bots took some of the passion patties cookies and they put them in one of the extra boxes of cookies they had. Inga bought 20 boxes of girl scout cookies and she handed them the money. They left.

---

Back at the estate we analyzed the cookies. We saw their chemical composition and we saw that they were made with an incredibly highly concentrated sugar extract that makes people really fat and obese.

Me: They're made with highly concentrated sucrose extract. It's powerful enough to make anyone fat and obese and diabetic.

Lincoln: These cookies are a recipe for disaster!

Me: We got to stop Inga or else Diabetes medicine prices will skyrocket through the roof.

Nico: She does make really good cookies though.

Mary: She sure does. But she gives the girl scouts a really bad name! And I won't stand for it!

Me: Me neither. I love sweets as much as anyone else but she is ruining the love of candy and sweets everywhere!

Mary: She'll be perfect for the Null Void.

Me: No she's not that dangerous.

Nico: She sure makes really good cookies. She would be perfect as a cafeteria worker in one of our space prisons.

Me: Good thinking Nico. Lets get her guys! And when we get back Alex, you're going on a diet and going on one of our strongest exercise regimens. Team Loud Phoenix Storm, lets fly!

We set out for Helena, Montana.

At Inga's factory that makes her cookies, Inga was smiling. Suddenly a massive fiery explosion blasted through the roof of the factory and a phoenix cry was heard.

We landed and we were facing INGA BITTERSWEET herself!

Me: Inga Bittersweet, I presume?

Inga: That's right. J.D. Knudson and Team Loud Phoenix Storm.

Welcome to my factory.

Me: You're under arrest for selling diabetic cookies!

Inga: I want to punish the world for what they did to me in the Happy Scouts!

Me: You really loved their cookies didn't you?

Inga: I couldn't help myself! They were so good! I was expelled from the scouts because of that. But that's why for 20 years I worked on my recipe to punish the world for this atrocity done against me!

Me: You should've learned how to control your cravings better.

Maria: I agree.

Lincoln: Your cookies may be good but look what they did to Alex.

Laney: If she keeps eating them she's gonna turn into a diabetic blimp!

Syd: Yeah! We won't let you turn everyone into insulin shot pumping blimps!

Me: Insulin prices would skyrocket because of you!

?: Then you all will die before I let that happen!

Me: That voice!

Spiderman: I thought I would never hear that voice again.

A Heartless appeared. But it was once someone that we know all too well.

The Heartless that appeared before us was a familiar foe with real tentacles that have ugly mouths on them. (Think of the ugly tentacles from the ugly mutant octopus in the movie Deep Rising)

Me: Dr. Otto Octavius A.K.A. Doctor Octopus!

Nico: But how!? You killed yourself right in front of our eyes!

Spiderman: Doc Ock?! (smirks below his mouth) Geez, did you get a makeover at the Ugly Heartless store?

Hellmouth Octopus: Hello, Spider Man. Or should I say, (smirks) Peter Parker?

Me: What the hell happened to you!? You look even more fucked up than when you were when you took your own life.

Hellmouth Octopus: You like it? I was made stronger than ever!

Nico: You are even more disgusting than when everyone faced you ages ago.

Spiderman: No kidding.

Hellmouth Octopus: And it's also got some new features.

The Hellmouth Octopus fired a blast of acid at the floor in front of us and it was far more powerful than Xenomorph Acidic Blood! It was so extremely corrosive that it burned and dissolved a huge hole all the way through the factory floor and it was eating through the basement floor.

Me: Whoa! That is some extremely strong acid!

Lisa got a sample and analyzed it.

Lisa: It's highly concentrated fluoroantimonic acid. A superacid that has enough power to burn through and dissolve anything. Even the strongest metal in the world.

Me: Wow! That is some powerful stuff! If it is strong to burn all the way through the factory then it can dissolve anything into mush!

Hellmouth Octopus: Do you know why I committed suicide, Parker? (launches tentacle but Spiderman avoids it) It's because you ruined all of my plans! (launches another tentacle that Spiderman avoids) You put Electro, Mysterio, and Vulture in inescapable prisons. You turned Rhino, Shocker, Kraven, and Sandman against me. (sprays acid but Spiderman dodges it) You ended up killing Scorpion, Hobgoblin, and Hydro Man. In short, you are the exact reason I ended my own life!

Spiderman: C'mon, Doc! We actually were going to throw you in one of the space prisons. But now I won't even get to make fun of you in prisons because of what you did to yourself!

Me: Yeah you're even more uglier and fucked up than when we first fought you. But now we get a chance to finish some unfinished business.

---

Otto Gunther Octavius, better known as Doctor Octopus, is a major antagonist in Marvel Comics and a frequent adversary to Spider-Man and the X-Men. He is a genius supervillain and former atomic scientist who can control four mechanical arms grafted onto his body.

Born in Schenectady, New York, Otto Octavius had something of an unhappy childhood. His father Torbert was abusive and violent towards both Otto and his mother Mary. Otto was determined not to become like his father and put all of his effort into his education, regularly scoring top marks.

Unfortunately, a combination of Otto's shyness and good school work got him labeled as a "teacher's pet" and he became a target of bullying. Otto eventually became a brilliant and respected nuclear physicist, atomic research consultant, inventor, and lecturer. One of his most iconic inventions was a set of highly advanced mechanical arms controlled via a mind-computer interface to assist him with his research into atomic physics.

Unfortunately, there was an accidental radiation leak that ended in an explosion and those "wonderful" mechanical arms became fused to Octavius' body. His tentacles were made of adamantium, and had the strength to crush materials stronger than a block of cement. They were telescopic and could stretch over 20 feet.

The arms could be used for walking, lifting or throwing heavy objects, or climbing. Octavius could telepathically control the arms, even when they were not connected to him.

The accident also seemed to have damaged his brain and the scientist turned to a life of crime. His very first criminal act was taking the hospital hostage and proclaiming himself Doctor Octopus, the derogatory nickname that his co-workers had originally given him.

In their first encounter, Octopus defeated Spider-Man by tossing him out of a window. Following this defeat Spider-Man considered giving up his heroic career, but was inspired to continue his heroic career by the Human Torch and ultimately defeated Doctor Octopus. Since then the Good (or Bad) Doctor has gone on to become one of the most identifiable members of Spider-Man's rogues gallery. He was actually Spider-Man's first arch-enemy, especially during the early days before Norman Osborn began rising to prominence.

After his first few defeats at the hands of Spider-Man, Doc Ock contacted several other super-enemies of the web-slinger (Electro, Sandman, Vulture, Mysterio, and Kraven the Hunter) to form the Sinister Six, to trap and destroy Spider-Man. Even this plan failed however, and Ock and his cohorts were once again imprisoned. Octavius continued to be a thorn to Spider-Man, and concocted many schemes that often involved taking over the world and/or forming a different version of the Sinister Six. One of these schemes was his taking on the guise of the Master Planner, a mysterious crime lord. Doc Ock has mostly battled Spider-Man, but has also had run-ins with other heroes such as Daredevil and Iron Man. Ock once even led a version of the Masters of Evil against the Avengers.

After years of fighting Spider-Man, his body began to succumb to the injuries he had sustained over the years. As a way to prevent his death, Otto switched bodies with Peter Parker. Before dying in Otto's body, Peter urged Otto to change for good and succeed the Spider-Man mantle with his last breaths. Otto complied, swearing to become better and a more superior hero, resulting a more brutal, but still trying-to-be-heroic Spider-Man. Unfortunately, he found himself slowly slipping back into evil, starting with his attempted erasure of a fragment of Peter Parker's soul. He eventually had a realization that he was doing more harm than good by the time Peter's soul fragment came back from the dead, and relinquished control of Peter's body, erasing his own consciousness as penance. As Otto died, he told Peter that Peter was a better Spider-Man and a better person than Otto (the self-proclaimed superior successor) could ever hope to be.

However this would not be the end of Otto Octavius, as the doctor managed to create a digital copy of his consciousness prior to his death and stored it within one of the gauntlets of his Superior Spider-Man suit. Eventually, Otto's backup mind sprung to life and began its search for a new body to inhabit. Otto had planned to repossess Peter Parker's body again, but fearing Peter's mind would reject him, he decided to inhabit the Living Brain and wait for the right time to present itself. Otto was forced to act as Peter's assistant at Parker Industries (a company founded by Otto during his time in Peter's body) which he did until he learned that his original self admitted Peter's superiority over him at being Spider-Man. The news caused Otto to go berserk, sending the Living Brain on a rampage until it was destroyed by Spider-Man. Afterwards, Otto escaped in an Octobot and believed Peter's body must have done something to his consciousness to have him make such a claim. He then abandoned his plan to control Parker in favor of locating his original body instead.

Octavius soon learned that his body was taken by New U Technologies to be cloned alongside various other corpses. However, Otto used this to his advantage by allowing his body to be cloned so he can control the healthier copy. He eventually succeeded in gaining control of his clone and became Doctor Octopus once more. However, like all New U clones his new body suffered from the Carrion Virus; a illness that causes cellular breakdown, so he made an alliance with the new Jackal (who was CEO of New U Technologies) to find a cure. When Spider-Man infiltrated the company's headquarters, Doc Ock ambushed him and revealed himself to his foe of having been a copy of the original Otto's mind and his time as the Living Brain before easily defeating him. Ock was about to finish Spider-Man off but was stopped by the Jackal who told him to stand down.

While working at New U Technologies, Doctor Octopus decided to use the Jackal's cloning equipment to try and create a new clone which was completely immune to the Carrion Virus. Otto constructed the clone by splicing Peter Paker's DNA with his own, toying with the idea of transferring his consciousness into it upon completion and regaining all of Spider-Man's powers with no presumable side effects to his mentality. He eventually succeeded at creating what was dubbed the Proto-Clone before his partnership with the Jackal suddenly went sour. Doc Ock betrayed him and sped up the effects of the Carrion Virus in all those infected with it, including Ock himself, but then managed to body-hop into the Proto-Clone and left his other clone body to crumble into dust.

Octavius later caught a ride to one of his old bases to find it already occupied by members of Hydra. He quickly dispatched the intruders only to be confronted by Arnim Zola who offered him an alliance to take down Parker Industries. Otto accepted due to his dislike over Peter Parker's management of the company and to gain access to Hydra's resources. He then designed himself a new costume and outfitted four new mechanical tentacles on his body before rebranding himself the Superior Octopus. Otto then met with Peter as the Superior Octopus to give him an ultimatum. Either Peter signs over ownership of Paker Industries over to him now or he will soon take it by force. Peter refused Ock's offer and in response, Otto gives Hydra the go-ahead to destroy the company's European branch.

True to his word, the Superior Octopus returns a couple of days later to gain control of the company and is inevitably faced with resistance from Spider-Man. However, Otto underestimated how far Peter was willing to go in stopping him and Hydra, as Parker gave his allies the signal to destroy all the company's files, research and assets, thus shutting Parker Industries down for good. Spider-Man had also gained the upper hand against the super-powered Ock by causing his mechanical arms to malfunction. Defeated, Otto made his retreat back to Hydra's base where he was praised by Arnim Zola for eliminating Parker Industries, much to Otto's annoyance. Later, the Superior Octopus became part of Hydra's Avengers and battled against resistance at Washington D.C., but was again defeated after one of their members betrayed the team.

After Hydra's downfall, Octavius abandoned his Superior Octopus alias and retook the name Doctor Octopus once more before soon learning that Carnage planned to harm Spider-Man's loved ones. Otto still retained some of Peter Paker's memories and felt compelled to stop the villain, but was seemingly killed while doing so. However, Otto survived and used the opportunity to change his identity. Now operating as Dr. Elliot Tolliver, Octavius began preparations to make his comeback as the Superior Spider-Man.

Hellmouth Octopus: And what unfinished business is that?

Me: Instead of sending you to prison, we're going to kill you like we should've done in Australia.

Nico: Dr. Otto Octavius A.K.A. Dr. Octopus, you have failed this world!

Me: More like he has failed all of the universe! Mary, you face Inga and we'll face this Dr. Octopus freak!

Mary: You got it dad.

Me: Power up!

We transformed and went at the Doctor Octopus Heartless.

I punched him in the face and kicked him in the chest. Spiderman fired a blast of web at his face and kicked him in the face.

Laney tied him up in vines and threw him into a machine and destroyed it. But out of the machine rolled a dark orb. I picked it up.

Me: So Inga was using a dark orb to power her factory. Well never again!

I crushed it and we got a massive power boost.

Lincoln fired a blast of lightning at the Hellmouth Octopus and blew the tentacles off.

Me: I liked you better when you had those cybernetic tentacles. Not some cheap knockoff of the ugly tentacles from that octopus monster in the movie Deep Rising.

Doctor Octopus spit at me and it hit me in the face.

Me: Oh yuck! You are one seriously fucked up monstrosity Octavius! Plus when was the last time you used mouthwash?

Lola: Never. Since he spent all his time dead.

Me: You're not the only one that can grow tentacles out of his back.

I sprouted gruesome slimy tentacles covered in blood and slime and they turned into gruesome flesh flowers.

Stacy: Now that is wicked awesome!

Kate L.: J.D. has shape-shifting powers and he can turn into anything. He used these kinds of transformations to scare two bullies named Hawk and Hank and he scared them so bad that he soiled their pants 3 times. But these transformations are from an extremely horrific and nightmarish experience I've had down in Antarctica. It was a nightmare that will forever haunt me. They are from a terrifying shape-shifting alien monster I know called The Thing.

Stacy: Like in the movies from 1982 and 2011?

Kate L.: That's right.

Stacy: Oh man! That's horrible what you went through. Kate, I'm so sorry you went through all that.

Kate L.: It's all right Stacy. But I've recovered and I'm all right with J.D. transforming into the creatures from The Thing.

Stacy: I'm glad you're getting better Kate.

Trudy: Me too Kate. That was awful that you went through all that.

I sent a flesh flower tentacle at his face and it chomped onto his face and ripped his whole face open and he screamed in excruciating pain. Splattering his blood everywhere.

Me: Yummy. Now to finish you off. Combo time guys!

Nico: You are gross dude. But great job.

Me: Thanks Nico.

Omega Supreme (Energon): You got it J.D. CYBER KEY POWER!

The Universal Cyber Planet Key went into his arm and it enhanced his Final Impact blast 100-Fold.

Billy (GAOBAM): Time for some action! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his device and gave him majorly explosive acidic flatulence.

Omega Supreme and Billy: FINAL FARTSTORM BURST!

Energon Omega Supreme fired a massive blast of energy from his right arm fingers and Billy (GAOBAM) fired a massively explosive and extremely corrosive fart.

KRAAAAAAAFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRRTTTTT

The blasts combined and they hit the Dr. Octopus Heartless and burned him badly as a massive blast of energy and flaming fart gas.

Gravity Man: Time for some heavy firepower! GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into his arm and it enhanced his Gravity Hold 100-fold and it also gave him the ability to form weapons of gravity energy.

Brawn: Time for some heavy strength! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and it enhanced his strength 10,000-fold and it gave him the ability to fire powerful energy blasts that can possess enough power to obliterate the strongest of boulders and buildings.

Gravity Man and Brawn: GRAVITY SWORDHAMMER PULVERIZER!

Gravity Man formed a Swordhammer and Brawn had the strength to lift up a whole planet. Brawn punched the Dr. Octopus heartless and Gravity Man slammed his hammer and the combined force of their hits caused his tentacles to explode into a gruesome mess. The Dr. Octopus Heartless landed on the ground.

Me: You disgust me Octavius. You were once a brilliant scientist with so much to give for humanity. But you threw it all away all for your insane ambitions and that makes you even more fucked up than all the other villains we've killed in the past.

Hellmouth Octopus: I HATE YOU KNUDSON!

My aura flared up with incredible power!

Me: Thanks for the power boost. But it's time for you to go back to hell where you belong. Goodbye and good riddance!

I fired a massive energy blast at the Dr. Octopus heartless and it enveloped him and exploded.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion completely obliterated him in an instant. Killing him instantly. Dr. Octopus was sent into the River of Fire. But the fight wasn't over yet.

Mary was facing Inga Bittersweet.

Mary: You may make delicious cookies Inga, but there is one ingredient that you forgot to add into your recipe.

Inga: And what is that?

Mary: All recipes are always made with love and they come from the goodness in your heart! Plus, I have some new friends I want you to meet.

Inga: What do you mean?

Mary: I have the perfect backup force to help me take you down!

Mary pulled out a special ring and it was covered in diamond and it had a symbol in the shape of a jewel with the symbol of Team Loud Phoenix Storm on it. She put it on her finger.

Mary: CRYSTAL BRIGADE, SHINE FORTH!

Mary held her hand up and the ring shined a rainbow beam of light into the air and a jewel appeared in the air. It turned into a portal and out came the Crystal Gems: Steven Universe, Connie Maheswaran, Garnet, Amethyst, Pearl, Ruby, Sapphire, Lapis Lazuli, Peridot, Jasper and Bismuth.

Mary: Say hello to the Crystal Brigade.

Steven: I'm Steven Universe, gem of Pink Diamond.

Connie: I'm Connie Maheswaran, Swordmaster of the Gems.

Garnet: I'm Garnet.

Amethyst: Yo, I'm Amethyst.

Pearl: I'm Pearl. It's a pleasure.

Ruby: What's up? I'm Ruby.

Sapphire: I'm Sapphire. It's a pleasure.

Lapis: I'm Lapis Lazuli.

Peridot: What's happening? I'm Peridot.

Jasper: Yeah I'm Jasper.

Bismuth: What's up friends? I'm Bismuth.

Steven: What's going on Mary?

Mary: We're dealing with an evil baker that wants to turn the world into fat diabetic people.

Garnet: That is not right.

Pearl: Everyone has to eat everything in moderation.

Mary: I know. Lets get her guys!

They went at her and Mary punched her in the face. Garnet formed her gauntlets and brutally punched Inga all over the place and she fired a blast of lightning at her and electrocuted her. Amethyst formed her whip and lashed Inga all over and she threw spike mines from it and they hit her and exploded. Pearl formed her trident and fired a blast of energy at her and it hit her and blew her into some boxes of her cookies. Lapis spread her wings of water and flew into the air and fired a massive blast of water and got Inga wet. Inga did not like that one bit. Peridot fired a blast of light at her and Jasper rammed her. Inga threw cookies at Steven and he formed his shield and blocked them. They hit the shield and it emitted a sonic ping that shattered the whole factory and it collapsed. I had everyone protected in a force field.

Me: That was a close one.

J.D. 2: J.D. I sense 3 Shen Gong Wu in the rubble.

Me: Which ones are they?

J.D. 2: It's the Gills of Himachi, the Sun Chi Lantern and the Falcon's Eye.

Me: The Gills of Yellowtail? Interesting name. These Wu sound interesting. What do they do?

J.D. 2: That's a good observation J.D. I'm impressed that you know all about Japanese names. The Gills of Himachi allows the user to breathe underwater. But it turns them into a fish in the process. The Falcon's Eye allows the user to see through solid objects.

Me: Like Superman with X-Ray Vision.

J.D. 2: Exactly. And the Sun Chi Lantern allows the user to combine their chi with anyone illuminated in its light.

Me: That is awesome! Where are they?

The E symbol on my forehead glowed and fired 3 lasers and they lead me to a safe hidden in the rubble. I found the safe and took out a stethoscope and turned the combination lock and opened the safe and found them.

Me: There they are!

I took the Sun Chi Lantern and it resembled a brown lantern. The Gills of Hamachi was a gold band with a green scale design on the front. It was worn around the neck when in use. The Falcon's Eye was a golden monocle with an "eyebrow" design and a dark red lens.

Me: Interesting characteristics. But these have to be the coolest ones we've seen.

Omi: (Tibetan Accent) Well done J.D.

Me: Thanks Omi.

I took the Wu and put them in a bag I had with me.

Mary punched Inga in the face.

Nico (throw Hobgoblin's bombs at Inga): Inga Bittersweet, you have failed this city! (eats a cookie) But not these cookies. They actually taste very good!

The bombs exploded and they blew her into the rubble.

Me: It's final smash time guys!

Vakama: You got it J.D.! FIRESTORM TA-METRU KANOKA TORNADO!

Vakama fired his Kanoka disk and it spun rapidly and turned into a deadly firestorm tornado and it spun Inga around with incredible force.

Alex: I will never let you get away with this Inga! EGYPT

SANDSTORM BLIZZARD!

Alex spread her wings and they were those of the Egyptian Goddess Isis and she fired a massive blast of sand at Inga and buried her in a huge pile of sand.

She arose from the sand and was exhausted.

Alex: (To the viewers) I may be fat and overweight but I can still fight.

Inga (sighs): Alright. I admit when I'm beat. Go ahead and kill me.

Nico: Kill you? (smirks) I've got a better idea!

In the Saturn Insane Asylum, Nico had Inga work as a cafeteria chef.

Inga: I'm actually surprised you're making me work as a lunch lady in the Saturn Prison cafeteria.

Nico: Well, every cafeteria needs one.

Inga: That's true.

Nico: Think of it as the lightest prison sentence we can give you. Besides your cookies are really delicious.

Inga: Oh why thank you Nico.

Nico: You're welcome Inga.

Back at the estate, Lynn Jr., Lynn Sr., Rita, Sarah, and Vince were really whipping Alex into shape. She was panting like crazy. And dripping sweat by the bucket. Nico came back and he had just caught a Duskull and a Trophius.

Nico: Wow! You guys are whipping her into shape.

Lynn: We sure are Nico.

Lynn Sr.: It's gonna be a long road for her. But she needs to lose that weight.

Me: It's gonna take a while but it will work.

Vince was not seen because he was far too busy taking care of Carol and his kids. Alex was on the road to being her old self again.

---

When I was done everyone was amazed!

Me: Inga Bittersweet now works as a cafeteria chef in the Saturn Prison.

Qin: Wow! I wasn't with the team when that happened but that is cool!

Pinkie Pie: Boy those cookies would be amazing!

Varie: Not if you want to get fat and overweight. (To Choji) No offense Choji.

Choji: None taken. But yeah no kidding.

Rex Goodwin: Are we close?

Me: Yeah we're here.

Nico: Wow.

Qin: Awesome house.

We landed at the base of the mountain to make sure he didn't know about us being there.

Me: Okay ready guys?

Nico: Ready.

We went to the house.

Killer Frost: Wait. You guys hear something?

Suddenly, two of Wernerstein's guards landed near us. They were enlarged to having eaten Bulky Bars.

Me: Time for this!

I slapped some slappers on me and bulked up and then went at them and SMASHED THEIR BRAINS OUT!

They were knocked out cold with nasty LUMPS ON THEIR HEADS!

Nico: OUCH!

Xenia: Nice one!

Lola: Yeah!

Me: Bane would be proud.

Kalin: I knew there would be Hulked out guards here!

I took off my slappers.

Me: There. I think I'll stick to transformations.

Nico: Good idea. Lets go.

We went to the house.

Lola: Boy those guards are really going to feel that in the morning.

We saw a box of Bulky Bars.

Francis: There's more of the Bulky Bars

Nico: Just what I need for my plan.

Qin: Nice.

We took it with us.

We then went up to the mansion and saw that it was a beautiful house.

Nico: I think just one won't be enough to match up to Wernerstein if he's all buffed up by now.

Devack: What are you saying?

Nico: That I should probably eat 10.

WE GASPED!

Me: Nico you'll become Hulk!

Hulk: Nico be Hulk! Hulk and Nico smash!

Me: But if it's part of Nico's plan then we'll go through with it.

Nico stayed behind a bit.

Nico: (to the viewers) Hope you guys are ready for some craziness. (Eats 10 bars)

With the rest of us…

Stewie: Entrance time!

Me: Lets go!

We went at the mansion.

Ulrich was ready to send out his bars.

Ulrich Wernerstein: (Arnold Schwarzenegger accent) This is going to be my most fun plan yet.

But then the spirits of the muscular came and they swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof and then a phoenix cry was heard and then we came in!

Me: Ulrich Wernerstein you are under arrest!

Roman Goodwin: He already buffed himself to Hulk's size!

Ulrich Wernerstein: That's right!

He was about to punch me but suddenly, a fist came out of nowhere and punched him to the ground. He got up and he, along with the rest of us, saw Nico. But he was Hulk size with his clothes being tight around me.

HE WAS MASSIVELY RIPPED!

Ulrich Wernerstein: Nico Chan? Is that you? You look… different.

Nico: (points at him) Nico… smash puny bar maker!

Ulrich Wernerstein: (to the rest of us) Stay where you are. I'll deal with you all in a moment.

With that, the two of us charged at each other

Poromon: Here we go! Two behemoths about to enter the fight of their lives!

Poliwag: Anyone got popcorn?

Nico then SMASHED AND PULVERIZED ULRICH!

WHAM SMASH BLAM SMASH KRABLAM!

Then Leonard, King Hiss, Hydro Man, Vypra, Shiv, Webstor, Bane, Vexen, Firefly and Calamitous appeared.

Me: Leonard, King Hiss, Hydro Man, Vypra, Shiv, Webstor, Bane, Vexen, Firefly and Calamitous.

Leonard: Holy fuck! Is that Nico?!

May: It sure is!

Bane: Ay carumba! He's twice as strong as me now!

King Hiss: At least his clothes are still on.

Me: You're not kidding there!

Hydro Man: (to me) Heard you went to another planet.

Me: We sure did.

Vypra: Since Nico's… busy, you'll have to explain more.

Me: Well we went to the planet Klendathu and helped heal those that were viciously mangled up after that battle.

Eli: Yeah it was awful. All those soldiers were butchered and massacred.

Twilight Sparkle: No kidding there.

Denvil then came.

Me: Denvil. Up for another round?

Denvil: I sure am.

Me: Cool.

Denvil: (to the Kyurangers) Imagine if you guys ate those bars!

Lucky: I don't think our suits would fit all that muscle.

Me: I don't think so. But Yamato's could because of Zyuoh Gorilla.

Eli: That it could.

Varie: Yeah.

We got the battles underway.

Mr. Krabs: 100,000 of them were keelhauled in just under an hour!

Golden Locks: Yeah there was blood, guts and limbs splattered EVERYWHERE!

Crimson Chin: It was a total slaughterfest!

Luan Loud, Tony Jones, Black Vulcan (Superfriends), Dazzler, Luz, Lightning Lass, Eddy, Edd, Ed, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, William and Shego VS Vypra, May Kanker, Chumbot, Tranceferer, Asmodeus (Gokaiger), and Evil Tim - Meeting a gene-slammer for Alien Shocktrooper and Alien Infiltrator

---

Vypra was next.

Vypra: (to Luan) I heard you guys met a gene-slammer for Alien Shocktrooper and Alien Infiltrator. What's her name?

Luan: Her name is Margaret Desroches and she is a really awesome and fun girl. She is also a Geosapien and she is really powerful too.

Tony Jones: Boy she sure is. And she and Lincoln had a lot of fun.

Black Vulcan: Yeah she sure is.

Dazzler: And she has a really awesome story.

Luz: Her story is how she and Lincoln and Nicholette turned Packing Day against the mean sisters.

Lightning Lass: It was really awesome!

---

Margaret Desroches: Ooh, I do have one. Remember what happened whenever Patchy declares it a Packing Day and Lynn turns into a four-legged wild animal and announces her arrival by letting out those loud belches? Well, we decided to use that against Lori, Lynn, Lola, Lisa, and Luan.

Margaret Desroches pulled up a video and it played on the screen, and it shows Margaret and Lincoln eating pizza at Gus' Games and

Grub, along with the rest of his Guardian Angels.

Past Lincoln: As always, Gus makes awesome pizza!

Past Margaret Desroches: He sure does.

Suddenly, Lincoln's stomach groaned, and suddenly… !

BBBBBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRR

LINCOLN LET OUT A VERY MONSTROUS BELCH FAR LOUDER THAN LYNN'S WHEN PACKING DAY WAS DECLARED AND WHEN SHE GOES ON HER VIOLENT RAMPAGES!

Nico: Dang, Lincoln, that was one really monstrous belch, even more louder than Lynn's whenever a Packing Day is declared or when she goes on her rampages.

Me: We heard it from The Loud House, and man, that was loud!

Past Selene Arcangela: Dang, Lincoln.

Past Nicholette Torrington: Yeah, that belch you let out way more monstrous than Lynn's loud belches when Packing Day is declared or when she goes on a rampage again. (GASPS) Ooh, everyone, I have an idea.

Lincoln and his Guardian Angels gathered to listen in on Nicholette's plan. Then, the scene changes to Lori, Lynn, Lola, Lisa, and Luan, who are still out to kill Lincoln, but unknown to them, they were being watched from within the bushes.

Past Nicholette Torrington: Yeah, that's right, Lori, you and the others keep on trying to find Linky, but you're walking straight into our trap.

Suddenly, Lori, Lynn, Lola, Lisa, and Luan heard some rustling.

Past Lisa: Where is that hairless ape?! We want his head on a pike!

BBBBBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRR

That monstrously loud belch caused Lori, Lola, Lisa, and Luan to panic as memories of the Packing Day Wars came back.

Past Lori: Lynn, you better not be on the rampage again, save it for when we go after the twerp!

Past Lynn: That wasn't me, Lori! Get off my case!

Past Lola: We're not alone, are we?!

Suddenly, something peeked through the bushes, and the sound of heavy breathing was heard, but the figure ducked back into the bush, but it wouldn't stay quiet for long.

BBBBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRR

Another monstrously loud belch was heard, and that got Lori, Lola, Lisa, and Luan in another panic.

Past Luan: Oh, I don't like this, it's not even Packing Day but we're already in fear for our lives.

Suddenly, they saw something heading their way.

Past Lori: (SHRIEKS) SNOWBALLS! INCOMING!

Lori, Lynn, Lola, Lisa, and Luan got hit hard with a barrage of snowballs, and then, total chaos.

Past Lisa: EVERY BI-PEDAL HUMAN FOR THEMSELVES!

Lori, Lynn, Lola, Lisa, and Luan ran away like headless chickens, and they hid behind a fence. Then, Lola peeked out, and Lincoln came out, but he looked like Lynn in Full Beast Mode. He was sniffing the air trying to find them, and then, he took a pizza slice he was saving and he scarfed it down.

Past Lola: (GASPS) It was Lincoln, he's the one who let out those monstrously loud belches!

Past Lynn: And he's refueling! WHAT ARE WE GOING TO DO?!

Past Lori: Get a grip, Lynn! There's only one of him!

Suddenly, a finger poked Luan on the shoulder, and they saw Lincoln standing menacingly over them and with a grin on his face, and panic was on their faces.

Past Lori: RUNNNNNNN!

Lori, Lynn, Lola, Lisa, and Luan ran for their lives with Lincoln chasing them on all fours, they went over a fence Nicholette built, and Lincoln crashed through it. Then, they went over the other fence and ran away, and Lincoln crashed through it, and he roared and beat his chest like a gorilla. Lori looked over her shoulder.

Past Lori: We lost him.

They stopped.

Past Lynn: We're safe.

Past Lola: (Sees something) Uh, what's that?!

Then, they saw something rushing right at them, it was a shockwave of earth.

Past Lori, Lynn, Lola, Lisa, and Luan: (SCREAMING) WE'RE TRAPPED!

Then, three massive and long white wolf tails burst out of the mound and grabbed Luan, Lisa, and Lola, and dragged them away into a bush as the three of them screaming for their lives.

Past Lynn: He's got Luan, Lisa, and Lola! What do we do?!

Past Lori: RUN FOR YOUR LIFE!

Lori and Lynn ran for their lives only to reach a dead end: a blind alley thanks to going through a dark portal Nicholette opened up, and then, they saw Lincoln's shadow looming over them.

Past Lori: We're through running, let's get him!

Past Lynn: Yeah! WE'RE NOT SCARED OF YOU, STINKOLN! LET'S SEE WHAT YOU GOT!

Suddenly, Lincoln took in a deep breath, and then, he let out a loud and monstrous roar, and the gale force winds were so powerful, it sent Lori and Lynn flying back-first into the wall. They got up, but it's too late, they already peed their pants in fright. Then, Lincoln tied them up and his other Guardian Angels appeared.

Past Nicholette Torrington: Looks like we foiled your little attack, Lori. Shall we let you all in on a little secret: we set this whole thing up as our trap, and we were the ones who let Lincoln run wild, it was the only way to get you bitches to confess your attempted attack on Lincoln. You get all that, Luna?

Then, Luna came out with a camera, along with Leni, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita. This shocked Lori, Lynn, Lola, Lisa, and Luan: they fell for Nicholette's trap, but their shock gave back into fury.

Past Lori: GET ME OUT OF THIS RIGHT NOW OR I'M GOING TO TURN YOU INTO A GOTH PRETZEL, YOU DARK MAGIC-USING SACK OF GARBANZO BEANS!

Past Lincoln: AH, SHADDUP!

Lincoln bonked Lori, Lynn, Lola, Lisa, and Luan on the head with a mallet, and the rest of the family dragged them back to The Loud House to face their doom.

Then, Margaret and Lincoln kissed as the video ended, and as soon as the video did, everyone burst out laughing hysterically.

Nico: (LAUGHING HYSTERICALLY) OH, OH MAN, NOW THAT'S WHAT I CALL MONSTROUS PAYBACK!

Me: I was still cracking up to this day, Lincoln let out those monstrously loud belches and got Lori, Lola, Lisa, and Luan panicking like crazy.

Varie: And it ended with them confessing their crimes when they went through a portal Nicholette had made, and it sent them to an alley.

Lynn: We went into full panic mode that day, and I was shocked to find out I wasn't the only one who could make those monstrous belches.

Lori: We were literally stunned to find that out too, and Nicholette had a plan made as soon as she'd found out we were going on the attack again.

Nicholette Torrington: Yep, we called this Operation: Monstrous Payback, and Lincoln made himself go into Full Beast Mode, and man, did he really go wild by letting out those monstrous belches, chasing them on all fours, and crashing through fences I made and him roaring like an animal and pounding his chest like a gorilla, and driving them crazy with fear.

Lincoln: All that training I'd went through really paid off, and I wasn't going to let those five get away with their murderous schemes, so I had to turn into the same kind of monster Lynn turns into instead of just going werewolf on them.

Nico: Remind me never to get you mad, Lincoln.

FLASHBACK ENDS

Vypra and the group were laughing hysterically!

Vypra: (LAUGHS) THEY REALLY SHOWED YOU LUAN!

Ulrich Wernerstein: Wai! Can't we talk about this?!

Nico: No more talking. You go down now!

Nico gripped his left hand around Wernerstein's throat as he slowly raised his right arm back with a tight closed fist ready to knock him out. When suddenly, he felt pain coming from his right arm as he looked back to see that it was shrinking down. In fact, he realized that his entire body was now starting to shrink down back to his normal self.

Lola: Um… what's happening?!

Lori: I was literally afraid of this. Nico's powers are literally curing him of the Bulky Bars' effects!

Lincoln, Sam, Clover, and Alex cornered Ulrich Wernerstein. Then, Lincoln hoisted him up by grabbing him by his tank top.

Ulrich Wernerstein: (German Accent) No more, I give, I give, Please, put me down.

Lincoln: Alright, and since you asked nicely.

Lincoln then put Ulrich down and tied him up in a rainbow energy straitjacket and then we punched him in the face and bashed his face in and knocked him out cold.

Nico: That'll teach you never to make other people hulking and strong without their consent, you muscle-bound behemoth.

Awesome job, gang, that's another mission accomplished.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Alana Cameron.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Alana Cameron?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Alana Cameron of The Legion of The Lincoln-Haters, but we also saw Brianna Greyson, who's already falling even deeper into madness heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Brianna Greyson with her, and she's now falling even deeper into madness.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent Alana Cameron and Brianna Greyson flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Alana Cameron: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads and ruining my constant desires for revenge… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! I WILL KILL YOU ALL AND NONE OF YOU WILL EVER LEAVE THIS PLACE ALIVE!

But, before Brianna Greyson could get after us, Lincoln trapped the crazed monster bitch in a rainbow energy field.

Brianna Greyson: WHAT THE FUCK?! HE TRAPPED ME INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Sadie: Yes, but this'll make sure they finally get our point.

Suddenly, Sadie's eyes turned neon pink and she was surrounded by a pink and white energy aura with stars, water, ocean waves, and phoenixes, and as she approached Alana Cameron, she left pink and white energy, stars, water, ocean waves, and phoenixes with every step.

Sadie: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Alana Cameron, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Sadie was surrounded by a massive vortex of pink and white energy with stars, water, ocean waves, and lights, and surrounding the vortex, there are phoenixes flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Alana Cameron: the red eyes of death. Then, as the vortex faded, Sadie emerged, but she was changed forever.

Sadie grew to 7'5" in height, she has the body of a goddess, she has pink highlights in the bangs of her long brown hair, she has neon pink eyes and a pink and white energy aura with stars, water, ocean waves, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Water and Eternity Kanjis in its claws, she also has a dragon with pink gems for eyes and holding the Water and Eternity Kanjis in the claws on the bottom of her pink dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sadie has on a long-sleeved pink sweater, dark purple skirt, white socks, purple slip-on shoes, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with stars, water, ocean waves, and phoenixes on the coattails, and on the back is a phoenix and dragon surrounded by water, ocean waves, and stars. Suddenly, Sadie felt a sharp pain on her back, and then, massive brown angel wings with pink tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long brown wolf tails with pink tips and pink markings, Sadie has on her Ring of the Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sadie's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of pink and white energy, stars, water, ocean waves, and phoenixes, and when it emerged, it transformed into Sadie's Eternal Cosmic Storm Oceanic Maelstrom Fury Greatsword of Eternal Cosmic Oceanic Maelstrom Phoenix Justice, it's a brand-new massive greatsword with embedded pink gems and dark purple etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged pink blade, large pink dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with pink gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with purple gems for eyes and in their mouths and a large pink dragon head with a purple gem in its mouth below the large phoenix heads for the pommel. Sadie has on her new Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the dragon and phoenix that said, "Sadie, Best Friend of Girl Jordan and Many, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Alana Cameron of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Ocean Waves, Stars, and Phoenixes"

Sadie has transformed into SUPER ANGEL-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE

OCEANIC MAELSTROM ETERNAL COSMIC OCEANIC MAELSTROM STAR DRAGON PHOENIX ANGEL OF DIVINE OCEANIC MAELSTROM ETERNAL COSMIC OCEANIC MAELSTROM STAR DRAGON PHOENIX JUSTICE AND DIVINE OCEANIC MAELSTROM ETERNAL COSMIC OCEANIC MAELSTROM STAR DRAGON PHOENIX LOVE!

We were amazed by Sadie's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Alana Cameron saw it, she went fucking crazy and she got out her machine gun to fire at Sadie, but Sadie fired a barrage of pink and white energy blasts with stars, water, ocean waves, dragons, and phoenixes at Alana Cameron and it sent her flying into a tree back first, she got back up and she ran at Sadie again with a knife she got out, but she disarmed Alana Cameron by firing water blasts which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Girl Jordan: WHOA!

Nico: That's really awesome!

Me: You said it, Sadie's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she really put the hurt on that monster bitch.

Lincoln: Alana Cameron has been asking for this for a long time, and what better way to administer her final judgement than right in front of Brianna Greyson.

Sadie: (Divine Godly Cosmic Voice of The Cosmic Oceanic Maelstrom Star Dragon Phoenix Angel and Divine Cosmic Oceanic Maelstrom Star Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Sadie.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Alana Cameron. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Sadie and Lincoln went after Alana Cameron who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, pink and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Alana Cameron and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Sadie attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Alana Cameron got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Sadie, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Alana Cameron's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Alana Cameron by the neck and he tossed her into the air, and Lincoln and Sadie fired a powerful barrage of energy balls with water, ocean waves, stars, quintessence, elemental forces, and mythological animals, and as they hit Alana Cameron, they exploded with incredible power and she was killed in the explosions, and that angered Brianna Greyson. Then, Alana Cameron's spirit appeared, and she was still incensed with anger and fury.

Alana Cameron: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Alana Cameron. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Alana Cameron's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and she was found guilty for her crimes, and she was fading away from existence.

Alana Cameron: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Sadie and Lincoln holstered their massive greatswords on their backs and powered down, and Sadie's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Brianna Greyson inside went down, and she ran up to the dead remains of Alana Cameron. Then, she looked at Lincoln and she was absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FUCKING FREAK! I'LL KILL YOU! I WILL KILL EVERY LAST ONE OF YOU! NONE OF YOU WILL LEAVE THIS PLACE ALIVE! (LAUGHING INSANELY)

Brianna Greyson ran at Lincoln and all of us with a knife drawn, only for her to get disarmed and also pushed back by Lincoln who fired rainbow fire blasts at her.

Lincoln: If you don't want to lose your arms and legs, leave now, Brianna.

Suddenly, the sound of police sirens were heard, and being the criminal she was, she knew she was in huge trouble!

Brianna Greyson: (ENRAGED SCREECHING) This isn't over, Lincoln Loud!

Then, Brianna Greyson ran off, but not before she gave us the finger, and me and Nico retaliated by giving her the finger and it drove her fucking mad as she ran off.

Nico: Yeah, up yours too, bitch!

Juniper Lee: What a wuss.

Sadie: We've taken another one down so far, and now, we got one more to go. Thanks for helping me destroy Alana Cameron, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sadie.

Suddenly, Sadie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sadie's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, ocean waves, and water behind them and we cheered wildly. Then, Lincoln and Sadie absorbed the water and ocean waves and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of maelstrom justice. Lincoln, Sadie, you two did really awesome in teaching that monster bitch, Alana Cameron, a lesson and pissing off the last monster bitch, Brianna Greyson.

Lincoln: Thanks, Nico, and now, we're fast approaching the end of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the final member of The Legion of The Lincoln-Haters that's going to show her face is Brianna Greyson who'll no doubt be out for revenge, which means you and I are up next, Lily.

Lily the Mermaid: Yes, we'll make her pay for all of her crimes in full and we'll make sure she dies.

Lincoln: But we've also got to keep an eye out, now that I've driven Brianna Greyson far deeper into madness, she's bound to send even more armies of hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off, and now because of what you just did in sending them running, now they're so out for blood.

Lincoln: She's already losing it one after another, and that's exactly what I wanted to see, and soon, the last thing she'll ever see is her own life running out and her blood being spilled on the ground.

Nico: You got that right, Lincoln.

Suddenly, the Kivats of Victoria Kurenai, Kaylee Nago, Tamara Nobori, Selena Kurenai, Teresa Shiramine, and Taylor Sugimira were glowing.

Me: Uh oh, I think I know the glowing Kivats from anywhere.

Victoria Kurenai: Yep, and I think I know who we're going to be meeting tomorrow on your rescue and in the rescues to come, Lincoln.

Lincoln: (Gasps) The Embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and the other members of The Michigan Supernatural Defense Force, awesome.

Nico: So, which of these Embodiments are we meeting tomorrow?

Lincoln: The first we'll be meeting tomorrow is Ravenna Amaranth, Embodiment of The Fangire Race.

Nico: This is going to be so awesome meeting The Embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race.

Wataru: You said it.

Suddenly, Sebastian fired blasts of dark fire at some unknown enemies, and it brought them into clear view: it was Huang Zu's archers.

Lincoln: Huang Zu's archers.

Sebastian Mendez: They must've followed us here from Xia Kou to get revenge on you for what we did in killing their lord.

The archers fired, but Sebastian fired blasts of darkness and dark fire which incinerated the arrows.

Archer: L-Lord Huang Zu will be avenged!

Lincoln: You intended to get revenge on me from beyond the grave, Huang Zu. You really are a sore loser, now I will see to it that all those who follow you shall join you in The Black Gates.

Suddenly, Lincoln's deep sapphire eyes glowed, and they suddenly pierced the souls of all of Huang Zu's archers and the few officers who survived the massacre at Xia Kou, and Lincoln telepathically crushed their hearts and killed them all and he sent their souls to The Black Gates.

Sebastian Mendez: Huang Zu's attempt at revenge from beyond the grave has failed, now we're truly rid of that scoundrel once and for all.

Me: You said it.

Shiv: That's one less bad guy WOOHP has to deal with.

Webstor: Speaking of which, the agents are rounding up all the Bulky Bars they can find.

Me: Good.

Vexen: And the people they enhanced are returning to normal.

Firefly: (smirks at the unconscious Wernerstein) Though for some, the process can be quite painful.

Calamitous: And there's plenty of Lisa's antidote for everyone.

Me: He'll never bother anyone again.

Qin: Yep. Because he'll be going to prison for life.

Xenia: Good.

Nico: Great job today everyone.

Me: Yep.

Sam Simpson: (To the viewers) Remember to eat right and be healthy the right way.

Me: Good advice.

We went back home after reporting to Jerry and enjoyed the rest of the day and went to sleep.

Varie: Me too. So peaceful.

Laney: It sure is.

Girl Jordan: This is gonna be so fun and cool.

Nico: It always is fun.

Natasha: It sure is and I love it.

Nico: Natasha, what do you like to do in your free time?

Natasha: I like to build laser weapons. I have a secret talent.

Nico: It's a great talent and an awesome job.

Xenia: it sure is awesome.

Lola: I'll say.

Camie: It sure is awesome.

Natasha: I know.

Eli: I'm glad you found something fun to do.

Nico: Does that include laser guns?

Natasha: It sure does.

Qin: Neat.

Me: Awesome.

Natasha: It sure is.

Me: Boy yesterday's mission was awesome.

Lincoln: It sure was!

Maria: I can't believe you ate 10 Bulky Bars!

Nico: It was awesome though.

Me: You really beat the living shit out of Ulrich Wernerstein though.

Qin: That was so awesome. And man Alex and Carmen were really ripped yesterday from those Bulky Bars.

Xenia: They sure were.

Nicole: I don't know what the fuck Ulrich was thinking giving people steroid bars like that though.

Camie: Yeah that's not good for your health!

Me: Yeah no kidding! I'm glad we stopped him.

Nico: But as expected, my powers ended up curing me.

Me: But you did weaken him enough for all of us to thrash him.

Xenia: Yeah you sure did.

Nico: That is true. That was still awesome though.

Lola: That was so awesome and cool.

Varie: Yep.

Nico: That is true. That was cool.

Xenia: It sure was.

Nico: This is going to be one awesome battle here in Arderial, but we also got really bad news.

Me: What is it?

Nico: Girl Jordan, remember me owing you two Carnage fights?

Girl Jordan: I sure do. Why?

Nico: the animated version of Cletus Kasady A.K.A. Carnage is here!

We gasped!

Lincoln: That sick twisted son of a bitch is here?!

Me: That motherfucking shitstain!

Girl Jordan: That's it, I've had it up to hear with that sick twisted son of a bitch!

Leeli: I sense it's the real one, and not the Universe 666 version of him who's in The Masters of Evil.

Lincoln: Him and the other Universe 666 versions and other world versions of him we can handle, but the one we know, no, he's got to go, and you, Girl Jordan, and I will use Yurgen's Tune to separate Carnage from Kasady, Leeli.

Me: That's an awesome idea, Lincoln.

Anna Anyanova: We heard him sing that song on his rescue after we'd gotten rid of all of the terrorist groups that formed due to Burns' lies during The 20 Days of Darkness along with that thug and ex-older brother of Becky Long and her sisters, Ryan Long, in Jerusalem, and it wiped Burns' influence from the Earth for eternity. This'll put an end to that son of a bitch once and for all.

Sabrina Lorelai: What he did to Girl Jordan was the straw that broke the camel's back, we'll see him die in a pool of his own blood.

Nico: All that and more.

Me: And we'll rip him to shreds, disembowel him, rip his heart out and eat it, tear his manhood off and then rip his brain out and eat it!

Nico: WHOA! Okay Mr. Blood and Cannibalism! Calm down.

Me: Sorry.

Nico: But first, I'll call Kaede.

Me: Okay.

Nico called her.

Kaede then came in.

Kaede: I'm here Nico. What's up?

Nico: I need your help to help Girl Jordan and Leeli destroy Cletus Kasady A.K.A. Carnage.

Kaede: I will gladly help out!

Nico: Awesome!

Kaede: You made the right choice calling me.

Nico: I'm glad I did.

Qin: Awesome!

Nico: Be ready, everyone.

Me: Right.

We followed the trail and went into a main building.

Me: We'll make sure he dies in a pool of his own blood.

?: NOT BEFORE ALL OF YOU DO! (LAUGHING LIKE A FUCKED-UP MADMAN)

Lincoln: And there's the sound of the bloodthirsty psycho we love to hate and despise.

Lincoln fired a rainbow fire blast and it hit a nearby bush, and forced out the one man whom we all hate and despise: Cletus Kasady A.K.A. Carnage, and he was still as fucked up and insane as ever.

Me: Cletus Kasady! You fucked-up piece of shit, I knew one day you'd show your bloodstained ass again!

Nico: You make me sick! I knew it was a matter of time before you showed up!

Carnage (Spiderman The Animated Series): And now, I'm going to enjoy killing all of you and every last person in my way! CARNAGE AND CHAOS SHALL REIGN SUPREME! (LAUGHING DERANGEDLY)

HE'S OFFICIALLY LOST HIS FUCKING MIND!

Me: YOU'RE FUCKING INSANE, KASADY!

Eli: You are out of your fucking mind!

Nico: You've absolutely lost your fucking mind, and you will never hurt another person again, Kasady. Girl Jordan, Lincoln, Leeli, Kaede, tear his fucked-up ass to shreds and let him die in a pool of his own fucked-up blood!

Lincoln: You got it, Nico.

Leeli: With pleasure!

Suddenly, something within Girl Jordan's mind snapped brutally as memories of what that psychopath did in getting her disowned those 6 years ago and ruined her life rushed right through her head.

Girl Jordan: (Thinking) You ruined my life those six years ago, you sick twisted son of a bitch, and it wasn't just me, but all those who had their lives ruined: Tabby, Liam, Rusty, Zach, Haiku, Polly, and Giggles.

Lincoln and Leeli felt it: her mind's snapped and they also heard her thoughts, along with all of us.

Suddenly, Girl Jordan's ocean blue eyes turned neon ocean blue and she's surrounded by an ocean blue energy aura with sea dragons, ocean waves, water, sea animals, and snow, she unholstered her massive Girl Jordan's Ler's Sea Dragon Greatsword of Celtic Ocean Justice from her back, and as she approached Carnage, she left ocean blue energy, ice, sea dragons, ocean waves, water, snow, and sea animals with every step.

Girl Jordan: (Thinking) You ruined every last one of our lives, and yet, you fucking didn't care, you enjoyed causing pain and suffering and all for your love of causing chaos and destruction. No more! (Out Loud) I have had it up to hear with you to last a billion eternities, Cletus Kasady, you ruined so many lives and enjoyed causing pain and suffering to all those in your path and all for your love of causing chaos and destruction. (SUDDENLY GETTING MAJOR LEAGUE PISSED OFF AS HER OCEAN BLUE ENERGY AURA FLARES UP EVEN MORE) Too many have suffered and so many have lost their lives, and yet, you don't care at all… , YOU

ARE NOTHING MORE THAN AN AGENT OF CHAOS AND DESTRUCTION WHO HAS CAUSED NOTHING MORE THAN PAIN AND SUFFERING FOR THE LAST TIME, YOU SICK, TWISTED, FUCKED-UP, BLOODTHIRSTY, BLOOD-CRAZED, VILE, PSYCHOPATHIC SON OF A BITCH! NOW, YOU'RE GOING TO DIE A HORRIBLE BLOODY DEATH FOR EVERYTHING THAT YOU HAVE DONE, AND NOT A SINGLE SOUL WILL SAY A KIND THING ABOUT YOU BECAUSE THERE'S NOTHING TO EVEN SAY TO A SADIST LIKE YOU, CLETUS KASADY! YOUR DAYS OF CAUSING CHAOS AND DESTRUCTION ARE ABOUT TO END HERE AND NOW!

We gasped at the sudden and very dangerously wild extent of Girl Jordan's rage: Cletus Kasady has absolutely fucked up for the last time, and now, he's going to die horribly!

Me: OH SHIT!

Nico: She snapped in the same way you did when we faced Hitoshi, now things are really going to get ugly!

Lincoln: I've seen how fierce Girl Jordan is when Dodgeball Day is declared, and no one wants to get on the wrong side of her. But, what Kasady did seven years ago has proven to be the last straw. STAND YOUR GROUND! SHE'S GOING TO BLOW!

Carnage (Spiderman: The Animated Series): DIE, DIE, DDDDDDDDIIIIIIIIIIIIIIIEEEEEEEEEEEEEE! (LAUGHING INSANELY)

Carnage went after Girl Jordan, but then, she screamed like a madwoman to the infinite power and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THERE WAS A MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF ENERGY AND POWER! THE SKY DARKENED WITH LIGHTNING STRIKING EVERYWHERE AND THE GROUND SHAKING EXTREMELY VIOLENTLY!

Nico: WHOA! WHAT POWER!

Me: UNBELIEVABLE!

Camie: IT'S UNREAL!

Eli: INCREDIBLE!

And then, she was surrounded by a massive vortex of ocean blue energy with ocean waves, sea animals, sea dragons, snow, and ice surrounding it, there's a sea dragon and mermaid swimming around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Carnage: the red eyes of eternal death. Then, as the vortex faded, Girl Jordan emerged, but she was changed forever.

We were amazed by Girl Jordan's Super Angel-Sea Dragon-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Carnage saw it, he was laughing like a fucked-up madman and he charged at Girl Jordan to kill her, but Girl Jordan fired a barrage of ocean blue energy blasts with ocean waves, sea dragons, sea animals, snow, and ice at Carnage, and it sent the insane fucked-up bastard flying into a tree back first, he got back up, but he was still laughing like a madman fucked-up sideways.

Leeli: Incredible. Okay, now it's my turn.

Leeli: For too long, you have caused Girl Jordan more than enough trouble to last an eternity, and all for your desire for chaos and destruction. You have no idea of the full ramifications of what you did to her seven years ago, but you don't even care in the slightest, you just wanted her to suffer, along with anyone who crosses your path. That is something I will never forgive, and now, I will see to it that you pay for your crimes in full and with your own blood.

Suddenly, Leeli was surrounded by a massive vortex of aqua blue energy with water, ocean waves, ice, and snow surrounding the vortex, there are sea dragons, sea animals, ice, snow, and water angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Cletus Kasady: the red eyes of eternal death. Leeli Wingfeather has transformed into SUPER ANGEL-SEA DRAGON-MERMAID-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC SPIRITUAL SONG MAELSTROM MERMAID SEA DRAGON ANGEL OF DIVINE SPIRITUAL SONG WATER MERMAID SEA DRAGON JUSTICE AND DIVINE SPIRITUAL SONG WATER MERMAID SEA DRAGON LOVE!

We were amazed by Leeli Wingfeather's Super Angel-Sea Dragon-Mermaid-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Carnage saw it, he was laughing like a fucked-up madman and he charged at Leeli to kill her, but Leeli fired a barrage of ocean blue energy blasts with ocean waves, sea dragons, sea animals, snow, and ice at Carnage, and it sent the insane fucked-up bastard flying into a tree back first, he got back up, but he was still laughing like a madman fucked-up sideways.

Me: Whoa!

Nico: Incredible. Looks like the wrath of Ler is about to be unleashed.

Leeli: (Divine Echoing Godly Cosmic Voice of The Melodious

Maelstrom Mermaid Sea Dragon Angel and Divine Spirit Song Water Mermaid Sea Dragon Love) That's exactly right.

Girl Jordan: (Divine Godly Cosmic Voice of The Celtic Maelstrom Sea Dragon and Divine Oceanic Celtic Sea Dragon Maelstrom Love) We'll soon be rid of Cletus Kasady once and for all.

Lincoln: You said it, Girl Jordan and Leeli.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Leeli and Girl Jordan.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You've lived for far too long, Cletus Kasady, too many innocent lives died because of you, and now, we'll see to it you never rise again to hurt another innocent soul, you twisted sick son of a bastard!**

Carnage tried doing a slash attack, only to be blocked by Kaede's vectors. The symbiote continues with his vicious attacks, but each and every stab is useless.

Carnage: What are you?! Why can't I hit you?!

Kaede: Your worst nightmare!

Kaedu bashed him all over the place with brutal fury.

Lincoln, Girl Jordan, and Leeli went after Carnage who was still laughing like a fucked-up madman who was fucked-up sideways every way and tried attacking them with bladed tendrils, but they dodged all of them, and they extremely powerful blasts of rainbow energy, pink and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Carnage, and they exploded with incredible power as they hit the fucked-up madman, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and he, Girl Jordan, and Leeli attacked him with punches, kicks, and karate chops, and Carnage was still laughing like a fucked-up madman.

Cletus roars angrily as the Diclonius Queen simply shrugs off his assaults. She retaliates, but Carnage avoids it and kicks her away, just to be slashed yet again. Both counter each other with savage blows!

HE ROARED IN PAIN!

Girl Jordan and Leeli and Lincoln blasted him with lightning, water and energy and blasted him down.

Me: What's wrong Cletus? Don't like seeing your own blood?

Growling, Carnage stretches his tendrils to great proportions and surrounds Kaede with hand-like tentacles. Kaede is forced to use her vectors at their fourth frequency, detonating the incoming limbs.

BOOOM BOOOM BOOOM! BOOOM!

They exploded and he roared in pain!

I fired more waves of fire and blasted him all over the place!

Eli: Nico I found more of Swartz's creations. We have Another Evil Livewire, Plasma Trooper, Good Burns, Good Cinder Fall, Serris, Omega Ridley, Brutus, and Onyx to deal with.

Nico: Thanks for letting me know.

With an apathetic face on Kaede, who grows long horns, she stared down upon the mass murderer.

Kaede: Does it hurt yet? Don't worry…

Before Carnage can move out to get Kaede, he was slammed into the ground by a giant vector.

Kaede: I'll put you out of your misery.

The Diclonius Queen summons six more vectors as they start to home in onto Carnage.

Carnage: I hate you.

Her aura flared up.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's use Yurgen's Tune to get rid of the Carnage Symbiote, girls.

Girl Jordan: (Divine Godly Cosmic Voice of The Celtic Maelstrom Sea Dragon and Divine Oceanic Celtic Sea Dragon Maelstrom Love) Right, Linky.

Lincoln, Girl Jordan, and Leeli proceeded to sing Yurgen's Tune as Girl Jordan and Leeli's ocean blue energy auras and Lincoln's rainbow energy aura flared up, fireflies flew around

them, the skies turned into oceans with sea dragons swimming and mermaids singing.

Lincoln, Girl Jordan, and Leeli: (Singing Divinely)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

Suddenly, the song began to be heard all over the planet, and then, a sudden explosion of life energy erupted, and it released a powerful wave of light and life energy, and then, it hit Carnage, and the song forced Carnage to separate from Cletus Kasady, and he was obliterated and sent to The Black Gates forever, but he wasn't the only one: the song was so powerful and so pure, it also affected the fucked-up Cletus Kasady as he was hit with the wave of light and life energy, and he was burned and finally, he was incinerated and he was sent to The Black Gates forever.

Me: GREAT CAESAR'S GHOST!

Twilight Sparkle: That was really powerful.

Nico: Just like what happened when it hit Dark Eddy, but Cletus Kasady got burned and he was also incinerated, I guess Yurgen's Tune also has a powerful effect on those truly irredeemable and desire only death, chaos, and destruction. That was so awesome!

We cheered as Lincoln, Girl Jordan, and Leeli holstered their weapons and powered down, and Girl Jordan's new body, clothes, weapons, jewelry, eleven massive and long light brown tails, Third Eye, and massive light brown wings are permanent, and Leeli's Wingfeather's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Lincoln: That was really awesome!

Girl Jordan: It sure was, and now, we're finally rid of Cletus Kasady for good.

Leeli: Yes, but we still got Another Evil Livewire, Plasma Trooper, Good Burns, Good Cinder Fall, Serris, Omega Ridley, Brutus, and Onyx to deal with, so we can't let down our guard.

Nico: Right, Leeli.

Kaede: That was so awesome!

Girl Jordan: You still owe me 1 more.

Nico: I'll think of something!

Me: Now for the Anothers.

Eli: Yep. We have Another Evil Livewire, Plasma Trooper, Good Burns, Good Cinder Fall, Serris, Omega Ridley, Brutus, and Onyx.

Nico: Whoa! This will be interesting. Especially the Serris and

Omega Ridley.

Me: Yeah!

Nico: Who's first?

Me: Another Evil Livewire. Nami Titania will be coming.

Nico: Nice!

Lincoln: Awesome!

Qin: Yeah!

Maria called her in.

In a vortex of flower petals came Nami Titania.

Nami Titania: Hey, guys!

Me: Awesome timing Nami.

Nami Titania: Like I would ever miss this.

THUNDERCLAP!

We saw lightning striking the ground all over.

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Qin: WOW!

Me: What intense lightning!

THUNDERCLAP!

Then there was a figure and we saw that it was a dark version of Livewire! It was ANOTHER LIVEWIRE!

Nico: There she is!

Me: This is gonna be electrifying!

Lola: Yeah!

Another Livewire: I always did know how to make an entrance.

Me: That voice.

She reverted back and was a girl with purple hair and had yellow lightning highlights in her hair and had the kanji for Thunder in the middle of her forehead and she had purple and yellow and black clothes and had the kanji for The Savage Nymph of Thunder on her skirt and she had purple angel wings and they were surging with intense lightning and she had a sword with lightning kunai along the blade.

Me: (GASP!) Laura Larxene!

Nico: WHOA!

Laura Larxene: Awesome to see you again J.D.

Me: Same here.

Nami Titania: And if I were to guess you're the gene-slammer for Larxene right.

Laura Larxene: That's right.

Sunset Shimmer: Boy you're going to be as fast as lightning.

Me: At 220,000,000 miles per hour and with over 1,000,000,000 volts of electricity.

Nico: Yep.

Laura Larxene: You know in a severe lightning storm you'll want to grab your ankles and stick your butt in the air.

Me: You're right if you are going to get hit it's the safest orifice!

WE LAUGHED!

Lola: (LAUGHS) We learned the exact same thing helping Jo and Bill.

We laughed!

Me: That always is funny.

Nami Titania: Let's do this!

Lincoln: First this.

Lincoln fired waves of light and separated Laura from Another Livewire!

Me: YEAH!

Laura Larxene: Now this is gonna be electrifying!

Nami Titania: Yep.

Nico: Good. We ALREADY fought Another Larxene anyway.

Me: Yes we have!

They both fired waves of lightning and flowers and blasted her down and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

She exploded!

I caught the Wonder Ride Book and it was called The Savage Nymph of the 12 Thunders and the Kingdom of the Lightning Tyrant.

Me: Fitting and electrifying.

Qin: Yep.

Me: Next!

Nico: Another Plasma Trooper next.

Me: That one is going to be hot.

Sora Phaaze: Yeah it sure will be.

Me: Sarah Amaterasu will face that one. She's the Sunhawk Gene-slammer.

Lola: Awesome!

In a bright ball of light appeared Sarah Amaterasu.

Sarah Amaterasu: Hey.

Me: Awesome timing Sarah.

Sarah Amaterasu: Yep. This will be fun.

Nicole: If this were the real thing we would be blasting it all over with Plasma Blasts. That's the only thing that can destroy Plasma Troopers.

Nico: Yep.

Then out of a wall of fire came ANOTHER PLASMA TROOPER!

Sora Phaaze: Whoa! It's like we're battling one of Samus's enemies.

Nicole: It sure feels like it! Except it's not.

Nico: And you are?

Another Plasma Trooper: (In a girls voice) I believe that J.D. knows who I am right uncle.

Me: HUH?!

She reverted back and was a girl that had fiery red hair, green eyes and had black and green clothes and a Leaf Headband.

Kushina Uzumaki Namikaze II: My name is Kushina Uzumaki Namikaze II and I am the daughter of Naruto and Sakura.

We gasped!

Me: Wow!

Nico: Wow! You look like a carbon copy of Kushina. Except you have Sakura's eyes.

Lola: That is awesome.

Sarah Amaterasu: That's right.

Kushina Uzumaki Namikaze II: Yes. I actually came here from 20 years into the future.

Me: Wow!

Kushina Uzumaki Namikaze II: I was sent back in time because an evil monster destroyed the entire Hidden Leaf Village in a massive rage and killed everyone. My mother and father used a sealing jutsu that sent me back in time to help you guys stop him.

Me: Let me guess. It's an Evil version of Sasuke right?

Kushina Uzumaki Namikaze II: How did you know?

Me: Dealt with many of them many times before. We know his game.

Kushina Uzumaki Namikaze II: I can tell.

Nico: But we can deal with that one in the future.

Kushina Uzumaki Namikaze II: I can wait till then.

Me: Good.

Kushina Uzumaki Namikaze II: Father told me all about your adventures uncle. They are really awesome.

Me: I can tell that he did. But I will gladly help you kill the Evil Sasuke later on.

Kushina Uzumaki Namikaze II: Thank you.

Sarah Amaterasu: Yeah. Sorry we have to fight like this.

Kushina Uzumaki Namikaze II: No worries.

Me: Boy Naruto and Sakura are going to be shocked when they see this.

Lola: Yeah.

Lincoln: First this.

Lincoln fired a blast of light and separated Another Plasma Trooper from her!

Sarah Amaterasu: I hope 2 appear after this.

Me: Me too.

Kushina and Sarah fired waves of energy and light and blasted Another Plasma Trooper and he exploded!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Me: Yep.

Another Universe 666 Burns: (In a girls voice) Thank you guys for destroying Springfield.

Another Universe 666 Cinder Fall: And thank you for putting my sister Connie in her place and destroying Quahog.

They reverted back and Another 666 Burns was a girl with blue hair and blue eyes and had blue clothes and Another 666 Cinder Fall was a girl with blond hair and blue eyes and had purple clothes and blue angel wings.

Me: (GASP) Maria Krabappel and Annie D'Amico!

Nico: WHOA! Are you girls related to…

Maria Krabappel: Yeah Edna Krabappel is my aunt.

Annie D'Amico: And Connie is my twin sister. I hated how she bullied Meg like that!

Nico: Don't we all?

Annie D'Amico: Yeah Connie got what she deserved.

Qin: She sure did and Springfield got what it deserved too.

Maria Krabappel: Thank goodness.

Neytiri: Sorry we have to fight like this though.

Nerri: Yeah we're sorry.

Me: By the way are the last of the Anothers for today friendly or hostile?

Maria Krabappel: Friendly and they are awesome. HA!

We laughed!

Me: You are just like your aunt. Awesome.

Nico: Yep.

Lincoln: Lets do it.

Lincoln fired a blast of light and separated them from the Anothers they were turned into.

Xenia: Nice!

Nico: Go for it, girls!

Neytiri fired an arrow and it skewered Another Burns and Nerri blasted Another Cinder Fall and they both exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books. One was called The Princess of the Good Kingdom and the Evils of The Town in The Armpit of America's Buttcrack. And the other was called The Princess of The Good Kingdom of Root Beer and the Evils of the Corrupt Town of Drunks.

Nico: Nice titles.

Serri Serris: Same here.

Nico: This is amazing.

Serri Serris: And also I'm the gene-slammer for Serris as well. And I'm also one of Lincoln's guardian angels for it.

Lincoln: That's awesome and it's good to see you again Serri. I haven't seen you since you we were at the beach.

Serri Serris: I know.

Me: And I met Serri when me and my family were over in the Cayman Islands.

Catherine Arthur: Let's do this!

Lincoln: First this.

Lincoln fired waves of light and separated their Anothers from them.

Nico: Nice!

Sakura Hanma: This is gonna be fun.

Catherine Arthur: It sure will.

They both fired waves of energy and blasted Another Serris and Another Omega Ridley and they exploded!

Nico: WHOA! That is powerful!

Lola: Yeah!

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jetman Sword.

Omaima Reginald: Just to repay him by smashing his face in.

Me: Well you're a little too late on that one.

Sakura Knudson: Yeah he's already dead.

Me: We killed him and banished him to the black gates.

Qin: Yep.

Omaima Reginald: Aw man. Oh well.

Sougo: (gets out Mighty Morphin Ridewatch) You must be really strong.

Geiz: (gets out Jetman Ridewatch) Can you even lift Godzilla?

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor.

Omaima Reginald: I can try but I don't think I'm THAT strong.

Eli: We'll have to test that out.

Nico: Yep.

Me: Sorry we have to fight like this Omaima.

Omaima Reginald: No worries. Come at me and don't hold back.

She turned into ANOTHER ONYX!

Nico: Lets get her!

Me: YEAH!

Nico: (gives Maria Senzu Bean) Here, sis. You're not done yet.

She ate it and was re-energized.

Maria: All right! J.D. I'll let you use Thanos' power from now on.

Me: Okay then.

Maria: Time for you to take your medicine! (ACTIVATES DOCTOR DIABLOS' RIDEWATCH)

Me: That is coincidental that you have her name.

Qin: It sure is.

Natasha: What are your favorite memories of Nico?

Winona Rider: When Nico and us tore an entire Yakuza Smuggling operation into pieces.

Nico: It was the great sushi escapade. They were going to smuggle enough fish onto the black market to sell for a lot of money.

Me: Whoa! That is crazy!

Lola: Yeah!

Nico hugged them both.

Nico: I missed you girls.

Wendy Rider: We did too Nico.

Me: But this was awesome.

Lincoln: Although they were killed by Good Luthor and his allies, we got word they were brought back by Brianna Greyson who used a Dark Orb to bring them back in one final revenge scheme against me.

Me: That monster bitch, she's not getting away with this!

Lincoln: No, we're not, we're going to put an end to the Universe 666 versions of The Z-Fighters and make those disgraces pay, and then, when the final battle arrives to kill Brianna Greyson, Lily the Mermaid and I will make her pay dearly for this with her life.

Goku: We should take this fight somewhere else, that way, they can't hurt any civilians during the fight.

Lincoln: Right, Master Goku, and I think I know where to take the fight to.

Lincoln snapped his fingers, and we were suddenly on a planet of Moonscar Island Peppers.

Me: A planet of Moonscar Island Peppers, awesome!

Nico: You know J.D. all too well, he just loves spicy food.

Lincoln: And so do I.

Lincoln took a massive jar, and loaded it full of Moonscar Island Peppers and scarfed them down, and then…

MILLIONS OF EXTREMELY MASSIVE AND UNBELIVEABLY POWERFUL FIERY EXPLOSIONS OF EXTREME UNPRECEDENTED POWER!

THE POWER OF THE EXPLOSIONS WERE SO MASSIVE, SO POWERFUL, AND SO INTENSE, THEY THEN FORMED JETS OF INCREDIBLY POWERFUL RAINBOW FIRE THAT SUDDELY BLASTED RIGHT OUT OF THE GALAXY AND FORMED INTO A POWERFUL AND HUGE THUNDERBIRD, A POWERFUL AND HUGE PHOENIX, A POWERFUL AND HUGE WEREWOLF, A POWERFUL AND HUGE VAMPIRE, A POWERFUL AND HUGE DRAGON, A POWERFUL AND HUGE FAIRY, A POWERFUL AND HUGE BUFFALO, A POWERFUL AND HUGE INCUBUS AND A POWERFUL AND HUGE SUCCUBUS, A POWERFUL AND HUGE DEMON, A HUGE AND POWERFUL TIGER, A HUGE AND POWERFUL ALICORN, A POWERFUL AND HUGE ANGEL, A POWERFUL AND HUGE ARCHANGEL, AND OTHER POWERFUL AND HUGE MYTHOLOGICAL CREATURES AND OTHER POWERFUL AND HUGE ANIMALS OF MASSIVE SIZE! THEY ALL SCREECHED AND ROARED WITH INCREDIBLE POWER AND LINCOLN WAS ENTOMBED IN A MASSIVE RAINBOW FIRE TORNADO! THEN, LINCOLN SUCKED THEM ALL INTO HIS BODY, AND WHEN THE RAINBOW FIRE TORNADO FADED, LINCOLN WAS NOW EVEN MORE INFINITELY STRONGER THAN EVER, HE HAD A SUPER INTENSE RAINBOW FIRE AURA SURROUNDING HIM AND HIS ABNORMALLY MASSIVE AND POWERFUL UPPER AND LOWER BODY MUSCLES GREW A BIT BIGGER, BLOOD LEAKED OUT FROM HIS SPICY PEPPER TATTOO, HE HAS BECOME A TRUE SPICE DEMON!

Lincoln's deep sapphire blue eyes and rainbow iris of his Third Eye also had super intense burning fire in them!

Nico: SWEET MOTHER OF ALL THINGS SPICY!

Eli: HOLY TOLEDO! THAT WAS ONE WILD SERIES OF EXTREMELY MASSIVE AND WILD EXPLOSIONS!

Lincoln: WHOA! That was so awesome!

Me: WHOA! Lincoln, how do you feel?

Lincoln: Intensely awesome and hot like you, J.D., when you ate one of those bad boys!

Nicole: Dad eats tons of these like crazy, but you, you took and ate a whole jar of those super and insanely hot bad boys!

Lincoln loaded up the jar with more of these to give to Simone and Lena.

Lincoln: There we go, Simone and Lena are going to be surprised when we tell them we found a planet of Moonscar Island Peppers, and when we get back, the rest of the team already saw the display, along with The Masters of Evil, and I've now ascended to being a True Spice Demon like J.D.

Sarah: Looks like you're going to have some tough competition with Lincoln, J.D.

Me: I'm ready for anything especially when it comes to nuclear super spicy food. Now, let's get after the Universe 666 Z-Fighters.

Suddenly, we sensed two energy signals heading our way: it was Universe 666 Goten and Universe 666 Trunks.

Trunks: Great, our Universe 666 selves have shown up.

Goten: Always the first to arrive for the fight, we better stop them now.

Suddenly, Lincoln took off faster than a million speeding bullets and leaving behind a superhot trail of rainbow fire, and he punched Universe 666 Goten and Universe 666 Trunks real hard in the faces and sent them on a collision course towards us, and they crashed into the ground in front of us.

Me: WHEW! Now, that's what I call some serious speed and strength, he took them down hard!

Nico: No kidding, and look at the trail of superhot rainbow fire he left. Those Moonscar Island peppers really made him even more stronger and faster than ever.

Then, Lincoln turned the tips of two of his eleven massive and long white wolf tails into Cell's stingers and stabbed them onto Universe 666 Goten and Universe 666 Trunks' backs, and then, Lincoln began to absorb them and he was also growing even stronger. Then, as soon as Lincoln was done, nothing was left of them except for their clothes.

Lincoln: Alright, let's continue onwards, there's still more of them out there.

We continued onwards, and then, we encountered the Universe 666 versions of Tien, Yamcha, Krillin, Master Roshi, Oceanus Shenron, Hercule, Nuova Shenron, Chiaotzu, Paragus, Gine, Bulma, Majin Buu, Chi-Chi, Androids 17, 18, and 16, Nikiya, and Valese, along with the Universe 666 Saiyans.

Sebastian Mendez: So, the others have arrived, but I don't see the Universe 666 versions of Gohan, Piccolo, Goku, and Vegeta.

Me: They'll show up soon, but first.

Lincoln: Yeah.

We went after the Universe 666 versions of Tien, Yamcha, Krillin, Master Roshi, Oceanus Shenron, Hercule, Nuova Shenron, Chiaotzu, Paragus, Gine, Bulma, Majin Buu, Chi-Chi, Androids 17, 18, and 16, Nikiya, and Valese, along with the Universe 666 Saiyans, and we showed them no mercy as we blasted and punched and kicked them without mercy. Then, Lincoln stabbed them with Cell's stingers and he absorbed them and he grew even more stronger, and when he was done, nothing was left of them except for their clothing.

Sebastian Mendez: Now, all that's left are the Universe 666 versions of Gohan, Piccolo, Goku, and Vegeta.

Gohan: And they won't show any mercy whatsoever.

Sebastian Mendez: Like we didn't show mercy to their allies, and I'm all for spilling their blood and showing them the true meaning of pain and suffering.

Nico and I had chills going down our spines from that dark threat.

Goku: I don't blame you guys for getting chills down your spine, Sebastian's always had that aura of darkness around him, and any who get on his bad side, it doesn't end well at all.

Suddenly, we saw a very beautiful and super sexy girl with long black hair and red hairband, red eyes, vampire fangs, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red and black angel wings, she's dressed in a red long-sleeved coat with black fur collar and cuffs, sleeveless red top, red skirt, necklace with red gem for the pendant, white bridal gloves, black pants, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with darkness, vampire bats, and angels on the coattails and on the back is The Bat Fangire, and holstered on her back is a massive Bat Fangire-themed greatsword with embedded red gems and The Bat Fangire etched on the 7'0" massive, wide, double-edged blood red blade, large blood red bat heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel.

Nico: Whoa, so we got a vampire girl we're meeting here today.

Vampire Girl: Oops, sorry about the scare, but I managed to get the girls away from the Universe 666 versions of Gohan, Piccolo, Goku, and Vegeta who are on their way here now.

Lincoln: (Gasps) That voice, Ravenna Amaranth, Embodiment of The Fangire Race, I knew it was you.

Suddenly, we sensed four massive energy signals heading our way: it was the Universe 666 versions of Gohan, Piccolo, Goku, and Vegeta.

Sebastian Mendez: Right on time. NOW, DIE!

Sebastian Mendez summoned an army of dark dragons and he then sent them after the Universe 666 versions of Gohan, Piccolo, Goku, and Vegeta, only to be blasted into dust.

Vegeta: It didn't work, we need to weaken them the only way we know how.

Sylvester: No one's going to say a kind word at their funeral.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

We were weakening the Universe 666 versions of Gohan, Piccolo, Goku, and Vegeta, and then, Lincoln rushed at them, and he stung them in their chests with his tails with Cell's stingers, and he began to absorb them and he was also growing even stronger. Then, as soon as Lincoln was done absorbing them and the stingers change back, nothing was left of them except for their clothes. Then, multiple energy cards with the souls of the Universe 666 Z-Fighters and Saiyans were fired out of Lincoln's thunderbolt cutie mark on his left pec, and as soon as the Judgement Kanjis appeared on their foreheads, they were all sent to The Black Gates forever and Brianna's final attempt at revenge was foiled. We cheered as we holstered our weapons and powered down.

Lincoln: Hah, in your face, Brianna!

Me: We foiled your last attempt at revenge against Lincoln, you monster bitch!

Nico: Now, you're all out of plans, and soon, you'll be joining your gang very soon.

Lincoln: It's only a matter of time, Nico, but you're right: she's all out of revenge schemes, and their safehouses full of weapons are finally all gone. Now, she has nowhere left to run. (To Ravenna Amaranth) And it's so good to see you again, Ravenna Amaranth.

Ravenna Amaranth: You too, Lou too, Linky, it's been such a long time.

Lincoln went up to Ravenna Amaranth and he hugged her, and Ravenna Amaranth is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Ravenna Amaranth: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot vampire mama?

Lincoln: Indeed I do, J.D., this is Ravenna Amaranth, Embodiment of The Fangire Race, she's my Guardian Angel from Michigan, and she's also a very powerful vampire who was born with not only the dark powers and strengths of the vampires, but also, all the dark powers and strengths of The Fangires and none of their weaknesses. Ravenna's known for defending me with a fierce passion not only from my enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and like me and the other vampires, she feeds on blood bags from the blood bank, and she also knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Victoria Kurenai: And she's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and our job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Selene Arcangela: They've also teamed up with The Ghosthunters

Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Ravenna a beautiful necklace with black pearls and a red gem for the pendant, and to show thanks, Ravenna kissed Lincoln on the lips underneath the full moon as the vampire bats flew into the night, and she hates Lori with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four with an absolutely intense and burning hatred that even the other Fangires were absolutely afraid of her, even Dracula himself would fear the Embodiment of All Things Supernatural.

Me: Whoa!

Nico: Damn, she's really that powerful?!

Lincoln: Yep, and since we have some of the Fangires in The Masters of Evil, if they see her again, it'll lead to panic for them. Plus, she also taught me how to use the Fangire powers for good, that sort of came with getting turned into a vampire.

Me: Really?

Lincoln: Yep, for example, I can turn my nails into Life-Sucking Claws, a variant of The Life-Sucking Fangs, and when I pierce a thug's chest with them, I suck out their life energy, but instead of them turning into glass, they are immediately turned into a desiccated corpse with their skin covered in a stained-glass mosaic because I also tend to suck out all of their blood.

Lincoln turned his nails into Life-Sucking Claws, which are stained-glass patterned, then, they change back.

Nico: Dang, now that's really wicked.

Leni: Luna and I saw it, and they look totes awesome.

Luna: On the outside, they do, but when some thug or wise guy tries to cause trouble or is just out on a rampage, one stab from those bad boys, and Lincoln will suck out all their life energy and blood and leave them as a desiccated corpse with their skin covered in a stained-glass mosaic.

Me: Too bad we didn't get a chance to meet you last year when we went after King and his minions.

Nico: Yeah, that was a bust, you would've kicked some serious Fangire ass.

Ravenna Amaranth: Yeah, but, I'm so glad to hear King and the rest of The Checkmate Four, along with Takashi Sugimura and Takato Shiramine got The Black Gates.

Selena Kurenai: They were nothing but bastards, every last one of them, except for Maya who was once The Pearlshell Fangire along with Mio Suzuki, but she got turned against her own will.

Lincoln: And some of the Fangires are now part of The Masters of Evil and some of them are now the archenemies of Hunter, leader of The Road Rovers, Tori Meadows, Lizzy Morris, survivor of Horrorland, Tania, Amazon and former member of The Shadow Riders, Natilee Ursus A.K.A. Sailor Wayland, Yost Flash Thompson, Juniper Lee's friend, Jody, Hellberus, Bubbles Maria Santiago, Light Lass, and Leslie Tiana, and Layla Ratigan whose alternate archenemy is The Rat Fangire.

Ravenna Amaranth: Damn, that's a lot.

Nico: It sure is, and if they come out for the usual battles and when they see you, please try not to attack them.

Ravenna Amaranth: Okay, but I'll settle for scaring them when they see me.

Lincoln: That's good, and now, then, I think it's my turn to mark you, Ravenna.

Suddenly, Lincoln hugged Ravenna Amaranth in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ravenna Amaranth: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Ravenna Amaranth's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Ravenna Amaranth: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ravenna Amaranth.

Ravenna Amaranth had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Alisa Mayuzumi, Himeno Shikoro, Hana Kiyose, Hiromi Kamamoto, and Masumi Giboshi from CC Hospital.

Lincoln: Oh wow, it's Alisa Mayuzumi, Himeno Shikoro, Hana Kiyose, Hiromi Kamamoto, and Masumi Giboshi from CC Hospital.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Alisa Mayuzumi: Yes, we're okay, thanks to you.

Then, when Alisa Mayuzumi and the other four girls saw who it was that saved them from the Universe 666 versions of The Z-Fighters and Saiyans, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Alisa Mayuzumi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alisa Mayuzumi, Himeno Shikoro, Hana Kiyose, Hiromi Kamamoto, and Masumi Giboshi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went after were the Universe 666 versions of The Z-Fighters and Saiyans, who were originally killed by Good Luthor and his allies, but were brought back by Brianna Greyson who used a Dark Orb in one final revenge scheme against

Lincoln.

But, when Lincoln showed what happened such as him taking the fight to a planet of Moonscar Island peppers and him going after and after beating them down one by one absorbed them by using Cell's stingers, and finally giving the beatdown on the Universe 666 versions of Goku, Vegeta, Piccolo, and Gohan and Lincoln absorbing them as well and sending all their souls to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Ravenna Amaranth have a lot of catching up to do, now that she's back in town.

Maria: That monster bitch had some nerve to do something like this, but you got back at her with using Cell's stingers to absorb the Universe 666 versions of The Z-Fighters and Saiyans.

Nico: He went on a feeding frenzy, and you also saw what he did in eating a jar that he'd filled full of Moonscar Island peppers.

Me: It was just like what happened at Vigrid.

Lincoln: Yep, and I not only gained a massive boost in strength, speed, and muscle mass again, but I've also ascended into becoming a True Spice Demon just like J.D.

May: If they get into a Spicy Pepper Eating Competition, it'll end in a tie.

Maria: I forgot Lincoln loves eating spicy peppers and spicy food.

Me: I didn't.

Nico: And neither did I.

Lincoln: It would be awesome to have a Spicy Pepper Eating Competition one day.

Me: Same here.

After destroying the Universe 666 Z-Fighters and Saiyans and foiling

Brianna Greyson's final attempt at revenge on Lincoln, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ravenna Amaranth saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Ravenna Amaranth: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ravenna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ravenna Amaranth: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Ravenna Amaranth: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Ravenna, what's the story on why you hate Lori with a burning passion?

Ravenna Amaranth: Now, that's something I haven't forgotten.

Ravenna Amaranth pulled up a video and it played on the screen, and it shows Lincoln and the entire Michigan Supernatural Defense Force meeting at their castle fortress. Suddenly, their alarm sounded, and Ravenna saw who it was that triggered the alarm: armed thugs hired by none other than Lori who's on the rampage again.

Past Victoria Kurenai: Ugh, this again, Lori?! You really don't even know when to quit, do you, you control freak bitch!

Past Lincoln: Let's head down there now, and get rid of those thugs, and then, we take down Lori yet again.

Lincoln and the rest of The Michigan Supernatural Defense Force head down there, and confront the army of armed thugs and Lori, who was out for blood: Lincoln's blood.

Past Lori: KILL THE TWERP!

The armed thugs came after Lincoln and The Michigan Supernatural

Defense Force, but they'd fired powerful blasts of darkness and disarmed the thugs, and one of them went after Lincoln with a knife, but Lincoln's claws turned into Life-Sucking Claws as the stained-glass patterns appeared, and he'd stabbed them into the chest of the charging thug, and he sucked out all his life energy and blood and he was turned into a desiccated corpse with a stained-glass mosaic on his skin. This horrified the rest of the thugs, but it also made Lori even angrier.

Past Lori: DON'T JUST STAND THERE, KILL HIM! KILL HIM AND THE BITCHES NOW!

Thug: Fuck you, bitch, I'm not dying today!

Past Lincoln: Oh, yes, you are. (DEEP SAPPHIRE EYES TURN BLOOD RED AND HISSES)

Lincoln went after the other remaining thugs, and with his Life-Sucking Claws, he stabbed them into the chests of the remaining thugs, and he sucked out all their life energy and blood and they were all turned into desiccated corpses with a stained-glass mosaic on their skins.

Past Taylor Sugimura: You're now all alone, Lori.

Past Lori: I WILL LITERALLY TURN YOU ALL INTO HUMAN PRETZELS! (SCREAMING WITH WRATH)

Lori came charging right at them, but Lincoln and The Michigan Supernatural Defense Force pounced on Lori and gave her the beating of her life and she was knocked down and out, and Lincoln tied her up with a stained-glass pattered energy straitjacket he fired from his massive white angel wings. Then, Luna, Gohan, Krillin, Varie, and I came out.

Past Luna: Dang, you dudes sure gave that control freak the beatdown of her life!

Past Me: And you sure did a number on those thugs, Lincoln.

Past Lincoln: Lori played dirty by hiring those thugs to kill us. Get her out of here before she wakes up and starts screaming again.

Past Me: Got it, see you guys at home.

Luna, Gohan, Krillin, Varie, and I dragged Lori back to The Loud House to face her doom while Lincoln and The Michigan Supernatural Defense Force went back to their castle to continue their meeting as the video ended.

Nico: Whoa, now that's what I call one awesome fight, and we saw your Life-Sucking Claws in action when you went after Lori's hired thugs.

Me: It was really wild, not only did Lincoln suck out their blood with those claws, but he also sucked out their life energy.

Luna: He went on a feeding frenzy on those thugs, and he really angered Lori big time. But, she got her just desserts, after we got back home and told Mom and Pops of what Lori did, she got grounded for twelve weeks and I threw her in a padded room container and there, she screamed and she went really crazy wanting revenge.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Blade Skater, Cyber Angel Benten, Cyber Angel Dakini, Cyber Angel Idaten, Cyber Angel Izana, Cyber Angel Natasha, Cyber Angel Vrash, Cyber Blader, Cyber Gymnast, Cyber Prima, Cyber Tutu, Cyber Tutubon, Etoile Cyber, Arcee (Transformers EarthSpark), Glamrock Chica, Sticky Wipplesnit, Torvald Batterbutter, Citrusella Flugpucker, and Nougetsia Brumblestain, and they hugged the girls in their abnormally massive and powerful muscular arms, and Blade Skater, Cyber Angel Benten, Cyber Angel Dakini, Cyber Angel Idaten, Cyber Angel Izana, Cyber Angel Natasha, Cyber Angel Vrash, Cyber Blader, Cyber Gymnast, Cyber Prima, Cyber Tutu, Cyber Tutubon, Etoile Cyber, Arcee (Transformers EarthSpark), Glamrock Chica, Sticky Wipplesnit, Torvald Batterbutter, Citrusella Flugpucker, and Nougetsia Brumblestain placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Lincoln: And we also had a run-in with some hulking muscle-bound hired thugs no doubt sent by that monster bitch, Brianna Greyson, in one last ditch effort to kill me, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Brianna Greyson scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, that monster bitch just don't even know when to quit.

Nico: Serves her right, but she'll finally get hers later on today.

Me: She sure will, Brianna Greyson and the rest of the monster bitches have gotten on all our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right, and now that Brianna Greyson has been permanently driven insane with rage and insanity, this'll make her death even more painful than ever.

* * *

Later it was time for Princess Amore's 3rd mission.

William: Anyone else want to go with Amore? Besides Leo and Aurico?

Alice Liddell: (British Accent) I will go with you guys.

Me: Are you sure Alice?

Alice Liddell: I am sure.

Me: Okay. Anyone else?

Ophelia Laurence: Me and Medic will go too.

Me: Awesome! Duchess Swan is going to love meeting Medic.

Medic then appeared.

Medic: I'm excited to meet her guys.

Me: Yep.

Nico: All right lets go.

We were off to Ever After High.

* * *

We arrived.

Me: Here we are guys.

Ophelia Laurence: Wow! This is amazing!

Medic: Boy this place has a lot of amazing surroundings.

Me: It sure does.

Ophelia Laurence: Brittney you are so lucky to know a school like this.

Brittney: I know. It's amazing.

Me: What do you think Alice?

Alice Liddell: It's really amazing to see.

Me: Yep.

Apple White: Hey guys! Awesome to have you here.

Amore: Girls, meet Leonardo and Aurico:

2003 Leo: Awesome to meet you girls. I'm Leonardo. Call me Leo.

Me: He and his brothers were ordinary pet turtles until they got covered in at strange radioactive mutagenic ooze and they turned into the Teenage Mutant Ninja Turtles.

Apple White: That is complicated.

Me: It sure is.

Aurico: And I'm Aurico, leader of the Aquitar Rangers.

Me: In Japan they are the Kakurangers. But in America they are the Alien Rangers.

Raven Queen: That is cool!

Me: It sure is.

Ophelia Laurence: Awesome to meet you girls. I'm Ophelia Laurence, Gene-slammer of Nightmare Horse.

Medic: And I'm her archenemy Roidmude 009 but everyone calls me Medic.

Duchess Swan: Wow! So you are Medic. Awesome to meet you and I love your black swan outfit. It's so awesome.

Medic: Thank you. Swan Lake is my favorite ballet.

Duchess Swan: You have awesome tastes.

Alice Liddell: And my name is Alice Liddell.

They gasped.

Apple White: So you are Alice Liddell. Oh my god we heard so much about what happened.

Madeline Hatter: Yeah that was awful that happened to you.

Raven Queen: We're so sorry you went through all that.

Alice Liddell: It's not your fault.

Me: No if anyone is to blame it's Bumby. But we got rid of him forever.

Eli: We sure did.

Twilight Sparkle: We sure did.

Nico: Yep.

Raven Queen: I'm glad she got justice.

Me: We all are.

Eli: Same here.

We went to sit down and talk.

Raven Queen: So what are the archenemies we have for when we join the team?

Me: Well you girls are going to love them. Most of you girls have the universe 666 versions of the SWAT Kats major enemies. They were some of the toughest we ever faced in the Prime Universe.

Ashlynn Ella: Wow! That is cool!

Ophelia Laurence: It sure is.

Raven Queen: Oh we have more of our friends for you to meet.

Apple White: I'd like you to meet our male friends.

Daring Charming: Ah Team Loud Phoenix Storm it's an honor. I'm Daring Charming, son of Prince Charming.

Sparrow Hood: I'm Sparrow Hood, son of the legendary Robin Hood.

Alistair Wonderland: I'm Alistair Wonderland. It's an honor.

Me: Same to you guys and it's awesome to meet you. Sparrow, your father is an amazing legendary hero. For over 900 years he has captivated lots of people.

Sparrow Hood: That he has.

Me: Yeah and Daring your father is a great man.

Daring Charming: That he is.

Alice Liddell: You know, Bumby wasn't the only dangerous threat I had to face

Apple White: What do you mean?

Alice Liddell: Ever heard of the Jabberwock?

Lizzie Hearts: That ferocious monster!? Oh man!

Me: I heard Lizzie that the Jabberwock is your mothers most powerful and dangerous servant from what I recall.

Lizzie Hearts: That's right.

Me: Alice what can you tell us about him?

Alice Liddell: He is not a pleasant guy.

She told us about him.

---

The Jabberwock is the Queen of Hearts' most dangerous servant and the secondary antagonist of American McGee's Alice.

After his encounter with the Vorpal Blade, the Jabberwock was left with his body ravaged, mutilated, and weak. He was restored with new mechanical parts, (most likely designed by the Mad Hatter) and after Wonderland's fall, he acted as the Queen of Hearts' most ferocious enforcer.

After finding out she needed one of the Jabberwock's eyes to finally create the Jabberwock's Eye Staff, Alice set out to find him and encountered the creature in the Land of Fire and Brimstone in a manifestation of her former home. The Jabberwock proceeded to torment her by blaming her for the death of her family since she had not warned them of the fire in time.

Alice began battling the mechanical monster but just when it seemed that the Jabberwock would finish her, Gryphon appeared and managed to claw out one of his eyes.

The mechanical monster fled with Gryphon in pursuit and the two began a one-on-one battle in Queensland, but this time, the Jabberwock emerged victorious, striking down his foe. Alice appeared and managed to slay him, avenging the death of Gryphon.

Though Jabberwock was not brought back to life when Wonderland was restored, he continued to haunt Alice in her hallucinations. In her memories, the Jabberwock's image appeared in Alice's burning home and as Alice wandered London, she was surrounded in an alley by a hallucination of a mob of human figures with the

Jabberwock's head. They disappeared when Nurse Witless showed up, but at her home, she mutated into a hybrid of herself and the Jabberwock. This caused Alice to finally return to Wonderland.

---

When she was done we were shocked!

Eli: Whoa!

Me: That is one dangerous monster.

Nico: No shit.

Me: I remember reading all about the Jabberwock in the book of Alice in Wonderland and Alice defeated it by slashing its head off.

Aurico: I have a feeling that we'll be facing the Jabberwock here.

Me: If that's the case we better take the battle to another world to make sure that no one gets hurt.

Eli: I agree there.

Brittney: That's a good idea dad.

Nico: Yeah.

Me: And I got just the place.

Nico: What?

Me: The Chili Dog Planet.

Nico: YUM!

Me: (To the viewers) You thought I was going to say the Chum Planet didn't you?

Raven Queen: (looks out window) So, what does the Jabberwock look like again?

Nico: A giant mechanical silver dragon that is pure evil. Why?

Raven Queen: Is that it out there!?

We looked and saw THE JABBERWOCK FLYING TOWARDS US!

Me: WHOA MAN! THAT'S IT!

Ophelia Laurence: That is a scary one!

Me: Sound the alarm!

Eli: Right!

Eli went and sounded the alarm.

EVERYONE GOT INSIDE AND RAN IN!

Nico: Lets go! We got to slay the dragon!

We went and faced him!

The Jabberwock landed!

Me: WHOA! It sure is ugly and scary up close!

Leonardo: Hey! Can you even talk?!

Jabberwock: Of course I can talk you shellheaded moron!

Leonardo: HEY! I RESENT THAT!

Jabberwock saw Alice.

Jabberwock: Ah Alice my long time archnemesis. Nice to see you again after all these years.

Alice Liddell: I haven't forgotten you!

Jabberwock: You selfish, misbegotten and unnatural child! You smelled the smoke, but you were in dreamland taking tea with your friends. You couldn't be bothered. Your room was protected and spared while your family upstairs roasted in an inferno of incredible horror!

Me: For your information you overgrown silver plated snake skinned wallet! Bumby is the one that did it! She was too scared to do anything! Now she killed the monster that killed her parents and sister! He is gone for good and we helped her conquer her demons!

Nico: YEAH! So if you know what's good for you, you shut the fuck up!

Jabberwock: Now, all of Ever After High will watch as you and your friends fall!

Me: We'll see about that! (SNAPS FINGERS)

I teleported us to the Chili Dog Planet!

Raven Queen: Wow! So this is the Chili Dog Planet!?

Me: Yep. Sonic and Tails and the Sonic Sisters love this planet.

Jabberwock: And now it will be your eternal resting place!

Nico: We'll see about that dragonface!

Jabberwock fired a lightning blast from his mouth and I fired a blast of energy and the blasts collided and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lizzie Hearts: YEAH! Take that!

I teleported and kicked the Jabberwock in his face and knocked him down.

Aurico: It's Morphin Time!

Aurico transformed!

Aurico: RED AQUITAR RANGER POWER!

He transformed and was ready!

Me: Time for you girls to Take Flight.

I pulled out my Wonder Almighty Wonder Ride Book.

Me: (Reads Verse) "The friends of the heroes of the universe had feathers of powerful magic appear and they landed on the girls backs and they grew powerful angel wings and they got the power to fly with amazing flight."

Just like I said, feathers flew in and they landed on the backs of the girls and Raven Queen and friends grew amazing angel wings and got the power of winged flight!

Raven Queen: What!? WOW! We can fly now!

Me: Yep.

Nico: (gets out Onyx and Mammoth's Ridewatches) Gonna need muscle to take this guy down!

Nico activated them and he bulked up and flexed muscles and then he jumped and PUNCHED THE JABBERWOCK and smashed him into the ground!

Nico: OH YEAH! Beats using Bulky Bars!

The girls got to flying and flew into the air.

Raven Queen: WOOHOO! THIS IS AWESOME!

Apple White: YEAH! IT SURE IS!

Nico: YEAH!

Amore: Take this!

She fired waves of light and blasted the Jabberwock all over!

Jabberwock: THAT HURT!

Me: Well it's supposed to hurt lizardlips!

Aurico: (gets out Firepower's Ridebook) This will hurt more! (Reads Verse) "Firing a massive onslaught of missiles and lasers and machine guns at the target, Firepower blasted them all over in a powerful warpath against the heroes that wronged him."

Then numerous missiles, lasers, machine guns and grenades blasted Jabberwock all over the place with indiscriminate fury.

Me: "Beware the Jubjub Bird and Shun the Frumious Bandersnatch!"

Alice Liddell: That's exactly from Wonderland.

Eli: Awesome.

Leo: (gets out Magpie's Ridebook) This is for calling me a Shellheaded Moron! (Reads verse) "Stalking its prey the Magpie flew in and slashed the creatures wings right off and made it flightless with just a swipe of the birds talons."

Then everything Leo said happened and the wings of the Jabberwock fell off!

CRASH!

Eli: Nice one!

Me: YEAH!

Me: Not so fun now without wings is it!

Nico: It's still dangerous though!

?: Nothing we can't handle!

An Aegislash then came!

Me: 2 Aegislash! Wow!

Nico: Cool!

Aegislash 1: (In a girls voice) Take this you fiend!

Me: Celeste Xion!? WHOA!

Aegislash 2: (In a girls voice) (British Accent) You will lose your head!

Nico: Dame Evelyn Sirloin of The Kingdom of Sirloinus!

Aegislash 2: That's right Nico. Good to see you!

Aegislash 1: And you as well J.D.

Me: Same here.

Nico: We could use the help!

Aegislash 1: You got it!

They slashed the Jabberwock all over.

Me: Lets show some teamwork guys!

Raven Queen: You got it!

We fired waves of energy and blasted the Jabberwock all over!

Nico: Care to finish him J.D.?

Me: You got it! I've always wanted to say this!

I ran at him and he was about to chomp me. But I jumped over him and unsheathed my sword!

Me: OFF WITH YOUR HEAD!

SLASH!

I SLASHED HIS HEAD CLEAR OFF HIS SHOULDERS AND KILLED HIM INSTANTLY!

Nico: WHOA!

Eli: Way to go bro!

Aegislash 1: That was awesome J.D.!

Me: Thanks!

Nico: That was awesome! Jabberwock will be perfect for the M.O.E.

Me: Just as long as he doesn't cause trouble.

Apple White: Let's bring some Chili Dogs back to the school.

Me: Good idea Apple. We'll give everyone an awesome all they can eat chili dog buffet.

We ran fast and gave them an awesome truckload of chili dogs.

Raven Queen: That is so cool that you guys went to so many planets like this.

Me: We went to many food planets. Nico loves MANY kinds of them.

Eli: It's true.

Ophelia Laurence: It sure is awesome.

Nico: Yep.

Celeste Xion reverted back and she was a girl with black hair and had blue eyes and the kanji for Sun in the middle of her forehead and had black clothes and had the kanji for The Celestial Sun of The 14 Elements on her skirt and she had a sun sword and had sun angel wings. Evelyn Sirloin was a girl with red hair and had red eyes and dark red clothes and had a red meat sword.

Evelyn Sirloin: Boy that is so awesome.

Celeste Xion: It sure was. Also yes I am the gene-slammer of Xion.

Me: WHOA!

Apple White: Wow you guys have gene-slammers of Organization XIII members?

Me: I know. Crazy huh?

Aurico: What's your favorite memory of Nico?

Evelyn Sirloin: As you know I'm a Knight of Meat. My favorite with

Nico is where we caught a bunch of robbers stealing boatloads of gravy from a gravy factory.

Me: Boy Ed would hate that!

Nico: He sure would! (LAUGHS) And he loves gravy!

Me: What were they stealing all that gravy for?

Evelyn Sirloin: To steal for a rival kingdom of mine. The Kingdom of Gravyslovania.

Me: Boy that sounds like a kingdom that Ed would love!

Eli: Yeah he sure would!

We laughed!

Nico: Yep.

Nico and Evelyn hugged.

Nico: I've missed you.

Evelyn Sirloin: Me too Nico. Me too.

We gave everyone in the school an awesome Chili Dog Buffet and it was awesome.

---

Later we came back.

May: Hey guys.

Sonic: (Sniffs) I smell chili dogs!

Me: Brought you, Tails and the Sonic Sisters lunch.

We got them a buffet too.

Tails: (SLURPS) Oh boy! I'm starving!

Sonia Sonic: Us too!

Sally Sonic: Thanks J.D.

We gave them the grub.

Me: We had an awesome time.

We told everyone what went down and it was awesome.

May: Whoa you guys destroyed the Jabberwock!?

Me: We sure did.

Lola: That is awesome! And on the planet of Chili Dogs!

Me: Yep.

May: Next time, Ish, Otto Rocket, the Auradon kids, and the mascots should go with you guys?

Me: So can Megan and the Saber Riders. They will love that.

Touma: That you can be sure of.

Nico: Yep.

---

Later me and the team were heading to the Missile Command Satellite Room.

Brick: So, what are we doing again?

Me: We got reports of a Cyberterrorism Operation being conducted on an island in the Indian Ocean. So we're going to fire the GoldenEye and destroy them all withit.

Eli: Very clever and cool.

Camie: Yep.

Sakura Knudson: GoldenEye? You mean that Russian Space Based

Weapons Program?

Me: That's right sis and you're going to see it in action.

Eli: It's cool. We haven't used it in a while.

We went in and got it ready.

Me: Here we go.

We put in the disk for GoldenEye.

Me: Okay we turn these keys at exactly the same time.

Me and Sakura put them in the locks.

Me: On my count. 3… 2… 1…

We turned them both and it activated and our satellites came on.

Blossom: Which island is it?

Me: These are the coordinates. 2° 48' 40.9356" N 68° 18' 52.6572" E

She typed it in and the satellite lined up with it.

The map showed us that it was Velox Island.

Blossom: Velox Island?

Me: It's an island that the FBI and CIA and INTERPOL have been monitoring because of Cyberterrorism activities. They are trying to destroy the entire global economy and swipe all of the worlds money for themselves.

Eli: Not on our watch.

Me: Nope.

We came out.

Blast Off: Is it ready?

Me: Yep. 9 minutes till detonation.

We got ready and waited. We set up the anti-EMP Shields.

Suddenly, Nico and Lincoln came inside.

Nico: Guys, you know about that city Blossom, Bubbles, Buttercup, and The Professor went to long ago: Citiesville.

Me: Yeah?

Lincoln: Well, we got news that this city has been declared the most crime-infested rathole in the entire state, so much so that The President has ordered the city to be destroyed forever, and those who lived there had also gotten arrested because they were involved in so much criminal activity and corruption, and he compared them to Springfield and Quahog in terms of deep corruption and total lawlessness.

We gasped in shock, even Blossom, Bubbles, and Buttercup.

Blossom: Whoa, and this seems very familiar.

Varie: Like what happened with Springfield and Quahog. Well, you guys know what this means?

Nico: Oh yeah, we got a dysfunctional city to destroy, and it's been a while since we've done just that.

Lincoln: Yeah, but we have a reputation to uphold since we were the ones who destroyed Springfield and Quahog seven years ago, so let's head down there and wreck that sorry excuse for a city.

Me: Yeah!

I also got out a wheelbarrow of explosives.

Nico: (Snickers) Looks like someone's eager to blow up that sorry excuse for a city.

Varie: You got that right.

Me: Wait Lincoln. We're not ready yet. But we will be. Lets wait and learn more about Citiesville before we head out.

Nico: I was just about to say that. Also lets wait till the GoldenEye does its thing.

Eli: Okay.

Nico: It's ready to fire!

Me: T-Minus 1 minute.

The previous group came.

Leonard: Here we go.

King Hiss: We haven't used the GoldenEye in a while.

Me: We sure haven't. 20 seconds.

We were watching.

Me: 5 seconds. 4… 3… 2… 1… 0.

Then we saw the entire island be wiped out electronically and more.

But then the island EXPLODED!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The island exploded and sunk into the ocean!

Me: Well not what we expected but it's just as good.

Nico: Why? What were you expecting?

Me: Just the electrical systems to be destroyed there and that's it.

Nico: Oh.

Eli: Well that's one more Terrorist Organization we no longer have to worry about.

Sakura Knudson: But that was so cool trying out GoldenEye.

Lola: It sure was.

Then the doorbell rang.

Me: (Imitating Mr. Krabs) (Singsong) Come in!

Then the door opened and in came a Furfrou!

Nico: Cool a Furfrou!

Qin: That is an awesome one.

Lola: Yeah.

Poromon: Hello there.

Furfrou: (In a girls voice) (Posh Accent) Why hello there Poromon good friend.

Nico: Madeline Forrester!? Wow!

She reverted back and was a girl with black hair and was dressed in a gorgeous purple dress.

Madeline Forrester: Its been a long time to you Nico.

Nico: It sure has been a while.

Fireflight: What's your favorite memory of Nico?

Madeline Forrester: When me and Nico made this gorgeous dress for me.

Nico: That's right. I made that dress for her.

Rarity: Why that dress is absolutely beautiful darlings.

Nico: Yep.

Qin: It sure is awesome.

Nico and Madeline hugged.

Nico: I've missed you Madeline.

Madeline Forester: Me too Nico. Me too.

Ace: I think the Powerpuff Girls' villains in the Masters of Evil need to be called in here too.

Me: I agree there.

Qin: Good idea.

Maria did so and called them in.

Shiv: Can me, Leonard, King Hiss, Hydro Man, Vypra, Webstor, Bane, Vexen, Firefly and Calamitous go with you guys?

Nico: Yes you all can come with. Before we head out though we need to know more about Citiesville and how it affected the girls.

Qin: Good idea.

Vegeta: Bokrua, what Gene Slammers do you think you'll meet next?

Nico: Aromatisse and Slurpuff.

Me: Ooh those two will be sweet.

Lola: Yep.

Nico: They sure will.

All the Powerpuff Girls villains came.

Leonard: Mojo, glad you could make it,

Mojo: Of course I did. I, Mojo Jojo, would not miss this for anything.

Nico: Now that we're all here what can you girls tell us about Citiesville?

Blossom: Well it's a horrible place to live in.

They told us everything about it.

---

Citiesville is a town not too far from Townsville, located in Pokey Oaks County. It is an industrial town with high rise buildings built in the first half of the 20th century. The city is mainly a commuter city, connected to Townsville via a historic suspension bridge.

Crime in Citiesville is rampant, and the police are largely unable to prevent criminal activity. However, Citiesville's government banned superheroes and the use of superpowers altogether after the Powerpuff Girls destroyed the town's historic bridge while trying to catch some crooks.

Unlike Townsville, in Citiesville, the mayor is a competent and very busy individual. There are no modern skyscrapers and the buildings are not brightly colored and cheerful due to numerous infestations, decay, and a lack of care. The citizens are cruel even if they aren't villains, and students are not allowed to just leave in the middle of class. Also, the destruction of irreplaceable city landmarks to catch petty criminals is not tolerated. With all of this in mind, it can be concluded that Citiesville is actually a very rotten place to live to the point where that's probably why people commute to and from the town instead of living in it.

---

When they were done we were shocked!

Me: That place is pathetic!

Qin: That place is a cesspool of evil!

Varie: Yeah no kidding!

Lola: What a dump!

Me: Yeah. Can you girls tell us what happened when you were there?

Blossom: We sure can.

They did so.

---

The Utonium family moves to the town of Citiesville, which is home to the world's top research lab. The Professor was told that it's a great place to live, but the girls don't think so. The family moves into a motel room, which, the Professor thinks looks great despite it being so messy. The girls travel to school on a school bus, but all the other kids are nasty to them. At school, the girls notice a fire breaking out nearby, and ask the teacher if they could help. The teacher gives a displeased look and the girls are being ignored, leaving the firefighting to the professionals. After school, the girls ask the professor what he thinks of the town. He ecstatically answers that it's great.

Sometime later, they try to patch things up with the mayor of the town. After which, the mayor is very occupied and receives a call from the chief of police that the bank is being robbed, but the girls are being ignored again. The girls rush to the scene of the crime, and Buttercup puts a dent into the criminals' car. The criminals head for the bridge, but the girls use their starburst ray to stop them and destroy the bridge. However, when the police arrive, they get angry at the girls for destroying the bridge.

Later that night, the girls have a serious discussion with the Mayor of Citiesville. He furiously informs them that they cost the city three million dollars in property damage by destroying the bridge, an irreplaceable historical landmark and the main route in and out of the town, because nobody actually lives in Citiesville and that they actually commute instead, just to catch some men who only stole $400. After having a brief emotional breakdown over the destruction of the bridge, the mayor angrily presents the girls with a signed bill that outlaws all uses of superpowers (including flying) in the town, then menacingly kicks them out of his office.

Rejected, ignored and fed up with Citiesville, the girls walk to their new home and tell the Professor exactly what they think of the town. They state that Citiesville is horrible, stinking and disgusting with full of self-important jerks and that they don't want to stay in the new city forever. They try to convince the Professor to come back to Townsville because Townsville is nothing without the Powerpuff Girls. The Professor sheds tears of joy while the girls are convincing him, admitting that he hates the town just as much as they do, as his coworkers at work pick on him. Happily, the Professor is convinced by the girls who say yes, and they move back to Townsville as the episode ends.

---

When they were done we were shocked.

Me: Why those miserable jerks!

Qin: Citiesville is a completely dysfunctional town!

Mojo: Even I, Mojo Jojo, would not treat the Powerpuff Girls like that!

Fuzzy Lumpkins: Mes neither!

Lola: I agree!

Nico: I got to talk to the president about this.

Nico pressed the red button and the phone to the White House came up and Nico contacted the president.

Brick: You girls did nothing to deserve that treatment!

Blossom: No we didn't! And we realized that Townsville is NOTHING without us!

Laney: Citiesville is a city that needs to be brought down and leveled.

Me: I agree there Laney. That place is a rats nest of evil. (To Master Splinter) No offense sensei.

Master Splinter: None taken J.D.

Nico: Thank you sir. Will do.

He hung up.

Nico: Okay guys. We were given the green light to blow up Citiesville.

Me: Awesome. And I have an idea how we can do it.

I pressed a button and loaded on a truck bed was a huge nuclear warhead and I had a Nuclear Football in my hands.

Nico: Awesome we're going to nuke it like we did Springfield and Quohog.

Me: Yep.

Eli: Awesome.

Me: Blossom in all honesty I don't know what the hell Professor Utonium was thinking moving there. That place is a dump.

Nico: Big time.

Qin: Yeah no kidding.

Blossom: I feel your opinion too.

Me: If any cop tries to tell us to land because of our powers we'll blast them.

Airi: First, we should see for ourselves

Nico: Good idea.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Brianna Greyson, leader of The Legion of The Lincoln-Haters, and she's heading here to finally kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Brianna Greyson, the now completely unstable, deranged, and insane leader of The Legion of The Lincoln-Haters, and she's finally heading here to kill me and get revenge.

Selene Arcangela: So, the time has finally come.

Clara St. Clarice: Brianna Greyson's time of judgement and her eternal damnation, finally!

Nicholette Torrington: And like you said, Lincoln, thanks to you foiling all of her attempts to kill you and by killing all of the hired thugs and her minions, you've now completely driven her into madness and total insanity.

Lincoln: Exactly as I planned.

Lily the Mermaid: And now, you and I will deal with Brianna Greyson and put an end to her for good, Lincoln.

Lincoln: And put a permanent end to The Legion of The Lincoln Haters for good, that's right, Lily. But, we also got to watch it though, Brianna Greyson will no doubt have her machine guns with her, and now that she's gone full-blown crazy and is now completely unstable and insane, nothing's going to stop her.

Nico: Nothing except for death itself, and you and Lily will be the ones to slay her for good. Alright, gang, let's go, it's time to destroy Citiesville once and for all.

Lincoln: That city is and always will be nothing more than a cesspit of corruption and crime, and once we get done destroying Citiesville for good, your time will soon be up, Brianna Greyson.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you none for everything you've done in the past, Brianna Greyson, and now, the angels of death are coming to slay you here and now, and nothing will save your pathetic hide, you monster bitch!

Lily the Mermaid: There's no way we are forgiving you for any of your actions, Brianna Greyson, you better be ready to pay the price for your foul misdeeds after we destroy Citiesville.

Lincoln put up a rainbow energy field around The World Tree Estate and we head off to destroy the corrupt and sorry excuse for a city, Citiesville, and once we get done destroying the city for good and making sure it's nothing more than a crater, it would soon be the turn of Brianna Greyson, leader of The Legion of The Lincoln Haters to meet her fate with The Grim Reaper and The Black Gates.

We were off to Citiesville.

---

CITIESVILLE, CALIFORNIA

---

We arrived.

Hydro Man: How far is it?

Nico: We're already here.

Hydro Man: Oh.

Me: Citiesville.

Qin: So this is Citiesville.

Lola: This place is horrible.

We saw crime running amok! We saw people killing people left and right, thieves and muggers stealing everything they can get their hands on, robbers robbing banks, stores and more and fires breaking out and all that. People were fighting and destroying property and more. And even worse is that the cops AREN'T DOING ANYTHING to stop it!

Nico: This is insane!

Princess Rose: It's worse than we thought!

Nico: It sure is.

A man walked up to me and pointed his gun at me.

Mugger: Your money or your life!

I punched him in the face and sent him crashing into a car and it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Me: Jerk!

Nico: That's one down.

Laney: Yep.

Shiv: Tokyo is much better!

Me: I agree!

Eli: Okay Nico we got to gather all the kids and help them and get them out of here.

Nico: Right.

Shocker: Unless they attack us first!

Me: But we'll be ready for anything.

Laney: Look!

We saw ALL THE CHILDREN OF THE CITY COMING!

Me: UH OH!

Eli: Wait I sense something!

Eli used the Force and held them in place and then Eli saw something on their necks and it was a mind control transmitter!

Eli: So that's it! They are being lead down dark paths because of Mind Control!

Bane: Let's take those out!

Varie: Already on it.

Varie got the chips out.

They had massive headaches.

Me: Kids don't worry about a thing. We're here to blow this place to smithereens and give you all much better futures.

Nico: That's right.

Emerald Sustrai: Your parents will get what's coming to them. But you probably don't want them dead. So they're going to prison.

Kid 1: YEAH! Those monsters aren't our parents! They are freaks!

Nico: Good. Go to your homes and pack your things and meet us here in a few minutes.

Qin: Yeah.

They went and did so.

Firefly: Now what?

Nico: Set up the bomb.

Laney: Lets.

We brought in the bomb.

Nico: This is gonna be powerful.

Me: Yep. It's remote detonator powered. We just got to arm it.

Lola: Okay.

Commander Mars: We got more incoming!

We saw murderers coming.

I fired waves of energy and blasted them.

We armed the bomb too.

Me: Bomb armed and ready.

Laney: Awesome. This will be good.

Xenia: How long are you going to set the timer on this?

Me: 3 hours.

Xenia: Ooh.

Nico: Perfect amount of time to do the usual battles and pile up bodies.

The kids all came back with their bags.

Varie: All packed?

Kid 1: We sure are.

Me: Awesome.

I opened the portal to Gotham Royal York and the kids went through it.

Calamitous: We need to eliminate their resources too.

Me: Good idea.

I fired a blast of energy and blew up their police station.

Nico fired waves of energy and blew up their gas, oil, coal and all their power plants.

Red Lantern Ratchet: More are coming!

Nico: Keep blasting them!

Qin: This will stop them! My molecular stopper zapper blaster. Dr. Robotnik helped me with this one.

She had a purple blaster and she fired it and froze the murderers in place.

Me: Awesome Qin!

Nico: Fire!

We fired waves of energy and blasted them and smashed them all over and bashed and pulverized them into pulp.

Xenia: Take this!

She fired arrows all over and blasted them and skewered them.

Vexen: Perhaps we should add an extra 30 minutes

Me: Agreed,

I added 30 more minutes.

Me: Mmm. Better add another hour just to be safe.

I did so.

Tso Lan: Good thinking

Me: Thank you.

We were really blasting them.

The last of the kids went through the portal.

Laney: That's the last of them.

Webster: Let's keep at it!

We blasted and smashed them.

Eli fired waves of Force Lightning and electrocuted the criminals all ove.

Lola: Taste this!

She fired fireball blasts!

Agony: Time for pain!

We were still blasting the citizens and making them suffer!

Nico: Take that you fiends!

Qin: Yeah! Townsville is much better than you clods!

Xenia: YEAH!

Vypra: Now, we should go after the mayor of Citiesville!

Me: Good idea. Time to give him a piece of our minds!

We set our sights on City Hall.

Nico: Entrance time!

We went at City Hall. The Mayor, Tom, was working when suddenly the spirits of the cities of the world appeared and they swirled around him and they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through his office door and then a phoenix cry was heard and then we came in.

Me: Mayor Tom of Citiesville, you and the city of Citiesville are hereby disbanded.

Mayor Tom: On whose authority?

Me: Ours and the President of the United States of America.

The guards he had went at us and we blasted them.

Me: You will be arrested and tried for all your crimes against the country.

Eli: How could you be so selfish mayor!

Hydro Man: The Powerpuff Girls were just trying to stop crime here and you spit in their faces?! You should be ashamed!

Me: Yeah they just wanted to stop crime her but all you did was turn your backs on them! People like you make me sick!

Nico: Yeah! News flash for you buster! Citiesville is done for!

Then Lord Drakkon, Myotismon, Baron Mordo, Red X, Electro, Dr. Viktor, Demyx, Heat Wave, Dai Gui and Vulture came.

Nico: Lord Drakkon, Myotismon, Baron Mordo, Red X, Electro, Dr. Viktor, Demyx, Heat Wave, Dai Gui and Vulture.

Drakkon: Geez, this city's like how Townsville was towards the Powerpuff Girls at first.

Blossom: Don't remind us.

Myotismon: At least Townsville got better.

Baron Mordo: Citiesville, on the other hand, needs to go.

Me: No kidding there!

Red X: (to Nico) We heard you guys took down another version of Carnage.

Nico: We sure did.

Electro: Never did like that guy.

Me: Good. No one EVER Should.

?: Me neither!

A figure came out and it was BUNDORUTE PEGGY from episodes 5 and 6 of LupinRangers VS PatRangers!

While in pursuit, the Lupinrangers noticed the content in the case and decided to snatch the new VS Vehicles along with their current target and confront him. However, the Patrangers arrived quicker than they thought and Kairi passed a card to Bundorute for later meeting, which the target agreed before he fled from the Police.

But Goche manage to enlarge Bundorute to battle with LupinKaiser and the equipped Cyclone Dial fighter after that he was destroyed by this finisher called Good Striker Rapid Fire: Send You Flying Shot.

Keiichiro: Bundorute Peggy!

Bundorute Peggy: Been a while rangers!

Me: I remember you! You were causing mayhem and destroying cars all over the place.

Bundorute Peggy: That's right. Good memory.

Vypra: Didn't I tell you that he has a good memory?

Bundorute Peggy: Never a doubt Mistress Vypra.

Qin: Yep.

Bundorute Peggy: (to Keiichiro) Glad you got your act together.

Keiichiro: (smiles at Tsukasa Myoujin) Well, I had some help with that.

Tsukasa Myoujin: That's right.

Me: We'll deal with you in a second mayor.

We got the battles underway.

## Hunter, Bender, Carla Wong III, Halinor, Cassidy, Yan Lin, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Goku, Krillin, Piccolo, Vegeta, Nuova Shenron, Princess Rose vs Red X, Burnertron, Game Machine Man, Flarerizamon, Nosferata, and Lucemon (Fusion) - Meeting the Embodiment of the Fangires

---

Red X was next.

Red X: (to Hunter) I heard you guys met the Embodiment of the Fangires. What's her name?

Hunter: (German Accent) Her name is Ravenna Amaranth und she is a powerful warrior.

Bender: Boy she knows how to bite some shiny metal asses.

Carla Wong III: She sure does. Too bad she didn't come with us on the Kamen Rider Kiva mission. That would have been very fitting for her.

Halinor: You got that right. What's done is done though. But yeah.

Yan Lin: That is true and her story is cool too.

---

Nico: Yep. So, Ravenna, what's the story on why you hate Lori with a burning passion?

Ravenna Amaranth: Now, that's something I haven't forgotten.

Ravenna Amaranth pulled up a video and it played on the screen, and it shows Lincoln and the entire Michigan Supernatural Defense Force meeting at their castle fortress. Suddenly, their alarm sounded, and Ravenna saw who it was that triggered the alarm: armed thugs hired by none other than Lori who's on the rampage again.

Past Victoria Kurenai: Ugh, this again, Lori?! You really don't even know when to quit, do you, you control freak bitch!

Past Lincoln: Let's head down there now, and get rid of those thugs, and then, we take down Lori yet again.

Lincoln and the rest of The Michigan Supernatural Defense Force head down there, and confront the army of armed thugs and Lori, who was out for blood: Lincoln's blood.

Past Lori: KILL THE TWERP!

The armed thugs came after Lincoln and The Michigan Supernatural Defense Force, but they'd fired powerful blasts of darkness and disarmed the thugs, and one of them went after Lincoln with a knife, but Lincoln's claws turned into Life-Sucking Claws as the stained-glass patterns appeared, and he'd stabbed them into the chest of the charging thug, and he sucked out all his life energy and blood and he was turned into a desiccated corpse with a stained-glass mosaic on his skin. This horrified the rest of the thugs, but it also made Lori even angrier.

Past Lori: DON'T JUST STAND THERE, KILL HIM! KILL HIM AND THE BITCHES NOW!

Thug: Fuck you, bitch, I'm not dying today!

Past Lincoln: Oh, yes, you are. (DEEP SAPPHIRE EYES TURN BLOOD RED AND HISSES)

Lincoln went after the other remaining thugs, and with his Life-Sucking Claws, he stabbed them into the chests of the remaining thugs, and he sucked out all their life energy and blood and they were all turned into desiccated corpses with a stained-glass mosaic on their skins.

Past Taylor Sugimura: You're now all alone, Lori.

Past Lori: I WILL LITERALLY TURN YOU ALL INTO HUMAN PRETZELS! (SCREAMING WITH WRATH)

Lori came charging right at them, but Lincoln and The Michigan Supernatural Defense Force pounced on Lori and gave her the beating of her life and she was knocked down and out, and Lincoln tied her up with a stained-glass pattered energy straitjacket he fired from his massive white angel wings. Then, Luna, Gohan, Krillin, Varie, and I came out.

Past Luna: Dang, you dudes sure gave that control freak the beatdown of her life!

Past Me: And you sure did a number on those thugs, Lincoln.

Past Lincoln: Lori played dirty by hiring those thugs to kill us. Get her out of here before she wakes up and starts screaming again.

Past Me: Got it, see you guys at home.

Luna, Gohan, Krillin, Varie, and I dragged Lori back to The Loud House to face her doom while Lincoln and The Michigan Supernatural Defense Force went back to their castle to continue their meeting as the video ended.

Nico: Whoa, now that's what I call one awesome fight, and we saw your Life-Sucking Claws in action when you went after Lori's hired thugs.

Me: It was really wild, not only did Lincoln suck out their blood with those claws, but he also sucked out their life energy.

Luna: He went on a feeding frenzy on those thugs, and he really angered Lori big time. But, she got her just desserts, after we got back home and told Mom and Pops of what Lori did, she got grounded for twelve weeks and I threw her in a padded room container and there, she screamed and she went really crazy wanting revenge.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Brianna Greyson?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Brianna Greyson, leader of The Legion of The Lincoln-Haters, and who's already fallen even deeper into madness heading here.

Selene Arcangela: Finally, the head monster bitch of the other monster bitches has finally arrived, and now, her time of judgement has come.

Lincoln: You said it, Selene.

Lincoln fired magnetic blasts at the motorcycle and destroyed it and that sent Brianna Greyson flying off the destroyed motorcycle, and when she got back up and saw Lincoln, she was now absolutely pissed off and absolutely out of her mind.

Brianna Greyson: You've absolutely ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN! (Suddenly About to Lose it) And what you fucking did in killing our dads and ruining my constant desires for revenge… , (ABSOLUTELY FUCKING LOOSES IT) THAT WAS THE LAST

STRAW THAT BROKE OUR FUCKING BACKS! I WILL KILL YOU ALL AND NONE OF YOU WILL EVER LEAVE THIS PLACE ALIVE!

But, before Brianna Greyson could get after us, Lincoln fired a powerful rainbow energy blast right at the crazed monster bitch and sent her crashing into a tree. She got back up, but now, she was really insane.

Brianna Greyson: WHAT THE FUCK?! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: Damn, she's just as, if not even worse, than Audrey Madison, and she was an absolutely rotten, evil, heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And she's still just as stupid and murderous as ever.

Lily the Mermaid: Yes, but this'll be the final time we ever have to deal with Brianna Greyson.

Suddenly, Lily the Mermaid's blue eyes turned neon blue, and she's surrounded by an ocean blue energy aura with water, ocean waves, sea creatures, and mermaids, she unholstered her massive Poseidon's Oceanic Greatsword of Maelstrom Mermaid Justice from her back, and as she approached Brianna Greyson, she left blue energy, water, ocean waves, sea creatures, and mermaids with every step.

Lily the Mermaid: I can't believe you'd broken out of prison to get revenge on Lincoln for something that was entirely your fault, Brianna Greyson, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die. Today, the last of The Legion of The Lincoln Haters dies

here and now.

Suddenly, Lily the Mermaid was surrounded by a massive vortex of ocean blue energy with water and ocean waves surrounding it, there are mermaids and sea creatures swimming around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Brianna Greyson: the red eyes of death. Then, as the vortex faded, Lily the Mermaid emerged, but she was changed forever.

Lily the Mermaid has on a sleeveless white bra, ocean blue skirt, sandals, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with water, ocean waves, sea creatures, stars, and mermaids on the coattails, and on the back is a mermaid with ocean waves surrounding her. Suddenly, Lily the Mermaid felt a sharp pain on her back, and then, her massive light brown angel wings with ocean blue tips on the feathers and her blue mermaid's tail grew much bigger for her new body. Lily the Mermaid has on a Ring of The Phoenix with large ocean blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lily the Mermaid's Poseidon's Oceanic Greatsword of Maelstrom Mermaid Justice was surrounded by a kaleidoscope of ocean blue energy, water, ocean waves, stars, sea creatures, and mermaids, and when it emerged, it was transformed into Lily the

Mermaid's Poseidon's Cosmic Water Oceanic Maelstrom Mermaid Greatsword of Maelstrom Mermaid Justice, it's a brand-new greatsword with embedded blue gems and a mermaid etched on the 7'4" massive, wide, double-edged ocean blue blade, large ocean blue mermaid heads for the crossguard, large white angelic faces built into both sides of the hilt and large ocean blue gem embedded in the foreheads, longer ocean blue handle with fish-scales surrounding it, four ocean blue mermaid heads with gold gems for eyes and large ocean blue dolphin with a large ocean blue gem in its mouth on the bottom of the mermaid heads for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with ocean blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, new large gold Belt of Elemental Bravery with a gold mermaid with blue gems for eyes and a large ocean blue gem in her hands for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Varie: That's right, and she really drenched that sewage rat hard.

Lincoln: Brianna Greyson has been asking for this for a long time, and now, the time has finally come to get rid of her once and for all.

Lily the Mermaid: (Divine Godly Cosmic Voice of The Cosmic Oceanic Maelstrom Mermaid Angel and Divine Cosmic Magic Oceanic Maelstrom Ocean Mermaid Love) That's right, now let's rip her to shreds and put an end to The Legion of The Lincoln Haters once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Lily the Mermaid.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Brianna Greyson. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago. Today, The Legion of The Lincoln Haters dies here and now!

Lily the Mermaid and Lincoln went after Brianna Greyson who went extremely ballistic and extremely insane as she continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, ocean blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees,

Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Brianna Greyson and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Lily the Mermaid attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Brianna Greyson got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Lily the Mermaid, and all of us, and she started shooting like crazy and also laughing like an out-of-control, fucked-up, deranged bitch, but the bullets were getting bounced off the energy shield, and she kept on shooting as she got out more machine guns and her deranged laughter was now getting even more out of control. Suddenly, all the machine guns she had with her ran out of bullets and Brianna Greyson's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Brianna Greyson by the neck and he tossed her into the air, and Lincoln and Lily the Mermaid fired a powerful barrage of energy balls with water, ocean waves, stars, quintessence, elemental forces, and mythological animals, and as they hit Brianna Greyson, they exploded with incredible power and she let out a deranged scream of anger and fury as she was finally killed in the explosions. Then, Brianna Greyson's spirit appeared, and she was still incensed with anger and fury.

Brianna Greyson: You think you've won?! YOU THINK THIS IS THE

END?! I'LL RETURN ONE DAY AND I WILL KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Brianna Greyson. Give my regards to your lowlife dad and your bitch herd when you see them.

Lincoln summoned the spirits of Brianna Greyson's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and she was found guilty for her crimes, and she was fading away from existence.

Brianna Greyson: NO! NO! DAMN YOU, FUCK YOU, LINCOLN LOUD, DAMN YOU, FUCK YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU, FUCK YOU ALL TO HELL! (SCREAMS ANGRILY AND FADES AWAY)

We cheered wildly for Lily the Mermaid and Lincoln as they holstered their massive greatswords on their backs and powered down, and Lily the Mermaid's new body, clothes, weapons, jewelry, Third Eye, longer blue mermaid's tail, and massive light brown angel wings are permanent.

Lily the Mermaid: And so ends The Legion of The Lincoln Haters and The Blood Dragons once and for all. Thanks for helping me destroy Alana Cameron, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lily.

Suddenly, Lily the Mermaid wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lily the Mermaid's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, ocean waves, and water behind them and we cheered wildly. Then, Lincoln and Lily the Mermaid absorbed the water and ocean waves and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of maelstrom mermaid justice. Lincoln, Lily, you two did really awesome in teaching that monster bitch, Brianna Greyson, a lesson she'll never ever forget.

Lincoln: Thanks, Nico, and now, after five years, we're finally rid of The Legion of The Lincoln Haters once and for all.

Me: You said it, those monster bitches have caused Michigan and the entire United States for the last time.

Lori: Now, they're gone for good, along with their lowlife dads.

Lincoln: May they rot in The Black Gates forever and may they be forgotten for good.

Nico: You got that right. So, who's the next Demon Race Embodiment we're meeting on your rescue tomorrow, Lincoln?

Lincoln: That's an easy one, Nico: the next one we're meeting on my rescue tomorrow is Ashina Valerian, Embodiment of The Wolfen Race.

Me: WHOA! THE WEREWOLF EMBODIMENT!

Lincoln: That's right.

Ravenna Amaranth: And you're going to like meeting her, Ashina Valerian is Lincoln's Guardian Angel from Michigan and she's also a very powerful werewolf who was born with not only the dark powers and strengths of the werewolves but also the dark powers and strengths of The Wolfen and none of their weaknesses. Ashina's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank and enjoys eating huge well-cooked steaks, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Ashina a beautiful necklace with white pearls and a dark blue gem for the pendant, and to show thanks, Ashina kissed Lincoln on the lips underneath the full moon as the wolves howled, and she hates Lynn with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four with an absolutely intense and burning hatred for what they did to The Wolfen except for Jiro who survived, and that absolutely intense and burning hatred is so powerful that even the other Fangires were absolutely afraid of her, even the other werewolf clans around the world would fear the Embodiment of The Wolfen and Werewolves.

Nico: (Whistles)

Me: Now, that's awesome.

Eli: And if we're meeting the Embodiment of The Wolfen and Werewolves, I can guess we'll meet her in some of the places where werewolves have a strong presence.

Lincoln: The only place where werewolves have a strong presence would be in Europe, where during the 15th, 16th and 17th centuries, the werewolf trials have taken place along with the witch trials of Europe, and two of those places where the werewolf trials were frequent and strongest in Europe are France and Germany.

Me: We'll have to wait to see where she'll show up tomorrow.

Nico: Yeah.

Me: But now we are rid of Citiesville. Blossom we're so sorry Citiesville did this to you.

Blossom: It's all right. We're over it now.

Qin: Good.

Me: Also the parents of the children were arrested too.

Nico: I hope they will like prison or the Saturn Insane Asylum.

Xenia: No kidding.

Me: Yeah.

Nico: Now we can celebrate. Great job today everyone.

Blossom: (To the viewers) If you're ever going to a city be sure to look at its history and background before checking it out.

Nico: Yep.

We went back home and enjoyed the rest of the day. We told the President what happened and everything and more and we went to Lynn's Table for a good meal and then went back home and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the city of Bedburg, Germany, the place where according to the city records, this was the killing grounds of Peter Stumpp, one of the most notorious serial killers in the 16th Century ever to haunt the city, and what's even more chilling is that for 25 years beginning in 1564, Stumpp had allegedly been called an "insatiable bloodsucker" who gorged on the flesh of goats, lambs, and sheep, as well as men, women, and children, and under threat of torture, he confessed to killing and eating 14 children and 2 pregnant women along with the fetuses, one of which was his own son. Me: The Sand Kingdom. Wow!

Nicole: This is a really awesome place when you get to know it.

Me: WHEW!

Xenia: Yeah it's hot out here.

Lola: It's in a desert what did you expect?

Lana: That's true.

Qin: But it's amazing.

Varie: And Mario was here before? That is cool.

Kimiko: It sure is awesome.

Xenia: I'll say.

Nico: Kimiko, I want to thank you, Ssserpent, and your teams for coming.

Kimiko: No problem Nico. It's going to be fun helping you guys out.

Yoko Minato: Even though I'm always with you guys it will be awesome.

Nico: Yoko, it really sucked that you died before.

Yoko: I know. It sure did. But it was all because of Yggdrasil.

Qin: Those monsters.

Lola: Yeah. Even worse they were going to destroy the Earth.

Camie: Yeah.

Yoko: Looking back I don't know what the hell I was thinking working for them.

Varie: Well they are gone forever now.

Lola: Yep.

Yoko: Thank goodness.

Nico: We destroyed them on Lillian's missions.

Yoko: You guys sure did. And that was so fun.

Sakura Knudson: I did see a massive huge explosion as I was training with Swartz.

Lola: That was us blowing the Yggdrasil Corporation to smithereens.

Xenia: That's right.

Fu: That was so fun and it was cool.

Nico: Yep.

Me: That was fun. But so was yesterday's mission.

Applejack: Yeah that was a great mission for us.

Rarity: It sure was darlings.

Maria: Citiesville was a really bad place.

Me: It sure was.

Qin: But the good news is we got all the kids out of there and put their parents in jail and now it's nothing more than a radioactive crater.

Nico: Good riddance.

Lola: Yeah.

Camie: And to make matters worse, they hurt the Powerpuff Girls who just wanted to help out.

Varie: They sure did.

Kate Lloyd: Bunch of ungrateful trash heaps.

Lola: Yeah!

Nico: It really does serve them right.

Me: Yeah no kidding.

Lola: They had it coming.

Nico: Now that makes 3 towns that are declared the worst places ever to live.

Me: Three Incredibly lawless places.

Nico: Yep.

Varie: Good riddance.

Nico: I hope there's not a 4th.

Me: Me too.

Camie: If there is we'll teach them a lesson.

Varie: Big time.

Lola: Yeah!

Yoko: But they will regret it too.

Nico: You got that right.

Qin: Yeah.

We arrived at the old Sand Kingdom ruins.

Me: Whoa these ruins are amazing.

Qin: They sure are.

Nico: It sure is amazing.

We saw sand moving in pools.

Me: Quicksand.

Lola: Oh boy.

I kicked a rock and it landed in it and sunk fast.

Me: Whoa.

Nico: Wait. Who's that over there?

We saw a girl and she had torn up clothes and had blond hair and had blue eyes.

Sakura Knudson: Wait is that?

Me: It couldn't be!

She then fell into the quicksand and was sinking!

Me: Oh no!

We flew over and pulled her out.

Me: (GASP) Wait it is!

Sakura Knudson: Oh my god! Megan Cassidy!

Megan Cassidy: How do you know my name!? Who are you?

Me: Megan don't you recognize us? It's J.D. Knudson and Sakura Knudson. We haven't seen each other in 5 years. You vanished years ago.

Megan Cassidy: Wait. J.D.? Sakura? It is you! Oh wow! I thought I would never see you guys again!

Me: The important thing is that we found you and you're safe.

We brought her over.

Nico: What happened to you?!

Megan Cassidy: I have one crazy story to tell you. This evil man that had black hair and reptilian eyes used some kind of magic and took me here. I was here for 5 long years and I was eating nothing but desert fruit and quesadillas here. With nothing but these clothes that I wore out into rags.

Lola: Oh my goodness!

Qin: Yeah!

Varie: That is crazy!

Nico: Did this evil man have a name?

Megan Cassidy: He didn't say.

Nico: Wait evil man with black hair and reptilian eyes? That ring any bells?

Me: Wait that was Chase Young that did it!

Qin: Oh man!

Xenia: Yeah!

Kimiko: Not good! That's crazy that he took you all the way out here!

Nico: But at least we found you.

Me: Yeah. Lets get you cleaned up and give you new clothes.

Maria: Good idea.

We had a portable shower set up and Maria and the Fashion Brigade were getting her cleaned up. We had our backs turned and we weren't looking.

Megan Cassidy: Boy it's great you guys found me.

Maria: It sure is. Sorry you guys had to see me a mess like this.

Me: No worries. Your mom and dad have been really worried sick about you.

Megan Cassidy: I miss my parents.

Nico: After this, you can see them again.

Megan Cassidy: I would like that.

Rarity gave her a towel and the Fashion Brigade gave her brand new clothes. She got a red shirt and red skirt and a red vest and red sandals and they styled her hair in a ponytail.

Rarity: Now you look amazing darling.

Megan Cassidy: Thanks. Wow this is awesome.

Lola: It sure is.

Leni: You totes look amazing.

Megan Cassidy: Thanks and it's better than my old clothes.

Qin: Yep.

Nico: At least you weren't Gene Slammed

Megan Cassidy: I know. But the people here took great care of me here.

Nicole: The people here are awesome and very festive.

Nico: Yep.

Sakura Cassidy: But the good part is that you're safe with us.

Eli: I'll sense for Swartz's creations.

Nico: Okay.

Eli concentrated.

Eli: Whoa! Found them! Another President Koopa, Another Nasty Patty, Another Atomic Shark, Another Magic Pierrot, Another Universe 666 Obito Uchiha the 10-Tails Jinchuriki, Another Kyburi, Another Madame Snake and Another Ssserpent.

We gasped!

Qin: WHOA!

Nico: This is gonna be awesome!

Lola: Yeah!

Nicole: Meridith McHenrickson is first.

Maria called her in.

Meredith McHenrickson: (Scottish Accent) Here I am lads!

Nico: Awesome Meredith.

Qin: Yeah!

Meredith McHenrickson: I have a feeling that I'm going to face Another President Koopa. This one is going to be explosive now.

Nico: It sure is.

Qin: Yeah!

Nico: There he is!

We saw a figure and it was ANOTHER PRESIDENT KOOPA!

Me: Whoa! Another President Koopa!

Nico: This is gonna be good!

Qin: Yeah!

Another President Koopa: (In a girls voice) This sure will be fun.

Me: That voice!

Meridith McHenrickson: And who are you wee lass?

She reverted back and was a girl with blue hair and blue eyes and had blue clothes and red angel wings.

Me: (GASP) Eleanor Koopa!

Nico: Wait are you related to?

Eleanor Koopa: Yeah President Koopa was my father. He was a monster.

Qin: He sure was.

Me: Awesome to see you again Eleanor. We defeated your father and turned him into primordial slop.

Eli: We sure did.

Meridith McHenrickson: Aye. Now he is my archenemy in the Masters of Evil.

Eleanor Koopa: I hope he is behaving himself.

Meridith McHenrickson: Honestly, he is.

Eleanor Koopa: Good.

Me: Now his tower is right where the old world Trade Center used to be in New York City. Very unusual.

Qin: Yeah no kidding.

Lola: Yep.

Me: Long story on that.

Eleanor Koopa: I'll have to hear about it later.

Nico: Yeah.

Me: By the way Eleanor are the rest of the Anothers here friendly or hostile?

Eleanor Koopa: Friendly and the Another Atomic Shark is going to be an awkward but funny one. She is naked and Swartz was in a hurry to send her out because her clothes were catching on fire as she was running.

Me: Uh oh.

Meredith McHenrickson: Let's do this lass!

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

Eleanor glowed and she separated from Another President Koopa!

Qin: YEAH!

Me: This is gonna be good!

Meredith: I'm tempted to go Gene Slammer for this. But not this time.

Another President Koopa: PLUMBERS!

He fired fireballs and she ducked and Meridith fired energy blasts and they exploded all over!

KRABBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOMMMM! KRABBBBOOOOOOMMM!

Lincoln: WOO YEAH! Get him!

Meridith McHenrickson: I guess I don't need to.

She fired waves of energy and blasted him. Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

HE EXPLODED!

I caught the Wonder Ride Book and it was called The Princess of the Koopas and the Tyrannical Koopa Overlord.

Qin: Fitting.

Me: Yep.

Nico: Awesome.

Me: Another Nasty Patty is next. Wait what?

Nico: Uh oh.

Maria: Better call in Kaisa.

Maria did so.

She arrived in a swirl of magic.

Kaisa: (British Accent) Hey, guys.

Me: Hey Kaisa.

Qin: Another version of your archenemy is coming.

Me: Yep.

Lola: And there it is.

We saw a figure come and it was a big and ugly burger!

Eli: Why that's the most DIABOLICAL Krabby Patty ever spawned!

It was ANOTHER NASTY PATTY!

Me: That burger looks and would taste like puke!

Nico: AND IT SMELLS HORRIBLE!

It turned to us and it had a scary face.

Qin: Scary.

Maria: Um… who are you?!

Another Nasty Patty: (In a girls voice) I'M SOMEONE WHO NEEDS A BATH!

She reverted back and it was a girl that had blond hair and black clothes and she had blue eyes.

Me: Regina Sall! Whoa! WHEW!

Applejack: HOOWEE! She smells worse than a fresh cow pie!

Nico: No kidding.

Regina Sall: I haven't taken a bath or shower in 6 years! Ever since I was turned into that horrible foul burger!

All of us: EW!

Lana: I like it!

Me: (Plugs nose) You turned into what's called a Nasty Patty. It's a Krabby Patty that was made disgusting.

Lily: (Plugs Nose) Yeah and it smells really bad

Kaisa: You know, Mr. Krabs and Spongebob nearly killed a Health Inspector with this!

Nico: And Mr. Lynn and all the Loud Kids repeated that!

Me: On an escaped Death Row Inmate.

Regina Sall: Really? Wow!

Me: You don't want to know.

Lily: Lets just get you separated and burn this atrocity!

Lincoln: You got that right!

Lincoln fired a beam of light and separated her and then Kaisa fired a flamethrower blast and incinerated Another Nasty Patty and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Princess of Burgers and the Kingdom of The Nasty Patties!

Nico: Fitting.

We got to cleaning her in a washtub. She was in her black bra and panties and we were scrubbing her all over.

Me: Boy Regina I can't believe that Swartz made you that way!

Regina Sall: I know. I like being clean and beautiful. I hate being dirty and filthy.

Lola: Welcome to my world Regina.

We got to really cleaning her up and then we gave her a new black dress.

Me: There. Now you are all squeaky clean and with new clothes.

Regina Sall: Thanks J.D. It feels so much better than before.

Nico: Who's next?

Me: This one is going to be intensely radioactive. Another Atomic Shark.

Qin: Whoa! We better be ready for that one.

Then my Geiger Counter started clicking loudly like mad!

Me: Uh oh! Intense Gamma Radiation!

Nico: Be ready!

Xenia: LOOK!

We saw a GLOWING RED SHARK COME OUT! It had a Dark Aura around it! It was ANOTHER ATOMIC SHARK!

We saw a figure and it was Another Magic Pierrot!

Me: Another Magic Pierrot! (LAUGHS) That one cracks me up.

Nico: Natilee did say that he makes her laugh.

Xenia: Yep. First lets find out who the Another Atomic Shark is!

Me: (LAUGHS) I know that seductive voice anywhere! Umiko Kuruno.

Nico: Another of Kurumu's family members?

Another Atomic Shark: I sure am. My sister told me so much about all of you.

Xenia: I can tell she did.

Me: Umiko is a Succubus and she has all of Kurumu's powers and everything.

Nico: Wow!

Qin: Neat.

Nico: And who's the Another Magic Pierrot?

Another Magic Pierrot: (LAUGHS) Someone who wants to thank Natilee for destroying Nehelania.

Nicole: That voice! Charlotte the Funny? Whoa!

Nico: Wait you mean the famous Circus Star!? Whoa!

Nicole: That's right and she is also Natilee's best friend. She is a daredevil Circus Star and is widely known for doing some of the most dangerous daredevil tricks ever. One time she skied down the Empire State Building into a dump truck full of saw sewage.

All of us: EWW!

Lana: Cool!

Nico: That is awesome!

Me: And amazing.

Nicole: Yep. Also she is more than a daredevil stunt girl. She is a great gymnast and acrobatic, human cannonball and more.

Nico: Boy she does it all.

Me: Yep.

Cricket: Let's do this!

Me: Cricket's Biomechanical E.V.O. Powers will protect her from the intense radioactivity.

Nico: That's right and Dr. Holliday told us that E.V.O.'s are now impervious to gamma radiation.

Cricket: That's right. I'm ready.

She jumped high into the air and fired waves of energy and blasted Another Atomic Shark and she exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book. It was really smoking hot.

Me: Got it. Huh? YEOW!

Maria cooled it down but as I was jumping around my glasses fell off.

Me: Oh no!

But then Umiko ran at me and she was Naked as a jaybird and she had aqua blue hair and purple eyes and then she jumped and shoved my face right in between her huge breasts.

Umiko Kuruno: (LAUGHS) I MISSED YOU SO MUCH J.D.! I WANT TO MAKE LOVE WITH YOU SO BAD! I WANT YOU SO BAD!

But then I gasped and then blasted off with an intense nosebleed and smashed into the sand!

Nico laughed.

Nicole then put a towel on Umiko.

Nicole: Please don't do that to dad.

Umiko Kuruno: Aw but it's so fun.

Nicole: We have perverts running around and I don't want the dignity of women to be destroyed.

Umiko Kuruno: Aw let them see. I love it when they stare.

Nicole: You are a silly girl Umiko.

May: I hope two more appear

Lincoln: First lets defeat Magic Pierrot next.

May: Oh right.

Aula: I got this.

Lincoln: First this.

Lincoln fired a wave of light and separated Another Magic Pierrot from her. Charlotte was a girl with blond hair and had a Goldeen Dress on.

Maria: Wow! Love the Goldeen Dress.

Nico: Misty would love that one.

Aula: Lets dance.

She fired waves of wind and blasted Another Magic Pierrot down and he exploded!

Charlotte the Funny laughed at me!

Me: (LAUGHS) That was funny!

I came back.

Me: Whew! Sorry about that guys.

Umiko Kuruno: Sorry J.D. You know I love you.

Me: And I'm always available on the market.

Nico: Yep. But don't do that with Nicole around.

Qin: Yeah you don't want her to kill her own father for being a pervert.

Nicole: Yeah.

I picked up the cooled down Wonder Ride Book and it was called The Succubus Princess and the Radioactive Nuclear Shark Pod.

Me: Fitting.

Nico: Who's next?

Me: I have a feeling that this one will be intensely powerful! Another Universe 666 Obito Uchiha the 10-Tails Jinchuriki and Another Kyburi.

Rin Nohara: This is going to be a brutal one.

Me: I better help out with the Universe 666 Obito just in case.

Qin: Good idea.

Me: A lot has changed over the years Obito.

Obito: I'll have to hear about it later.

Me: Yeah. But didn't Rin give you the Black Gates earlier?

Obito: Yes but Swartz pulled me out at the last second and she ended up banishing me to the Warp.

Rin Nohara: Oops.

Me: No worries.

Obito: Yeah he ended up somehow saving me from the evil I turned into and reverted me back to when I was back when me, Rin and Kakashi were genin.

Nicole: That is very interesting. I always knew you would come back someday as a better person. But I never expected this.

Nico: Wow!

Me: I knew that would happen too.

Nico: Who's your friend over here?

Another Kyburi: I believe that J.D. knows me.

She reverted back and it was a girl with red hair and red clothes and had red angel wings.

Me: (GASP) Daring Ruby Rellington!

Nicole: Wait the famous jungle explorer and adventurer!? Whoa! I love all your adventures!

Daring Do: You would make an awesome addition to our adventure squad for our treasure hunts.

Daring Ruby: I sure would.

Me: Boy Lady Tsunade, Kakashi Sensei and Minato are going to have a field day hearing about this when we get home.

Nico: Yep.

Gabriella: Let's do this shit!

Lincoln: First this.

He fired beams of light and separated them.

Me: Here we go.

Me: (GASP) Kazumi Orochimaru!

Nico: Wait you're related to?

Kazumi Orochimaru: Yes Orochimaru is my uncle and I'm glad he is gone. He was pure evil.

Me: We're glad he is gone too.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Kaito got a Megaranger Sword and Zocks got a Quasar Saber

Kazumi Orochimaru: Just to erase all traces of my evil uncle's work forever.

Me: That we can do. But we pretty much already beat you to the punch on that.

Nico: Yeah we destroyed everything he did.

Camie: Yep.

Kazumi Orochimaru: Good. I'm glad.

Me: Yep. Sorry we have to fight like this.

Kazumi Orochimaru: No worries.

Sougo: (gets out In Space Ridewatch) Swartz must've realized that your uncle was a threat to him.

Geiz: (gets out Lost Galaxy Ridewatch) For once, I can't say I blame him.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Me: Orochimaru was one of the most dangerous enemies of the Leaf and he was plotting and plotting for years to destroy it. But we destroyed him and banished him to the Black Gates.

Kazumi Orochimaru: That's true. I'm glad he didn't recruit my uncle.

She turned into Another Ssserpent!

Nico: (gets out Ssserpent's Ridewatch) Time to fight snake with snake!

She blasted her into a rock column with a massive gravity energy field!

Then we saw a Slurpuff appear.

Me: Cool a Slurpuff!

Qin: Wow it looks like a cupcake Pokemon.

Nico: It sure does.

Slurpuff: (In a girls voice) (Japanese Accent) This will be as fun as giving candy to a baby.

Nico: Yamiko Kuniko! Wow!

Qin: Cool!

Slurpuff: Yep.

She reverted back and was a girl with pink hair and dressed in a Pink Kimono.

Yamiko Kuniko: I got this.

Bedburg, Germany is the place where according to city records, was once the killing grounds of Peter Stumpp, one of the most notorious serial killers in the late 16th Century ever to haunt the city, and what's even more chilling is that for 25 years beginning in 1564, Stumpp had allegedly been called an "insatiable bloodsucker" who gorged on the flesh of goats, lambs, and sheep, as well as men, women, and children, and under the threat of torture, he'd confessed to killing and eating 14 children and 2 pregnant women along with the fetuses, one of which was his own son. Doomed by the power of myth, he was found guilty of being a werewolf, along with charges of incest, murder, cannibalism, and Satanic Worship, and was then executed on October 31, 1589.

And now, over 400 years later, we're here on the hunt for a dangerous werewolf named Emil Stumpp, who's been on a bloody rampage killing and eating anyone who crosses his path, and even worse, he's the descendant of the 16th Century serial killer and werewolf, Peter Stumpp, we're not letting that animal live any longer, we're killing that beast and ending his reign of terror.

Lincoln: Whoa, we're here in Bedburg, Germany, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're in for one awesome mission.

Selene Arcangela: That's right, Lincoln, and of all of Germany's cities and towns, Bedburg is a city with a dark and haunting history, and it's the place where according to city records, was once the killing grounds of Peter Stumpp, one of the most notorious serial killers in the late 16th Century ever to haunt the city, and what's even more chilling is that for 25 years beginning in 1564, Stumpp had allegedly been called an "insatiable bloodsucker" who gorged on the flesh of goats, lambs, and sheep, as well as men, women, and children, and under the threat of torture, he'd confessed to killing and eating 14 children and 2 pregnant women along with the fetuses, one of which was his own son.

Nico: Ugh, now that's just sick.

Me: Yeah, and I remembered hearing about him, from what Selene just said, it sounds like he was accused of being a werewolf.

Nicholette Torrington: Correct, and it wasn't just the witch trials that were running rampant in parts of Europe during the 16th century, but also, the werewolf trials, and the presence was strong mainly in parts of France and Germany. Doomed by the power of myth, Peter Stumpp was found guilty of being a werewolf, along with being convicted and found guilty of incest, murder, cannibalism, and Satanic Worship by the court, and he was executed on October 31,

1589.

Lincoln: And now, over 400 years later, we're here on the hunt for a dangerous werewolf named Emil Stumpp, who's been on a bloody rampage killing and eating anyone who crosses his path, and even worse, he's the descendant of the 16th Century serial killer and werewolf, Peter Stumpp.

Nico: So, he's bringing back his ancestor's reign of terror, what an animal!

Lincoln: Well, we're not letting that wild animal live any longer, we're going to kill Emil Stumpp and end his ancestor's accursed bloodline once and for all.

We travelled through Bedburg, and it's a major slaughterhouse, we saw body parts all over and blood on the streets, even finding people who've had their hearts ripped out of their chests and some of them have missing pieces of flesh on their faces.

Kaz: That animal's been busy, look at what he's done.

Lincoln: Just like what happened in Belgium with Wolf Carnage. Now, it's personal.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, and he let out a powerful howl. Lincoln transformed into Lincoln The Nocturnal.

Lincoln: (Beastly Voice) Now, let's go find that fucking animal and rip him apart.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair with dark blue wolf ears on her head, dark blue wolf tail, and dark blue hairband, yellow eyes, wolf fangs, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful dark blue angel wings, she's dressed in a sleeveless dark blue top, dark blue skirt, necklace with dark blue gem for the pendant, white bridal gloves, black pants, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with darkness, crescent moons, werewolves, and angels on the coattails and on the back is Jiro The Wolfen, and holstered on her back is a massive Wolfen-themed greatsword with embedded red gems and Jiro the Wolfen etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue wolf heads for the crossguard, large white angelic faces embedded on both sides of the hilt with dark blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark blue gem on the bottom of the large white angel heads for the pommel.

Nico: Whoa, so we got a werewolf girl we're meeting here today.

Werewolf Girl: Oops, sorry about the scare, but I managed to get the girls away from that animal before he could kill them and eat their flesh too.

Lincoln: (Beastly Voice) (Gasps) That voice, Ashina Valerian, Embodiment of The Wolfen Race, I knew it was you.

Suddenly, we heard a loud roar of anger, and we saw a massive, hulked-out, 8'3" tall werewolf with brown fur heading right for us: it was Emil Stumpp, descendant of Peter Stump.

Sylvester: The beast has arrived, now let's rip him apart.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln ran at and put Emil Stumpp in a brutal bearhug so he couldn't escape, and then, Lincoln began absorbing Emil Stumpp into his body and he was assimilating the werewolf's immense brute strength and abilities. Then, as soon as Lincoln was done absorbing Emil Stumpp into his body, an energy card with that beast's completely drained soul appeared in Lincoln's large left hand, and then, The Judgement Kanji appeared on Emil Stumpp's forehead and he was sent to The Black Gates for good. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) Peter Stumpp has caused enough trouble to Bedburg for over 400 years, and his descendant tried to surpass his bloodthirsty ancestor. But, in the end, Emil Stumpp paid the price.

Me: And just like his ancestor, he was sent to his doom, and we've brought an end to the bloodline of Peter Stumpp.

Then, Lincoln reverted back, but then, we saw that Lincoln now had fine hair stubble on his massive forearms and short stubble on his jawline.

Me: Whoa! Lincoln, you better take a look.

Lincoln made a mirror of water, and he saw he now had fine hair on his massive forearms and short stubble on his jawline.

Lincoln: Whoa is right, I now have fine hair on my forearms and short stubble on my jawline.

Suddenly, Lincoln's entire harem saw it for themselves, and they were immediately turned on even more, now Lincoln looked even more manlier than ever.

Lily the Mermaid: (Turned On) Whoa, now you look even more manlier and sexier with fine hair on your massive forearms and short stubble on your jawline.

Nico: (Whistles) Looks like your harem's loving the short stubble on your jawline and fine hair on your forearms.

Rita: Uh oh, you better start teaching Lincoln how to shave, honey.

Lynn Sr.: He's already at that age where he has to learn how to shave.

Lincoln: Looks like it. (To Ashina Valerian) And it's so good to see you again, Ashina Valerian.

Ashina Valerian: You too, Linky, it's been such a long time.

Lincoln went up to Ashina Valerian and he hugged her, and Ashina Valerian is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Ravenna Amaranth: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot werewolf mama?

Lincoln: Indeed I do, J.D., this is Ashina Valerian, Embodiment of The Wolfen Race, she's my Guardian Angel from Michigan and she's also a very powerful werewolf who was born with not only the dark powers and strengths of the werewolves but also the dark powers and strengths of The Wolfen and none of their weaknesses. Ashina's known for defending me with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and like me and the other vampires, she feeds on blood bags from the blood bank and enjoys eating huge well-cooked steaks, and she also knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Victoria Kurenai: And she's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Selene Arcangela: They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Ashina a beautiful necklace with white pearls and a dark blue gem for the pendant, and to show thanks, Ashina kissed Lincoln on the lips underneath the full moon as the wolves howled, and she hates Lynn with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four with an absolutely intense and burning hatred for what they did to The Wolfen except for Jiro who survived, and that absolutely intense and burning hatred is so powerful that even the other Fangires were absolutely afraid of her, even the other werewolf clans around the world would fear the Embodiment of The Wolfen and Werewolves.

Me: Whoa!

Nico: Damn, she's really that powerful?!

Lincoln: Yep, and we've taken down many evil werewolves before in the past, and that's what led to us getting a reputation as The Werewolf Moonlight Duo. Plus, Ashina also taught me how to use the Wolfen powers for good, that sort of came with getting turned into a werewolf.

Me: Really?

Lincoln: Yep, and just like with turning my claws into Life-Sucking Claws, I can also use my claws to rip human souls out from their bodies before eating them, and combining that with my life-energy draining powers, I drain their souls of their life energy and I imprison them in our castle, which we'll have to show you one day.

Nico: Dang, now that's really wicked.

Leni: Luna and I saw it, and they look totes awesome.

Luna: On the outside, they do, but when some thug or wise guy tries to cause trouble or is just out on a rampage, one stab from those bad boys, and Lincoln will rip out their soul and devour it and then, suck out all their life energy and throw them in a prison in their castle.

Me: Too bad we didn't get a chance to meet you last year when we went after King and his minions.

Nico: Yeah, that was a bust, you would've kicked some serious Fangire ass.

Ashina Valerian: Yeah, and I would've loved to meet Jiro again, but, I'm so glad to hear King and the rest of The Checkmate Four, along with Takashi Sugimura and Takato Shiramine got The Black Gates.

Selena Kurenai: They were nothing but bastards, every last one of them, except for Maya who was once The Pearlshell Fangire along with Mio Suzuki, but she got turned against her own will.

Lincoln: And some of the Fangires are now part of The Masters of Evil and some of them are now the archenemies of many of our friends.

Ashina Valerian: Wow.

Nico: It sure is, and if they come out for the usual battles and when they see you, please try not to attack them.

Ashina Valerian: Okay, but I'll settle for scaring them when they see me.

Lincoln: That's good, and now.

Suddenly, Lincoln hugged Ashina Valerian in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ashina Valerian: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Ashina Valerian's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Ashina Valerian: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ashina Valerian.

Ashina Valerian had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Mia Kazura, Sumire Shirasaki, and Renge Yuzuki from Yamitsuki Yandere Harem! and Manahime Miki, Taeko Bessho, and Yukie Takagi from Yajuu Kyoushi.

Lincoln: Oh wow, it's Mia Kazura, Sumire Shirasaki, and Renge Yuzuki from Yamitsuki Yandere Harem! and Manahime Miki, Taeko Bessho, and Yukie Takagi from Yajuu Kyoushi.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Manahime Miki: Yes, we're okay, thanks to you.

Then, when Manahime Miki and the other five girls saw who it was that saved them from Emil Stumpp, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The

Manahime Miki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Yukie Takagi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mia Kazura, Sumire Shirasaki, Renge Yuzuki, Manahime Miki, Taeko Bessho, and Yukie Takagi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was a dangerous werewolf named Emil Stumpp, who's been on a bloody rampage killing and eating anyone who crosses his path, and even worse, he's the descendant of 16th Century German serial killer and werewolf, Peter Stumpp, who terrorized Bedburg in 1564 by killing and devouring the flesh of goats, lambs, and sheep, as well as men, women, and children, until he was captured and sent to his death on October 31st, 1589 after he confessed his crimes under threat of torture.

But, when Lincoln showed what happened such as giving that werewolf the beatdown of his life, and then, Lincoln putting Emil Stumpp in a brutal bearhug and absorbing him and finally sending him to The Black Gates for good, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Ashina Valerian have a lot of catching up to do, now that she's back in town.

Hunter: (German Accent) I never thought I'd have to hear from that monster again. Lincoln, I've been after Emil Stumpp for years.

Lincoln: Really?

Hunter: (German Accent) Ja, for years, he'd brutally butchered and devoured as much as 100 men, women, and children every night whenever the moon is full, and that monster always got away with it, and I'm also familiar with Peter Stumpp and what he did 400 years ago.

Maria: Whoa, so you've been after that monster for years before you moved to Michigan.

Eli: But, we destroyed him for good when Lincoln used the Pillar Men's absorption technique on him.

Maria: And we also saw what he gained after he reverted back: fine hair on his massive muscular forearms and stubble on his jawline, which really got his harem that turned on even more.

May: Maybe, you should also grow stubble on your jawline too, Nico.

Varie: Same with you, J.D., you know how much ladies love seeing their men with hair on their forearms and stubble on their jawline.

Nico: Looks like we might be in for some competition with Lincoln, bro.

Me: Looks like it, dude.

---

After destroying Emil Stumpp in Bedburg, Germany, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ashina Valerian saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Ashina Valerian: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ashina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ashina Valerian: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Ashina Valerian: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Ashina, what's the story on why you hate Lynn with a burning passion?

Ashina Valerian: Now, that's something I haven't forgotten.

Ashina Valerian pulled up a video and it played on the screen, and it shows Lincoln and Ashina, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels go to, and we also saw Lincoln drinking protein shakes and even raw eggs! YUCK!

Nico: Whoa, you also drank raw eggs along with protein shakes, Lincoln?! I thought only Lynn and J.D. did that.

Lincoln: Even though it was going to gross me out, I decided to incorporate drinking raw eggs into my diet along with protein shakes. But, they worked out great as it really helped to build up my muscles at a rapid pace which combined with my genes and hyperpuberty, really accelerated the results. Now, you're going to see the action to come.

Suddenly, the alarm in their gym went off, and Ashina saw who it was coming after them: it was Lynn running on all fours like an animal, and she was on the rampage again.

Past Ashina Valerian: Ugh, you again, Lynn?! You really don't even know when to quit, do you, you violent, belching, farting, overly aggressive animal?!

Past Lincoln: Let's head out and take her down!

Lincoln and Ashina ran out of the gym, followed by the rest of his Guardian Angels, and they ran at Lynn who was still charging at them on all fours, and Lincoln threw a really super strong punch at her stomach that knocked the wind out of Lynn, but Lynn got back up, and she roared and beat her chest like a gorilla.

Past Ashina Valerian: You want more, Belchy McFarty?! Bring it on!

Lynn went berserk and charged at Lincoln and Ashina, but they stood their ground and they punched and kicked Lynn all over the place, and they even dodged her wild attacks, and Lincoln delivered one strong kick to Lynn's stomach which sent her flying into a nearby fence where she crashed and she'd gotten herself knocked out. Then, Lincoln fired red energy waves from his massive white angel wings which tied Lynn up in red energy ropes. Then, Luna came rushing over, and she saw what happened.

Past Luna: Whoa, looks like you and Ashina already took care of Lynn, dude, awesome!

Past Lincoln: Thanks, Luna. You can take care of Belchy McFarty over here.

Past Luna: (LAUGHS) Belchy McFarty, that was a good one.

Me: (LAUGHS) I like that! Belchy McFarty!

Lynn woke up and when she saw she was tied up again, she was really angry.

Past Lynn: I'LL GET YOU FOR THIS, STINKOLN, DO YOU HEAR ME, I'LL GET YOU, YOU AND YOUR DUMB GUARDIAN ANGELS, YOU'RE ALL DEAD WHEN I GET OUT OF THIS! (LOUD BELCH)

Past Luna: (Grabs Lynn by her ponytail) You're not laying one hand on my bro or his Guardian Angels, Belchy McFarty.

Luna dragged Lynn away who was still screaming and cursing along with belching loudly until Luna whacked her on the head with a baseball bat as the video ended.

Nico: Sheesh, what got her gym shorts in a twist?

Goku: I think I know what it was that got Lynn to go on that rampage. When Lynn found out Ashina was now giving raw eggs and protein shakes for Lincoln to drink as part of his incorporating diet, that really set Lynn off and she went on a violent rampage.

Gohan: First, she wrecked the house and injured Lori, Leni, Luan, Laney, Lucy, Lana, Lola, Lisa, Rita, and Lynn Sr. except Lily who got out of the way thanks to J.D. and Varie getting her out of her way before she burst through the door and ran on all fours after Ashina and Lincoln.

Nico: What?! All that damage because Ashina was helping Lincoln? What a sore loser!

Ashina Valerian: Lynn was such a sorehead, she was just lucky we brutally beat her up, but this act of retaliation we gave her just made her angrier and wanting revenge on us. So, the next day, we were in our castle for our meeting, and we swore if Lori, Lynn, Lola, Lisa, and Luan tried more murderous acts against our man, the next time they cross us will be their last.

Ravenna Amaranth: And we were really serious about that, if they crossed us again and tried to kill our man, they're dead.

Me: Varie and I were lucky we got there just in time and healed Lori, Leni, Luan, Laney, Lucy, Lana, Lola, Lisa, Ms. Rita, and Mr. Lynn, and as punishment, Lynn got grounded for fifteen weeks thanks to her rampage, and I used my powers to fix the house.

We got a shower, and then, Lincoln, Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma are heading to Hateno Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma had feelings for Lincoln and he also had feelings for them. Plus, Lincoln removed Lenus' dark side and sent it to The Black Gates, and she saw Lincoln was much more caring to her than Lloyd who was too arrogant to care, and Charle Frahma chose to be with Lincoln and he'd sworn to her that one day he'll kill her evil, human despising, warmongering, power-crazed younger brother, Melbu Frahma.

And he also saved them all from an ambush by a group of thugs Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Amy go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that bitch, but they also got to keep their heads up, they got word that bitch, Amy, has sent more muscle-bound thugs to kill them.

Daisy Makimoto: Wow, so this is Hateno Beach, it sure is beautiful.

Lincoln: It sure is, Daisy, and it's perfect for our first date. Shall we?

Lincoln, Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went to the beach and they also had a game of volleyball, and Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Amy coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to

The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma, and they hugged the girls in their abnormally massive and powerful muscular arms, and Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Hateno Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma are now in your harem.

Julie Makimoto: This is so awesome, now my sister and Alice are part of his harem.

Jenna: Amy had some nerve trying to kill them, that heartless murderous bitch's just making things much worse for herself.

Serena Logan: Amy really is a murderous bitch to try those sorts of stunts, but just like Flip, she's just making things worse for herself.

Rarity: And trying to kill Daisy Makimoto, Alice Gehabich, Brittany, Lenus, and Charle Frahma, now she's really going to get it.

Lincoln: And we also had a run-in with more of her hulking musclebound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Amy scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: I'll do much worse than that to her, she's caused us a lot of trouble and unlike with Scott, Heather, and Alejandro, she's not getting The Black Gates because she doesn't deserve death. No, she deserves to suffer every last humiliation at our hands for everything she's done.

Me: Yeah, and if we face off against Jo on the Donbrothers mission, we'll make sure she gets sent to The Black Gates as well.

Nico: Oh yeah, and that's one we can't wait for.

---

Later we were watching TV.

Cole came in.

Cole Evans: You guys want to go on patrol with me?

Ahsoka: Sure, we would!

Me: You bet!

Cole Evans: All right.

We went down to the surface of the planet.

We then went out to the city.

Me: So far everything looks good.

Nico: Yep.

Rey Skywalker: (British Accent) You know what today is, right?

Me: Yep it's Star Wars Day.

Qin: This is gonna be so fun!

Nico: Yeah!

Lola: It's always an awesome day today.

Nico: Yep it's Star Wars Day guys.

Camie: I love Star Wars! It's so fun and cool!

Nico: Yeah it sure is!

Sakura Knudson: Boy I love Star Wars too! Me and Swartz watched all the movies from 1977 to 2019 and they were awesome!

Me: Cool sis! Which one was your favorite?

Sakura Knudson: Star Wars VI. Loved the battle with Luke and Vader as well as blowing the Death Star to Smithereens.

Nico: That was epic! I love all the movies.

Me: Me too.

Tsuyoshi then came!

Nico: Tsuyoshi?!

Me: Tsuyoshi! Wow! What a surprise.

Tsuyoshi: Hey guys! I need your help.

Me: What's the matter? Uh oh. Is the next Hitotsuki coming from you next?

Tsuyoshi: Yes it is.

Me: Oh boy. Wait! I remember that you had three of them before.

Qin: Whoa!

Tsuyoshi: Did you guys get shocked seeing the revelation with Darth Vader being Luke's father?

Me: That REALLY BLEW our minds! That is still one of the most shocking and most iconic revelations in all of the history of movies and entertainment.

Nico: It sure is and that was awesome!

Me: Yeah! And now here we are 43 years later and it still is amazing.

Qin: Yep.

Artha Penn: We have to lock Tsuyoshi up!

Me: Artha wait lets not be too hasty.

Qin: Yeah we'll think of something.

Tsuyoshi: Nervous about the big day?

Sinnertwin: Can you blame us? We still don't know who the main target is.

Lyra: But we're really excited for it.

Tsuyoshi: (sighs) I don't blame you. Me and the others still haven't figured it out either. I just hope Natsumi doesn't get hurt when the time comes.

Nico: Well, we're not going to let her get kidnapped again, I can promise you that.

Me: Me too!

Tsuyoshi: I know. But I would never forgive myself if she got hurt.

Me: I know that feeling. But I do have an idea. We'll put her into the

Estate for protection when the Big Day Comes. We'll go to Japan on the 6th and then we'll have her stay will us till it's over.

Tsuyoshi: I would like that. But I would never forgive myself if she got hurt. (gets angry) If that happens, I WILL NEVER FORGIVE THE PEOPLE RESPONSIBLE!

Me: Uh oh!

With that, he was surrounded by an energy circle wit hthe Gaoranger logo and turned into Hyakujuuki from episode 45 of Donbrothers!

---

After Miho disappeared once again, Tsuyoshi enter Donbura, demanding Tsubasa to return Miho while ignoring his statements about Miho being a Juto. Taro intervened and confirmed Tsubasa's claim, to which Tsuyoshi refused to believe and left the cafe. Later on, Tsuyoshi tried to search for Miho, but to no avail and his desire of finding Miho turns him into the Gaoranger-themed Hitotsuki, Hyakujuuki.

Haruka and Shinichi are transported and transformed into their ranger forms to face Hyakujuuki, which they deduced was Tsuyoshi. He then suddenly transformed into Hyakujuuking and fired at Saru Brother, Oni Sister and Sonoi, who joined in an attempt to kill the Donbrothers. Without Don Onitaijin or Toradoragonjin, the present part had no way of fighting Hyakujuuking until a giant Avataro Gear summoned a mysterious mecha, which easily defeated Hyakujuuking and forcing him to revert back into his Hitotsuki form. Sononi and Sonoza arrived to warn Sonoi about Sonoshi's return with Sonogo and Sonoroku, who then appeared and slayed Hyakujuuki. Tsuyoshi reverts back to normal as he's sent back to the dimension of slayed Hitotsuki, much to Haruka's and Shinichi's horror

---

We gasped!

Me: WHOA! Hyakujuuki the Gaoranger Hitotsuki!

Qin: The Japanese Wild Force Hitotsuki!

Me: And I remember this one. Tsuyoshi was pissed because he couldn't find Miho!

Nico: Oh boy!

Me: Tsuyoshi I promise that we won't let anything happen to Natsumi! You have my word! We'll bring her to the estate and keep her under lock and key till this blows over.

Hyakujuuki merely attacked Cole with Hundred-Beast Fist techniques.

I teleported and kicked him away before his punches could land

Me: HEY! At least give him a moment to transform first!

Cole: YEAH!

Me: And have help come! (SNAPS FINGERS)

I called in the Donbrothers!

Taro: Oh no! Not again Tsuyoshi!

Haruka: Oh man!

Me: Lets get him back!

I fired a beam of light and separated him from Hyakujuuki!

Nico: Lets get to watching the movies.

We got to watching the movies.

Thirty-two years before the events of Star Wars: Episode IV A New Hope, there is trade dispute between the Trade Federation and the outlying systems of the Galactic Republic, which has led to a blockade of the small planet of Naboo. Supreme Chancellor Finis Valorum, leader of the Galactic Senate, has secretly dispatched two Jedi, Master Qui-Gon Jinn and his Padawan, Obi-Wan Kenobi, to serve as "the ambassadors" to the Federation flagship, in order to meet with Viceroy Nute Gunray and resolve the dispute. Unknown to them, the Trade Federation is in league with the mysterious Darth Sidious, Dark Lord of the Sith, who secretly orders Gunray to invade Naboo and kill the two Jedi upon their arrival. When Gunray asked if it was illegal, Sidious implied that he would ensure that the invasion was made legal.

Using poison gas, the Viceroy attempts to poison the two Jedi Knights, but fails. After having to battle through squads of battle droids, Jinn and Kenobi make their way to the command deck where Gunray is located, shielding himself behind blast doors. The Jedi are forced to flee upon the arrival of two Destroyer Droids, but with their ship, Radiant VII, now destroyed, the two Jedi stow themselves aboard two separate Federation landing craft leaving for the surface of Naboo to begin the invasion.

Queen Amidala then contacts Gunray expressing her disapproval of their blockade of Naboo, with Gunray explaining that they wouldn't have done it without the approval of the senate. After questioning Gunray regarding the arrival of ambassadors sent by the Chancellor, Gunray claims that they have been greeted by no such ambassadors, leaving Amidala startled. Gunray, after ending communications with her, informs his aide that they should disable all communications on the planet in case she suspected an invasion.

Meanwhile, Amidala is conversing with Senator Sheev Palpatine regarding the recent attempt at negotiations and how Gunray claimed that they did not receive any ambassadors. Surprised, Palpatine states that he had assurances from the Chancellor that his ambassadors did arrive. However, Palpatine is unable to finish his sentence and his hologram begins to short out. Naboo Governor, Sio Bibble, suspects that the shorting out of communications is a sign that an invasion from the Trade Federation is imminent.

On the planet's surface, Qui-Gon saves local native outcast Jar Jar Binks from being crushed by an MTT. Later, STAPs attack but are destroyed by Qui-Gon. Jar Jar Binks shows the two Jedi the way to an underwater Gungan settlement, Otoh Gunga, escaping the Trade Federation army. Meanwhile, the Trade Federation invades Naboo and captures Queen Amidala. The Jedi meet the Gungan leader, Boss Nass, and ask him to help the people of Naboo, but Nass refuses and sends them off in a bongo submarine. They are attacked by an opee sea killer and a colo claw fish but both fish are eaten by a sando aqua monster. The Jedi, with Binks in tow, reach Theed, the capital city of Naboo, and rescue Queen Amidala from the Trade Defense Force. They depart for Coruscant, the Galactic Republic's capital planet, to ask for help from the Senate. An astromech droid named R2-D2 manages to repair the Queen's starship and they narrowly escape an attack from Federation battleships.

Due to the damage the ship's hyperdrive sustained in the attack, the Jedi decide to land on the nearby planet Tatooine instead of Coruscant. While searching for a new hyperdrive generator, they befriend young Anakin Skywalker, a slave boy, whose master is Watto, a Toydarian junk dealer. Watto has the required parts in stock, but Qui-Gon is unable to purchase them, as Republic credits are worthless on Tatooine.

Anakin is gifted with piloting and mechanical abilities, and has built an almost-complete droid named C-3PO. Qui-Gon senses a strong presence of the Force in Anakin, and feels that he may be the Chosen One - the one who will fulfill a prophecy by bringing balance to the Force. By entering Anakin into a podrace, Qui-Gon orchestrates a gamble in which the boy (alone, since Qui-Gon was unable to include the youth's mother in the bargain) will be released from slavery while also acquiring the parts needed for their ship. The night before the race, Qui-Gon does a blood test on Anakin and discovers that the boy's midi-chlorian reading is off the chart.

Anakin wins the race and joins the team as they head for Coruscant, where Qui-Gon plans to seek permission from the Jedi High Council to train Anakin to be a Jedi. Meanwhile, Darth Sidious sends his apprentice, Darth Maul, to kill the two Jedi and capture the Queen. Maul appears just as the group is leaving the planet, and duels with Qui-Gon. The fight is cut short when Qui-Gon manages to escape his black-robed assailant by jumping onboard the Naboo Royal Starship as it takes off.

On Coruscant, Qui-Gon informs the Jedi Council of the mysterious attacker he encountered on Tatooine. Because of that being's obvious mastery of the Jedi arts, the Council becomes concerned that this development may indicate the reappearance of the Sith, a religious order who were followers of the dark side of the force and thought to be long gone. Qui-Gon also informs the Council about Anakin, hoping that he can be trained as a Jedi. After testing the boy and deliberating with one another, the Council refuses, deeming him too old for training according to the Jedi Code. They are also concerned due to their sensing of a seemingly clouded future and a strong presence of fear in the boy.

Meanwhile, Senator Palpatine, warning of the corruption in the Senate, advises Queen Amidala to call for a Vote of No Confidence in Supreme Chancellor Finis Valorum. Seeing no alternative, the Queen takes this advice when she addresses the Senate. Palpatine is among the candidates to become the new Supreme Chancellor. The Queen later announces to Palpatine that she will return to their home planet to repel the invasion of her people by herself. She is frustrated by the Senate's deliberation and lack of action, and feels that even if Palpatine is elected Chancellor, it will be too late. The Jedi Council sends the two Jedi to accompany the Queen back to Naboo, hoping to shed light on any Sith involvement.

Amidala, back on Naboo, attempts to locate the Gungans at Otoh Gunga, but Jar-Jar, after searching Otoh Gunga, informs them that it was abandoned. He then leads them to a sacred area which he was certain they were at. Upon arriving at the Gungan Sacred Place, Amidala negotiates with Boss Nass to form an alliance and unite in battle against the Trade Federation. Captain Panaka and several other security forces were also dispatched to rescue anyone imprisoned in the Trade Federation's prison camps, although they were only able to successfully extract a handful.

Next, Amidala informs Qui-Gon and Nass of her battle strategy: with the Grand Gungan Army acting as a distraction to the bulk of the main Trade Federation forces, the Naboo resistance led by Amidala, Qui-Gon and Obi-Wan will infiltrate Theed via a secret entrance located inside one of the waterfalls. Nute Gunray, taking the bait regarding the Gungan Army, informs Darth Sidious about the Grand Army, the latter then promptly ordering Gunray to wipe out the Gungans and the Naboo as the Trade Federation prepares for battle.

Captain Roos Tarpals orders the Gungan Grand Army to start up their shield, to protect them from ranged attack. OOM-9 has his tanks fire first, but seeing them fail to penetrate the powerful shield, orders them to cease fire. Daultay Dofine gives the command to activate the battle droids. These droids march through the shield, and destroy its generator. After much fighting against the Federation's droid army, defeat for the alliance seems imminent.

However, victory comes when young Anakin Skywalker accidentally takes control of a starfighter and goes on to destroy the Federation's Droid Control Ship from the inside, killing Daultay Dofine and rendering the droid army useless. Meanwhile, Amidala and her force fight their way back into the royal palace and capture Nute Gunray.

At the same time, in a Theed hangar bay, Darth Maul engages in combat with the two Jedi, using his double-bladed lightsaber. The battle moves from the hangar, across a series of catwalks, to the Theed Generator Complex. During the fight, Obi-Wan is separated from his master by being kicked off of a catwalk. He grabs the edge of another catwalk below and jumps back up to where Qui-Gon and Maul continue to fight. By this time, Qui-Gon and Maul have become separated by a force field in the entrance to the Generator Room. Obi-Wan catches up to them, but is divided from his master by four force fields. When the force fields deactivates, Jinn and Maul continue their battle while Kenobi remains divided from the battle by one force field when they all reactivate.

After a lengthy duel, Maul suddenly hits Qui-Gon on the chin with his lightsaber handle, stunning him, then rams his lightsaber straight into Qui-Gon's chest, mortally wounding him. Devastated, Obi-Wan redoubles his assault upon Maul and chops the Sith's lightsaber in half, but Maul eventually overpowers and nearly kills Kenobi by

Force pushing him over the edge of a seemingly endless reactor shaft. Obi-Wan saves himself from falling when he manages to grab onto a pipe protruding from the wall of the shaft. Maul then kicks the Jedi's lightsaber into the pit and prepares to finish him off. After Obi-Wan calms himself, he uses the Force to jump out of the shaft and summons his fallen master's lightsaber to his hand. Within an instant, he lands behind the surprised Maul and cuts him in half; Maul's upper and lower body falls into the shaft.

Obi-Wan reaches Qui-Gon moments before he dies, as Qui-Gon instructs Obi-Wan to train Anakin to become a Jedi, reiterating that Anakin is the Chosen One. Obi-Wan gives his word that he will. The newly-elected Chancellor Palpatine arrives to congratulate Queen Amidala on her victory, as Nute Gunray is sent to stand trial for his crimes.

Back on Coruscant, the Jedi Council names Obi-Wan a Jedi Knight. Kenobi conveys his master's wish regarding Anakin Skywalker to Yoda, who reluctantly allows him to become Obi-Wan's apprentice. Qui-Gon's body is cremated, and Mace Windu and Yoda agree that the Sith are definitely to blame for the tragedy. Being that there are only ever two Sith at any given time (a Master and an apprentice), both Masters believe that one must still remain.

The Naboo and Gungans organize a great victory celebration on the streets of Theed, in front on the palace. Obi-Wan and Anakin are present, the younger now wearing formal Jedi attire, and in his hair is a special braid: the mark of a Jedi Padawan. Queen Amidala presents a gift of appreciation and friendship to Boss Nass and the Gungan people.

A decade after the events of The Phantom Menace, the Galactic Republic is in crisis. A Separatist movement led by former Jedi Master Count Dooku, alias the Sith Lord Darth Tyranus, is threatening the peace, causing the Galactic Senate to debate a Military Creation Act to form a standing army for the Republic's protection. Senator Padmé Amidala, former Queen of Naboo, returns to Coruscant to vote against the Act, even though there are no longer enough Jedi to maintain peace and justice in the galaxy.

Upon her arrival on Coruscant, she narrowly escapes an assassination attempt that claims the life of her decoy, Cordé. As a result, Supreme Chancellor Sheev Palpatine requests that Jedi Knight Obi-Wan Kenobi and his apprentice, Anakin Skywalker, protect her.

That night, the assassin Zam Wesell makes another attempt on Amidala's life, though the Jedi are able to foil her plot. They pursue her through Galactic City, eventually disarming her in the Outlander Club. Upon being questioned by Obi-Wan and Anakin outside the bar, she is killed by a saberdart, fired by a mysterious man, before the Jedi can learn the name of her employer. Returning to the Jedi Temple, Obi-Wan is assigned by the council to track down the assassin's killer. Meanwhile, Anakin continues his task of protecting the Senator, and is asked to escort her back to her home planet of Naboo. Anakin welcomes the opportunity, as he often becomes angry and frustrated by Obi-Wan's criticism, and is glad to have an opportunity to be on his own. Further, he has become infatuated with Padmé, and relishes the chance to spend time with her. Junior Representative Jar Jar Binks assumes the Senator's duties in her absence.

During the investigation, Obi-Wan is led to a mysterious planet called Kamino-missing from the Jedi Archives-where he discovers a secret clone army being developed for the Republic. He is told by Prime Minister Lama Su that the army was ordered some ten years ago by Jedi Master Sifo-Dyas-although Obi-Wan was "under the impression" that Sifo-Dyas was killed before that time. A bounty hunter named Jango Fett was hired as the template for the clones. Obi-Wan meets Jango on Kamino, and believes him to be the killer he has been tracking. He tries to capture Jango, which leads to a titanic one-on-one fight between them. Jango makes use of his blasters and missile equipment, managing to defeat Obi-Wan by sending him plummeting into the raging sea below. Thinking he is dead, Jango departs Kamino with his son Boba. Unable to capture Jango, Obi-Wan places a homing beacon on his ship, Slave I, and follows him to the planet of Geonosis.

Meanwhile, Anakin and Padmé have been spending much time together on Naboo, enjoying each other's company and playfully frolicking in the fields. Eventually, Anakin reveals his deep love for her, vowing to do whatever she requests. However, Padmé resists, explaining that it would be impossible for the two of them to be together, since she is a Senator and he is a Jedi. Anakin is angered by this, and experiences inner conflict between his strong desires for her and his duties as a Jedi.

Anakin is also troubled by a newfound sense that his mother is in grave danger, and he beckons for Padmé to accompany him to his home planet of Tatooine-in the process disobeying Obi-Wan's orders to remain on Naboo. Upon arriving, Anakin tracks down his former owner Watto, from whom he learns that his mother has married a moisture farmer named Cliegg Lars, and travels to the Lars moisture farm. There, Anakin and Padmé find C-3PO, and the droid introduces Anakin to his step-brother Owen. Cliegg tells Anakin the horrible truth, that his mother was kidnapped a month ago by a pack of Tusken Raiders. Anakin travels through the night, and finds her tied and beaten in a Tusken camp. Within moments, she dies in his arms. Enraged and heartbroken, he slaughters the entire Tusken community: men, women and even children. Back at Coruscant, Yoda senses a terrible darkness in the Force as the slaughter continues (Qui-Gon Jinn's voice can also be heard shouting "Anakin, Anakin, no!" during this scene). Anakin then brings his mother's body back to the homestead, where her funeral is held.

On Geonosis, Obi-Wan overhears a meeting between Count Dooku and the leaders of the commerce guilds, and learns that they are behind the separatist movement and have built up a new droid army. He also learns that it was Nute Gunray who ordered the assassination of Amidala, as revenge for the defeat of the Trade Federation at the Battle of Naboo. Obi-Wan transmits his findings to the Council, relayed by way of Anakin and Padmé's ship, though he is surrounded by droidekas and captured before he can finish his report.

Now that the Jedi council knows of Dooku's army, Jedi Master Mace Windu leads a team to Geonosis. Unbeknownst to them, Anakin and Padmé also make their way there to rescue Obi-Wan. Meanwhile, Representative Binks calls for Chancellor Palpatine to be given emergency powers, with which he can call the recently discovered clone army into battle.

Back on Geonosis, Count Dooku tries to persuade Obi-Wan to join him, warning him that Darth Sidious is now in control of the Senate. Obi-Wan refuses to believe him, saying that the Jedi would have known if that was the case. Anakin and Padmé arrive on the planet, but are quickly captured by Jango Fett and sentenced to death, joining Obi-Wan in the Geonosis arena, where they are to be executed. In the high stands, Count Dooku, Nute Gunray, Rune Haako, Poggle the Lesser, Jango Fett and Boba Fett watch the start of the planned execution. The trio are forced to battle a reek, a nexu and an acklay. During their struggle, Mace Windu arrives with his Jedi strike team, and they battle Dooku's droid army in the arena. Upon seeing so many Jedi in one place, Jango Fett jetpacks down to the arena floor, and engages Windu. After a short struggle, Windu manages to kill Jango due to his jetpack malfunctioning, but defeat for the Jedi still seems imminent. Yoda unexpectedly arrives with the Republic's new clone army, but only a handful of Jedi had survived. Those killed include Sta-Den Eekin, Sephjet Josall, Sar Labooda, Khaat Qiyn, Que-Mars Redath-Gom, Fi-Ek Sirch, Galdos Stouff, Nicanas Tassu, Coleman Trebor, and about 160 other Jedi.

An even larger battle erupts outside the arena between the Republic's clone army and the Droid Army of the Confederacy of Independent Systems. Nute Gunray and Rune Haako subsequently retreat in Gunray's ship. Poggle the Lesser entrusts Count Dooku with the early plans for the Death Star. Dooku attempts to escape, but Obi-Wan and Anakin track him to a secret hangar, where they engage him in combat. Unfortunately, they are no match for Dooku's now-revealed mastery of the dark side and the lightsaber combat style that he employs. He fires Force lightning at Anakin, injures Obi-Wan and cuts off Anakin's right arm. Yoda appears just as Dooku is about to escape, and the two masters of the Force go head-to-head in a fierce duel. Dooku, realizing he can't defeat Yoda, attempts to topple a large pillar on Obi-Wan and Anakin as a distraction. While Yoda uses the Force to divert the pillar, Dooku flees in his solar sailer. Flying to an industrial sector of Coruscant, he meets up with his master, Darth Sidious, who is pleased that the war has begun as planned.

In the Jedi Temple, Obi-Wan, Mace and Yoda ponder Dooku's warning that Darth Sidious is controlling the Senate. Yoda is hesitant to believe this, stating that the dark side is capable of creating fear and mistrust. He and Windu agree that they should nevertheless closely monitor the Senate. Meanwhile, Chancellor Palpatine and a number of senators, including Bail Organa, oversee the launching of massive clone trooper forces.

Back at Naboo, Anakin, with a new mechanical arm, and Padmé hold a secret wedding, with C-3PO and R2-D2 as the only witnesses.

---

It has been three years since the events of Attack of the Clones. The Galactic Republic is in the midst of the epic war with the Confederacy of Independent Systems under the leadership of Count Dooku, who is also the Sith Lord, Darth Tyranus. The Confederacy's cyborg military leader, General Grievous of the Separatist Droid Army, has infiltrated Coruscant and captured Supreme Chancellor Sheev Palpatine, leader of the Galactic Senate.

As the Separatist Droid Army attempts to escape the Galactic capital, a massive space battle erupts, into which race Jedi Master Obi-Wan Kenobi and his former padawan, now Jedi Knight Anakin Skywalker, leading a mission to rescue the Chancellor. The Jedi fight through the Separatist armada. In the process, Obi-Wan's interceptor is damaged by buzz droids and his astromech, R4-P17, is destroyed. Anakin attempts to shoot the droids off, though succeeds only in blasting apart the wing of his former Master's vessel. Obi-Wan tells Anakin to hold his fire as he's not helping. Anakin agrees it was a bad idea. Obi-Wan tells Anakin to go on and rescue the Chancellor, but Anakin says he won't leave without Obi-Wan. Anakin uses one of his fighter wings to knock some of the buzz droids off Obi-Wan's fighter, but one manages to crawl onto Anakin's ship although it is quickly disabled by R2-D2. As they approach Grievous's flagship, Obi-Wan reminds Anakin their shields are still up, so Anakin breaks formation and attacks a shield generator, knocking out the shields on the docking bay of the ship. The two Jedi crash-land.

Anakin and Obi-Wan make their way through the flagship, fighting through an army of droids. Meanwhile, R2-D2 aids them from the hangar bay while simultaneously incinerating a pair of super battle droids, using fuel and his thrusters.

Rescuing the chancellor

The Jedi reach the top, finding the captive Chancellor Palpatine. They are confronted by Count Dooku himself, and an intense lightsaber duel ensues. The Jedi throw the Count off guard, by converting from basic attacks to more skilled tactics. During the battle, Obi-Wan is rendered unconscious when Dooku uses the Force to hold him in mid-air by the throat before hurling him against a railing.

Anakin continues the battle and is repeatedly taunted by Dooku. Using his anger, Anakin taps into the dark side of the Force and gets the better of the duel. He severs both of Dooku's hands, rendering him incapable of defending himself, and then holds him at blade point with both his own lightsaber and Dooku's weapon. Palpatine encourages Anakin to kill Dooku. At first, Anakin hesitates but Palpatine firmly insists; completely unaware of Palpatine's true intentions, Anakin brutally decapitates the helpless Dooku.

An explosion occurs deep in the ship, brought on by the attack of the Jedi Star cruiser, causing the Invisible Hand to begin an uncontrolled descent into Coruscant. Despite Palpatine's persuasions that he should leave the unconscious Obi-Wan, Anakin carries him on his back, and maneuvers through the ship with the

Chancellor. Obi-Wan later regains consciousness.

## Confronting Grievous

After Grievous has the bridge crew regain control of his flagship by firing the emergency booster engines, he makes certain the two Jedi and their ward are captured. Having fallen foul of a ray shield trap, the three are brought to the bridge under custody, but R2 successfully creates a distraction, allowing the Jedi to retrieve their lightsabers and break free.

Grievous then sends a pair of his powerful IG-100 MagnaGuard droids after the Jedi. Obi-Wan quickly beheads the first MagnaGuard with his blade, but the droid continues the fight, forcing Obi-Wan to slice the droid warrior apart before it deactivates. Anakin finishes off the second MagnaGuard and destroys the battle droids attempting to drag Palpatine from the bridge. The Jedi close in on Grievous, though the wily General smashes a window with his fallen guard's electrostaff, and is swept outside. Using a tow cable, Grievous latches himself to the ship and heads for the escape pods. Launching all other escape capsules, Grievous speeds for the safety of a Trade Federation Lucrehulk-class battleship. Once again, the flagship begins to descend in free fall into Coruscant, but Anakin takes the controls and pilots the ship into a hard landing, aided by emergency firespeeders, on one of Coruscant's industrial landing platforms.

## Happy reunions

On Coruscant, Anakin is praised for his heroics. He meets secretly with Padmé Amidala, and they share a kiss in the shadows of the Senate office building, keeping their love secret. She reveals to him that she is pregnant with their child.

Elsewhere, Grievous, now both the political and military leader of the Separatists, arrives on Utapau, where Trade Federation Viceroy Nute Gunray, Geonosian Archduke Poggle the Lesser, Techno Union head of state and Foreman Wat Tambor and others on the Separatist Council remain in hiding. The General is contacted by Darth Sidious, who gives him instructions to move the Separatist leaders to a volcanic planet, Mustafar. He also explains that the war is almost over. Grievous is uncertain about this, given Count Dooku's death. Sidious assures him that Darth Tyranus's death and loss was necessary, for he would soon have a new apprentice: one far younger and more powerful.

Later, on Coruscant, Anakin awakens in a panic, covered in sweat. He reveals to Padmé that he has been dreaming about her dying in childbirth, and believing that he can't live without her, vows not to let this dream come true.

Chancellor Palpatine requests Anakin's presence, and they meet in the Chancellor's office. The Senate has granted the Chancellor further emergency powers, giving him direct control of the Jedi Council. Palpatine confides in Anakin his fear, distrust, and contempt of the Masters. He appoints Anakin to be his personal representative on the Council.

The High Council begrudgingly accepts Anakin's appointment but does not grant him the rank of Master. Anakin reacts angrily at this perceived slight. Ignoring his outburst, the Council goes on to discuss matters concerning the war. It is decided that Anakin will be assigned to protect the Chancellor, and Yoda will take a battalion of clones to reinforce the Wookiees on Kashyyyk. Anakin is angry and disappointed.

Obi-Wan later tells Anakin that the Council wants Anakin to report on all the Chancellor's dealings, essentially spying on him. Anakin is confused and upset, feeling torn between two friends and loyalties. Obi-Wan himself is unhappy with the situation.

### The tragedy of Darth Plagueis

At the Galaxies Opera House in the Uscru District, Anakin joins Palpatine in watching the Mon Calamari Aquatic Ballet performing Squid Lake. Palpatine tells Anakin Clone Intelligence has located General Grievous hiding in the Utapau system. Anakin is delighted by this news, as Grievous's capture will accelerate the war's end. Palpatine remarks that he'd question the competence of the Jedi Council if Anakin was not sent on the mission. Inviting Anakin to join him, Palpatine dismisses his aides: once they are gone, Palpatine seduces Anakin to the dark side. He also tells Anakin that the Jedi

Order wishes to overthrow the Republic and that if he has suspected it, Anakin must surely have sensed it. Anakin confirms that the Jedi don't trust him, a fact that Palpatine expands to include the Senate, the Republic, and democracy as a whole. Anakin tells Palpatine that his trust in the Jedi has been shaken and Palpatine deduces Anakin's distaste for the Council's mission to spy on the Chancellor. Palpatine takes Anakin back to some of the early political lessons Palpatine tried to teach him, about how all those who gain power are afraid to lose it and that includes the Jedi. Anakin tries to defend the Jedi by saying they use their powers for good, but Palpatine argues good is only a point of view, noting that in almost every conceivable manner, including a quest for greater power, the Sith and the Jedi are exactly alike. Anakin disagrees, remarking that the Sith depend on passion for strength, thinking only of themselves, whereas the Jedi are selfless, thinking only of others.

After a brief pause in their conversation, Palpatine makes a remark about the tragedy of Darth Plagueis The Wise. Palpatine describes Darth Plagueis as a Dark Lord of the Sith so powerful and wise that he could use the Force to influence the midi-chlorians to create life. Not only this, but having such power and knowledge of the dark side, Plagueis could use this ability to save people he cared about from death, a statement which gets Anakin's attention (which was Palpatine's desire) and Palpatine describes the dark side of the Force as a pathway to many abilities considered by some to be unnatural. When Anakin asks what happened to Darth Plagueis, Palpatine concludes that Plagueis became so powerful that all he feared was losing his power, which he eventually did. Unfortunately for Plagueis, he taught his apprentice, who happened to be Darth Sidious, all he knew: after he had, his apprentice killed him in his sleep. (The Sith apprentice in the story, as implied by the film and explicitly stated in various Star Wars Legends sources, is Palpatine himself.) Palpatine notes the irony of how Plagueis could keep others from dying, but not himself. When Anakin asks if it is possible to learn the power to stop death, Palpatine simply replies, "Not from a Jedi," further alienating Anakin from the Jedi Order.

On Kashyyyk, Yoda, Luminara Unduli, and Gree, along with Tarfful and Chewbacca defend the planet against the Corporate Alliance Tanks, Dwarf Spider droids, Droid Gunships, and legions of battle droids

Later, in a meeting with the Jedi Council, Anakin relays the information about Grievous, explaining that a partial message was intercepted in a diplomatic packet from the Chairman of Utapau. Yoda says they should act quickly and decisively on this information. When Anakin expresses his interest in going at Palpatine's request, Mace Windu harshly tells him that the Council will decide who goes and not the Chancellor. Yoda believes that a Master with more experience is needed to confront, and defeat, Grievous. Ki-Adi-Mundi agrees and nominates Obi-Wan to go. With the nomination agreed on, the Council adjourns and Obi-Wan prepares to go to Utapau.

## Obi-Wan vs. Grievous

Anakin walks Obi-Wan to his Star Destroyer before he leaves. Anakin still believes he'd be needed on Utapau, and while Obi-Wan agrees, he also notes it might just be a wild Bantha chase. Anakin stops Obi-Wan and tells him that he knows he's disappointed Obi-Wan and that he's not been acting very grateful for the training he received. Anakin tells him he's just been so frustrated with the Council lately, but that he does apologize. Obi-Wan calls Anakin strong and wise and tells Anakin he's very proud of him and while Obi-Wan trained him since Anakin was a boy, he calls Anakin a far greater Jedi than Obi-Wan could hope to be. But Obi-Wan encourages Anakin to be patient and that it won't be long before the Council makes Anakin a Jedi Master. The two bid each other farewell and Obi-Wan leaves for Utapau. Little do they know that this is the last time they will see or speak to each other as fellow Jedi and friends.

Obi-Wan arrives in Pau City on Utapau, and begins his search for General Grievous, riding a varactyl named Boga. He finds Grievous on the Tenth Level. After Obi-Wan dispatches the droids around Grievous, the two engage in single combat. Grievous's arms split in half, allowing him to use four lightsabers at once. Obi-Wan quickly cuts off the lower halves of the General's hands, helping to even out the odds a little. During the battle, the Third Systems Army arrives under the command of CC-2224 (Cody). Obi-Wan manages to catch Grievous off guard and uses the Force to push the fiendish droid general into the ceiling. Grievous drops his remaining two lightsabers and attempts to flee on his wheel bike, while Obi-Wan pursues on Boga. During the chase, Obi-Wan drops his lightsaber, which Commander Cody happens to find during the massive battle against the droids.

On Coruscant, Anakin tells Palpatine that General Grievous has been found on Utapau. Anakin insists he should be on Utapau as well. Their conversation shifts to Palpatine's knowledge of the Force, and Palpatine reveals that he is Darth Sidious. Anakin ignites his lightsaber and threatens to kill Palpatine, but then decides to expose him to the Jedi Council. He is still concerned with saving his wife, and believes only Palpatine's knowledge, learned from the late Darth Plagueis, will ensure this.

Obi-Wan continues to chase General Grievous on Utapau. He catches up with the General and jumps onto his wheel bike. Using Grievous's electrostaff, he manages to destabilize the speeder, and it goes into a spin. Both Obi-Wan and Grievous are thrown off as the speeder topples over the edge of Grievous's secret landing platform. Grievous then draws his blaster, though it is knocked from his hand by Obi-Wan, now wielding the electrostaff. He knocks Grievous down, and a brawl ensues, during which Kenobi tears open the General's chest plates, revealing his living organs. Enraged, Grievous repeatedly hits Obi-Wan and then picks up the helpless Jedi and throws him over the edge. Obi-Wan barely manages to hang on and momentarily dangles for dear life. As Grievous moves in for the kill, Obi-Wan uses the Force to retrieve the General's blaster and fires at Grievous's exposed organs. He hits, and they burst into flames. With his eyes flaming, Grievous falls to the floor, dead.

## Sidious revealed

Anakin returns to the Jedi Temple and approaches Windu who tells Anakin that they have just been informed that Obi-Wan has destroyed General Grievous and so they are going to go to the Senate to ensure that Chancellor Palpatine gives back his emergency powers. However, Anakin reveals that Palpatine is a Sith Lord and is not likely to give up his powers, a statement which shocks Windu and stops him dead in his tracks. Anakin confirms what he just said and says he believes Palpatine is the one they have been looking for. When Windu asks how Anakin knows this, he tells Windu that Palpatine knows the ways of the Force and has been trained to use the dark side and that he is absolutely sure. Windu says their worst fears have now been realized and that if the Jedi Order is to survive, they must move quickly. Anakin warns Windu that Palpatine is very powerful and they'll need his help to arrest Palpatine, but Windu urges him to stay out of it as he senses much fear in Anakin and it could cloud his judgment. Windu also adds that if what Anakin says is true then Anakin will have gained his trust but for now, he wants Anakin to wait in the Council Chambers until he returns. Masters Windu, Kit Fisto, Agen Kolar and Saesee Tiin board a gunship and head to Palpatine's office.

Sitting in the Council Chambers, remembering Palpatine's promise of stopping death and the dreams of Padmé dying in childbirth, Anakin ruminates over his decision: in his mind, he hears Palpatine's voice saying that if the Jedi kill him, any chance of saving Padmé will be lost. Finally, he leaves and rushes after the four Jedi.

Windu and the three other Jedi Masters arrive at Chancellor Palpatine's office. Windu declares Palpatine is under arrest and the Masters ignite their lightsabers. Sidious pulls a lightsaber from his sleeve and hurls himself at the Jedi with a screeching war cry. Kolar and Tiin are first to die, run through the chest and as Kolar's life is ending due to the chest wound, Sidious turns and slices Tiin's torso and a few seconds later with more effort from Sidious, Fisto is slain, killed by a slash across the gut. Only Windu remains, alone against the Dark Lord.

## Rise of Lord Vader

Sidious and Windu continue the fight, dueling fiercely. At first, Sidious appears to have the upper hand, but Windu gradually gains ground, slowly driving the Sith Lord out of the Chancellor's antechamber and into the office proper. Anakin arrives at the scene just as Windu disarms Sidious, both combatants balancing on the edge of the large window shattered during the duel. As Windu holds Sidious at blade point, the Sith Lord unleashes a torrent of Force lightning. However, Windu deflects it with his blade, casting much of the energy back into Sidious's body. Sidious becomes hideously deformed; his face becomes unusually pale and sagged, his teeth become yellow and rotten, his fingernails become long and dirty, and his eyes turn burning yellow with blood-red rims. He then ends his assault, claiming he is too weak to fight on. As Windu is deciding to kill Sidious, Anakin approaches and claims Palpatine must stand trial: Windu disregards this, stating Sidious is too dangerous to be left alive. Anakin is finally forced to choose between the Jedi Order or Padmé. As Windu is about to deliver the killing blow, Anakin makes his choice, intervenes and cuts off Windu's sword arm. Sidious, cackling with glee, tortures and blasts the shocked Windu out of the window, sending him plunging to his death hundreds of stories below.

Anakin is horrified by his actions, yet he knows now there is no turning back. He pledges allegiance to Sidious, in return for the Dark Lord's power to stop death, in the hope of saving his beloved wife. Sidious takes Anakin as his Sith apprentice, bestowing upon him the Sith name Darth Vader. Sidious then gives Vader his first assignment: to launch a Siege of the Jedi Temple, ensuring the so-called Jedi Rebellion is crushed.

Vader leads the 501st Legion to the Temple. He and the clones rampage through the Temple, cutting down every Jedi that crosses his path, including swordsmaster Cin Drallig and even the younglings hiding out in the Council Chamber.

## Order 66

Meanwhile, from his office, Sidious broadcasts a command to the many clone trooper commanders spread throughout the galaxy: to execute Order 66, an action that is effectively set into motion.

Across the galaxy, clone troopers turn against their Jedi Generals. As this happens, Yoda feels everyone who is dying. On Utapau, Kenobi is flung off a cliff by a blast from an All Terrain Tactical Enforcer, but he and Boga survive the drop, and Obi-Wan flees on Grievous's hidden starfighter; on Mygeeto, Jedi Master Ki-Adi-Mundi is gunned down by CC-1138 and the 21st Nova Corps; on the lush, tropical planet of Felucia, Jedi Knight Aayla Secura is murdered by CC-5052 and his 327th Star Corps; on Cato Neimoidia, Plo Koon's

Jedi starfighter is shot down by Aggressive ReConnaissance-170 starfighters, sending it smashing into a clone staging area; and on Saleucami, Stass Allie's 74-Z speeder bike is destroyed by CC-8826 and his wingman, riding BARC speeders. On Kashyyyk, Yoda is overlooking the ongoing battle as Commander Gree receives the order. He and his lieutenant attempt to sneak up to Yoda, but the aged Master senses their intent and beheads both clones with a slash of his lightsaber. Tarfful and Chewbacca help Yoda escape the planet.

Senator Bail Organa arrives at the flaming Temple to witness the slaughter of a young Padawan named Zett Jukassa by a squad of troopers led by Commander Appo. Organa, horrified, flees the scene and departs Coruscant in the Tantive III, in an attempt to make contact with any surviving Jedi.

Both Obi-Wan and Yoda survive Order 66 and are picked up by Senator Organa, having evaded pursuit. The Jedi decide to return to Coruscant to recalibrate the Jedi beacon calling for all Jedi to return to Coruscant, knowing that it's really a trap set by Darth Sidious. Kenobi hopes to instead warn any surviving Jedi to stay away from the Temple.

Following the attack on the Jedi Temple, Vader returns to Padmé at the Senate Apartment Complex, from where the smoke rising from the wrecked Temple can be seen. He tells her the Jedi have tried to take over the Republic, and there are traitors in the Senate. He asks for her loyalty to the Chancellor, then tells her that he will go to the Mustafar system, where the remaining Separatists have gathered, to end the war.

## Birth of the Empire

On Mustafar, Vader is greeted by Viceroy Gunray but quickly traps the Separatist Council in the bunker. He slaughters Poggle the Lesser, Rune Haako, Po Nudo and Wat Tambor among others. He leaves Gunray until last, slicing the Neimoidian across the chest even as he pleads for his life. It is at this point that the first physical manifestation of the dark side in Vader begins to show itself, as his irises turn a pallid yellow, the rest of his eye taking on a bright crimson hue.

The Senate holds a special session where Palpatine tells them of the "plot of the Jedi to overthrow the Senate," but that it was foiled. Amidst thunderous applause, he informs the Senate that the surviving Jedi will be hunted down and defeated. He then states that "in order to insure the security and continued stability, the Republic will be reorganized into the first Galactic Empire," which Palpatine describes as creating a safe and secure society. As the majority of the Senate screams their approval, Padmé Amidala and Bail Organa, who are shocked at the result, simply look around and Padmé can only remark "So this is how liberty dies, with thunderous applause."

In the meantime, Obi-Wan and Yoda go to the Jedi Temple, slaying clone troopers and walking in disbelief through the carnage. Yoda notices that several of their fellow Jedi were cut down by a foe wielding a lightsaber. They recalibrate the Temple's signal to warn all surviving Jedi to keep away from the Temple, but then Obi-Wan, wanting to know the truth, checks the security hologram recordings. To his horror, one recording shows Vader slaughtering a class of Jedi younglings and then kneeling before Sidious. Yoda says they must destroy the Sith, but Obi-Wan is reluctant to kill Vader and wants to go after the Emperor instead. Yoda, however, states that Obi-Wan is not strong enough to face Sidious and that Anakin is gone, "consumed" by Vader. Yoda sets out to confront Sidious, telling Obi-Wan to "use his feelings" to find Vader.

Following Yoda's advice, Obi-Wan visits Padmé and tells her that Anakin has turned to the dark side and killed the younglings in the Jedi Temple. Despite her anguish, Padmé refuses to reveal where her husband has gone. Obi-Wan deduces that Padmé is carrying Anakin's child and apologizes to her before leaving. On Mustafar, Vader surveys the violent landscape around him and smiles wickedly.

Later, Padmé leaves Coruscant in her star skiff, departing for Mustafar to find her husband and the truth. Unknown to her, Obi-Wan secretly stows away aboard the ship just before it takes off.

## Battle of the heroes

The star skiff lands on Mustafar, and Padmé is greeted by a smiling

Vader. Padmé reveals her conversation with Obi-Wan; he tells her it is only lies but does not deny the accusations. Padmé begs him to run away with her to raise their child in peace. Vader, mad with power, claims that they no longer have to run away and he can overthrow Palpatine so that the two of them can rule the galaxy together. Padmé, realizing how much her husband has changed, backs away in horror and tearfully begs him to stop, insisting she still loves him.

As she pleads, Obi-Wan steps out onto the star skiff's boarding ramp. Upon seeing him, Vader becomes enraged and accuses Padmé of lying about her love for him and betraying him to Obi-Wan. Without even allowing her a chance to explain herself, he begins Force-choking her. Obi-Wan intervenes and orders Vader to release Padmé, but Vader still knocks her unconscious. Turning his anger on Obi-Wan, Vader accuses him of turning his wife against him, but Obi-Wan retorts that Vader has done that himself and let himself be twisted by Sidious into the Sith he was meant to destroy. Vader refuses to listen and rants that he has brought order to his "new empire." Obi-Wan, unable to believe what he is hearing, prepares to fight. Vader fumes that those who are against him are his enemies and engages Obi-Wan in a ferocious duel of Student vs. Master.

In the Chancellor's office within the Senate Building, Yoda confronts Darth Sidious. They engage in an intense battle using their lightsabers and Force abilities. The duel brings them to the Galactic Senate Chamber, the heart of the Senate. Sidious hurls Senate pods at Yoda, and the effort to avoid them exhausts the Jedi Master. Sidious then blasts Yoda with Force Lightning, but with the last of his strength, the Jedi master repels it enough to send both himself and Sidious over the pod's edge. Sidious is able to hold on to a senate pod, while Yoda falls to the senate floor leaving his cloak behind. With Bail Organa's help, Yoda flees the Senate Building, intending to go into exile.

On Mustafar, the duel between Obi-Wan and Vader continues, with Obi-Wan on the defensive. A missed slash from Vader's lightsaber damages a computer console, deactivating the facility's shields. As deadly lava falls all around them, they ride a collection arm severed from the main structure down the molten river below, which falls over a waterfall of lava. Abandoning the arm, Obi-Wan leaps onto a hovering mining platform below, with Vader pursuing him back up the lava river atop a collection droid. Obi-Wan appeals to his old friend one last time, but Vader still refuses to see reason, forcing Obi-Wan to accept that his student, friend, and brother is corrupted beyond redemption.

After fending off another attack from Vader, Obi-Wan disengages as the platform nears the shore of the lava river, leaping up onto the black sand bank. Obi-Wan warns Vader that he now holds an unassailable position, but Vader, enraged and bloodthirsty, yells "You underestimate my power!" and foolishly leaps up to kill his old Master. With a swift sweep of his blade, Obi-Wan slices off Vader's left arm and legs. Vader tumbles down the embankment and rolls to a stop at the edge of the river of lava.

As Obi-Wan watches, Vader, helpless and now fully consumed by the dark side, tries in vain to pull his crippled, smoking body up the embankment with his one remaining mechanical arm. Obi-Wan is overcome with disgust and sadness at the pitiful fate of "The Chosen One," and is reduced nearly to tears. He angrily shouts that Vader has failed in his life and destiny, and has hurt all those who loved him, including Obi-Wan himself. All Vader can do is scream in pain and powerless rage, cursing his former friend and Master. The lava below Vader then catches his leg, setting him on fire, horribly burning and disfiguring him, with Obi-Wan unable to help him or kill him. After briefly staring at the charred, mutilated figure that was once Anakin Skywalker, Obi-Wan turns and walks away, taking Anakin's dropped lightsaber with him. He returns to the star skiff and leaves the planet with the unconscious Padmé and her droids.

## Birth and rebirth

The Emperor arrives on Mustafar with a group of shock troopers led by Commander Thire. They rescue Darth Vader from the edge of death using a stasis pod and Sith medicines held in the Emperor's shuttle.

On the isolated asteroid Polis Massa, Yoda meditates and hears the spirit voice of Qui-Gon Jinn. The voice tells him that there is a way to merge with the Force and retain consciousness after death. In order to learn this power, Yoda declares himself an apprentice to the spirit of Qui-Gon Jinn.

Obi-Wan arrives at Polis Massa with Padmé, who is given emergency medical treatment by the facility's droids. She is dying, having lost the will to live. The medical droids work to save her babies-she has twins, much to the surprise of Bail Organa, Obi-Wan, and Yoda. A boy and a girl are born. In her last few dying breaths, Padmé gives them the names "Luke" and "Leia."

As his children are born, Vader is being rebuilt at the Grand Republic Medical Facility on Coruscant. Vader is given new legs, a new arm, mechanized lungs, and other "replacement parts." He is dressed in black armor, a face mask is sealed tightly, and his helmet is fitted. Darth Vader begins to breathe through his mask. Most, if not the entire surgery is carried out in true dark-side form, with Vader wide awake and apparently unanesthetized, leaving him moaning, screaming, and writhing in excruciating agony.

With Padmé's final breath, she maintains that there is still good in Anakin. She dies still believing in the man she loved, before his violent acts against the Jedi Order and the Separatist Council.

Vader is raised to a standing position, his surgery complete. Vader begins to speak through his vocabulator to the Emperor, asking about Padmé. The Emperor, seeking to cut Vader's last tie to his old life and permanently cement the dark side in his heart, lies to Vader, telling him that he accidentally killed his wife while Force-choking her. His last shred of hope and love now gone and his mind broken by the realization he himself killed the person he wanted to save, Vader rips himself free of the operating table and unleashes a powerful scream of rage, shame, and grief through the Force, shattering the droids and equipment. Vader howls "Nooo!" in anger and despair, while the Emperor looks on with an evil grin.

## A new hope

On board the Tantive III, docked at Naboo, Obi-Wan, Yoda, and Bail Organa sit at a conference table. They agree to keep Padmé appearing pregnant, thus faking the children's deaths. For their own safety, Luke and Leia will be split up in hopes that the Sith will not sense their presence. Leia will be adopted by Bail Organa, and Luke would be sent to his father's step family on Tatooine. Obi-Wan and Yoda will watch and wait until the time is ready for the Skywalker children to do their part. Yoda tells Obi-Wan to study the technique Qui-Gon learned to achieve immortality.

On Naboo, Padmé's funeral takes place in a solemn ceremony in Theed. Her hands clasp the japor snippet given to her by Anakin following his departure from Tatooine some thirteen years ago. To protect her children, her body appears to still be pregnant.

In a deleted scene, Yoda heads to Dagobah to begin his self-imposed exile, which he partly owes as penance for his failure to defeat Sidious.

On the bridge of a gray-hulled Venator-class Star Destroyer, Vader, the Emperor, and Governor Wilhuff Tarkin oversee the construction of a moon-sized battle station.

On Alderaan, the infant Leia is brought by Bail Organa to his wife, Queen Breha.

On Tatooine, Obi-Wan brings Luke Skywalker to his new family: his uncle, Owen, and his aunt, Beru. Obi-Wan leaves on an eopie, heading to his exile in the Jundland Wastes. Owen and Beru, holding the infant Luke, look out to the horizon and watch the setting of Tatooine's twin suns.

Next from 1977 we were watching the first ever Star Wars movie. Star Wars: Episode IV - A New Hope.

---

Approximately nineteen years after the formation of the Galactic Empire, the galaxy is in a state of civil war. The Rebel Alliance has won their first major victory by stealing plans to the Galactic Empire's secret weapon, the Death Star. Hoping that the stolen plans can save her people and restore freedom to the galaxy, Princess Leia Organa, who is in custody of the stolen plans attempts to race home aboard the Tantive IV. However, her ship is intercepted by the Imperial I-class Star Destroyer Devastator over the desert planet of Tatooine.

Imperial stormtroopers manage to board the ship, and after defeating the small number of guards defending the ship, the Sith Lord Darth Vader arrives to assess the damage. Vader is outraged and questions Captain Antilles, whom he eventually strangles and kills. Hiding on the ship, Princess Leia is spotted by stormtroopers. They shoot her with a stun blast and bring her before Vader. However, before being detained, Leia was able to record a holographic message with the help of R2-D2, and assigned the droid the responsibility of taking the message to a Jedi-in-hiding on Tatooine. Vader orders a message be sent to the Imperial Senate, informing them that the ship was destroyed, with everyone on board killed. R2-D2 and C-3PO use an escape pod in order to escape the ship and reach the planet of Tatooine below.

## Luke's destiny

The droids are bought by moisture farmer Owen Lars and his nephew, Luke Skywalker. R2-D2 escapes from the Lars' homestead in search of an Obi-Wan Kenobi, whom the droid claims to be the property of. Luke and C-3PO find R2 the next day just before they are attacked by Sand people. Luke and his droids are rescued by Obi-Wan Kenobi or, as Luke knows him, Ben Kenobi. Obi-Wan takes Luke to his home.

Luke receives his father's lightsaber, as Obi-Wan recalls his own friendship with Luke's father. Luke is told that a Jedi named Darth Vader betrayed and murdered his father. After discovering Princess Leia's message carried by R2-D2, Obi-Wan attempts to persuade Luke to accompany him to Alderaan. Luke refuses to go until he discovers that his aunt and uncle were brutally murdered by stormtroopers searching for the droids. Luke, Obi-Wan, and the two droids travel to Mos Eisley to find passage to Alderaan, Princess Leia's home planet.

For 17,000 credits, 2,000 in advance and 15,000 upon arrival, smuggler Han Solo and his First Mate, a Wookiee named

Chewbacca, agree to take the four of them to Alderaan aboard their ship, the Millennium Falcon. After brief scuffles with the Empire and henchmen sent by Jabba the Hutt, the Falcon escapes the Imperial Blockade at Mos Eisley and Han sets a course for Alderaan, unaware that the planet was about to be mercilessly destroyed by the Empire.

## Rescue of the princess

In Alderaan's place, they find what seems to be an asteroid field. The planet was destroyed by the dreaded Death Star, on the orders of Grand Moff Tarkin, to set an example of the power of the Empire. The Millennium Falcon is pulled aboard the Death Star by its powerful tractor beam.

From hidden smuggling compartments, Solo ambushes two stormtroopers of the Imperial scanning crew. With Han and Luke now disguised as the two stormtroopers, the group begins to figure out how to escape. Obi-Wan separates from the group to disable the tractor beam, leaving the others alone. While connected to the Imperial Network, R2-D2 discovers Princess Leia is aboard the station. Luke convinces Han and Chewbacca to rescue her with the vague promise of a grand reward. Han and Chewbacca reluctantly agree. Luke plans to march into Detention Block AA-23, claiming that Chewbacca is part of a prisoner transfer. C-3PO and R2-D2 are instructed to remain behind, and the trio sets off on their rescue attempt. Luke's plan works flawlessly in that they are quick to subdue the officers and guards in the princess's cell block. Unfortunately, no one thought to plan for their escape, and Leia takes charge, blasting a hole in a nearby grate and jumping through while Han and Luke hold off a squad of stormtroopers. Chewbacca, Luke and Han all dive after the princess into the unknown.

Unfortunately, the grate covers a chute that leads to a garbage compactor that is also home to a resident dianoga. Soon after landing, the creature pulls Luke under the surface, but releases him and is scared away when the Imperials realize where the heroes escaped to and activate the compactor. As the walls close in on the foursome, Luke desperately calls to C-3PO over his comlink asking for the compactor to be shut down. R2-D2 manages to shut down the compactor just in time, although, amidst the muffled cries of joy over the comlink, C-3PO is briefly convinced that his master and friends have been crushed.

After escaping from the trash compactor, the group hurries back to the Millennium Falcon, hoping that Obi-Wan has successfully shut down the tractor beam. They encounter stormtroopers on their way to the ship, evading and blasting their way past them.

## Sacrifice and victory

Obi-Wan, on the other hand, was destined to meet with Darth Vader. After a short duel with his former Padawan, Obi-Wan sacrifices himself, thus becoming one with the Force and allowing Luke and the others to escape. Horrified and angered having witnessed Obi-Wan's demise at the hands of Vader, Luke takes his final blasts at the stormtroopers and dashes onto the Millennium Falcon.

After fighting a squadron of TIE fighters, the Millennium Falcon meets the Rebel Alliance on Yavin 4, and the information in R2-D2 is turned over. General Dodonna plans the attack on the Death Star, an attack so audacious as to receive an unenthusiastic reaction from the pilots. To add to Luke's dismay, Han leaves after receiving his reward.

The Rebel strike force begins its attack on the Death Star, as the space station approaches the Rebel base on Yavin 4. A group of starfighters assaults a trench on the Death Star's surface to hit the station's vulnerable spot before it can destroy the Alliance's base. During this, most of the Rebel craft, including Luke's friend Biggs Darklighter, are picked off by Imperial fighters led by Darth Vader. Just as Vader opens fire on Luke from his personal TIE Advanced fighter, Han returns in the Millennium Falcon and attacks the Imperials, resulting in Vader's ship getting knocked out of the trench. Luke, aided by the voice of Kenobi and guided by the Force, accurately fires two proton torpedoes into a small exhaust port leading to the Death Star's reactor, and the battle station explodes.

The few remaining ships (those of Wedge Antilles, Luke, Han, and a Y-wing Pilot) return to Yavin 4 and a victory celebration commences, complete with medals for the heroes, Han Solo and Luke Skywalker, presented by Princess Leia.

Next from 1980 we were watching Star Wars: Episode V, The Empire Strikes Back.

It is now three years after the events of A New Hope. The Rebel Alliance has been forced to flee its base on Yavin 4 and establish a new one on the ice planet of Hoth.

An Imperial Star Destroyer, dispatched by the Sith Lord Darth Vader, continuing his quest for Luke Skywalker, launches thousands of probe droids across the galaxy, one of which lands on Hoth and begins its survey of the planet. Luke Skywalker, on patrol astride his tauntaun, discovers the probe, which he mistakes for a meteorite. After reporting to comrade Han Solo that he'll investigate the site, Luke is knocked unconscious by a deadly wampa.

When Luke fails to report in at Echo Base, Han Solo goes out on his tauntaun to search for him in an encroaching storm. Upon waking up, Luke finds himself hanging upside down in a cave; his eyes opening to the sight of a wampa eating his tauntaun. Using the power of the Force, Luke is able to pull his lightsaber out of the snow and towards himself. After he ignites it, he cuts himself free and cuts off the attacking wampa's arm just in time, running out of the cave and escaping into the cold night of Hoth.

Luke tries to make his way to Echo Base on foot, but he finds himself lost in the blizzard and collapses in the snow. Suddenly, he sees the Force spirit of Obi-Wan Kenobi appear before him. Ben tells Luke to go to Dagobah to undergo training under Yoda, a Jedi Grand Master. After the spirit disappears, Han arrives to find an almost unconscious Luke, who is mumbling indistinctly about Ben, Yoda and Dagobah. At this point, the tauntaun that Han was riding on collapses in the extreme cold. To keep Luke from freezing to death during the blizzard, Han uses Luke's lightsaber to cut open the dead tauntaun and places Luke in it. Han then sets about erecting a shelter that he and Luke will stay in during the night. They are forced to stay out during the night as the aircraft (snowspeeders) that the Rebels use for atmospheric flight had not yet been adapted for the extremely low temperatures of the Hoth night and are therefore unable to mount a rescue operation to retrieve Han and Luke.

The next morning, Rebel Pilots flying the snowspeeders set out from Echo Base to search for the missing men. Zev Senesca, one of the pilots in Rogue Group, makes contact with Han over comlink and the pair are rescued. When they are taken back to base, Luke is put in a bacta tank for healing under the care of medical droid, 2-1B.

Princess Leia Organa tries to urge Han to stay with the rebels, and when Han assumes it is because she has feelings for him, Leia loses her temper and calls him a "stuck-up, half-witted, scruffy-looking nerf herder."

Meanwhile, the probe droid has spotted signs that indicate Hoth is occupied and sends a signal to the Imperial fleet, shortly before being destroyed by Han Solo and Chewbacca. Aboard the Executor, Admiral Kendal Ozzel dismisses the information as evidence of smugglers, nothing more. However, Darth Vader knows better and orders the fleet to Hoth. General Rieekan, realizing the Empire is probably aware of their location, orders the evacuation of Echo Base to begin.

## The Battle of Hoth

Darth Vader and the Imperial forces set course for the Hoth system to set up the attack. The rebels load whatever equipment they can onto transports and plan a rear-guard action to secure their escape. Luke, now fully recovered from the Wampa attack and subsequent exposure, says farewell to Chewbacca and Solo, who have decided to leave the Alliance to resolve their debt to Jabba the Hutt. As the Imperial forces enter the Hoth system, General Rieekan orders full power to the energy shield that is protecting the base from orbital bombardment.

Aboard the Executor, General Maximillian Veers notifies Vader that Admiral Ozzel has emerged from lightspeed too close to Hoth. Ozzel intended to catch the Rebels unaware before they could set up their defenses. However, Vader realizes that the Rebels have been alerted to the fleet's arrival. Via video communication, Vader Force chokes Ozzel to death for his incompetence, then appoints Captain Firmus Piett the new Admiral on the spot. As Vader previously ordered, the Imperial ground forces, commanded by General Veers, land outside the Rebels' shield and march overland to destroy the power generator.

Princess Leia gives the Rebel fighters instructions on the evacuation to leave Hoth two to three ships at a time past the energy shield to a rendezvous point, which is beyond the outer rim. Rieekan lowers the shields to fire the Ion cannon at one of the Imperial Star Destroyers allowing the first transports to escape. The Rebel pilots assigned to hold off the Imperial ground assault depart the Hoth base for the oncoming battle against heavily equipped Imperial forces, who are armed with agile AT-STs (All Terrain Scout Transports) and monstrous AT-AT (All Terrain Armored Transport) walkers, led by General Veers.

The Rogue Squadron snowspeeder group led by Luke commences the attack. Luke quickly realizes the AT-AT's armor is far too strong for blasters and decides to use attached harpoons and tow cables to tangle the walker's legs. Luke's gunner Dak Ralter is hit and killed during the first approach. This leaves Wedge Antilles and his gunner Wes Janson to make the first pass. They manage to topple one of the AT-ATs, which is destroyed as Rebel troops storm it. The main AT-AT, commanded by General Veers, prepares to take their aim at the Rebel base's main power generator. Suddenly, Luke's speeder is shot down by the Imperials, and crash-lands in the snow. Luke escapes before an AT-AT can step on and crush his ship.

The Rebel base is now under direct attack and Imperial snowtroopers have entered the base, forcing Han, Leia, Chewbacca, and C-3PO to escape. Leia gives the evacuation command for the base as they leave.

Luke, meanwhile, manages to destroy another AT-AT by using his hoist cable and lightsaber to get into the belly of the transport, tossing in a thermal detonator, and then detaching himself from the cable as a series of explosions neutralize the AT-AT. The Rebels suffer major casualties as the result of the battle. The main AT-AT, being driven by General Veers, gets within firing range of the power generator, then successfully blasts and destroys it.

Han, Leia, and company, now realizing they are being followed by Vader (who has arrived personally on Hoth), make their way to the Millennium Falcon in time to escape. As the Falcon flies off, Luke reaches R2-D2 and his X-wing starfighter and finally departs Hoth. Changing course from the rendezvous point, he sets his coordinates for Dagobah.

Han and company are pursued by Imperial TIE fighters. Flipping the switch to take them to lightspeed, Han realizes (with reluctant help from 3PO) that the hyperdrive has been damaged. While trying to fix the hyperdrive system, Han enters an asteroid field to hamper pursuit. He manages to land his ship inside a cavern on one of the larger asteroids to rest and find a way to fix the ship.

## The destiny of a Jedi

Luke lands on the marshy planet Dagobah, swamping his X-wing in the process. There, he discovers a diminutive and eccentric figure who fiddles around with Luke's gear. After Luke tells him that he is looking for a Jedi Master, the being offers to take Luke to Yoda.

Back on the Falcon, while Leia tries to make repairs, Han makes his move on the Princess, drawing himself closer to her before both end up in a passionate kiss. When Threepio arrives, Leia withdraws and walks away.

Vader orders the entirety of Death Squadron to begin sweeping the asteroid field to find the Millennium Falcon As the search continues, the dangers of the field begin to take their toll: an asteroid smashes into the bridge tower of a Star Destroyer, presumably killing all aboard. On the Executor, Vader communicates with the captains of the other ships (the captain of the demolished star destroyer throws his arms up in horror, and the transmission fades). One officer, Captain Lorth Needa, tells Vader that they should consider their damage. Vader firmly replies that they will continue the search. Shortly afterward, Admiral Piett informs Vader that Emperor Sheev Palpatine commands he make contact immediately. Vader orders his ship out of the asteroid field for a clear transmission.

In his private quarters, Vader receives a holographic message from Palpatine, alias Darth Sidious, who alerts the Dark Lord to a "new enemy who could destroy" the Empire - Luke Skywalker. Vader suggests that if Luke could be turned, he would be a "powerful ally". Lord Sidious agrees, saying that Luke would be a "great asset" and asks his apprentice if it could be done. Vader declares Luke will join the Empire "or die".

Instead of going straight to Yoda, Luke is brought to the creature's hut. Luke insists on going to find Yoda immediately, but the small creature only responds with "Not far. Yoda not far." The diminutive figure then declares the boy lacks patience, but the voice of Kenobi tells the figure that the boy will learn patience if he is to be trained. Only then does Luke realize that the small green figure is Yoda. Yoda asks Kenobi if he will finish whatever training he begins, then suspects that Luke will someday succumb to fear.

The next day, while cleaning parasitic creatures called Mynocks off the Falcon, Solo and his companions are forced to escape what turns out to be a titanic space slug (which resided in the asteroid the Falcon landed on). Meanwhile, Luke begins a rigorous training regime from Yoda which includes moral lessons about the dangers of the dark side of the Force. That particular lesson is driven home when he is told to enter a cave that is strong with the Dark Side's power. Ignoring Yoda's counsel to leave his weapons, Luke enters the cavern armed. Once inside, he has a vision of himself angrily confronting Darth Vader and beheading him. However, the severed head's mask bursts apart and reveals Luke's face underneath; it is a warning that if Luke battles Vader with no emotional control, he will become Vader himself, seduced by the Dark Side.

Back on the Star Destroyer, Vader enlists the bounty hunters, Boba Fett, Dengar, IG-88, Bossk, 4-LOM and Zuckuss to find the Millennium Falcon for a "substantial reward". One of the Imperial commanders finally spots the Falcon, leading to another pursuit which results in the Falcon eluding the Empire by making the insanely counter intuitive move of attacking the lead Star Destroyer. However, at the last moment, the ship veers off and secretly attaches itself to the rear of the cruiser's command tower, which is not extensively covered by sensors, making it appear to have vanished from the Destroyer's point of view.

Days later, while training, Luke becomes distracted when he finds that his X-wing fighter has almost completely submerged into the swamp. Luke declares he will never be able to get the ship out, seeing that it is too big for him to extract from the water. Yoda says it is "no different, only different in your mind." Luke says he'll "try" to lift the ship, but Yoda says "No! Do or do not, there is no try." Luke tries to use the Force, but to no avail. Yoda reminds him that "size matters not" and gives him wisdom about the Force. Luke denies all of this, then Yoda decides to use the Force to lift the ship out himself. Luke is dumbfounded and incredulous. Yoda senses the youngster's failures within his mind.

When the fleet disperses to search for the Falcon, the Rebels wait for the ship to do its standard dump of refuse before jumping, then detach to float away with it. The Falcon's hyperdrive needs repairs, so Han decides to make their way to Cloud City, a gas-mining colony run by his "old friend" Lando Calrissian. Unfortunately, the bounty hunter Boba Fett had deduced the Falcon's escape method and had his ship jettisoned with the waste to stealthily follow the fugitives.

The next day, Yoda reminds Luke of the things the young Jedi will see in his mind, the future, the past, and of friends he recognizes. Luke loses concentration again and has a vision of his friends in danger. He wants to leave Dagobah to rescue them, but Yoda reminds him that if he leaves now, everything his friends fought and suffered for will be destroyed.

## The city in the clouds

Upon arrival at Cloud City, Han's party is welcomed by an old friend of his who goes by the name Lando Calrissian. However, there are numerous elements that make the Rebels suspicious, not the least of which being C-3PO being found deactivated, dismembered, and almost recycled.

That evening, Luke and R2-D2 prepare themselves to leave Dagobah, but are warned by both Yoda and the spirit form of Kenobi not to end training so soon for a fight Luke is not ready for. Ben declares that should Luke decide to face Vader, he will have to face him alone without interference. Luke understands this, and his ship takes off from Dagobah. Yoda is disappointed, declaring Luke is reckless. Ben tells Yoda "That boy is our last hope", however, Yoda answers back, "No… there is another…"

A day later, Han and company find themselves betrayed by Calrissian who was approached by the Empire just before the Rebels' arrival and threatened him and the city unless he cooperated. They became the captives of Darth Vader, who proceeds to torture Han and Leia to create a disturbance in the Force for Luke to detect.

That afternoon, Vader enters a carbon-freezing chamber intending to freeze Luke Skywalker once he arrives. The Dark Lord uses the opportunity for Boba Fett to deliver Solo to Jabba the Hutt (to whom Han owed a debt) by testing the device on Solo himself. Han and company enter the chamber for the experiment. At first, Chewbacca resists the stormtroopers, but Han restrains him, saving his strength for another time. Han says goodbye to Leia with a passionate kiss before he is escalated into the carbon freezing chamber. When he is successfully entombed in carbonite in a state of suspended animation, Vader hands over Han to bounty hunter Boba Fett for transportation to Tatooine to receive a bounty from Jabba. One of the Imperial commanders informs Vader that Luke's starfighter has arrived on Bespin. The Dark Lord orders Lando to take Leia, Chewbacca, and C-3PO to his Star Destroyer, reneging on a deal he made with Calrissian. However, the Cloud City administrator has other plans.

## Duel with the Dark Lord and escape from the Cloud City

Luke makes his way to Bespin safely. He quietly walks down the corridors of Cloud City. He spots Boba Fett who is taking the now-frozen Solo back to his ship. He attempts to follow but is thwarted when the bounty hunter notices and opens fire. Luke narrowly escapes and runs down farther into the corridor. He finally meets up with Leia, Chewie, and Lando, who have been captured by stormtroopers. Luke tries to ambush the group of Imperials, but is unsuccessful. Leia yells at him and tells him that "it's a trap!" Luke runs after his captured friends, hoping to save them, but wanders into the carbon-freezing chamber. There, he meets with Vader and the two fight in an epic lightsaber duel, where Luke's undeveloped Jedi skills are no match for Vader's experience.

The Imperials (escorting the Rebel prisoners out of Bespin) are overpowered by Cloud City security, setting Lando and company free. Chewbacca turns against Lando for betraying Han and chokes him, but he manages to tell the Wookiee there's still a chance to rescue Han at the East Platform. C-3PO is reunited with his companion R2-D2. Lando and company arrive too late as Fett's ship takes off, then engage in a fierce battle with stormtroopers.

Luke and Vader continue the duel in the darkened rooms of the Cloud City. Luke didn't follow Han's sad fate when he fell into the freezing mine, but he manages to jump out of it with the help of the Force a moment before Vader activates the freezing system. The fight continues. Vader uses the Dark Side of the Force, hurling everything that comes to hand at Luke: equipment, construction elements and furniture. One of the items breaks the window, creating a vacuum. Luke is quickly pulled out and the fight moves to the emergency platform.

As the gunfight continues, Lando orders an evacuation of Cloud City before the arrival of the main forces of the Empire, then the rebel company manages to find their last hope of escape… the Millennium Falcon.

On the emergency platform of the Cloud City, Luke and Vader continue the duel. Vader knocks Luke off his feet and invites him to surrender so that he won't let himself be killed, like Obi-Wan. However, the young man is not yet defeated and continues to fight. During the duel over the abyss, Luke beats Vader with his saber in his right shoulder, slightly damaging his dark armor. Vader is furious and cuts Luke's right hand holding a lightsaber (the hand and the saber fall into the abyss). Then he reveals to Luke the fatal truth about his father:

Luke does not want to believe what he heard, and accuses Vader of lying, but he advises the young man to listen to his own heart, and thus understand that this is pure truth. Shocked and frightened by the cruel truth, Luke falls into despair, still not wanting to believe what he heard. Vader invites the young man to reunite with him in order to destroy the Emperor together and rule the galaxy as a father and son. However, Luke chooses suicide over being corrupted and throws himself down a deep shaft.

Luke is sucked into an air vent, exits the underbelly of the city and catches an antenna beneath Cloud City. Facing clear death, Luke calls out to Ben Kenobi in vain (Kenobi had warned Luke that he would not be able to help Luke once he faced Vader). Then, he calls out to the only other one who could help… Leia.

Leia mysteriously senses Luke's telepathic distress signal. The Falcon turns around and comes back to Cloud City. Using an escape hatch, Lando manages to catch Luke and rescue him before the wounded Jedi falls helplessly to the planet as TIE Fighters race toward them. The Falcon finally leaves Bespin's gravitational field and is about to escape into hyperspace when the hyperdrive system again fails (as it turns out - this is the work of the imperial specialists, as reported by the city computer R2-D2). Vader asks for confirmation that the Millennium Falcon's hyperdrive system was deactivated to prevent their escape, then orders weapons be set to stun.

As the Imperials pursue the Falcon, the injured Luke telepathically hears the voice of Vader calling to him. He answers, "Father…", while Vader telepathically calls, "Son, come with me". Luke senses it is Vader, then cries, "Ben, why didn't you tell me?"

C-3PO commands that R2-D2 finish reconstructing him after his ordeal in Cloud City. However, with quick ingenuity, R2 manages to re-activate the Falcon's hyperdrive system just in time for the ship to flee to hyperspace. Vader is disappointed and retreats to his secret quarters in his Star Destroyer, ignoring Piett's failure.

The film ends on a EF76 Nebulon-B escort frigate at the Rebel fleet's rendezvous point, where Luke under the care of 2-1B again which includes the implantation of a prosthetic hand. Lando and Chewbacca begin their parts of a most dangerous mission… rescuing Han. Lando promises to Leia they'll bring her back the man she loves. Luke, Leia, and the droids look on as the Falcon departs for unknown territories.

Next from 1983 we were watching Star Wars: Episode VI - Return of the Jedi.

Six months after the Battle of Hoth, Darth Vader lands in the docking bay of the incomplete second Death Star, which the Empire designed to be more powerful than the first. He is greeted by Moff Tiaan Jerjerrod, but demands construction be put back on schedule in order to complete the Death Star on time. Jerjerrod argues that they need more men, but quickly agrees to double their efforts when he learns that the Emperor is coming.

## Arriving at Jabba's Palace

Meanwhile, Luke Skywalker and company have arrived on Tatooine in an attempt to rescue Han Solo from Jabba the Hutt's desert palace.

First the droids, R2-D2 and C-3PO, arrive with a holographic message from Skywalker asking Jabba to release Solo. In exchange the two droids are presented as gifts to the crime lord; Luke promises that both are hardworking and that they will serve him well, which Jabba agrees to silently. However, when the message finishes he states that there will be no bargain and that he won't give up his "favorite decoration." The two droids are then sent to their quarters, where EV-9D9 harshly barks at the two when they explain what they can do. Threepio is ordered to be Jabba's interpreter, while Artoo is tasked with working on the Khetanna.

That evening, the Max Rebo Band (led by Sy Snootles) entertains the Hutt's guests. Jabba, engaged by the graceful gyrations of his collared slave girl Oola, starts tugging on her chain and commanding her to come to him on his throne. Oola fearfully resists him, and in annoyance, Jabba pushes a button on his throne, and Oola is dropped through a hidden trapdoor at the foot of his throne, into the pit of the Rancor monster, which immediately devours her.

## Saving Han Solo

Later, Princess Leia Organa (in the guise of bounty hunter Boushh) arrives with Chewbacca as her "prisoner" to collect part of the bounty Jabba sought years earlier when he put a price on Solo's head. After much bargaining (including Leia threatening Jabba with a thermal detonator), Jabba settles on a deal, and has Chewbacca imprisoned.

That night, Leia releases Han Solo from his carbonite coffin, and after revealing her identity to him, she kisses him. As they prepare to escape, they are caught by Jabba and his minions. Ignoring Han's pleas, Jabba has the captain thrown in prison with Chewbacca. Although Lando Calrissian (disguised as one of Jabba's prison guards) tries to sneak off with Leia, Jabba stops them and orders a Gamorrean guard to bring Leia to him. Leia is forced to become Jabba's newest slave girl, and chained to the dais as a trophy.

## Luke Skywalker arrives at the palace

Later, Luke arrives at the palace. Jabba and most of his minions are asleep, but are awoken by Bib Fortuna (who, in trying to impede the Jedi's entrance, is Force-tricked into welcoming him). Leia remains silent beside the Hutt, despite her rising hope at seeing Luke. Luke demands that Jabba release Han and his other friends, but Jabba refuses the young Jedi's offer. Luke uses the Force to pull a nearby blaster and attempts to shoot Jabba, but the Hutt activates the trapdoor to protect himself, dropping the Jedi and an unfortunate guard into the Rancor pit.

After a battle with the Rancor (which devours the fallen guard), Luke ultimately kills the monster by crushing it under the gate of its compound, piercing its neck with the spikes at the bottom of the gate. He is then recaptured and brought up by Jabba's minions. Jabba, furious, chokes Leia until she falls back on his belly, and orders the prisoners to be brought before him. Luke, Han, and Chewbacca are brought before Jabba, exchanging relief at each other's safety as Leia struggles with Jabba to sit upright before him.

Using C-3PO as a translator, Jabba sentences Luke and his friends to be taken to the Dune Sea for termination (over a course of a thousand years) by the man-eating Sarlacc at the Great Pit of Carkoon. Luke warns Jabba that he's made his last mistake, at which the Hutt laughs in amusement.

## Skirmish at the Great Pit of Carkoon

En route, R2-D2 is tasked with serving drinks to Jabba's guests, and the Max Rebo band plays music in the background. Jabba allows Leia to climb off his throne and watch her friends from a window; after a while, he gives a tug on her chain, playfully commanding her to come to him. Leia glares back at him, but as the chain is slack, she returns to watching, and Jabba chuckles. Bib Fortuna, seeing this, joins him on his throne.

Outside, Luke and his companions (with Lando, still in disguise) are being taken to the Pit of Carkoon on one of the land skiffs accompanying the Sail Barge. Han, still half-blinded from the side-effects of carbonization, is sure that they are all going to die, and Luke tries to reassure him of their ultimate safety, but Han is not easily convinced. Elsewhere in the Sail Barge, C-3PO literally runs into R2-D2 and knocks over the shorter droid's drink tray. C-3PO laments their friends' imminent deaths, but R2-D2 shows a kind of confidence, which C-3PO doesn't see any reason for.

When the vehicles ultimately reach the Pit, Jabba has C-3PO announce the group's deaths, but that he is willing to now listen to their pleas. Han calls Jabba names and tells him that he'll not get any pleasure from their pleading, much to the Hutt's amusement, and Luke offers a final chance for Jabba to free him and his friends or die. Jabba and his guests laugh off this last threat and order the execution to commence. Luke gets ushered off of a plank and into the Sarlacc, only to Force-flip up through the air and onto the skiff. Meanwhile, R2-D2 launches Luke's recently built lightsaber from a hidden panel in his housing, and Luke catches it and begins to kill his captors. As Jabba furiously orders his bustling guards and minions to intervene, C-3PO gets knocked over. Leia looks around, ready to use her false submission to the Hutt to her advantage.

Boba Fett uses his jetpack to fly off of the Barge and land on the skiff as Luke is in the act of freeing Han and Chewbacca. Luke uses his lightsaber to cut Fett's blaster in half, and Chewbacca pushes the bounty hunter onto the deck. Luke then jumps onto another of the accompanying skiffs to fight off the guards and minions there.

While fighting a guard, Lando accidentally falls off the side of the skiff, and although he manages to hold onto a wire, one of the Sarlacc's tentacles begins to pull him to his death, and Han and

Chewbacca have to carefully rescue him. Han accidentally activates Fett's backpack when he turns around and smashes the butt of an axe against it. Fett subsequently flies out of control from the skiff, crashing against the hull of the Barge before falling into the Sarlacc's open mouth, making it belch.

Aboard the Sail Barge, Leia smashes the controls for the Sail Barge's interior lights, throwing it into darkness, and proceeds to strangle Jabba with her chain, killing him, Leia jumps off of the throne and has R2-D2 help break her chain, then heads for the stairs to the top surface of the Sail Barge. Meanwhile, Salacious B. Crumb attacks the fallen C-3PO, and R2-D2 uses the same device he'd freed Leia with to chase the lizard-monkey away. Reaching the surface, the droids jump off the edge of the Sail Barge and land in the Tatooinian sand.

Luke and Leia defeat the remaining guards on the Sail Barge, then Luke has Leia point the guns toward the heart of the vehicle. They prepare to swing from a loose cable on the Barge's sails, and Luke discharges the guns, beginning to destroy the Barge. They swing to their rescue on the land skiff with Han, Lando, and Chewbacca, then use magnets to pick up the two droids from the sand. They all drive off just as the Sail Barge explodes.

Later, all of the crew (except for Luke and R2-D2) depart Tatooine for the rendezvous point near Sullust (mentioned in The Empire Strikes Back) where the Rebel Alliance is assembling, while Luke and R2-D2 (in their X-wing) head for Dagobah to fulfill a promise to Yoda made some time earlier.

## The Emperor arrives

On the Death Star, Emperor Palpatine arrives and praises Lord Vader on his efforts in the construction of the Death Star. He also senses that Vader craves the continuation of his search for his son, Luke. The old Sith Lord assures his apprentice that Luke will seek Vader out, that only together would the Sith be able to turn Luke to the dark side of the Force, and that everything was proceeding as Palpatine has foreseen.

## Returning to Dagobah

Luke and R2-D2 arrive on Dagobah to find a terminally ill Yoda. Luke has returned to complete his Jedi training, but Yoda declares no further training is required. All that remains for Luke is to confront Vader. Yoda then reveals that Vader is indeed his father. The 900-year-old Jedi Master gives one last mention of wisdom to the young Jedi before he dies (and disappears in the way Ben Kenobi did in A New Hope, thereby becoming one with the Force).

As Luke approaches his X-wing, the spirit form of Obi-Wan confirms that Vader was once Anakin Skywalker, a former Jedi Knight who turned to the dark side of the Force. Kenobi also reveals that Luke has a twin sister, hidden from Luke at birth as protection from the Emperor. Luke senses that his sister is Leia. Kenobi warns Luke to bury his feelings, for they could in time "serve the Emperor."

### The mission begins

At the rendezvous point near Sullust, the Rebel Alliance gathers to reveal plans to attack the Death Star. As part of the plans, Luke, Leia, Solo, Chewbacca, C-3PO, R2-D2, and a strike team must penetrate the deflector shield generator on the forest moon of Endor in order to deactivate the shield if the Rebel fleet is to attack the Death Star. However, Vader knows this because he could sense that his son was with them and allows them to land on the planet. Luke senses his father as well and begins to believe that he would endanger the mission by coming.

The strike team lands on Endor only to be discovered by Imperial scout troopers. A speeder bike chase ensues, only for Leia to be thrown off her speeder and knocked unconscious. Luke and Han discover Leia's helmet, then they, with Chewbacca and the droids, try to find her. Leia is awakened by one of Endor's forest creatures, an Ewok named Wicket W. Warrick. Suddenly, another scout trooper discovers Leia, but Wicket does away with the trooper before rescuing Leia.

Luke, Han, Chewbacca, and the droids, meanwhile, fall into a booby trap set by the Ewoks. R2-D2 cuts open the net setting them free, but the Ewok tribe discovers C-3PO and proclaims him to be their god. The droid's Human and Wookiee friends are taken prisoner, and the Ewoks proclaim Han to be the main course in a banquet in

C-3PO's honor. Discovered by Leia, Luke then uses the Force to levitate C-3PO to show off his "great magic." Convinced of the Rebels' good intentions, the Ewoks set them free and later that evening make them "part of the tribe," thereby agreeing to join the fight against the Empire. But Luke decides the time has come to leave Endor and face Darth Vader. Leia follows Luke out of the tribal gathering, whereupon he tells her that Vader is his father and she is his sister. Leia is utterly speechless and shocked, but accepts the truth. She is comforted by Han Solo.

## Meeting the Emperor

Vader arrives in his shuttle on a docking bay, and Luke, having already surrendered to the Empire, talks with Vader in an attempt to bring the Sith Lord out of the dark side of the Force, but to no avail. The Empire takes Luke into custody for transportation to the Death Star. The next day, the Rebels attempt to locate the shield generator, and the Rebel fleet enters hyperspace from Sullust to prepare for the final attack. Luke and Vader finally enter the Death Star and confront the Emperor, who looks forward to completing Luke's training and believes that while Vader would never turn from the dark side, neither would Luke. He also reveals that it was he who coordinated the Rebels finding the secret plans and locating the shield generator so that the Alliance can fall into a trap of Palpatine's devising.

## The Battle of Endor begins

The Rebels enter the heart of the shield generator, only to be taken prisoner by the Imperial forces. The fleet emerges from hyperspace for the battle, but discovers the shield is still up. As they contemplate their options, the Imperial fleet, which they were led to believe was away, appears and an intense battle begins. Han and the strike team are led out of the bunker by the stormtroopers, but the droids and the Ewoks have already orchestrated the attack on the Empire, and another intense battle commences with the Rebels and Ewoks on one side, the Empire on another. The Emperor shows Luke the full power of the Death Star as the station, now fully operational, destroys one of the Alliance's ships. Meanwhile, on Endor, the battle continues, with casualties (Rebel, stormtrooper, and Ewok) already mounting. Eventually, Han, Leia, and Chewbacca gain access to the bunker.

## Duel between father and son

Back on the Death Star, Luke, with the encouragement of Darth Sidious, lashes out at him with his lightsaber, only to be deflected by Vader, and the final duel between father and son begins. As Luke climbs onto a balcony, Vader throws his lightsaber at his son. It misses Luke and knocks the balcony down, taking Luke with it. Vader stalks for a hidden Luke to let down his guard, while quietly sensing within his son's mind that Luke has a sister. Vader threatens to turn her to the dark side if Luke will not, but Luke responds viciously in intense saber fighting, up to the point where Luke strikes off Vader's right mechanical hand. Sidious encourages Luke to kill his father so the young Jedi can take Vader's place at his side. But Luke controls his anger and throws his lightsaber aside. He declares himself to be a Jedi Knight as his father Anakin was before he turned over to the dark side and turned into Darth Vader.

## Vader's choice

Han, Leia, and Chewbacca escape from the bunker, just in time for its destruction, thus bringing down the shield. The Alliance is now free to attack the half-completed Death Star. On the Death Star, the enraged Emperor declares that if Luke will not turn to the dark side, he will be destroyed, and uses Force lightning against the young Jedi. He slowly increases the intensity of the lightning, torturing Luke. He then calls out to his father to help him. But as the Emperor prepares to deliver the killing bolts, Vader must make a choice, he looks at Luke and then the Emperor, conflicted whether to save his son or to continue serving his master.

Moved by his son's cries for help, Vader lifts the Emperor into the air, carries him over and throws him into the Death Star's reactor shaft. As he does this, the Emperor continues to shoot force lightning, which enters Vader's organic remains, striking Vader's life support system and his respirator, mortally wounding him. The Millennium Falcon and its remaining Rebel fighters enter the bowels of the Death Star, and some fighters engage in a point-blank attack on the Super Star Destroyer, causing the Imperial flagship's destruction.

## Death of Anakin Skywalker

On the Death Star, in the middle of an evacuation, Luke has carried his father's ravaged body to the foot of an Imperial shuttle's ramp. Vader stops Luke and asks him to remove his mask so that he can look upon the face of his son, just for once, with his "own eyes."

Luke removes the mask and sees the face of his father, Anakin Skywalker. Anakin's face is revealed to have turned pale white from not seeing natural sunlight in 23 years, and his head retains some scars after 23 years from his first duel with Obi-Wan Kenobi (as depicted in Star Wars: Episode III Revenge of the Sith).

Anakin tells Luke that his son was right-he did have good left in him, and asks him to tell his sister the same. With that, Anakin Skywalker, the redeemed Jedi Knight, smiles at his son and dies peacefully. Luke bows his head in sadness.

## Knocking out the main reactor

The Millennium Falcon and its strike force (in the last Rebel fighter inside) reach the Death Star's main reactor and fire concussion missiles and proton torpedoes at it, causing it to collapse. Luke escapes the Death Star with his father's body and flies out through the flames, and so do Wedge Antilles and the Millennium Falcon before the Death Star explodes.

Seeing the destruction from above, Han senses Leia's love for Luke. He offers to step aside when Luke arrives, but she tells Han that Luke is her brother. After a moment of shock and/or surprise, Han and Leia engage in a passionate kiss.

## The galaxy celebrates

That evening, Luke sets a funeral pyre ablaze to burn the body of his father, still encased in the armor of Darth Vader. His father's organic body had become one with the Force. Through the midst of the rising flames and fireworks, Rebel fighters streak across the sky in celebration of one of the greatest Rebel victories in the Galactic Civil War. The planets Bespin, Tatooine, Naboo, and Coruscant also celebrate. Luke is reunited with his companions Han, Lando, the droids, Chewbacca, the surviving Rebel fleet, the Ewoks, and his sister Leia. Luke then catches sight of the spirit figures of Obi-Wan Kenobi, Yoda, and a redeemed Anakin Skywalker. Luke is pleased: not only is he now a Jedi, but his father is once again on the light side of the Force. Leia takes Luke by the hand, and they rejoin their friends and colleagues as the spirits of Obi-Wan, Yoda, and Anakin continue to look on with pride.

We saw Emperor Palpatine fall into the Power Reactor of the Death Star 2 and we thought that would be the end of it. But we were dead wrong.

We continued watching and we were watching Star Wars: Episode VII - The Force Awakens from 2015.

---

Approximately thirty years after the destruction of the second Death Star, Luke Skywalker, the last known surviving Jedi Master, has disappeared. Both the First Order, a successor to the fallen Galactic Empire, and the Resistance, a military force backed by the New Republic and led by Luke's twin sister, General Leia Organa, scour the galaxy in an attempt to find him.

Leia sends Resistance pilot Poe Dameron on a secret mission to the village of Tuanul on the desert planet Jakku, to meet with village elder Lor San Tekka, who has obtained a map to Luke Skywalker's location. During the meeting, First Order stormtroopers under the command of Kylo Ren and Captain Phasma attack the village. Poe and his astromech droid BB-8 attempt to flee in their X-wing starfighter, but a pair of stormtroopers disable the engines with their blasters. With no alternative, Poe gives the map to BB-8 and orders the BB unit to flee. Poe remains behind to cover BB-8's escape.

After stormtrooper FN-2187 is deployed, FN-2003 is hit with blaster fire by Poe. FN-2187 goes to help his squadmate, but FN-2003's wound proves fatal, and in his final moments, FN-2003 smears his blood on FN-2187's helmet before dying, deeply affecting FN-2187.

After securing the area, the remaining villagers are herded into the town square. Tekka is captured and brought before Kylo Ren, who demands to know where the map leading to Luke is. Tekka responds that he knows who Ren used to be, and chides Ren that he cannot escape his real identity. Growing impatient, Ren kills Tekka by striking him down with his lightsaber.

Poe takes a shot at Ren from cover, but Ren casually stops the blaster bolt in mid-air with the Force. Poe is captured, and Ren decides to interrogate him further back on their ship. Before leaving, Phasma asks what to do with the crowd of captive villagers, and Ren orders them all slaughtered. Stormtrooper FN-2187 is horrified as the massacre plays out in front of him, remaining motionless and not firing his weapon.

## Return to the Finalizer

Returning to the Resurgent-class Star Destroyer Finalizer, FN-2187 is overwhelmed with emotions because of the death of his squadmate and the massacre of the villagers. He ducks inside an empty shuttle to take his helmet off, breathing heavily, but Phasma notices him and tells him to submit his blaster for inspection, having earlier noticed that he did not fire a shot. Knowing he would be punished and re-evaluated for not firing on the villagers, and with his faith in the First Order severely shaken, he decides to desert. Meanwhile, after failed attempts of torturing Poe for vital information about the map of Luke Skywalker's location, Ren uses his mind probe Force power to pry the information from Poe's mind. Ren learns that the map is located within a BB series droid that fled the village, and informs General Armitage Hux of the new information.

## Encounter with the scavenger

Elsewhere on Jakku, a scavenger named Rey traverses the corridors of a downed Star Destroyer at the Graveyard of Giants. Scavenging through the Star Destroyer, she finds a valuable piece of salvage and drops it in her satchel. Rey heads to Niima Outpost, and hauls the sack of salvage throughout the town. She then goes to Unkar Plutt to exchange her scraps for foodstuff, and he offers her a quarter portion for her salvage. After taking the foodstuff, Rey heads to her home, a downed AT-AT, and prepares a meal for herself. After finishing her meal, she watches a starship depart from the planet and then notices a distant sound. She immediately runs off with her quarterstaff to investigate.

There, she encounters BB-8 struggling against being captured by a green-skinned humanoid scavenger named Teedo. She frees the droid and gives it directions to Niima Outpost and sends it on its way, but BB-8 insists on traveling with her. Rey goes to Unkar Plutt to again exchange her salvage for foodstuff, and the Crolute offers to buy BB-8 for sixty food portions; while tempted, Rey declines the offer. Plutt then sends two thugs to steal BB-8.

## Escape from the Finalizer

Needing a pilot to escape, FN-2187 frees the captured Poe Dameron from his cell, and the two steal a Special Forces TIE fighter. FN-2187 mans the guns, killing several of his former comrades in the hangar, and then disables the Finalizer's turbolasers on the outside of the vessel. During the escape, Dameron asks the stormtrooper his name, to which he explains that he has been raised from birth to be a stormtrooper, and the serial number "FN-2187" is the only designation he has ever had. Not content with calling a man a number, Dameron names the trooper "Finn", from the FN in his name. Finn likes the name, and goes on to use it. Dameron also tells him that the map vital to the Resistance was located within his astromech droid. Before they can continue their conversation and escape, the TIE is hit by a missile fired from the Finalizer, sending it spiraling towards the planet below.

Phasma reveals to Hux that this was FN-2187's first offense of non-conformity. A technician then informs Hux that the TIE fighter was projected to crash on Goazon Badlands, a canyon zone on Jakku. Realizing that Poe and Finn were going after BB-8, Hux sends out a squadron of search teams to the area.

## Escape from Jakku

Finn and Dameron eject from the TIE shortly before it crashes, each landing separately some distance from the wreckage. Making his way to the crash, Finn finds Poe's jacket, but no other sign of the man, and the fighter sinks into the sand. Believing Dameron to be dead, Finn begins wandering through the desert, discarding his stormtrooper armor along the way and eventually arriving at the nearest settlement, thirsting for water.

While Finn staggers to an animal trough to desperately slake his thirst, he notices thugs attempting to steal a BB unit droid, which Finn recognizes as BB-8, from a woman, Rey, but she fends them off with her staff. BB-8 notices Finn, wearing his master Dameron's jacket, prompting Rey to chase after him. Rey attacks Finn, believing him to be a thief. Finn explains that he had met and helped Poe escape the Finalizer, but that Dameron had apparently perished during their crash. The First Order tracks Finn to the settlement, and launches an airstrike in attempt to search for BB-8 and the map. Rey, Finn, and BB-8 attempt to flee towards a Quadjumper but TIEs destroy it. With only one option left, the trio manages to escape in the Millennium Falcon. Rey flies it through the Graveyard of Giants, while Finn fires on and destroys the pursuing TIE fighters. With the TIE fighters destroyed, they escape into space.

Back aboard the Finalizer, Lieutenant Dopheld Mitaka informs Kylo Ren that the droid escaped on a stolen freighter and that it was aided by the deserter FN-2187. Ren activates his lightsaber and lashes out in a rage-fueled tantrum, slashing at an instrument panel uncontrollably. Mitaka tells Ren that they also appear to have been helped by a local scavenger girl. Kylo grows even more livid, using the Force to pull the officer by his throat across the room in order to choke him with his bare hands, and asking him what girl it was.

## Reunited with the Falcon

While Finn and Rey celebrate their escape from Jakku, the Millennium Falcon breaks down. The ship is in major need of repairs, so Finn, Rey and BB-8 begin working to fix it. While they are working on repairs, the ship is caught in a tractor beam by a freighter. Although they initially believe themselves to be captured by the First Order, they soon meet their real captors: Han Solo and Chewbacca, the former owners of the ship. Upon boarding their old vessel, Han and Chewie go about inspecting their ship and find the two stowaways, Rey and Finn, who he assumes were the thieves that had stolen the Falcon. When Rey and Finn explain that they were going to take a droid named BB-8 to the Resistance because it has a map that would reveal Luke's location, Han and Chewie agree to help them.

## Skirmish aboard the Eravana

Unfortunately, Han's freighter, the Eravana, is boarded by two notorious criminal factions, the Guavian Death Gang and Kanjiklub, both of whom want their money back from Solo. Not wanting Rey and Finn to be involved, Han hides both of them in the lower corridors of the freighter while he and Chewie go meet with the criminals, with BB-8 accompanying them. Han tries but fails to convince both parties that he would fix things eventually, with the Guavian Death Gang negotiator, Bala-Tik, recognizing the BB-8 astromech droid from a First Order bounty placed on it. They demand that Han hand over the droid and any stowaways he might have on board. As the scuffle continues, Rey accidentally releases three rathtars. The rathtars provide a distraction for Han and Chewie to escape, but one catches Finn and drags him around the freighter. Rey finds a control panel and shuts a blast door on the rathtar, freeing Finn. The two join Han and Chewie and successfully jump to hyperspace in the Falcon. Bala-Tik then orders his men to inform the First Order that Han Solo and the BB unit are aboard the ship.

## Meeting with the Supreme Leader

At Starkiller Base, a planet converted into a superweapon, powered by draining the energy of a star, and capable of destroying star systems, Kylo Ren and General Hux are summoned by Supreme Leader Snoke, who appears as a large remote hologram projection. Hux suggests using Starkiller Base to destroy the government of the New Republic and the Resistance, and Snoke grants him the permission to do so. Snoke reveals to Ren that the astromech droid containing the map now resides in the Millennium Falcon - along with his father, Han Solo. Ren insists that his father means nothing to him, and with Snoke's training, he would not be seduced to the light side of the Force.

## Journey to Takodana

During the travel in hyperspace, the Falcon experiences a problem with its hyperdrive, but Rey demonstrates her knowledge of ships by bypassing the compressor and fixing the issue. Meanwhile, Finn attempts to bandage Chewie's arm, which was wounded while fighting on the Eravana. After fixing the ship, Han questions Finn and Rey, wondering why they are fugitives. Rey explains that the First Order is after the map located within BB-8 and that Finn is with the Resistance.

After BB-8 displays a projection of the map, Han explains that after Luke disappeared, there were many parties that went searching for him. Luke had tried to rebuild the Jedi Order, but an apprentice of his turned to the dark side, destroying all that Luke had built and killing the other padawans that Luke had trained. Feeling responsible and blaming himself for the failure, Luke went into exile. Han also explains that he heard rumors that Luke went searching for the first Jedi Temple.

Solo explains that he was able to find the Millennium Falcon soon after it entered space because he and Chewbacca were scanning for its signature. This was also why the criminal gangs were able to track it down so quickly, and meant the First Order could track it as well. In order to bring BB-8 to the Resistance, they needed to switch to a clean ship, which Han says he can obtain from an old friend.

Solo takes Rey, Finn, and BB-8 to the planet Takodana to meet with Maz Kanata at her castle. Han says that she has maintained her castle for over a thousand years, where she runs a bustling cantina. Unbeknownst to all, spies from different sides take notice of the group. GA-97 alerts the Resistance that the BB unit has been located, while Bazine Netal informs the First Order of the same.

## The conflict within

Attempting to seek guidance from his grandfather, Darth Vader, Kylo Ren sits quietly in his meditation chamber. In front of him is the burned helmet of Vader, recovered from the funeral pyre on Endor. With the re-emergence of his father and Snoke's orders to kill him, Kylo feels an internal struggle within himself. He reveals to Vader's burned helmet that the light is pulling him in again and that even Snoke could sense it. He then asks his grandfather to show him the power of the darkness again, to pull him back to the dark side of the Force and help him overcome his future trials.

## A call from the Force

While Han and Chewie speak with Maz, Finn heads out to make a deal of his own. Finn hires Sidon Ithano and his first mate Quiggold to take him away to the Outer Rim for work. Rey implores Finn not to leave, but to help her find the Resistance instead. Finn, however, insists on leaving, believing there is no way to defeat the First Order. He also admits that he lied about being in the Resistance and was really a stormtrooper in the First Order, deserting after his first battle because he didn't want to kill for the First Order. After Finn leaves, Rey hears the screaming of a young girl and finds herself wandering deeper into the castle to find the source. She descends to a sub-chamber that is filled with relics of the past. There she is called by the Force to Maz's curio box, an ancient Wroshyr wood chest. Inside, she finds the lightsaber that had previously belonged to Anakin Skywalker and his son Luke.

Upon touching the lightsaber, she receives a series of visions. Suddenly, she finds herself in Cloud City where Luke battled Darth Vader. As quick as she saw that vision, it goes away, and she now sees Luke placing his metallic hand on top of R2-D2 near a fire, at a site presumed to be Luke's burning Jedi temple. Next, she finds herself lying in the rain at night to see the Knights of Ren surrounded by slaughtered victims, fearing for her life as Ren notices her. Before he reaches her, she sees herself as a child on Jakku watching the departure of her parents, yelling out to them to come back, and being told to quiet herself from Unkar Plutt. Looking to the future, Rey then finds herself being chased by Kylo Ren in a snowy forest. Rey pulls herself out of the vision in terror. After the vision, she finds Kanata standing outside the room. Kanata explains to her the lightsaber's history and that it was calling to her. Kanata then reveals that she herself is Force-sensitive; although she was never a Jedi, she can simply close her eyes and feel the light of the Force within herself, and recognizes that Rey can do this too. Frightened by her vision, Rey refuses to keep the lightsaber, running off into the woods with BB-8.

## Hosnian Cataclysm

After gaining Supreme Leader Snoke's permission to fire the Starkiller superweapon, Hux chooses the Hosnian system, which hosts the capital of the New Republic, Hosnian Prime, as well as the New Republic Defense Fleet, in order to demonstrate the power of the First Order in an attempt to wipe out the "illegitimate" government of the New Republic in one fell swoop. The test is a success and Hosnian Prime, the current elected home of the Galactic Senate, all other astronomical bodies in the system, and an unknown percentage of the New Republic fleet are annihilated by the First Order's superweapon. The destruction of the Hosnian system is visible from the surface of Takodana. Shaken by the destruction, Finn re-evaluates his choice to leave.

## Battle of Takodana

The First Order, tipped off to BB-8's presence, arrives and attacks Maz Kanata's castle. Flying in with TIE fighters and Atmospheric Assault Landers, the First Order swiftly assaults the castle and levels it, killing many of its inhabitants. Maz gives Luke's old lightsaber to Finn for safekeeping, telling Han she doesn't have time to tell him how she retrieved it. BB-8 follows Rey into the forests surrounding the castle, and the First Order is unable to locate the droid until a stormtrooper officer reports to Kylo Ren that the astromech had been sighted in the company of a girl.

During the fighting at the castle, Finn wields the lightsaber to kill one stormtrooper before he is overpowered by FN-2199, a former squadmate of Finn's. His life is narrowly saved by Han, who uses Chewbacca's bowcaster to blast FN-2199 at the last second. Han and Chewbacca also kill multiple stormtroopers, but are captured along with Finn by the First Order. However, Resistance T-70 X-wing starfighters led by Poe Dameron, who is now revealed to still be alive, arrive to fight the First Order. A fierce dogfight ensues and results in the destruction of many First Order TIEs and the deaths of many stormtroopers from X-wing strafing runs.

Rey encounters Kylo Ren at the woods, and fires at him with her blaster pistol, but Kylo restrains her using the Force. Probing her mind, he discovers that she has seen the map he's been looking for all this time, and orders the First Order to pull out, saying they had what they came for and no longer need BB-8. As the battle rages on above the castle, the remaining First Order troops board their ships and retreat, and Han witnesses his son carrying an unconscious

Rey away. The Resistance is victorious, freeing Finn, Han, and Chewbacca. Han and Leia are reunited, and Han reveals to Leia that he saw their son.

## Reunited at the Resistance Base

Han, Chewbacca, and Finn are brought to the Resistance base on D'Qar. BB-8 encounters the astromech droid R2-D2, who, as C-3PO explains, has been dormant since Luke's disappearance. With the recovered map from BB-8 displayed on hologram, 3PO reveals that it is only partially complete, and that the map matches no charted system on record. It is revealed that Han and Leia are aware that their son is Kylo Ren, and that their son's fall to the dark side, despite Luke's efforts to guide him, caused them to separate, with Han returning to his smuggling business and Leia spearheading the activities of the Resistance.

Upon finding the location of the Resistance base, Starkiller Base begins draining the power of the sun to destroy D'Qar. Meanwhile, the Resistance plans an attack of their own. Finn gives them the base's blueprints, which reveal that the base drains the energy of a star in order to charge its superweapon, and that it requires a thermal oscillator, which sustains the energy on the planet, in order to function. If the thermal oscillator was destroyed, it would destabilize the planet's core and implode the base. However, they would need to do it before the base charges its weapon and destroys D'Qar. Finn, Han, and Chewie volunteer to disable the base's defensive shield from the inside. Before departing to Starkiller Base, Han and Leia embrace, and Leia pleads Han to bring their son home.

## Rey's capture

Rey is brought to Starkiller Base and interrogated by Kylo Ren, who wants information on the map to Luke Skywalker. Ren takes off his helmet and shows her his face. Initially, Ren is able to see into Rey's mind, mentioning an island surrounded by water. However, the dark warrior has a difficult time probing her mind, and Rey is even able to push back into Ren's mind. After a mental struggle, Rey announces that she can sense fear in him - fear that he will never be as powerful as Darth Vader. Humiliated, Kylo storms out of the room to seek audience with Snoke.

Left alone and aware of what just happened, Rey realizes it is as Kanata told her: she truly is Force-sensitive. She attempts to use a Jedi mind trick on her stormtrooper guard, to make him release her and leave the door open. It doesn't work, but Rey tries again: this time he walks over and tells her he will tighten her restraints instead of undoing them. Concentrating, Rey tries one last time, and the stormtrooper listens to her demands. She quickly also remembers to have him drop his blaster as he leaves so she can arm herself. Rey then makes her way through Starkiller Base, honing her Force abilities while using stealth. She also draws on her experience climbing through wrecked Imperial starships to make her way through the bowels of the installation's machinery. Meanwhile, Kylo reveals to Snoke that Rey is strong with the Force but untrained, and Snoke commands Kylo to bring Rey to him. When Kylo discovers that Rey escaped, he throws another fit of rage, slashing at her empty restraint chair.

## Battle of Starkiller Base

Han Solo pilots the Millennium Falcon to Starkiller Base accompanied by Chewbacca and Finn. Finn's main objective is to rescue Rey from captivity. Since the Starkiller's shields have a fractional refresh rate, Han pilots through the shields at lightspeed, and the Falcon makes a rough landing at the edge of a cliff. Han, Chewbacca, and Finn sneak into the main base and capture Captain Phasma, whom they force to disable the shields before disposing of her in a garbage chute. They reunite with Rey, who had already escaped on her own. With the shields down, Blue Squadron and Red Squadron led by Black Leader Poe Dameron commence their assault. They fire on the base's hexagonal oscillator structure, but fail to destroy it as the First Order sends TIE fighters to stage a counterattack and throw the Resistance into chaos.

Seeing this, Han, Chewbacca, Finn, and Rey try to create an opening by planting thermal detonators inside the base. Sensing his father's presence, Kylo goes to meet Han. Han then confronts his son, Kylo Ren, calling to him by his birth name, "Ben". They approach each other on a bridge over a large pit, and Han pleads with his son to reject Snoke and return to the light side of the Force.

Ben, removing his mask and seeming regretful and scared, holds out his lightsaber to Solo, asking for his father's help. Han replies that he would do anything for him, but when he tries to retract the lightsaber from Ben's hand, he resists. Ben then twists the angle of the hilt and ignites the weapon through Han's torso. Witnessed by Rey, Finn, and Chewbacca, Han strokes his son's face for the last time, before falling to his death. Enraged, Chewbacca, Rey, and Finn start firing at Ren and the stormtroopers. As the firefight rages, back on D'Qar Leia has to sit down when she feels Han die through the Force, squeezing her eyes shut against the tears. Chewbacca injures Ren with his bowcaster, but Ren chases them out of the base and catches up to Finn and Rey in the forest.

Rey calls Ren a monster and then proceeds to shoot him with her blaster, but Ren knocks Rey out by Force pushing her into a tree. A desperate and terrified Finn comes to her aid immediately. Ren angrily accuses Finn of being a traitor, and Finn pulls out Luke's old lightsaber and attacks him in a rage. Ren is already badly injured, bleeding out of his abdomen from the bowcaster wound, but even so is too much for Finn. Finn manages to deal him a glancing wound, but nonetheless Ren quickly overpowers the former stormtrooper and deals him a grievous injury to his back. Ren tries to use telekinesis to pick up the lightsaber his grandfather built, but it resists his pull and instead flies to Rey, who has awakened from her stupor.

During this time, Chewie detonates the thermal detonators in the base, allowing Poe to lead a squadron of X-wings into the trenches of Starkiller Base. Poe finds an opening in the thermal oscillator and enters, while a following TIE crashes, unable to execute the same flight maneuver. Inside, Poe fires volley after volley of torpedoes into the oscillator, destroying the base's thermal oscillator thirty seconds before it finishes draining the sun to completely charge the superweapon. This causes a chain reaction to go off, which destroys the base and levels the entire planet's terrain - without the weapon to dissipate it, the stored solar energy begins tearing the planet apart from the inside.

Rey and Ren continue fighting: Ren has taken even more wounds, from Chewbacca, Finn, and Rey, but even so initially holds the advantage, drawing on his rage to ignore the pain. Ren becomes so impressed with Rey that he tries to tempt her, complimenting her strength with the Force and offering to complete her training if she joins him. This backfires, however, as it only serves to reassure Rey of her own power, she begins to draw on the Force to hone her attacks, and the tide of the duel shifts. Ultimately, Rey is able to overpower Ren and deal him a severe wound to his face while severing his lightsaber in two. By this point, Kylo has taken too many wounds to continue standing, but he still struggles in vain to rise again. Before Rey can move in to finish him off, a large trench forms between them as the base begins to fall apart.

Rey returns to Finn, despairing that Finn is not waking up and that they are trapped on the rupturing planet. However, Chewbacca arrives with the Millennium Falcon to rescue them. Inside the main base, chaos reigns as General Hux has already fled, and the other officers rush to abandon the installation as well. Hux, meanwhile, reports to Snoke, who orders him to rescue Ren and flee the base, so Ren can finish his training. The Millennium Falcon and the remainder of the Resistance fleet manage to escape Starkiller Base as it erupts into a ball of fire. They then enter hyperspace to return to D'Qar.

## Locating Luke Skywalker

The Resistance celebrates their victory while Leia, Chewbacca, and Rey mourn Han's death. R2-D2 suddenly awakens and reveals that he holds the map to Luke's location, with the only piece of the map missing being the one BB-8 was given by Poe. Together they complete the map and reveal the location of Ahch-To, the planet on which Luke Skywalker sought out the first Jedi Temple. As the unconscious Finn recovers in the medical unit, Rey kisses him on the head and thanks him for everything.

With R2-D2 and Chewbacca in tow, Rey leaves on the Millennium Falcon and follows the map to the distant planet, a water world dotted with islands, which she had previously seen in her visions. Rey pilots the starship to a particular island with a large, ancient stone village on it. She climbs the rock-carved steps to the top of the island, where she finds Luke Skywalker. Without exchanging any words, Rey presents him with his father's lightsaber.

Next from 2017 we were watching Star Wars: Episode VIII, The Last Jedi.

Following their successful operation to destroy Starkiller Base, Resistance fighters evacuate their main base on the planet D'Qar onto their fleet. Before they can complete their evacuation, First Order starships under General Armitage Hux arrive. Seeking to destroy the Resistance, Hux orders Captain Moden Canady to destroy the Resistance fleet and base with his Dreadnought Fulminatrix.

After the Fulminatrix exits hyperspace, one of General Hux's officers reports that a single fighter is flying to confront them. Together with his BB-series astromech droid, BB-8, Poe Dameron confronts the Fulminatrix in his X-wing Black One. General Leia Organa, now widowed by the murder of Han Solo at the hands of their own son Ben, alias Kylo Ren, cautiously approves Poe's reckless plan. Over the intercom, Poe taunts Hux and pretends to ignore his threat to wipe out the Resistance. However, this verbal exchange turns out to be a ruse for Poe to power up his X-wing's cannons for an assault on the Dreadnought.

Poe's X-wing quickly takes out the Dreadnought's point-defense cannons. When General Hux demands to know why Captain Canady is not shooting down the enemy fighter, Canady replies that the ship is too small and at too close range. He bellows orders to scramble the fighters, realizing that Poe wants to take out his cannons. Despite being attacked by TIE fighters, Poe calls upon BB-8 to fix the ship's cannons so they can take out the Dreadnought's last cannon.

Canady's dreadnought manages to destroy the Resistance base from orbit but not before the last transport led by Lieutenant Kaydel Ko Connix escapes into space. With the evacuation complete, General Organa wants to evacuate the Resistance forces but Poe wants to take out the Dreadnought. Disobeying General Organa's orders to disengage, Poe continues with the assault. BB-8 completes the repairs and takes out the last cannon before shooting down two pursuing TIEs.

## Bomber run

With the Dreadnought's cannon's knocked out, Resistance bombers advanced on the Fulminatrix. Despite having starfighter escorts led by Blue Leader Tallissan Lintra, several of the slow moving bombers are destroyed by TIE fighters. Captain Canady orders that the Dreadnought's auto cannon be recharged so that they can target the Resistance cruisers. Several Resistance bombers are destroyed by a colliding TIE, leaving Paige Tico's Cobalt Hammer as the last remaining bomber.

As the auto cannon recharges, Canady orders his TIEs to destroy the last bomber. Poe contacts Paige who heads down to her bomber's bay only to find the bombardier Nix Jerd knocked unconscious. After a colliding TIE kills the pilot Finch Dallow, Paige manually releases the bomb load just as the Dreadnought's auto-cannon finishes recharging. The Fulminatrix and the Cobalt Hammer are destroyed in the ensuing explosions.

Despite the elimination of the Dreadnought, General Organa is dismayed by the high casualties including the loss of all of the Resistance's bombers. The Resistance vessels escape by jumping to hyperspace.

Shortly later, Supreme Leader Snoke confronts Hux via hologram transmission for his failure to block the evacuation and the loss of a Dreadnought. He publicly humiliates Hux by using the Force to spin him on the floor. Despite Snoke's disappointment, Hux insists the Resistance cannot escape for long because they have them "tied on the end of a string."

Aboard the Resistance flagship, the Raddus, Finn, comatose after losing a fight with Ren on Starkiller Base, awakens and immediately starts looking for his friend, Rey. Poe welcomes Finn back upon his return, telling him Rey has already left.

## Finding Skywalker

Having arrived on the water world of Ahch-To with the Wookiee Chewbacca and astromech droid R2-D2 aboard the Millennium Falcon, the Force-sensitive Rey meets Jedi Master Luke Skywalker. She hands him Skywalker's lightsaber but he tosses it over his shoulder and walks away. A puzzled Rey follows Luke into his hut in the nearby Jedi village.

Outside his door, Rey tells him that he needs his help. She returns to retrieve Skywalker's lightsaber and spots Skywalker's T-65B X-wing starfighter submerged beneath the sea. Later, Rey has Chewbacca break down Skywalker's door. Skywalker recognizes Chewbacca and Rey tells them that they came on the Falcon. Skywalker asks where is Han Solo.

## Snoke's lair

Kylo Ren exits a turbolift and enter Supreme Leader Snoke's throne room aboard the Mega-class Star Destroyer Supremacy. Snoke commends Hux for his plan and sends him to the bridge to oversee the pursuit of the Resistance. After Hux leaves, Snoke recalls seeing in Ren the potential to become a new Darth Vader, but now doubts his apprentice's resolve to fully embrace the dark side of the Force.

He orders Ren to remove his helmet, and upon seeing his scarred face-the result of his loss to Rey on Starkiller Base-he states that Ren has too much of Han's heart in him. Ren protests, claiming he embraced the dark side by killing Han, but Snoke furiously retorts that Ren instead psychologically weakened himself in committing the murder, causing him to be defeated by Rey, a junk scavenger who had previously never even wielded a lightsaber.

Ren reacts angrily to the insult, but Snoke repulses him with Force lightning and dismisses him as just "a child in a mask." Enraged, Ren destroys his helmet by violently smashing it to pieces against the walls of an elevator, before setting out in his personal TIE silencer to attack the Resistance fleet.

## The elusive teacher

Back on Ahch-To, Rey updates him about the First Order's the invasion of the galaxy. She tells him that they need his help and that they need Luke Skywalker. Skywalker refuses to help because he believes he stands little chance against the First Order and walks away. Rey insists that she is not leaving and follows him through the Temple island.

She finds Skywalker milking a Thala-siren but he avoids her. Skywalker uses a long pole to reach the other side of the cliff and catch a large fish. Rey follows him through the rain back to his quarters, fingering her cloaked binary beacon. While following Skywalker up a mountain in the mist, she senses a voice calling to her from the Tree library. Inside, she finds the Sacred Jedi texts.

Skywalker follows her and explains that the three library was built a thousand generations ago to keep the sacred Jedi texts. Rey says that she saw this place in a dream. When Rey tells Skywalker that the Resistance sent her, he asks about her identity, homeworld, and motivations for coming here. Rey tells him that Resistance needs his help because of the First Order. When Skywalker asks what she is doing here, she tells him that she needs his help to master the Force. Skywalker refuses to teach her, believing that it is time for the Jedi to end. Rey says his sister Leia sent him and that they deserve to know why.

## Pursuing the Resistance fleet

While the Raddus travels through hyperspace, General Organa griefs over the loss of Han. After the fleet exits hyperspace, Leia angrily reprimands and demotes Poe to Captain for disobeying orders and leading Cobalt Squadron to their deaths. Poe protests but Leia tells him that there are things that he cannot solve by getting into an X-wing and blowing things up. Poe says that the fallen were heroes but Leia responds that they need living fighters and not dead heroes.

When Finn asks General Organa how Rey is going to find them, she shows him her cloaked binary beacon. Leia tells hers subordinates that their priorities now is to find a new Resistance base. They are soon followed by a First Order fleet led by Snoke's personal command ship, the Mega-class Star Destroyer Supremacy, which has somehow tracked them through space. Poe thinks they should do another hyperspace jump but Leia realizes that the First Order has tracked them through lightspeed. Poe gets General Organa's permission to lead a starfighter defense.

Kylo Ren flies his TIE Silencer, accompanied by two TIE fighters, which inflict significant damage on the Resistance fleet. Before Poe and BB-8 can board their X-wing starfighter, Kylo Ren fires a torpedo into the hangar which destroys several parked fighters and kills several pilots including Lintra. Poe and a damaged BB-8 survive the explosion. Meanwhile, General Organa and Admiral Ackbar order the remaining Resistance ships to move out of range of the First Order Star Destroyers.

ining up for a bombing run on the Raddus's bridge, Ren hesitates to fire after sensing his mother's presence on board. However, his TIE fighter escorts take the shot, destroying the primary bridge and killing most of the Resistance's high command, including Admiral Ackbar. Ren then retreats to the Supremacy after General Hux warns that the fleet cannot protect him and his escort TIE fighters. A long pursuit begins, with the Resistance relying on their spaceships' mobility and deflector shields to stay out of effective weapons range while their fuel supplies dwindle.

Leia survives exposure to space by using the Force to fly back to the door of the Raddus's bridge. Leia is rescued by her Resistance comrades but is rendered comatose by the ordeal. As she is being transported to the sick bay, the binary beacon falls out of her hand. Finn picks it up.

A change of heart

While Rey sleeps in her heart, Chewbacca roasts a porg over the fire. While settling to his meal, he is confronted by the porg's kin. Chewbacca tries to shoo them away but is struck by the sight of a sad-faced porg.

Meanwhile, Luke Skywalker visits the Falcon where he finds Han Solo's dice, a memento to his fallen friend. Skywalker also has a brief reunion with R2-D2. Skywalker refuses to come back but R2-D2 plays back a hologram message from his sister Leia calling Obi-Wan Kenobi for help. Leia's message causes Luke to reconsider his decision. He visits Rey and agrees to give her three lessons, beginning tomorrow morning. Skywalker promises to teach her the ways of the Jedi.

## A new commander

Back aboard the Raddus, Commander Larma D'Acy informs the assembled Resistance that General Organa is stable but in a coma. She regrets to inform them that Admiral Ackbar and the Resistance High Command perished aboard the bridge of the Raddus. D'Acy tells them that if Leia were here, she would tell them to save their sorrow till after the fight. The chain of command falls to Vice Admiral Holdo of the cruiser Ninka. Holdo gives a brief rousing speech before dismissing them to their posts.

Poe warns Vice-Admiral Holdo that they will eventually run out of fuel. When he asks her what is their plan, Holdo reminds Poe of his demotion and dismisses him as a "hot-head" pilot whose recklessness she deems a liability. Holdo orders him to stick to his post and follow her orders. Holdo's actions grate Poe, who doesn't trust his new commander.

Finn, fearing for Rey's safety if she eventually returns to the fleet, decides to go looking for her and heads for the escape pod bay. There, he finds a young Resistance mechanic, Rose Tico, mourning her older sister Paige, who perished during the bombing run Poe led over D'Qar. Rose mistakes Finn for a deserter. Before he can explain himself, she stuns him.

After awakening on a gurney, Finn tries to tell Rose about his plan to find Rey. Rose thinks that Finn is being selfish. He manages to gain her trust by convincing her that he can help take out the First Order's hyperspace tracker, which he is privy to due to his time with the First Order. The two come up with a plan to infiltrate the First Order flagship and take out the hyperspace tracker.

Finn and Rose share their plan with Poe and C-3PO in Leia's medbay room. Not trusting Vice-Admiral Holdo's leadership, Poe agrees to the plan, believing that it can save the Resistance and Rey. C-3PO says that Holdo will not agree to their plan but Poe is determined to proceed. Since they can't get through the First Order security, they contact Maz Kanata, who is embroiled in a union dispute. While exchanging fire, Maz tells them to seek out the Master Codebreaker in the casino city Canto Bight. Before leaving to seek out the Master Codebreaker, Finn passes Leia's binary beacon to Poe.

## Rey's first lesson

Meanwhile on Ahch-To, Rey and Kylo Ren begin communicating with each other through involuntary shared visions. Rey is hostile to Kylo due to their last encounter. Startled by Ren, Rey shoots a hole through the roof of a hut, which annoys the native Lanai caretakers, who have maintained the Jedi structures since they were built.

Later that morning, Luke leads Rey through a cave into the First Jedi Temple. Skywalker quizzes Rey about her knowledge of the Force, telling her that the Force is not simply a power but is the energy that binds all things. For her first lesson, he tells her to close her eyes, breathe and reach out. Luke tickles her with a leaf.

During the lesson, Skywalker tells her to breathe and reach out with her feelings while touching rocks. Through the Force, Rey sees the island, the cycle of life and death, warmth, cold, peace, and violence. When prompted, she tells Luke that she sense the Force inside. Skywalker explains that the Force does not belong to the Jedi, urging her to reject her simplistic view of the Force as cleanly defined between the light and the dark sides of the Force.

Rey senses a place beneath that is strong in the dark side beneath the island. Rey senses it calling out to her as the stones beneath her float. This summons a geyser of water. Rey says that it was trying to show her something Luke is alarmed that Rey showed little inclination to resist the dark side. Not being able to sense Skywalker in the Force, Rey realizes that Skywalker has cut himself off from the Force. Skywalker says he has seen this raw strength before in Ben Solo and that he regrets not taking action back then.

Later, Chewbacca has befriended several porgs, who have made their home aboard the Falcon. Rey asks Chewbacca if they have heard anything from the Resistance to which he replies in Shyriiwook that he hasn't. Rey and Ren continue to experience shared visions, and Rey excoriates him for murdering Han Solo, while Ren mocks her need to find replacement parental figures, first in Han and now Luke. Kylo Ren asks Rey if Skywalker told him what happened at his Jedi Temple.

## Misadventures on Canto Bight

With the help of Poe, Finn, Rose, and BB-8 slip out of the Resistance fleet in a Resistance transport pod. Poe warns them that their mission is urgent because they only have 18 hours of fuel left. The travel to Canto Bight on the planet Cantonica in the Corporate Sector. The three Resistance operatives park their transport on a public beach, antagonizing the Abednedo businessman Slowen Lo, who alerts the Canto Bight Police Department and tells them that the offworlders went to the Canto Casino.

While Finn is mesmerized by the wealth and opulence of the Canto Bight, Rose tells him that the city is built on exploitation. While watching a fathier race at the Canto Bight racetrack, she explains that she came from a mining system that was exploited by the First Order, who later tested their weapons on them. The two witness a child racer being beaten by the overseer Bargwill Tomder. Finn realizes that Canto Bight is the haunt of wealthy war profiteers who sell weapons to both the First Order and the Resistance.

BB-8 spots the Master Codebreaker dancing with "Lovey" and alerts Finn and Rose. However, they are spotted by Slowen Lo. Finn and Rose are stunned by the Canto Bight police officers, who have them arrested for committing parking violation 27B/6. Lovey notices the commotion but the Master Codebreaker is engrossed with a game of poker. BB-8 is thrown out of the casino by the police.

## Rey's second lesson

After parrying with her staff, Rey practices with Skywalker's lightsaber while Luke watches. She uses her lightsaber to cut through a pillar of rock, which smashes a wagon belonging to two Lanai caretakers. Later that evening, Skywalker explains that now that the Jedi are extinct, they are deified and romanticized. He believes that the legacy of the Jedi is failure, arrogance and hubris because they failed to prevent the rise of Darth Sidious and his Galactic Empire.

Skywalker reminds Rey that it was a Jedi Master who was responsible for training Darth Vader. Rey reminds Skywalker about the redemption of his father. However, Luke is still tormented by the guilt of his failure to keep Ben Solo from falling to the dark side, believing that he failed his sister and Han. Luke explains that he he sensed the darkness growing in Ren. When he went to confront him, Skywalker claims that Solo turned on him. When he awoke, Skywalker found his temple in flames and that Ben had taken some of his students and slaughtered the rest. Leia blamed Snoke but Luke blamed himself. Rey reassures Luke that the galaxy made him a legend and that she needs his help to find her place in this.

## DJ in Jail

In space, General Hux orders the destruction of the Resistance medical frigate Anodyne. However, the captain has already evacuated the ship and stays behind as it is engulfed. Vice-Admiral Holdo watches in horror. When Lieutenant Connix reminds her that they only have six hours of fuel left, she orders the emergency bridge crew to remain on their current cause. Poe worries about Finn and Rose's mission and sends a message that they are running on fumes.

At the Canto Bight police headquarters, Finn and Rose encounter the slicer DJ, who offers to help them disable the First Order's hyperspace tracker in return for freedom. With the help of BB-8, the Resistance operatives and DJ escape the police headquarters through the sewers. Pursued by the police, they head to the fathier stables, where Rose convinces the stable children to help them escape, leaving one of them, Temiri Blagg, a Resistance ring.

Temiri releases the fathiers, creating a stampede that allows Finn and Rose to escape through the streets of Canto Bight. Riding on a fathier, the two flee to the beach in an attempt to reach their transport pod. However, it is destroyed by pursuing Canto Bight Mounted Police's speeders. Their fathier carries them up a hill to the outskirts of the city where they narrowly avoid falling off a cliff. Rose frees their fathier. Before the Mounted Police can catch up with them, they are picked up by DJ and BB-8, who have stolen the luxury yacht Libertine.

## The cave

Back on Ahch-To, Luke revisits the cliff-side outcrop where he first began training Rey and attempts to re-open his connection to the Force, succeeding when he makes mental contact with an unconscious Leia. Meanwhile, Rey continues her conversation with Kylo Ren and demands to know why he hated his father Han. Noticing he is bare-chested, she asks if Kylo has something he can put on. Kylo Ren claims that his father treated him like garbage and that he was taken advantage of by Luke and his parents.

Recounting his version of his falling out with Skywalker. Ren claims to Rey that Luke grew afraid of Ren's growing power and tried to murder him while he was asleep and defenseless. He tells Rey to let the past die and to kill it if she has to, adding that it is the only way to realize her potential. Sensing the call of the dark side, Rey travels to a cavern beneath the island where the dark side is powerful and experiences a vision while touching a reflective rock wall, asking to see her parents but seeing only her own reflection.

## Revelations

Unable to find answers about her origins and family, she resolves to abandon her Jedi training and leave Ahch-To. Rey returns to her hut where she communes with Kylo Ren. Finding a kindred spirit in Ren, she reaches out through the Force connection to hold his hand. They are soon discovered by Luke, by now reconnected to the Force. Luke angrily destroys Rey's hut with the Force and demands that she leave Ahch-To immediately, but Rey attacks him in her rage.

Luke fends off Rey's attacks and disarms her, but submits when she threatens him with his own lightsaber. He confessed that he contemplated killing a sleeping Ben Solo upon discovering his corruption by Snoke but instantly relented when he realized that it was a passing moment. Ben, however, awoke to see Luke standing over him with an ignited lightsaber and immediately counterattacked, destroying Luke's new Jedi Temple and disappearing to become Kylo Ren.

Rey believes that Kylo Ren can still be saved from the dark side.

Skywalker warns her that it is not going to end the way that she thinks. Rey is adamant despite Skywalker's warnings. She tries to return his lightsaber to him but he lets her keep it. Rey believes that Kylo Ren is their last hope. Unable to convince Luke to join the Resistance, Rey leaves Ahch-To without him to confront Ren, hoping to turn him to the light side, succeeding where Luke failed.

## An unexpected reunion

Following Rey's departure aboard the Falcon, Luke returns to the Tree library with a torch, intending to destroy the ancient Jedi texts. However, he is interrupted by the ghost of Yoda. As Luke hesitates at the task, Yoda himself summons a thunderbolt to destroy the library. Skywalker tries to enter the tree but is driven back by the flames.

Yoda remarks that he has missed Skywalker. Seeing the tree burning, Skywalker believes that it is time for the Jedi to end. Yoda counters that it is time to look past "old books." When Skywalker reminds him about the sacred Jedi texts, Yoda responds they were not "page-turners" which contained wisdom but that wisdom already exist. He tells Skywalker not to focus too much on the horizon but to pay attention to his immediate needs.

Skywalker blames himself for the loss of Ben Solo. Skywalker is not confident teaching Rey but Yoda encourages him to passed on what he has learnt. Yoda counsels Skywalker that failure can be the greatest teacher. As he and Skywalker watch the burning tree, he reminds Luke to reflect on what they go beyond.

## The hyperspace tracker attempt

While traveling through hyperspace aboard the Libertine, Rose asks DJ if he can disable help them to infiltrate the Supremacy and disable the hyperspace tracker. When DJ asks for a price, Rose and Finn promise that the Resistance can pay him later. DJ agrees to help in return for receiving Rose's gold pendant as upfront payment for his services. Finn, knowing how much the pendant means to her, orders DJ to return it, to which the criminal tells him his philosophy: "don't join." Finn also discovers that DJ and BB-8 stole the yacht from an arms dealer selling weapons to both the First Order and

Resistance.

Proceeding with their plan, Finn, Rose, DJ, and BB-8 infiltrate the massive Supremacy. After DJ slices through the First Order's sensor systems, he flies the Libertine inside the massive warship. They steal First Order officer uniforms from an automated launderette and make their way to a hyperspace tracker. BB-8 is hidden under a trash container. However, the intruders are spotted by the First Order astromech droid BB-9E.

While DJ is tinkering with the tracker's systems, Finn tells Poe to be ready to jump into lightspeed at his signal. DJ managed to unlock the inner chamber of the hyperspace tracker. However, Finn and his team are soon apprehended by First Order stormtroopers led by First Order Security Bureau Colonel Ansiv Garmuth and Captain Phasma, who gloatingly welcomes Finn home. BB-8, still disguised, is able to evade capture.

## Poe's mutiny

By now, the Resistance fleet is down to the Raddus and General Hux is confident of victory. Aboard the Raddus, Poe angrily confronts Vice-Admiral Holdo for being secretive about her plans. He is anxious that the Resistance is down to one ship and asks what hope they have. Holdo responds that hope is a fleeting faith.

Starring at a computer screen, Poe realizes that Holdo has ordered the refueling of all the Resistance transports. He is outraged that Holdo is abandoning the Raddus and denounces her as both a coward and a traitor. Holdo orders the guards to remove Poe from the bridge. Poe also contacts Finn, who tells him that they managed to find a code-breaker and convinces Poe to buy them more time.

Back on the Raddus, Poe tells Holdo about his unsanctioned plan to send Finn and Rose to disable the First Order's hyperspace tracker. Believing that Poe has placed the Resistance in even more danger, she orders that the transports be prepared for departure.

In response, Poe instigates a mutiny, apprehending Holdo and her command staff. Poe and the mutineers including Lieutenant Connix take over the ship's emergency command bridge and try to restart the Raddus. However, Holdo snatches a blaster and frees herself. C-3PO refuses to take part in the mutiny and heads to the door, which is being disintegrated. When the door collapses, he is startled to encounter a recovered General Organa, who stuns him.

Connix and C-3PO also surrender, ending the mutiny and allowing the evacuation to begin. In the hangar, Leia remarks that Poe is a troublemaker while Holdo remarks that she likes him. Holdo volunteers to stay behind and pilot the cruiser. Leia is unwilling to risk anymore losses but Holdo tells Leia that she taught her how. The two friends part following a handshake.

Later, a dismayed Poe awakes to see the transports evacuating from the Raddus. Commander D'Acy tells Poe that they are evacuating to an old Rebel Alliance base on nearby Crait. Leia tells Poe that she approved of Holdo's evacuation plan, and that Holdo was more concerned with protecting the light than being a hero. Holdo wishes her comrades godspeed on the bridge of the Raddus.

## Snoke's trap

As the Millennium Falcon travels through hyperspace, Rey tells Chewbacca to get to safety as soon as he gets her signal to rendezvous. Rey climbs into her escape pod which is jettisoned out the Falcon after exiting hyperspace. Rey flies the pod into the hangar where she is greeted by Kylo Ren and a pair of stormtroopers, who place her in binder cuffs.

As Kylo Ren takes Rey up the turbolift to Supreme Leader Snoke's throne room, she tells him that she feels the good in him and that she saw his future. She promises to help him. Kylo Ren responds that he foresaw that she will turn to him and claims to know who her parents are. Snoke is pleased with his apprentice for delivering Rey, telling him that his faith is restored.

Snoke bids Rey to come closer, admiring Rey's strength and remarking that lightness has emerged to meet the rising darkness. Snoke says that he warned Kylo Ren that as his powers grew stronger, so would his equal in the light. He then snatches Skywalker's lightsaber from Ren's hand with the Force. Snoke uses the Force to bring Rey closer to him.

Rey warns him that he underestimates Skywalker, Ben Solo, and her; and that it would be downfall. Snoke reveals that he was responsible for the mental connection between her and Ren as part of a plan to find and destroy Luke; exploiting their emotions and desires. Snoke demands that Rey reveal Skywalker's location but she remains defiant. Snoke uses the Force to levitate Rey and probes her mind for Skywalker's location.

Having proved Rey's mind and learned Skywalker's location, Snoke releases his Force grip on Rey and mocks Skywalker for his "wisdom." He vows to destroy Skywalker and the Jedi Order. Rey tries to seize Skywalker's lightsaber with the Force but Snoke uses the Force to hurl it at her. He then uses the Force to levitate her and force her to watch the destruction of the Resistance fleet through a viewport. Rey grabs Kylo Ren's lightsaber with the Force but the Elite Praetorian Guards flash their weapons. Rey charges at Snoke but he uses the Force to throw her to the ground. Kylo retrieves his lightsaber.

## Resistance in peril

Meanwhile, in the Supremacy's hangar bay, Finn and Rose are brought out for a public execution in the presence of General Hux, Captain Phasma, and many First Order officers, soldiers, and pilots. Hux slaps Finn and thanks Phasma for her services. Finn and Rose learn that DJ has sold them out for his own freedom and financial gain.

Rose calls DJ a "lying snake" and struggles against her captors. DJ replies that they got caught and that the First Order was offering a better deal. DJ also reveals the Resistance's evacuation plan to the First Order, which is confirmed by the departure of 30 transports from the Raddus. General Hux orders the Supremacy to open fire on the Resistance transports, destroying several ships and inflicting heavy losses on the Resistance. Vice-Admiral Holdo orders the transports to continue their journey to Crait.

While Rey and Kylo fight the Praetorian guards, the Supremacy continues its bombardment of the Resistance transports. Finn denounces DJ for his treachery but the criminal is indifferent to their struggle, remarking that "they blow you up today and you blow them up tomorrow." DJ claims that it is just business but Finn disagrees. Believing Finn and Rose to be a waste of blaster bolts, Phasma orders First Order stormtrooper executioners to behead them with laser axes.

Killing Snoke.

Snoke orders Kylo Ren to kill Rey with his lightsaber. Believing he can read Ren's mind, Snoke is jubilant and mocks Rey. However, Kylo Ren uses the Force to activate Skywalker's lightsaber, which impales and cuts Snoke in half, killing the Supreme Leader. Ren uses the Force to pass Skywalker's lightsaber to Rey and the two join forces as the Praetorian guards converge upon them to avenge their fallen master. Kylo kills one with his lightsaber.

Rey manages to kill a Praetorian with her lightsaber but a second Praetorian wraps his electric nunchucks around her blade. Rey manages to break free by impaling the guard with her blade. A third guard divides his blade in half and charges at Rey. Ren is cornered by three guards but he breaks free and impales one, before throwing his body into a generator where he is disintegrated. As the three other guards converge on him, Kylo kills two but is grabbed by one who traps him in a headlock.

Rey is trapped by the other guard but manages to break free by dropping her blade and then slashing him. Rey helps Kylo to kill the last guard by handing him Skywalker's lightsaber, which he uses to impale the guard through the head, killing him. Rey implores Kylo Ren to order the First Order gunners to stop bombarding the Resistance fleet but Ren tells her to let the past die including the Jedi, Sith, Resistance and the First Order. He invites her to rule the galaxy by his side.

When Rey refuses, Kylo compels Rey to admit what she thinks she knew all along: that her parents were insignificant junkers who sold her for drinking money, and that they are dead and buried in the wastes of Jakku. He tells her that she comes from nothing and is nothing but not to him. Ren pleads with Rey to join him by his side.

Holdo's sacrifice

Seeing the Resistance fleet in peril, Holdo climbs into the helm of the Raddus. Not realizing Holdo's plans, Hux orders the Supremacy to continue firing. Using the Force, Rey and Kylo struggle for possession of Skywalker's lightsaber until it breaks into two, causing a large explosion.

Watching the Raddus powering away, Connix thinks she is running away but Poe disagrees. Holdo sacrifices herself to ram the Raddus into the Supremacy at lightspeed, cleaving it in two and destroying much of its escort fleet instantly. The resulting explosion sets the Supremacy's cargo hold aflame and interrupts Finn and Rose's execution.

Amidst the inferno, Rose helps Finn up and the two search for a shuttle. However, Finn and Rose are cornered by Phasma and several stormtroopers. Before she can eliminate them, BB-8 commandeers a docked AT-ST walker and intervenes, blasting the troopers. Finn and Phasma duel amidst the chaos. Phasma manages to knock Finn to the ground with her staff. Rose and Phasma exchange fire.

With Phasma distracted, Finn knocks her to the ground with his Z6 riot control baton. With her helmet shattered, Phasma denounces him as "scum" but Finn retorts that he is "rebel scum." Phasma falls to her death in a fiery chasm when the floor beneath her gives way. Finn, Rose, and BB-8 then flee the Supremacy, commandeering a Xi-class light shuttle.

In Snoke's chamber, Hux surveys the corpses of Snoke and his guards in disbelief. He sees the unconscious Ren and prepares to shoot him, but is forced to relent when Ren awakes. Learning that Rey has escape on Snoke's escape shuttle, Ren frames her for Snoke's death and orders Hux to prepare for a ground assault on Crait. This causes Hux to explode in fury at his rival's presumptuousness, but Ren angrily Force chokes him into submission, declaring himself the new Supreme Leader.

## Battle of Crait

On Crait, the surviving Resistance fighters regroup at the abandoned rebel base, which was once a mine. General Organa orders her forces to shut the shield door. Pursued by TIE fighters, Finn, Rose, and BB-8 crash-land their stolen shuttle inside the base. Following a brief shootout, a brief reunion ensues with Poe hugging BB-8. Rose leads the search for weapons and finds rusted ammunition and several old ski speeders. Poe and Leia also send a distress signal to their allies in the Outer Rim Territories, seeking help.

Shortly later, they sense the earth shaking while the vulptexes scurry away. They realize that the First Order army has arrived with a phalanx of AT-AT, All Terrain MegaCaliber Six walkers and a Superlaser siege cannon. C-3P0 informs the others that BB-8 has done a schematics of the cave and found that there is only one entrance. Finn encourages the Resistance by reassuring them that allies will come and proposes that they take out the siege cannon.

While Resistance soldiers under General Caluan Ematt man the trenches and laser batteries, Poe, Finn, and Rose lead a charge with 13 old ski speeders to destroy the First Order assault force's massive siege cannon. Realizing that the Resistance is in the mine, Kylo Ren orders his forces to push them and dispatches TIE fighters. The speeders try to break off but several are destroyed by TIE fighters, which also strafe the trenches, killing many Resistance soldiers.

Rose is pursued by three TIE fighters but Rey and Chewbacca arrive in the Falcon, shooting them down. The Falcon also draws the TIE fighters away, shooting down several. Kylo Ren orders the First order to take that "piece of junk out of the skies." The Falcon leads the pursuing TIE fighters into a canyon. The ship's rear cannon is crushed against the rocks but several TIES also collide with the rocks. Chewbacca, with a porg watching, fly the Falcon into a canyon that leads to the surface.

Finn and Rose approach the superlaser siege cannon, which begins powering up. Supreme Leader Ren and General Hux order their walkers to concentrate fire on the speeders, destroying several. Poe thinks it is a suicide mission and orders Finn to retreat but Finn is determined to take out the cannon. He accelerates his speeder, igniting Rose's pleas.

Before Finn can complete his suicide mission, Rose prevents Finn from sacrificing himself to destroy the battering ram cannon, which then blasts a hole in the fortress. Poe and the surviving Abednedo pilot retreat into the trenches with the surviving soldiers. Finn climbs out of his wrecked speeder and rescues an injured Rose. When he asks why she stopped his mission, Rose replies that they survive by "saving what we love."

As the superlaser burns through the gate of the Crait base, Kylo Ren orders his forces to storm the base and show no quarter to the Resistance. Connix informs D'Acy that the Resistance broadcast has reached multiple points but that they have received no response. Leia laments that the galaxy has lost hope.

Light versus darkness

However, Luke suddenly arrives to comfort Leia. After exchanging pleasantries, Luke apologizes and tells Leia that he has come to confront Ren. Leia thinks her son is gone but Luke reassure her that nobody is gone. After handing Han's lucky dice to Leia, Luke walks out through the gate to confront Ren and the First Order while C-3PO and the rest of the Resistance look on.

Outside, Luke confronts Ren alone outside the breached door, giving the surviving Resistance fighters time to escape. Ren orders the First Order walkers to unleash a massive volley of turbolaser fire on Luke's position. Hux questions the amount of firepower but Luke emerges from the blast crater completely unscathed and mocks the First Order's firepower with a brush of his shoulder. Ren resolves to confront Skywalker despite Hux's objections, whom he shoves against the hull of the Upsilon-class command shuttle's cockpit.

Finn drags a wounded Rose on a makeshift stretcher into the Crait base while Ren lands his shuttle. Watching the battle, Finn wants to help but Poe realizes that Skywalker is buying them time to escape. Poe says that they are the "spark of resistance" that will burn the First Order down. After seeking C-3PO's advice, Poe decides to follow the Vulptexes, hoping they would lead them to a hole.

Meanwhile, Rey uses the beacon to track down her Resistance comrades' movements. She manages to track them down by following a group of . Finn and the Resistance encounter a pile of rocks which the Vulptexes are able to slip through but is too small for them. Outside, Rey discovers the pile of rocks and uses the Force to lift them. As the Resistance fighters stream out, Rey hugs Finn.

Outside, Kylo Ren confronts his uncle personally in a lightsaber duel on the salt plain outside the base, and asks Luke if he has come to forgive him or to save his soul. Luke replies no as the two draw their blades. Kylo charges at Luke but his uncle repeatedly evades Ren's attacks. Luke apologizes to Ren for failing him, but Ren angrily rejects his apology, declaring the Resistance is dead and the war over, and that with Luke's death shall come the ultimate death of the Jedi.

Luke counters by saying that both the Jedi and the Rebellion are born anew in Rey and the Resistance, and invites Ren to strike him down but tells he will always be with him just like Han. Ren tries, but is surprised to see Luke is still standing. He pokes his blade through Luke's torso, and to his horror it passes through him as if he were a ghost, revealing that Luke is physically still on Ahch-To and has been stalling for time via a non-corporeal Force projection of himself. Luke says goodbye to his fallen nephew before his projection fades away, leaving Ren furious.

The Rebellion is reborn

The effort to create the projection was too much for Luke, and he collapses from exhaustion. With the last of his strength, he climbs up to the cliff where he trained Rey and stares out towards Ahch-To's binary sunset, similar to the one he saw on Tatooine thirty-four years earlier, before he became a Jedi. Luke then dies, and his body vanishes as he becomes one with the Force.

On Crait, Leia and Rey sense Luke's death. The First Order storms the base, but are too late to prevent the remaining Resistance fighters from escaping aboard the Falcon, albeit not before Ren shares another force bond moment with Rey, who eventually shuts him out, much to his dismay.

After leaving Crait, Chewbacca hugs Leia. Finn opens a drawer on the Falcon to get a blanket for the gravely injured Rose, revealing briefly to the audience that Rey stole all of the books from the original Jedi library and Yoda did not destroy them after all. After being formally introduced to Poe, Rey laments Luke's death as she looks hopelessly at his broken lightsaber and the group's small numbers. Leia, however, notes that Luke is now at peace and that the Rebellion has all it needs to rise again.

Later, on Canto Bight, the stable children regale themselves with a story about Luke's adventures. They are interrupted by Bargwill Tomder who angrily orders the children to get back to work. Outside, Temiri Blagg, still wearing the Resistance Ring that Rose gave him, summons his broom with the Force and hopefully gazes up to the stars.

And lastly we watched 2019's movie Star Wars: Episode IX, The Rise of Skywalker.

---

A year after the battle of Crait, Supreme Leader Kylo Ren leads a vicious assault against Alazmec colonists on Mustafar, seeking a wayfinder owned by Ren's grandfather, Darth Vader; he requires the device as a guide in his hunt for the returned Emperor Palpatine, the public identity of the Sith Lord Darth Sidious, who he perceives as a threat to his power. The Leader slaughters many colonists alongside his stormtroopers before retrieving the device and slotting it into his ship, allowing its dark power to lead him through the crimson energy storms that surround the fabled Sith vastness of Exegol.

Landing at the foot of an enormous citadel, Ren ignites his blade and enters, eventually reaching a vast chamber lined with worn statues of Sith legends. As he descends into its depths, he hears Sidious mocking him; Ren's declaration that he had killed Snoke is dismissed: "I made Snoke."

Lightning dances around the young dark side adept as he listens to the taunting words, spoken in a voice transitioning from that of Sidious himself to that of Snoke and, finally, to that of Vader: "I have been every voice… you have ever heard… inside your head."

Ren, unshaken, proceeds further into the citadel, walking for some time among the towering effigies. His path lit by his blade, the young man eventually wanders into a maze of unfamiliar equipment tended by robed acolytes. Tall cylinders filled with a sickly golden liquid hold motionless, incomplete bodies with the mutilated visage of the dead Snoke; the Emperor's earlier words that he created the previous Supreme Leader are confirmed. Among these machines, bound by innumerable tubes and wires to machines of support and sustenance, is the emaciated and decaying figure of Sidious himself. Ren raises his blade, but Sidious speaks and stays his hand, explaining that the First Order was merely a harbinger of what he could bring about. A threat from the Supreme Leader seems to amuse Sidious, who assures the Supreme Leader that he has died before, and issues a familiar promise: the dark side is a pathway to many abilities some consider to be unnatural.

Ren asks what Sidious would give him; the Dark Lord replies simply: "Everything."

At the surface, the ice cracks and yields as innumerable Star Destroyers ascend from the frozen sea into the tempestuous sky.

With this, an ominously smiling Sidious offers the Final Order command in exchange of Ren killing Rey and so end the Jedi Order, in the act becoming what his legendary grandfather could not, and so that the younger man will take his place as Emperor when the Resistance ends. However, he also issues a warning: that Rey is not who he expects.

## A vital mission

Meanwhile, on the Millennium Falcon, ex-stormtrooper Finn and Resistance pilot Poe Dameron engage the Wookiee Chewbacca in an intense game of dejarik. The Wookiee takes some time considering his next move, and his human opponents jokingly suggest that he may be cheating. The implication infuriates Chewbacca, forcing Finn and Poe to calm him. Before their game can resume, an alarm sounds from the cockpit. Passing Klaud, a Resistance technician, in the corridor, the trio arrive in their seats just as the Falcon exits hyperspace.

The Falcon arrives at the Sinta Glacier Colony to meet a Resistance informant, the Ovissian Boolio, who tells them about a spy and gives them a message in the form of a data encoder, ordering them to give it to Leia. Finn proceeds to insert the message into R2-D2.

Before more can be said, several squadrons of TIE fighters scream into the system, prepared to take down the Falcon. As Finn prepares for the action and heads to the gunner cockpit, Boolio tells him to win the war before heading off.

Forced to head into the depths of the colony by a wall of TIEs, the Falcon destroys a number of its pursuers before jumping to hyperspace through one of the colony's walls. The remaining fighters pursue them regardless, and Poe begins lightspeed skipping through a number of systems, whose dangers the First Order pilots are unable to evade. Poe is able to outmaneuver the enemy, though his reckless trick-flying heavily damages the Falcon.

## A Jedi rises

On the jungle world of Ajan Kloss, which serves as the hidden base of the Resistance, Rey meditates solemnly, floating in the air alongside a number of rocks. She tries to maintain her composure and balance, but ultimately fails and, with a sigh, lowers herself to the ground. General Leia Organa, who had been watching nearby, comforts the discouraged acolyte, assuring her that nothing is impossible and that she will be able to commune with the Jedi who came before her, as she hopes to.

Reinvigorated, Rey accepts Anakin Skywalker's lightsaber and takes off running on another bout with her training course. She expertly runs and leaps through the obstacles, imbuing her actions with the Force. She blocks every bolt from her hovering training droid, but pauses and stares as it is revealed that Kylo Ren, to whom she is bound through the Force, is communing with his grandfather's helmet and speaking to her from his chambers far across the galaxy.

A vision, shared with Ren, terrifies the Jedi: the ascensions of the Sith Eternal fleet above Exegol; the face of her murdered mentor and Ren's father, Han Solo; the pained words of her master, Luke Skywalker, as she tapped into the dark side; her duel with and alongside Ren against the Praetorian Guards of Snoke; the departure of her parents from Jakku, leaving her behind in the grip of Unkar Plutt. Distracted by the vision, she ultimately batters the training remote with her staff, but damages BB-8 in the process. Rescuing the droid from beneath the tree that had collapsed on him, Rey returns to the base and concedes to Leia that she feels tired and unready to wield the saber of her master. BB-8 excitedly volunteers to take up the mantle, which Rey dismisses; smiling, Leia kindly reminds her never to underestimate a droid.

Some time later, in the midst of Rey's studies of the ancient texts she retrieved from the First Jedi Temple, the Falcon returns. It has been, however, severely damaged in the course of its escape from the First Order squadrons; Rey berates a fatigued Dameron for this, but he rebuffs her by noting that BB-8 is in similarly poor condition due to her earlier training accident. Rey dismisses the pilot, quipping that he's a difficult man, before hugging Finn, who jokingly joins her in condemning his companion. Although Rey is further angered by the revelation that Poe lightspeed skipped with the Falcon, a maneuver that the aging freighter cannot support, but the pilot admits the true cause of his concern: Rey is "the best fighter the Resistance has," but she has spent her time since Crait training and furthering her knowledge of the Force rather than participating in the war against the First Order. "We need you out there, not here," Dameron says before stalking off to begin briefing the Resistance on the information his group had obtained.

Poe cheerlessly informs those gathered that the message sent across the galaxy is confirmed: the Emperor has returned, heading an unprecedented fleet, with ambitions of vengeance and conquest. Rose Tico is dubious that the Emperor has truly risen again; Beaumont Kin raises the point of cloning and that the dark side held secrets only the Sith knew. Dameron further exposits that the designs of Darth Sidious have led to the creation of the Final Order, true successor to the Empire. In sixteen hours, the armada will embark from Exegol on a mission of galactic subjugation.

C-3PO chimes in, noting that Exegol is not on any star maps, and is described in lore as the Hidden World of the Sith. With this dismal news, the Resistance quietly debates their options until Rey, holding up one of her tomes, informs Leia that she needs to speak with the general privately. Showing her pages in the book, Rey explains that Luke had been searching for a wayfinder much the same way his former apprentice Ren had been doing, with a similar goal of reaching Exegol. However, his hunt had been left incomplete at its final step; if the Resistance could complete it, they could locate the wayfinder and use it to reach Exegol. Leia refuses to support this new mission, claiming that it is too dangerous, but the scavenger admits that she will go with or without the general's blessing, knowing that her newest mentor would do the same.

Accepting this, Leia dispatches her student to the desert of Pasaana, where a contact will be waiting. Though Rey plans to go alone, Poe, Chewie, and Finn tell her that they will accompany her. Though initially unwilling to accept the help and claiming she must accomplish the task alone, with a small speech from Finn, Rey accepts their aid. C-3PO also joins the group aboard the Falcon as it undergoes repairs, stating to R2-D2 before departure that, should he not survive, the astromech was the "best friend he ever had."

Finn briefly says farewell to Tico, confident that he will return, and Rey speaks once more with Leia, wishing that she could tell the princess of Alderaan everything she wanted to. Reassuring her student once again, Leia simply says: "tell me when you get back." The two hug, and Rey, emboldened, departs with her friends aboard the Falcon.

## Rise of a dark warrior

A metalsmith, Symeong Sith alchemist Albrekh, stiches Ren's helmet back together as he looks on surrounded by his Knights of Ren. With that, the Supreme Leader convenes a meeting of the First Order Council aboard his Star Destroyer, including General Armitage Hux and Allegiant General Enric Pryde.

Ren, who has found and killed Boolio, slams Boolio's bloody, decapitated head on the table and informs them that they have a spy in their midst, but that it is irrelevant. A moment of tense silence leads him to ask if Hux, his rival in the First Order power structure, is troubled by his appearance; the general quietly dismisses this concern, while another officer says that she likes Ren's reassembled helmet.

Quinn speaks up, dismissing the Sith Eternal as "a cult, conjurers and soothsayers." Pryde refutes these concerns, stating that the resources of the First Order will be increased ten thousand fold by the incorporation of the Sith fleet into their own ranks. With a spiteful glance at a glowering Hux, Pryde notes that the influence of this ancient power will "correct the error of Starkiller Base." Unconvinced, Quinn wonders aloud if the ships are truly a gift, and what Palpatine might demand in return. In response, Ren brutally chokes the general through the Force and lifts his body to the ceiling without even looking at him.

The fallen Jedi then commands his officers to prepare to crush any worlds that will defy the Order, and that he and his acolytes will be hunting the scavenger.

## Mission to Pasaana

The Falcon comes out of hyperspace over the desert planet of Pasaana. They land at Luke's coordinates and arrive at the Aki-Aki Festival of the Ancestors. Wandering among the crowd for a while, the group tries to keep a low profile. As Rey gazes at some Aki Aki youngsters, a child approaches her. Translated by 3PO, the child says she is named Nambi Ghima and offers a necklace to Rey, who smiles and accepts the kind gesture. When Ghima inquires as to the Jedi acolyte's family name, she replies that she doesn't have one.

At that moment, Kylo Ren establishes a connection with Rey through their bond. Speaking to her through this, Ren informs his quarry that Palpatine wants her dead. Rey comments that he is serving another master, but the fallen Jedi dismisses this, stating that he has plans of his own. After insisting that he will turn her to the dark side, Ren reaches out and grabs her necklace, pulling it through the Force into his own hands. Rey realizes the First Order will soon be coming and runs off to warn her friends.

As they reconvene and prepare to escape, a stormtrooper finds them but is quickly shot by a mysterious figure. This masked savior asks Rey and her team to follow him. Once they enter a transport, he reveals himself to be Lando Calrissian, the man who destroyed the second Death Star at the Battle of Endor many years prior. He shows them a hologram of a Sith wayfinder and explains that only two were ever created. He further reveals that he once accompanied Luke on a mission to track a man named Ochi, whom they believed held information key to locating one of the devices, but when they arrived, they found his ship abandoned. Lando apparently remained behind on Pasaana. The old hero of the Rebellion offers them directions to Ochi's ship, which remains in the desert where he left it.

Squadrons of TIEs and First Order dropships fly overhead as the crew hurries through the crowds to the fringes of the festival, eventually stealing a pair of skiff speeders. They are quickly spotted, however, and First Order treadspeeders begin a fierce pursuit, aided by jet troopers. They prove no match for the gang of heroes and are swiftly dispatched, though the chase drives the speeders into the Sinking Fields, where the damage done by the troopers fells them and sends the heroes into the quicksand.

They fall through it into a web of caves below the surface, quickly joining up as they use the glow of the Skywalker blade and Poe's diminutive flashlight to guide themselves through the confusing network of tunnels. The group eventually locates Ochi's remains, revealing that the Jedi hunter was swallowed by the sands and never escaped. Alongside his bones is a dagger that Rey senses has a dark past, while 3PO recognizes that it is inscribed with the ancient language of the Sith and is unable to translate due to restrictions on his programming. Dameron laments to the droid that this is "the one time we need you to talk, and you can't."

As they are about to depart and look for a way out, the team is cornered by an aggressive vexis. They prepare to fight the beast, but Rey notices that the serpent is injured. Using Force healing, Rey manages to appease the creature, which tunnels through the rock to create an escape for the team. At the same time, it is revealed that the Knights of Ren have arrived on Pasaana, and are hunting them.

The team hurries to Ochi's ship. As they near it, Rey pauses, the Force having informed her that Ren has arrived. She sends her friends ahead to the ship before running back into the desert to confront her nemesis. In the distance, Ren's new TIE fighter roars through the desert only meters above the sand. As it nears her, Rey runs into a leap and, as the ship flies beneath her, she severs a wing with her lightsaber and sends the ship into a tailspin. It crashes in a fireball some distance away.

During this time, however, Chewbacca and the dagger have been captured by the Knights and stormtroopers while the Wookiee was leaving to retrieve Rey. Finn observes the latter forcing the Wookiee onto a transport, and runs to Rey to inform her of this. Kylo Ren, having emerged from the wreckage of his ship, advances across the desert and engages in a duel of the Force with Rey, each of them pulling the First Order transport to their side. In this struggle, Rey accidentally releases a burst of Force lightning, destroying the vessel and seemingly killing Chewbacca. Ren allows the Jedi and her allies to escape in Ochi's vessel, as his own troops have captured the Falcon.

As the Jedi hunter's ship hurries away from Pasaana, Rey mourns that she has apparently killed Chewbacca. Finn attempts to reassure her, stating that he knows the good person he believes her to be, but she dismisses his words, claiming that no one knows the truth behind who she is. As the wookiee had the dagger, a further setback is revealed: they have no way to reach Exegol. C-3PO, however, reveals that he has retained the information from the dagger in his memory. A plan to hack the protocol droid's programming restrictions is formed, and following a tip from Poe, the heroes set course for Kijimi. During the trip, BB-8 finds and reactivates the droid D-O on Ochi's ship.

## A new mission

The heroes of the Resistance make their way to the snow-dusted planet of Kijimi to execute their plan to discover what secrets the Dagger held. The Resistance team arrives on the planet and bump into Zorii Bliss and her crew. She reveals that Poe has a colorful past, once worked as a spice runner and still owes her money. A skirmish occurs before Rey gets the upper hand and Zorii agrees to bring them to Babu Frik to hack C-3PO's programming to read the Sith language on the Dagger. Unknown to them, the Knights of Ren have tracked them there.

Zorii Bliss brings them through a back alley and into a little bar in order to get to the droid ship. Frik tells everyone that he can unlock the message to be read, but in doing so C-3PO's memory will be wiped. Still reeling from the loss of Chewbacca, the heroes argue about finding another way to get the job done, but in an act of self-sacrifice C-3PO voluntarily consent to the modifications, knowing that he will be lost in the act. Frik completes the hack and 3PO is now able to read the message inscribed on the Dagger.

The translated text points them to the location of Emperor's wayfinder. Having served his purpose, 3PO's memory wipe begins and he shuts down. Once the memory wipe is complete, 3PO reboots with a completely empty memory.

Outside the bar, Zorii and Poe reminisce about old times. There is some lingering connection there even though they had some sort of falling out in the past. Poe tries to convince Zorii to join them. She turns him down, but she understands the good in what Poe is trying to do and gives him a First Order Captain's Medallion as a gesture of goodwill to help them get through First Order security. She had been saving to buy this medallion on the black market as her ticket off Kijimi and away from her spice running days, but she gives it to Poe.

As the First Order arrives, Rey senses that Chewie is alive. As the heroes escape on Ochi's ship, the group makes the decision to use the passage device to board the Star Destroyer and recapture the Falcon and save Chewie. The device works, and their ship lands without question. Rey uses a mind trick to confuse the stormtroopers, enabling them to find Chewie; though Rey splits off, feeling as if something is calling to her. Meanwhile, Poe and Finn find Chewie, but their rescue attempt fails and they are all taken captive.

The calling Rey feels is caused by the dagger which draws her to it in Kylo's living quarters. Rey finds and grabs Ochi's blade, but when she does, it gives her visions of what happened to her parents. Ochi found and killed them with that dagger and that her parents were trying to hide her from Ochi. When she breaks free of the vision a bond with Kylo begins.

He discovers that she is on his Star Destroyer and a lightsaber duel breaks out between the two of them across two different locations, Kylo on the surface of Kijimi and Rey aboard the Star Destroyer. During this encounter, Kylo reveals that there is more to the story behind Rey and her parents. Ochi was sent to find and recover Rey, not kill her. Her parents just got in the way, so he killed them. She is still wanted for the darkness that resides within her. It's clear that by this point, Kylo is fully committed to the Sith Lord's mission for him.

## A new revelation

Kylo Ren reveals to Rey the truth about her origins and the nature of their bond.

When it appears that all is lost for Finn, Poe, and Chewie, who have been captured by the First Order, General Hux arrives and surprisingly not only allows them to escape but points them in the direction of the Falcon. Hux was the mole within the First Order that Finn and Poe had received information from. When asked, he tells them that he wasn't doing it to help the Resistance, but rather because he didn't want Kylo Ren to win.

Ren arrives and faces off Rey, in which he reveals that she is Sidious' granddaughter; her father was the son of the Emperor. He also reveals that they are a dyad in the Force, two that are one in the Force. Then, Kylo once again offers for Rey to join him, but she refuses, escaping in the Falcon.

After they leave, Pryde kills Hux for treason against the First Order and assumes control of the First Order military. The Emperor contacts Pryde and demands that he use one of the specially equipped Star Destroyers to destroy Kijimi as an act of loyalty and Pryde complies. Pryde tells Kylo that even though they don't have the dagger, they know where the Resistance is going because they scanned it while it was still in their possession.

## Mission to Kef Bir

The information learned from C-3PO's translation of the dagger's writing leads to the location of a second wayfinder device which turns out to be aboard the wreckage of the second Death Star on the ocean moon of Kef Bir.

The team eventually meets a woman named Jannah. She heard about them from Babu Frik and at their urging, offers to take them to the location of the wayfinder the next day.

While fixing the Falcon with Finn, Jannah reveals she was once a stormtrooper known as TZ-1719 and that her whole tribe were former troopers. They mutinied at a battle in which they were told to fire on civilians.

But soon, the group realizes they had not seen Rey. She had, in fact, taken a skimmer and was headed to get the wayfinder.

Rey uses the dagger to locate the wayfinder by aligning a plate hidden in the hilt with a specific part of the Death Star's wreckage, and discovering the two shapes match perfectly. Upon contacting the wayfinder, she envisions herself as a Sith; a short duel between Rey and the Sith vision ensues. Shortly after, Kylo, having tracked the group to Kef Bir, finds and destroys the wayfinder to prevent her to face Sidious alone. Rey becomes furious and duels him. Ren, however, gets the upper hand, but as a dying Leia calls to Kylo by his name Ben through the Force, Rey impales him. Sensing Leia's death, Rey regreats her action, and heals Ren. She confesses to him that she did wanted to join him and take his hand as Ben Solo. She then takes his TIE whisper to exile herself to Ahch-To, still shaken about her own actions and by her Sith lineage.

As she prepares to throw the Skywalker lightsaber into the burning wreckage of Kylo's TIE whisper, Luke's Force spirit appears. He tells the story of Leia's Jedi training and encourages Rey to face the Emperor as he faced Darth Vader, giving Leia's lightsaber and his old X-wing. Rey leaves for Exegol, using the wayfinder on Kylo's ship.

On Kef Bir, Kylo converses with a vision of Han Solo, his father, and throws his lightsaber into the water near the wreckage of the Death Star, reclaiming his identity as Ben Solo.

Upon the Steadfast, the Emperor communes with Pryde over a hologram. The Sith Lord discusses the failure of the late Kylo Ren before Pryde, now de facto leader of the First Order. Pryde, a loyal Imperial during the time of the Empire prior to the Galactic Civil War, pledges the organization to the Final Order to the Emperor. The Emperor then commands Pryde to join him on Exegol, and informs the Allegiant General that a Xyston-class Star Destroyer from the Sith fleet is to be transferred to the First Order, intending to prove the General's loyalty by ordering him to send it to a planet with ties to the Resistance. Subsequently, Pryde has the Star Destroyer sent to destroy Kijimi with its axial superlaser at the Emperor's behest. With the deed done, the Sith fleet on Exegol sees itself headed by Pryde aboard the Steadfast.

## Confrontation on Exegol

Rey arrives on Exegol and transmits her location to the Resistance. She confronts Darth Sidious and the Sith Eternal, who demands that she kill him to transfer his spirit into Rey. The Resistance engages in battle with the Sith Lord's fleet, though they are overpowered, suffering losses like Temmin Wexley.

Ben overpowers the Knights of Ren and arrives to help Rey, but Sidious rejuvenates himself by absorbing the life essences of Rey and Ben and then disables the Resistance fleet above with Force lightning. The Emperor tells Ben that he will be the last Skywalker and uses the Force to throw him into a nearby chasm, seemingly killing him.

A weakened Rey hears the voices of past Jedi (Obi-Wan Kenobi, Qui-Gon Jinn, Ahsoka Tano, Yoda, Mace Windu, Kanan Jarrus, Aayla Secura, Luminara Unduli, Adi Gallia, Luke Skywalker, and Anakin Skywalker), who lend their strength and encourage her to continue on. The Emperor furiously attempts to destroy Rey with lightning, but she deflects it back towards him using the two lightsabers, disintegrating his body and killing Darth Sidious once and for all. However, Rey dies from the effort of the powerful attack.

A hand appears at the edge of the chasm and an injured Ben pulls himself up, falling to his knees beside Rey and pulling her dead body into his lap. He embraces Rey's body. Pulling away, Ben puts his hand on her stomach and uses the Force to resurrect her. Rey awakens, smiling at Ben and touching his cheek gently. The two embrace before Rey kisses him. Moments later, Ben falls backward and vanishes, having given his remaining life essence to her. His body fades away at the same moment that Leia's body becomes one with the Force.

After returning for Finn and Jannah, Lando leads the Resistance, now backed by reinforcements, including Zorii Bliss; who were able to destroy the remainder of the Sith Lord's armada, ending the First Order-Resistance war and beginning a new age of peace across the galaxy.

A war ends

The Resistance and the galaxy at large celebrate their victory. Maz Kanata bestows Chewbacca with a Medal of Bravery, which Han was awarded following the Battle of Yavin. Poe and Zorii exchange a look and it seems like Poe is trying to ask Zorii if she would like to celebrate with him privately, to which she shakes her head. Jannah asks Lando where he is from and he tells her that he is from the Gold system. Lando in turn asks Jannah where she is from, and she tells him that she doesn't know, and Lando responds by saying "well, lets find out". Rey then returns and shares a hug with Finn and Poe.

Rey visits the Lars homestead on Tatooine, where she buries Anakin and Leia's lightsabers in the sand, having now built her own- a black-handled lightsaber with a yellow blade. A local asks her name and, seeing spirits of Luke and Leia look on, Rey gives her name as "Rey Skywalker". Rey and BB-8 then watch the twin suns of Tatooine rise.

When the movies were all done we cheered wildly for them!

Qin: SO AWESOME!

Drakkon: You think there would've been time for Luke to treat Vader's wounds?

Me: I don't think he knew how back then.

Luke Skywalker: He's right. Those wounds were too life-threatening.

Me: Being shocked like that by Force Lightning really took its told on him.

Anakin: That is true.

Sakura Knudson: Yeah.

Camie: But the revelation where Vader revealed that he was Luke's father REALLY BLEW my mind.

Me: Blew all of us.

Han Solo: That is for sure.

Qin: Yeah.

Blastertron: Scanning which movie to participate in.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront today: it was our old enemy, Kylo Ren, and he's come back yet again for revenge on me. When we all saw it, we knew it meant trouble.

Nico: Whoa, Lincoln, what's up?

Lincoln: Nico, everyone, we got an emergency. I had a vision of who we're going to confront today: it's our old enemy, Kylo Ren, and he's come back yet again for revenge on J.D. for destroying him and for destroying The Sith.

We gasped.

Me: That bastard, I should've known he'd come back one day, and it's also perfect because today is Star Wars Day. Lincoln, where's Kylo Ren at?

Lincoln: He's on the planet Crait, and he's extremely pissed off beyond imagination.

Nico: Then, it'll also be his final resting place, that Sith monster will pay for all his crimes against the galaxy especially for what he did in killing his own father in cold blood!

Me: That's something that'll never leave us. Alright, let's get going to Crait to celebrate Star Wars Day and deal with Kylo Ren.

Nico: Yep.

Camie: What does it say about Kylo Ren?

Me: Well you guys will not like him.

I went over his history.

* * *

Kylo Ren, born Ben Solo, is the central antagonist of the Star Wars sequel trilogy, serving as the central antagonist of the first installment Star Wars: Episode VII - The Force Awakens and the main antagonist of the second installment Star Wars: Episode VIII - The Last Jedi before he progressively becomes the deuteragonist of the final installment Star Wars: Episode IX - The Rise of Skywalker. He is also the overarching antagonist of Season 2 of the 2018-2020 animated television series Star Wars Resistance and the titular protagonist of the 2019-2020 comic miniseries The Rise of Kylo Ren.

He is the dark, powerful, and extremely wrathful master of the Knights of Ren, as well as the apprentice of Supreme Leader Snoke, before killing him and becoming the new Supreme Leader of the First Order. He was born as the son of Han Solo and Leia Organa, the nephew of Luke Skywalker, the grandson of Anakin Skywalker/ Darth Vader and Padmé Amidala. He is also the archenemy-turned-ally of Rey, Emperor Palpatine's granddaughter, who is his love interest besides being connected with him through a dyad in the Force.

He was portrayed by Adam Driver, who also played Jacques le Gris in The Last Duel and Henry McHenry in Annette.

Ren was born as Ben Solo, the son of Han Solo and Leia Organa, a year after Episode VI - Return of the Jedi, in which his parents and uncle Luke defeated the Galactic Empire and its leader Emperor Palpatine. He proved to be sensitive to the Force like his mother and uncle.

Fearing that Ben was too much like his maternal grandfather Darth Vader, Leia sent him to Luke to teach him about the ways of the Force and become a Jedi. However, Luke sensed a force of darkness inside Ben and contemplated on killing him, but could not bear himself to do so because it would break both Leia and Han's hearts. However, Ben soon learned of Luke's intentions and took this as a sign of betrayal, fearing that he'll never be as powerful as he wanted to be. This insecurity is what allowed Supreme Leader Snoke, the leader of the evil First Order organization, to corrupt Ben's mind. Snoke was actually a creation of Emperor Palpatine that was once again trying to manipulate a Skywalker to fall to the dark side of the Force. Sensing that Ben was on the edge of being turned to the dark, Luke decided to go to Ben's hut - located away from the Jedi Temple - and to talk to him about it. He went into the hut where he found Ben sleeping. To his horror, Luke sensed the darkness in Ben and realized that he had already been corrupted by Palpatine through Snoke.

For instance, Luke thought that killing Ben would end the danger and he drew his lightsaber but immediately ignored the thought. However, it was too late. Waking up at the sound of the lightsaber, Ben saw his armed uncle standing above him. Surprised by Luke's betrayal, Ben brought down the entire hut with his Jedi powers in an attempt to defend himself, burying Luke underneath. In this same night Luke's Jedi Temple was destroyed by lightning and most his pupils where killed. Ben took the blame for the Temple's destruction and left to meet Snoke feeling that he had nowhere else to go. Meanwhile, when Luke finally freed himself from under the hut, he only found death and destruction around him.

Later, Ben would join the Knights of Ren and become their master after killing their former leader, adopting "Kylo Ren" as his new name. He would also don a uniform similar to the one of a Sith, with a black cloak and a mask (resembling Darth Revan's Sith attire from the Legends series) and officially join the First Order as Snoke's disciple and a warlord of the First Order. He also developed a rivalry with General Hux for Snoke's appreciation.

The reason for Ben becoming evil was not just Snoke's corruption and Luke's supposed betrayal, but also his parents' tumultuous relationship, given Han's career as a smuggler and Leia's role as a political figure. 6 years prior to events of The Force Awakens, Leia's political enemy Carise Sindian exposed her parentage to the public, which is likely the reason how Ben learned that he was the grandson of Darth Vader.

Kylo Ren is mentioned in the episode "The Children from Tehar", in which he murdered a prominent family in the village on Tehar. The children witnessed him wielding a lightsaber, which they've heard in the old stories about the Jedi. Kazuda Xiono reported this to the Resistance, the information was later sent to General Leia Organa. He later appears in the Season Two finale "The Escape", which takes place after the events of The Last Jedi.

In retaliation against the Aeosians who supported the Resistance, a fleet of Resurgent-class Star Destroyers invaded their homeworld of Aeos Prime and devastated it. After completing the orbital bombardment, First Order Security Bureau Agent Tierny and Stormtrooper Commander Pyre reported their actions to General Hux but found Supreme Leader Kylo Ren waiting on the other side of the holoprojector.

Ren had been keeping track of Pyre and Tierny's failure to defeat Colossus resistance and declared that he would not tolerate the existence of any Resistance cell. Reaching out through the Force, Ren influenced the two to stand and point their blasters at each other. He then severed the transmission, leaving his subordinates with an ominous warning about the price for failure.

Though they managed to locate the Colossus station in the Barabesh system, the ensuing battle did not turn in the First Order's favor. Betrayed by the TIE fighter pilot DT-533, the First Order failed to prevent the Resistance operatives Kazuda Xiono and Jarek Yeager from warning their allies of the impending attack. Rather than retreat, however, the citizenry of the Colossus held their ground against the forces of the First Order. While the Ace Squadron intensified their attack run on the Resurgent Star Destroyer, Tierny received a transmission from Supreme Leader Ren. She beseeched him to send reinforcements, but Ren rejected her request, declaring the First Order had no tolerance for the weak. Once again, he reached out with the Force, but this time Tierny found herself struggling to breathe as Ren unleashed his final punishment on the First Order agent.

The hunt for Skywalker caused Ren to undertake a journey the planet Pillio. Although San Tekka was not found on the world, the First Order's allies captured and detained Del Meeko, a veteran of the Galactic Civil War who served the Empire and New Republic, in turn, as a member of Inferno Squad. Upon his arrival, the dark warrior was greeted by Protectorate Gleb of Jinata Security. Dismissive of the formalities, he instructed the Aqualish officer to lead him to Meeko. He found the former soldier wounded and alone on the bridge of the Raider II-class corvette Corvus.

Ignoring the prisoner's sarcasm, Ren used the Force to probe through Meeko's mind, determined to learn where San Tekka took the map. For all of Meeko's efforts to resist the probe, invading his mind was a relatively simple task for Ren, who saw memories ranging across the former commando's life-from his service on Scarif as a coastal defender stormtrooper to his participation in the Battle of Endor and the skirmish on Vardos. He also learned that Meeko encountered Skywalker on Pillio and subsequently discovered his faith in the Force. Ultimately, Meeko was unable to resist Ren's powers and revealed that San Tekka took the map with him to Bayora.

Having gained the information he sought, Ren turned the prisoner over to First Order officer Gideon Hask, one of Meeko's former teammates in the Inferno Squad prior to the Empire's fall, who executed Meeko shortly thereafter.

Knowing that somewhere on the planet Jakku there is a map leading the way to Luke, Kylo arrives on the planet. His stormtroopers quickly round up all citizens of the nearby village, including village elder Lor San Tekka, who gives the map to Resistance pilot Poe Dameron before Kylo arrives. Poe witnesses the chaos the troops cause and gives the map to his droid BB-8, telling him to get away as far as possible. Kylo interrogates San Tekka, who recognizes him as Han's son and tells him that he cannot run away from the family he was born into. Kylo then murders the man with his lightsaber and orders Captain Phasma to kill all the captured villagers before putting the village off the map.

While the First Order Stormtroopers carry out the gruesome task, one of them, Finn, does not participate in the slaughter. Poe, witnessing the murder from a hiding spot, fires his blaster at Kylo, but Kylo stops the laser blast midair, freezing it. Kylo then uses the Force to overpower Poe and has the stormtroopers take him captive. After Poe is brought onboard, Kylo leaves the scene and frees the frozen laser blast. Aboard the Resurgent-class Star Destroyer Finalizer, Kylo interrogates Poe and questions the location of the map. Poe's unwillingness to cooperate prompts Kylo to torture him using the Force to the point where he gives in and confesses the location. He sends his troops back to Jakku to find BB-8, who has already met a scavenger named Rey. Poe is then saved by Finn, who has chosen to turn against the First Order, and escapes with him to Jakku. After being told about Poe's escape, Kylo furiously demolishes the ship's interior with his lightsaber.

After Finn and Rey have met Han and Chewbacca, Kylo talks with Snoke, who tells him that the droid is aboard the Millennium Falcon and that he soon will have to face his father. Kylo replies that, with Snoke's training, he is prepared and will not be seduced by the light, but Snoke nonetheless calls it the hardest test Kylo has to face. Then, after General Hux's speech, Kylo witnesses the destruction of the New Republic's capital planet as well as the Republic fleet by Starkiller Base. Right after, Kylo tracks the signal of the Millennium Falcon to Takodana. While his soldiers attack the building Finn and Han are in, Kylo tracks down Rey in the forest. Upon finding her, Kylo demands to know the location of BB-8, but after realizing that Rey has already seen the map, he takes her captive, planning to get the information out of her mind. Kylo tells his troops to retreat, as he now deems BB-8 unimportant.

Kylo brings Rey to Starkiller Base. When Rey expresses discomfort in being chased by a "creature in a mask", Kylo takes off his helmet, revealing how young he really is, and Rey looks at him suprised.

When she refuses to tell him Luke's location, Kylo uses the Force to search her mind. While looking into her memories, Kylo senses how lonely she was on Jakku, he sees that she dreams about an ocean surrounding an island, and that she sees Han Solo as the father she never had. He then comments that she would be disappointed with Han as a father. Ren tries to search further, but is surprised when Rey blocks him out of her head, instead reading his mind and revealing his greatest fear: That he will never be as powerful as Darth Vader. Disturbed by the fact Rey is actually strong with the Force, Kylo leaves the room, leaving Rey behind with a stormtrooper guard.

Kylo seeks his master for guidance, and tells him that Rey is strong with the Force and that she had resisted the interrogation. Snoke replies he sensed that his apprentice has compassion for the girl and that Kylo's own weakness must be what is preventing him from overpowering her, not her strength. Snoke tells Kylo to bring Rey before him. But while Kylo is not in the room, Rey uses a Force trick on the stormtrooper to force him to free her. When Ren returns to see Rey's chair empty, he flies into a berserk rage and destroys the room's interior with his lightsaber while calling the guards, prompting two nearby stormtroopers to leave the scene before Kylo can harm them.

After witnessing the power of Starkiller Base, the Resistance plans to destroy the facility before the First Order can destroy them with it. Han, Chewbacca, and Finn plan to infiltrate the base to turn off its shield generators as well as to save Rey. Before they leave, Leia tells Han to try to get their son back, which he promises. At Starkiller Base, they deactivate the generators and rig parts of the facility with explosives. Kylo, who is present on the base, senses his father's presence and tries to find him.

Han instead sees Kylo, who is just crossing a bridge; he then calls out to him by saying his birth name, Ben, and approaches his son. Although Kylo states that Ben Solo was weak and therefore eliminated by Kylo Ren, Han tells him that Snoke corrupted him and that he still has the choice to change. He also tells his son to come home, as his mother misses him. This touches Kylo, who admits that he is torn. Knowing that he would feel drawn to his family as long as his father is there, Kylo begs Han to help him in executing the choice he has made. Han promises to help him and Kylo slowly hands him his lightsaber. But then Kylo activates his lightsaber and thrusts it into his father's chest, thanking him for making this choice possible, as without his father, he believes that his ties to the Light Side are forever severed. Han fondly touches his son's face one last time before he falls to his death into the abyss, causing Kylo to feel a little remorseful of what he had done to his father. Chewbacca, furious about his friend's death, activates the explosives and shoots at Ren, hitting him and dropping him to the ground.

Kylo sees Rey and Finn leave the building, then pursues the two into the frozen woods outside of Starkiller Base where he confronts them. Rey calls Kylo a monster and tries to attack Kylo but he uses the Force to throw her far off into the trees, knocking her out. While Kylo accuses Finn for being a traitor and demands him to hand over Anakin's lightsaber, Finn refuses and activates it. The two engage in a furious sword fight in which Kylo injures Finn by ramming the crossguard of his lightsaber into his shoulder. Though both of them are hit and injured multiple times, Kylo in the end defeats Finn by slicing his back, causing Finn to drop the lightsaber and fall to the ground unconscious. Kylo then tries to use the Force to get his grandfather's lightsaber, but the lightsaber flies right past him into the hands of Rey. This surprises Kylo and for a moment he stands looking at her fascinated. Rey ignites the saber and now angrily attacks Kylo. As a climactic fight progresses, the Resistance manages to destroy Starkiller Base, which results in a massive earthquake which creates deep rifts in the surrounding landscape; one of these chasms opens right behind Kylo and Rey.

Kylo drives Rey towards the edge of the rift. While pressing his lightsaber against hers, Kylo offers to train Rey instead of pushing her down, hinting that he has no true intention to kill her. This, however, causes Rey to realize her potential and, with the Force, she drives Kylo back, hitting him multiple times with her lightsaber and eventually slicing him across the face, scarring him. Badly injured, a defeated Kylo drops to the ground, but before Rey can finish him off, a rift opens right between them, separating Rey from Kylo. Chewbacca then steers the Millennium Falcon towards Rey and she boards the ship with Finn's comatose body, leaving Kylo behind on the imploding planet. Shortly before the ultimate destruction of the planet, Snoke gives Hux the order to evacuate Starkiller Base and to bring Kylo before him so that Kylo's training can be completed.

Though Kylo is only last seen when a rift separates him from Rey, he fails to prevent the return of the Jedi when Rey finally finds Luke and tries to convince the last surviving Jedi Master in the galaxy to rebuild the Jedi Order once more with her aid.

Following the destruction of Starkiller Base, Kylo feels that he is growing weaker ever since he killed his father; even a disappointed Snoke compares Kylo unfavorably to Vader by calling him an immature child hiding behind a mask, a statement that left Kylo very angry, causing him to destroy his mask and even tried to attack Snoke, only to be quickly beaten to the ground with a single burst of Force lightning. As Snoke becomes delighted to hear that Hux found a way to constantly track down the Resistance fleet and deduce their current location through hyperspace and orders Hux to lead a series of assaults on the Resistance fleet, Kylo decides to intervene to try to regain his master's acceptance, unaware that Snoke was merely inspiring him to make him go deeper into the dark side.

During the initial attack on the Resistance ship, MC85 Stat Cruiser Raddus, Kylo uses his own TIE silencer to attack, but hesitates after learning that his mother Leia is onboard the ship. However, his wingman Poldin LeHuse relentlessly continued the attack on the Raddus, killing everyone onboard, though Leia saved herself by using the Force to pull herself to safety, while Poldin LeHuse is then shot down by the Free Virgillia-class Bunkerbuster Ninka in response, leaving a saddened Kylo in tears, as he is unable to do anything to help his mother.

Around the same time, Kylo and Rey discovered they had a Force-bond, which later is revealed to be the result of them being a dyad in the Force. During their Force Bond connections, they can communicate through their minds, and even see and touch across spaces. Ren at first tried to control Rey but found he could not, as they were too far and he is quick to realize that she is not projecting herself as it would kill her with her current abilities instantly, but he manages to find out that Luke is currently her mentor. Ren, fascinated by his connection to Rey, sought to understand it better and soon it reached levels where they can see each other's feelings and he grows attached to her, even showing a level of sadness when she referred to him as a monster and somewhat ominously warning her of Luke due to his past experiences.

Seeking to squash Rey's hopes of her parents being any significant, when they connected again, Ren was at the time bare to the chest yet he still taunts Rey for continuing to want parental figures and reveals Luke's attempt to kill him while he was sleeping caused him to turn to the dark side. In one of their later connections, Ren and Rey finally genuinely bond over their common sentiment of abandonment and loneliness, touching hands across spaces. This moment is interrupted by Luke, who deactivated it with his regained Force powers. Nevertheless, Rey decides to bring Kylo back into the light side in hopes that the war would end peacefully but Ren believes otherwise. He believes that Rey is destined to join him and turn to the dark side. To that end, Rey surrenders herself to Kylo in the Mega-class Star Dreadnought Supremacy, and he takes her into custody.

Being brought over to Snoke's throne room occupied by Snoke and his Elite Praetorian Guards, Rey is horrified to learn that Snoke plans to use his Force skills to torture her into giving out the location of Luke so that he can destroy the Jedi legacy and cement the First Order's reign across the galaxy. Snoke even confessed that he used the connection between Rey and Kylo as part of his plan. However, this reveal also infuriates Kylo, that realized the manipulation and abuse of his master and that had developed feelings for Rey during their interactions. As Snoke psychologically tortures Rey, he sadistically orders Kylo to kill her by gloating of his ability to read Kylo's mind and calling the girl a 'foolish child' for believing that his apprentice would betray him. However, Kylo tricked him into believing he's striking Rey but activated the Skywalker lightsaber and used it to slice Snoke in half by the waist, killing him instantly in an act of treachery.

After helping Kylo finish off Snoke's guards, Rey tries to convince him to return to the light and help the Resistance as he finally killed off Snoke for good. Unfortunately, despite of his feelings for Rey, Kylo has no intention in returning to the light or helping the Resistance. Instead he holds out his hand to Rey and offers her a place by his side to build a legacy far more different from that of either Snoke's or Luke's, letting the past, the Jedi, the Sith, and all old things die. Rey hesitates, but in the end, refuses to take his hand even after he pleaded to her. She escapes completely heartbroken and disappointed that he wouldn't come with her. Then, Kylo is found alone in the Throne room by Hux and when the general asks what happened, Kylo frames Rey for Snoke's murder and Force chokes Hux into compliance when the latter refused to oblige to his role as the new Supreme Leader.

Directing the First Order's new attack to the planet Crait where a hidden Resistance base is located, Kylo orders his forces to attack the base. After the base is breached, Kylo decides to confront an arriving Luke by himself. Engaging his uncle in combat, Kylo manages to slice through him, only to realize that Luke was actually projecting himself through the Force from Ahch-To as part of his true plan to let the remaining Resistance members escape. Luke then warns him that the war has already started and the rebellion is already reborn and he will not be the last Jedi. As Luke dies in peace while bidding farewell to Kylo, this left Kylo infuriated that he failed to seize his chance of killing Luke, knowing that even if he would lead the First Order into greater power, Rey will still continue on with the Jedi teachings to future generations. Afterwards, Kylo and his forces infiltrated the now-empty base, but finds only Han's golden hanging dice. Simultaneously, as the Resistance evacuates, Ren sees Rey again through their Force-bond as she boarded the Millennium Falcon; no words were said between them as she closed the door on him, making a heartbroken Ren look depressed and bow his head saddened as he watched his father's dice vanish from his hand.

Despite his failure to kill Luke, Ren was able to obtain more power in the galaxy for a year as more worlds submitted to his rule in the First Order. However, he learns of the return of the deceased Sheev Palpatine, the founder of the former Galactic Empire and known to the galaxy as the Emperor, who was thought to be killed by Vader. Ren then searches throughout the galaxy for a Sith wayfinder, which leads him to the Sith planet of Exegol, with the hopes of killing the phantom Emperor as a show of his power. When Ren finds the wayfinder and arrives on Exegol, Palpatine reveals that he resurrected himself through untold means of the dark side of the Force, and that he has been manipulating Ren the whole time, having created Snoke as his puppet and the First Order as a means of turning Ren to the dark side and training him in the ways of the Force. Sidious promises a new Sith Empire, upon which Ren will rule as the new Emperor, stating that they will accomplish this through the Sith Eternal's fleet of Xyston-class Star Destroyers called the Final Order, though he first gives Ren the condition that he must kill Rey.

Ren searches the galaxy for Rey and continues corresponding with her through the Force, using these correspondences to discern her location. Around the same time, he learns that a spy within the First Order is selling out information to the Resistance, so he orders his troops to be on the lookout for the spy. Ren tries to locate Rey and stop her from finding the other wayfinder. Through their connections in the Force, he warns her about Palpatine, tells her that she has a larger part in the story than he had initially thought, and promises to tell her the whole story in person. When they finally meet face-to-face once more, Ren reveals the truth to Rey that she is actually the granddaughter of Palpatine, and that her parents lived as 'nobodies' and abandoned her in Jakku in order to protect her from Palpatine, who subsequently ordered their deaths afterwards. Ren also stated that he and Rey are a dyad in the Force with extremely powerful potential when joined together, two that are actually one in the Force. He urges her once more to take his hand and to join him to defeat Sidious and take his throne together. Rey hesitates, but still refuses and escapes.

Later, he follows her to Kef Bir, an ocean moon of Endor, and meets her on the wreckage of the second Death Star. He urges her to join him again and destroys the wayfinder to stop her from going to face Palpatine without him. Rey becomes infuriated and they engage in a lightsaber duel. The duel ends with Rey impaling Ren, just as a dying Leia reaches out through the Force to both of them. Leia's death helps Rey to let go of the rage she was losing herself into and realizes what she had done. Immediately regretting hurting someone she cares, Rey uses the Force to heal Ren's wound, giving him a large amount of her own life energy as she is willing to die to save him. She then leaves aboard his TIE whisper, after telling him that she did want to take Ben Solo's hand but not Kylo Ren's, which confirms that she does has romantic feelings for him but she would never join Kylo Ren in the dark side.

Alone on the wreckage, Ren sees a vision of his father, Han Solo, and in an echo of their final encounter. Han encourages him to leave the dark side and shows his affection to him by touching his face, as he previously did on Starkiller Base. Ren becomes emotional talking to his father, even close to tears. Ren tells Han that "I know what I have to do but I don't have the strength to do it." He then throws his crossguard lightsaber into the ocean, finally severing his ties to the First Order and the dark side, reclaiming his former identity as Ben Solo once again, thus abandoning his Kylo Ren identity and deciding to redeem himself from the mistakes he had previously committed.

Now moved solely by the desire to save Rey, Ben follows her back to Exegol, where he learns that Palpatine is planning to sacrifice himself to Rey so that his spirit will be transferred inside her and she will claim her new role as the new Empress of the new Sith Empire. It is also revealed that Palpatine has tricked Rey into leading the entire Resistance forces to Exegol so that the Sith Eternal forces can wipe them out, to ensure that Rey will be consumed by her hatred so that his sacrifice will be imminent. But Rey refuses to given to any hatred and agrees to do the Palpatine's wishes to save her friends. However, when she sees that Ben arrived to help her, Rey is moved close to tears and inspired to refuse Palpatine's wishes. She pretends to strike Palpatine but instead she gives the Skywalker lightsaber to Ben through their connection. Ben defeats the Knights of Ren using his grandfather's lightsaber while Rey defeats the Sovereign Protectors. Meanwhile, the Resistance brings in a large armada to counter against the Sith fleet.

Unfortunately, Palpatine anticipated this move as he senses Rey and Ben's connection as a dyad in the Force, and absorbs the dyad to restore a full body for himself. With his body rejuvenated and his powers in full strength, Palpatine throws Ben into a bottomless pit out of complete spite against the Skywalker family for causing his previous death. Believing that Ben is seemingly disposed of, Palpatine cackles evilly as he uses his full power of Force lightning to attack the Resistance armada, putting them in complete danger. However, Rey uses all of the powers from the Jedi from the past to finally destroy the Sith Emperor at the cost of her own life, thus saving the Resistance armada and allowing them to destroy the remaining Sith forces for good.

Following the destruction of the Final Order and death of Palpatine, Ben climbs out of the pit, seeing that Rey has sacrificed herself to destroy Palpatine. Ben picks her in his arms and hugs her, mourning her death as he developed romantic feelings for her. He then decides to give her a second chance by transferring his life force into Rey, successfully resurrecting her. As Rey awakens, she and Ben passionate kiss. They gaze and smile, completely in love with each other before he, while still in her arms, peacefully vanishes into the Force after having used all of his life force to revive Rey in an act of love and sacrifice.

After the destruction of Palpatine and the Sith Eternal, the galaxy is finally at peace. In honor of Ben's sacrifice and love for her, Rey happily repudiates the Palpatine surname in favor of the Skywalker's as she recognizes them as her true family, thus leaving Palpatine's plans for conquest and power in vain.

When I was done everyone that hadn't heard about it was shocked and horrified!

Nico: That still infuriates me.

Qin: ME TOO!

Camie: That motherfucking dirtclod!

Xenia: YEAH!

Me: He would definitely get the black gates for his crimes. but after helping kill Emperor Palpatine he redeemed himself. So he'll be put into the M.O.E.

Baron Mordo: Abort the scan, Blaster Tron. We already decided.

Blastertron: Cancelling scan.

Me: I can't wait to give Kylo Ren a piece of my mind.

Nico: Save seconds for me.

Me: And all of us. No way in hell will I let him get away with this. His punishment? Eternal Servitude to the M.O.E.

Strike Man: Yoda, you can come with us if you want

Yoda: An honor to be part of the adventure it is.

Me: Great.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than that murderous buttface bully, William Newton, he's broken out of prison and he wants revenge on Lincoln for getting him expelled seven years ago for what he did in hurting Earth and for what he did in killing three kids long ago. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Earth, you're not going to like who it was that we saw: the dark energy signal belongs to that murderous buttface bully, William Newton, he's broken out of prison and he wants revenge on me for getting him expelled seven years ago for what he did in hurting you and for killing three kids long ago.

We gasped.

Nico: That buttface murderous bully's come back?!

Me: So, now we got two old enemies to deal with: Kylo Ren and

William Newton.

Twilight Sparkle: It sounds like you have a nasty history with this bully, William Newton, especially if he hurt Earth, what did he do to earn Lincoln's wrath?

Earth: You're not going to like hearing it, Twilight.

Me: He was a bully that Lincoln defended Earth from when they first met.

Earth explained to those who weren't around that time the events of Chapter 502 and she also told them that William Newton was a murderous buttface bully who bullied tons of new kids and even worse, he murdered three kids and sent many others to the hospital in intensive care, and she also told them of how Lincoln saved her and smashed William Newton hard and got him expelled and sent to prison and thanks to the brass knuckles he found on William Newton, they were indeed used in the murders of the three kids, he was expelled and sent to prison, and he swore revenge on Lincoln.

When she was done, everyone who wasn't around that time were extremely pissed off.

Twilight Sparkle: That heartless psycho!

Rarity: He bullied tons of new kids and he even bullied Earth because of her hair, that repulsive ape!

Rainbow Dash: And he even murdered three kids and sent many more to intensive care in the hospital, what a monster!

Lincoln: And when he swore revenge on me and Earth, I made the finger motion that told him, "If he ever comes near Earth again, I will kill him!"

Nico: Looks like Old Buttface refuses to learn his lesson, Lincoln, so you know what that means?

Lincoln: Yep, I'm gonna kill him!

Me: We should've killed him years ago, but back then, he was just a kid.

Lincoln: Now, he's a dead man walking.

Nico: Amen to that. Alright, gang, let's go, we're heading to Planet Crait to celebrate Star Wars Day!

Lincoln: This is going to be so awesome, and we'll close Star Wars Day by battling Kylo Ren and make that monster pay for his crimes especially murdering his own father in cold blood, and once we get done with Kylo Ren, you're next, William Newton. I warned you seven years ago that if you ever come near Earth again, I will kill you, but you refuse to learn your lesson, you buttface.

Earth: Now, you're going to get it, you buttface dumbass.

Nico: You guys are going to blow him straight to Hell for what he's done.

Me: Hope you guys rip his organs out and leave him to die in a pool of his own blood.

Nico: Lets go guys.

Lincoln put up a rainbow energy field around The World Tree Estate and we get onboard The Valorous Phoenix to head for Crait to celebrate Star Wars Day and battle Kylo Ren, and once we get done with making that monster pay, Lincoln and Earth are going to destroy that buttface murderous bully from seven years ago, William Newton, and give him The Black Gates.

We were off to the planet Crait.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7915.8: The U.S.S. Valorous Phoenix is en route to the planet Crait for the awesome battle with Kylo Ren for Star Wars Day. It's going to be awesome. Our mission is to destroy Kylo Ren and send him to the Masters of Evil for eternal servitude.

Qin: This will be awesome and fun.

Lola: It sure will.

Xenia: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On Screen.

We saw that we were at the planet Crait.

Electro: Here we are!

Me: Yep.

Lola: Whoa.

We engaged the landing and then we landed on the planet. We got out and we saw that it was a salt mineral planet.

---

Crait was a small salty mineral planet located in a remote sector of the galaxy's Outer Rim Territories, in grid square N-17 on the Standard Galactic Grid. Covered with a layer of white salt over its red soil, the planet once hosted a Rebel Alliance outpost during their early rebellion against the Galactic Empire. Many years later, the uninhabited planet became a haven for Leia Organa's Resistance, which resulted in a battle between the Resistance and the First Order on the planet's surface.

---

Nico: Whoa!

Camie: So this is the planet Crait.

Tsuyu: Amazing.

Quake Woman: Well, it's no Tatooine

Me: It's amazing though.

Connie Crait: But it's good to be home.

Qin: It's amazing that you are from here Connie.

Dai Gui: She is?

Connie Crait: I sure am. As the Sailor Soldier of Crait, I am from here.

Dai Gui: Oh right.

Me: This is amazing though.

Lola: Yep.

Nico: Lets get to walking around.

We went and did so.

Me: Boy this is amazing here.

Rey: It is a really amazing planet.

Lola: Yep.

We went into Leia's Rebel hideout and it was amazing. We saw that it was empty.

Me: Wow! Looks like no one was in here for years after the war ended.

Threatpack: We need to clean this place.

Me: I agree.

Lola: Lets do it.

We went fast and used our powers to clean it all up really fast.

Nico: There.

Xenia: All clean.

Lola: Awesome.

Nico: Yep.

Eli: Luke faced Kylo Ren here a while back and it was awesome.

Qin: It sure was.

Vulture: There has to be some good toys here

Me: By toys he means weapons and stuff.

Nico: Yeah.

We found lots of blasters, laser guns and detonators and more.

Nico: Perfect.

Blast Off: Any droids?

We looked and didn't see any.

Me: Nope.

Qin: Nope nothing.

Blast Off: Darn.

Heat Wave: How about some tech that burns shit?

Me: Lets see.

We found flamethrowers, fire blasters and more.

Qin: Plenty of stuff like that.

Heat Wave: Awesome.

Dusk: You know, it really was heartbreaking to see the clones shoot down so many Jedi.

Commander Cody: I still can't believe we let ourselves obey orders that cost the Galaxy several of the best protectors it ever had!

Me: Yeah no shit. Palpatine is dead now. And he will never terrorize the galaxy ever again.

Rey: What he did was completely unforgivable.

Nico: Yep.

Qin: At least he will never return that's for sure.

Nico: Yep.

Dr. Viktor: So, how is it new Sith appear?

Me: Palpatine's dark essence never completely faded when the Death Star was destroyed in the Battle of Endor.

Qin: Weird.

Eli: Him dying was a massive setback.

Qin: Yeah.

Jackie Chan Finn: All we can do is clean up his mess.

Me: The damage he did is beyond all forms of comprehension.

Qin: Yeah.

Me: But yeah. We can do that.

Camie: Numerous planets were ravaged by him.

Lola: Yeah.

Varie: But we'll never know how he came back or if ever. He's gone for good.

Red X: Now, let's go pay Kylo Ren a visit.

Eli: (Senses something) We don't have to wait very long. He's coming towards this place.

Nico: Oh boy. J.D. since you want to kill him the most you clash with him for a few minutes and we'll move in on your signal.

Me: Right.

Camie: This will be fun to watch.

I went out to face him.

I was standing in front of him.

Kylo Ren: Have you come to say that you forgive me? To save my soul?

Me: No. I came here to kill you.

I ignited my lightsaber and he ignited his lightsaber and we went at each other and clashed and sparks and lightning blasted out all over and I kicked and punched and slashed and dodged him.

Me: I can't believe that you would kill you own father Ben! What you did is nothing but cold blooded murder!

Kylo Ren: I don't care! He was weak!

Me: Just like you!

I fired a blast of energy and blasted him down!

Me: I pity you Ben. I pity you a lot.

Kylo Ren: I'M SURE YOU DO! DON'T YOU GET IT!? YOU ARE FINISHED! I WILL BE THE ONE THAT DESTROYS EVIL! AND WHEN I KILL YOU I WILL HAVE DEFEATED THE LAST JEDI!

Me: What kind oF fucked up world do you live in. Everything you said is wrong. I am not going to die that easily. And you are wrong about that. The Jedi are reborn. They are under our protection.

I gave the signal.

Lemmy Koopa: Entrance time!

Everyone went at him.

Me: There are no more Sith left. They are all dead. Soon you will be too.

Then the spirits of the Jedi came and they swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then lightning struck him and a phoenix cry was heard and then everyone landed.

Nico: It's over Kylo Ren!

Qin: You are finished!

Eli: Big time!

Myotismon: Actually, Dooku and Ventress are Sith. And they're in the Masters of Evil.

Kylo Ren: Oh, like your Vader knock off friend over there?

Dark Laser: Actually, I'm not a Sith. But… if you want me to face you, then why don't I oblige?!

He went at Dark Laser and Dark blasted him back.

Me: That all you got?

Nico: What's the matter? You were spouting off about wanting to be the best and now here's your shot.

Me: Unless of course you had enough.

Kylo Ren: Never!

Then Kaos, El Oso, Vreedle Brothers, Duff Killigan, Carmen Dillo, Dr. Starline, Metal Sonic, Tchang Zu, INSTIGATOR, Leap Frog, Gramma Stuffum appeared.

Nico: Kaos, El Oso, Vreedle Brothers, Duff Killigan, Carmen Dillo, Dr. Starline, Metal Sonic, Tchang Zu, INSTIGATOR, Leap Frog, Gramma Stuffum.

Nico: We sure did.

Carmen Dillo: How was it?

Nico: It was really fun and awesome.

Lola: Yep.

Me: Boomtower. You sure are a glutton for punishment huh?

Boomtower: I sure am.

Me: Nice.

Boomtower: Don't be sad. You guys will see the Donbrothers again.

Me: I know we will.

Lyra: On my big day. And it will be fun.

## Rarity, Kiramagers, Papillon, Preciomon, Varodurumon, Plumeria, Ymir, Sweetie Belle, Water Skylanders, Strike Man, and Nitro Man VS Duff Killigan, Evil Strike Man, Impostra, Hexuba, Shower Banki, and Meka - Meeting the Embodiment of the Wolfen

---

Duff Killigan was next.

Duff Killigan: (to Rarity) I heard you lads met the Embodiment of the Wolfen. What's the lass' name?

Rarity: Her name is Ashina Valerian and she is an amazing and awesome powerful force to be reckoned with.

Juru: She sure is and she is an awesome guardian angel for Lincoln.

Papillon: She sure is. And she is really a true master of the Full Moon and the power of the night.

Preciomon: She sure is. Her power is awesome.

Varodurumon: Her story is awesome too.

Plumeria: Boy it sure is.

Ymir: I'll say.

---

Nico: Yep. So, Ashina, what's the story on why you hate Lynn with a burning passion?

Ashina Valerian: Now, that's something I haven't forgotten.

Ashina Valerian pulled up a video and it played on the screen, and it shows Lincoln and Ashina, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels go to, and we also saw Lincoln drinking protein shakes and even raw eggs! YUCK!

Nico: Whoa, you also drank raw eggs along with protein shakes, Lincoln?! I thought only Lynn and J.D. did that.

Lincoln: Even though it was going to gross me out, I decided to incorporate drinking raw eggs into my diet along with protein shakes. But, they worked out great as it really helped to build up my muscles at a rapid pace which combined with my genes and hyperpuberty, really accelerated the results. Now, you're going to see the action to come.

Suddenly, the alarm in their gym went off, and Ashina saw who it was coming after them: it was Lynn running on all fours like an animal, and she was on the rampage again.

Past Ashina Valerian: Ugh, you again, Lynn?! You really don't even know when to quit, do you, you violent, belching, farting, overly aggressive animal?!

Past Lincoln: Let's head out and take her down!

Lincoln and Ashina ran out of the gym, followed by the rest of his Guardian Angels, and they ran at Lynn who was still charging at them on all fours, and Lincoln threw a really super strong punch at her stomach that knocked the wind out of Lynn, but Lynn got back up, and she roared and beat her chest like a gorilla.

Past Ashina Valerian: You want more, Belchy McFarty?! Bring it on!

Lynn went berserk and charged at Lincoln and Ashina, but they stood their ground and they punched and kicked Lynn all over the place, and they even dodged her wild attacks, and Lincoln delivered one strong kick to Lynn's stomach which sent her flying into a nearby fence where she crashed and she'd gotten herself knocked out. Then, Lincoln fired red energy waves from his massive white angel wings which tied Lynn up in red energy ropes. Then, Luna came rushing over, and she saw what happened.

Past Luna: Whoa, looks like you and Ashina already took care of Lynn, dude, awesome!

Past Lincoln: Thanks, Luna. You can take care of Belchy McFarty over here.

Past Luna: (LAUGHS) Belchy McFarty, that was a good one.

Me: (LAUGHS) I like that! Belchy McFarty!

Lynn woke up and when she saw she was tied up again, she was really angry.

Past Lynn: I'LL GET YOU FOR THIS, STINKOLN, DO YOU HEAR ME, I'LL GET YOU, YOU AND YOUR DUMB GUARDIAN ANGELS, YOU'RE ALL DEAD WHEN I GET OUT OF THIS! (LOUD BELCH)

Past Luna: (Grabs Lynn by her ponytail) You're not laying one hand on my bro or his Guardian Angels, Belchy McFarty.

Luna dragged Lynn away who was still screaming and cursing along with belching loudly until Luna whacked her on the head with a baseball bat as the video ended.

Nico: Sheesh, what got her gym shorts in a twist?

Goku: I think I know what it was that got Lynn to go on that rampage. When Lynn found out Ashina was now giving raw eggs and protein shakes for Lincoln to drink as part of his incorporating diet, that really set Lynn off and she went on a violent rampage.

Gohan: First, she wrecked the house and injured Lori, Leni, Luan, Laney, Lucy, Lana, Lola, Lisa, Rita, and Lynn Sr. except Lily who got out of the way thanks to J.D. and Varie getting her out of her way before she burst through the door and ran on all fours after Ashina and Lincoln.

Nico: What?! All that damage because Ashina was helping Lincoln? What a sore loser!

Ashina Valerian: Lynn was such a sorehead, she was just lucky we brutally beat her up, but this act of retaliation we gave her just made her angrier and wanting revenge on us. So, the next day, we were in our castle for our meeting, and we swore if Lori, Lynn, Lola, Lisa, and Luan tried more murderous acts against our man, the next time they cross us will be their last.

Ravenna Amaranth: And we were really serious about that, if they crossed us again and tried to kill our man, they're dead.

Me: Varie and I were lucky we got there just in time and healed Lori, Leni, Luan, Laney, Lucy, Lana, Lola, Lisa, Ms. Rita, and Mr. Lynn, and as punishment, Lynn got grounded for fifteen weeks thanks to her rampage, and I used my powers to fix the house.

FLASHBACK ENDS

Duff Killigan: THAT IS CRAZY LASS! All that just because Ashina was helping Lincoln with getting better health! Lynn was a monster now!

Sweetie Belle: Boy you're not kidding there! Thank goodness Ashina and Lincoln stopped her!

Gill Grunt: Yeah or who know what would have happened!

Lincoln: Now, there's only one last thing to do and one loose end to tie up before we head home: and that's dealing with that buttface, William Newton.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU AND THAT BLUE-HAIRED BITCH FOR GETTING ME EXPELLED SEVEN YEARS AGO!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, William Newton?

We then saw our target come out: it was William Newton, but he was now all grown up, but he's still the same buttface bully from seven years ago, and now, he's in an orange prison jumpsuit, but there is no mistaking his hatred for Lincoln and Earth.

Selene Arcangela: You murderous buttface dumbass, I should've known you'd come back one day!

Lincoln: You never did learn your lesson, William, and now, you've come back for more.

William Newton: I WILL FUCKING KILL YOU AND THAT BLUE-HAIRED FREAK FOR EXPELLING ME AND SENDING ME TO PRISON!

William Newton ran at Lincoln and tried to punch him, but Lincoln swiftly dodged it along with several other punches he threw at Lincoln, and Lincoln caught William's left fist with his left hand, and he also caught William's right hand with his right hand, and then, as his Third Eye closed, he headbutted that buttface and sent him flying back a few feet, and his Third Eye opened up again.

Maria: Nice headbutt, Lincoln! That dumbass is bound to be feeling that!

Me: You got that right, and you did that to yourself, buttface, because you always got off on bullying new kids, and even worse, you'd injured many kids and you killed three of them which Lincoln proved thanks to your brass knuckles you had in your pockets.

Nico: Lincoln did swear that if you ever came after Earth ever again, you were going to die, and now, seven years later, that's about to come true.

Earth: That's right, and I've had it up to hear with you to last an eternity, you buttface bully, and now, it's time for you to die.

Suddenly, Earth's ocean blue eyes turned neon ocean blue and she was surrounded by an ocean blue and green energy aura with water, ocean waves, stars, lava, earth, plants, lightning, nebulae, winds, sea creatures, mammals, amphibians, reptiles, and phoenixes, she unholstered her massive greatsword from her back, and as she approached William Newton, she left ocean blue and green energy, water, ocean waves, stars, lava, earth, plants, lightning, nebulae, winds, sea creatures, mammals, amphibians, reptiles, and phoenixes with every step.

Earth: Even after Linky had you expelled and sent to prison seven years ago for your crimes, you just don't even know when to quit, do you, you buttface jerk. You got off on bullying new kids and making them "learn their place, you'd severely injured many of them and sent them to intensive care in the hospital, but you crossed a serious line when you murdered three kids when you beat them to death with those brass knuckles he found in your pocket. That meant you've crossed The Path of No Return, and now, there's only one punishment fitting a buttface jackass like you: death, and believe me, no one will say a kind thing about you at your funeral, because you're going to die alone and forgotten for all eternity.

Suddenly, Earth was surrounded by a massive vortex of ocean blue and green energy with water, ocean waves, stars, lava, earth, plants, nebulae, winds, and lightning surrounding the vortex, there are phoenixes, mammals, sea creatures, reptiles, and amphibians flying, swimming, and running around the vortex, and in the vortex is an ocean blue and green phoenix with red eyes glaring at William Newton: the red eyes of death. Then, as the vortex faded, Earth emerged, but she was changed forever.

Earth grew from 6'11" to 7'5" in height, she has the body of a goddess, she has green highlights in the bangs of her short neck-length ocean blue hair with green continents, she has neon ocean blue eyes and an ocean blue energy aura with water, ocean waves, plants, fruits, winds, lightning, stars, earth, lava, nebulae, sea creatures, mammals, reptiles, amphibians, and phoenixes surrounding her, she has the Earth with animals surrounding it emblazoned on her forehead and Third Eye with ocean blue iris, she has on phoenix earrings with ocean blue gems for eyes and holding the Water, Nature, Wind, Stars, Lightning, Earth, Lava, and Eternity Kanjis in its talons, she also has a phoenix with ocean blue gems for eyes and holding the Water, Nature, Wind, Stars, Lightning, Earth, Lava, and Eternity Kanjis in its talons for the second pendant along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with ocean blue crystal links from her merged Crystal Necklace of the Buddha and ocean blue gems on the gold lightning bolts. Earth has on a white long-sleeved sweater with purple collar, purple cuffs, and purple tie with reflecting stars, purple skirt with reflecting stars, purple knee-high socks with reflecting stars, black shoes, and long sleeveless white trenchcoat with water, ocean waves, water, ocean waves, plants, fruits, winds, lightning, stars, earth, lava, nebulae, sea creatures, mammals, reptiles, amphibians, and phoenixes on the coattails and on the back is the Earth surrounded by animals and a phoenix above it. Suddenly, Earth felt a sharp pain on her back, and then, massive ocean blue angel wings with green continent-shaped streaks and green tips on the ocean blue feathers, grew and sprouted out from her back, and she now has eleven massive and long ocean blue wolf tails with green tips and green markings, she has on a Ring of The Phoenix with ocean blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded on her left hand.

Suddenly, Earth's massive greatsword and all the greatswords and swords she'd gotten began to merge together and they're surrounded by a kaleidoscope of ocean blue and green energy, water, ocean waves, water, ocean waves, plants, fruits, winds, lightning, stars, earth, lava, nebulae, sea creatures, mammals, reptiles, amphibians, and phoenixes, and when it emerged, it was transformed into Earth Chan's Multi-Elemental Nature Earth Personification Greatsword of Elemental Earth Nature Justice, it's a brand-new massive greatsword with embedded ocean blue and green-streaked gems and the Earth itself etched on the 7'4" massive, wide, double-edged ocean blue and green continent-streaked blade, large ocean blue dragon heads with green gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt with large earth-themed gems embedded in the foreheads, longer midnight black handle, four large ocean blue phoenix heads with green gems for eyes and ocean blue dragon head with earth-themed gem in its mouth below it for the pommel, Earth has on her new brand-new large gold cuff Bracers of the Champions of The Universe with ocean blue and green gems on her wrists and her Dragon Ball Bracelet on her left Bracer, new large gold Belt of Elemental Bravery with a gold dragon head with blue gems for eyes and a large ocean blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an ocean blue kanji with stars in between the kanji below the Earth that said, "Earth Chan, Personification of The Earth, Smart and Powerful Lover of Nature and Order, Representor of The Constellation Draco The Dragon, Loving Future Wife of Lincoln

Loud, Destroyer of Buttface Bully William Newton, Archenemy of Grumblemon, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth's Many Elemental Forces"

We were amazed by Earth's Super Angel-Earth Personification-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when William Newton saw it, he went fucking crazy and he ran at Earth to kill her, but Earth fired a barrage of ocean blue and green energy, water, ocean waves, water, ocean waves, plants, fruits, winds, lightning, stars, earth, lava, nebulae, sea creatures, mammals, reptiles, amphibians, and phoenixes at William Newton and it sent that dumbass flying into a rock formation back first, he got back up and he ran at Earth again with a knife he got out, but she disarmed William Newton by firing water blasts which hit him and sent him flying into another rock formation, he got back up, but now, he was mega pissed off and mega insane now!

Me: Holy enchiladas!

Nico: So incredible, Earth's transformed into her Super Angel-Earth Personification-Phoenix-Harmony Universal Eternal Celestial

Xelnaga form, and she really looks like a True Angel of The Earth itself.

Lincoln: She sure does, and she really got William Newton that pissed off already, now we can finish him off.

Earth: (Divine Godly Cosmic Voice of The Cosmic Multi-Elemental Earth Personification Phoenix Angel and Divine Cosmic Multi-Elemental Earth Personification Phoenix Angel Love) That's right, now let's rip that dumbass to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Earth.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble to last an eternity, William Newton, I did say if you ever came after Earth again, I was going to kill you. But, being the buttface you are, you refused to learn your lesson, and now, it's time for you to die.

Earth and Lincoln went after William Newton who's now gone absolutely ballistic, and they fired extremely powerful blasts of rainbow energy, ocean blue and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at William Newton and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and he and Earth attacked him with punches, kicks, and karate chops, and they were really, really, really pissing off him off now and driving him even more ballistic.

But, before William Newton tried to attack them, Lincoln and Earth smashed their fists into his face with Lincoln smashing out his eyes and Earth smashing out his teeth, and William Newton screamed in excruciating pain, and Lincoln even grabbed and ripped out William Newton's tongue, and William Newton screamed even more as blood came pouring out of his mouth.

Me: Oh! A fist to the eyes and a fist to the mouth!

Nico: And Lincoln even grabbed and ripped William Newton's tongue out, that was mega painful!

Then, Lincoln grabbed William Newton by the neck and he tossed him into the air, and Lincoln and Earth fired a powerful barrage of energy balls with water, ocean waves, water, ocean waves, plants, fruits, winds, lightning, stars, earth, lava, nebulae, sea creatures, mammals, reptiles, amphibians, quintessence, elemental forces, and mythological animals, and as they hit William Newton, they exploded with incredible power and he let out a scream of anger and fury as he was killed in the explosions. Then, William Newton's spirit appeared, and he was still incensed with anger and fury.

William Newton: You think you've won?! YOU THINK THIS IS THE END?! I'LL RETURN ONE DAY AND I WILL KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, buttface.

Lincoln summoned the spirits of William Newton's victims from the past who seized him, and then, he drew the Judgement Kanji on his forehead, and he was found guilty for his crimes, and he was fading away from existence.

William Newton: NO! NO! DAMN YOU, FUCK YOU, LINCOLN LOUD, DAMN YOU, FUCK YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU, FUCK YOU ALL TO HELL! (SCREAMS ANGRILY AND FADES AWAY)

We cheered wildly for Earth and Lincoln as they holstered their massive greatswords on their backs and powered down, and Earth's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ocean blue wolf tails, and massive ocean blue angel wings are permanent.

Earth: You've been asking for this for seven years, buttface. Thanks for helping me put that buttface bully down for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Earth.

Suddenly, Earth wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Earth's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, ocean waves, water, and Earth's many elemental forces behind them and we cheered wildly. Then, Lincoln and Earth absorbed the water, ocean waves, and elemental forces of Earth and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a serious dose of earthly justice. Lincoln, Earth, you two did really awesome in teaching that buttface a lesson he'll never forget.

Lincoln: Thanks, Nico, and he's had it coming for seven years.

Earth: I would've thought he'd stay away, but no, the big baby decided to break out of prison and come after us for more, but in the end, it got him killed.

Me: And wiped from existence for good.

Nico: You got that right. So, who's the next Demon Race Embodiment we're meeting on your rescue tomorrow, Lincoln?

Lincoln: Ooh, that's an easy one, Nico: the next one we're meeting on my rescue tomorrow is Renata Nefaria, Embodiment of The Legendorga Race.

The Nefaria Sisters gasped in shock.

Natalie Nefaria: Renata?! Oh man!

Nico: Hey, I remember Renata, we'd seen her in Math Class long ago, but we all remember her all too well.

Nina Nefaria: Yeah, Renata's our second youngest sister, and like all of us, Renata is a Goth Girl that loves the darkness and she has all the powers of dark magic, darkness, occult magic, and she can even summon all the forces of the undead and horror and have all kinds of powers that can give people nightmares forever. But, none of us had ever known that she was The Embodiment of The Legendorga Race.

Selene Arcangela: Nor did we know that she was related to Natalie and all of you.

Ravenna Amaranth: But, either way, you're going to love meeting her, Renata Nefaria is Lincoln's Guardian Angel from Michigan, and like Nina said, Renata's a very powerful Goth Girl that loves the darkness and she has all of the powers of dark magic, darkness, occult magic, and she can even summon all the forces of the undead and horror and have all kinds of powers that can give people nightmares forever, and she was born with not only the dark powers and strengths of the mythical monsters, but also the dark powers and strengths of The Legendorga and none of their weaknesses. Renata's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Renata a beautiful necklace with white pearls and a blood red gem for the pendant along with a beautiful black dress, and to show thanks, Renata kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Luan with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Renata Nefaria, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Mythical Creatures of Legend.

Nico: (Whistles)

Me: Now, that's awesome. Too bad we didn't get a chance to meet her during the Kamen Rider Kiva mission last year, she would've really given The Legendorga the ass-kicking of their immortal lives.

Lincoln: Yeah, that was a bust, but she'd found out King, The Checkmate Four, Takato Shiramine, Takashi Sugimura all paid the price for their crimes against The Demon Races, and now, she'll be meeting us tomorrow.

Wataru: We can't wait to meet her.

Luna: You'll definitely love meeting her, Wataru, along with seeing and hearing why she hates Luan with a burning passion.

Metal Sonic: Kylo Ren put up a good fight.

Tchang Zu: He did. We WILL admit that.

El Oso: But he was no match for us.

Me: No match at all for the most powerful force in the entire universe.

Leap Frog: And now, we got a new member.

Me: You sure do.

Gramma Stuffum: I'm cooking for the victory meal!

Me: Awesome!

Nico: Yep. Happy Star Wars Day to you all guys.

Eli: Same to you Nico.

Nico: Great job today everyone.

Eli: (To the viewers) This was an awesome day for us all and I hope you all loved it.

Me: I knew we did.

We went back home to Earth and enjoyed the rest of the day and went to sleep.

THE END AND MAY THE FORCE BE WITH YOU ALL

Kylo Ren is an awesome villain for the Star Wars saga. I wanted to do a chapter for Star Wars Day last year but I couldn't because of my grandma's funeral.

Lola: Yeah it sure is.

Nico: I hope Kapri approved.

Dustin: She did. But it's awesome.

Lola: Yeah!

Qin: It sure is!

Leeli: That is cool. How come they call it Cinco De Mayo?

Me: It's Spanish for The 5th of May. It's a very important holiday in Mexico's history. On May 5th, 1862 Mexico was invaded by French Colonizers that were trying to take over Mexico. But Mexico wouldn't let them and this resulted in the Battle of Puebla breaking out and Mexico won that battle. Ever since then, Mexico has celebrated that day as a massive and amazing victory and it's a celebration for a lot of people from Mexico.

Leeli: Wow! That is amazing!

Qin: Yep.

Nico: Hey, let's not forget about yesterday.

Me: Oh yeah! Star Wars Day was epic!

Qin: It sure was!

Lola: YEAH!

Nico: That was so much fun.

Camie: It sure was!

Leeli: We had a lot of fun on that one!

Dustin: We sure did.

Girl Jordan: Yeah that was awesome and fun.

Me: And We showed Kylo Ren what for.

Lola: Yep.

Nico: We also cleaned Leia's old base.

Me: We sure did and got awesome new tools and stuff. Too bad there weren't any droids there.

Lola: Yeah no kidding.

Qin: But it sure was awesome seeing Crait though.

Varie: Yeah it was!

Eli: It sure was awesome. And bro and Dark Laser did awesome taking on Kylo Ren.

Nico: Yep.

Maria: I don't deny that Kylo Ren put up a fight.

Me: Me neither.

Nico: Same here.

Qin: Yeah.

SpongeBob came out.

SpongeBob: ORDER UP!

We got our food.

Me: Thanks SpongeBob.

SpongeBob: Anytime guys.

We got to eating.

Me: (EATING KRABBY PATTY) MMM! Delicious!

Nico: Man, these patties are always delicious!

Eli: (EATING) They sure are!

Laney: (Eating) MMM! I love coming to the Krusty Krab just as much as dad's restaurant.

Nico: Me too.

Me: Also Sonic, Tails and the Sonic Sisters have an awesome hangout restaurant.

Nico: That Chili Dog Buffet Restaurant.

Me: Yep.

Lola: That is awesome.

Qin: They sure love chili dogs.

Nico: Wait. Do you guys hear something?

We then heard ANGRY RANTING OUTSIDE!

Me: Angry Ranting?

Squidward: And that voice sounds like… OH NO!

Me: Uh oh! It is! Evil Squidward!

We went to face him!

Nico: You have the nerve to interrupt a good meal. You better be prepared for the consequences!

Evil Squidward was MASSIVELY PISSED!

Nico: Are you just going to say something or look at us like a rabid dog?

Evil Squidward: YOU WRETCHED FILTHY MORONS!

Nico rolled my eyes and tossed a Krabby Patty in Evil Squidward's mouth.

It went into his mouth!

Then we fired numerous krabby patties into his mouth and he inflated like a balloon.

Nico: Full already?

Jenkins: WHAT'S THE HOLDUP!?

Evil Squidward turned and then…

LOUD BELCH!

Evil Squidward: I think my heart just stopped.

Nico: Good. That means we already beat you.

Me: That was silly and funny.

Mr Krabs: And you get the bill.

He showed the bill and it revealed that it was world $808,999,999.00.

Evil Squidward screamed in shock as his HEAD EXPLODED!

KRABBOOOOOOOOOOOMMMM!

He was going to have a huge debt to pay off.

Squidward: Did you make that price up?

Mr. Krabs: No I didn't Mr. Squidward.

Nico: No reason Mr. Krabs can't use his greed on bad guys.

Mr. Krabs: That's right lads.

Lola: That works.

Nico: Alright, now that problem #1 has been taken care of, let's have Eli sense for Swartz's creations.

Eli: (grumbles) Do this, Eli. Do that, Eli. Bossy bossy bossy!

Me: Eli calm down.

Eli: Sorry.

Eli concentrated.

Eli: Found them. We have Another Magman, Another The Sylph, Another Thudd, Another Tooth Fairy (Billy & Mandy), Another Fission Metroids, Another Dark Riku, Another Kaa and Another King Hiss.

Me: Whoa! This will be fun.

Eli: Another Magman first.

Me: That means Esmeralda Volvenstein the Holocaust Disciple Gene-slammer is first.

Lola: Nice.

Eli: This will be fun.

PSYCHO STRINGS PLAY

Eli snuck up behind Nico and then…

BUZZ!

Nico got a shave mark on his head!

Nico: (SCREAM!) WHAT THE FUCK!

Eli laughed and we laughed with him!

Eli: (LAUGHS) SORRY NICO!

Maria called her in and hen in. In a vortex of fire came Esmeralda.

Esmeralda Volvenstein: You rang?

Me: Perfect.

Qin: Yep.

Nico: There he is!

Then a glob of lava came and we saw that it had a dark aura around it. It was ANOTHER MAGMAN!

Nico: This one is hot! And we're underwater!

Lola: No kidding!

Camie: Yep.

Nico: And you are?

Another Magman: (In a girls voice) I believe that J.D. knows me.

She reverted back and it was a girl with red hair, red eyes and had the kanji for Fire in the middle of her forehead and had fire angel wings and had red clothes and had the Kanji of the Firebirds of the 8 Flurries of Dancing Flames on her skirt and she had the Bond of Flames Keyblade in her hand and Axel's chakrams on her back.

Me: Abigail Axel! Wow!

Esmeralda Volvenstein: Boy This one is hot!

Me: Yep.

Abigail Axel: I sure am a hot one and also I am the gene-slammer for Axel.

Qin: That is awesome.

Lola: Infernal and hot.

Camie: Yeah.

Me: Boy even though we're underwater I can tell this is gonna be hot.

Xenia: It sure is.

Abigail Axel: Yep.

Me: by the way are the rest of the Anothers friendly or hostile?

Abigail Axel: Friendly. And you will like who the Another The Sylph is.

Me: I have a feeling we will. But won't you extinguish down here?

Abigail Axel: Nah. I'm too hot and strong to be put out.

Me: Whew! No kidding.

Esmeralda Volvenstein: Let's do this!

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep
Rise again holoré now
Spring abundant holoél

Raise the rock

Spring abundant holoél

Abigail glowed and she was separated from Another Magman!

Qin: YEAH!

Esmeralda Volvenstein: See if this is hot for you!

Then we saw the Another Magman harden into solid rock!

Qin: WHOA!

Me: He hardened into solid rock.

Esmeralda Volvenstein: Because he is a creature made of pure lava and lava hardens when it comes into contact with water.

Nico: Yep.

Esmeralda Volvensteiin: Good thing I don't extinguish.

She fired a blast of fire and it hit him and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Firebirds of the 8 Flurries of Dancing Flames and the Volcanic Kingdom of the Lava Demons.

Me: Fitting and awesome.

Lola: Yep.

Qin: Another The Sylph next.

Esmeralda Volvenstein: Looks like my sister Lanaiya is up next.

Maria called her in and in a tornado came Lanaiya Volvenstein the Cyclonic Ravager Gene-slammer!

Lanaiya Volvenstein: Hey, guys!

Me: Awesome timing Lanaiya.

Qin: Yeah!

Lola: Yeah.

Lanaiya Volvenstein: But I'm ready for this.

Nico: There she is!

We saw a figure and it flying in was Another The Sylph! It was a dark version of her!

Me: WHOA! Another The Sylph.

Nico: Yep.

Another The Sylph: Thank you guys for destroying that Blasphemous heretic Frollo.

Me: That voice.

She reverted back and we saw that it was a girl with purple hair and had purple and green Sailor Soldier clothes!

Me: (GASP) Marinette Cheng Dubois A.K.A. Sailor La Cité des Cloches!

Nico: The Sailor Soldier of the world of 1996's The Hunchback of Notre Dame! Whoa!

Zuria: That is awesome! That is one of my favorite movies.

Sakura Knudson: Mine too! I loved that movie back when I was a little girl.

Sailor La Cité des Cloches: I'm glad I have some fans.

Me: Yep. Me and Marinette went all over the world and destroyed evil cults all over the planet and either sent them to prison or blasted them into dust.

Nico: WHOA!

Sailor La Cité des Cloches: Those were fun.

Nico: You do know Frollo killed Quasimodo's mom, right?

Sailor La Cité des Cloches: I know and I'm glad that Frollo got what he deserved.

Me: He was the most blasphemous traitor ever. We destroyed him and made sure he paid for everything he did.

Eli: He did EVERY sin ever known and we banished him to the black gates.

Qin: And it was funny seeing Kairi be badass like that.

Sailor La Cité des Cloches: (LAUGHS) I saw that from the shadows! She really gave that Porcupine guy a really nasty noogie and kicked that Star Ninja right in the crotch! That was awesome!

Me: Yeah that was Akahoshi that she kicked and that was Porcupongo the Porcupine Rinshi from Jungle Fury.

Nico: Yep.

Sailor La Cité des Cloches: That is funny!

Nico: We should make her badass more often.

Lincoln: Nico, it has to be her choice.

Nico: I know. She'll do that when she feels like it.

Qin: Good.

Lanaiya Volvenstein: Sorry we have to fight like this.

Sailor La Cité des Cloches: No worries.

Lincoln: Lets separate you from your Another first.

Lincoln fired a wave of light and separated her from Another the Sylph.

Eli: YEAH!

Lanaiya Volvenstein: I hope 2 more appear after this.

Me: Me too.

Lanaiya fired a massive wave of tornadic wind and blasted down Another Sylph and she exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Sailor Soldier of The Hunchback of Notre Dame and the Wind Robin Hood.

Me: Fitting and cool.

Qin: Yep.

Nico: Another Thudd, Another Tooth Fairy (Billy & Mandy), Another Fission Metroids, Another Dark Riku, Another Kaa and Another King Hiss left.

Me: Yep.

Lincoln: Better call in Melanie Hazeltucker.

Nico: The Gene-slammer for Elemental HERO Storm Neos on Lincoln's side.

Qin: Yep.

Maria called her in.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Lightning struck all over and out came Melanie Hazeltucker!

Melanie Hazeltucker: Better call in 1 more.

Nico: Another Tooth Fairy that Billy and Mandy faced is next.

Melanie Hazeltucker: That's for my sister Rhonda the Elemental HERO Chaos Neos Gene-slammer.

Lola: Whoa!

Maria called her in too.

Then a Sun and Moon appeared and the moon eclipsed the sun and then out came Rhonda Hazeltucker!

Rhonda Hazeltucker: I'm here guys!

Qin: Awesome!

Lola: This is awesome.

Nico: There they are!

We saw Another Thudd and Another Tooth Fairy!

Qin: Whoa!

Me: Another Thudd and Tooth Fairy.

Qin: This is gonna be awesome.

Me: And you two are?

Another Thudd: (In a girls voice) (In a girls voice) I HATE BEING IN THIS DUMB BODY!

Another Tooth Fairy: (In a girls voice) My father was turned into a toothless freak because of Billy!

Me: Wait Elise Eris and Tina Tooth!

They reverted back and Elise was a girl with blond hair and blue eyes and blue clothes and Tina was a girl with orange hair and orange eyes and had orange butterfly wings and she had orange clothes.

Tina Tooth: Awesome to see you again J.D.

Me: Same here.

Nico: Just so you know, Poromon has his own parody costume based on the Tooth Fairy. It's called the Beer Fairy.

Tina Tooth: (LAUGHS) I've been hearing about that! That is so cute!

Qin: Yeah it sure is!

Me: What did Billy do to your father?

Tina Tooth: I uhh… I don't know. But he lost all his teeth back then because of him.

Qin: Oh Billy there is no end to your stupidness.

Lola: Yeah.

Me: And Elise I didn't know that Eris was your mother. Your mother is awesome.

Elise Eris: Yeah she sure is. I am known as the Avatar of Chaos and Discord. I have all her powers.

Elise got out a golden apple and turned into a big container of laxatives and she shoved it down Evil Squidward's throat and then his stomach grumbled loudly and then..

SUPER MASSIVE EXPLOSION OF DIARRHEA AND INK!

Me: OH GOOD GOD! You are definitely Eris' daughter all right.

Nico: Your mom has been a big help to us. But she and Grim are definitely not a thing.

Elise Eris: I know. And I'm glad for mom.

Rhonda Hazeltucker: Sorry we have to fight like this girls.

Elise Eris: I know.

Lincoln: Lets separate you two.

Lincoln did so and Rhonda and Melanie blasted Another Thudd and Tooth Fairy and they exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books.

Me: YEAH!

Qin: Awesome!

Me: Another Fission Metroids, Another Dark Riku, Another Kaa and Another King Hiss left.

Nico: Better call who's next.

Me: I summon KAIRYU SHIN!

I summoned Kairyu-Shin!

Maria then called in Xion! A Sun Appeared and then out of it came Xion!

Xion: Awesome! I'm here guys!

Nico: And so are they!

We saw 4 metroids of each color of the beams. They were of Power, Wave, Ice and Plasma and they had dark auras.

Sora Phaaze: Whoa! Fission Metroids!

Qin: Another Fission Metroids!

Then out of a vortex of blue fire came ANOTHER DARK RIKU!

Me: WHOA! Another Dark Riku!

Nico: This will be good!

Me: Yep. Always wanted to have another crack at Dark Riku.

Nico: We have to know who they are first.

Another Plasma Metroid: (In a girls voice) I believe that J.D. knows us.

Another Dark Riku: (In a girls voice) And it's awesome to see you

again.

The Another Fission Metroids merged back and they reverted back. One was a girl with blond hair and blue eyes and had blue clothes and she had a sword of energy and the beams of the Metroid Planets and she had blue angel wings. And Another Dark Riku was a girl with black hair and had blue eyes and had Riku's dark keyblade and she had black angel wings and black clothes.

Me: (GASP) Julie Samus Aran and Rikku Maleficent!

Nico: WHOA!

Rikku Maleficent: Good to see you again J.D. and yes sorry about the scare but I am indeed the daughter of Maleficent herself. Minus the horn headdress.

Nico: WHOA!

Julie Samus: And yes I too am Samus Aran's daughter. I have all her skills and powers.

Nico: We have an alternate version of your mom.

Rikku Maleficent: I heard about that. And I'm glad she is on the right side.

Me: Long story on that.

Qin: Yeah.

Julie Samus: Yeah.

Xion: Sorry we have to fight like this though.

Lincoln: Time to separate you guys.

Lincoln fired a wave of light and did so.

Me: Time to dance.

I fired a wave of energy and blasted Another Dark Riku all over.

Xion summoned her Keyblade and blasted down Another Dark Riku and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book.

Xion: What an Amateur.

Nico: Now for the Another Fission Metroids!

Me: Kairyu-Shin do your stuff.

He fired waves of energy and blasted them down.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

I caught the Ride Book.

Me: Nice.

Qin: Another Kaa and King Hiss left.

Nico: I already see the Another Kaa.

Kaa: That isss one handsssome verssssion of me.

Nico: Yep.

It came up to us. It was a Dark version of Kaa.

Me: Another Kaa.

Dustin: Oh boy.

Nico: Who are you?

Another Kaa: (In a girls voice) I believe that J.D. rescued my sister Miia.

She reverted back and it was a girl with black hair and red clothes and had a half of her body as a snake. A Black snake.

Miala: I'm Miala and Miia is my sister.

Nico: Wow!

Me: Awesome to meet you. But Miia never told us anything about you.

Miala: I had a feeling that she is still mad at me for what I did. Me and my sister had a falling out because I was jealous of her beauty. I'm trying to find her so I can make things right.

Qin: Oh man. I'm sorry.

Nico: Look, we can't help you entirely with that. Only you truly have the choice to make things right

Miala: I know. And J.D. I know you will take good care of my sister. You are a man of your word.

Me: I know and I am.

Nico: Yes he is.

Dustin: Sorry we have to fight like this though.

Miala: No worries.

Dustin: Ninja Storm Ranger form! HA!

He turned into his Ninja Storm Yellow Form!

Dustin: (Echoing) POWER OF EARTH!

Me: Feels kind of weird that you are for earth and here you are underwater.

Maria: Yeah this is more Tori's element.

Dustin: I know.

Lincoln fired a wave of energy and separated Miala.

Me: Top this hypnosis.

I used a Hypnotic Glare and immobilized Another Kaa and Dustin fired a blast of energy and smashed him and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

I caught the Wonder Ride Book.

Me: Yeah!

Me: Another King Hiss left.

Nico: There he is!

We saw ANOTHER KING HISS!

Me: WHOA!

Nico: Another King Hiss!

Lola: This will be good!

Leni: I am totes excited for this!

Another King Hiss: (In a girls voice) It sure will and Leni it's good to see you.

Me: Wait! That voice!

She reverted back and it was BELLE MULDOON!? WHAT THE FUCK IS GOING ON!? But she didn't have a scar.

Me: Belle Muldoon!?

Eli: BUT HOW!? We destroyed you!

Belle Muldoon: Wait wait wait! Let me explain! That girl you faced that had that scar! That was not me!

Me: What do you mean?

Belle Muldoon: That was my evil twin sister Billie! She had a really nasty jealousy problem.

Nico: How do we know you're telling the truth?

Eli: She is! I can sense it.

Leni: Why was your sister filled with such hatred towards me?

Belle Muldoon: She always had lots of mental problems. My sister hated you because she was really jealous of you Leni. She never wanted to be your friend at all. She used you as a pawn in her scheme. It was to befriend you and then humiliate you in front of the whole school like a dumb idiot.

Lola: That dirtbag!

Belle Muldoon: Yeah. Then she got that scar and that was the breaking point for her. She snapped and was never the same since then. She is the one that got me kidnapped by Swartz! But when I heard you gave my sister the black gates I knew that was when it was time to find you guys to explain things. Leni I am so sorry for everything my sister did. She was a psycho from the very beginning.

Lincoln: She was pure evil.

Me: Yeah.

Sougo: (gets out Grand Zi O Ridewatch) If you got kidnapped, Swartz definitely didn't promise you anything

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Belle Muldoon: I will be glad to tell you. Me and Leni knew each other since we were in middle school. I loved fashion as much as she did and I always loved the snake.

She showed a snake on her jacket.

Belle Muldoon: King Hiss has always been one of my favorite villains. Also I love snakes. I kept many pet boa constrictors in my room.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Qin: YEAH!

Lola: Awesome!

Belle Muldoon: Thank you for destroying my sister. She should have never been released on parole from the asylum.

Me: The Asylum!? What do you mean?

Belle Muldoon: She was declared criminally insane after she tried to kill me the first time and was committed to the nuthouse forever. She was declared extremely mentally unstable.

Me: My god. I'm sorry Belle. Boy we had a massive and incredible case of mistaken identity. After all these years.

Qin: Yeah no kidding!

Leni then went and hugged her.

Leni: I'm totes glad to have you back bestie.

Belle Muldoon: Me too bestie. Me too.

Me: We're going to have a really hard time explaining this to the team.

Nico: Yeah. First lets get you back to normal.

Leni backed away and Belle turned into Another King Hiss!

Nico: (gets out King Hiss' Ridewatch) You like snakes? Have some of this then!

He activated it and fired waves of energy and blasted her down.

Nico: (gets out Kaa's Ridewatch) Look into my eyes!

Nico activated it and did a very hypnotic glare.

Another King Hiss: (Droning) At your service master Nico.

May: (gets out Dragon (Timon and Pumbaa)'s Ridewatch) That's it, Nico. Hold her still!

May activated it and then fired a blast of fire from her mouth and it hit Another King Hiss.

May: GAAAH! HOT HOT HOT HOT HOT! OWOWOWOWOWOWOWOWOW!

Maria: Another one that burns your mouth.

Maria cooled her mouth.

May: (gets out Quartzion The Crystal Queen's Ridewatch) It's weird seeing the real you right now.

May activated it and fired a crystal energy blast and smashed her down!

Qin: YEAH!

Quartzion: I know and it's really great.

Me: Treetrunks makes really awesome apple pie.

Lola: Yep.

Maria: (gets out Vypeera's Ridewatch) My turn!

Maria activated it and fired waves of energy and smashed her down.

Me: Oh yeah!

Xenia: Take that!

Maria: (gets out Ms. Allure's Ridewatch) See how you like this!

Maria activated it and her eyes glowed blue.

Maria: Dress up in yellow bikini after we're done reverting you back.

Me: Ooh hubba hubba.

Dustin: Nice!

Dustin activated Kaa's ridewatch and fired waves of energy and smashed her down.

Then Griffin, Animal Path, Haggis MacHaggis, Soccadillo, Krylox and Smaug appeared.

Nico: Nice team Griffin.

Griffin: Hey thanks!

Qin: Awesome!

Lily: Awesome and fun.

Maria: Where's the next Gene Slammer?

Me: I think right next to you.

Maria saw a Dragalge.

Maria: Cool a Dragalge!

Qin: Pretty one.

Dragalge: (In a girls voice) (Spanish Accent) Si and this will be fun.

Nico: Lupe Dracos! Wow!

Qin: Wow! The queen of Mexico Cuisine! Awesome!

Dragalge: Good to see you again Qin. I got this.

She fired waves of energy and blasted her and she was back to normal. Then Belle spun around and she was in a yellow beautiful bikini!

Me: WHOA!

Lincoln: (DID A TEX AVERY WiLD TAKE)

Nico: (LAUGHS)

I brought Belle over and she had a headache.

Belle Muldoon: What happened? Whoa I'm in a bikini? Nice!

Lupe Dracos reverted back and she was a girl that had purple hair, purple eyes and a purple dress and purple angel wings.

Lupe Dracos: That was a buena victory.

Dustin: What's your favorite memory of Nico?

Lupe Dracos: When me and Nico and Qin made the hottest quesadillas ever and we gave them to a Queen Bee girl we hated and she ate them and her stomach literally exploded.

Me: WHOA! EW!

Nico: That was the old exploding stomach trick. It was funny and awesome.

Nico and Lupe hugged.

Nico: I've really missed you.

Lupe Dracos: Me too Nico. Me too.

Lincoln: Whoa, this is awesome, we're here on a planet of the hottest, nuclear, and spiciest peppers in the world!

Me: Oh man, I can't wait to start scarfing down some peppers.

Lincoln: That's what's going to happen, J.D., not only am I going to rescue the six girls here, but since today's Cinco De Mayo, you and I are going to have a nuclear hot pepper eating competition.

Nico: Whoa, this is going to be one spicy challenge, and you'll be facing very tough competition with Lincoln, J.D., since he loves eating nuclear hot peppers, and Gina Angellus was the one who gave him The El Paso Diablo Pepper of Fury all those years ago.

Luna: And from what we saw during his rescue against The Universe 666 Z-Fighters, he'd ascended and became a True Spice Demon.

Me: That's true, but I'm always up for some tough competition with a fellow Spice Demon.

Lincoln: Me too, and after that, we'll be going after that sore loser and murderous bitch, Amy, who's gotten out and she wants bloody revenge on us yet again for all the humiliations we'd dealt unto her, but we're taking her down again and chaining her back to her post at Lynn's Table with Neutronium Chains lined with rainbow energy.

Eli: We've got to start chaining those jerks up with Neutronium Chains lined with rainbow energy.

Lincoln: We'll be doing just that after we deal with Amy, Eli, and I want to thank you and your team for joining us, Loni.

Loni: You're welcome, Lincoln.

Lincoln and I took our seats, and then, Nico gathered together twenty massive smorgasbords of the hottest, spiciest, and deadliest nuclear superhot peppers that were growing all over the planet.

Nico: Alright, competitors, when you hear the bell, start eating!

Lincoln and I stood ready, and then, Eli rang the bell.

DING!

Then, Lincoln and I began scarfing down and devouring the peppers like crazy, and we weren't letting up in the slightest, and at the same time, our rainbow fire auras flared up to a wild extent, and we've been gaining a massive power boost and our abnormally massive upper and lower body muscles had grown and bulged even more and they saw our veins were glowing neon red.

Nico: WHOA! Those two True Spice Demons aren't even letting up in the slightest!

Lynn: Oh man, if this was against non-Spice Demons, Lincoln and J.D. would easily clean them out.

We were still not letting up as we were still devouring peppers like crazy, and our rainbow fire auras were still flared up to a wild extent, and we're still gaining a massive power boost and our abnormally massive upper and lower body muscles had bulged even more and they saw our veins were glowing neon red.

Luna: (GASPS) Dudes, they've now gone FULL HEAT NIRVANA TO THE INFINITE POWER!

Everyone else gasped in shock!

Laney: That's exactly what happened to me when I challenged Lynn to a spicy food eating contest all those years ago, I'd went through Full Heat Nirvana.

Luna: When that happened to Chunk, it got really ugly.

Nico: Oh, damn! If Amy tried to interfere, they'd rip her to shreds!

Finally, Lincoln and I finished all twenty massive smorgasbords of the hottest, spiciest, and deadliest nuclear superhot peppers that were growing all over the planet, and we let out loud belches with fire coming out of our mouths, and then…

Nico: SWEET MOTHER OF ALL THINGS SPICY!

Eli: HOLY TOLEDO! THAT WAS ONE WILD SERIES OF EXTREMELY MASSIVE AND WILD EXPLOSIONS!

Lincoln: I think we can consider that one a tie.

Me: WHEW! You got that right, but Lincoln, you really proved to be one tough hombre to eat all those spicy peppers and keep up with me! Right on!

Lincoln and I gripped hands in the manly handshake from Predator and his large right hand and my large right hand were encased in rainbow fire.

Nico: Whoa, you two hombres are now way too hot to handle! Now, let's get after that bitch, Amy, and set her ass on fire!

Nico: Whoa, so we got a goth girl we're meeting here today.

Goth Girl: Oops, sorry about the scare, but I managed to get the girls away from that murderous bitch, and I saw the displays from here, you're still the same tough man who knows how to scarf down hot peppers, Lincoln.

Lincoln: (Gasps) That voice, Renata Nefaria, Embodiment of The Legendorga, I knew it was you!

?: YOU WILL ALL DIE FOR HUMILIATING ME, YOU FUCKING LOSERS!

We then saw our target, Amy, and she was now a rabid dog with her mouth foaming and a crazed look of murder in her eyes.

And thanks to The Gessius Flores Vengeance Curse still on Amy, massive tons of gold coins, jewels, gems, and many other currencies exploded out of her. Then, Lincoln and I formed two massive rainbow fireballs in our hands.

Amy: I'LL FUCKING KILL YOU ALL!

Amy charged blindly at us, but before she could attack, Lincoln and I threw the massive rainbow fire balls at Amy, which exploded with really incredible power as they hit her, and she was charred and burned badly.

Nico: WHEW! Oh man, you guys really torched that bitch!

Qin: They sure did. Now, let's tie that bitch up!

Lincoln beamed Amy who got tied up in a rainbow energy straitjacket right back to her post at Lynn's Table, but this time, she was chained back to her post with Neutronium Chains lined with rainbow energy, and when Amy woke up to see what happened, she absolutely lost it big time and shrieked and screeched like a banshee vowing revenge on us. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you to never come after us ever again!

Me: I don't think she'll learn her lesson, Lincoln, she'll always come back for more.

Nico: Like the vengeance-crazed bitch that she really is, but you guys really put the hurt on her with those superhot rainbow fireballs you threw at her.

Qin: Luna was definitely right, you and Lincoln literally went Full Heat Nirvana to the infinite power by devouring those twenty massive smorgasbords of all those nuclear hot and spicy peppers.

Me: We sure have, and they also raised our body temperature and heat to infinite levels.

Lincoln: To villains, we're now way too hot to handle. (To Renata Nefaria) And it's so good to see you again, Renata Nefaria.

Renata Nefaria: You too, Linky, it's been such a long time.

Lincoln went up to Renata Nefaria and he hugged her, and Renata Nefaria is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Renata Nefaria: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And we can already guess who this Goth Girl is, right?

Lincoln: That's right, J.D., this is Renata Nefaria, Embodiment of The Legendorga, she's my Guardian Angel from Michigan and she's indeed related to The Nefaria Sisters: she's the second youngest of The Nefaria Sisters alongside Nicole Nefaria, and like her sisters, Renata Nefaria is a Goth Girl that loves the darkness and she has all the powers of dark magic, darkness, occult magic, and she can even summon all the forces of the undead and horror and have all kinds of powers that can give people nightmares forever, but, none of them nor Nico had ever known that she was The Embodiment of The Legendorga Race, and she was born with not only the dark powers and strengths of the mythical monsters of legend, but also the dark powers and strengths of The Legendorga and none of their weaknesses. Renata Nefaria's known for defending me with a fierce passion not only from his many enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Victoria Kurenai: And she's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Ravenna Amaranth: We also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Renata a beautiful necklace with white pearls and a blood red gem for the pendant along with a beautiful black dress, and to show thanks, Renata kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Luan with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Renata Nefaria, even Takato Shiramine A.K.A. Kamen Rider Rey and Takashi Sugimura, the leader of The Legendorga, fear the Embodiment of The Mythical Creatures of Legend.

Me: Whoa!

Nico: Damn, she's really that powerful?!

Lincoln: Yep, and we've taken down many evil legendary monsters long ago, and her skills in The Dark Arts and darkness are never to be underestimated. Plus, Renata also taught me how to use the Legendorga powers for good.

Me: Really?

Lincoln: Yep, I can summon legendary creatures and demons loyal only to me to attack some thugs out to kill us.

Lucy: They were indeed amazing.

Luna: And they really scared Lori, Lynn, Lola, Lisa, and Luan, but when some thug or wise guy tries to cause trouble or is just out on a rampage, Lincoln summons the demons and legendary creatures to attack them, and it never ends well for them.

Me: Too bad we didn't get a chance to meet you last year when we went after King and his minions.

Nico: Yeah, that was a bust, you would've kicked some serious Legendorga ass.

Renata Nefaria: Yeah, I would've wanted to kick Takato and Takashi's asses hard, along with beating up the other Legendorga, but, I'm so glad to hear King and the rest of The Checkmate Four, along with Takashi Sugimura and Takato Shiramine got The Black Gates.

Selena Kurenai: They were nothing but bastards, every last one of them, except for Maya who was once The Pearlshell Fangire along with Mio Suzuki, but she got turned against her own will.

Lincoln: And some of the Fangires and The Mummy, Gargoyle, and Medusa Legendorga are now part of The Masters of Evil and some of them are now the archenemies of many of our friends.

Renata Nefaria: Wow.

Nico: It sure is, and if they come out for the usual battles and when they see you, please try not to attack them.

Renata Nefaria: Okay, but I'll settle for scaring them when they see me, and it's so good to see you again, Nico, along with you and our other sisters, Natalie.

Natalie Nefaria: You too, Renata.

Lincoln: I was still stunned to find out you were related to The Nefaria Sisters, Renata, and now that you're here.

Suddenly, Lincoln hugged Renata Nefaria in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also

kissed where he bit her.

Renata Nefaria: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Renata Nefaria's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Renata Nefaria: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Renata Nefaria.

Renata Nefaria had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Hanako Yamada, Kanade Wakamiya, Mizore Fujiwara, Rei Nagasawa, Siduru Hibino, and Hikari Ichijo from Paimega.

Lincoln: Oh wow, it's Hanako Yamada, Kanade Wakamiya, Mizore Fujiwara, Rei Nagasawa, Siduru Hibino, and Hikari Ichijo from Paimega.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hanako Yamada: Yes, we're okay, thanks to you.

Hanako Yamada: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hanako Yamada: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hanako Yamada, Kanade Wakamiya, Mizore Fujiwara, Rei Nagasawa, Siduru Hibino, and Hikari Ichijo with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were stunned to find out Lincoln and I had a hot pepper eating competition, and it came to a tie since we were both tough True Spice Demons and they saw the display from the telescope, and then, they were shocked to find out the villain we went after was that sore loser and murderous bitch, Amy, who's gotten out and she wants bloody revenge on us yet again for all the humiliations we'd dealt unto her.

But, when Lincoln and I showed what happened such as all of us giving that bitch the beatdown of her life and massive amounts of gold coins, jewels, gems, and currencies exploding out of her due to Lincoln's Gessius Flores Vengeance Curse still on her, and we took her down by firing massive rainbow fireballs at Amy which exploded and knocked her down and sent back to her post, this time, chained up with Neutronium Chains lined with rainbow energy, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Renata Nefaria have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys devoured those superhot peppers like crazy, and we saw the display from the telescope. You two really are two tough hombres and tough True Spice Demons.

Nico: That they are.

Lincoln: And I couldn't believe Amy broke out to get revenge on us again, we need to keep a sharper eye on her and the other jerks.

Eli: I'm already on that, and I'll also be keeping an eye on Schnozmo.

Me: Good idea.

Timmy Turner: Luckily, I still have his wand locked away, and like Zachary said, Schnozmo has lost his wand forever and he's banned from Fairy World forever and now condemned to be a busboy at Lynn's Table.

Nico: Yep, crime doesn't pay for a con artist like him.

---

After our hot pepper eating challenge and taking down Amy, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Renata Nefaria saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Renata Nefaria: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Renata, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Renata Nefaria: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Renata Nefaria: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Renata, what's the story on why you hate Luan with a burning passion?

Renata Nefaria: Now, that's something I haven't forgotten.

Renata Nefaria pulled up a video and it played on the screen, and it shows Lincoln and Ashina, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and we also saw Lincoln doing one-fingered push-ups and with three 20 kg weighted plates and four 25 kg in his hand behind his back, and he was really sweating up a storm as sweat poured down from him.

Nico: Whoa, I never knew you also did one-fingered push-ups and with weights in your hand behind your back, Lincoln.

Me: I'd seen it before, and you wouldn't believe how many he was able to do: he was able to do four reps of 4,000 one-fingered push-ups and he really sweated up a storm and of course, far away from Lynn.

Lincoln: That dark side of hers never cared about my health and just wanted me to die. Now, here's where we dealt with Luan.

Suddenly, the alarm in their gym went off, and Renata saw who it was coming after them: it was Luan and she had set up tons of lethal traps all over the outside of the gym to kill Lincoln and his Guardian Angels after they finish their work-outs.

Past Renata Nefaria: At it again, Luan?! You really don't even know when to quit, do you, you crazed homicidal clown?!

Past Lincoln: Let's head for the roof and disarm all of her pranks, and then, we hunt down Luan.

Lincoln put the weighted plates down, and he and his Guardian Angels went outside and to the roof, and then, Renata Nefaria fired waves of darkness which triggered all of Luan's lethal pranks she set up outside. Luan went to see for herself if they got caught and killed in them, but nothing.

Past Lincoln: OVER HERE, CLOWN!

Luan looked up and saw Lincoln and his Guardian Angels on the roof of their gym, and they were not happy that Luan tried to kill them with her pranks.

Past Luan: You ruined my pranks, do you know how long it took to get everything set up?! That's it, I'm coming after you all myself!

Past Lincoln: You're not getting that chance ever, Luan!

Lincoln and Renata fired waves of darkness at Luan, and they blinded her, and then, Lincoln and his Guardian Angels attacked her without mercy, and she was knocked down and out. Then, Lincoln fired red energy waves from his massive white angel wings which tied Luan up in red energy ropes. Then, Luna came rushing over, and she saw what happened.

Past Luna: Whoa, looks like you and Renata took down Luan, dude, awesome!

Past Lincoln: Thanks, Luna. You can take care of the clown now.

Past Luna: Oh, trust me, she's in huge trouble when we get back.

Luan woke up and when she saw she was tied up again, she was really angry.

Past Luan: I'LL GET YOU FOR THIS, LINCOLN, DO YOU HEAR ME, I'LL GET YOU, YOU AND YOUR DUMB GUARDIAN ANGELS, YOU WILL ALL DIE LAUGHING! (LAUGHING DERANGEDLY)

Past Luna: (Grabs Luan by her ponytail) You're not laying one hand on my bro or his Guardian Angels, now get moving, clown!

Luan was forced to march home with Luna forcing her down the lane, but Luan still swore revenge for her humiliation and she was still laughing like a homicidal nutjob until Luna whacked her on the head with a baseball bat as the video ended.

Nico: Sheesh, Luan wasn't too happy Renata wrecked her pranks.

Natalie Nefaria: (GROWLS) Why, that little… ! Luan was the one who tried to kill our little sister all those years ago, I would have her miserable soul cursed with no chances of ever being freed from the curse!

Me: Whoa!

Nico: Dark Luan went way too far that day, you mess with one of The Nefaria Sisters, you're crossing a line from which you're going to get cursed for all eternity.

Lincoln: But, Mom and Dad got to Luan before any of The Nefaria Sisters did, she got grounded for fifteen weeks and thrown in a padded room container tied up in a straitjacket, and she was laughing like a deranged psycho clown.

We got a shower, and then, Lincoln, Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Amy hired to kill them, Lincoln killed them all and sucked out their blood, which made Amy go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that bitch, but they also got to keep their heads up, they got word that bitch, Trina Riffins, has sent more muscle-bound thugs to kill them.

Harpie Lady 1: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Harpie Lady, and it's perfect for our first date. Shall we?

Lincoln, Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went to the beach and they also had a game of volleyball, and Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Trina Riffins coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3, and they hugged the girls in their abnormally massive and powerful muscular arms, and Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3 are now in your harem.

Julie Makimoto: This is so awesome, now Mai Valentine's three Harpie Ladies are part of your harem.

Jenna: Trina Riffins had some nerve trying to kill them, that heartless murderous bitch's just making things much worse for herself.

Serena Logan: Trina really is a murderous rage-crazy bitch to try those sorts of stunts, but just like Flip, she's just making things worse for herself.

Rarity: And trying to kill Harpie Lady 1, Harpie Lady 2, and Harpie Lady 3, now she's really going to get it.

Lincoln: And we also had a run-in with more of her hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: Are you kidding, if Trina broke out, Courtney would wind up getting to her before any of us did, and she'd really do a lot worse than the beatdown she gave that rage-crazy Spawn of Satan during The 20 Days of Darkness.

Me: Yeah, and she's lucky we're not giving her The Black Gates because she doesn't deserve it.

Lincoln: Death's too kind for her, she deserves to suffer our humiliations, and from what we've been doing by always winning against evil, it's driving her and the other jerks completely nuts!

Nico: (Snickers) In more ways than one, Lincoln.

---

Later it was time for Princess Amore's final mission.

William: Anyone else want to go with Amore? Besides the mascots, the Auradon kids, Otto Rocket, and Ish?

Lincoln: Me and my siblings will go with.

Stacy Bolton: And I'll go too.

Megan McCallister: And so will me and Touma.

Nico: Just like we said.

Qin: Yep.

Me: Oh and Natalia Somonmenchikov is coming too. I have my reasons for that one.

Natalia Somonmenchikov: (Russian Accent) You got it comrade.

Raven Queen: Boy that's a lot of kids!

Raven Queen: Boy their family never believed in condoms huh?

We laughed!

Jay: Hello.

Carlos: Awesome to meet you girls.

Raven Queen: Wow! Same here.

Me: Mal is the daughter of Maleficent, Jay is the son of Jafar and Carlos is the son of Cruella De Vil. And Raven, I think you and Evie are related somehow. She is also the daughter of the Evil Queen.

Raven Queen: (GASP) That is amazing!

Nico: The versions of Maleficent, Jafar, Evil Queen, and Cruella we're leaving alone since they haven't committed as many atrocities as the ones we know.

Me: Yeah those are not as dangerous as the ones we know.

Raven Queen: That is good. So Evie I guess in a way we might be sisters.

Evie: I guess so.

Natalia Somonmenchikov: That is amazing.

Me: Yep.

Natalia Somonmenchikov: So what is the reason you want me to come with you?

Me: I have a letter here that I got from a mysterious guest. It just says that she will be coming to Ever After High.

Eli: Strange.

Poromon: While we're waiting for whoever J.D. invited here, it's only fair we show you girls a Robot Chicken sketch involving a Disney

Princess War.

Lincoln: (smirks) Oh? Whatever happened to calling them "Educational"?

Poromon: Lincoln, I'm not sugarcoating it anymore.

Me: You girls are not going to like this one. Me and the princesses and Eli saw this one and Eli and Ariel were INSULTED by it.

Ariel: It's true.

Eli: Yeah.

I showed them the sketch and it was CRAZY!

They saw the princesses at war because of Merida.

When it was done they were shocked!

Lola: That was a crazy one.

Merida: (Scottish Accent) Aye! I can't believe that I would cause a war like that. Even though it never happened now.

Raven Queen: At least it never happened.

Horsea: The Sketch portrayed Ariel as being only good for her Thingamabobs.

Raven Queen: Thingamabobs?

Me: When we met Ariel she had a massive curiosity to wanting to learn more about us and she had a HUGE collection of artifacts from our world. We showed her everything about what we do and more.

Ariel: It's true.

Eli: And I helped her out. I love Ariel like she is a true sister.

Apple White: Aww that is so sweet.

Ariel: Eli is the best brother ever.

Me: Yeah. But that sketch really hurt her emotionally.

Ariel: Yeah it did.

Poromon: Yeah.

Apple White: Geez, in that sketch, the Disney Princesses pretty much accomplished what all of their respective enemies have been trying to do.

Me: Yeah they sure did. It was terrible.

Lola: Thank goodness it never happened.

Lana: No kidding.

Me: Maybe in Universe 666 but not here in the Prime Universe.

Nico: That is true.

Raven Queen: Yeah. Wait do you guys hear something?

We saw a white motorcycle coming and on it was a figure.

Me: I think that's our guest.

It pulled up and she took off her helmet and it was Kase A.K.A. Kamen Rider Siren!

Me: Kase!

Nico: Kamen Rider Siren!? Whoa!

Kase: J.D.! Wow its been a long time!

Me: Boy it sure has!

I went over and hugged her.

Kase: Wow! You really have changed a lot these last 15 years.

Me: Tell me something I don't know.

Nico: You know her?

Me: I sure do. I met the Dragon Rider Kamen Riders 15 years ago. Before I moved to Michigan. I have one awesome story to tell you.

We sat down and I revealed that 15 years ago, I helped the Dragon Rider Kamen Riders of America destroy Xaviax. I helped them defeat him and as a bitter reminder I left my mark on him by slashing him across his chest and expose his black heart to the open. When I was done everyone was amazed!

Nico: WHOA! J.D. that is so cool! I had no idea that you helped the Dragon Rider team all those years ago!

Eli: That is so cool!

Me: You guys never asked about it.

Nico: That is awesome!

Kase: Yep. J.D. is a strong force to be reckoned with.

Nico: He sure is.

Natalia Somonmenchikov: That is really amazing! Kase it's awesome to meet you. My name is Natalia Somonmenchikov and I'm the ambassador for the upcoming Dragon Knight Riders missions.

Kase: That is amazing and it's awesome to meet you Natalia.

Natalia Somonmenchikov: Same to you.

Touma: It's a pleasure to meet an international Kamen Rider. I'm Touma Kamiyama and I'm for the Saber Riders.

Megan McCallister: We met Japan's Kamen Riders mostly over this last year and it was so awesome.

Eli: Awesome series of adventures.

Touma: Unlike Ryuki, your bad guy actually is obvious.

Raven Queen: Yeah who is Xaviax?

Me: A monster. But he is like America's version of Swartz and he's our primary target for Natalia's missions.

I went over his history.

---

General Xaviax the main antagonist of the TV show Kamen Rider: Dragon Knight. He is an alien who defeated the Kamen Riders to conquer Ventara before turning his attention to conquering Earth with his monsters gathering humans to set up his master plan of abducting all humans on Earth to be his slaves in rebuilding his home world.

He is portrayed by William O'Leary, who also portrayed Frank Morgan in L.A. Noire

General Xaviax is an alien from planet Karsh. His world was destroyed by a civil war, between the planet's north (led by Xaviax) and its south. Though the north won, they left the planet in ruins. Under Xaviax's orders, Eubulon created teleportation beacons and went to the planet of Ventara to place them and abduct the populace. However, Eubulon, after falling ill and recovering with help from a Ventaran family tried to convince Xaviax that they'd have to find another way to save Karsh. Xaviax however thought that Eubulon had committed treason and decided to enslave the Ventarans himself. Eubulon warned the leaders of Ventara and created the Kamen Riders to defend the planet, becoming the Advent Master. Eventually Eubulon and Xaviax fought and their battle ended in a stalemate as both were disabled. Eubulon had been vented and sent to Earth - Xaviax was able to recover more quickly and by unknown reasons, he lived through the fight.

Some time afterwords, during the time Adam, the original Kamen Rider Dragon Knight, was assigned to patrol Ventara while the others were in a state of suspended animation, he had approached Adam under the guise of 'Paragon' another Karsh refugee and a supposed friend of Eubulon and convinced Adam that he could unlink the Riders from their decks. Adam took Xaviax to the base to wake up the other Riders in order to give them the good news.

But 'Paragon' turned on them and vented all of the Riders except Len and Kase who woke up in time and escaped, though he thought Kase had been vented. With the Riders out of the way, Xaviax successfully abducted all of Ventara.

Regretting his actions Adam secluded himself in an illusion Xaviax created and left him there with a Ventaran girl named Sarah. Thus he begins his hunt to eliminate Len, the only Kamen Rider that stood in his way for global domination.

To that end, he uses his shape-shifting powers to find ideal pawns to aid him as his Kamen Riders, tricking some of them into believing they are doing the greater good or offering them something they desire. He has currently displayed only one human form thus far in the series, but takes on different aliases to suit his needs and recruit Riders to his cause.

The first of his disguises is a Preston Family attorney named Walter Conners which he uses to announce Richie Preston's severance from the family fortune.

He later appeared as a mercenary captain named Race Mattock to entice Grant Staley with the idea of being a great fighter of two worlds.

Then, he appeared as a Battle Club tournament official named Charlie Feathers to blackmail Brad Barrett with evidence that clears him of a cheating scandal. During that time, "Charlie" revealed to Brad that he is Xaviax and gives Brad the option to vent or be vented as Xaviax still has the proof of Brad's innocence.

He later appeared as a government agent named Special Agent Simons, giving an asthmatic Chris Ramirez a rare opportunity to serve the United States, albeit in secrecy.

He then appeared before the Cho Brothers with a large sum of cash and the chance to pull off the biggest heist of their careers. When Danny goes rogue after Albert is vented, he wanted Strike to vent him. However, upon news of Kamen Rider Siren's return, he feels uneasy discovering an even bigger threat than Wing Knight. Even when Strike came back with Danny still alive, he doesn't act against JTC as he knew that he would be outnumbered and decides to leave Danny's fate up to Strike's judgement in which Strike vents him.

While he has been offering some of the other Riders what they desire for the elimination of Len, one of his primary targets seems to be Kit Taylor, as many recent plans involve getting Kit to defect to his side and betray Wing Knight.

So far he has been unsuccessful, even losing his main bait, Frank Taylor. But soon he decides to take a more direct approach after Siren appears and directly reveal himself and three of his aliases to Kit. He reveals that he kidnapped his father, framed him for his arrests and then manipulated his father to bring him to the Advent Deck and Dragreder. He states that Kit was the hardest one to recruit as, unlike the other Riders, he had no vice (like Richie's greed) or ambition (like Chris's desire to be a hero). With the training received by Wing Knight as well as fighting his own Riders and gaining Wing Knight's trust, he believes that it's the best time to recruit Kit. With that, he decides to finally make his offer to Kit: vent Wing Knight and Siren and he will revive Frank Taylor, manipulating Kit's love for his father.

However when Xaviax realizes that Kit can no longer be swayed, he abandons his plans for him meaning that Kit must now be vented. And to help JTC, he reveals a secret Kamen Rider in emergencies, Kamen Rider Wrath. He reveals that the body is in a coma and physically merges with Wrath's body in order to fight the three Riders who stand in his way. While fused with the body, he takes the appearance of Vic Frasier, Wrath's counterpart, instead of his normal form when removing the Rider armor. Xaviax later gives JTC's Advent Deck more power by allowing him to capture two more Advent Beasts and use their former master's abilities as well as fuse them together.

After Strike is vented, Xaviax in Wrath's body manages to attack Dragon Knight and Wing Knight and overpowers both Riders, even in their Survive Modes. He manages to vent Kit, but bails from Vic's body before it disappears to the Advent Void.

Xaviax then snatches Kit's Advent Deck and plans to use it against Wing Knight, the last Kamen Rider standing in his way. His master plan in the series is to kidnap and conquer all of Earth. However, Earth is a Mirror World to Ventara and kidnapping humans one by one is time consuming. So instead, Xaviax has a machine where he can transport a mass amount of humans from Earth to Ventara and use them all as his slaves. But this machine requires specific humans with matching DNA to power this machine. To that end he sends his minions in to kidnap just those people. With Wing Knight, Dragon Knight and other Kamen Riders fighting against him, however, he has to focus on the war against them as well, which delays his plans. But when all but Wing Knight is vented, he returns to his original plan. By planting special devices across the world, it will enable Xaviax to transport all of Earths population to Ventara. But after hearing disturbing news of Eubulon's return, he decides to send Adam, the original Dragon Knight, to spy on Len threatening Adam with revealing to Sarah that Adam had betrayed the Riders.

Upon discovering the virus in the system, Xaviax tells Adam to send him a copy of the virus so he could decode it and create a vaccine. However, Adam has continuously failed to infiltrate the Riders, angering Xaviax. He sends monsters to attack Maya to allow Adam the chance to save her as another opportunity to ingratiate himself with the good guys. When Adam manages to gain their trust and acquires the virus for him, he shuts down a transmitter to make it look like Adam was successful and begins to decode the virus. While he was successful, he feels that Adam may turn his back on him, so he disguises himself as Eubulon and fights Adam and berates him during the fight, swaying Adam to betray the other Riders once more, this time out of his own free will. He was able to decode the virus and create a vaccine, with which he reactivates all the transmitters and begins a countdown to its activation.

Before he uses it, he's confronted by Eubulon. He berates him for abandoning his people on Karsh, But Eubulon justifies it by saying that Xaviax turned the planet into a wasteland through war and he couldn't let him destroy another. He also adds while their time of existence is done, humans still have a chance of survival. Xaviax becomes even angrier at this and says that Karsh and its people are superior above all others and won't let anything, including him cause their race to die out. As a result the two begin to fight. Xaviax appears to have the upper hand, but is stopped by Kit, Adam, Len and Kase who he refocuses his attention on. When he attempts to finish them off, the other nine Riders arrive. In a desperate attempt to corrupt all 13, He tells them that he could have been able to give them anything they wanted, but instead they choose to fight against him. Soon all 13 Riders used their Link Vents to destroy General Xaviax forever.

---

When I was done everyone was shocked!

Eli: He is pure evil!

Laney: So we're going to kill Xaviax.

Me: Yep. And banish him to the Black Gates forever.

Lola: That dirtbag is getting it!

Nico: And it's hard to believe a world in the mirrors exists.

Kase: I know. It sure is amazing.

Me: We've actually been to a mirror universe before Nico. Remember the world of the DNK?

Nico: Oh right The Destructively Nefarious Kids. That was scary and weird.

Lincoln: Yep.

Kase: But this is different. Ventara is a mirror world of Earth. But it's different.

Me: Yep. I have seen what it's like and it was crazy.

Nico: Wow.

Poromon: I think you mean literally inside a mirror.

Me: Yep that's right. It's strange.

Eli: But that is really amazing bro that you helped the Dragon Knight Riders before.

Me: Yeah. How are Kit and everyone else doing?

Kase: They are doing great and we were being kept up to date on all your amazing adventures. It's amazing how you guys became the most powerful force in the entire universe in over 7 years.

Twilight Sparkle: It sure is and Team Loud Phoenix Storm has done so much over that timeframe.

Me: Not to toot our own horn but yeah.

Kase: I saw you guys blow up Citiesville. I knew that was you guys when we were there.

Me: You guys were there?

Kase: We just left the city when we saw you guys land there.

Me: It's good you weren't there when we blasted off that nuke.

Nico: No kidding.

Kase: But I'm glad to help you guys now. Oh I have this for you.

She gave me a letter from Kit.

Me: (Reading) "Dear J.D, It's amazing to hear that you have come such a long way in a short amount of time. But we have a strong feeling that Xaviax is coming back. So Kase is going to be with you guys until the big day of the Ambassador Mission for us. It will be great for Kase to get some help in her training with you guys. It will be great to see you again after all this time and congratulations on achieving so much. Looking forward to seeing you again. Sincerely Kit and the Dragon Knight Riders." Well that was awesome that Kit sent you to help us out.

Kase: It sure is. When is Natalia's big day?

Me: We're projecting June 28th.

Kase: Wow! This will be awesome.

Eli: It sure will.

Nico: Why do I get the feeling we're gonna meet another old enemy?

Me: I got that feeling too.

Kase: I did see a loud mouthed woman on the way here.

Me: Wait did she have a royal flush crown and have a nasty temper the size of Alaska?

Kase: Yes!

We gasped!

All of us: THE QUEEN OF HEARTS!

Lizzie Hearts: My mother!?

Nico: Not exactly!

Me: Even those she share the same name as your mother she and you are NOT biologically related.

Alice (Disney): This is the one that I knew from my world.

Me: That's right. The Queen of Hearts has a REALLY NASTY disposition. And she almost killed Alice by beheading her.

I went over her history.

---

The Queen of Hearts is the main antagonist of Disney's 13th full-length animated feature film Alice in Wonderland, which is loosely based on the 1865 novel Alice's Adventures in Wonderland and Through the Looking Glass and What Alice found there by the late Lewis Carroll. She is the tyrannical, oppressive, wrathful and deranged ruler of Wonderland, the wife of the King of Hearts, and Alice's arch-nemesis.

She was voiced by the late Verna Felton in the original film in her first and only villainous Disney role, she was later voiced by Tress MacNeille, who has also voiced other villains such as Carol Miller (also known as Mom) in Futurama, the Perfectionist in the Courage the Cowardly Dog series, and Agnes Skinner in The Simpsons, and currently by April Winchell, who also played Cruella De Vil in 101 Dalmatians: The Series, Ma Duskerton in Gravity Falls, Clarabelle Cow in Mickey, Donald, Goofy: The Three Musketeers, Black Heron in the Reboot of DuckTales and Hypnotheria in Teamo Supremeo.

In the film, the Queen appeared (as Alice puts it) to be a "fat, pompous, bad-tempered old tyrant". Her presence is all of the more striking because of how tiny her husband (whose life she still dominates just like she does in the book) is made to look in comparison to her.

Similar to the book, Alice meets three cards painting the roses red, since they planted white roses by mistake. When the Queen arrives, she orders those three cards beheaded, then challenges Alice to a game of croquet. The game is eventually spoiled by the Cheshire Cat. The Queen blames Alice for it, but before she can give the order, the King suggests holding a trial for Alice. The Queen grudgingly agrees.

The Queen calls the March Hare, the Mad Hatter, and the Dormouse to witness, who hold an unbirthday party for her. During the party, the Cheshire Cat reappears and upsets the Dormouse. The Cheshire Cat runs everywhere, and in an attempt to crush the mouse, the King of Hearts accidentally hits the Queen with the gavel.

Of course, the Queen blames Alice for it, and is going to have her beheaded. However, Alice eats mushrooms that she had procured earlier, which make her grow much bigger. Although Rule #42 says that anyone more than a mile high must leave the court immediately, Alice feels free to reprimand the Queen and called her a "fat, pompous, bad-tempered old tyrant"; unfortunately, she subsequently shrinks down to her normal size (having eaten the small mushroom as well). Realizing that she has the upper hand, the Queen eagerly urges Alive to tell her what she was saying. The Cheshire Cat repeats what Alice called her (a "fat, pompous, bad-tempered old tyrant") and the Queen finally orders her beheaded, but Alice flees.

The furious Queen, King, Card Soldiers, and the other residents of Wonderland then chase after Alice out of her subconscious mind, but she gets away and they are later erased from existence for good after the entire sequence is supposedly revealed to be a dream.

When I was done everyone that hadn't heard about it was shocked!

Kase: Whoa! That is bad!

Lizzie Hearts: She's worse than my mother!

Eli: No kidding!

Lincoln: Wallflower helped defeat her before.

Me: Yep.

Nico: She's going to jail this time!

Me: Nico we already threw her in jail before remember?

Nico: Oh yeah we did send her to jail before didn't we?

Me: Yep. We killed her the first time and sent her to jail the second time. But we'll gladly send her back there the third time.

Eli: We sure will.

Nico: Where is she right now?

Eli: She's coming from there.

We saw a figure coming toward the school!

Eli: There she is!

Wallflower then came!

Wallflower: Oh great! Not the Queen!

Me: Wallflower!? Wow!

Wallflower: I knew there was trouble and I had a feeling it was the Queen coming.

Raven Queen: Wow! Awesome to meet you Wallflower.

Wallflower: Oh I'm sorry. Same to you Raven. I heard a lot about you.

Raven Queen: Same here.

We waited and stood ready for her! Then she came.

Nico: Hi there, Queenie. We've been waiting for you!

Me: Long time no see Queen.

Alice: Been a while!

Queen of Hearts: YOU!

Wallflower: Don't forget me!

Queen of Hearts: YOU RUINED ME!

Wallflower: That's right!

Nico: You're still as bad tempered as ever.

Eli: And just as mean!

Lincoln: YEAH!

Laney: Someone should put ice on your head and help you cool down that mean attitude!

Me: Yeah!

Lizzie Hearts: You may be named after my mother but you are not her PERIOD! OFF WITH HER HEAD!

Queen of Hearts: I will force you all to obey me!

Poromon: Oh yeah? You and what army?!

She darkly chuckles and snapped her fingers. As if on cue, two gorillas appeared.

Poromon: Oh. That army.

Queen of Hearts: Meet Bada and Bing. Personal bodyguards to the queen. (gives Bada banana)

Bada: Bada!

Bing: And Bing.

Bada: We'll crush…

Bing:… funny pipsqueaks.

Bada picked up Poromon while Bing picked up Poliwag. They both dribbled them while laughing.

Manaphy: HEY STOP THAT!

Horsea: YEAH!

Poromon and Poliwag were laughing!?

Poromon: (LAUGHING) THIS IS FUN!

Poliwag: (LAUGHS) HEY YEAH!

Me: Wait a second! Aren't you two the gorillas that Skipper and the Penguins told us about?

Nico: Yeah!

Bada: That's us.

Bing: Yeah. How you know Skipper and friends?

Me: They are with us on the team.

Queen of Hearts: Will you stop talking and destroy them?!

Bada: Sorry. Looks like we got to stomp you now.

Fluttershy: I don't think so mister!

She used her stare on the two gorillas and they gasped in fear!

Me: I got a good idea.

I grew a bunch of bananas and showed Bada and Bing them.

Me: You can have all the bananas you want if you leave the Queen and join our frenemies in the M.O.E.

Bing: All right. (Drops Poliwag)

Bada: Yeah.

They went over to us and then the QUEEN EXPLODED IN RAGE!

Queen of Hearts: WHY YOU ROTTEN USELESS! OFF WITH YOUR HEADS!

Touma: HENSHIN!

He turned into KAMEN RIDER SABER!

Kase pulled out an Advent Deck!

Kase: KAMEN RIDER!

She turned into KAMEN RIDER SIREN!

Me: COOL!

Wallflower: WOW! Kamen Rider Siren of the American Riders! That is amazing!

Kase: It sure is.

Nico: (gets out King Hiss and Ssserpent's Ridewatches) You hired the two of them since the two of them are bigger then the mascots!

Nico activated them and fired waves of energy and smashed her

down!

Me: You know the funny thing is in 150,000 years I faced the Legendary Stupid Brothers and they put up a tremendously awesome fight.

Eli: Really?

Me: Yep.

Raven Queen: That is amazing.

Me: The Legendary Stupid Brothers were as big and strong as Bada and Bing too

Otto: (gets out Rocket Racer's Ridebook) Let's Ride!

Otto skated towards her.

Otto: (Reading Verse) "Skating through loops, pipes and ramps, the racer of rockets zoomed really fast and bashed his enemies all over wiht amazing speed and force and let them have it!"

SMASH WHAM ZOOM!

Otto bashed and pulverized the Queen.

Me: Too bad her Card Troops aren't with her.

Ish: (gets out Centiback's Ridebook) Save some for me!

Ish was read.

Ish: (Reads verse) "Throwing a massive barrage of explosive footballs, the enemies were pulverized with bombs all over the place and they exploded with the force of sticks of dynamite and they really hurt them."

Everything he said happened and blasted her all over.

Eli: OH YEAH!

Mal: That was awesome!

Apple White: (gets out Universe 666 Dr. Viper's Ridebook) This is probably the second time I'm using this

Me: Yes it is.

Apple White: (Reads Verse) "Globs of purple slime appeared and they were giant bacteria and they ate everything in their path. The mad scientist had them help him in his quest to get what he seeks."

Giant bacteria came and the queen summoned card troops and the Bacteria ate them! YUCK!

Kase: Let me have a shot. But it not be with the Legend items that you're expecting.

Me: Okay. Go for it!

Eli: Yeah!

Kase pulled out a card and loaded it.

STRIKE VENT!

She jumped and slashed Queen of Hearts all over!

Me: WHOA! You'll like this Kase.

I pulled out the card for Pyros.

PYROS VENT!

I fired a huge glob of lava and blasted Queen of Hearts all over with fire and lava!

Eli: That was awesome!

Queen of Hearts: OFF WITH YOUR HEADS!

Me: Correction! Off with YOUR HEAD!

Wallflower: YEAH!

Then a Barbaracle came!

Me: Whoa a Barbaracle!

Nico: Cool!

Barbaracle: (In a girls voice) I got this guys!

Nico: Camie Cambrian! Wow!

Me: Wait the famous Paleontologist!? WHOA!

She fired waves of energy and they hit the queen and knocked her out and we tied her up.

Lola: Take that!

Camie reverted back and she was a girl with orange hair and purple clothes and purple eyes.

Camie Cambrian: That was so fun.

Horsea: Are you okay, Poliwag?!

Poliwag: I sure am. That was fun!

Poromon: It sure was!

Mal: That was great though!

Amore: It sure was.

Raven Queen: (To Camie Cambrian) What's your favorite memory of Nico?

Camie Cambrian: When me and Nico went and found an awesome plethora of fossils from the Cambrian Period and we gave them to the museum. They were awesome.

Me: That is really cool!

Eli: It sure is.

Nico and Camie hugged.

Nico: I've really missed you.

Camie Cambrian: Me too Nico. Me too.

Apple White: Amore, ever since I met you, I've seen you as a big sister:

Raven Queen: Me too Amore.

Amore: Aww girls.

She hugged all of them and they were all viewed as sisters to her.

Fluttershy: Oh that is so beautiful. (Sniffles) It is so touching.

Fluttershy went and hugged them.

---

We later went back home.

May: Hey guys! How did it go?

Me: Really awesome!

We told everyone about what happened and it was awesome.

Qin: WHOA! So Kase of the Dragon Knight Riders appeared and came to help out!? That is cool!

Kase: Yep. I'm with you guys on my own missions till Natalia's big day.

Xenia: That is awesome!

May: Natalia, for your first mission, 4 Rabbids and Shu should go with you.

Natalia: All right! This will be great comrades!

Shu: It sure will be fun!

---

Poromon, Manaphy, Poliwag, and Horsea: HAPPY CINCO DE MAYO, EVERYBODY!

Me: Same to you guys!

Qin: Awesome!

Lola: I love Cinco De Mayo!

Ronnie Anne: Me too guys!

Laney: It's so cool!

We also had a really awesome Cinco De Mayo feast! We had burritos, tamales, chalupas, mole poblano, chiles en nogada, quesadillas, nachos, guacamole and more.

Lola: Boy what a spread!

Nico: It sure is awesome!

Elena: I just love this time of year!

Ronnie Anne: Me too! It's awesome!

Rosa Casagrande: (Spanish Accent) Thank you miha. It's a good time for us.

Me: It sure is.

I ate a bunch of chalupas.

Me: (Eating) Mmm! Delicious.

Laney: (eating Molle poblano) Mmm!

Mirabel: Are you guys enjoying the grub?

Me: We sure are.

Eli: (Eating Burritos) We sure are and it's delicious.

Me: Muy delicioso.

Blot: (to the mascots) What about you guys?

Mascots: It's all so good!

They were eating all the good food.

Poromon: (Eating Tamales) Mmm! So good!

Manaphy was eating burritos.

Manaphy: (Eating) Delicious.

Manny Rivera: Do you guys want to head to Miracle City later?

Me: You bet we do. Perfect idea Manny.

Manny Rivera: Gracias.

Me: Denada.

Speedy Gonzales: That's a great ideas señors.

Nico: You know, since today's Cinco De Mayo, maybe we should head for Miracle City.

Lincoln: Good idea.

Me: It sure is.

Manny Rivera: We haven't exactly been there for a while. And there are still many of my enemies still unaccounted for.

Me: It has been a while.

Nico: I know.

Then there was a knock on the door.

Me: Come in!

A Malamar came in.

Me: Hey a Malamar.

Qin: Neat.

Nico: And you are?

Malamar: (In a girls voice) Good to see you Nico.

Nico: Laney Garcia!? Whoa!

She reverted back and she was a girl with blue hair and had blue eyes and pink and purple clothes.

Laney Garcia: Awesome to see you all here.

Me: Awesome to meet you.

Groove: What's your favorite memory of Nico?

Laney Garcia: When me and Nico ate my family's delicious food. We make burritos. We even made a disgusting flavor. It was Calamari Limburger Salmon flavor.

Me: Calamari Limburger Salmon? That would take like puke!

Nico: It actually taste really good.

Me: Really? Wow.

Nico: Yep.

Nico and Laney hugged.

Nico: I've missed you Laney and happy Cinco De Mayo.

Laney Garcia: Me too Nico and same to you too.

Hades then appeared.

Blackfire: Hades, remind me why you're going with us?

Hades: I have a hunch on who the next villain is. I'll explain more if I'm right.

Eli then snuck up behind him and blew his hair out.

Hades: Whoa is my hair out?

We laughed!

Me: (LAUGHS) That's funny!

Eli: (LAUGHS) Sorry Hades I couldn't resist.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront today: it was El Tigre's most dangerous enemy, Sartana of The Dead. When we all saw it, we knew it meant trouble.

Nico: Whoa, Lincoln, what's up?

Lincoln: Nico, everyone, we got an emergency. I had a vision of who we're going to confront today: it's El Tigre's most dangerous enemy, Sartana of The Dead.

Maria Garcia and the other Fabled Gene-Slammers gasped in shock.

Hades: I knew it was going to be her next!

Me: Uh oh!

Maria Garcia: (Spanish Accent) Oh God, not her, I thought all of Miracle City was finally rid of her for eternity.

Me: Sounds like you girls know about her.

Maria Garcia: (Spanish Accent) I wish we hadn't, and Manny was lucky to triumph over her, Sartana of the Dead is the most powerful and evil supervillain and feared villain in all of Miracle City.

Isabella Andwraith: (Spanish Accent) And we know of her legend all too well, Sartana is the firstborn daughter of the gods, Xibalba and La Muerte, and she despises the Rivera Family because Manny's Grandpapi abandoned her at the altar long ago.

Me: (Winces)

Nico: Not good!

Emilia Ashenveil: (Spanish Accent) She also possesses The Golden Mystic Guitar of Xibalba, and with every strum of that guitar, she can fire energy blasts from it and even summon her skeleton banditos to cause trouble.

Martina Dianaira: (Spanish Accent) But, the guitar was also Sartana's life line, and the destruction of the guitar always resulted in Sartana dissipating, but it doesn't seem to be a permanent fix, however.

Gabriella Gallabas: (Spanish Accent) That's right, because no matter how many times Sartana was destroyed, she was able to be resurrected.

Alicia Dyf: (Spanish Accent) In other words, Sartana of The Dead, is for all intents and purposes, immortal. Django's so not going to be happy to see that his grandmami has come back to cause trouble again.

Luciana Grimro: (Spanish Accent) We got to head down to Miracle City and destroy Sartana of The Dead once and for all.

Nico: That's what we're going to do, Luciana, and it'll also be the perfect way to close out Cinco De Mayo.

Me: A battle with another of Manny's old foes.

Eli: Yeah!

Hades: And I always had a bit of a crush on her a while back.

Me: You did Hades?

Hades: Yeah it was a long story.

The Previous group came

Carmen Dillo: Can me, Kaos, El Oso, Vreedle Brothers, Duff Killigan, Metal Sonic, Tchang Zu, INSTIGATOR, Leap Frog, and Gramma Stuffum go with you guys?

Rhomboid: And Happy Cinco De Mayo!

Applejack: Same to y'all.

Qin: Yeah.

Nico: And also yes you can come with us.

Pinkie Pie: This is gonna be a super fun part for Cinco De Mayo!

Qin: It sure will be fun!

Me: If I were to guess Nico you're going for Heliolisk and Clawitzer right?

Nico: That's right.

Bleez: Dammit, I was gonna ask that!

Me: Sorry Bleez, I just knew it was coming.

Bleez: No worries.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was a werewolf named Lupe Daciana, and a very dangerous member of a rival werewolf clan from Denver, Colorado, but before Ashley moved to Royal Woods, she took down Lupe Daciana who was out to kill her and her parents and forced her and her clan to leave Denver for good, Lupe's pride was wounded deeply and now, seven years later, Lupe Daciana has come back and she wants revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Ashley, you're not going to like it: the figure I saw belongs to your old enemy, Lupe Daciana.

Ashley Lupus Foxina: (GASPS) Lupe Daciana?! Not that werewolf again!

Me: Ashley, you know her?

Ashley Lupus Foxina: I wish I hadn't. Lupe Daciana is a werewolf and member of a rival werewolf clan from Denver, Colorado, and long before I moved to Royal Woods, I took down Lupe Daciana who was out to kill me and my parents and I forced her and her clan to leave Denver for good, and because of it, Lupe's pride was wounded deeply and now, seven years later, Lupe Daciana's come back and she wants revenge on me.

Lincoln: I'm not letting that werewolf hurt you, Ashley, we're going to kill her and put a silver bullet in her black heart after we take care of Sartana of The Dead.

Maria Garcia: (Spanish Accent) Right, I've had it up to hear with the most feared undead villain of all of Miracle City to last an eternity.

Nico: Same here, alright, gang, let's go, we're heading to Miracle City to destroy Sartana of the Dead once and for all.

Lincoln: Her crimes against Miracle City can never ever be forgiven, and once we get done destroying Sartana, you're next, Lupe Daciana.

Ashley Lupus Foxina: You made a huge mistake coming back, Lupe, now, I'm going to see to it that you die here and now, and if any of your pack of animals dare to come after us, so help me, we will hunt them all down, rip their arms off, and rip their heads right off their shoulders!

Me: Right! Boy we haven't been to Miracle City in a long time ever since we first met the Beast Morpher Rangers.

Devon: Feels like forever.

Qin: Yeah.

Carly Atlas: And I was pregnant back then too.

Qin: Yeah I remember.

Lola: Ouch.

Nico: Lets go.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to Miracle City and help Manny and his family destroy Sartana of the Dead once and for all, and once we get done with making her pay, Lincoln and Ashley Lupus Foxina are going to destroy that murderous werewolf from seven years ago, Lupe Daciana, and give her The Black Gates.

---

We were flying to Miracle City.

Kaos: (to Hades) You have a crush on Sartana?

Hades: Well, since Maleficent went insane and had to be put down, I had to move on.

Me: I see. Even gods and goddesses can find love too.

Qin: That's true. Love happens to everyone and everything.

Nico: Guys, after the last Ambassador mission, I'm going to start having training exercises with simulator missions involving Super Mario worlds. Including the Galaxies he went to.

Tundra Man: That's nice to hear!

Me: Awesome!

Nicole: I can't wait.

Xenia: That is cool!

Me: Frida are you still pissed at Zoey Aves?

Frida: I SURE AM!

Camie: Why does Frida hate Zoey so much?

Me: She and Zoey are mortal enemies. Zoey would always pick on Frida. They hated each other ever since with a terrible vengeance.

Camie: GEEZ!

Qin: YIKES!

Lola: Yeah I remember that.

Ronnie Anne: It was really brutal.

We arrived.

Manny: Home sweet home.

El Oso: (Spanish Accent) You said it, Amigo.

Me: Yep and the neat part is that it's right across from the border with El Paso, Texas.

Nico: Very close.

Camie: Wow! That is cool.

Me: It sure is.

Wood Man: I can't remember the last time we were here.

Me: Boy the last time we were here was to stop Zoey as the Black Cuervo. And no I'm not talking about Tequila. I'm talking about her villain name. It means the Black Raven.

Nico: Yep.

Qin: That was cool.

Camie: How come you didn't kill her?

Me: She's still a kid and you know that it goes against our code to kill kids.

Lola: Yeah.

Octagon: Unless there's no other option.

Me: Don't worry Octagon. She is now in the M.O.E. as Violet Incredible's archenemy.

Violet Incredible: It's true and I like it.

Qin: Awesome.

Frida: Better you than me Violet.

Camie: Yeah. That's cool.

Bomb Man: Octagon was referring to the times we've had no choice but to kill certain kids.

Me: I know. That was crazy.

Octagon: It was.

Me: Yeah. Sorry.

Bomb Man: No worries.

Nico: Yeah. It's true.

Manny: But lets not talk about Zoey.

Me: You're right.

Tchang Zu: Are your parents still around?

Manny: Lets find out.

We went to the Rivera residence.

We arrived.

Manny: Good to be home.

We went in.

Manny: Mama I'm home.
